Nico: My favorite note! B-FLAT!

We laughed hysterically!

They screamed like little girls as they were being pecked all over and it was funny!

We laughed hysterically!

Lincoln: Keep the change, you filthy animals!

Me: Merry Christmas ya fucking filthy animals!

Nico: And don't let us catch you breaking out prison again, you stupid morons, or there'll be plenty more where that came from. Awesome job, gang, but we're not done yet, there's still the matter of Stoica to deal with, and he should be arriving… right now!

?: I will make every last one of you pay for ruining our plans to conquer Earth, Team Loud Phoenix Storm!

Fabia: I knew there's no mistaking that voice from anywhere. You can come out now, Stoica.

A figure came out, and it was none other than Stoica, one of the members of The Twelve Orders.

Nurzak: I see you still refuse to learn your lesson after we defeated you long ago, Stoica.

Stoica: And you're still a miserable traitor, Nurzak, let's just see how smug you are when I kill you and bring your head to Barodius.

Emily LeRou fired a powerful purple energy blast with purple fire and condors at Stoica, and he was burned badly.

Emily LeRou: Not happening, Stoica, and now, I'm putting a stop to you once and for all.

Suddenly, Emily LeRou's purple eyes turned neon purple, and she was surrounded by a black and purple energy aura with purple fire, condors, and darkness, she unholstered her massive Earthbound Immortal Wiraqocha Rasca-themed sword from her back, and as she approached Stoica, she left purple and black energy, purple fire, condors, and darkness with every step.

Emily LeRou: I will never forgive you for any of the crimes that you and the other members of The Twelve Orders have committed against Fabia and her people, Stoica, and now, you're about to suffer the true wrath of The Earthbound Immortals.

Suddenly, Emily LeRou was surrounded by a massive vortex of black and purple energy with purple fire and darkness surrounding it, there's Earthbound Immortal Wiraqocha Rasca flying around the vortex, and in the vortex is a purple phoenix. Then, as the vortex faded, Emily LeRou emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS 1:45 TO 2:14)

Emily LeRou grew from 6'0" to 7'1" in height, she has the body of a goddess, she has black highlights in the bangs of her long flowing purple hair, she has neon purple eyes and a black and purple energy aura with darkness, purple fire, and condors surrounding her, she has Earthbound Immortal Wiraqocha Rasca with the Dark Kanji in its claws emblazoned on her forehead, she has on condor earrings with purple gems for eyes and holding the Dark and Eternity Kanjis in his claws, she also has Earthbound Immortal Wiraqocha Rasca with purple gems for eyes and the Dark and Eternity Kanjis in its claws for the second pendant on the bottom of her purple condor-shaped Element of Harmony, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Emily LeRou has on a purple sleeveless vest, black sleeveless midriff top, purple frilly skirt with black frills and the Condor Nazca Line on it, black stockings, dark purple high-heeled sneakers, and long sleeveless white trenchcoat with darkness, condors, and purple fire on the coattails, and on the back is Earthbound Immortal Wiraqocha Rasca with darkness surrounding it. Suddenly, Emily LeRou felt a sharp pain on her back, and then, her massive black angel wings with purple tips grew much bigger for her new body, and the feathers had the same purple markings on Wiraqocha Rasca's wings. Emily LeRou has on a Ring of The Phoenix with purple gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger.

Suddenly, Emily LeRou's massive Earthbound Immortal Wiraqocha Rasca-themed large sword and all the other swords she'd gotten began merging together and they were surrounded by a kaleidoscope of purple energy with darkness, purple fire and condors, and when it emerged, it was transformed into Earthbound Immortal Wiraqocha Rasca's Dark Condor Greatsword of Purple Fire and Darkness Justice, it's a brand-new large greatsword with

Earthbound Immortal Wiraqocha Rasca and the Condor Nazca Line etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight condor heads for the crossguard, large purple gem embedded in the rainguard, longer midnight black handle, four large midnight black black condor heads and a large purple gem below the condor heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with purple gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Earthbound Immortal Wiraqocha Rasca's head with purple gems for eyes and a large purple gem in her hands for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a purple kanji below Earthbound Immortal Wiraqocha Rasca that said, "Emily LeRou, Gene-Slammer of The Condor Earthbound Immortal Wiraqocha Rasca, Life Long Friend of Girl Jordan and Helena McTroy, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser and Smasher of Bullies, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Condors, and Purple Fire"

Emily LeRou has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY DARKNESS PURPLE FIRE EARTHBOUND IMMORTAL CONDOR ANGEL OF DIVINE EARTHBOUND IMMORTAL DARK JUSTICE AND DIVINE PURPLE FIRESTORM LOVE!

We were amazed by Emily LeRou's Super Angel Xelnaga Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Stoica saw it, he fell into a rage and summoned his Bakugan, Lythirus, and he ordered Lythirus to kill her as he laughed insanely, but Emily LeRou fired a powerful purple energy blast with purple fire, darkness, and condors at Lythirus, and it caused him to change back into ball form, and he was locked inside his form, and she fired another powerful purple energy blast with purple fire, darkness, and condors at Stoica, and sent him flying into a rock formation, but Stoica is not out yet.

Nico: Holy guacamole, Emily LeRou's transformed!

Me: And look at the pattern on her wings, they're the same pattern as on Wiraqocha Rasca's wings, so cool.

Eli: Really amazing.

Lincoln: And like Emily said, Stoica's about to feel the wrath of The Earthbound Immortals, and Emily, you look beautiful, how do you feel?

Emily LeRou: (Divine Echoing Cosmic Voice of The Dark Condor Earthbound Immortal and Divine Purple Fire Justice) **I feel incredible, Linky, and now that Lythirus can't attack us, shall we administer Stoica his punishment?**

Lincoln: (Smiles) With pleasure, Emily.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Sheena Kagari.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Seems like you need another lesson, Stoica, but this time, your**

**Bakugan isn't going to be of any help to you, you insane psycho.**

Emily LeRou and Lincoln went after Stoica, and they fired extremely powerful blasts of rainbow energy, purple energy, purple fire, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, and Condors at Stoica, and they exploded with incredible power as they hit him. Then, they attacked Stoica with their massive greatswords and they left some really nasty scars on him, and then, Lincoln fired a powerful rainbow energy blast, which transformed into a rainbow energy straitjacket and rainbow energy chains and they restrained Stoica.

Stoica: Agh, okay, so you got me. What are going to do, kill me again?!

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **As if, you're not getting out of this easily. Besides, we already killed you once, Stoica, but you do have potential for The Masters of Evil, the only ones who don't and are going to be killed for good are Barodius and Dustin Keystone.**

Emily LeRou: (Divine Echoing Cosmic Voice of The Dark Condor Earthbound Immortal and Divine Purple Fire Justice) **Plus, if Barodius finds out you've been defeated, he's going to kill you and your Bakugan, Lythirus, and he has zero remorse of taking down one of his own.**

Stoica realized that Lincoln and Emily LeRou were telling the truth: if Barodius finds out, he'll kill him and Lythirus, and he now knows they're not safe around Barodius.

Stoica: Okay, it looks like sticking with our soon-to-be former liege was a bad idea.

Lythirus: Agreed, so where can we go to stay safe from him?

Nico: The Masters of Evil's HQ is the safe place since we'll be recruiting the other sixteen, but like Lincoln said, the only ones getting The Black Gates are Barodius, since he's a monster, and Dustin Keystone, since he's an asshole.

Stoica: Very well, we accept.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smiles) You've made the right choice, you two.

Lincoln freed Stoica and he beamed him and Lythirus to The Masters of Evil's HQ, where Vypra and the others were given the news: Stoica and Lythirus are now part of The Masters of Evil, and they've now turned their backs on Barodius. We cheered wildly for what Emily LeRou and Lincoln did as they holstered their massive greatswords on their backs and powered down, and Emily LeRou's new body, clothes, weapons, jewelry, and massive black and purple angel wings are permanent.

Emily LeRou: That's one villain recruited into The Masters of Evil and sixteen more to go before we finally kill Dustin Keystone, and thanks for helping me take down Stoica, Linky.

Lincoln: (Smiles Warmly) You're welcome, Emily.

Suddenly, Emily LeRou wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Emily LeRou's face, they kissed passionately as Emily LeRou's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Earthbound Immortal Wiraqocha Rasca flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and purple fire raging behind them and we all cheered wildly. Lincoln and Emily LeRou absorbed the fires, and they came back.

Nico: Awesome job, Emily and Lincoln, you guys convinced Stoica and Lythirus to turn their backs on Barodius, and got them to join The Masters of Evil.

Lincoln: We just had to say the truth to them, Nico, and after they thought about it, Stoica decided it wasn't worth it siding with Barodius.

Me: Yeah, and now, he and Lythirus are now part of The Masters of Evil.

Shun: Plus, you made the decisive choice to remove the Hom Dai from Dustin Keystone, Lincoln, now we won't have any trouble from him.

Dan Kuso: Yeah, that curse is very terrifying.

Lincoln: They don't call it the worst of all ancient curses, Dan, this curse is reserved only for the most blasphemous, and Dustin Keystone was a perfect fit for it: he's tortured and tried to kill me numerous times, he and his evil parents murdered Mia Addison's parents, and it's no surprise that the entirety of the Keystone Family are nihilistic, bloodthirsty, evil assholes and murderers, along with Imhotep for what he did to Pharaoh Seti I. But, now that Dustin doesn't have that curse, it'll make killing him in the future a lot easier, and this time, I'm going to make sure he suffers for everything he's done not only to me and Mia Addison, but for what he and his entire family's done to all of Michigan, I will make sure he suffers infinite-fold for every single innocent life they've taken. (Rainbow fires raging in Lincoln's deep sapphire blue eyes)

We gasped as soon as we saw it: the eyes of justice, and they've set their sights on Dustin Keystone, and Lincoln's going to make sure he dies a horrible death infinite-fold.

Nico: Whoa, the eyes of justice.

Me: And he's really serious, Nico, after all the crap Dustin and his evil family have done, he's made it a big mission to make sure the Keystone Family is a forgotten memory for all the evil things they've done.

Eli: That's right, because there's one thing Lincoln has that Dustin doesn't: the love, support, and friendship of all those around him.

Lincoln: You got that right, Eli, I have the love, support, and friendship of everyone around me, while Dustin's a bloodsucking leech who wants to make everyone around him suffer horribly and any who get in his way dies. But, that'll end soon when Demona and I get after him.

Nico: Yeah, and this time, that asshole will die forever and he'll be a forgotten memory.

Fred Randoll: Thanks for helping us today.

Brass Knuckles: It was our pleasure.

Me: It was awesome helping you.

Evil Seed: We hope you enjoyed the current Mars.

See More: And it was worth it beating up the Wet Bandits.

Nico: You got that right.

Hydrax: Now, they'll be included in the humiliations.

White Lightning: But today was still funny.

Me: Yep.

LOUD FART!

Julie Ford: RANDOLL!

Fred Randoll: Wasn't me.

We laughed hysterically!

Nico: (LAUGHS) So funny! But great job today everyone. This was awesome.

Fred Randoll: Yeah it was. (To the viewers) Hope you guys got a great laugh out of this one.

Qin: We all were laughing hysterically at this one.

Nico: Yeah. Lets head home.

We went back to the ship and went home. The Wet Bandits were put in the Lynn's Table Humiliation Line to replace Scoots. We then went back home and enjoyed the rest of the day and went to sleep.

Amber Morning and Moondust were with us.

Me: I hope Princess Celestia is okay!

Twilight Sparkle: Something big must be happening!

Sunset Shimmer: Yeah no kidding!

Sasuke the Android: Lets hope it's nothing bad.

Nico: Yeah!

Sunny Starscout: It must be something big for Princess Celestia to call us like this.

Nico: Thanks for coming with me, Sasuke.

Sasuke the Android: No problem Nico. We can talk more after we find out what is wrong with Princess Celestia.

Nico: Okay.

We went to her quarters and we heard her crying.

We went in.

Me: Princess Celestia?

Princess Celestia: (Crying)

Amber Morning: Mom what's wrong?

Princess Celestia: (Crying) Oh Amber. I never told you this.

She showed us a picture of another pony with Amber. It was a girl pony that had red hair and blue eyes and she had a cutie mark for a solar eclipse.

Princess Celestia: That's your big sister Solar Eclipsa and she went on a treasure hunt in the mountains near Grogar's old lair and never returned.

We gasped!

Me: Oh Princess we're so sorry.

Twilight Sparkle: We didn't know you lost her.

Amber Morning: Oh mom. Maybe we can find out what happened to her.

Me: I know where Grogar's lair is.

Nico: Yep. Lets head out.

Amber Morning: Don't worry mom we'll find Solar Eclipsa.

Retrax: We'll be back soon Princess.

We were off.

Nico: Sasuke, I like how you're both a ninja and robot.

Sasuke the Android: I do like it too. It's awesome.

Camie: It sure is cool.

Qin: That is so awesome that Goemon and his gang have an android with them too.

Eli: It sure is.

Nico: But despite being a robot, you've got a true heart of a hero.

Me: And the soul of a human.

Sasuke the Android: Thanks guys. That means a lot to me.

Qin: You're welcome.

We arrived at the mountain of Grogar's Lair and it looked reminiscent of Mount Doom from Lord of The Rings.

Qin: Whoa! So this is Grogar's lair?

Camie: Wow!

Me: Very reminiscent of Mount Doom.

Nico: Yeah.

We went in and it was a really creepy and hellish place.

Me: Whoa! This place is like we've entered through the Gates of Hell.

Nico: Yeah!

Eli: This place is overflowing with intense evil.

Brittney: I feel it.

Nico: Lets search this place.

We got to searching and there was a treasure trove of Satanic Evil Artifacts and even scrolls and books on dark magic and evil weapons.

Nico: Whoa look at all this.

Brittney: These are all artifacts that are from the darkest pits of Hell. The Amulet of Satan, The Ring of Baast, The Forlorn Mirror of Belial, books on Satanic Dark Magic, everything evil here.

Nico: A Palantiri Orb? Whoa!

Me: This is more evil artifacts and dark magic than what the Church of Necrom had.

Lincoln: Boy no kidding.

Camie: Yeah.

Ibara: Yeah this is scary and intense.

Fluttershy: No kidding.

Me: Grogar really WAS The True Devil of Equestria.

Nico: Yeah.

Maria: Oh, how we enjoyed beating up the Wet Bandits!

Me: That was so funny!

Tsuyu: We laughed our heads off at that one! It was hilarious!

Eli: We sure did! Especially with using all the shenanigans that Kevin and Megan used on them.

Lola: That was so funny.

May: Are we killing them? No. They're just too funny to beat up.

Me: Yeah we always get a good laugh from them.

Nico: Yeah we sure do and Lincoln put the Gessius Flores Curse on them too right?

Lincoln: Yep.

Nico: Good. And thank goodness that curse won't kill them.

Me: Yeah.

Lana: Hey guys! Look at this!

We went to where Lana was and we saw a stone statue of a girl pony and she was an alicorn too!

Amber Morning: (GASP) Solar Eclipsa!

Me: She was turned into stone!

Varie: My god! Grogar kept her here for eons because he didn't want anyone to know about his operations.

Me: Grogar was pure evil incarnate!

Nico: No kidding.

Eli: Yeah.

Nico: After she's freed, I'll go over the next Backup Core members I've decided on.

Me: But after that lets blow this place to smithereens.

Nico: Good idea.

I then flared up my magic and fired a magic blast and it hit her and freed her and for the first time in 1,000 years she was freed. Amber caught her.

Solar Eclipsa: (GROANS) What hit me?

Amber Morning: Sis? Are you okay?

Solar Eclipsa: (Gasp) Amber? Little Amber? Is that you?

Amber Morning: Yeah it's me. I've had sort of a growth spurt.

Solar Eclipsa: Oh Amber! Look at you!

Twilight Sparkle: Your mother is worried about you.

Me: Yeah. Sorry we should introduce ourselves. We are Team Loud Phoenix Storm. The most powerful force in the entire universe and the great heroes of Equestria. Lots of things have happened.

Solar Eclipsa: How long was I turned to stone?

Me: Its been 1,000 years. We have so much to tell you.

Solar Eclipsa: Tell me everything.

We did so and showed her everything that went down over the course of the eons and it was shocking and a lot to take in.

Solar Eclipsa: Oh mom. I miss her.

Eli: You'll see your mom soon.

Nico: Also, more confirmed Backup Core members are Shiro, Princess Mermista, Adora, Catra, Kurumu Kurono, Sabrina the Teenage Witch, Scorpia, Rowen, Lady Kayura, Dais, Buffo, Cross Crow, Aeleus, G1 Vortex, Varya Visnapuu, Blast Off, Jackie Chan Finn, Wittgenstein, Threatpack, and Toaster, Radio, Lampy, Blankie and Kirby.

Qin: Yeah! Varya will be excited to hear about that.

Lana: She sure will.

Me: And so will Adora and her friends and Shiro and even some of the Ronin Warriors.

Eli: Yeah.

Solar Eclipsa: I still have a lot of catching up to do.

Nico: You have a lot of time to do so. Now come on guys. Lets blow this place to kingdom come.

Eli: You got my vote!

Twilight Sparkle: Lets do it!

Brittney: I got the artifacts and magic and all that in this scroll with me.

Me: Great!

Then…

KRABBBBBBOOOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOOOOMMMMM!
KRABBBBBBOOOOOOOOOMMM!
KRABBBBBBOOOOOOOOOOOOMMM!
KRABBBBOOOOOOOOMMM!
KRABBBBBBOOOOOOOOOOMMM!

We were firing energy blasts and blowing much of the lair apart in massive fiery explosions of incredible power!

Me: Take that!

I was firing fire energy blasts and Laney fired energy blasts all over.

Nico: Take this!

We fired energy blasts all over and engulfed the whole place in a raging inferno!

Nico: Payback time for all the pain and suffering you've caused!

We blew the whole place apart in massive fiery walls of fire!

KRABBBBBBBOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOMMMM!

Nico: YEAH!

We fired energy blasts all over the place!

Me: Lets get out of here! This whole place is coming down!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBOOOOOOOOOOOOOOOOMMMM!

We left.

Me: WOOOYEAH! That was a blast! Now for the Grand finale!

I fired an energy blast and it went into the mountain and then…

EXTREMELY MASSIVE FIERY EXPLOSION OF INCREDIBLE POWER!

The whole mountain was completely destroyed in a massive fiery explosion!

Solar Eclipsa: Wow! That was amazing!

Me: That is the end of Grogar the Malevolent.

Qin: Good riddance.

Eli: Yeah. No kidding.

Laney: Yep.

Nico: I figured that some of the Decepticons in the Redemption Squad were feeling left out.

Laney: But those are great choices though.

Eli: And I sense the next Another Omnitrix Alien coming.

Nico: Lets get ready.

We got ready and then we saw lightning strikes and then out came a black version of Shockrock! It was ANOTHER SHOCKROCK!

Me: Whoa! Another Shockrock! This is gonna be electrifying!

Eli: Yeah it is!

Albedo turned into Negative Shock Rock

Negative Shock Rock: You're a little late to the party!

Another Shockrock: (In a girls voice) I know but I saw the explosion. It was awesome.

Me: (GASP) Catherine Van Gogh!? Whoa!

Nico: You know her J.D.?

Me: I sure do. Her name is Catherine Van Gogh and she is an amazing painting collector. Specifically she collects paintings from her ancestor Vincent Van Gogh.

Laney: I love all his paintings. They are so beautiful.

Me: I love them too.

Nico: That is cool! And I love those paintings myself. I like Starry Night.

Another Shockrock: That's my ancestor's trademark painting.

Me: And one of my all time favorites. I have it hanging up in my room and it's also my wall safe.

Nico: Cool!

Qin: Yeah!

Another Shockrock: That's awesome J.D.

Me: It sure is. And Catherine you are what's called a Fulmini from the planet Fulmas. They are lightning energy aliens.

Another Shockrock: Wow! I didn't know that.

Me: They are really powerful too. Sorry we have to fight like this. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Kaito: (gets out Dekaranger gear) Did Swartz promise you anything?

Zocks: (gets out Abaranger gear) Because we can grant it instead.

Another Shockrock: Just to be a great artist.

Laney: I can easily do that for you. I'm an awesome artist myself.

Me: You should see Laney's paintings. They are so beautiful and amazing.

Twilight Sparkle: They sure are beautiful.

Camie: Yeah they are awesome.

Another Shockrock: I knew that Swartz was lying to me. But I would like to learn many techniques from you Laney.

Retrax: I think that can be arranged.

Me: First lets do this. Sorry we have to fight. (ACTIVATES EVIL MAGIC MINIONS RIDEWATCH)

(VINCENT BY DON MCLEAN PLAYS)

Me: (SINGING DIVINELY AS STARS AND MAGIC SWIRL AROUND ME)

Starry, starry night

Paint your palette blue and gray

Look out on a summer's day

With eyes that know the darkness in my soul

Shadows on the hills

Sketch the trees and the daffodils

Catch the breeze and the winter chills

In colors on the snowy, linen land

Now, I understand what you tried to say to me

And how you suffered for your sanity

And how you tried to set them free

They would not listen, they did not know how

Perhaps they'll listen now

Starry, starry night

Flaming flowers that brightly blaze

Swirling clouds in violet haze

Reflect in Vincent's eyes of china blue

Colors changing hue

Morning fields of amber grain
Weathered faces lined in pain
Are soothed beneath the artist's loving hand
Now, I understand, what you tried to say to me
How you suffered for your sanity
How you tried to set them free
They would not listen, they did not know how
Perhaps they'll listen now
For they could not love you
But still your love was true
And when no hope was left inside
On that starry, starry night
You took your life as lovers often do
But I could have told you, Vincent
This world was never meant for one
As beautiful as you
Starry, starry night
Portraits hung in empty halls
Frameless heads on nameless walls
With eyes that watch the world and can't forget
Like the strangers that you've met
The ragged men in ragged clothes

The silver thorn of bloody rose

Lie crushed and broken on the virgin snow

Now, I think I know what you tried to say to me

How you suffered for your sanity

How you tried to set them free

They would not listen, they're not listening still

Perhaps they never will

I fired waves of magic and smashed her down.

Nico: That was beautiful!

Me: One of my dad's favorites from 1971.

Qin: Cool!

Another Shockrock: And that was awesome. Don McLean did a great job singing that one back then.

Me: He sure did.

Retrax: Lets do it! Retrax, TERRORIZE!

He transformed!

Nico: Now for this one. (ACTIVATES CAJUN FOX'S RIDEWATCH)

(THE BATTLE OF NEW ORLEANS BY JOHNNY HORTON PLAYS)

Nico: (SINGING DIVINELY AS CAJUN FOOD AND FIRE SWIRLS AROUND HIM)

In 1814, we took a little trip

Along with Colonel Jackson down the mighty Mississip'

We took a little bacon and we took a little beans

And we caught the bloody British in the town of New Orleans

We fired our guns and the British kept a-comin'

There wasn't as many as there was a while ago

We fired once more and they began to runnin'

On down the Mississippi to the Gulf of Mexico

We looked down a river

And we see'd the British come

And there must have been a hundred of 'em

Beatin' on the drums

They stepped so high and they made their bugles ring

We stood beside our cotton bales and didn't say a thing

We fired our guns and the British kept a-comin'

There wasn't as many as there was a while ago

We fired once more and they began to runnin'

On down the Mississippi to the Gulf of Mexico

Old Hickory said we could take 'em by surprise

If we didn't fire our muskets

'Til we looked 'em in the eye

We held our fire

'Til we see'd their faces well

Then we opened up our squirrel guns

And really gave 'em, well

We fired our guns and the British kept a-comin'

There wasn't as many as there was a while ago

We fired once more and they begin to runnin'

On down the Mississippi to the Gulf of Mexico

Yeah, they ran through the briars

And they ran through the brambles

And they ran through the bushes

Where a rabbit couldn't go

They ran so fast

That the hounds couldn't catch 'em

On down the Mississippi to the Gulf of Mexico

We fired our cannon 'til the barrel melted down

So we grabbed an alligator and we fought another round

We filled his head with cannon balls, and powdered his behind

And when we touched the powder off the gator lost his mind

We fired our guns and the British kept a-comin'

There wasn't as many as there was a while ago

We fired once more and they began to runnin'

On down the Mississippi to the Gulf of Mexico

Yeah, they ran through the briars

And they ran through the brambles

And they ran through the bushes

Where a rabbit couldn't go

They ran so fast

That the hounds couldn't catch 'em

On down the Mississippi to the Gulf of Mexico

Hut-two-three-four

Sound off, three-four

Hut-two-three-four

Sound off, three-four

Nico danced and fired waves of cajun food and they went into Another Shockrock's mouth and she ate them and then…

ALARM BELLS RING!

She ran around like a chicken with its head cut off and Maria fired waves of water and they went into her mouth and steam came out.

Nico: AWESOME!

Qin: That was awesome!

Nico: (gets out White Lightning's Ridewatch) You're in for a shock!

Me: (Gets out Lightning Man's Ridewatch) Literally.

We activated the Ridewatches.

Me and Nico: SUPER OMEGA THUNDERSTRIKE ELECTROCUTION!

Me and Nico fired waves of lightning and it hit Another Shockrock and electrocuted her all over the place.

Me: WHEW! That was SHOCKING!

Nico: No kidding there! But awesome combo!

Me: Thanks.

Varie: Now watch this one. (ACTIVATES MARINA DEL RAY'S RIDEWATCH)

(DREAMS TO DREAM BY SARAH LASKO PLAYS)

Varie: (SINGING DIVINELY AS WATER AND MAGIC SWIRLS AROUND HER)

I lose my way, no one cares

The words I say, no one hears

My life it seems is a world of dreams

Deep in the night, you'll find me

Dream and you're right behind me

Stay, if you will stay

We'll dream the night away

Dreams to dream in the dark of the night

When the world goes wrong

I can still make it right

I can see so far in my dreams

I'll follow my dreams until they come true

There is a star waiting to guide us

Shining inside us when we close our eyes

Come with me, you will see what I mean

There's a world inside no one else ever sees

You will go so far in my dreams

Somewhere in my dreams

Your dreams will come true

Dont let go, if you stay close to me

In my dreams tonight, you will see what I see

Dreams to dream, as near as can be

Inside you and me that always come true

Inside you and me that always come true

She fired waves of water and smashed down Another Shockrock.

Nico: YEAH!

Me: Awesome job Varie!

Camie: Now watch this one. (ACTIVATES ROLL (WILY) RIDEWATCH)

(THE NEVERENDING STORY BY LIMAHL PLAYS)

Camie: (SINGING DIVINELY AS WATER AND FIRE SWIRLS AROUND HER)

Turn around

Look at what you see

In her face

The mirror of your dreams

Make believe I'm everywhere

Given in the light

Written on the pages

Is the answer to a neverending story

Ah

Reach the stars

Fly a fantasy

Dream a dream

And what you see will be

Rhymes that keep their secrets

Will unfold behind the clouds

And there upon a rainbow

Is the answer to a neverending story

Ah

Ah

Show no fear

For she may fade away

In your hand

The birth of a new day

Rhymes that keep their secrets

Will unfold behind the clouds

And there upon a rainbow

Is the answer to a neverending story

Ah

Neverending story

Neverending story

Ah

Neverending story

Ah

Neverending story

She danced and fired waves of water and energy and fire and smashed her down!

Nico: YEAH!

Me: Wow! A version of Roll reprogrammed by Dr. Wily. That would be a terrifying sight for Mega Man.

Nico: Yeah it would.

Sougo: (gets out AkaRed Ridewatch) Time to test this new one out!

Geiz: (gets out Geiz Majesty Ridewatch) Better break out the big guns!

Majesty Time! Kamen Rider~! GeizMaje~sty!

Sougo got AkaRedArmor while Geiz became Geiz Majesty.

Me: YEAH! Oh check this out. Lisa and Seto have been working on this.

I pulled out a sword hilt and I pressed a button and it had a DUEL MONSTER BLADE POP OUT!

Me: This is the Duel Power Sword. Watch. Powers of BLUE EYES WHITE DRAGON, BLUE EYES ULTIMATE DRAGON and BLUE EYES SHINING DRAGON! ENERGIZE!

I put in said cards and the blade energized with lightning and energy!

Nico: WHOA!

Eli: That is awesome bro!

Camie: Wow!

Me: Yeah! WHITE LIGHTNING NEUTRON BLAST!

I fired a massive blast of white lightning energy and it smashed Another Shockrock down!

Qin: WHOA! That was incredible!

Laney: Yeah!

Nico: Wow!

Sasuke the Android: My turn! (ACTIVATES MACHINEDRAMON'S RIDEWATCH) (Echoing) GIGA CANNON!

He fired massive energy blasts and they hit Another Shockrock and smashed her down all over.

Nico: YEAH! Nice one!

Me: Awesome!

But then a stream Moon Energy Blades appeared out of nowhere and they hit Another Shockrock and smashed her down!

Me: WHOA!

Then out came ALCHEMY BEAST - MOONFACE THE SILVER!

Nico: WHOA! Alchemy Beast - Moonface The Silver!

Me: That is cool.

Moonface the Silver: (In a girls voice) It's awesome to help out like this.

Nico: Gem Cavvenport!? Wow!

She reverted back and Gem was a girl with aqua blue hair had a blue crescent moon in the middle of her forehead and blue and aqua blue clothes and had black angel wings with the moon reflected in them and on her hip was a silver key.

Qin: Gem it's awesome to see you again.

Gem Cavvenport: Same here Qin. Let me take care of this first.

She fired more Moon Blades and smashed down Another Shockrock. Catherine was back to normal and I caught the ridewatch and purified it and I went over to her and Catherine was a girl with a French Beret and had blue hair and had blue clothes on and I picked her up.

Catherine Van Gogh: (GROANS) What a headache.

Me: At least you're okay Catherine.

Nico: All better?

Catherine Van Gogh: Yeah I'll be okay.

Gem Cavvenport: Good.

Nico: Lets get Solar Eclipsa back to Celestia.

Solar Eclipsa: Yeah I miss mom.

We went back to canterlot.

We arrived back at the castle and on the throne was Princess Celestia crying and tears were dripping from her eyes. Poor Celestia.

We came in.

Solar Eclipsa: Mom?

Princess Celestia: (GASP)

She saw Solar Eclipsa for the first time in 1,000 years and she went down and walked up to her.

Princess Celestia: Solar? Is that you?

Solar Eclipsa: It is mom. I'm back thanks to J.D. and everyone here.

Princess Celestia: SOLAR ECLIPSA!

They went and hugged for the first time in 1,000 years!

It was a happy reunion!

Nico: So awesome.

Gem Cavvenport: I'm so happy they are back together.

Me: Me too.

Sasuke the Android: What's your favorite memory of Nico?

Gem Cavvenport: I have a lot of them. But my favorite is when we met in the Silver Mine that I worked at and we found a huge vein of diamonds down there and we got lots of diamonds too along with the silver in the mine. It was amazing and we got rich. I'm a silver miner.

Qin: That's right I remember that.

Camie: That's cool!

Ibara: It's amazing you guys found diamonds in a silver mine,

Qin: Yeah that was cool.

Varie: Yeah.

Nico and Gem hugged.

Nico: (I've really missed you.

Gem Cavvenport: Me too Nico. Me too.

Xenia: But this was awesome that we reunited Princess Celestia and Amber Morning with Solar Eclipsa.

Nico: Yeah.

Danica Metrois: It sure was awesome and they have lots of catching up to do.

Sakura Valencia: Yeah no kidding.

Nico: Are you happy right now, Princess Celestia?

Princess Celestia: I am Nico. Thank you guys.

Me: You're welcome Princess. Grogar's lair was completely destroyed and you are not going to believe what we found there.

We told her everything and it was shocking.

Princess Celestia: Oh my goodness.

Me: I know. But at least Grogar is now gone for good.

Nico: Yeah. Lets go home.

We went back home.

Lincoln: Whoa, we're here in Hackett's Quarry in New York, and I know what we're going to do here, not only am I going to rescue the four girls here, but we're also going to help Abigail Blyg, Dylan Lenivy, Emma Mountebank, Jacob Custos, Kaitlyn Ka, Laura Kearney, Max Brinly, Nick Furcillo, Ryan Erzahler, Kaylee Hackett, Travis Hackett, and the Hackett Family kill Silas Vorez, the main werewolf who is responsible for the werewolf curse that's plagued the Hackett Family for six years, along with Eliza Vorez, Silas' mother.

Nico: From what I heard, The Hackett Family has been suffering with this curse for six years, and the ones who got infected with this curse were Kaylee and her two brothers, Chris and Caleb.

Me: If we kill Silas here and now, we'll end the curse, but it has to be done tonight, now that the full moon is out.

TLPS Mr. Wolf: Otherwise, they'll have to wait for another full moon.

Lincoln: Exactly, and that's one thing none of us want, and thanks for joining us, Cyborg.

Cyborg: You're welcome, Lincoln, and you got a plan in place to cure Kaylee and her two brothers?

Lincoln: Yeah, I already have a plan in place to cure them, but first, let's meet up with Abigail Blyg, Dylan Lenivy, Emma Mountebank, Jacob Custos, Kaitlyn Ka, Laura Kearney, Max Brinly, Nick Furcillo, and Ryan Erzahler, they're still here in Hackett's Quarry, and we better hurry before Caleb and Kaylee catch up to them.

We hurried, and we met up with Abigail Blyg, Dylan Lenivy, Emma Mountebank, Jacob Custos, Kaitlyn Ka, Laura Kearney, Max Brinly, Nick Furcillo, and Ryan Erzahler, and they told us they've heard some strange howls here, and we knew what that meant: werewolf trouble in Hackett's Quarry. Suddenly, Lincoln sensed something rustling, and then, a werewolf came out, but it's not like the werewolves we know, but it was still really dangerous, and it charged at us to kill us. Lincoln fired a stream of rainbow energy and it hit the werewolf, and it changed back into Kaylee Hackett, and Lincoln caught her, and we wrapped a blanket around her.

Laura Kearney: Kaylee Hackett. Is she still alive?

Lincoln: Yes, that rainbow energy stream I fired at her suppressed the werewolf infection she still has in her, but it'll end once we kill the progenitor of the curse: Silas Vorez.

We head for the Hackett home, and we showed Travis Hackett that Kaylee is alive, and Lincoln used a cure to suppress Kaylee's werewolf infection.

Travis Hackett: I'm glad Kaylee's going to be okay, but she'll be freed once Silas is finally gone.

Nico: Along with Eliza Vorez.

Travis Hackett: That's impossible, she died six years ago when Kaylee, Chris, and Caleb set that fire to free Silas.

Timmy Turner: I'm afraid she is still alive. Look.

Timmy made a window, and he showed that Eliza covered herself in wolf blood and fled to the rum tunnels after Silas made his escape, and this shocked the entire family.

Travis Hackett: Well, I'll be damned, so she is still alive, even after what happened six years ago, and she was hiding out in the rum tunnels the whole time.

Lincoln: We need to find Silas and kill him, and we got to do it quick: Caleb Hackett's still out there, along with Chris Hackett, and it's only a matter of time before they attack.

Laura Kearney: We need to head to the crash site, where Max and I crashed our car trying to avoid hitting Silas.

Travis Hackett: I know where we have to go: the sight of the burned sideshow, Harum Scarum, this was Silas' favorite place before the fire started.

Lincoln: And where he set up his nest, and we need only one silver bullet to put an end to all of this for good.

Rosa Laurence: On it.

Rosa Laurence made a silver shell and Lincoln enchanted it with a spell that'll send Silas Vorez and his mother, Eliza Vorez, to The Black Gates, and gave it to Laura Kearney, who loaded it into the shotgun.

Laura Kearney: Alright, let's hurry.

Max Brinly: Laura's right, we don't have long before Caleb or Chris find us.

Lincoln put up a rainbow energy field to protect the house and the other Hackett Family members and we, along with Travis, head to where Laura and Max crashed their car, and right where the traveling sideshow was at. When we saw the travelling sideshow, it was really burned.

Travis Hackett: This is it, all that remains of the travelling sideshow.

Suddenly, we saw the Duel Monsters, Grandsoil the Elemental Lord, Moulinglacia the Elemental Lord, Phosphorage the Elemental Lord, Pyrorex the Elemental Lord, Umbramirage the Elemental Lord, and Windrose the Elemental Lord, and with them were the four girls that were located here.

Nico: Wow, that's Grandsoil the Elemental Lord, Moulinglacia the Elemental Lord, Phosphorage the Elemental Lord, Pyrorex the Elemental Lord, Umbramirage the Elemental Lord, and Windrose the Elemental Lord, the Elemental Lords.

Grandsoil the Elemental Lord: (Girl's voice) We managed to get those four girls to safety.

Moulinglacia the Elemental Lord: (Girl's voice) And drove off that werewolf, Silas Vorez.

Phosphorage the Elemental Lord: (Girl's voice) But, we don't know how long until that beast goes on the hunt again.

Pyrorex the Elemental Lord: (Girl's voice) Along with those two other werewolves.

Umbramirage the Elemental Lord: (Girl's voice) And that creepy woman, Eliza Vorez.

Windrose the Elemental Lord: (Girl's voice) We need to stop them and fast before the night ends.

Lincoln: And we will, plus, I knew it was you, Eliza Taylor, Rebecca Harris, Laura Evans, Chloe Bailey, Anna Allen, and Hazel Turner, but we'll talk later. Right now, we need to take care of Chris and Caleb Hackett.

Suddenly, we heard growling in the air, and two werewolves came after us to kill us, but Lincoln fired two streams of rainbow energy, and it hit the werewolves, and they turned back: and were identified as Chris and Caleb Hackett, and were beamed to the Hackett house for safety.

Lincoln: We're almost close to Silas' nest, be ready.

We arrived at Silas' nest, and we saw Silas Vorez resting, but he wasn't aware of our presence, which is a good thing.

Laura Kearney: There he is. Now, all that's left is to end this.

Laura raised the shotgun to shoot Silas Vorez, but then, she suddenly heard a voice.

?: Get away from my boy!

We then saw who it was: Eliza Vorez, the owner of Harum Scarum and the mother of Silas Vorez.

Travis Hackett: Eliza Vorez.

Eliza Vorez: You and your family will all pay for what you did!

Lincoln: No, Eliza, you knew that your son was a werewolf, and you kept him locked away in a cage. I admit Kaylee wanted to help free Silas from you, but she was unaware of what he really is. But, this nightmare ends tonight.

Me: The Werewolf Curse on Hackett's Quarry ends here and now.

This caused Silas to awaken, and as soon as he saw us, he ran after us to kill us, but Lincoln fired a rainbow energy blast and put him in a cage.

Lincoln: Looks like we'll need to weaken him even more. Let's get him.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Xelnaga Eternity Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel Eternity Infinity Celestial Lightstorm Phoenix Angel of Divine Heavenly Light and Divine Angelic Justice, Timmy transformed into Super Angel Xelnaga Eternity Infinity Celestial Magical Elemental Fairy Wolf Moon Angel of Divine Elemental Magical Fairy Wolf Justice and Celestial Fairy Magic Hope and he had his large Lupus' Fairy Wolf Moon Mage's Staff of Elemental Magic Justice out and Eye of Lupus steel orb ready, Cyborg, Timmy's friends, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their weapons, Rayman unholstered his massive Celtic Dream Glade's Greatsword of Celtic Dream Justice from his wider and more muscular back and transformed into Super Angel Eternity Infinity Celtic Dream Glade Angel of Moonlight Justice and Celtic Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered their massive swords and we transformed, and we went after Silas Vorez, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Timmy imprisoned Eliza Vorez and he shattered her crystal ball and took her tarot cards, and Laura raised the shotgun and fired, and when the silver shell hit Silas Vorez, he was finally killed, and he, along with Eliza Vorez, were sent to The Black Gates for good and The Curse of Hackett's Quarry was finally lifted after six long years. We cheered wildly as we holster our weapons and power down, and we returned to the Hackett house, and we saw that not only were Kaylee, Caleb, and Chris were all cured of the werewolf curse, but also, Laura's friends were also cured as well, as soon as the sun rose on Hackett's Quarry.

Laura Kearney: We did it, it's finally over.

Nico: Yeah.

Kaylee Hackett: All I wanted was to free Silas from Eliza, but I never knew he was really a werewolf. I…

Travis Hackett: Hey, it's okay, Kaylee.

Laura Kearney: There's no way we're coming here again, not after everything we've gone through on this night.

Emma Mountebank: I recorded everything on my phone, should we send this to the police? It's not like anyone will believe us.

Nico: That could be a good idea, Emma.

Lincoln: We've seen a lot of strange and supernatural things happen, Emma, and we're no strangers to any of them. The police may not believe you guys, but we do.

Nico: Lincoln's right, you guys had a first glimpse into the dark side of the supernatural, and that may never leave you.

Lincoln: But, we're also here to help you, so that way, you won't be traumatized for life by what you all witnessed.

Abigail Blyg, Dylan Lenivy, Emma Mountebank, Jacob Custos, Kaitlyn Ka, Laura Kearney, Max Brinly, Nick Furcillo, and Ryan Erzahler agreed with what Lincoln told them, and they went with us, and we also agreed to give them counseling, to help them overcome the nightmares of what they've seen in Hackett's Quarry.

Lincoln: That's it at long last for The Curse on Hackett's Quarry. (To Eliza Taylor, Rebecca Harris, Laura Evans, Chloe Bailey, Anna Allen, and Hazel Turner) And it's so good to see you again, Eliza Taylor, Rebecca Harris, Laura Evans, Chloe Bailey, Anna Allen, and Hazel Turner.

Eliza Taylor reverted back to normal, and she's a beautiful girl with long flowing orange hair, pink eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful orange angel wings, and she reigned in the power of Grandsoil the Elemental Lord, and she's dressed in a sleeveless orange open blouse, sleeveless orange top, orange skirt, orange bellbottom pants, orange sneakers, and long sleeveless white trenchcoat with earth on the coattails, and Grandsoil the Elemental Lord on the back, and holstered on her back is a large Grandsoil the Elemental Lord-themed greatsword with Grandsoil the Elemental Lord etched on the 7'0" massive, wide, double-edged orange blade, orange angel wings for the crossguard, large pink gem embedded in the rainguard, longer midnight black handle, and a large orange gem surrounded by angel wings for the pommel.

Lincoln made five clones of himself and they went up to Eliza Taylor, Rebecca Harris, Laura Evans, Chloe Bailey, Anna Allen, and Hazel Turner and they hugged, and Eliza Taylor, Rebecca Harris, Laura Evans, Chloe Bailey, Anna Allen, and Hazel Turner were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and his massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice.

Lincoln: It sure has, I haven't seen you six when you were twelve, and as you can see, I really grew a lot since then.

Eliza Taylor: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome.

Nico: Whoa, Lincoln, you and the Elemental Angels know them?

Lincoln: Indeed we do, Nico, these six girls are Eliza Taylor, the Grandsoil the Elemental Lord Gene-Slammer, Rebecca Harris, the Moulinglacia the Elemental Lord Gene-Slammer, Laura Evans, the Phosphorage the Elemental Lord Gene-Slammer, Chloe Bailey, the Pyrorex the Elemental Lord Gene-Slammer, Anna Allen, the Umbramirage the Elemental Lord Gene-Slammer, and Hazel Turner, the Windrose the Elemental Lord Gene-Slammer. They're six talented and awesome girls who have the elemental powers of Earth, Water, Light, Fire, Dark, and Wind, and they're my Guardian Angels from Royal Woods, Michigan, before Royal Woods became Gotham Royal York and classmates in Gym.

Nico: Now that's really awesome.

Lincoln: It gets even more awesome, Eliza, Rebecca, Laura, Chloe, Anna, and Hazel were the ones who taught me how to use elemental spells, along with learning more on how to use my elemental powers, and they're also friends with The Elemental Angels, Bridget Branley, The Fire Elemental, Abeline Demeter, The Earth Elemental, Brooke Hudson, The Water Elemental, Ashley Aella, The Wind Elemental, Bronte Elektra, The Lightning Elemental, Bianca Frostine, The Ice Elemental, Leora Chiaro, The Light Elemental, Abnus Abital, The Dark Elemental, Allira Crisiant, The Crystal Elemental, Astrid Brinkley, The Nature Elemental, Aurora Aurelia, The Gravity Elemental, Maya Carina, The Astral Elemental, and Stelara Astra, The Cosmic Elemental.

Me: Whoa!

Lincoln: Yep, and they've also helped to take down The Elemental Angels' evil brothers as well, and Eliza, Rebecca, Laura, Chloe, Anna, and Hazel have taken on the worst of Lori, Lynn, Lola, Lisa, and Luan's wrath and they, along with Bridget Branley, The Fire Elemental, Abeline Demeter, The Earth Elemental, Brooke Hudson, The Water Elemental, Ashley Aella, The Wind Elemental, Bronte Elektra, The Lightning Elemental, Bianca Frostine, The Ice Elemental, Leora Chiaro, The Light Elemental, Abnus Abital, The Dark Elemental, Allira Crisiant, The Crystal Elemental, Astrid Brinkley, The Nature Elemental, Aurora Aurelia, The Gravity Elemental, Maya Carina, The Astral Elemental, and Stelara Astra, The Cosmic Elemental and I defeated Lori, Lynn, Lola, Lisa, and Luan in a huge fight, and it resulted in Lori, Lynn, Lola, Lisa, and Luan getting a really bad and horrible punishment.

Eli: Oh, we're so not going to like hearing about this.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared around Eliza Taylor, Rebecca Harris, Laura Evans, Chloe Bailey, Anna Allen, and Hazel Turner's necks with colored gems on the gold thunderbolt links and colored crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and their new Elemental Thunderbird Chokers of Eternal Love appeared on their necks.

Eliza Taylor: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you, Rebecca, Laura, Chloe, Anna, and Hazel are now part of my harem and one of my many future wives, Eliza.

Eliza Taylor, Rebecca Harris, Laura Evans, Chloe Bailey, Anna Allen, and Hazel Turner had a smile on their faces and tears in their eyes, as Lincoln and their clones wrapped their abnormally massive and powerful muscular arms around the girls' waists and the girls wrapped their arms around the thick muscular necks of Lincoln and his clones, and they leaned down to their faces and they kissed them passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Aileen Lauren Dautriche from I'm the Villainess, So I'm Taming the Final Boss, Asuna Kangoshi, Himeru Kangoshi, and Iyashi

Kangoshi from Comical Psychosomatic Medicine.

Lincoln: Oh wow, it's Aileen Lauren Dautriche from I'm the Villainess, So I'm Taming the Final Boss, Asuna Kangoshi, Himeru Kangoshi, and Iyashi Kangoshi from Comical Psychosomatic Medicine.

Nico: Awesome.

Lincoln: Are you girls okay?

Aileen Lauren Dautriche: Yes, we're okay, thanks to you.

Then, when Aileen Lauren Dautriche and the other three girls saw who it was that saved them from Silas Vorez and Eliza Vorez, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th

He had his massive Hinon's Cosmic Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation and embedded Jewel of Gelel on the back of his massive left hand, large weighted gold bands on his massive biceps and thighs with silver phoenixes on them, large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive indestructible white angel wings with stars and orange and aurora-colored tips on the large white feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them which were glowing neon orange and they also had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts on the coattails held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, large royal blue pants with multicolored lightning bolts on the thighs, and large gold-armored boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and gold armor on the toe area, silver Buffalo head stud earrings with the Thunderbird carved on it and the Element and Eternity Kanjis on the heads, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird carved on it and the Element and Eternity Kanjis on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had nine large multi-colored orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes.

Aileen Lauren Dautriche: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made three clones of himself, and he and the three clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Aileen Lauren Dautriche: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Thunderbird Necklaces of Eternal Love appeared on the necks of Aileen Lauren Dautriche, Asuna Kangoshi, Himeru Kangoshi, and Iyashi Kangoshi with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned home to the World Tree Estate, and we told everyone what happened, and they were glad that Laura and her friends, along with the Hackett Family were saved from the werewolf curse, and they were shocked when they found out the villains we went after were Silas Vorez, the werewolf who caused the whole curse and Eliza Vorez, Silas' mother who hated the Hackett Family and caused the events of The Curse on Hackett's Quarry.

But, when Lincoln showed what we all did, and what Laura did in shooting Silas with a silver shell and it not only killed him and banished him and the vengeful Eliza Vorez to The Black Gates and it ended the curse, everyone cheered wildly and they hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln, Eliza Taylor, Rebecca Harris, Laura Evans, Chloe Bailey, Anna Allen, and Hazel Turner have a lot of catching up to do, now that they're back in town, and Abigail Blyg, Dylan Lenivy, Emma Mountebank, Jacob Custos, Kaitlyn Ka, Laura Kearney, Max Brinly, Nick Furcillo, and Ryan Erzahler are also getting therapy and counseling after what happened.

Maria: We're glad you guys ended the curse, and Laura and her friends are going to get counseling and therapy after what happened.

Lincoln: Yeah, and I know Kaylee wanted to free Silas Vorez because she couldn't stand seeing him in a cage, but she had no idea of what he really is: a werewolf.

Me: And that was six years ago.

Nico: Yeah, and every full moon, the Hackett family has been hunting him down, and Travis knows he has to fulfill the sheriff's oath: to protect and serve, but when his family's on the line, he sacrificed his oath to protect his family.

Eli: As much as I wanted to teach him a lesson, I think what happened here will teach him a lesson.

Lincoln: Now, now, Eli, I know you wanted to teach him a lesson, but in the end, he learned from his mistakes, and he still keeps his job as the sheriff, and Kaylee, Chris, and Caleb are now freed from the curse.

Nico: Either way, this nightmare is finally over.

Lincoln: Yep.

* * *

After ending The Curse on Hackett's Quarry, we were training intensely in the gym, this time, doing 900,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Eliza Taylor, Rebecca Harris, Laura Evans, Chloe Bailey, Anna Allen, and Hazel Turner saw Lincoln working out like crazy, they had an atomic red blush on their face, hearts in their eyes, and their noses were bleeding.

Eliza Taylor: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Rebecca Harris: Yeah, you could land a plane on that much wider and more muscular back of his, and crush a watermelon with those extremely muscular thighs.

Laura Evans: And I don't think a tape measure can measure out just how massive those biceps really are, along with that amazing chiseled chest of his.

Lincoln: Yep, and I've also trained a lot under some very powerful

teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Hazel Turner: That's incredible!

Nico: It sure is. So, Eliza, Rebecca, Laura, Chloe, Anna, Hazel, what's the story on how you all took on the worst of Lori, Lynn, Lola, Lisa, and Luan's wrath, and how you, The Elemental Angels, and Lincoln defeated Lori, Lynn, Lola, Lisa, and Luan in a huge fight, which resulted in those five getting a really bad and horrible punishment.

Eliza Taylor: You're not going to like this one bit, Nico. We were with Lincoln and the Elemental Angels and we were teaching Lincoln how to use elemental spells along with teaching him more on how to use his elemental powers, and we were also working out in the gym we made. But, then, we heard the sound of bellowing screeches in the air, and we knew who it was that made those screeches of rage and that bellowing roar of rage: it was Lori, Lynn, Lola, Lisa, and Luan, and they were causing a ton of havoc by leaving destruction in their wake. Bridget said that she knew they'd snap again and cross another line, now they've us no choice.

Rebecca Harris: And we knew from the previous near-death experiences Lincoln went through due to those heartless bitches, we had to stop them. So, all of us went out there and we saw Lori, Lynn, Lola, Lisa, and Luan, but they had red eyes full of hate and insanity, and they had knives in their hands.

Laura Evans: They gave into their Dark Sides' desire for blood and destruction, and we knew they all needed to be stopped.

Chloe Bailey: So, we divided into groups, and we each went after Lori, Lynn, Lola, Lisa, and Luan, and we fired elemental blasts and Lincoln fired energy and elemental blasts at them.

Anna Allen: It was really an explosive fight, but Lori broke free and she, Lynn, Lola, Lisa, and Luan attacked us and knocked us into trashcans and she slashed Lincoln on the chest with her knife and the same happened with Lynn, Lola, Lisa, and Luan, and they were cackling like the evil heartless bitches that they are, and we wanted to rip those bitches to shreds, but Lynn, Lola, Lisa, and Luan stabbed us in the stomach.

Hazel Turner: But, Lincoln had a confident smirk on his face, and we saw his blood going back into his body and his slash marks on his chest healed, but it also ruined his orange tank top, which he ripped off, showing off his massive and extremely muscular body, and he got into a battle stance, and when that happened, we knew those bitches were in trouble. Lincoln spread his massive white angel wings and he charged at Lori, Lynn, Lola, Lisa, and Luan faster than a bolt of lightning, and disarmed them of their knives and he picked Lori up by her shirt collar and tossed her right at Lynn, Lola, Lisa, and Luan, and they all went crashing into trash cans. Then, Lincoln fired energy orbs at them, and he'd imprisoned them inside, and when J.D. showed up, he and Lincoln healed us. We then went back to The Loud House, and when Luna saw what happened, she went ballistic and tried to attack Lori, Lynn, Lola, Lisa, and Luan, but Lincoln held her back. We then told Mr. and Mrs. Loud of what happened, and they grounded Lori, Lynn, Lola, Lisa, and Luan for fifteen weeks, and they were also ordered to clean up the mess they made, and we were all there to keep an eye on them.

We cheered wildly.

Nico: Wow, you girls really put up a nasty fight against Lori, Lynn, Lola, Lisa, and Luan.

Me: They sure did, and I saw the fight for myself, it was messy, but Lincoln really stood his ground and put them in their place.

Lincoln: And I did eventually forgive them, but I gave them a stern warning: next time, if they so much as try to kill me and any of my friends, family, and Guardian Angels again, I won't show them any mercy at all, and they better remember that.

We got a shower afterwards, and then, Giorno Giovanna and Mako Mankanshoku are heading down to Manistique Beach, Michigan for their first beach date.

Giorno Giovanna was dressed in dark blue swim shorts and sandals, and Mako Mankanshoku was dressed in a two-piece bikini and sandals.

Mako Mankanshoku: Wow, so this is Manistique Beach.

Giorno Giovanna: Yep, and it's perfect for our date. Shall we?

Giorno Giovanna and Mako Mankanshoku dived right into the waters and they were swimming in the clear waters and they also saw the sea creatures and plants that live there, and they had a game of volleyball and they also had some lunch on the sand, and then, Giorno Giovanna went up to Mako Mankanshoku, and he wrapped her in his arms and she wrapped her arms around his neck and they placed her right hand on his chest, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes.

Nico: Hey, guys, how was your date?

Giorno Giovanna: It was amazing, Nico, we went to Manistique Beach.

Lincoln: That's one of the most popular beaches here in Michigan.

Lori: We've tried to go there, but the parking can get really filled up, and some of the good spots on the beach are taken.

Lynn: Not to mention, we also get banned from that place, because of our penchant for chaos, and the only Loud not banned from there is Lincoln.

Lincoln: But, I managed to get the ban lifted when I talked with the lifeguard, and I also swore to keep an eye out if trouble starts.

Me: Yeah, I remembered that day all too well.

Nico: But, now that those Dark Sides are gone, there's no chance of that happening ever again.

Lincoln: You got that right.

---

Over in Australia we were there to meet another of the International Digidestined.

Me: Good to be in Australia again.

Valon: (Australian Accent) It's good to be home again mates.

Qin: It's always awesome to come here to Australia.

Nico: Yeah.

Axel Brodie: Which Digidestined are we meeting this time?

Nico: You guys will love him. His name is Derek and he is Australia's Digidestined.

Varie: Awesome.

We then saw a kid with a Crabmon battling a bunch of Jewel Robbers after a bunch of jewels in a museum.

Me: There they are.

Nico: Wow.

We saw them really go at them and smashed the robbers down. Then we jumped in and tied them up.

Blaine: Hi! You must be Derek!

Nico: G'day Derek. Awesome to see you again.

Derek: (Australian Accent) Hey G'day Nico. Great to see you again mate! And g'day to you Joe and Cody.

Joe Kido: Hello Derek.

Crabmon: You guys are doing great.

Me: Same to you. You guys did a great job battling these blokes. We've been after these clods for a long they. They are known as the Pacific Jewel Plunderers. They were responsible for stealing numerous jewels all over the Pacific Ocean area all for themselves.

Nico: Yeah.

I shook them as I held them upside down and and numerous jewels fell out and they were worth hundreds of billions of dollars and some of them were priceless.

Laney: Whoa!

Lola: (Whistles) Wow! These are gorgeous.

Rarity: Oh these are absolutely amazing darlings.

Derek: Wow! This is ana amazing haul they have.

Me: Some of these jewels are worth a fortune.

Hotlink: Are they really?

Nico: Yeah.

Me: Nico what Digimon did you help Derek, Crabmon, Joe and Cody battle here in Australia?

Nico: I helped them battle an Ebidramon, Shellmon and Gesomon.

Eli: Cool!

Derek: Good times back then mates.

Qin: They sure were.

Camie: Wow.

Cozy Glow: It's absolutely incredible that so many Digimon appeared all over the planet like that. We should one day do an adventure where we travel all over the world and battle Digimon like that in all the countries you all went to.

Me: Good idea Cozy Glow.

Varie: Yeah.

Moonracer: Would you two like to join the team?

Derek: We would be honored mates.

Crabmon: Yeah!

Me: You guys did us a really big favor in apprehending these guys. Great job.

Derek: Thanks mates.

We later went back home.

---

We were getting ready for our next mission.

Nico: We're having a humiliation. We haven't done one of those in a while.

Me: We did one on Mars so that counts as something.

Nico: Yeah but not one at Lynn's Table.

Applejack: YEEHAW! I'm ready for this.

Nico: Me too!

Tricloid: Let's start the humiliations off with an entrance!

Nico: Good idea Tricloid.

Me: Yeah! Also I got this letter from a fairy friend that a special guest is coming over to us at the restaurant.

Nico: Oh who is it?

Me: It just says that the guest is special.

Nico: Ooh a surprise.

Me: Yep.

Then Iron Lung, Steam Smythe, Bronze Kneecap, Brass Knuckles, Titanium Toenail, EvilSeed, Angel, See-More, Hydrax, White

Lightning, Madame Snake, Suzaku, Bond Man, Libra Zodiarts, Bulldozer Org, Fairy Tail Angel, Evil Wood Man, Evil Mushroom Man, Beagle Boys, and Phantom Blot appeared.

Iron Lung: Can me, Steam Smythe, Bronze Kneecap, Brass Knuckles, Titanium Toenail, EvilSeed, Angel, See-More, Hydrax, White Lightning go with you guys?

Madame Snake: Me, Suzaku, Bond Man, Libra Zodiarts, Bulldozer Org, Fairy Tail Angel, Evil Wood Man, Evil Mushroom Man, Beagle Boys, and Phantom Blot can go with you guys too if you want.

Nico: Sure! The more the merrier. We haven't done any humiliations in a while.

Me: On Mars we did but not at Lynn's Table.

Nico: Yeah.

Camie: This is gonna be fun.

Danica Metrois: Yeah it sure is! I've never done this before. So this will be my first time doing it.

Qin: You'll love it Danica. It's so fun.

Nico: Yep.

Horri Bull: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to do one for Alchemy Beast - Ekenas The Mercury next.

Qin: Ooh that's an interesting one.

Laney: Yeah. Professor Banner is amazed that we have gene-slammers for some of his monsters in his deck.

Me: Yeah he sure is. Alchemy is a really fascinating process too.

Nico: It sure is. And I think his cards are all amazing too. But yeah. Lets get moving guys.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was: the figure was none other than Kazarina, and she's heading here to get revenge on us for what we did in ruining their plans to conquer Earth. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Kazarina on the move?

Lincoln: You guessed it, Nico, and she's heading here to get revenge on us. But, we'll be ready for her and Lumagrowl.

Cathy Russo: You're planning on using the same strategy you used on Stoica and Lythirus, Linky?

Lincoln: Yep.

Nico: I've been meaning to ask, that attack you used on Lythirus when Stoica summoned him, what was that attack?

Lincoln: This is a curse I'd developed: it prevented evil Bakugan from taking on their true form and it kept them trapped in their ball form until I've defeated their partner.

Dan Kuso: That's really incredible.

Me: After what happened last year, Lincoln was really prepared for that one.

Nico: You got that right, J.D. Alright, gang, let's go, we're going to pelt the jerks at Lynn's Table.

Lincoln: And now that we have Marv and Harry as part of the line of jerks and replacing Scoots, we're so going to have a ton of fun with them.

Nico: We've already got a ton of pranks ready for them, after what they pulled yesterday with that prison escape from The Uranus Prison, I think it's time to up the dosage of our humiliations on them.

Lincoln: Ooh, I hope you have them step on broken glass again, Nico, or electrocute them to the point of seeing their skeletons, that was one of the favorite traps Kevin used on him.

Nico: Just keep your eyes open, Lincoln. Those jerks are going to get it big time.

Lincoln: And once we get done with pelting those jerks, you're next, Kazarina.

Bronze Kneecap: Let's get a move on.

Bond Man: And of course, we should remember the entrance.

Me: Right.

We were off to the restaurant.

---

Later we were walking to the restaurant and we arrived.

Nico: Here we go.

We went up to the door.

Everyone was having lunch and then the doors flew opened and then the spirits of the elements of metal and nature swirled into the restaurant and then converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off at the door and then a phoenix cry was heard and we came in!

Nico: GOOD MORNING LYNN'S TABLE CREW!

Lynn Sr.: Awesome entrance guys! You here for some humiliation fun?

Nico: You know it Mr. Lynn!

Lynn Sr.: Your usuals too?

Nico: You got it!

Lynn Sr.: Coming right up!

We went to our tables.

Jesse Glenn: Always good to have a meal before a performance.

Plitheon: Especially given what happened yesterday after the main mission.

Nico: You got that right. But it's awesome that some of Barodius's former henchmen are joining our frenemies.

Brass Knuckles: Yes it sure is. And soon Kazarina will be joining us too.

Nico: Yep.

Me: Also I hated her guts before. But I want you guys to leave Barodius to me. I really want to personally make sure I destroy him myself.

Nico: Fair enough.

Camie: You really hate his guts don't you J.D.

Me: You have no idea Camie. I can wait till he shows up soon. And it's going to be justice of the highest order on him. In my opinion, he is like a Gundalian version of Frieza.

Nico: Good way to put it. J.D. you want to start off the Humiliations?

Me: Like you even have to ask?

I went over to the jerks.

Me: Time for you shitwads to get your big fat ugly butts kicked. (ACTIVATES LORD OF LIGHTNING'S RIDEWATCH)

(VIDEO KILLED THE RADIO STAR BY THE BUGGLES PLAYS)

Me: (SINGING AND DANCING DIVINELY AS LIGHTNING SWIRLS

AROUND ME)

I heard you on my wireless back in '52

Lying awake, intent at tuning in on you

If I was young, it didn't stop you coming through

Oh-a, oh-a

They took the credit for your second symphony

Rewritten by machine and new technology

And now I understand the problems you can see

Oh-a oh-a

I met your children

Oh-a oh-a

What did you tell them?

Video killed the radio star

Video killed the radio star

Pictures came and broke your heart

Oh-a-a-a oh

And now we meet in an abandoned studio

We hear the playback and it seems so long ago

And you remember the jingles used to go

Oh-a oh-a

You were the first one

Oh-a oh-a

You are the last one

Video killed the radio star

Video killed the radio star

In my mind and in my car

We can't rewind, we've gone too far

Oh-a-aho oh

We can't rewind, we've gone too far

I danced and gave Flip and brutal 500 quadrillion volt electrical shock and a massive avalanche of gold and jewels poured out of him with incredible force.

Nico: WOOHOO! YEAH!

Lynn Sr.: Oh I love that song! I haven't heard that one in years!

Varie: That was great!

Angel (Fairy Tail): Nice, J.D.!

Me: Thanks!

Titanium Toenail: Also, you're okay with Kazarina joining our ranks, right?

Nico: I sure am. As long as it's not Barodius himself.

Titanium Toenail: Good.

Me: Oh here's a good one.

Announcer: DUMMYSTEIN MAGISWORD!

Me: It's showtime.

I had the sword steal Icky Vicky's voice.

Dummystein Magisword: (In Vicky's Voice) Why did an old man fall in a well?

Me: I don't know. Why did an old man fall in a well?

Dummystein Magisword: Because he couldn't see that well!

RIMSHOT!

We laughed at that one!

Nico: (LAUGHS) That was funny!

Pinkie Pie: (LAUGHS) Good one!

Luan: (LAUGHS) That was a good one!

Dummystein: What do Sprinters eat before a race?

Me: I don't know. What?

Dummystein: Nothing. They fast!

(RIMSHOT)

We laughed hysterically at that!

Rainbow Dash: (LAUGHS) They fast! That's funny!

Lynn: (LAUGHS) That was!

Dummystein: Why did the chicken cross the road?

Battletrap: Why?

Dummystein: To get to the other side!

(RIMSHOT)

We laughed!

Me: That was a good one!

Dummystein: Where do Polar Bears keep their money?

Camie: I don't know! Where?

Dummystein: In a snow bank!

(RIMSHOT)

We laughed hysterically!

Dana: (LAUGHS)_In a snow bank! That's a good one!

Xenia: (LAUGHS) That was funny!

Varie: Hey Dummystein why couldn't the Pony sing Happy Birthday?

Dummystein: Why?

Varie: Because he was a little hoarse!

(RIMSHOT)

We laughed hysterically!

Me: (LAUGHS) THAT WAS A GOOD ONE!

Nico: That was funny Varie!

Varie: Yeah it was!

Dummystein: What do you get if you cross a snail and a porcupine?

Me: I don't know. What?

Dummystein: A Slowpoke!

(RIMSHOT)

We laughed at that one!

Qin: (LAUGHS) A slowpoke! That was funny!

Icky Vicky was raging mad!

Me: That was funny! Okay that's it.

Dummystein: Thank you everyone.

It returned Icky Vicky's voice!

Me: Boy we haven't used the Dummystein Magisword for that in a long time.

Vambre: (British Accent) Indeed. We haven't seen that since the time Kari, Gwen and some of the girls used Anti-Aging Cream.

Nico: That was a crazy one.

Evil Wood Man: Let's do a lima bean gulper next!

Titanium Toenail: That's a good one!

Eli: And I got just the funny gag. (ACTIVATES TRICKSTERS RIDEWATCH)

(HOW DRY I AM PLAYS)

Eli: (SINGING DIVINELY AS LIMA BEANS AND BEER SWIRL AROUND HIM)

How dry I am, how dry I am

It's plain to see just why I am

No alcohol in my highball

And that is why so dry I am

Waiter, Waiter

What do you want? What do you want?

I'm just as thirsty as can be

What'll you have? What'll you have?

Suggest a little drink for me

Of the very finest soft drinks we have all the best

I don't know a thing about them

What would you suggest?

Have a little Coca-Cola

Really, it's a lovely drink

Percy, Clarence, Reginald, too

They will recommend it to you

Have a little Coca-Cola

It's the very best I think

It isn't alcoholic but you can have a frolic

If you take enough to drink

They are much too dry

Then how'd you like to try

Sarsaparilla, try sarsaparilla

Sarsaparilla ought to do

Rockefeller drinks sarsaparilla

And what's good enough for Rockefeller

Is good enough for you

Go and tell John D

His drink won't do for me

Then have a little glass of grape juice

It's the only drink to buy

Really, it's fine, simply divine

It's recommended by William J. Bryan

Eve'rybody's drinking grape juice

Ever since the town went dry

I've heard them tell, sir

That grape juice and seltzer

Is just the little drink to try

That won't do, I'm afraid

Then try some lemonade

A little lemon, a little sugar

A little vichy and a straw

Makes the very nicest little drink you ever saw

You ought to buy one, come on and try one

For it's the finest drink that's made

Drinks like this'll wet your whistle

Have a glass of lemonade

That won't do I fear

I'd like a glass of beer

Then have some Bevo

Have a drink of Bevo

It's the grandest imitation that we know

If you care for beer, it's the drink you should pick

It tastes like lager but it hasn't got the kick

Bevo, have a drink of Bevo

Though it hasn't got a punch up it's sleeve-o

Those who drink it insist that a Christian Scientist

Could easily come staggering home on Bevo

How dry I am, how dry I am

It's plain to see just why I am

Oh, how I call for alcohol

And that is why so dry I am

I hear you calling me

I am the Spirit of Alcohol

For let me assure you one and all

I'm not dead, I'm only asleep

Some day I'll come back to you

We hope you do, we hope you do

When your laws are not so blue

We hope you do, we hope you do

When you give Prohibition your shoe

You bet your life we'll kick it

Because it's very wicked

Say to Mister Temperance you're through

That's what we'll do, that's what we'll do

I'll come back someday

With a hip, hip hooray

Until I do, I'll give to you

A little cocktail that is new

Eli fired waves of lima beams and beer and they went into Amy's mouth and she swallowed them.

Amy: HEY WHAT THE!? (GETS DRUNK IMMEDIATELY) (To Flip) (Slurred Speech) Oh look who it is. Mr. I know nothing about nothing. Come here you son of a fucking bitch.

POW! RRRRIIIIIIIIIIIPPPPP!

She punched him in the face and then ripped off his mustache and hair and made him bald as a cucumber.

Amy: (CRYING) Why do you always close your eyes when we make love? (CRYING)

We laughed hysterically!

Nico: (LAUGHS HYSTERICALLY) SO FUNNY!

Barney Gumble: YEAH! That was great Eli! Nice job! (BELCH)

Lync: Is that from Poromon's stash?

Me: No that was with the songs power.

Nico: That was so funny though.

Poromon: But that was really awesome!

Qin: Yeah it was.

Optimus Primal: I got a couple I would like to do.

He went over to the Wet Bandits.

Optimus Primal: Optimus Primal, MAXIMIZE!

He transformed. Then he pointed his blasters at them and fired coconuts. They hit the Wet Bandits and bashed them all over!

BONK BONK BONK BONK BONK BONK BONK BONK BONK BONK!

10 Coconuts hit them and numerous piles of rubies erupted out of them.

Patrick: DAHAHAHA! Those two got hit in the heads with 10 coconuts!

We laughed!

Me: Nice one Optimus!

Nico: YEAH! Lets have some fun!

Me: YEAH!

We all went up to the jerks.

I punched the ground and crystal shards popped out and skewered Marv's feet and he screamed in pain and he was REALLY FEELING THAT!

Numerous gems popped out of him.

Then Eli used the Force and lifted the jerks up and then a bunch of Christmas Ornaments were scatted under them and then Eli dropped them and then..

CRUNCH!

Marv screamed in pain and was really feeling that one!

Numerous sapphires came out of the jerks feet.

Marv: (SCREAMS IN PAIN) GAH! I'M GONNA KILL THOSE FUCKING KIDS!

Me: Try this on!

I fired a blast of lightning and it hit Marv's hands and the jerks hands and they were being electrocuted and I increased the voltage and they screamed as their skeletons were showing! OUCH!

Gold and coins erupted out of the jerks!

Nico: Okay that's funny!

Taranee: Try this on Harry!

Taranee fired a blast of fire and it hit the top of his head and he screamed in pain as his head was lit on fire!

Sunset Shimmer and Rainbow Dash were rolling on the ground laughing hysterically!

Nico: YEAH!

Qin: (LAUGHS) That is what I call HotHeaded!

Luan: (LAUGHS) Good one Qin!

Lynn Sr.: (LAUGHS) Good one!

Me: (LAUGHS) That was funny!

I formed a pot of what looked like water in front of Harry and then he dunked his head in and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He exploded! It was actually filled with gasoline and he was really burned! OUCH!

NUMEROUS COINS AND EMERALDS ERUPTED OUT OF HIM!

Varie: Nice! Hey Marv don't look up!

Marv looked up and he saw a big bag of cement falling towards him.

Marv: Uh oh.

BLAM!

He was covered in powdered cement and that hurt!

Numerous rubies popped out of him.

Marv: I'm gonna fucking kill you all. (SNEEZES)

Nico: Here's one!

Nico formed a pipe bar and he threw it.

Marv: Oops!

CLANG!

It hit the jerks all at once and they screamed and crashed into a pit!

Marv: That's three.

Nico: Let her fly J.D.!

Me: Here we go!

I jumped on a plank and catapulted a bunch of paint cans full of stain into the air and then they fell onto the jerks and drenched them all over in stain!

Nico: Nice one!

Me: Yeah!

Lincoln: Watch this.

Lincoln threw buckets of bird seed on them and Fluttershy whistled and then a huge flock of pigeons appeared out of nowhere and covered them and ate the seed and Marv screamed like a little girl and we were laughing hysterically!

Fred Randoll: That was funny!

Nico: Yeah!

Fluttershy sent the pigeons back.

We laughed hysterically at that one!

Qin: YEAH!

Titanium Toenail: Awesome job using the pranks we did to them on Mars.

Everyone that was watching was laughing hysterically and even some of the kids were blowing milk out of their noses from laughing so hard!

Nico: (LAUGHS HYSTERICALLY) That is so funny!

Evil Seed: What's next?

Beagle Leader: How about ants?

Me: You read my mind.

I turned my nose into a flute and played a tune and then numerous ants came and they went into Billy McLean's pants and bit him all over the place!

SpongeBob: (LAUGHS) Nice job with the ants in the pants trick and you used my nose flute very well.

Me: Thanks SpongeBob.

Rainbow Dash: Hey I got one.

She pulled out a big barrel full of chum!

Me: Whoa Chum! Good thing I don't throw up at that any more.

Nico: Yeah. What are you going to do with that?

Rainbow Dash: Watch.

She opened it and the intestines of fish farted and then Rainbow Dash forced open Flip's mouth and poured the barrel of chum down his throat and then he got sick immediately and then…

PROJECTILE VOMITVILLE ALL OVER BILLY MCLEAN AND AMY!

AW SICK!

Nico: That was awesome!

Me: Nice job R.D.!

Plankton: That was really amazing Rainbow Dash!

Rainbow Dash: Thanks guys.

Flywheels: Whoever this guest is, he or she is missing all the fun!

?: You mean me?

We then saw a girl in a beautiful dress and we recognized her.

Lola: Oh wow!

Nico: I don't believe it!

Me: Its been a while Ella of Frell.

Ella: It sure has been a while J.D. I can't thank you enough for killing Sir Edgar.

Me: It was my pleasure.

Lynn Sr.: Order up!

Nico: Oh lets have our meal and talk to Ella.

Me: Good idea.

We got our food and got to eating.

Phantom Blot: So, you're the guest?

Hydrax: Where are you from?

Nico: Don't you know her guys? She is from the awesome movie Ella Enchanted.

Nico pulled out the case for it.

Hydrax: WHOA! That movie was awesome!

Phantom Blot: Wow! I forgot about that! That was a great movie!

Me: Yep. Me and Ella met 7 years ago before I moved to Michigan and I helped Ella by killing Sir Edgar.

Camie: Who is he?

Me: You would hate this asshole to the brink Camie.

I went over his history.

---

Sir Edgar is the main antagonist of the 2004 film Ella Enchanted.

He is portrayed by Cary Elwes, who also played Larry Kline in Stranger Things, Lawrence Gordon in the Saw franchise, William Boone in Rudyard Kipling's The Jungle Book, Paxton Powers in Batman Beyond and Aquaman in Justice League: The Flashpoint Paradox.

Edgar is Prince Char's evil uncle. He enslaves his kingdom, forcing giants to work for him, forcing elves to be nothing but entertainers and he kills Char's father to seize power. Aided by a menacing snake, Heston, Edgar plots to seize power from Char.

When he discovers Ella's gift of obedience, he decides to use her to get rid of Char. Edgar orders her to plunge a dagger into the prince's heart. Ella succeeds in breaking the curse, but Edgar, furious, orders his guards to capture Ella and lock her up.

Fortunately, Ella's friends arrive and set her free. Ella realizes that Edgar is about to kill Prince Char with a poisoned crown.

Just as he is about to place it on the prince's head, Ella stops the coronation. After a fierce battle, Edgar tries to stay in power but makes the mistake of putting the crown on his head, putting him into a coma.

---

When I was done everyone was shocked!

Nico: Whoa! I didn't know you helped Ella out years ago J.D.

Ella: J.D. is a true hero to me and my kingdom and he got me and Char married and crowned as rulers of Frell.

Nico: Wow! That is so cool!

Eli: Yeah bro that is cool!

Me: Yep. And I killed Sir Edgar by stabbing him in the heart with his own sword. After I said this: "My name is James Dean Knudson, Defender of Frell and Earth. You killed Char's father, PREPARE TO DIE!"

Nico: Whoa! That is awesome use of The Princess Bride line. Well done.

Me: Yep. And I sent his fucking ass off to hell where he belongs. But I have a strong suspicion that tomorrow he will return to try and finish what he started and this time me and ALL of the team are going to be ready for him.

Ella: Yes and I have faith in you all.

Nico: Thank you Ella.

Me: But also Ella has a dark curse on her. It's called the Curse or Gift of Obedience.

Varie: What's that?

Me: Well it's best if you see it for yourselves. Ella punch Amy in the face.

She then obeyed instantly and then went over and then…

POW!

She punched her square in the face and knocked out some of her teeth.

She came back.

Ella: I'm sorry.

Me: It's not your fault Ella. It's that curse.

Eli: Geez! That curse is dangerous.

Qin: Yeah no kidding. In the wrong hands that curse can make her do something that she will regret.

Camie: No kidding. Is there anyway we can remove it?

Laney: Yeah that curse is dangerous.

Eclair: Yeah no kidding.

Ella: (starts crying) I'm really envious of you guys you know. In situations like what happened in the Zenkaigers' world, you guys have the willpower to disobey the orders of villains. I don't have that privilege.

Carnivac: So, you're saying that if you were in J.D.'s shoes that day…

Ella: I would've changed the timeline without a elseconr thought!

Nico: (pales) J.D., suddenly, you and the others going behind my back sometimes doesn't sound like a bad thing!

Me: Nico don't bring that up.

Nico: Sorry.

Me: But Ella we will find a way for you to overcome that curse. Sir Edgar tried to you use you to murder the rightful heir to the throne and no way am I letting history repeat itself.

Nico: That's right.

Me: Ella, I promise you that Sir Edgar will pay for everything he did. He definitely more than deserves the Black Gates for this.

Nico: I agree.

Me: Ella you have the power to overcome that curse. You can overcome it of your own free will. It's your choice. Not anyone else's.

Ella: But how?

Me: Just tell them no.

Amy: Hey, new girl! Do everyone a favor and kill yourself with a knife!

Me: SHUT YOUR FUCKING MOUTH AMY!

Evil Mushroom Man: Oh fuck!

Ella: (grabs knife) See what I mean?!

White Lightning: (takes knife from her) Yeah, we do!

Me: Ella don't listen to her.

Amy: Do it!

But then…

Ella: NO!

She had a dark cloud come out of her and then Brittney sealed the magic into a spell book.

Nico: You did it Ella!

Me: See?

Ella: I did it! (Hugs me) Thank you J.D.! You saved me from my curse!

Me: I'm so happy!

Chan Lee: Those mean family members of yours are in for a surprise!

Fourtress: Who are they again?

Me: Just Sir Edgar. He is going to be in for a shock.

Xenia: No way is she doing what he says now.

Laney: You got that right.

Me: And Amy?

I fired an energy beam and it slashed her eyes and cut them and she screamed in pain as her eyes were slashed out!

Nico: Nice shot.

Bulldozer Org: There's also Dame Olga.

See More: And her evil daughters.

Me: Yeah. But our primary target is Sir Edgar. We'll banish Dame Olga and her evil daughters to the same planet we sent Tremaine and Drisella.

Nico: Good idea J.D.

Ella: I agree.

Camie: Yeah.

Spectra Phantom: There's also Edgar's pet snake.

Helios: He reminds me of Sir Hiss.

Nico: At least he's not Nagini.

Me: No that's Heston. He's not worth killing.

Lana: I would love to take care of him.

Fluttershy: Oh me too. And I do love all animals myself.

Camie: That's awesome.

Ella: Yeah it is. And Heston would be perfect for Lana and Fluttershy.

Angel: Ella, why don't you have a shot at humiliations?

Libra Zodiarts: Think of it as a reward for breaking your curse.

Ella: I would be honored.

Nico: Awesome!

Me: This is gonna be awesome.

Nico: J.D, great job helping Ella. You deserve some of the credit too.

Me: Thanks.

We finished out meal and then got back to the humiliations.

Camie: Time for some buttkicking action!

Lena Isis: Go ahead, Ella.

Phosphos: Anytime you're ready.

Me: Hmm. I know!

I gave Ella her own Progrise Key. It was call Ella's Animal Endeavors.

Ella: What's this?

Me: It's a Progrise Key. It's got your own powers in it.

Aruto: We use them a lot.

Me: We've had lots of adventures and got so many unique tools and powers.

Nico: It's true.

Ella: Cool! Lets see.

She activated it and got a sword and it had the powers of the animals in it and then she swung it and sent waves of phoenixes and they hit Billy McLean and he bursted into flames and was on fire and he screamed in pain!

Qin: WHOA!

Billy had numerous piles of jewels and coins explode out of him and he was burnt to a crisp!

Nico: Nice one!

Me: Not bad Ella.

Ella: I hope that didn't kill him already.

Suzaku: Relax.

Brass Knuckles: Right now, they're probably wishing they were dead.

Me: It's part of a curse we put on them.

Lincoln: I made my own curses for situations like this.

Me: Lincoln knows all sorts of forms of magic. It's awesome.

Lincoln showed her a list of curses he made and all that and it was cool and she was amazed.

Ella: Wow! These are amazing. Well done Lincoln.

Lincoln: Thanks. It's really awesome.

Nico: But watch this one.

Pony Life Fluttershy: Time for the cuteness to show them love.

Pony Life Fluttershy made a bunch of cute faces.

[flamenco music]

Billy McLean and Flip: [groans]

Nico: Ooh going to give them Cuteness Overload!

Pony Life Mane Six sans Fluttershy: Go, Fluttershy!

Pony Life Fluttershy made lots of awesome cute faces.

Pony Life Rainbow Dash: It's almost too cute! [faints]

She made many cute faces and the jerks screamed in pain from the cuteness.

Pony Life Pinkie Pie: I can't handle the cuteness!

Then Pony Life Fluttershy made her cutest face and then it was too much for Billy McLean to handle!

Billy McLean: Nooooo! I'm too handsome for this!

[boom!]

He flew into the air and exploded!

A massive avalanche of jewels landed on the floor and Billy landed on the ground a broken and insane mess!

Steam Smythe: Nice!

Me: Never underestimate the cuteness of Fluttershy's Pony Life version.

Nico: That's for sure.

Varie: Yeah!

Troy: Now for the finale!

Tsukasa: Time to test out some new cards!

Kamen Ride: AkaRed!

Kamen Ride: Red Rangers!

Tsukasa donned the AkaRed armor and Daiki summoned ALL THE RED RANGERS!

Qin: YEAH!

Me: Awesome!

Nico: Yeah!

Megaforce Rangers: LEGENDARY RANGER MODE! DINO THUNDER!

The Megaforce Rangers turned into the Dino Thunder Rangers!

Ibara: Time for some green action!

Then a white light appeared and landed in her hands and it was a Grand Zi-O Ridewatch for all the Green Rangers!

Ibara: My own Grand Zi-O Ridewatch! Now it's my turn!

She activated it.

Ibara: HENSHIN!

The spirits of all the Green Rangers from over the course of 46+ Years appeared and they merged with her and she got an amazing green armor and it had all the powers of the Green Rangers and she became KAMEN RIDER GRAND GREEN ZI-O!

Nico: WHOA!

She pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) MISCHIEF OF COMEDY!

She summoned The April Fool, Mr. Pig (Timon & Pumbaa), Quint, Norm, Dr. Screwloose and Condiment King.

Condiment King: Lets sauce it up!

We then got the best part of our humiliation underway!

We smashed and pulverized and hit the jerks all over with pranks and funny shenanigans.

Ryuko Matoi (TLPS): HUMILIATION INSULT STYLE: YO MAMA!

She insults the jerks!

Ryuko Matoi: Yo mama so stupid she put a watch in a piggy bank to save time. Yo mama so fat if she was an oreo, she would be the most stuffed. Yo mama so rich even her yacht has a yacht. Yo mama so stupid she tried to ride a red bull which is an energy drink. Yo mama so strong she beats Thanos with only an one inch punch. Yo mama so ugly she was the bird box monster. Yo mama so strict when she grounds you from Fortnite, she bans all the players. Yo mama so hot the other planets orbit around her. Yo mama so stupid she thought Deadpool was a swimming pool for zombies. Yo mama so fat that Cyborg couldn't process her weight. Yo mama so ugly her face can stop the Juggernaut. Yo mama so evil that the Teen Titans thought she was Raven's mother. Yo mama so smart Thanos thought she was the mind stone.

We laughed hysterically at all those.

Colette Brunel: HUMILIATION INSULT STYLE: SHAMING ROAST!

She insults No Ma'am first.

Nico: (Laughs Hysterically) I still can't get over what Colette said to NO MA'AM and to Peggy Bundy, that was really awesome and true. Alright, that was an awesome humiliation session, but we're not done yet, there's still the matter of Kazarina to deal with, and she should be arriving… right now!

Fabia: I knew there's no mistaking that voice from anywhere. You can come out now, Kazarina.

A figure came out, and it was none other than Kazarina, one of the members of The Twelve Orders.

Nurzak: I see you still refuse to learn your lesson after we defeated you long ago, Kazarina.

Kazarina: And you're still a miserable traitor, Nurzak, let's just see how smug you are when I kill you and bring your head to Barodius.

Cathy Russo fired a powerful indigo energy blast with indigo fire and whales at Kazarina, and she was badly burned.

Cathy Russo: Not happening, Kazarina, and now, I'm putting a stop to you once and for all.

Suddenly, Cathy Russo's indigo eyes turned neon indigo and she was surrounded by a black and indigo energy aura with indigo fire, whales, and darkness, she unholstered her massive Earthbound Immortal Chacu Challhua-themed sword from her back, and as she approached Kazarina, she left black and indigo energy, indigo fire, whales, and darkness with every step.

Cathy Russo: I will never forgive you for any of the crimes that you and the other members of The Twelve Orders have committed against Fabia and her people, Kazarina, and now, you're about to suffer the true wrath of The Earthbound Immortals.

Suddenly, Cathy Russo was surrounded by a massive vortex of black and indigo energy with indigo fire and darkness surrounding it, there's Earthbound Immortal Chacu Challhua flying around the vortex, and in the vortex is an indigo phoenix. Then, as the vortex faded, Cathy Russo emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Cathy Russo grew from 6'0" to 7'1" in height, she has the body of a goddess, she has black highlights in the bangs of her long flowing indigo hair, she has neon indigo eyes and a black and indigo energy aura with darkness, indigo fire, and whales surrounding her, she has Earthbound Immortal Chacu Challhua with the Dark Kanji in its flippers emblazoned on her forehead, she has on whale earrings with indigo gems for eyes and holding the Dark and Eternity Kanjis in its flippers, she also has Earthbound Immortal Chacu Challhua with indigo gems for eyes and the Dark and Eternity Kanjis in its flippers for the second pendant on the bottom of her indigo whale-shaped Element of Harmony, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with indigo crystal links from her merged Crystal Necklace of the Buddha and indigo gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Cathy Russo has on a black sleeveless vest, indigo sleeveless midriff top, indigo frilly skirt with black frills and the Whale Nazca Line on it, black stockings with black lace designs, indigo high-heeled sneakers, and long sleeveless white trenchcoat with darkness, whales, and indigo fire on the coattails, and on the back is Earthbound Immortal Chacu Challhua with darkness surrounding it.

Suddenly, Cathy Russo felt a sharp pain on her back, and then, her massive black angel wings with indigo tips grew much bigger for her new body, and the feathers had the same indigo markings on Chacu Challhua. Cathy Russo has on a Ring of The Phoenix with indigo gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger.

Suddenly, Cathy Russo's massive Earthbound Immortal Chacu Challhua-themed large sword and all the other swords she'd gotten began merging together and they were surrounded by a kaleidoscope of indigo energy with darkness, indigo fire and whales, and when it emerged, it was transformed into Earthbound Immortal Chacu Challhua's Dark Whale Greatsword of Indigo Fire and Darkness Justice, it's a brand-new large greatsword with Earthbound Immortal Chacu Challhua and the Whale Nazca Line etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight whale heads for the crossguard, large indigo gem embedded in the rainguard, longer midnight black handle, four large midnight black whale heads and a large indigo gem below the whale heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with indigo gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Earthbound Immortal Chacu Challhua's head with indigo gems for eyes and a large indigo gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Cathy Russo has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY DARKNESS INDIGO FIRE EARTHBOUND IMMORTAL WHALE ANGEL OF DIVINE EARTHBOUND IMMORTAL DARK JUSTICE AND DIVINE INDIGO FIRESTORM LOVE!

We were amazed by Cathy Russo's Super Angel Xelnaga Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Kazarina saw it, she fell into a rage and summoned her Bakugan, Lumagrowl, and she ordered Lumagrowl to kill her as she laughed malevolently, but Cathy Russo fired a powerful indigo energy blast with indigo fire, darkness, and whales at Lumagrowl, and it caused him to change back into ball form, and he was locked inside his ball form, thanks to Lincoln's curse, and she fired another powerful indigo energy blast with indigo fire, darkness, and whales at Kazarina, and sent him flying into a rock formation, but Kazarina is not out yet.

Nico: Holy guacamole, now Cathy Russo's transformed!

Me: And look at the pattern on her wings, they're the same pattern as on Chacu Challhua, so cool.

Eli: Really amazing.

Lincoln: And like Cathy said, Kazarina's about to feel the wrath of The Earthbound Immortals, and Cathy, you look beautiful, how do you feel?

Cathy Russo: (Divine Echoing Cosmic Voice of The Dark Whale Earthbound Immortal and Divine Indigo Fire Justice) **I feel incredible, Linky, and now that Lumagrowl can't attack us, shall we administer Kazarina her punishment?**

Lincoln: (Smiles) With pleasure, Cathy.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Cathy Russo.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Seems like you need another lesson, Kazarina, but this time, your Bakugan isn't going to be of any help to you, you vile witch.**

Cathy Russo and Lincoln went after Kazarina, and they fired extremely powerful blasts of rainbow energy, indigo energy, indigo fire, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, and Whales at Kazarina, and they exploded with incredible power as they hit her. Then, they attacked Kazarina with their massive greatswords and they left some really nasty scars on her, and then, Lincoln fired a powerful rainbow energy blast, which transformed into a rainbow energy straitjacket and rainbow energy chains and they restrained Kazarina.

Kazarina: Agh, okay, so you got me. What are going to do, kill me again?!

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) As if, you're not getting out of this easily. Besides, we already killed you once, Kazarina, but you do have potential for The Masters of Evil, the only ones who don't and are going to be killed for good are Barodius and Dustin Keystone.

Cathy Russo: (Divine Echoing Cosmic Voice of The Dark Whale Earthbound Immortal and Divine Indigo Fire Justice) **Plus, if Barodius finds out you've been defeated, he's going to kill you and your Bakugan, Lumagrowl, and he has zero remorse of taking down one of his own. Stoica and Lythirus already joined The Masters of Evil yesterday after we told them of what could happen to them if Barodius finds out.**

Kazarina realized that Lincoln and Cathy Russo were telling the truth: if Barodius finds out, he'll kill her and Lumagrowl, and she now knows they're not safe around Barodius.

Kazarina: Okay, it looks like sticking with our soon-to-be former liege was a bad idea.

Lumagrowl: Agreed, so where can we go to stay safe from him?

Nico: The Masters of Evil's HQ is the safe place since we'll be recruiting the other fifteen, but like Lincoln said, the only ones getting The Black Gates are Barodius, since he's a monster, and Dustin Keystone, since he's an asshole, and like they said, Stoica and Lythirus already joined yesterday.

Kazarina: Very well, we accept.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smiles) **You've made the right choice, you two.**

Lincoln freed Kazarina and he beamed her and Lumagrowl to The Masters of Evil's HQ, where Vypra and the others were given the news: Kazarina and Lumagrowl are now part of The Masters of Evil, and they've now turned their backs on Barodius. We cheered wildly for what Cathy Russo and Lincoln did as they holstered their massive greatswords on their backs and powered down, and Cathy Russo's new body, clothes, weapons, jewelry, and massive black and indigo angel wings are permanent.

Cathy Russo: That's one villain recruited into The Masters of Evil and fifteen more to go before we finally kill Dustin Keystone, and thanks for helping me take down Kazarina, Linky.

Lincoln: (Smiles Warmly) You're welcome, Cathy.

Suddenly, Cathy Russo wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Cathy Russo's face, they kissed passionately as Cathy Russo's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Earthbound Immortal Chacu Challhua flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and indigo fire raging behind them and we all cheered wildly. Lincoln and Cathy Russo absorbed the fires, and they came back.

Nico: Awesome job, Cathy and Lincoln, you guys convinced Kazarina and Lumagrowl to turn their backs on Barodius, and got them to join The Masters of Evil.

Lincoln: We just had to say the truth to them, Nico, and after they thought about it, just like with Stoica and Lythirus, Kazarina and Lumagrowl decided it wasn't worth it siding with Barodius.

Me: Yeah, and now, she and Lumagrowl are now part of The Masters of Evil.

Eli: You said it. Oh, Lincoln, which Gene-Slammer are you hoping to meet on your rescue tomorrow?

Lincoln: That's a good question, Eli. Hmm, oh, I know, how about a Gene-Slammer for Fabled Leviathan.

Nico: Ooh, now that's a good one, this one is from the Fabled Archetype, and they're believed to represent heterodoxy, perverse versions of "light", and degradation from grace and dignity, with some resembling the archetypal Fallen Angels from the Bible.

Lincoln: Yeah, and they all have masks, which makes them resemble monsters of certain Spanish legends, and tiny colorful and malicious imps often accompany monsters in their background art.

Ronnie Anne: Representing Spanish legends? Hmm, if they're are Gene-Slammers for the other Fabled Monsters, we'll have to ask Tio Carlos about which Spanish monster the Fabled Monsters belong to.

Nico: That's a good idea, Ronnie Anne, and your Tio Carlos knows a lot about Spanish legends, so he's going to have a field day for this one.

Then Pinky & The Brain, Black Adam, Kite Man, Golden Glider, Mole Man, Jet, Magneto, Melter, Jack O Lantern, Shade, King Jellyfish, Cajun Fox, Allomere, Evil Wing Man, Gourd, Live Action Thrust, Cloak and Dagger, Crud,

Nico: We sure did.

Golden Glider: Is she okay?

Me: She is just fine. We found her in Grogar's old lair.

Golden Glider: Wow!

Me: Grogar's lair was completely destroyed too.

Golden Glider: Thank goodness.

A figure came out and it was DAVE COMMANDER from episode 27 of Kyurangers!

Lucky: Dave Commander!

Me: I remember you! You were sent with Dave Red to infiltrate the Orion to stop the Kyurangers.

Dave Commander: That's right. Sharp memory.

William: So, your name's based off of Ryu Commander?

Dave Commander: Too bad I'm not an actual commander!

Me: That is a darn shame.

Qin: Yeah.

We got the usual battles underway.

---

Melter was first.

Melter: (to Aquaman) Nico's rescue involved helping Celestia. I hope it wasn't a difficult errand.

Aquaman: No it wasn't. We had to find her long lost daughter that went missing as she was spying on Grogar. She was petrified in stone for 1,000 years.

Rarity: She sure was and she missed out on so much over the eons.

Sweetie Belle: Princess Celestia was so distraught over her loss.

Jack O Lantern: (to Green Arrow) Nico, Sasuke, and the others did good rescuing Amber Morning's sister. Where was she?

Green Arrow: In Grogar's Old Lair and you should have seen what was there.

Rainbow Dash: It had more evil artifacts than what the Church of Necrom did.

Scootaloo: Yeah it was terrible! Grogar really was the True Devil of Equestria.

Whirlwind: And now we destroyed his lair and got Solar Eclipsa back and erased his evil from Equestria forever.

Blake Belladonna: Yeah no kidding.

Ghost Rider: He deserved it too.

Jack O Lantern: Wow! That was amazing! Lets do it!

Wonder Woman: It was a nightmare! We had to destroy the curse of Hackett's Quarry and save everyone from a horrible fate with werewolves.

Twilight Sparkle: Yeah it was crazy!

Starshine Sparkle: Yeah it sure was crazy and horrifying!

Spyro: You're not kidding there.

Vambre: (British Accent) It was most scary.

## Martian Manhunter, Applejack, Apple Bloom, Earth Skylanders, Sailor Mars, Mason Brown and Battletrap VS Mole Man - Meeting the 6 Elemental Lord Gene-slammers

---

Mole Man was next.

Mole Man: (to Martian Manhunter) I heard you guys met the 6 Elemental Lord Gene-slammers. What are their names?

Martian Manhunter: Their names are

Eliza Taylor, Grandsoil the Elemental Lord

Rebecca Harris, Moulinglacia the Elemental Lord

Laura Evans, Phosphorage the Elemental Lord

Chloe Bailey, Pyrorex the Elemental Lord

Anna Allen, Umbramirage the Elemental Lord

And Hazel Turner, Windrose the Elemental Lord

Mole Man: Wow! They each represent the 6 elements.

Applejack: They sure do and they are really amazing guardians.

Apple Bloom: And their story is really amazing.

---

Eliza Taylor: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Rebecca Harris: Yeah, you could land a plane on that much wider and more muscular back of his, and crush a watermelon with those extremely muscular thighs.

Laura Evans: And I don't think a tape measure can measure out just how massive those biceps really are, along with that amazing chiseled chest of his.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Hazel Turner: That's incredible!

Nico: It sure is. So, Eliza, Rebecca, Laura, Chloe, Anna, Hazel, what's the story on how you all took on the worst of Lori, Lynn, Lola, Lisa, and Luan's wrath, and how you, The Elemental Angels, and

Lincoln defeated Lori, Lynn, Lola, Lisa, and Luan in a huge fight, which resulted in those five getting a really bad and horrible punishment.

Eliza Taylor: You're not going to like this one bit, Nico. We were with Lincoln and the Elemental Angels and we were teaching Lincoln how to use elemental spells along with teaching him more on how to use his elemental powers, and we were also working out in the gym we made. But, then, we heard the sound of bellowing screeches in the air, and we knew who it was that made those screeches of rage and that bellowing roar of rage: it was Lori, Lynn, Lola, Lisa, and Luan, and they were causing a ton of havoc by leaving destruction in their wake. Bridget said that she knew they'd snap again and cross another line, now they've us no choice.

Rebecca Harris: And we knew from the previous near-death experiences Lincoln went through due to those heartless bitches, we had to stop them. So, all of us went out there and we saw Lori, Lynn, Lola, Lisa, and Luan, but they had red eyes full of hate and insanity, and they had knives in their hands.

Laura Evans: They gave into their Dark Sides' desire for blood and destruction, and we knew they all needed to be stopped.

Chloe Bailey: So, we divided into groups, and we each went after Lori, Lynn, Lola, Lisa, and Luan, and we fired elemental blasts and Lincoln fired energy and elemental blasts at them.

Anna Allen: It was really an explosive fight, but Lori broke free and she, Lynn, Lola, Lisa, and Luan attacked us and knocked us into trashcans and she slashed Lincoln on the chest with her knife and the same happened with Lynn, Lola, Lisa, and Luan, and they were cackling like the evil heartless bitches that they are, and we wanted to rip those bitches to shreds, but Lynn, Lola, Lisa, and Luan stabbed us in the stomach.

Hazel Turner: But, Lincoln had a confident smirk on his face, and we saw his blood going back into his body and his slash marks on his chest healed, but it also ruined his orange tank top, which he ripped off, showing off his massive and extremely muscular body, and he got into a battle stance, and when that happened, we knew those bitches were in trouble. Lincoln spread his massive white angel wings and he charged at Lori, Lynn, Lola, Lisa, and Luan faster than a bolt of lightning, and disarmed them of their knives and he picked Lori up by her shirt collar and tossed her right at Lynn, Lola, Lisa, and Luan, and they all went crashing into trash cans. Then, Lincoln fired energy orbs at them, and he'd imprisoned them inside, and when J.D. showed up, he and Lincoln healed us. We then went back to The Loud House, and when Luna saw what happened, she went ballistic and tried to attack Lori, Lynn, Lola, Lisa, and Luan, but Lincoln held her back. We then told Mr. and Mrs. Loud of what happened, and they grounded Lori, Lynn, Lola, Lisa, and Luan for fifteen weeks, and they were also ordered to clean up the mess they made, and we were all there to keep an eye on them.

We cheered wildly.

Nico: Wow, you girls really put up a nasty fight against Lori, Lynn, Lola, Lisa, and Luan.

Me: They sure did, and I saw the fight for myself, it was messy, but Lincoln really stood his ground and put them in their place.

Lincoln: And I did eventually forgive them, but I gave them a stern warning: next time, if they so much as try to kill me and any of my friends, family, and Guardian Angels again, I won't show them any mercy at all, and they better remember that.

FLASHBACK ENDS

Mole Man: Wow! That is amazing that they did all that.

Flashwing: Yeah Lincoln is so lucky to have girls like that.

Sailor Mars: He sure is.

Mole Man: Indubitably. Lets do it!

MOLE MAN! ARMORED ARMADILLO!

Me: Wow! This is amazing.

Laney: Whew! It's hot and amazing.

Camie: Yeah no kidding.

Me: But it's awesome.

Lana: I'll say.

Keiko Yukimura: I agree there. It's amazing.

Nico: It sure is.

Maria: I've got plenty of water just in case.

Girl Jordan: Me too.

Eli: Awesome.

Nico: Thanks for coming with me Keiko.

Keiko Yukimura: No problem Nico. It's so awesome that I get to go with you guys.

Me: You'll have a lot of fun with us Keiko.

Nico: Keiko, when do you think you and Yusuke will get married?

Keiko: We haven't set a date yet. But it's awesome that we're going to soon be married.

She showed an engagement ring.

Keiko: He proposed to me after the War 2 weeks ago.

Me: Wow! Congratulations.

Laney: Yeah Keiko.

Nico: Way to go!

Qin: That is great Keiko.

Me: You and Yusuke earned it after everything you went through together.

Camie: No kidding.

Juru: And you didn't tell us?

Keiko: Yusuke wanted it to be a surprise for me to tell on one of Nico's rescue.

Qin: Oh. That makes sense.

Tsuyu: That is so awesome.

Kaina Tsutsumi: Yeah but we're still happy for you Keiko.

Lazerbeak: I agree there. It's so awesome too.

Nico: But we're still happy for you Keiko.

Keiko: Thanks Nico.

Me: Yeah.

Laney: But J.D. that is so awesome that you helped Ella before the team was formed.

Me: It sure is. Ella is a great friend and a great princess too. Her movie was a flop unfortunately because of competition with other movies.

Eli: We'll have to watch the movie when we get ready for our next mission.

Laney: Good idea.

Nico: Ella was right, you know. Our wills are very strong to resist the demands of scumbags.

Me: That is for sure.

Qin: Yeah J.D. gave great advice to her too.

Me: And how do you think I conquered not going with Lex Luthor's suggestion? Sheer will power and an Oscar Worthy winning act to catch them off guard.

Kaito: That was really cool and smart thinking back then.

Nico: Now, if Ella was in our shoes, she would've changed the past without a second thought, no matter how much she wouldn't want to do so.

Me: Yeah right. But I learned that it's best to leave things the way they are.

Keiko: That's true. I am glad J.D. didn't go through with it.

Camie: Me too.

Varie: Same here. Lex Luthor was wrong about everything he said about eliminating all evil.

Me: That's right. Evil is an eternal force and there must always be an eternal battle with it. Like 2 sides of the same coin, one can't exist without the other.

Nico: That is true.

Keiko: I agree there.

Me: And there must always be forces of Good around to always be there to stop it no matter what.

Laney: That's for sure.

Nico: But that's not the worst part regarding Ella's curse.

Maria: I think we all saw the real worst part yesterday.

Me: Yeah. She was going to do something she was going to regret. But thanks to her will she broke the curse.

Brittney: Thank goodness.

Eli: And J.D. slashed Amy's eyes out.

Camie: Yeah that bitch had it coming.

Keiko: She sure did.

Anna Anyanova: I agree too.

Danica Metrois: I do too. She had it coming. Sammy told me everything about what her sister did and she is pure evil. She should have gotten the black gates.

Me: Yeah but it's best to let her suffer for her crimes.

Nico: That's true.

Maria: Yeah.

Nico: Wonder what we're going to find first.

Me: We'll find out soon.

Eli: (Senses Something) And we'll find out right now.

Then a figure jumped in front of us and we saw that it was a Black Evolved Methanosian!

Nico: Whoa! Another Ultimate Swampfire!

Me: This is gonna be awesome! And this was the very first ultimate alien that Ben turned into.

Nico: Yep.

Another Ultimate Swampfire: (In a Girls Voice) (Cajun Accent) Ooowee! This is gonna be so awesome.

Me: (GASP) Carolyn Cajunna! Wow!

Nico: You know her J.D.?

Nico: (DROOLS) That sounds like a girl I would love.

We laughed!

Eli: Yeah!

Qin: That is awesome that she knows so many flavors of wings.

Another Ultimate Swampfire: Yeah it sure is! Ooowee! But it's the spicy flavors that I know the best.

Laney: Awesome!

Albedo turned into Negative Ultimate Swampfire.

Negative Ultimate Swampfire: Did Swartz promise you anything?

Another Ultimate Swampfire: Ooowee! Just to be the best chicken wing maker ever.

Me: You already are the best chicken wing maker in my book.

Nico: Me too.

Me: Yeah.

Another Ultimate Swampfire: Why that no good snake! I knew he was lying to me.

Me: Well he's dead and we killed him. We made sure he got the black gates.

Keiko: We sure did. He deserved it.

Me: Yep. Sorry we have to fight like this Carolyn. KIBAL LETS HOWL!

Go ahead as you waste your days with thinking

When you fall, everyone stands

Another day, and you've had your fill of sinking

With the life held in your

Hands are shaking cold

These hands are meant to hold

Speak to me

When all you got to keep is strong

Move along, move along like I know you do

And even when your hope is gone

Move along, move along just to make it through

Move along

Move along

So a day when you've lost yourself completely

Could be a night when your life ends

Such a heart that will lead you to deceiving

All the pain held in your

Hands are shaking cold

Your hands are mine to hold

Speak to me

When all you got to keep is strong

Move along, move along like I know you do

And even when your hope is gone

Move along, move along just to make it through

Move along

(Go on, go on, go on, go on)

When everything is wrong, we move along

(Go on, go on, go on, go on)

When everything is wrong, we move along

Along, along, along

When all you got to keep is strong

Move along, move along like I know you do

And even when your hope is gone

Move along, move along just to make it through

When all you got to keep is strong

Move along, move along like I know you do

(CROCODILE ROCK BY ELTON JOHN PLAYS)

Keiko: (SINGING DIVINELY AS LEAVES AND FLOWERS SWIRL AROUND HER)

I remember when rock was young

Me and Susie had so much fun

Holding hands and skimming stones

Had an old gold Chevy and a place of my own

But the biggest kick I ever got

Was doing a thing called the Crocodile Rock

While the other kids were rocking 'round the clock

We were hopping and bopping to the Crocodile Rock

Well, Crocodile Rocking is something shocking

When your feet just can't keep still

I never knew me a better time, and I guess I never will

Oh, lawdy mama, those Friday nights

When Susie wore her dresses tight

And the Crocodile Rocking was out of sight

Laa, la-la-la-la-laa

La-la-la-la-laa

La-la-la-la-laa

But the years went by and the rock just died

Susie went and left us for some foreign guy

Long nights crying by the record machine

Dreaming of my Chevy and my old blue jeans

But they'll never kill the thrills we've got

Burning up to the Crocodile Rock

Learning fast as the weeks went past

We really thought the Crocodile Rock would last

Well, Crocodile Rocking is something shocking

When your feet just can't keep still

I never knew me a better time, and I guess I never will

Oh, lawdy mama, those Friday nights

When Susie wore her dresses tight

And the Crocodile Rocking was out of sight

Applejack: (SINGING DIVINELY AS EARTH AND CRYSTAL SWIRLS AROUND HER)

You called me up from Amarillo, said you were coming to town

And thought I'd like to tell you hello, and drive an old friend around

I pulled up to the airport, confident and cool

But when you stepped off that plane, I knew I was your fool

My Little Texas Tornado, blowing me away again

I swore it wouldn't happen again, but I looked at you and then

I'm like a tumbleweed in a wild west Texas wind

You're blowing me away again

You're lying with me in Atlanta, it's such a beautiful lie

You play me like a piano, I always let you get by

I know I'll go through hell girl, when you find someone else

But right now I'm in heaven, and I can't help myself

I'm like a tumbleweed in a wild west Texas wind

You're blowing me away again

Texas Tornado

Blowing me away again, I swore it wouldn't happen again

But I look at you and then

I'm like a tumbleweed in a wild west Texas wind

She danced and fired waves of earth, rock and crystal and smashed her down.

Nico: YEEHAW! That was great!

Eli: Love that song!

Fluttershy: Oh that was great.

Scared to rock the boat and make a mess

So I sat quietly, agreed politely

I guess that I forgot I had a choice

I let you push me past the breaking point

I stood for nothing, so I fell for everything

You held me down, but I got up (hey)

Already brushing off the dust

You hear my voice, you hear that sound

Like thunder, gonna shake the ground

You held me down, but I got up (hey)

Get ready 'cause I've had enough

I see it all, I see it now

I got the eye of the tiger, a fighter

Dancing through the fire

'Cause I am a champion, and you're gonna hear me roar

Louder, louder than a lion

'Cause I am a champion, and you're gonna hear me roar

---

You're gonna hear me roar

Now I'm floatin' like a butterfly

Stinging like a bee, I earned my stripes

I went from zero, to my own hero

You held me down, but I got up (hey)

Already brushing off the dust

You hear my voice, you hear that sound

Like thunder, gonna shake the ground

You held me down, but I got up (hey)

Get ready 'cause I've had enough

Nothing left to chance

All is working

Drifting, falling
Floating weightless
Calling, calling home
Second stage is cut
We're now in orbit
Stabilizers up
Running perfect
Starting to collect

"What will it affect
When all is done?"
Thinks Major Tom
Back at ground control

There is a problem
"Go to rockets full"
Not responding
"Hello Major Tom
Are you receiving?
Turn the thrusters on
We're standing by"

A final message:
"Give my wife my love"
Then nothing more
Far beneath the ship
The world is mourning

They don't realize
He's alive
No one understands
But Major Tom sees
"Now the light commands
This is my home
I'm coming home"

There were drums in the air as she started to dance

Every soul in the room keeping time with their hands and we sang

Ay oh ay oh ay oh ay

And the voices rang like the angels sing

We're singing, ay oh ay oh ay oh ay

And we danced on into the night

Ay oh ay oh, ay oh ay oh

And we danced on into the night

Like a piece to the puzzle that falls into place

You could tell how we felt from the look on her face

She was spinning in circles with the moon in her eyes

The room left them moving between you and I

We forgot where we were, and we lost track of time

And we sang to the wind as we danced through the night, and we sang

Ay oh ay oh ay oh ay

And the voices rang like the angels sing

We're singing, ay oh ay oh ay oh ay

And we danced on into the night

Ay oh ay oh, ay oh ay oh

Watching every motion in my foolish lover's game

On this endless ocean, finally lovers know no shame

Turning and returning to some secret place inside

Watching in slow motion as you turn around and say

Take my breath away

Take my breath away

Watching, I keep waiting, still anticipating love

Never hesitating to become the fated ones

Turning and returning to some secret place to hide

Watching in slow motion as you turn to me and say

My love, take my breath away

Through the hourglass, I saw you

In time, you slipped away

When the mirror crashed, I called you

And turned to hear you say

If only for today, I am unafraid

Take my breath away

Take my breath away

Watching every motion in this foolish lover's game

Haunted by the notion somewhere there's a love in flames

Turning and returning to some secret place inside

Watching in slow motion as you turn my way and say

Take my breath away

Izzy Moonbow: (SINGING DIVINELY AS MUSIC NOTES AND RAINBOWS SWIRL AROUND HER)

Winding your way down on Baker Street

Light in your head and dead on your feet

Well, another crazy day
You'll drink the night away
And forget about ev'rything
This city desert makes you feel so cold
It's got so many people, but it's got no soul
And it's taken you so long
To find out you were wrong
When you thought it held everything
You used to think that it was so easy
You used to say that it was so easy
But you're tryin', you're tryin' now
Another year and then you'd be happy
Just one more year and then you'd be happy
But you're cryin', you're cryin' now
Way down the street there's a light in his place
He opens the door, he's got that look on his face
And he asks you where you've been
You tell him who you've seen
And you talk about anything
He's got this dream about buying some land
He's gonna give up the booze and the one-night stands
And then he'll settle down

In some quiet little town

And forget about ev'rything

But you know he'll always keep movin'

You know he's never gonna stop movin'

'Cause he's rollin', he's the rolling stone

When you wake up, it's a new mornin'

The sun is shinin', it's a new mornin'

You're goin', you're goin' home

Everypony's getting their tail fluffed

Dance to the beat, dance to the beat

Who could ever sit still with a groove this sweet?

A place you can go

Where you already know

Let out your light, shining bright, can you see it?

Nico: Elaine Wittgenstein!? Whoa!

She reverted back and was a girl with silver hair and had teal and blue clothes.

Elaine Wittgenstein: This is gonna be a most amazing and awesome battle.

She fired waves of energy and water and it hit Another Ultimate Swampfire down and she was back to normal and Carolyn was a girl with red hair and she had orange and yellow highlights and she had red clothes and had the flag of Louisiana on her shirt. I went over and picked her up.

Carolyn Cajunna: (GROANS) What a headache.

Me: You're back to normal.

I brought her over to us.

Elaine Wittgenstein: That was a great battle though.

Keiko: What's your favorite memory of Nico?

Elaine Wittgenstein: I have a lot of intellectual reminiscent moments.

Me: Wait a second. I remember seeing you on TV. You won the Nobel Prize for Physics for solving the 12th Dimensional String Equation and figured out the mass of all the stars all together in all the galaxies all over the universe.

Elaine Wittgenstein: That is correct. All the stars in over 2 trillion plus galaxies have a mass weight over 8 Sedecillion pounds.

Everyone: Wow!

I had drool coming out of my mouth and my eyes were red crash screens and my head was sparking.

Carolyn Cajunna: J.D. you okay?

Eli: I got this.

He kicked me in my butt and I was back to normal.

Me: Wow! That's amazing!

Nico: Elaine has one of the smartest brains ever.

Elaine Wittgenstein: Indeed. But my favorite moment for me was when I helped Nico in Quantum Physics and he got an A+ on it.

Qin: I remember that.

Nico: Yep.

Nico and Elaine hugged.

Nico: I've missed you Elaine.

Elaine Wittgenstein: Me too Nico.

Nico: Also, Sailor Neptune, Juvia, Sailor Venus, Bomb Man, Sailor Uranus, Shockwave, Sailor Moon, Sailor Pluto, Sonnya Magnetwelle, and Professor Paradox will be more backup core members

Me: Awesome!

Qin: The Sailor Soldiers get archenemies now.

Camie: Okay.

Varie: They sure do.

Me: And we already know that Juvia has an archenemy.

Qin: Yep.

Laney: Yeah.

Nico: Lets go home guys.

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole

Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, Anatankha, Timmy Turner, Cosmo, Wanda, Poof, Trixie Tang, and Yusuke are heading to New York, and not only is Lincoln going to rescue the eight girls here, but we got word Hun and The Purple Dragons are back from the dead and they still want revenge on us for killing them and destroying Shredder.

Lincoln: Wow, we're back in New York, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we got word Hun and The Purple Dragons are back from the dead and they still want revenge on us for killing them and destroying Shredder.

Nico: I should've known those thugs would come back, first Ch'Rell, and now, The Purple Dragons, well, we're going to send them all to The Black Gates for good, and none of them are coming back.

Lincoln: Yeah, but not Hun, as one final act of mercy, we're sending him to The Warp for good.

Me: Good idea, Lincoln, just like what you've done to Skeletor, X.A.N.A., and a few others.

Lincoln: That's right. And thanks for joining us, Yusuke.

Yusuke: You're welcome, Lincoln, I can't wait to get rid of those thugs once and for all.

Nico: Same here. They've caused us enough trouble for the last time.

?: HEEELLLLLP!

Suddenly, Lincoln heard the sound of six girls calling for help, along with the sound of maniacal laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the eight girls, but they've been cornered by Hun and The Purple Dragons, and they're going to kill them.

Lincoln: Let's get over there at once, guys, I found the eight girls, but they've been cornered by Hun and The Purple Dragons, and they're going to kill them.

?: (Girl's voice) (Spanish Accent) Those bloodthirsty, murderous thugs, let's get them.

Suddenly, we saw the Duel Monster, Fabled Leviathan, appear before us.

Nico: Whoa, that's Fabled Leviathan, wicked.

Lincoln: And I'd recognize that Spanish accent from anywhere, I knew it was you, Maria Garcia, but we'll talk later, time to end The Purple Dragons for good.

We rushed over, and right before Hun and The Purple Dragons could claim their next victims, Lincoln fired powerful rainbow energy balls and elemental forces at them, and that allowed the eight girls to get to safety inside a rainbow energy field created by Lincoln to protect them from Hun and The Purple Dragons. When Hun saw us, he was beyond enraged.

Nico: Should've known you and your thugs would come back, Hun.

Hun: I hate you all so much, Team Loud Phoenix Storm, you killed us and destroyed Shredder!

Our rainbow energy auras flared up as we gained a massive power boost from Hun's hatred.

Lincoln: Don't even blame us for that one, you thug, you and your gang, along with Shredder, have caused enough trouble for all of New York for the last time!

Me: And we're going to end it for good! By killing ALL of you!

Hun: (Growls Angrily) Kill them!

The Purple Dragon soldiers went after us to kill us, but suddenly, we saw the rainbow iris of Lincoln's Third Eye of The Buddha and emblazoned rainbow thunderbird on his forehead were glowing, and then, the Third Eye of The Buddha and rainbow thunderbird fired a powerful stream of rainbow lights, and as they hit The Purple Dragon thugs, they screamed in agonizing pain as Lincoln began sucking out and draining them all of their energy and hatred, and it was flowing into Lincoln, and his rainbow energy aura with elemental forces and mythological animals flared up and he was gaining a massive power boost.

We unsheathed our swords and the battle was extremely gruesome and savage. I slashed a man open and disemboweled him and lots of blood poured out of him as he was holding his intestines and I take my 50 Caliber gun and blew his entire head off his body. Splattering his blood and brain matter all over the floor and walls. Lincoln fired a blast of lightning and electrocuted some men and it caused them to explode all over the place as blood, guts and gore. Lola fired numerous fireballs and they hit several men and caused them to explode. Splattering their blood and guts all over the floor and walls. Lana formed spiked ice balls and threw them and they flew at some of the men and women faster than cannonballs and they hit their chests and flew all the way through them with devastating force as they blew apart their insides and splattered them everywhere. Laney had her plants eat numerous men and women and spit out their blood and guts and they fired acid and melted them until they were piles of slop. Red Hood threw shuriken at the men and stabbed their heads and he pulled out a dagger and slashed their heads off and squished them. Splattering blood and brain matter everywhere on the floor. The Punisher was blasting their heads off with his guns and slashed their heads off with knives and squishing them as well.

Duncan (stabs goons with hook): YOU WANT SOME OF THIS! OH, MAYBE YOU'D LIKE SOME TOO?! HOW ABOUT YOU?!

Duncan was killing Purple Dragons left and right.

Red Hood (kills goons with pistol): I hope all of the Purple Dragons in New York are in this building!

Punisher (shoots goons with guns): These scum remind me of the Kingpin's men, but more dumber.

Red Hood: Lets use a combo on them Frank.

Punisher: You got it Jason.

They combined their daggers together into a deadly drill.

Punisher and Red Hood: CARNAGE DRILL SHREDDER!

They ran at several Purple Dragons and their attack shredded them apart and splattered their blood and guts all over the place. Megan fired Hyperbeam Blasts and blew apart numerous men and women and splattered them all over the place. She did a Screw Attack and splattered them all over. It was raining blood and guts everywhere. WarKevin was smashing skulls and heads all over and bashing his fists all the way through several peoples heads.

Megan (bullets bounce off harmlessly off of her suit): Wasting your ammo, fellas! This suit can't be hurt by bullets!

WarKevin: Lets use a combo on them Megan.

Megan: You got it Kevin.

Megan morphed into a ball and Kevin formed a lightning rope from his repulsers and hooked it onto Megan.

Megan and WarKevin: ENERGY HAMMER-THROW WRECKING BALL!

WarKevin swung Megan in her ball form around and smashed the men and women and splattered their blood and guts all over the place.

Casey was slashing apart numerous Purple Dragons and splattering their guts everywhere and She Hulk was smashing her fists through them and killing them. But they just kept on coming.

She Hulk: Lets use our combo Casey.

Casey: You got it!

Casey held out 2 Hockey sticks and She-Hulk ran. Casey was on her shoulders and they ran fast.

Casey and She Hulk: BEHEADING CLOTHESLINE SLASHER!

They both slashed numerous heads off.

I was slashing numerous men and women apart and blowing them all apart at a vicious rate.

Me: You Purple Dragons make me sick!

BANG! SLASH!

I was bisecting them, beheading them and slashing them and blowing them apart at a powerful rate and Francis was punching kicking and incinerating them at a powerful rate. There was only a few of the Purple Dragons left.

Francis: Lets finish them with our combo.

Me: You got it Francis. Hun is mine.

Francis: Right!

Francis and Me fired blasts of fire at the remaining members of the Purple Dragons.

When Lincoln was done, the thugs were reduced to desiccated corpses and their souls were sent to The Black Gates, and this really pissed off Hun.

Nico: Whoa, that was one awesome attack! But, we'll have to talk later, Linc. Shall we?

Lincoln: (Smiles) Yep. Let's rip the last Purple Dragon thug apart!

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Xelnaga Eternity Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel Eternity Infinity Celestial Lightstorm Phoenix Angel of Divine Heavenly Light and Divine Angelic Justice, Timmy transformed into Super Angel Xelnaga Eternity Infinity Celestial Magical Elemental Fairy Wolf Moon Angel of Divine Elemental Magical Fairy Wolf Justice and Celestial Fairy Magic Hope and he had his large Lupus' Fairy Wolf Moon Mage's Staff of Elemental Magic Justice out and Eye of Lupus steel orb ready, Yusuke, Timmy's friends, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their weapons, Rayman unholstered his massive Celtic Dream Glade's Greatsword of Celtic

Then, Lincoln ran up to Hun and put him into a brutal bear hug, so he couldn't escape, and as Lincoln sank his fangs into Hun's neck, he began drinking and sucking out every last drop of his blood, and Lincoln was also absorbing Hun into his body and he was assimilating Hun's martial arts and immense physical strength. Then, when Lincoln was done feeding on Hun's blood and absorbing him into his body and assimilating his martial arts skills, knowledge, and immense physical strength, an energy card appeared in Lincoln's large left hand with Hun's soul imprisoned in it, and it burst into purple flames and Hun was sent to The Warp forever. We cheered wildly as we holstered our weapons and power down.

Lincoln: And that's it for The Purple Dragons, and this time, they're never coming back. (To Maria Garcia) And it's so good to see you again, Maria Garcia.

Maria Garcia reverted back to normal, and she's a beautiful girl with long flowing midnight black hair, red eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful midnight black angel wings and Fabled Leviathan's imps with her, and she reigned in the power of Fabled Leviathan, and she's dressed in a sleeveless midnight black midriff top, long midnight black jewel-encrusted skirt, black stockings with black lace, midnight black shoes, and long sleeveless white trenchcoat with darkness and imps on the coattails, and Fabled Leviathan on the back, and holstered on her back is a large Fabled Leviathan-themed greatsword with Fabled Leviathan etched on the 7'0" massive, wide, double-edged midnight black blade, Fabled Leviathan's red wings for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, and a large red gem surrounded by angel wings for the pommel.

Maria Garcia: (Spanish Accent) Ay, you too, Lincoln, it's been a long time, and it's also good to see you again, Lucy.

Lucy Loud: You too, Maria.

Lincoln went up to Maria Garcia and they hugged, and Maria Garcia is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and his massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then, and Lucy's grown into a beautiful young woman.

Mary Garcia: (Spanish Accent) Ay, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and Lucy's indeed become a beautiful young woman.

Nico: Whoa, Lincoln, you and Lucy know her?

Lincoln: Indeed we do, Nico, this is Maria Garcia, she's my Guardian Angel from Guanajuato, Mexico, and his classmate in Art. She's a goth girl with the powers of darkness and the ability to summon imps, and she knows a lot of spooky Spanish legends and legendary monsters of Spanish legend.

Nico: Whoa.

Ronnie Anne: Wait, I remembered Sol and Luna told me about Maria Garcia, and how some people had called her The Bruja of Guanajuato.

Luna Rodriguez: (Spanish Accent) And we've had to defend her from those brutos.

Sol Rodriguez: (Spanish Accent) And if they tried anything to hurt her, we'd do a lot worse to them.

Lincoln: I still remember that all too well, and it was Maria who had taught me how to summon the creatures of the night after she'd found out of me becoming a vampire, thanks to Adriana's vampire blood, and she also knows how to cook some of her favorite dishes from Mexico. She's knowledgeable about everything from Mexico, and she's also good friends with Lucy and The Young Morticians' Club.

Lucy Loud: Indeed, and she hates Lori with a blazing passion.

Nico: Lori, what did you do?

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Maria Garcia's neck with blood red gems on the gold thunderbolt links and black crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Maria Garcia: (Spanish Accent) (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're part of my harem and one of my many future wives, Maria.

Maria Garcia had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Mary Garcia's waist and Maria Garcia wrapped her arms around Lincoln's thick muscular neck, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the eight girls, and when Lincoln saw them, he recognized them immediately. The eight girls are Celia Cumani Aintree, Mio Kisaki, Lisa Eostre, Noel Marres Ascot, Akane Ryuuzouji, Bertille Althusser, Fiona Beckford, and Reina F. Avary from Walkure Romanze.

Lincoln: Oh wow, it's Celia Cumani Aintree, Mio Kisaki, Lisa Eostre, Noel Marres Ascot, Akane Ryuuzouji, Bertille Althusser, Fiona Beckford, and Reina F. Avary from Walkure Romanze.

Nico: Awesome.

Lincoln: Are you girls okay?

Celia Cumani Aintree: Yes, we're okay, thanks to you.

Then, when Celia Cumani Aintree and the other seven girls saw who it was that saved them from Hun and The Purple Dragons, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted

Celia Cumani Aintree: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made seven clones of himself, and he and the seven clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Celia Cumani Aintree: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, eight Thunderbird Necklaces of Eternal Love appeared on the necks of Celia Cumani Aintree, Mio Kisaki, Lisa Eostre, Noel Marres Ascot, Akane Ryuuzouji, Bertille Althusser, Fiona Beckford, and Reina F. Avary with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned home to the World Tree Estate, and we told everyone what happened, and they were shocked when they found out the villains we went after were Hun and The Purple Dragons who came back from the dead still wanting revenge on us for killing them and destroying Shredder.

But, when Lincoln showed what he did in sending The Purple Dragon thugs to The Black Gates after he killed them and what he did in sending Hun to The Warp after he fed on and absorbed the leader into his body and assimilated his skills, knowledge, and immense physical strength, everyone cheered wildly and they hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Maria Garcia have a lot of catching up to do, now that she's back in town.

Maria: And that's the last time we ever have to deal with Hun and the Purple Dragons. Plus, what was that attack you used on the Purple Dragon thugs, Lincoln?

Lincoln: That was an attack that me and Lincoln 2, Lincoln 3, and Lincoln 4 formed: when the rainbow iris of my Third Eye of The Buddha and the rainbow thunderbird emblazoned on my forehead start to glow, I fire a powerful rainbow energy light, and it hits the targeted villains and I start sucking out and draining them of all their energy and hatred, and I gain a massive power boost, and once done, the targeted villain is left as a desiccated corpse, and because of their irredeemable crimes, they're sent to The Black Gates.

Nico: Whoa.

Lori: That was literally incredible.

Lynn: Those thugs had no chance, and that was one really powerful attack.

Nico: Almost like The Penance Stare.

Me: I was about to say.

---

After finally putting an end to Hun and The Purple Dragons and this time for good, we were training intensely in the gym, this time, doing 900,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Maria Garcia saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Maria Garcia: (Spanish Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Maria, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Maria Garcia: (Spanish Accent) That's incredible.

Nico: It sure is. So, Maria, what's the story on why you hated Lori with a blazing passion?

Maria Garcia: (Spanish Accent) You're not going to like it. One day, Lincoln and I were at the home of The Casagrandes, and we were in the kitchen helping Mrs. Casagrande cook tamales, and Ronnie Anne, Bobby, Carlota, Frida, and Carlos were also keeping an eye on Carl and CJ. But, then, we heard the sound of screeching in the air, and the door was destroyed in a split second, and we saw who it was: it was Lori, and she was furious, and with her was Sergio, and he was cackling like a maniac as he got out some popcorn to see the drama. Lori came after us to kill us in a fit of rage, but Lincoln stood his ground and he tossed Lori out of the kitchen. Lori got back up and we got ready to attack her again, but Sergio butted in and he stuck me to the wall with a marshmallow blaster he got out and that allowed Lori to get out a knife, Lincoln knew she was going to kill me, and in a fit of rage, he summoned the creatures of the night, and they joined with Lincoln and they beat Lori and Sergio up badly, and Lincoln tied Lori and Sergio up in energy ropes, so those animals couldn't escape, and he got me out, and I just hugged him and cried onto his chest, while he just wrapped his muscular arms around me and he comforted me.

Bobby Santiago: I still remembered that day, Dark Lori went way too far, and so did Sergio.

Ronnie Anne: Yeah, and after that incident, Lincoln was about to call his parents, but we soon heard the sound of stampeding footsteps and we soon saw Luna, and she was about to hit Lori in the head with her guitar, but she saw Lincoln wasn't injured and he cleaned the marshmallow goop off Maria, and Lori and Sergio were tied up. Eventually, the parents arrived, and when Lincoln told them of what Lori and Sergio did, Lori got grounded for sixteen weeks and Lincoln threw her in a titanium cage and put her fingers in Chinese Finger Traps. As for Sergio, he also got grounded for sixteen weeks, and Abuela cut off his crackers and snack privileges, and he was put in his cage, bound in a straitjacket and a Hannibal Lecter mask on his big beak.

We cheered wildly for what Lincoln did to save Maria Garcia from Lori's wrath and Sergio's idiocy.

Nico: Oh man, because Lori and Sergio messed with the bull!

Me: They got the horns!

Eli: Do you know what caused Lori to go ballistic that day?

Luna: You're so not going to like it: it turns out Sergio came in and he dropped Lori's phone and he broke the screen, and he planted a piece of Lincoln's white hair to frame him. Sergio wanted to stir up some drama and conflict.

Lincoln's Guardian Angels: (Gasps) What!?

When they looked at Sergio, their faces turned red with rage and hatred in their eyes, and Sergio was in big big trouble. UH OH!

Lincoln's Guardian Angels: WHY, YOU STUPID, LITTLE, PAINTED RAT WITH WINGS! WE'RE GOING TO RIP YOU IN TWO!

Nico: Oh… !

Me: Shit!

Eli: He's dead meat on a stick!

Lincoln's Guardian Angels pounced on Sergio, and they proceeded to mangle him up, and when they were done, Sergio was badly mangled up.

Eli: Whoa, Lincoln, I'm not going to lie, your Guardian Angels sure are vicious when they find out your safety's been threatened.

Lincoln: And that's with Lori, Lynn, Lola, Lisa, Luan, Chandler, or any of my other enemies.

Maria Garcia: (Spanish Accent) But, can you really blame us? You've been pummeled, beaten up, humiliated, and almost died numerous times because of those bastardos y perras psicópatas

Lincoln put up the 9,500-lb barbell and he went up to Maria Garcia and hugged her.

Me: Spanish for psychopathic bastards and bitches.

Nico: Yikes, and that's why you hate Lori with a blazing passion, right?

Maria Garcia: (Spanish Accent) Yes, and it's not just Lori, but also, Sergio's also earned my hatred as well.

TLPS Mr. Wolf: We don't blame you for a bit, Sergio's always stirred up trouble, and that's why we keep a very close eye on him.

We got a shower afterwards, but then, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was Airy from Bravely Default, and she's causing havoc.

Nicole: Oh shit, it's Airy.

Lincoln: That evil cryst-fairy who serves Ouroboros, time to put an end to her for good.

We flew out of the World Tree Estate, and Lincoln fired powerful rainbow energy balls and elemental forces at Airy, and when she saw us, she was enraged.

Airy: You pathetic humans will never stop me, my master will destroy this world!

Lincoln: That's never happening, you evil fairy.

Giorno Giovanna: That's right, and your days of trying to destroy dimensions in the name of your master, Ouroboros are about to end.

Mako Mankanshoku: Right here and now.

Suddenly, the eyes of Giorno Giovanna and Mako Mankanshoku turned neon, and they were surrounded by colored energy auras, elemental forces, and mythological animals, and as they approach Airy, they left colored energy, elemental forces, and mythological animals with every step. Suddenly, Giorno Giovanna and Mako Mankanshoku were surrounded by massive vortexes of colored energy with elemental forces surrounding them, there are mythological animals flying around the vortexes, and in the vortexes are colored phoenixes. Then, as the vortexes fade, Giorno Giovanna and Mako Mankanshoku emerge, but they were changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Giorno Giovanna grew to 7'5" in height, he has abnormally massive and powerful upper and lower body muscles and eight-pack abs, he has dark blue highlights in the bangs of his long golden hair, he has neon turquoise eyes and a gold energy aura with life energy, plants, and animals surrounding him, he has a ladybug with the Life Kanji in its claws emblazoned on his forehead, he has on ladybug earrings with turquoise gems for eyes and holding the Life and Eternity Kanjis in its claws, he has on his Crystal Necklace of The Buddha with turquoise gems embedded on the gold leaf links and gold crystal links and a turquoise ladybug-shaped Element of Harmony and on the bottom of the Element of Harmony is a ladybug with turquoise gems for eyes and holding the Fire and Eternity Kanjis in its claws for the pendant on his bare chest, he has on a pair of dark blue pants, knee-high black combat boots, and tattooed on his now wider and more muscular back is his Stand, Gold Experience, with plants and animals surrounding it. Suddenly, Giorno Giovanna felt a sharp pain on his now wider and more muscular back, and then, massive gold angel wings with turquoise tips on the gold feathers, grew and sprouted out from his back, he has on a Ring of The Phoenix with turquoise gem and heart-shaped gem embedded in it on his right ring finger and Blue Lantern Ring on his left ring finger.

Mako Mankanshoku has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY CELESTIAL STAR FIRESTORM PHOENIX ANGEL OF DIVINE STARSTORM FIRESTORM JUSTICE AND DIVINE STAR FIRESTORM PHOENIX LOVE!

We were amazed by the Super Angel Xelnaga Eternity Infinity transformations of Giorno Giovanna and Mako Mankanshoku, but when Airy saw it, the evil fairy fell into a rage and tried to kill them, but Giorno and Mako fired powerful energy blasts and sent her flying into a wall, and it made her even more mad.

Giorno Giovanna: (Divine Echoing Cosmic Voice of The Gold Life Angel and Divine Nature Life Jungle Hope) **So, she wants to play rough, huh? Mako, you ready?**

Mako Mankanshoku: (Divine Echoing Cosmic Voice of The Celestial Star Firestorm Phoenix and Divine Firestorm Star Phoenix Love) **You bet, Giorno, let's get her!**

Giorno Giovanna and Mako Mankanshoku went after Airy, and they fired powerful blasts of gold and pink and purple energy, light, animals, and plants at Airy, and they exploded with incredible power as they hit her. Then, Giorno and Mako attacked her with their massive greatswords and they slashed off her wings. Then, they grabbed her and tossed her to Lincoln, who put her in a brutal bear hug, so she couldn't escape. Then, Lincoln absorbed her into his massive and extremely muscular body, and he assimilated her powers and abilities.

Then, as soon as Lincoln was done absorbing Airy into his massive and extremely muscular body and assimilating her powers and abilities, an energy card with Airy's soul inside it appeared in Lincoln's large left hand, and when the Judgement Kanji appeared on Airy's forehead, she was erased by The Black Gates. We cheered wildly as Giorno Giovanna and Mako Mankanshoku holstered their new weapons and powered down and the new bodies, clothes, weapons, jewelry, and massive angel wings of Giorno Giovanna and Mako Mankanshoku are permanent. Then, they also shared a passionate kiss as we cheered for them.

Nico: Awesome job, Giorno and Mako.

Giorno Giovanna: Thanks, Nico. So, Lincoln, did Airzel send Airy after us?

Lincoln: Not exactly, Airy came after us on her own, besides she's only loyal to Ouroboros. Now, to take care of Ouroboros, so we'll have no problems in the future.

Lincoln concentrated and found where Ouroboros was at, and he was planning to devour Earth, but he soon found out of Airy's death, and he was furious we did this. Then, a pair of deep sapphire blue eyes appeared in his lair, and that caught Ouroboros off guard.

Lincoln: I should've guessed that word of Airy's death reached you as soon as possible, Ouroboros. But, I'll tell you this: you're never going to devour our world or any other world ever again. Now, I've come to deliver this bit of news to you: you are hereby sentenced to death for your crimes.

Suddenly, Lincoln's deep sapphire blue eyes glowed even more, and then, Ouroboros' energy and godly powers were being sucked out of his body and it was being absorbed by Lincoln, and he was gaining a massive power boost and he assimilated Ouroboros' powers, and when he was done with absorbing his energy and godly powers, Ouroboros' spirit suddenly appeared, and as soon as the Judgement Kanji appeared on his forehead, he was forever banished to The Black Gates forever, and the deep sapphire blue orbs disappeared.

Nico: Whoa, now that was really awesome!

Me: You just killed Ouroboros, one of the most evil deities in the world of Bravely Default by using that same trick you used on the Passione criminal organization.

Lincoln: Yep, and now, he's never going to devour our world or any other world again.

Nicole: You got that right, that monster's caused enough trouble for the last time.

We returned to the World Tree Estate, and we not only got rid of Airy, but we also got rid of her evil master, the malevolent god, Ouroboros, for good, and they'll never hurt anyone ever again.

---

We were walking to an awesome and amazing restaurant for the mascots.

Hubie: Remind me why we're not picking up food from Burger King or McDonald's?

Nico: It's a restaurant that the mascots have been wanting to try.

Me: Yep.

Poromon: It's supposed to be really good.

Poliwag: And it's up ahead.

We saw that we were at a restaurant called Beans R Us.

Me: Beans R Us?

Qin: Sounds like a good restaurant.

Camie: Yeah.

Rainbow Dash: This sure looks like a good one.

We went up to the restaurant and ordered lots of good food to go. It was all bean foods and we got chili, beans and more beans.

We later brought the food back to the estate and got eating.

Me: (Eating Bean Chili) MMM! Delicious!

Camie: It sure is. (Eating Baked beans and weenies)

Dawn (Pokemon): You guys like the food?

Poromon: (Eating) Mmm! Delicious!

Qin: Yeah it sure is!

* * *

French Narrator: (French Accent) One delicious meal later.

* * *

We got done eating and we were stuffed.

Nico: Ahh!

Eli: (BURPS) That was awesome.

Rainbow Dash: Yeah it was. (Stomach grumbles) Uh oh.

Me: I hope that's not what I think it is.

Rainbow Dash: I think it's just gas.

Then…

LOUD FART!

Rainbow Dash farted loudly!

Rainbow Dash: (BLUSHES) Oops!

But it wasn't just Rainbow Dash. It was the Mascots too!

FART! FART FART FAAARRT FAART FART FART FARRT FART!

Me: (GAGGING) JEEZ! And I thought Lori's Farts smelled horrible!

Lori: I do not fart! It's my shoe!

Nico: Not buying it Lori.

Hubie: I told you we should've get Burger King or McDonald's!

Razorclaw: I guess you were right!

Rainbow Dash: But it is really funny.

Laney: Maybe for you but not for anyone else.

Pinkie Pie: I think it's great! (FARTS OUT CONFETTI)

Lana: Awesome! (LOUD FART)

We laughed hysterically!

Grimlock: Me Grimlock smell stink!

Armada Hot Shot: You need a bath big guy.

Me: That's not what Grimlock meant. But this is a good meal. Even though it stinks.

Qin: Yeah. But it is funny.

Posey Bloom: Yeah it still stinks though.

Sunny Starscout: Yeah.

Acid Storm: Everyone done farting?

Me: (LOUD FART) I don't think so.

Nico: Oh boy. We're going to be farting all day. But it won't stop us from doing our next mission.

Camie: The world of Ella Enchanted?

Nico: Yep. First we're going to watch the movie and then we're going to the Kingdom of Frell and then kill Sir Edgar.

Qin: Awesome!

Then Pinky & The Brain, Black Adam, Kite Man, Golden Glider, Mole Man, Jet, Magneto, Melter, Jack O Lantern, Shade, King Jellyfish, Cajun Fox, Allomere, Evil Wing Man, Gourd, Live Action Thrust, Cloak and Dagger, Crud, Dogranio Yaboon, and Mz Ruby appeared.

Black Adam: Can we watch the movie with you all?

Nico: Sure. The more the merrier.

Jet: (Sniffs) P.U.! What is that horrible smell!?

Me: Sorry we got bad gas.

Magneto: Ah that bean restaurant.

Me: Yep.

Nico: Yeah it was good though.

Cajun Fox: It's good food but it makes you fart like crazy.

Me: It sure does.

We got to watching the movie.

In the kingdom of Lamia, misguided fairy godmother Lucinda Perriweather bestows the "gift" of obedience on newborn Ella of Frell, causing her to instantly obey any command she is given. Some years later, on her deathbed, Ella's mother warns her daughter not to tell anyone about the gift, for fear that someone might use it to exploit Ella.

Years later, Ella's father Sir Peter marries wealthy socialite, Dame Olga, who dislikes Ella and treats her poorly. Ella meets Prince "Char" Charmont, who invites her to his coronation ball. Jealous, Olga's daughters Hattie and Olive find out about Ella's obedience and use it to humiliate her. Ella resolves to find Lucinda to undo her gift. Mandy, the household fairy, lends Ella her boyfriend, Benny, whom she accidentally transformed into a magic book. Ella learns that Lucinda is in Giantville and leaves to find her.

On her journey, Ella rescues Slannen, an elf who wants to be a lawyer rather than be forced to be an entertainer. They are captured by ogres but are rescued by Char. He joins them, intending to avenge the death of his father, and Ella opens his eyes to the cruelty of the laws oppressing elves and giants enacted by Char's paternal uncle, the Regent Sir Edgar.

Ella and Char begin to fall in love. Edgar learns of Ella's gift from her stepsisters. Knowing his nephew is in love with her, Edgar orders Ella to murder Char at midnight and to keep this plan secret. Edgar reveals that he murdered Char's father, and the prince's death will make Edgar king. Ella writes Char a letter, saying she must leave but cannot explain why. She has Slannen chain her to a tree, hoping to wait out Edgar's command, while Slannen recruits more elves and giants to protect Char.

Lucinda appears and Ella begs her to take back her gift. Offended, Lucinda insists that Ella remove the gift herself and unchains her. Forced back to the castle, Ella stumbles into the ball. Char whisks her away to a secret hall of mirrors, where he proposes. As Ella is about to stab Char, she sees her reflection and commands herself to no longer be obedient, permanently freeing herself from the gift. Char notices the dagger, and Edgar has Ella arrested before she can explain herself.

Benny reveals Ella is in the dungeon, and Slannen sneaks into the castle along with a band of elves, giants, and ogres, and frees her. Benny shows that Edgar has poisoned Char's crown, intending to kill him at the coronation. Ella and the others crash the ceremony and a brawl ensues. In the scuffle, Mandy manages to turn Benny human again. As Char and Ella fight off the guards, she confesses her love for him and reveals Edgar's plot. Edgar's talking snake, Heston, almost fatally bites Char, which Char takes as evidence of his uncle's guilt. Edgar attempts to proclaim himself king, but foolishly puts on the poisoned crown and collapses.

Soon after, Char and Ella are married, with Areida as Ella's maid of honor. Char toasts to a new era of equality among all citizens of the kingdom. Edgar is revealed to still be alive, but disabled. The cast performs a final dance number of "Don't Go Breaking My Heart" before the newlyweds ride off on their honeymoon.

---

We were watching the movie and it was awesome and cool! When it was done we cheered wildly!

Ella: That was awesome!

Camie: You did really well Ella.

Ella: Thanks.

Jet: That was a great movie.

Me: Yeah it sure was!

Kite Man: Me, Pinky & The Brain, Black Adam, Golden Glider, Mole

Man, Jet, Magneto, Melter, Jack O Lantern, and Shade are coming with you guys.

Allomere: So are me, King Jellyfish, Cajun Fox, Evil Wing Man, Gourd, Live Action Thrust, Cloak and Dagger, Crud, Dogranio Yaboon, and Mz Ruby.

Nico: Yes we know and it's going to be awesome.

Evil Wing Man: And it's always fun too.

Nico: It sure is.

Varie: Especially when we watch an awesome movie before the mission.

Xenia: Yeah!

Needlenose: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to do one for Aretos the Tin next.

Me: Ooh! The Tin member of the Alchemy Beasts next.

Eli: Awesome choice!

Varie: Yeah! That's the third member of the Alchemy Beast Gene-slammers.

Ella: It sure is.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was: the figure was none other than and he's heading here to get revenge on us for what we did in ruining their plans to conquer Earth. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is

Airzel on the move?

Lincoln: You guessed it, Nico, and he's heading here to get revenge on us for what we did in ruining their plans to conquer Earth. But, we'll be ready for him and Strikeflier.

Rebecca Maddison: That's right, and as always, the same strategy will be used on Strikeflier.

Lincoln: Yep, once you attack Strikeflier, my curse will keep Strikeflier trapped in his ball form, and the second attack will also attack Airzel as well after you transform, Rebecca.

Nico: Just like with Stoica and Kazarina, along with Lythirus and Lumagrowl. That strategy of yours is really working like a charm. Alright, gang, let's go, it's time to kill Sir Edgar and give him The Black Gates for everything he did.

Lincoln: Along with banishing Ella's evil stepmother and sisters to the very same planet we sent Lady Tremaine and Drisella. And once we deal with Sir Edgar and Ella's evil stepmother and sisters, you're next, Airzel.

Melter: Shall we get going?

King Jellyfish: What do you think?

Nico: Lets go.

We were off to the Kingdom of Frell.

---

We arrived in the Kingdom of Frell.

Sid Arkale: There it is.

Rubanoid: Is it anything like Snow White's place?

Me: It's a mixture of all the great kingdoms of Disney.

We landed.

Me: Here we are guys. Welcome to the Kingdom of Frell.

Nico: Wow! It's amazing that you were here before J.D.

Laney: It sure is.

Me: Yeah it's a sight. Sora have you ever been here on your journeys?

Sora: No I haven't sorry.

Kairi: But it's still amazing.

Laney: It sure is cool.

Golden Glider: Ella, you have friends here, right?

Live Action Thrust: Like that Mandy woman?

Ella: I sure do and you will love Mandy. Follow me.

Me: You will love Mandy. She is awesome.

Nico: Lead the way.

We went to meet Mandy.

We went to Ella's old house and it was a nice place.

Nico: Your house is nice.

Ella: Yeah it was nice.

We went in and then Mandy came out.

Mandy (Ella): Ella!

She and Ella hugged.

Mandy (Ella): And J.D. wow!

We hugged too.

Me: Awesome to see you Mandy.

Brain: What about Char?

Crud: And Benny?

Me: Don't worry guys, When Ella came to us yesterday I sent Shadow Clones to watch out for him and protect him till we got to the castle. They are going to make sure Sir Edgar doesn't make his move too early.

Nico: Smart thinking.

Eli: Yeah bro. (Senses something) Stepmother and stepsisters approaching.

Nico: Lets stand ready.

We got ready and had our glaring faces on as we saw Hattie, Olive and Dame Olga. We had our eyes glowing red with ferocious justice at them.

Me: Hello Dame Olga. Remember me?

Dame Olga: J.D. Knudson!?

Hattie: What do you want!?

Me: We came to have a little talk about what you did to Ella.

Dame Olga: Ella, please teach this idiot a lesson

Chop Shop: (chuckles) You heard her, Ella.

Ella looked like she was about to slap me… until she turned around and slapped Dame Olga.

SLAP!

Dame Olga: HOW DARE YOU!

Ella: (innocently) I was only doing what you asked me. You told me to teach the idiot a lesson.

Pinky: (laughs) That means you!

Me: That's right!

Hattie: WHY YOU! Ella we meant punch J.D. in the face!

Ella: Okay.

POW!

She punched Hattie in the face instead!

Dame Olga: What's going on!? Why isn't she obeying us!?

Me: Because the curse is broken. She used her own willpower to break the spell. She is not obeying you bitches anymore.

Laney: YEAH!

Black Adam: She is free to make her own life choices now.

Mz. Ruby: And one of those is doing to you what she should've done long ago.

Me: And that is kick your ugly butts!

Hattie: WHAT DID YOU CALL ME!?

Me: You heard me! You and your sister and so-called mother are UGLY! U-G-L-Y!

Lola: YEAH!

Hattie: YOU WILL PAY FOR THAT!

She went at me and punched me in the face! But her punch didn't even make me flinch! I wasn't even affected by it!

Hattie: What the!?

Me: That all you got?

Spinister: Say the word and I punch this bitch!

Nico: Do it Spinister.

KRABLAM!

He punched her and I opened a portal and it let to the planet where we sent Lady Tremaine and Drisella and she went flying through it.

Camie: Whoa!

Olive then ran with fright and went through the portal and we smirked.

Me: Ella throw your so-called stepmother through the portal.

Ella: You got it.

Dame Olga: NO! You can't do this to me! I'm Your mother!

Ella: You were NEVER my mother. You killed my father and now you get this!

She threw her through the portal and it closed.

We dusted off our hands.

Nico: That was awesome.

Benny came.

Benny: Hey, Ella. Did I miss anything?

Gourd: Just Ella getting payback.

Magneto: You must be Benny.

Me: Awesome to see you again Benny.

Benny: Wow you too J.D. and what happened?

Me: Like Gourd said it was Ella getting well deserved payback on her abusive Stepmother and stepsisters.

Nico: Yep.

Laney: Yeah it was awesome.

Potion Nova: Yeah it was so fun and great.

Camie: Yep.

Benny: Good riddance. What happened?

Me: We banished them to another planet. It was the same planet we banished Lady Tremaine and Drisella to.

Benny: Wow!

Bludgeon: Is Char with you?

Benny: He's over at the castle. J.D.'s clones are doing a great job watching him.

Laney: Awesome.

Fluttershy: That is awesome.

Me: We also came to help you guys kill Sir Edgar.

Benny: But you killed him seven years ago.

Me: Yes. Yes I did. But I should explain. Over the last seven years things have been happening all over the place including many of our enemies that we have slain coming back from the dead. We killed them many times and even banished them to another dimension called The Warp. Also we sent them to the River of Fire and even the Fires of Hell. But they still kept on coming back. But we're also sending Sir Edgar to the Black Gates.

Eli: It's the Deadliest technique we have.

We told him everything and more and it was shocking!

Benny: Whoa! That is amazing!

Qin: It sure is.

Jet: Maybe J.D.'s clones should escort Char here.

Dograino Yaboon: It's only fair that we meet him.

Me: Good idea.

I sent the message to my clones and they did so.

Char then came in.

Char: Hey J.D.!

Me: Hey Char! Awesome to see you again.

Char: Same here and it's an honor to meet the famous Team Loud Phoenix Storm.

Nico: You too Char.

Ren Krawler: As you can see, Ella's free from her curse.

Linehalt: And she got well deserved payback.

Me: Yep. We banished her wicked stepmother and sisters to the planet we banished Lady Tremaine and Drisella.

Nico: Yep.

Char: Good riddance but that is awesome that she is free.

Laney: It sure is.

Spiderman: We're glad they are gone.

Me: Now we just have Sir Edgar to destroy.

Shade: Did Edgar spot you?

Cloak: I hope he didn't.

Dagger: Don't forget Heston.

Char: No he didn't.

Eli: (Senses Something) But I sense something coming!

We went outside and then to our shock we saw a new Zodiart! We saw that it was a Zodiart for ALL 88 CONSTELLATIONS OF THE SKY! It was NIGHT SKY ZODIARTS!

Me: WHOA!

Gentaro: We never saw this one before!

Me: Wow! A Zodiarts for all 88 Constellations of The Night Sky! This is amazing!

Nico: Wow!

Night Sky Zodiarts: (In a girls voice) And you know me J.D.

She reverted back and it was a girl I know. She had purple hair and purple clothes and had star angel wings and the symbol of the zodiac on her arm. It was Valkyria Valenciana!

Me: (Gasp) Valkyria Valenciana!

Valkyria Valenciana: Its been a while J.D.

Nico: You know her?

Me: I sure do. She is my friend from Astronomy class. But we never saw a Zodiart like this before.

Valkyria: That's because it's brand new. It's a combination of all the 88 Constellations all put together and it has all their powers all in one.

Me: Wow! So the Zodiac and the constellations of the Northern and Southern Hemisphere all in one. That is amazing.

Gentaro: We never saw one like that.

Laney: That must be a deadly one.

Valkyria: It sure is.

Me: Yeah. Edgar didn't send you did he?

Valkyria: No he didn't. The Masters of Evil did. They sent me because I was told you guys had a new morph to show everyone.

Me: That's right. Glad they got my message.

Bounce Man: Sorry about this. But it's time to bounce!

Me: Yeah! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON!

Nico: YEAH!

Me: And Troy you guys will love this.

I pulled out 7 new Ranger Keys. And they were for the AkaRed Rangers but in different colors.

Me: These are the Ranger Keys of the rangers like AkaRed.

Troy Burrows: Awesome!

Emma Goodall: This is gonna be awesome!

Nico: Yeah it sure will be cool!

Megaforce Rangers: LEGENDARY RANGER MODE! LEGACY RAINBOW POWER!

The Megaforce Rangers turned into different colored versions of the AkaRed Rangers! Troy was AkaRed, Noah was AoiBlue, Gia was KiiroYellow, Jake was MidoriGreen, Emma was MomoiroPink, Lilith was KuroBlack and Orion was DaidaiOrange!

Nico: WHOA! That is so cool!

AkaRed: Wow! That is cool!

Troy Burrows: Wow! This is cool!

Me: You guys have 46+ Years of Rangers of those colors in you.

But it's a darn shame that AkaRed was the only one made. What a ripoff!

Nico: I know! But this is awesome J.D.!

Me: Me and Lisa made the keys.

Valkyria: You always were an awesome fan of Power Rangers J.D.

Me: No arguments there. Both in America and Japan. The Super Sentai Teams helped us back in 2019 during the Battle with Thanos.

Valkyria: That is so awesome!

Nico: Yeah it was!

Me: Yep. It sure was.

Valkyria: Lets do it!.

She turned into NIGHT SKY ZODIARTS!

Me: This is a Zodiarts version of a Celestialsapien. So awesome!

Qin: Yeah it sure is!

Evil Wing Man: Let's start things off!

Mole Man: With a bang!

Me: Lets do it!

I fired waves of blue fire and smashed her down.

Megaforce Rangers: LEGACY OF COLOR BLAST!

Me: SPIRIT FORCE MEGABLAST!

We fired a massive wave of elemental and colorful blasts and the blasts all hit the Night Sky Zodiarts and she exploded!

MASSIVE FIERY EXPLOSION!

She was down and I caught the Zodiarts Switch and purified it and turned it into a sword of the Constellations!

Nico: YEAH!

I went over and Valkyria was dizzy.

Valkyria: (GROANS) That was rough.

Me: Sorry about that Valkyria.

Then the Megaforce Rangers tumbled back onto the ground and they were exhausted.

Eli: Whoa are you guys okay!?

Me: Those keys took up an incredible amount of energy. With 46+ Years of rangers all wrapped into one it takes more energy.

Nico: Wow! But at least they worked.

Me: Yeah no kidding. Hold on guys.

I gave them all Senzu Beans and they ate them and were reenergized.

Emma Goodall: Wow! Thanks J.D.

Me: No problem.

Ella: Now lets go get Edgar.

Eli: I sense he's at the castle.

Mab Lobs: Entrance time!

Nico: Lets go!

We went to the castle.

Sir Edgar saw the explosion and he was REALLY PISSED! He knew I had returned! But then the spirits of The Justice League all appeared and then swirled around him and then converged and

then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and then a phoenix cry was heard and we came out.

Me: Hello Edgar. Remember me?

Sir Edgar: You killed me!

He unsheathed his sword and I unsheathed mine!

Me: My name is James Dean Knudson, you killed Char's father! Prepare to die!

Then Heston appeared.

Heston: This is nothing personal. I'm just following orders.

Jack O Lantern: Then you're getting a pumpkin bomb to the face!

Cajun Fox: And with lots of Cajun Food!

Me: Heston you are not as scary as Voldemort's pet snake was. You would be loved and treated with care from Lana and Fluttershy.

Heston: Really?

Lana: Yeah!

Heston: Well then in that case.

He slithered over to Lana and Fluttershy and he kissed Lana.

Nico: Aww.

Sid Edgar: YOU TRAITOR SNAKE!

SLASH!

I slashed his face.

Me: Your fight is with us!

Nico: You will pay for your crimes!

Then Batroc, Grizzly, Swordsman, Top, Abra Kadabra, Trapster, Ragdoll, Vanitas, Johnny 13, Phantom (Scooby Doo), Grizzaka, Yost Molten Man, Evil Flare Woman, Quark, Trifire, Ghost of Jeremiah Pratt, Ghost of Merlin, Evil Cut

Man, and Le Quack appeared.

Ant Man: Her name is Maria Garcia and she is an awesome Tamale chef.

Starlight Glimmer: Yeah she makes awesome tamales.

Cozy Glow: They are delicious. And her story is awesome too.

---

Maria Garcia: (Spanish Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Maria, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Maria Garcia: (Spanish Accent) That's incredible.

Nico: It sure is. So, Maria, what's the story on why you hated Lori with a blazing passion?

Maria Garcia: (Spanish Accent) You're not going to like it. One day, Lincoln and I were at the home of The Casagrandes, and we were in the kitchen helping Mrs. Casagrande cook tamales, and Ronnie Anne, Bobby, Carlota, Frida, and Carlos were also keeping an eye on Carl and CJ. But, then, we heard the sound of screeching in the air, and the door was destroyed in a split second, and we saw who it was: it was Lori, and she was furious, and with her was Sergio, and he was cackling like a maniac as he got out some popcorn to see the drama. Lori came after us to kill us in a fit of rage, but Lincoln stood his ground and he tossed Lori out of the kitchen. Lori got back up and we got ready to attack her again, but Sergio butted in and he stuck me to the wall with a marshmallow blaster he got out and that allowed Lori to get out a knife, Lincoln knew she was going to kill me, and in a fit of rage, he summoned the creatures of the night, and they joined with Lincoln and they beat Lori and Sergio up badly, and Lincoln tied Lori and Sergio up in energy ropes, so those animals couldn't escape, and he got me out, and I just hugged him and cried onto his chest, while he just wrapped his muscular arms around me and he comforted me.

Bobby Santiago: I still remembered that day, Dark Lori went way too far, and so did Sergio.

Ronnie Anne: Yeah, and after that incident, Lincoln was about to call his parents, but we soon heard the sound of stampeding footsteps and we soon saw Luna, and she was about to hit Lori in the head with her guitar, but she saw Lincoln wasn't injured and he cleaned the marshmallow goop off Maria, and Lori and Sergio were tied up. Eventually, the parents arrived, and when Lincoln told them of what Lori and Sergio did, Lori got grounded for sixteen weeks and Lincoln threw her in a titanium cage and put her fingers in Chinese Finger Traps. As for Sergio, he also got grounded for sixteen weeks, and Abuela cut off his crackers and snack privileges, and he was put in his cage, bound in a straitjacket and a Hannibal Lecter mask on his big beak.

We cheered wildly for what Lincoln did to save Maria Garcia from Lori's wrath and Sergio's idiocy.

Nico: Oh man, because Lori and Sergio messed with the bull!

Me: They got the horns!

Eli: Do you know what caused Lori to go ballistic that day?

Luna: You're so not going to like it: it turns out Sergio came in and he dropped Lori's phone and he broke the screen, and he planted a piece of Lincoln's white hair to frame him. Sergio wanted to stir up some drama and conflict.

Lincoln's Guardian Angels: (Gasps) What!?

When they looked at Sergio, their faces turned red with rage and hatred in their eyes, and Sergio was in big big trouble. UH OH!

Lincoln's Guardian Angels: WHY, YOU STUPID, LITTLE, PAINTED RAT WITH WINGS! WE'RE GOING TO RIP YOU IN TWO!

Nico: Oh… !

Me: Shit!

Eli: He's dead meat on a stick!

Lincoln's Guardian Angels pounced on Sergio, and they proceeded to mangle him up, and when they were done, Sergio was badly mangled up.

Eli: Whoa, Lincoln, I'm not going to lie, your Guardian Angels sure are vicious when they find out your safety's been threatened.

Lincoln: And that's with Lori, Lynn, Lola, Lisa, Luan, Chandler, or any of my other enemies.

Maria Garcia: (Spanish Accent) But, can you really blame us? You've been pummeled, beaten up, humiliated, and almost died numerous times because of those bastardos y perras psicópatas

Lincoln put up the 9,500-lb barbell and he went up to Maria Garcia and hugged her.

Me: Spanish for psychopathic bastards and bitches.

Nico: Yikes, and that's why you hate Lori with a blazing passion, right?

Maria Garcia: (Spanish Accent) Yes, and it's not just Lori, but also, Sergio's also earned my hatred as well.

TLPS Mr. Wolf: We don't blame you for a bit, Sergio's always stirred up trouble, and that's why we keep a very close eye on him.

Fabia: I knew there's no mistaking that voice from anywhere. You can come out now, Airzel.

A figure came out, and it was none other than Airzel, one of the members of The Twelve Orders.

Nurzak: I see you still refuse to learn your lesson after we defeated you long ago, Airzel.

Airzel: And you're still a miserable traitor, Nurzak, let's just see how smug you are when I kill you and bring your head to Barodius.

Rebecca Madison fired a powerful yellow energy blast with yellow fire and monkeys at Airzel, and he was burned badly.

Rebecca Madison: Not happening, Airzel, and now, I'm putting a stop to you once and for all.

Suddenly, Rebecca Madison's yellow eyes turned neon yellow and she was surrounded by a black and yellow energy aura with yellow fire, monkeys, and darkness, she unholstered her massive Earthbound Immortal Cusillu-themed sword from her back, and as she approached Airzel, she left black and yellow energy, yellow fire, monkeys, and darkness with every step.

Rebecca Madison: I will never forgive you for any of the crimes that you and the other members of The Twelve Orders have committed against Fabia and her people, Airzel, and now, you're about to suffer the true wrath of The Earthbound Immortals.

Suddenly, Rebecca Madison was surrounded by a massive vortex of black and yellow energy with yellow fire and darkness surrounding it, there's Earthbound Immortal Cusillu flying around the vortex, and in the vortex is a yellow phoenix. Then, as the vortex faded, Rebecca Madison emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Rebecca Madison grew from 6'0" to 7'1" in height, she has the body of a goddess, she has black highlights in the bangs of her long flowing yellow hair, she has neon yellow eyes and a black and yellow energy aura with darkness, yellow fire, and monkeys surrounding her, she has Earthbound Immortal Cusillu with the Dark Kanji in its hands emblazoned on her forehead, she has on monkey earrings with yellow gems for eyes and holding the Dark and

Eternity Kanjis in its hands, she also has Earthbound Immortal Cusillu with yellow gems for eyes and the Dark and Eternity Kanjis in its hands for the second pendant on the bottom of her yellow monkey-shaped Element of Harmony, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with yellow crystal links from her merged Crystal Necklace of the Buddha and yellow gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Rebecca Madison has on a black sleeveless vest, yellow sleeveless midriff top, yellow frilly skirt with black frills and the Monkey Nazca Line on it, yellow high-heeled sneakers, and long sleeveless white trenchcoat with darkness, monkeys, and yellow fire on the coattails, and on the back is Earthbound Immortal Cusillu with darkness surrounding it. Suddenly, Rebecca Madison felt a sharp pain on her back, and then, her massive black angel wings with yellow tips grew much bigger for her new body, and the feathers had the same yellow markings on Cusillu. Cathy Russo has on a Ring of The Phoenix with yellow gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger.

Suddenly, Rebecca Madison's massive Earthbound Immortal Cusillu-themed large sword and all the other swords she'd gotten began merging together and they were surrounded by a kaleidoscope of indigo energy with darkness, yellow fire and monkeys, and when it emerged, it was transformed into Earthbound Immortal Cusillu's Dark Monkey Greatsword of Yellow Fire and Darkness Justice, it's a brand-new large greatsword with Earthbound Immortal Cusillu and the Monkey Nazca Line etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight monkey heads for the crossguard, large yellow gem embedded in the rainguard, longer midnight black handle, four large midnight black monkey heads and a large yellow gem below the monkey heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with yellow gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Earthbound Immortal Cusillu's head with yellow gems for eyes and a large yellow gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and

There's a yellow kanji below Earthbound Immortal Cusillu that said, "Rebecca Madison, Gene-Slammer of The Monkey Earthbound Immortal Cusillu, Life Long Friend of Girl Jordan and Helena McTroy, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser and Smasher of Bullies, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Monkeys, and Yellow Fire"

レベッカ・マディソン、ザ・モンキー・アースバウンド・イモータル・クシルのジーン・スラマー、ガール・ジョーダンとヘレナ・マクトロイの生涯の友人、愛するガーディアン・エンジェル、リンカーン・ラウドの将来の妻、いじめっ子の軽蔑と粉砕者、悪のスレイヤー、混乱した、殺人的、無慈悲、そしてサディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な生徒、そして闇、猿、黄色の火のマスター

Rebecca Madison has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY DARKNESS YELLOW FIRE EARTHBOUND IMMORTAL MONKEY ANGEL OF DIVINE EARTHBOUND IMMORTAL DARK JUSTICE AND DIVINE YELLOW FIRESTORM LOVE!

We were amazed by Rebecca Madison's Super Angel Xelnaga Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Airzel saw it, he fell into a rage and summoned his Bakugan, Strikeflier, and he ordered Strikeflier to kill her as he laughed malevolently, but Rebecca Madison fired a powerful yellow energy blast with yellow fire, darkness, and monkeys at Strikeflier, and it caused him to change back into ball form, and he was locked inside his ball form, thanks to Lincoln's curse, and she fired another powerful yellow energy blast with yellow fire, darkness, and monkeys at Airzel, and sent him flying into a wall, but Airzel is not out yet.

Nico: Holy guacamole, now Rebecca Madison's transformed!

Me: And look at the pattern on her wings, they're the same pattern as on Cusillu, so cool.

Eli: Really amazing.

Lincoln: And like Rebecca said, Airzel's about to feel the wrath of The Earthbound Immortals, and Rebecca, you look beautiful, how do you feel?

Rebecca Madison: (Divine Echoing Cosmic Voice of The Dark Monkey Earthbound Immortal and Divine Yellow Fire Justice) **I feel incredible, Linky, and now that Strikeflier can't attack us, shall we administer Airzel his punishment?**

Lincoln: (Smiles) With pleasure, Rebecca.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Rebecca Madison.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Seems like you need another lesson, Airzel, but this time, your Bakugan isn't going to be of any help to you.**

Rebecca Madison and Lincoln went after Airzel, and they fired extremely powerful blasts of rainbow energy, yellow energy, yellow fire, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, and Monkeys at Airzel, and they exploded with incredible power as they hit him. Then, they attacked Airzel with their massive greatswords and they left some really nasty scars on him, and then, Lincoln fired a powerful rainbow energy blast, which transformed into a rainbow energy straitjacket and rainbow energy chains and they restrained Airzel.

Airzel: Agh, okay, so you got me. What are going to do, kill me again?!

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **As if, you're not getting out of this easily. Besides, we already killed you once, Airzel, but you do have potential for The Masters of Evil, the only ones who don't and are going to be killed for good are Barodius and Dustin Keystone.**

Rebecca Madison: (Divine Echoing Cosmic Voice of The Dark Monkey Earthbound Immortal and Divine Yellow Fire Justice) **Plus, if Barodius finds out that you've been defeated, he's going to kill you and Strikeflier, and he has zero remorse of taking down one of his own. Stoica, Lythirus, Kazarina, and Lumagrowl already joined The Masters of Evil after we told them of what could happen to them if Barodius finds out.**

Airzel realized that Lincoln and Rebecca Madison were telling the truth: if Barodius finds out, he'll kill him and Strikeflier, and he now knows they're not safe around Barodius.

Airzel: Okay, it looks like sticking with our soon-to-be former liege was a bad idea.

Strikeflier: Agreed, so where can we go to stay safe from him?

Nico: The Masters of Evil's HQ is the safe place since we'll be recruiting the other fourteen, but like Lincoln said, the only ones getting The Black Gates are Barodius, since he's a monster, and Dustin Keystone, since he's an asshole, and like they said, Stoica, Lythirus, Kazarina, and Lumagrowl already joined.

Kazarina: Very well, we accept.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smiles) **You've made the right choice, you two.**

Lincoln freed Airzel, and he beamed him and Strikeflier to The Masters of Evil's HQ, where Vypra and the others were given the news: Airzel and Strikeflier are now part of The Masters of Evil, and they've now turned their backs on Barodius. We cheered wildly for what Rebecca Madison and Lincoln did as they holstered their massive greatswords on their backs and powered down, and Rebecca Madison's new body, clothes, weapons, jewelry, and massive black and yellow angel wings are permanent.

Rebecca Madison: That's one villain recruited into The Masters of Evil and fourteen more to go before we finally kill Dustin Keystone, and thanks for helping me take down Airzel, Linky.

Lincoln: (Smiles Warmly) You're welcome, Rebecca.

Suddenly, Rebecca Madison wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Rebecca Madison's face, they kissed passionately as Rebecca Madison's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Earthbound Immortal Cusillu flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and yellow fire raging behind them and we all cheered wildly. Lincoln and Rebecca Madison absorbed the fires, and they came back.

Nico: Awesome job, Rebecca and Lincoln, you guys convinced Airzel and Strikeflier to turn their backs on Barodius, and got them to join The Masters of Evil.

Lincoln: Now, all that's left is to recruit Gill and Krakix into The Masters of Evil, and we'll have turned the tables on Barodius.

Me: (Snickers) He's going to be really pissed off when he finds out about this.

Eli: You got that right. Oh, Lincoln, which Gene-Slammer are you hoping to meet on your rescue tomorrow?

Lincoln: That's a good question, Eli. Hmm, oh, I know, how about a Gene-Slammer for Spellbook Magician of Prophecy.

Nico: Ooh, now that's a good one.

Lincoln: Yeah, and the Gene-Slammer for Spellbook Magician of Prophecy will also have in its possession: the Spellbooks of Eternity, Fate, Knowledge, Life, Power, Secrets, The Master, and Wisdom.

Me: Whoa, and that person would have to be skilled with all kinds of magic.

Lincoln: You got that right, J.D.

Abra Kadabra: And so ends the reign of Sir Edgar.

Trapster: Char's father has been avenged.

Me: Yes he has and Sir Edgar is now a forgotten memory in the Black Gates.

Ragdoll: And now, Ella's life has improved.

Nico: You got that right.

Vanitas: It sure is.

Johnny 13: Let's celebrate in the Kingdom!

Me: YEAH!

Qin: Good idea!

Nico: But great job today everyone!

Me: We all did a great deed for Ella and Frell.

Nico: We sure did.

Qin: Yep. Now Char is the rightful king.

Me: Yep.

Ella: Thank you guys all so much J.D.

Me: It was our pleasure Ella.

Ella: (To the viewers) This was an awesome adventure and it's good that I am now free of my curse. Now I am free to live my own life.

Me: You sure are.

We later had a great party in the village and later went back home and enjoyed the rest of the day and went to sleep.

FLASHBACK - CHAPTER 640

---

In the Demon World, everyone was gathered in a special stadium for a special event. It was a special tournament called the Tournament of The Supreme, a Special three-on-one tournament what will show who the strongest is in not only the Demon World but also the Entire Universe. We were registering for the event.

Donna Diego: Excuse me. We'd like to register for the tournament.

---

We were signed in and we were so excited.

Me: This is gonna be so awesome!

Nico: It sure is J.D. I can't wait to show how strong I am against some of the strongest demons here in the Demon World.

Me: Me too Nico.

With us was Patrick "Eel" O'Brien A.K.A. Plastic Man.

Plastic Man was a crook named Patrick "Eel" O'Brian. Orphaned at age 10 and forced to live on the streets, he fell into a life of crime. As an adult, he became part of a burglary ring, specializing as a safecracker. During a late-night heist at the Crawford Chemical Works, he and his three fellow gang members were surprised by a night watchman. During the gang's escape, Eel was shot in the shoulder and doused with a large drum of unidentified chemical liquid. He escaped to the street only to discover that his gang had driven off without him.

Fleeing on foot and suffering increasing disorientation from the gunshot wound and the exposure to the chemical, Eel eventually passed out on the foothills of a mountain near the city. He awoke to find himself in a bed in a mountain retreat, being tended to by a monk who had discovered him unconscious that morning. This monk, sensing a capacity for great good in O'Brian, turned away police officers who had trailed Eel to the monastery. This act of faith and kindness-combined with the realization that his gang had left him to be captured without a moment's hesitation-fanned Eel's longstanding dissatisfaction with his criminal life and his desire to reform.

During his short convalescence at the monastery, he discovered that the chemical had entered his bloodstream and caused a radical physical change. His body now had all of the properties of rubber, allowing him to stretch, bounce and mold himself into any shape. He immediately determined to use his new abilities on the side of law and order, donning a red, black and yellow (later red and yellow) rubber costume and capturing criminals as Plastic Man. He concealed his true identity with a pair of white goggles and by re-molding his face. As O'Brian, he maintained his career and connections with the underworld as a means of gathering information on criminal activity.

Plastic Man soon acquired comedic sidekick Woozy Winks, who was originally magically enchanted so that nature itself would protect him from harm. That eventually was forgotten and Woozy became simply a bumbling but loyal friend of Plastic Man.

Me, Nico, May, Scream/Donna Diego, Huffer, Runamuck, Clawful, Plastic Man, Yumi, Poromon, and Linka we're known as Team Nico and we were going to prove ourselves in a tournament of incredible magnitude.

Everyone on Team Loud Phoenix Storm was in the audience.

Ed: Well, to name a few, I've smashed Atrocitus, Leonard the Pig King, Freddy Krueger, King Goobot, Beast Man, Loki, Cedric, Parasite, Princess Morbucks and a clone of Tantrum aka Thomas Kim.

Irma: Ed has smashed all kinds of villains.

Luan: He smashed them good.

Eddy: (Laughs) That's Lumpy for you all.

Poromon: Are there snacks around here?

Nico: We'll have plenty of time to eat later Poromon.

?: Hey looks like you're all here too.

We saw famous former Spirit Detective Yusuke Urameshi, Kazuma Kuwabara, Hiei of the Jagan, Kurama the Spirit Fox and Seaman.

Me: Koenma, son of King Enma. It's an honor to meet you.

Koenma: You too J.D. I'm the Team Captain of Team Urameshi.

Me: Nice! It's gonna be so cool working together.

Koenma: It sure is J.D.

Me: I wonder who our opponents are gonna be.

?: That would be us.

We saw our opponents: TEAM TOGURO!

They were who Team Urameshi defeated in the Dark Tournament years ago. The members are as follows:

Younger Toguro (Leader)

Elder Toguro

Sakyo (Manager)

Karasu

Bui

Amphibia

Vulturos

Hypnomica.

Kuro Momotaro

Zeru

and a Krabby and Electrode.

Me: So Team Toguro is our opponents. You're all gonna give us a challenge.

Nico: Not only that but he has a Krabby and an Electrode. I could use those Pokemon.

Sakyo: I brought them here for you Nico.

Nico: Thanks Sakyo.

Me: Wait a second. What's the catch?

Sakyo: No catch.

Me: This is gonna be an interesting challenge. But I'm ready for anything.

Nico: Me too.

Yusuke: Same here.

Yusuke's fiance Keiko and his friends Yukina, Botan and Kuwabara's sister Shizuru were with everyone else.

Me: Now it's gonna get exciting.

Nico caught the Krabby and Electrode.

Nico (to Krabby and Electrode): Don't worry, You guys can fight in the final battle.

The Tournament of the Supreme was underway.

---

Battle 1: Linka, Poromon and Hiei VS Zeru.

---

The first match was against Zeru. A demon that Hiei defeated before.

Linka: I thought you killed this guy Hiei.

Hiei: I did. Somehow he must've been brought back to life.

Poromon: How did you kill this guy?

Hiei: I killed him with the Dragon of The Darkness Flame.

Linka: That must've incinerated him into ashes. Lets see how he fairs against the power of lightning.

Zeru: You weak things can rest in Hell!

Linka: We're sending you back to Hell.

Zeru: I'm gonna squash you with my foot, puffball!

Poromon: You really think so?

Linka: Don't listen to him Poromon. He's just a big bully.

Juri: Hey guys.

Linka: Juri. It's cool having you here as a referee girl.

Juri: It is. I was a referee Girl here the first time.

Linka: I believe it. Nicole did tell my brother about that.

Juri: She did. Now first match Linka Loud, Poromon and Hiei VS Zeru begin!

Linka: Lets teach this guy a lesson he will never forget!

Linka went Super Angel 3.

Zeru: Lets see you survive this!

Zeru then turned blazing red and glowed with pure fire and he fired a powerful blast of fire at her. Linka fired a blast of powerful lightning and it overtook the blast of fire and electrocuted Zeru. She swooped in and kicked him in the face and fired more lightning and electrocuted him with 1 billion volts of electricity.

Linka: Poromon you're up.

She tagged Poromon.

Poromon: Let me at them! I learned some new tricks under Nico. (Echoing) LIGHTNING JAVELIN!

Poromon fired a blast of lightning from its wing and it electrocuted Zeru with 50 billion volts of electricity.

Linka: Way to go Poromon!

Nico was proud.

Nico: I taught Poromon well.

Me: You're a great teacher Nico.

Zeru: How can I be defeated so easily? BY A TALKING SMALL PINK PUFFBALL OF ALL PEOPLE?!

Poromon: Hiei it's your turn.

Hiei: Thank you Poromon.

Hiei channeled his power into his fists.

Hiei: FIST OF THE MORTAL FLAME!

Hiei's fists glowed with pure fire and he viciously punched Zeru with incredible power and it burned him with ferocious fire.

Linka: Now to finish with a combo. Ready for our combo Hiei, Poromon?

Hiei: I heard a lot about your combos you all do. So yeah. I'm up for it.

Poromon: Lets go for it!

Hiei revealed his Jagan Eye! It was a third eye in the middle of his forehead.

Linka: Wow! So that is the legendary Jagan Eye. Nicole told me stories about it and how powerful it is.

Hiei: Yes.

Linka: I also remember that the Jagan Eye is extremely prideful and loathes disrespect with a vengeance.

Hiei: That's right Linka. You've learned very well. Lets do this on him. I killed him once and I can do it again. DRAGON OF THE DARKNESS FLAME!

Linka: Lets do this. This is a technique I've been wanting to try out. LIGHTNING DRAGON STORMFORCE!

Hiei had a mass of black fire in his hand. The level of murderous intent coming off of the dark fire of the Netherworld was unbelievable.

Zeru: Those flames but they're from the deepest pit of the spirit world.

Zeru was in helluva lot of trouble. He was completely incinerated the first time he was killed by the Dragon of The Darkness Flame. And it's ironic that he was about to be killed by it again.

Linka held out her hand and a massive surge of lightning formed in her hand at an incredible level. Emitting billions of volts of electricity at an incredible level.

Linka: Lets see how powerful they are together. Lightning from Heaven and the Black Fire from Hell.

Hiei: DRAGON OF THE DARKNESS FLAME!

Linka: LIGHTNING DRAGON STORMFORCE!

Hiei fired a powerful dragon made of pure black fire that burned with flames as hot as the Sun and Linka fired a dragon made of pure blue lightning that surged 750 billion volts of electricity

Poromon: LIGHTNING JAVELIN!

Poromon fired a blast of lightning from his wing.

Linka, Hiei and Poromon: PURGATORIC DRAGONSTORM HELLFIRE!

The two dragons merged and turned into a dragon of fire and lightning and it hit Zeru and completely obliterated him in an instant and the dragon hit the wall of the stadium and exploded with incredible power.

KRABOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

When the smoke cleared, we all saw that Zeru was completely incinerated like before and there was a charred outline on the wall that was him. Lightning was electrifying the ground around it.

Linka: Zeru, you have failed this world.

Juri: Wow! That was awesome guys!

Linka: Thanks Juri. That's all that's left of him over there.

Juri: You're right about that. Linka, Hiei and Poromon win!

Hiei: You were trained really well Linka. I'm impressed you have come so far.

Linka: You're gonna give me a swollen head Hiei.

We cheered wildly for them.

Me: Linka that was well done!

Nico: We're proud of both of you.

Linka: Thanks guys.

Poromon: It was so much fun.

Match 2: Clawful, Yumi and Kuwabara VS Vulturos.

Clawful, Yumi and Kuwabara were facing Vulturos, another one of Sailor Moon's enemies.

Ulrich: Good luck, Yumi. (kisses her on the cheek)

Yumi blushed.

Yumi: Thanks Ulrich.

Shanan: Vulturos is gonna be extremely tough. He's what's called an Angelite from the planet Anges IV.

Lana: These guys sound like they are really tough.

Lola: No kidding.

Shanan: They are. They have the ability to turn their fingers into deadly razor sharp claws that can cut through steel like butter and they can fly at incredible speed.

Laney: These guys sound like they are deadly.

Lucy: I would not want to face an opponent like that.

Shanan: Lets watch and see how this turns out.

Vulturos: Bring it on, Goth Freak and Lobster Thing!

Yumi: Hey! That's racist!

Clawful: I'll show you Lobster Thing!

Kuwabara: Guys! Don't listen to him. He's trying to get you all riled up so he can cloud your judgements.

Yumi: You're right.

Clawful: Lets get this clod!

They went at him.

Kuwabara: SPIRIT SWORD!

Kuwabara formed an orange energy sword and slashed Vulturos and cut his wings off and Yumi fired a blast of dark energy and it hit him and exploded. Clawful snipped Vulturos' legs off.

Yumi: Lets use our combo on him.

Kuwabara: You got it Yumi!

Clawful: This is gonna be fun!

Clawful fired a blast of red energy and Yumi fired a blast of dark energy. The blasts merged with the Spirit Sword and it turned into a deadly red energy scythe.

Kuwabara, Yumi and Clawful: SPIRIT SCYTHE SLASH!

Kuwabara slashed Vulturos with the scythe. It made Vulturos explode into a fiery mess.

Juri looked over Vulturos.

Juri: He's out! Kuwabara, Clawful and Yumi win!

Yumi: As Nico would say: Vulturos you have failed this world.

Clawful: You said it.

They went back to us and we cheered wildly.

Me: Great job guys.

Linka: That was so awesome!

Yumi: Thanks guys.

Battle 3: J.D. and Hiei VS Bui.

---

Me and Hiei were facing But. He was a huge tall guy and he was wearing armor that looked amazingly heavy.

Juri: This is a 2 on 1 battle. You know what to do.

Me: You sure are a tall guy Bui. You make all basketball players look like shrimps and me and Hiei look like a couple of anchovies.

Hiei: That's an interesting analogy.

Me: It was the best I can come up with Hiei.

Bui then formed a huge battle axe and he charged us and swung it and we ducked and I kicked it out of his hands. He formed another axe with a bigger blade and sliced through the arena floor and threw big blocks of the arena at us and I kicked the rock blocks and smashed them to pieces.

Me: Wow! He is strong!

Hiei: He sure is. But so are we.

Me: Lets get him Hiei!

Me and Hiei: FIST OF THE MORTAL FLAME!

Our hands were enveloped in orange fire and smashed through the rock blocks and blew them to pieces. Bui then threw his axe at Hiei and he shocked us by grabbing the blade and obliterating it with just his hands.

Me: Wow! Hiei that was amazing!

Hiei: Thank you. (To Bui) I knew that was a foolish maneuver. But you refused to listen much to your disadvantage and to my boredom. And that is not forgivable.

Me: Hiei don't let your arrogance and overconfidence cloud your judgement. The one thing a powerful and honorable fighter should never do is let his emotions get the better of him during a fight with a powerful and worthy adversary.

Hiei know that I was right.

Bui's eyes glowed red.

Bui: (Deep voice) Sorry to bore you. I'll remove my armor.

Me: I have a feeling that there is more to your armor than just for show Bui.

Bui: You are correct. You should know two things J.D. Knudson of Team Loud Phoenix Storm and Hiei the swordsman, I was saving this for someone else and this is the highest compliment I give.

Me: How so?

Hiei: Hmm. I am honored. Really I am but are you sure you're strong enough to take a direct hit from the both of us without any armor?

Bui: I'll handle it.

Bui threw an arm armor band and it flew over to Kuwabara and Koenma and we got a shock from how heavy it was. It was so heavy that it imbedded itself into the ground.

Me: Holy (Censored)! That is extremely heavy!

Kuwabara: And that's just one of his arm things!?

I use the Force to bring it over and I lift it up and it was so heavy that it was unbelievable!

Me: Holy mackerel! Bui how much weight is in this armor!?

Bui: My armor weighs as much as a whole planet.

Lisa was floored!

Lisa: That is an unbelievable amount of weight!

Me: That's over 1 Octillion pounds!

Bui: Yes.

Kuwabara: How did he manage to fight in all that stuff let alone stand up straight in it?

Me: That's what astounds me.

Bui took off his armor and we were amazed.

Bui: Most fighters wear armor to protect themselves from their opponent.

Bui took off his helmet and he had aqua blue hair and a scar in between his eyebrows.

Bui: But I'm the opposite. (Takes off his face plate) I actually wear this armor to protect my opponent from myself.

His scar glowed and he had a neon green aura emanating from his fist.

Bui: You see, my powers are so great I can't control them on my own.

Me: I get it. That armor was to contain your power because it grows out of control so fast.

Bui: That's right.

Bui's eyes glowed white and a massive neon green aura exploded out of him at an incredible rate. The level of power Bui had was so incredible that it was mind boggling.

Me: WOW! WHAT POWER!

The aura was making Bui fly.

Bui: I call this Battle Aura. I'd like to see you both try and top it.

Me: Lets see what it is capable of. Hiei, let me take a crack at him for a bit and then I'll let you get some in.

Hiei: Of course.

Me: This is gonna be interesting.

I stood ready and I went Super Angel 10,000.

Me: Lets see how strong you are against my 2nd most powerful transformation.

I flew at Bui and kicked the aura and punched Bui in the face and kicked him in the stomach. I fired a powerful energy blast and Bui fired a Battle Aura Cross and they hit and exploded with incredible power.

KRABBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion was so powerful that it blew the arena floor apart into dust.

We landed and we went at each other and exchanged numerous blows at a ferocious and powerful level. The power of our blows was so strong and so powerful that it rattled the entire stadium and the entire demon world.

We locked hands and we were starring at each other.

Bui: I'm impressed J.D. You are equal to my power in this form.

Me: Sheer training and the power to fight for protecting everyone and everything I love. My friends are my ultimate strength. We all get stronger because of friendship.

I kneed Bui in the face and I tagged Hiei in and he went at Bui and fired blasts of his Mortal Flame and they didn't affect Bui at all.

Me: Wow! That Battle Aura is unbelievable. But something doesn't make sense here.

Juri: What is that J.D.?

Me: Bui said that he was saving his power for someone else and I have a strong feeling I know who it is. It's the younger Toguro. He wanted to unleash his power on him so he can prove that he is far more powerful than him.

Juri: You may be right.

Hiei got done.

Me: Lets finish him with a combo Hiei.

Hiei: You got it J.D.

Me: Get ready Bui.

Hiei: You are the next Sacrifice…

Me and Hiei: (In Unison) To the DRAGON OF THE DARKNESS FLAME!

We were both surrounded by rings of pure black fire hotter than the

Sun and it was releasing a tremendous amount of deadly murderous intent. Shizuru in the audience was feeling the pain from it and Naruto was protecting her from it.

Naruto: It'll be all right girls. I won't let anything hurt you.

Shizuru: Thanks Naruto.

Naruto: You're welcome.

Me: Get Ready Bui. Our combo is the same technique.

Me and Hiei: TWIN DRAGONS OF THE DARKNESS FLAME!

We fired two Dragons and they merged and became a twin-headed dragon made of pure black fire and they enveloped Bui and killed him in an instant.

Juri was crying and she was on the arena floor scared because of our attack.

I held out my hand and she took it and she hugged me and was crying hard into my chest as I comforted her.

---

Battle 4: Plastic Man, Huffer and Kurama VS Karasu

---

Plastic Man, Huffer and Kurama were facing Karasu.

Huffer: (To Karasu) We really don't want to hurt you. Do yourself a favor and give up now.

Karasu: Oh I won't ever give up to the likes of you.

Kurama: Karasu is not the kind of fighter to go down easy.

Huffer: So I noticed.

Plastic Man: You better not underestimate us.

Kurama became Yoko Kurama.

Huffer fired a blast of thick black smoke at Karasu and blocked his sight.

Plastic Man: Lets finish him with our combo.

Kurama: Yes. ROSE WHIP!

Huffer fired a laser blast and Plastic Man wrapped Karasu around and bound him.

Huffer, Plastic Man and Kurama: SPIRIT ROSE SMOKEDEATH!

The rose merged with the smoke cloud and shredded Karasu into nothing but a thousand pieces. Killing him instantly.

Huffer: Go to Hell Karasu.

Plastic Man: Like Nico says: Karasu you have failed this world.

They won.

## Battle 5: Runamuck, Scream, May and Kuwabara VS Elder Toguro

Runamuck, May and Kuwabara were facing Elder Toguro.

Kuwabara: So we're facing the honorless elder brother Toguro.

Elder Toguro: Yes it would seem Kuwabara.

Runamuck (to Elder Toguro): Any last words before we waste you?

Elder Toguro: (Laughs Maniacally) You'll find that killing me has never been easy. I can't die ever. Even if you destroy my heart or brain I'll still live! I'm INVINCIBLE! (Laughs)

May: So total obliteration is needed.

Scream: It would seem.

Kuwabara: I faced him before and he is a completely honorless slimeball that deserves only death.

May: You said it.

Runamuck: You don't deserve to live and Hell is too good for you.

May: Lets get this guy.

They went at Elder Toguro and engaged him in a savage and brutal fistfight. May fired powerful blasts of ice fire and froze his arms and legs and they shattered into a million pieces.

Runamuck fired missiles and lasers and blew holes into him.

Kuwabara slashed him with his Spirit Sword.

May: Lets finish him with our combo!

Kuwabara: You got it!

Runamuck fired laser blasts and Kuwabara slashed apart Elder Toguro.

May fired blasts of ice.

May, Kuwabara and May: ICEFIRE MISSILE SLASHSTORM!

The missiles and ice froze him and blew him into a thousand pieces.

Scream: Now it's our turn. SYMBIOTE TENTACLE SLASHSTORM!

Scream slashed Elder Toguro with her tentacle spears and ripped him to pieces.

May: Now to finish you for good Toguro.

Kuwabara threw Elder Toguro's severed head into the air.

May: KAAA! MEEE! HAAA! MEEEE! HAAAAAAAAAAAAAAAAAAAAAAAA!

May fired a Kamehameha Wave at Elder Toguro and it completely engulfed him and completely obliterated him in an instant. Nothing of him was left. Not even an atom remained.

May: In the words of my most awesome boyfriend: Elder Toguro, you have failed this world.

They won. Surprisingly the Elder Toguro had a Dark Orb on him that was giving him the ability to rearrange his body around. We got a massive power boost when it was destroyed.

---

A montage played and it showed us killing all the members of Team Toguro. May and Hiei killed Amphibia with a bunch of slashes and ice and fire attacks and burned and froze her and they used a combo called SWORDS OF THE DARKNESS AND CRYO FLAMES.

Huffer and Linka faced Kuro Momotaro and they savagely overwhelmed him and used a powerful combo on him called ACID RAIN MELTSTORM. It dissolved him in an instant.

Runamuck and Clawful were immune to Hypnomica's hypnosis spell and they used a powerful combo called LASER LOBSTER ASSAULT. It snipped her in half in an instant.

---

FINALE: J.D., Nico and Yusuke VS Younger Toguro.

---

The battle everyone was waiting for had come.

Toguro: Well done J.D., Nico and Yusuke. At last the 4 of us fight again. Only this time things are going to be different for you 3. I'm not throwing this fight for anyone.

Me: I have that to look forward to. You two step back. I want to see how I fair against him.

Yusuke: Okay J.D.

Nico: Be careful man.

Me: Will do. I hope you're ready Toguro. This is personal for me.

Toguro: You don't think this is personal for me too!? I'll start with 80%!

Toguro was enveloped in a purple aura and his muscles were increasing in size and he was building up incredible strength. The power of his energy was increasing at a tremendous rate and some of the arena crumbled. When it was done Toguro was huge! The level of energy he had was so strong that everyone felt it. Toguro's power was literally melting the flesh right off of the weaker demons.

Me: So that's your 80% power form. Amazing. Lets get it on.

We went at each other and I punched Toguro in the face and he threw a punch at me and I dodged it and kicked him in the face and knocked his glasses off. I fired a powerful blast of energy and it hit him and exploded with incredible power.

KRABOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM!

When the smoke cleared Toguro's muscles were slightly shrunk.

Me: I've only begun to fight Toguro.

Toguro: So it would seem.

Me: Lets go.

I rushed and unleashed a ferocious flurry of fisticuffs on Toguro at an extremely ferocious rate and I let all of Hell loose on him. I punched him in the solar plexus with devastating force and knocked him down into a crater. When he emerged from the crater his muscles were shrunk big.

Toguro: At last J.D., you've done as I've asked.

His body then started to get veiny and a purple aura appeared out of him. He continued to get really veiny.

Toguro: I've waited a long time for this moment. Now destiny has rewarded my patience.

Me: Here it comes.

The ground then started to shake violently.

Suddenly Toguro had a massive surge of purple energy explode out of him and we felt the sheer magnitude of his power.

Me: Wow! What power!

His power was continuing to increase at a phenomenal rate and it was destroying numerous demons and everyone else was protected by a powerful barrier. Toguro's muscles increased at a powerful rate and they were bigger than the Incredible Hulk's. He covered the whole field in a dome of darkness. His body grew massive as his energy level increased and when it was done, Toguro was now a hulking monstrosity. He had grey skin, veins outside his wrists, bigger and sharper shoulders and shoulder chimneys on each of his shoulder blades. And the level of power I was feeling off of him was unbelievable.

Me: Wow! So this is your full power. Unbelievable!

Toguro: Yes. Now you will face me at my full power.

Me: You're not the only one that was hiding his true power.

(Gohan's Anger theme plays)

I had a ring of fire form around my feet and I unleashed the full extent of my power and I was enveloped in a massive dome of fire and my energy levels were rising at an astronomical rate and then the dome exploded into a massive vortex of pure fire that turned into a powerful phoenix. When the phoenix faded I was now a Super Angel 50,000 Phoenix Fire.

Me: This is my ultimate transformation. This is Super Angel 50,000 Phoenix Fire. Guys, it's action time.

Nico: You got it J.D.

Nico flared up his Super Saiyan Aura and went Super Saiyan 4 and Yusuke went Mazoku.

Me: Now lets see how you fair against our ultimate power.

We all went at Toguro and let all hell loose on him. I punched him in the face and kicked him in the stomach.

Nico: Toguro, you have failed this city!

Nico punched Toguro in the face with devastating force.

Nico: DRAGON THUNDERCLAP!

The 5-Star ball glowed and Nico fired a powerful blast of purple lightning from his finger and it hit Toguro and electrocuted him and Nico punched him in the face and Yusuke unleashed a ferocious flurry of powerful fisticuffs and kicks and Yusuke fired a Spirit Gun at him and it hit him and exploded with incredible power.

KRABOOOOOOOOOOOOOOMMMM!

When it was done Toguro was down but not out.

Me: Get ready Toguro. This time you will die after this one attack. Now get ready and give us everything you've got!

Toguro: The eyes of determination. I've encountered them many times on glory seeking fools. And I always give their owners what they ask for. Nearly always it's a fight with me. What I see they truly wanted I'm obliged to kill. But you've actually asked me to give it all I have. So be it.

Then we saw Toguro increase in power again. His muscles grew bigger than before and he grew two more shoulder blades but they were puffy and his pants and shoes were shredded. And his head was more enlarged.

Toguro: I'll admit I haven't been truthful. What I said was 100 was more like 85.

Me: Wow! This is 120% power!? Incredible!

Nico: Unbelievable!

Yusuke: I'll never forget the sight of this.

Toguro: To fully become a master of a trade you must commit your all to it and throw everything else away.

Me: Sorry but that is not gonna happen.

Nico: We don't run away from a sniveling little coward like you Toguro.

Me: Lets finish him off with our final smash combo guys.

Nico: You got it J.D.

Yusuke: Lets do it.

I charged up a red Big Bang Kamehameha Wave.

Nico had all 7 Dragonballs on his bracelet glow red and they fired 7 red beams of energy into the air and formed a massive energy ball of negative energy and it grew to a massive size and condensed to the size of him.

Yusuke then charged up a Spirit Gun to incredible power.

Me: Time to finish you once and for all Toguro. 100X BIG BANG KAMEHAMEHA!

I fired my blast.

Nico: NEGATIVE KARMA BALL!

Nico fired his concentrated energy ball.

Yusuke: MEGA SPIRIT GUN!

Yusuke fired his Mega Spirit Gun!

The blasts then combined.

Me, Nico and Yusuke: 100X BIG BANG KARMA GUN!

Then Toguro charged and pushed the blast back. But it was far too much for him and it enveloped him and completely obliterated him in an instant. The blast flew up into the depths of space and exploded with incredible power.

KRAAABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

When the smoke cleared, Toguro was dead.

Koto and Juri: WINNER OF THE TOURNAMENT OF THE SUPREME - TEAM NICO-URAMESHI!

Everyone cheered wildly for us as we were crowned the victors of the tournament.

Sakyo had lost everything. We went to him and gave him a much better job than being a business man for crime and all that. We gave him his dream job as a tour guide for our museum.

Yusuke: (To the Viewers) You have the power to become great things in the future and it's up to you to do your dream and how you do it.

Me: Ain't that the truth.

We were given the trophy and the title of the most powerful fighters in the universe. But we weren't in it for the fame, fortune or notoriety. It was all for fun.

FLASHBACK ENDS

When I was done everyone that hadn't heard about it was shocked and amazed as all get out.

Qin: WHOA!

Laney: That was so fun!

Camie: Yeah that was awesome!

Lincoln: And it's how Bui, Toguro and many of the players were put into the Masters of Evil.

Tsuyu: That's amazing and cool.

Me: And I wasn't nearly as powerful back then as I am now.

Nico: Boy me neither.

Qin: I wasn't with you guys when all that happened but that is awesome.

Laney: Many of you weren't with us. But yeah.

Nico: Poromon got to fight for the first time too.

Me: He sure did. That was awesome.

Cybershark: That was so awesome seeing that.

Yusuke: Keiko was really proud of all of us too.

Me: All of us were proud of you guys.

Nico: Same here.

Laney: Yeah. It was so fun.

Camie: That was epic.

Me: Yeah. Boy yesterday's adventure was awesome.

Nico: I just realized that Ella's life is similar to Cinderella's.

Yusuke: It sure was.

Me: That was awesome though. And now her evil stepmother and stepsisters are banished to the dark planet.

Eli: Good riddance.

Leni: They totes deserved it.

Varie: They sure di.

Yusuke: Yeah no kidding there.

Xenia: I hope they enjoy it.

Nico: Except Cinderella didn't have to deal with an evil king.

Me: No she sure didn't.

Yusuke: Yeah no she didn't.

Qin: Yeah.

Me: But at least Char's father was avenged that day.

Laney: Yeah.

But then we heard a witch cackle and flying through the hall was THE WITCH'S GHOST! She threw a fireball at Nico and he caught it and threw it back and it hit her in the face and kncoekd her down!

Me: Nice shot!

Eli: Yeah!

We looked at his face. And it was a man with blond hair and had red eyes.

Nico: You look familiar for some reason.

Nico looked closer.

Nico: (GASP) (Snarls) Eric Hartman!

Eric Hartman: Been a long time monkey boy!

Me: You know him Nico?

Nico: And I wish I didn't. Eric Hartman went to my school and he was the meanest kid ever. He was a Grade A++++ Thug with a heart that is born pure evil. He would fight with everyone and he got everyone seriously hurt. He made everyone's lives at my school a

Living Nightmare. Everyone was terrified of him and he ruled the whole school with a malevolently dark heart and an iron spiked fist. I faced him many times and won every time and he hated my guts for it! I then encouraged the people of the school to rise up against him and we all fought back and we got him sent off to prison for life. His family disowned him too.

Eric Hartman: And I swore I would get revenge on you!

Nico: You had it coming you fuckup!

Me: Yeah!

Nico: He has a really nasty disposition and has a lengthy criminal record that goes all the way back to when he was in grade school.

May: Geez!

Eric Hartman: Oh, I'm not gonna kill you. At least not yet. No, I'm gonna knock you out. And then, I'll kill your parents, make them into chili, and feed them to you!

Maria: You just signed your death warrant!

Me: Yeah! You are totally fucked up to the brink!

Nico: You're a true spawn of Satan! And Hell is too good for you!

Nico then fired an energy blast and obliterated him in an instant and banished him to the Black Gates.

Me: Good Riddance.

Nico: That's one stain on my life that's gone for good.

Yusuke: Yeah.

Me: Sorry you knew someone like that Nico.

Nico: At least he's gone.

Eli: We're not done yet.

Eli sensed a figure.

Apple Bloom: Hey!

She was floating in the air!

Nico: Apple Bloom are you flying?

Apple Bloom: I don't know! I am not even doing all this! I don't even have my wings spread!

Me and Applejack tried to get her down but she was stuck.

Me: Man! This is a strong force!

Nico: Did Eric lay a trap?!

Eli: I don't sense anything!

Me: Wait look up there!

We saw a figure and then Apple Bloom stopped floating and then we caught her.

The figure came and it was a black version of an Evolved Galilean! It was ANOTHER ULTIMATE GRAVATTACK!

Nico: Whoa! Another Ultimate Gravattack!

Me: That explains it!

Another Ultimate Gravattack: (In a girls voice) Good job killing that jerk.

Me: (GASP) Talia Lazarus!

Another Ultimate Gravattack: Yep. Good to see you again J.D.

Me: You too Talia.

Nico: You know her J.D.?

Me: Yep. Talia is a girl that is the fastest girl ever. She has incredible super speed that is just as awesome as The Flash, Rainbow Dash, Sonic, The Roadrunner and Ellie Singh.

Nico: Cool!

Me: She won every amazing competition ever with her super speed.

Laney: That's amazing!

Kaito: (Gets out Drive gear) I hope you put up more of a fight then Eric did!

Zocks: (gets out Ghost Gear) What kind of sick fuck threatens to feed a kid his own parents?!

Kaito got a Drive Sword and Blaster and Zocks got a Ghost Sword and Blaster.

Me: Someone who is totally deranged and filled with nothing but evil.

Qin: Yeah I hated Eric.

May: We can see that.

Me: Also Talia what did Swartz promise you?

Another Ultimate Gravattack: He promised to make me the fastest ever.

Me: You already are the fastest ever and you would even give Sonic, The Flash, Rainbow Dash and The Roadrunner and Speedy Gonzales a run for their money. Pun intended.

Another Ultimate Gravattack: That is true. I am fast. But I knew he was lying to me.

Qin: Well we can save you.

Albedo turned into Negative Ultimate Gravattack.

Negative Ultimate Gravattack: This is considered one of my most powerful forms.

Qin: It's awesome.

Nico: (gets out Hsi Wu's Ridewatch) Time to take to the skies!

Me: Wait. Lets take this outside. It's far too cramped in here.

Nico: Good idea.

We went outside.

Me: Much better. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Cybershark: Lets have some awesome action! Cybershark, MAXIMIZE!

He transformed and was ready!

Nico activated Hsi Wu's ridewatch.

(LEAVING ON A JET PLANE BY JOHN DENVER PLAYS)

Nico: (SINGING DIVINELY AS JETS AND WIND SWIRL AROUND HIM)

All my bags are packed

I'm ready to go

I'm standin' here outside your door

I hate to wake you up to say goodbye

But the dawn is breakin'

It's early morn

The taxi's waitin'

He's blowin' his horn

Already I'm so lonesome

I could die

So kiss me and smile for me

Tell me that you'll wait for me

Hold me like you'll never let me go

'Cause I'm leavin' on a jet plane

Don't know when I'll be back again

Oh babe, I hate to go

There's so many times I've let you down

So many times I've played around

I tell you now, they don't mean a thing

Every place I go, I'll think of you

Every song I sing, I'll sing for you

When I come back, I'll bring your wedding ring

So kiss me and smile for me

Tell me that you'll wait for me

Hold me like you'll never let me go

'Cause I'm leavin' on a jet plane

Don't know when I'll be back again

Oh babe, I hate to go

Now the time has come to leave you

One more time

Let me kiss you

Then close your eyes

And I'll be on my way

Dream about the days to come

When I won't have to leave alone

About the times, I won't have to say

Kiss me and smile for me

Tell me that you'll wait for me

Hold me like you'll never let me go

'Cause I'm leavin' on a jet plane

Don't know when I'll be back again

Oh babe, I hate to go

But, I'm leavin' on a jet plane

Don't know when I'll be back again

Oh babe, I hate to go

Nico danced and fired waves of wind and energy and smashed her down.

Me: Awesome choice Nico. Love John Denver.

Qin: Yeah!

Hitch Trailblazer: That was so awesome! Now lets do this one. (ACTIVATES PITCHER PLANT MONSTER'S RIDEWATCH) (PULLS OUT AN OCARINA AND PLAYS EL DORADO BY DEREK FIECHTER & BRANDON FIECHTER)

He had leaves and flowers swirling around him and he fired waves of flowers and smashed her down.

Nico: OH YEAH!

Me: That was awesome Hitch! We didn't know you could play the flute like that.

Hitch Trailblazer: Yeah it's a hidden talent.

Qin: It's cool.

They fired waves of energy and elements and smashed her down.

Nico: YEAH!

Yusuke: Save some for me! (ACTIVATES BLACK MANTA'S RIDEWATCH)

Yusuke: (SINGING DIVINELY AS LIGHTNING AND ENERGY SWIRLS AROUND HIM)

Yusuke danced and fired waves of energy and smashed her down.

Always where I burn to be
The further on the edge
The hotter the intensity

Gonna take it right into the Danger Zone
Highway to the Danger Zone
Ride into, the Danger Zone

Nico: OH YEAH!

Maria: Let's keep it up!

Nico: YEAH!

Another Ultimate Gravattack: You guys have amazing talent.

Me: We get that all the time Talia. We've had a lot of karaoke sessions and practice.

Qin: Yeah.

Another Ultimate Gravattack: Yep.

But then a bird call was heard and then out came an Alchemy Beast - Aretos The Tin!

Me: Whoa! Alchemy Beast - Aretos The Tin!

Qin: Cool! This is a good one.

Aretos the Tin: (In a girls voice) Hope I'm not too late to join the party.

Nico: Estella Skyla!? Wow!

She reverted back and Estella was a girl with magenta hair and had red, purple and pink clothes and pink and green angel wings.

Estella Skyla: Awesome to see you again Nico. And you too Qin.

Qin: Same here Estella.

Estella Skyla: We'll catch up after I take care of this.

She fired blades and smashed down Another Ultimate Gravattack and she was back to normal and I caught her Ridewatch and purified it. Talia was a girl with blue hair and blue clothes and had a tattoo a dragon of wind on her belly. I went over and picked her up.

Talia Lazarus: (Groans) What a headache.

Me: At least you're going to be all right.

Estella Skyla: That was awesome though.

Me: Wait a second. I thought you looked familiar. You're that famous pilot that did all sorts of amazing flights and tested out so many incredible planes.

Estella Skyla: That's right.

Nico: Yep. She and I went to flight school together.

Eli: That is cool!

Camie: Yeah it sure is!

Fluttershy: I think that's so amazing.

Rainbow Dash: Yeah!

Me: This was a spooky one though.

Nico: I get the feeling we'll be going into another spooky adventure later.

Yusuke: Nothing we can't handle. And Estella what's your favorite memory of Nico?

Estella Skyla: I have a lot of them. But my favorite is when me and Nico tested out this awesome new hypersonic plane for NASA and it went at over 25,000 miles per hour.

Me: WHOA! That is amazing!

Nico: It was really fast. We went at 11 times the force of gravity and it was amazing.

Qin: Wow! That is fast!

Nico: Yeah.

Nico and Estella hugged.

Nico: I've really missed you.

Estella Skyla: Me too Nico. Me too.

We went back home.

And since this is right here in Gotham Royal York, everyone was already outside and were hunting down The Dark Elves.

Lincoln: Whoa, so my rescue's taking place here at home, but I still know what we're going to do here, not only am I going to rescue the five girls here, but we're going to destroy Malekith, the malevolent leader of The Dark Elves and archenemy of Thor and all of Asgard.

Nico: Thor and Loki told us about that monster, he's nothing but pure evil.

Lincoln: And as much as I want to banish him to The Black Gates, I have a much better punishment for him: not only are we still going to destroy him, but I'm going to imprison him in The Book of Vile

Darkness, consider it his first strike.

Me: I get it, that's awesome. So, two more strikes…

Lincoln: And he's done, you got that right, J.D., and thanks for joining us, Keiko.

Keiko: You're welcome, Lincoln. This is going to be one awesome rescue, and Malekith will regret coming here to cause havoc.

Eli: He sure will, what a monster!

?: HEEELLLLLP!

Suddenly, Lincoln heard the sound of five girls calling for help, along with the sound of maniacal laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the five girls, but they've been cornered by Malekith, and he's going to kill them.

Lincoln: Let's get over there at once, guys, I found the five girls, but they've been cornered by Malekith, and he's going to kill them.

?: (Girl's voice) That malevolent dark elf and plague of Asgard, let's get him!

Suddenly, we saw the Duel Monster, Spellbook Magician of Prophecy, appear before us, and it had The Spellbooks of Eternity, Fate, Knowledge, Life, Power, Secrets, The Master, and Wisdom levitating around it.

Nico: Whoa, that's Spellbook Magician of Prophecy, so awesome.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Ruby Bailey, but we'll talk later, we've got a plague of Asgard to kill.

We rushed over, and right before Malekith could claim his next victims, Lincoln fired powerful rainbow energy balls and elemental forces at him and some of The Dark Elves, and that allowed the five girls to get to safety inside a rainbow energy field created by Lincoln to protect them from Malekith. When Malekith saw us, he was beyond enraged.

Lincoln: Malekith, malevolent leader of The Dark Elves and Plague of Asgard, I should've known you'd one day show up here.

Malekith: I will enjoy destroying all of you, Team Loud Phoenix Storm, and then, I will destroy all of Asgard. Destroy them!

Malekith ordered his Dark Elves to attack, but Lincoln opened up some portals which fired powerful blasts of stars and elemental forces at the army of Dark Elves and killed them and sent them to The Black Gates, and it pissed Malekith off.

Lincoln: (Smirks) Nice try, Malekith, but you made a mistake in underestimating your opponent. Come on, gang, let's get him.

Then, the rest of the team appeared and they also attacked the malevolent Dark Elf of Asgard, then, Lincoln's outfit changed into Cloud Strife's Cloudy Wolf attire, and then, he used Cloud Strife's attack, Omnislash Version 5, and he launched Malekith into the air, and then, he teleported and slashed at Malekith all over the place and the energy swords also attacked him, and he finished the attack with a downward descending strike, and Malekith exploded and his spirit was sent into The Book of Vile Darkness, and Lincoln's outfit changed back. We cheered wildly as we holstered our weapons and power down.

Nico: Holy crud, Linc, did you just use Cloud's Omnislash Version 5?!

Lincoln: Yeah, I did.

Emily Giabagu: I also should've told you guys that he also knows every last one of Cloud's moves, and his outfit changed to Cloud's Cloudy Wolf attire when he used Omnislash Version 5, that was really amazing.

Eli: It sure is.

Nicole: That was the very attack Cloud used on Sephiroth, and it was really awesome and deadly.

Lincoln: You got that right, Nicole. And that's it for Malekith and his Dark Elf army. (To Ruby Bailey) And it's so good to see you again, Ruby Bailey.

Ruby Bailey reverted back to normal, and she's a beautiful girl with long flowing aqua blue hair, aqua blue eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful aqua blue angel wings and she had The Spellbooks of Eternity, Fate, Knowledge, Life, Power, Secrets, The Master, and Wisdom levitating around her, and she reigned in the power of Spellbook Magician of Prophecy, and she's dressed in a sleeveless aqua blue vest, sleeveless light blue top, light blue skirt, light blue pants, light blue legwarmers, light blue sneakers, and long sleeveless white trenchcoat with magic and spellbooks on the coattails, and Spellbook Magician of Prophecy on the back, and holstered on her back is a large 8'1" Spellbook Magician of Prophecy-themed Mage's Staff with a large aqua blue orb mounted on top of light blue raven heads with blue gems for eyes and below it is a large blue gem with a gold ring surrounding it and a blue dragon coiled around one end of the brown shaft and on the other end is a blue gem and below it are four smaller blue raven heads with blue gems for eyes and below the heads is a blue crescent weight and a blue gem below it.

Ruby Bailey: You too, Lincoln, it's been a long time, and it's also good to see you again, Luan.

Luan: You too, Ruby.

Lincoln went up to Ruby Bailey and they hugged, and Ruby Bailey is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and his massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice.

Lincoln: It sure has, I haven't seen you when you were sixteen, and as you can see, I really grew a lot since then, and Luan's grown into a beautiful woman.

Ruby Bailey: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and Luan's indeed become a beautiful young woman.

Nico: Whoa, Lincoln, you and Luan know her?

Lincoln: Indeed we do, Nico, this is Ruby Bailey, she's my Guardian Angel from Michigan and also, my classmate in Science, but she's also a powerful magician who has in her possession The Spellbooks of Eternity, Fate, Knowledge, Life, Power, Secrets, The Master, and Wisdom, and she studied the spells from those very powerful spellbooks and gained immense powers over magic and learned a ton of magical spells.

Nico: Whoa.

Luan: You got that right, and Ruby also helped Lincoln in his training with magic spells, and she also furthered his training by teaching him some very powerful and advanced spells.

Me: That's so awesome.

Lincoln: Yep, and we also helped Luan with some magic tricks, and we also did awesome magic tricks at the birthday parties Luan went to.

Luan: They really made the birthday parties even more amazing, just like with the other Guardian Angels, and to thank them, I arranged a beach date for Ruby and Lincoln, and while they were lying on the sand, Ruby and Lincoln kissed on the lips, and she also hates Lynn with a burning passion.

Nico: Lynn, what did you do?!

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Ruby Bailey's neck with aqua blue gems on the gold thunderbolt links and blue crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Ruby Bailey: (Spanish Accent) (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're part of my harem and one of my many future wives, Ruby.

Ruby Bailey had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Ruby Bailey's waist and Ruby Bailey wrapped her arms around Lincoln's thick muscular neck, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw them, he recognized them immediately. The five girls are Suletta Mercury, Chuatury Panlunch, Miorine Rembran, Nika Nanaura, and Wendy Olent from Mobile Suit Gundam: The Witch from Mercury.

Lincoln: Oh wow, it's Suletta Mercury, Chuatury Panlunch, Miorine Rembran, Nika Nanaura, and Wendy Olent from Mobile Suit Gundam: The Witch from Mercury.

Eli: Awesome.

Lincoln: Are you girls okay?

Suletta Mercury: Yes, we're okay, thanks to you.

Then, when Suletta Mercury and the other four girls saw who it was that saved them Malekith and his Dark Elf armies, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made four clones of himself, and he and the four clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Suletta Mercury: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Thunderbird Necklaces of Eternal Love appeared on the necks of Suletta Mercury, Chuatury Panlunch, Miorine Rembran, Nika Nanaura, and Wendy Olent with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned home to the World Tree Estate, and we were rid of

Malekith and his army of Dark Elves.

Maria: And there's no need to explain any of this to us, since all of us were involved in this.

Lincoln: Yep. But, now we're rid of Malekith, and we can consider this his first strike.

Nico: Yep, two more strikes, and he's done.

Me: Big time.

Lincoln's harem went up to Lincoln and kissed him, and Lincoln and Ruby Bailey have a lot of catching up to do, now that she's back in town.

---

After putting an end to Malekith and the Dark Elves, we were training intensely in the gym, this time, doing 900,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Ruby Bailey saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Ruby Bailey: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Ruby, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Ruby Bailey: That's incredible.

Nico: It sure is. So, Ruby, what's the story on why you hate Lynn with a burning passion?

Ruby Bailey: You're not going to like it one bit. One day, we were at the Lewises' birthday party and we were entertaining everyone there with our magic show, but then, a baseball was sent flying at us, but Lincoln stopped it with telekinesis before it could hit us and Luan, and Luan and Lincoln knew of one person who would throw a baseball at us to try and ruin our magic show: their sport-crazed, superstitious, smelly pig of a sister, Lynn, and she was mad that Lincoln stopped her baseball from hitting us. This caused her to go crazy and she charged at us to kill us, but Lincoln and I had a secret weapon in hand: The Magicians' Boxes, and as we got out of the way, Lynn went in one box, and she magically appeared out of the other, but she was tied up in a straitjacket and chains and her mouth was covered with a gag.

We cheered wildly for what they did.

Nico: Oh man, that was really awesome, you guys used magic to outsmart Lynn.

Luan: I didn't expect them to use The Magicians' Boxes, but they stopped Lynn, and after the party was over, we went back home and we dragged Lynn home as well, and she was still bound in a straitjacket and chains and her mouth was gagged. We then told Mom and Dad of what Lynn tried to do, and they grounded her for five weeks, and she had to miss some of her games as well, and that really set her off. But, before she could try to attack, Lincoln threw her in a titanium cage and put her fingers in Chinese Finger Traps, she had it coming.

Me: Big time, I still remember that all too well.

Nico: Whoa.

Lincoln: We eventually stopped throwing them in the basement, and we resorted to that.

Eli: True.

Nico: Sheesh, Lynn just doesn't know when to quit until she's ruined you and killed you.

Ruby Bailey: And because of it, she's earned my hatred. Plus, I also watched Lori, Lola, Lisa, and Luan, since I knew of their dark sides as well, and it's true Lincoln had to deal with many enemies from school and Lori, Lynn, Lola, Lisa, and Luan at home.

Adriana Ardelean Dracula: (Romanian Accent) But, there's one big-time enemy who's also wanted to ruin Lincoln's good name and reputation and turn everyone he knows and loves against him.

Adriana Ardelean Dracula took out a photo of a girl with long black-hair, black eyes filled with hate, fair skin, evil demonic grin on her face, and black clothes, and she looks like pure evil incarnate.

Nico: Yikes, this girl looks like she's bad to the bone, who is she?

Nicholette Torrington: Someone we hoped never to hear again. Her name is Clarissa Mallory, she's a pure evil, mean, psychopathic, sadistic, heartless bad girl, she's what we'd call a Class A-Quintuple Bitch to The Infinite Power With A Black Heart of Extreme Hatred and Pure Evil Incarnate. She was known as "The Nightmare Bitch of Royal Woods", she's harbored a ton of hate for Lincoln and his life, so much so, she's wanted nothing more than to ruin Lincoln's good name and reputation and turn everyone he knows and loves against him, and then, she can kidnap, torture, and kill him to slake her never-ending sadism.

We gasped in shock at what we'd heard, that girl was a total bitch to the core.

Nico: WHAT A BITCH!

Me: Big time!

Clara St. Clarice: She's tried numerous times to ruin Lincoln's good name and reputation and turn everyone he knows and loves against him, so she can kill him to slake her never-ending sadism, but we've stayed on top of her schemes and ruined them all one by one, and she was also on top of our list. But, we also found out she's killed a lot of people before, and among the list of victims were her own parents and sister, who are trapped in the living world and won't pass on until Clarissa dies and is sent to her eternal punishment.

Maria: That selfish, murderous bitch!

Lincoln: She's even worse than many of my enemies from the past and our enemies from long ago, but my Guardian Angels stayed one step of her, and ruined her plans one by one. I still remember that day when The Guardian Angels and I took her down, after her latest scheme was foiled. When we exposed her to the world, she was labelled with so many names, "Michigan's Worst Nightmare", "A Monster Who Has No Place In Society", and "A Psychopathic, Murderous, Sick, Twisted, Evil Monster Who Revels In Lying And Murdering Others for Her Sick Amusement"

Lori: She was literally that sick in the head and hated Lincoln that badly, she'd resorted to the same things we've tried to do to him.

Lynn: We didn't want to help her, and we had to help Lincoln.

Lincoln: You, Lori, Lola, Lisa, and Luan really helped us greatly on that day, Lynn. After that, Clarissa was arrested and she was taken to trial. Her lawyers pleaded Not Guilty by Reason of Insanity, but we saw right through her façade, and we presented the evidence against her, and the jury was horrified. In the end, Clarissa was found guilty of all her crimes, and since she was tried and found guilty as an adult, she was sentenced to Life In Prison Without The Possibility of Parole, and she was dragged off to Ionia Correctional Facility, where she was put in Solitary Confinement for the rest of her life, and was never to be let out ever.

Nico: Nice one.

Lincoln: But, we also swore if she ever broke out to take her revenge on me and my Guardian Angels, along with everyone I know and love, she would die a brutal death for all the horrible things she's done.

Me: Good thinking, if she's just like your many enemies, Linc, then there's only one thing awaiting her.

Nico: The Black Gates.

Me: Yep.

We got a shower afterwards, and then, Casey Rhodes and Satsuki Kiryūin are heading down to Ito Orange Beach, Japan for their first beach date.

Casey Rhodes was dressed in red swim shorts with flames and a tiger and sandals, and Satsuki Kiryūin was dressed in a two-piece light blue bikini and sandals.

Casey Rhodes: Wow, so this is Ito Orange Beach.

Satsuki Kiryūin: Yep, and it's perfect for our first date, Casey. Shall we?

Casey Rhodes and Satsuki Kiryūin dived right into the waters and they were swimming in the clear waters and they saw the sea creatures and plants that live there, and they had a game of volleyball and they also had some lunch on the sand, and then, Casey Rhodes went up to Satsuki Kiryūin, and he wrapped her in his arms and she wrapped her arms around his neck and they placed her right hand on his chest, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes.

Nico: Hey, guys, how was your date?

Casey Rhodes: It was amazing, Nico, we went to Ito Orange Beach in Japan.

Satsuki Kiryūin: And it was perfect for our first beach date.

Nico: Awesome.

Me: And Lily, Theo, Jarrod, Camille, Dominic, and R.J. were glad to hear that you guys hooked up since last year.

Lily Chillman: When we saw them getting together, we were really happy for them. Plus, after all the suffering Satsuki went through, this was a perfect way to welcome her to a new life.

Later we were over in Shanghai, China and we were there to meet another one of the Chinese Digidestined.

Skyla: Who are we meeting this time?

Nico: We're going to meet Yue Hong and her partner Digimon, Apemon.

Me: Awesome!

Laney: That is cool!

Izzy: It'll be good to see her again.

Kari: She helped us bring a massive number of Digimon over to Kowloon Park in Hong Kong so we can send them back to the Digital World.

Nico: That's right.

Then we saw a bank robbery in progress and we saw a girl and her Apemon stopping the robbers.

Nico: There they are. Lets go!

We went at the robbers.

Yue Hong: Lets get them!

They went at the robbers and pulverized them and we jumped in and finished them and smashed them down and tied them up.

Nico: Take that!

Yue Hong: Nico! Awesome to see you again. And you too Izzy and Kari.

Izzy: Same here Yue.

Kari: You and Apemon did great battling those robbers.

Nico: Yeah you did awesome. Well done.

Rocko: (Australian Accent) It's nice to meet you, Yue.

Yue: You too.

Nico: How have you been?

Yue: Busy as ever. But it's awesome to see you again Nico.

Yue's Apemon: Yeah you have changed a lot.

Nico: All of us have. And the Poi Brothers are doing good too.

Eli: Yeah we met them when the eldest brother was under the control of a Number Card.

Me: Long story on that. It was crazy but weird too.

Laney: Yeah.

Rippersnapper: You eat bananas, don't you?

Yue's Apemon: I eat bananas yes but I mostly eat Chinese Noodles.

Davis: You would be perfect for when I open a noodle cart.

Me: And I do have the good place to start to help you get ready for that Davis.

Naruto: Yep. You can do a traveling Ramen Cart for Ichiraku Ramen.

Me: Not a bad idea bro.

Sakura Haruno: When it comes to Ramen you bet Naruto will do anything for it.

Me: Yep.

We laughed.

Yue: That's true.

Sludge: Me Sludge like monkey already!

Yue's Apemon: Thanks.

Qin: We all do.

Yue: It's going to be an honor to be with you all.

Me: Same here Yue.

Nico: We already have many Digidestined from all over the world with us.

Me: We just have Vietnam to cover and then fan out all over the world to find more Digidestined and then we'll have ALL of the Digidestined from all over the World with us.

Nico: We sure will.

Laney: Yeah.

We went back home.

---

We arrived back home.

Molly Hale: I'm ready for the next mission!

Nico: Love that spirit Molly and you guys are going to love what I have for the next mission. We're going to meet Jim Evers in the awesome 2003 Disney Movie THE HAUNTED MANSION! (THUNDER CRASHES)

Shaggy: ZOINKS!

Scooby Doo: RIKES!

Me: I had a feeling they would be chicken.

Nico: Yeah. Yusuke was right on that. First we're going to watch the movie and get an idea of the mission.

Jim and Sara Evers are successful realtors with two children, Michael and Megan. A workaholic with little time for his family, Jim misses his wedding anniversary and tries to make amends by suggesting a vacation to the nearby lake. Sara is contacted by the occupants of Gracey Manor, located in the nearby bayou; Jim, eager to make a deal after learning where the mansion is, takes his family there, meeting its owner, Edward Gracey, his butler Ramsley and his other servants; maid Emma and footman Ezra.

When a rainstorm floods the nearby river, Gracey lets the family stay for the night. Ramsley takes Jim to the library to discuss the deal with Gracey, but Jim becomes trapped in a secret passage. Gracey gives Sara a tour of the mansion, discussing his past and his "grandfather"'s death after the suicide of his lover, Elizabeth Henshaw. Megan and Michael follow a spectral orb to the attic, where they find a portrait of a woman that bears an almost identical resemblance to Sara. Emma and Ezra appear, and identify the woman as the late Elizabeth.

Meanwhile, Jim meets Madame Leota, the ghost of a gypsy whose head is encased in a crystal ball. He runs into Emma, Ezra and his children, and returns to Leota for answers about Elizabeth's likeness to Sara. It is then revealed that the mansion's inhabitants are ghosts, cursed a century ago by Elizabeth's and Gracey's untimely deaths, and can only enter the afterlife when the lovers are reunited; Sara is believed to be Elizabeth's reincarnation. Leota sends the Evers to the mansion's cemetery to find a key that will reveal the truth about Elizabeth's death. In a crypt beneath a mausoleum, Jim and Megan find the key, but inadvertently disturb its undead residents. However, they escape with help from Michael, who overcomes his arachnophobia.

Leota leads them to a trunk in the attic, which Jim unlocks to find a letter Elizabeth wrote to Gracey, revealing she truly loved him and wanted to marry him, indicating that she did not commit suicide as everyone believed. Ramsley then appears and reveals he murdered Elizabeth to prevent Gracey from abandoning his heritage, as he believed their relationship was unacceptable. To hide the truth, Ramsley traps the children in a trunk and literally throws Jim out of the mansion. As Gracey and Sara rendezvous in the ballroom, she is confused when he asks if she recognizes him, and he insists she is his beloved Elizabeth. The room fills with dancing ghosts as Gracey reveals his ghostly self, but Sara denies being Elizabeth. This gives Gracey second thoughts, but Ramsley insists that Sara is Elizabeth and, in time, she will remember. Ramsley then blackmails Sara into marrying Gracey in exchange for her children's safety.

Encouraged by Leota, Jim manages to re-enter the mansion, rescue his children, and stop Sara and Gracey's wedding. He gives Gracey Elizabeth's letter and Ramsley's crime is exposed. As Gracey angrily confronts Ramsley, the latter hypocritically-rages at his master's apparent selfishness for loving Elizabeth and summons wraiths to attack the group. However, with the truth revealed, a fiery entity emerges from the ballroom's fireplace and drags Ramsley down to Hell to face eternal punishment. Ramsley attempts to take Jim with him, but he is saved by Gracey. Sara collapses, having been poisoned by Ramsley during the wedding ceremony, but the spectral orb appears and possesses Sara. The orb is revealed to be Elizabeth's ghost, who could only be released from her current form once the truth was revealed, and thanks Jim for saving her. Elizabeth and Gracey reunite as Sara is subsequently revived.

With the curse finally lifted, Gracey gives the Evers the deed to the mansion and departs to Heaven with Elizabeth, Emma, Ezra, and the mansion's other inhabitants. The Evers drive across the Lake Pontchartrain Causeway for a proper vacation, accompanied by Leota and four singing busts that they encountered while searching for the mausoleum, strapped to the back of their car.

---

It was really awesome and it was so amazing. When the movie was done we were cheering wildly!

Nico: That was great!

Qin: YEAH!

Shaggy and Scooby were still shaking like leaves.

Nico: Oh brother.

Batroc: Me, Grizzly, Swordsman, Top, Gearhead, Abra Kadabra, Trapster, Ragdoll, Vanitas, and Johnny 13 will go with you guys.

Phantom: So will me, Grizzaka, Yost Molten Man, Evil Flare Woman, Quark, Trifire, Ghost of Jeremiah Pratt, Ghost of Merlin, Evil Cut Man, and Le Quack. I'll fit right at home there. (to Shaggy and Scooby Doo) Some things never change, huh?

Nico: Awesome. You guys are coming with us anyway and no some things never will change.

Me: Yeah those two were born with cowardly yellow stripes down their backs.

Eli: But we still love them.

Crystal: Yeah we sure do.

Nico: And our main target for this mission is Ramsley. We're going to kill that monster and give him the black gates.

Me: First what can you tell us about him?

Nico: Well it's not pretty.

He went over his history.

---

Ramsley is the main antagonist of Disney's 2003 comedy-fantasy film The Haunted Mansion, based on the Disney attraction of the same name.

He seems at first to be just an ordinary average butler. However, it is later revealed that Ramsley is actually capable of much evil, even murder. He is Jim Evers' archenemy.

He was portrayed by Terence Stamp, who also played General Zod in Superman and Superman II, William Harcourt in Alien Nation, the Prophet of Truth in Halo 3, Mankar Camoran in Elder Scrolls IV: Oblivion, Jor-El in Smallville, Jack Taylor in My Boss's Daughter, Siegfried in Get Smart and Professor Menace in Static Shock.

Ramsley is something of a servant figure to Edward Gracey, the master of the Mansion. However, he uses the relationship to manipulate Edward.

It is later revealed that Ramsley was a racist as he despised Edward's love interest Elizabeth Henshaw (who was of low-class but respected servant of mixed race and African American heritage) and feared that Edward's marriage proposal to Elizabeth would make him abandon his white heritage and lineage; despite the fact that Edward was willing to extend his legacy to multiracial people. To that end, Ramsley secretly murdered Elizabeth with a poisoned drink during a ball and made it look like she committed suicide by hiding her letter accepting Edward's proposal and replacing it with another one detailing her rejection.

Despite being satisfied that he disposed himself of Elizabeth, Ramsley did not expect that Elizabeth's death would devastate Edward into following suit and hanging himself out of grief. Upon Edward's suicide, a curse was cast over the mansion and everyone inside the mansion (including Ramsley) have all been turned into ghosts. Ramsley and the occupants soon learned that the only way to break the curse is for Elizabeth and Edward's spirits to be reunited, otherwise they would be unable to leave to the afterlife. Despite this, Edward and the rest of the occupants remained unaware about the true causes of Elizabeth's death.

Years later, a real-estate agent named Jim Evers and his family were lured to Gracey Manor, as Jim's wife Sarah was the spitting image of Elizabeth (since she and her family are of African-American heritage), and Ramsley believed that she could satisfy his master's desire for Elizabeth, despite Sarah being married to Jim. As the family looks around the the mansion, Jim's children Megan and Michael were lured by a spectral orb to a picture of Elizabeth (resembling Sarah) in the mansion's attic, and Jim encounters a ghost named Madame Leota, who tells him about the curse and gives him clues to finding the truth about Elizabeth's true fate.

Following Leota's directions, Jim and the kids discover a key in the mansion's cemetery that leads to a chest inside the mansion's attic. Jim opened the chest and found Elizabeth's real letter detailing her acceptance to Edward's proposal, suspecting that someone murdered her and staged it as a suicide. However, Ramsley revealed his true colors by locking both Megan and Michael in the chest and admitting to Jim that he murdered Elizabeth out of prejudice against black and multiracial people, prompting an offended Jim to declare that he will report Ramsley's crime to Edward. Anticipating this, Ramsley gets Jim thrown out from the mansion before having it magically sealed so that Jim cannot get back in.

Meanwhile, Sarah is confronted by Edward, who believes that she is Elizabeth's reincarnation, but she denies this and runs away in terror. Edward begins to doubt that Sarah is his lover reborn, but Ramsley assures him that Sarah is Elizabeth, and tells his master to prepare for his long awaited wedding. As it turns out, Ramsley is planning to use Sarah to break the curse, so he blackmails Sarah into agreeing to the marriage by threatening to harm Megan and Michael.

At the wedding, Ramsley takes on the role as the royal priest and puts iocane powder into the ceremonial wine in order to kill Sarah once she and Edward finish their vows. However, Jim uses his car to break into the mansion's conservatory (with the help from Leota) and rescue his kids before giving Elizabeth's real letter to Edward, revealing Ramsley's true role behind the curse. At first, Ramsley tries to deny this by calling Jim a lunatic, but Edward (after seeing the letter) refuses to accept this by demanding Ramsley to tell the truth.

Realizing that he is unable to cover his tracks further, Ramsley finally admits his role in ending the "unacceptable" union because of his racism. With this revelation revealed, Edward furiously berated Ramsley for his actions, but Ramsley didn't care by saying that he spent all of his life living up to the Gracey name and honor and that he will no longer bear of it due to Edward's genuine love for Elizabeth. As such, Ramsley angrily condemns everyone to be sent to Hell and summons several ghosts to attack everyone else present.

However, with Ramsley admitting to his heinous crime, a Satanic dragon composed entirely of fire comes out of the mansion's fireplace and scares away Ramsley's minions. The dragon then wraps its tongue around the evil ghost to drag him back to Hell to face punishment for his crimes. Out of spite for being foiled, Ramsley grabs onto Jim, attempting to drag him down with him, but Edward saves Jim at the last moment, leaving a screaming Ramsley to fall down alone into his damnation.

Despite Ramsley's defeat, Sarah succumbs to the poison, but is revived by the same spectral orb that is revealed to be Elizabeth's ghost, who reunites with Edward following Ramsley's defeat. The curse is finally lifted, allowing Edward, Elizabeth and their fellow ghosts to ascend into Heaven and for Jim and his family to inherit the mansion's deed, thus leaving Ramsley's plan in vain.

When it was done we were shocked!

Qin: What a heartless fiend!

Nico: Yeah!

Me: I hate this monster! I will kill him regardless of him being a ghost!

Eli: Me too!

Manterror: Nico, which Gene Slammer do you think you'll meet next?

Nico: Next up is gonna be Leon The Lead.

Me: Ooh! This will be number 4 of the Alchemy Beasts.

Qin: Yeah it sure will be. And then we have Ouroboros the Bronze and Salamandra the Steel after.

Nico: Yep.

Laney: Now it's time to get moving.

Draculaura: (Transylvanian Accent) I'm always ready for this.

Me: We all are.

Nico: Now it's time to pay Ramsley a visit.

Shaggy: Like go to that haunted house!? (COWARDLY CRYING) Like not on your life! NO WAY!

Scooby Doo: Forget it!

Varie: Come on guys! We need to help Jim.

Shaggy: UH UH! NO WAY! We're not going!

Scooby Doo: And you can't make us!

Erika Haddock then grabbed them and picked them up.

Erika Haddock: But I can.

Shaggy: Like I hate having to go through this!

Nico: What a pair of chickens! Lets go guys!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was: the figure was none other than Gill, and he's heading here to get revenge on us for what we did in ruining their plans to conquer Earth. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Gill on the move?

Lincoln: You guessed it, Nico, and he's heading here to get revenge on us for what we did in ruining their plans to conquer Earth. But, we'll be ready for him and Krakix.

Mia Addison: Will the same strategy that you used with Lythirus, Lumagrowl, and Strikeflier be used with Krakix, Linky?

Lincoln: I'm afraid that's not going to be easy with him, Mia. Krakix also has the ability to transform into his silver F-22 Raptor form, thanks to the stolen Cybertronian Technology from last year.

Mia Addison: What?! Gill stole some Cybertronian technology and with it, Krakix has the ability to transform into a Silver F-22 Raptor form?!

Nico: Yeah, it wasn't an easy task when we fought him over a year ago.

Me: So, you guys better be ready for a big fight.

Lincoln: We're ready, but to make sure, I've deactivated my curse for Krakix, if we're going to win this fight, we're going to take down both Krakix and Gill.

Nico: Good idea, Linc. Alright, guys, let's go, let's head down to The Haunted Mansion to meet Jim Evers.

Lincoln: And send that ghost, Ramsley, to The Black Gates for good. And once we're done with that polter-nuisance, you're next, Gill.

Yost Molten Man: Let's get over there.

Gearhead: But first, I need a vehicle to use.

Nico: I got one.

Nico pulled out an old Hearse.

Gearhead: That will work.

With that we were off!

---

We then arrived at the Haunted Mansion.

Me: Here we are guys.

Qin: WHOA!

We saw that it was a really scary and creepy house! Lightning struck all over the place and ghost wailing was heard and also bats screeching was heard.

Nico: WHOA!

Lucy Loud: Wicked.

Brittney: A Perfect place for the Goths of Darkness to enjoy.

Me: Just as haunting as the Stanley Hotel in Estes Park.

Nico: Maybe worse.

Ruckus: You think we'll see Madam Koi Koi there?

Nico: Not likely.

We went up to the door and then it opened all on its own.

Shaggy: ZOINKS!

Nico: Lets head in.

We went in

Shaggy: I'm out of here!

Scooby: Me too!

Erika grabbed them just as they were about to run and she pulled them and Shaggy and Scooby were clawing the ground as they were being dragged.

Erika Haddock: Come on you babies! You are not being chicken on my watch!

We went in and the door closed.

Swordsman: There's nothing to be afraid of, you two.

Quark: Except for maybe those singing graves over there.

Nico: I remember those singing graves. They were cool.

Shaggy was being more of a coward.

Me: What a fraidy cat.

Laney: Yeah.

We were walking around and Shaggy looked like he was going to pee his pants.

Doofenshmirtz: Okay, I admit those singing graves sing good songs. But I've sung better during my evil days against Perry the Platypus.

Nico: Yes you did.

Eli then got a mischievous idea.

Eli: Hey Shaggy is that a pizza I see covered in marshmallows and chocolate behind you?

Shaggy: Like oh boy! Where!

But there was nothing.

Shaggy: Oh like very funny El…

Eli had on a scary horrifying mask that looked like that of The Cloud B4 Carrier from The Thing and he scared Shaggy with it with a horrifying roar!

Shaggy: (SCREAMS IN FRIGHT!) (FAINTS)

FWOMP!

Eli laughed as he took it off.

Kate Lloyd: Okay that was really funny.

Trapster: That was funny!

Ghost of Jeremiah Pratt: But what about Scooby?

Scooby: Eli told me his plan and I was cool with it.

Me: Yeah that was cool. Hey where did you get that awesome mask bro?

Eli: I made it.

Me: That's really well made.

I looked at it.

Me: It looks just like the real thing. Very well done.

Nico: Yeah.

Kate Lloyd: It's really articulate and accurate Eli.

Eli: Thanks.

Shaggy woke up.

Shaggy: (Mad) Like that was not funny Eli!

We laughed.

Me: Sorry Shaggy. Eli has a mischievous side to him.

Nico: Yeah Shaggy lighten up. It was just a prank. You guys deal with guys in makes all the time.

Shaggy: Like yeah you're right.

Wood Man: Sheesh, is Jim occupied with something or what?

?: Someone in here?

We saw Jim Evers!

Me: Are you Jim Evers?

Jim Evers: Yes that's me. Wow! Team Loud Phoenix Storm it's an honor to have you grace my home.

Me: Sorry to intrude like this Jim.

Jim Evers: It's all right but it's awesome you're here.

Nico: It's awesome to meet you though.

Jim Evers: Same here Nico.

Evil Cut Man: Wait. Your home?

Vanitas: Last time we checked, this wasn't your house.

Jim Evers: Yeah we got stuck in a rainstorm and we found this home to spend the night.

Nico: That sucks.

Jim Evers: Yeah.

Me: But at least you're okay now. I'm sorry you guys got stuck here. We're actually here to help you guys.

Nico: Yeah. That's why we're here. To help kill Ramsley.

Me: Yeah. Is your wife Sara here?

Jim Evers: She is.

Sara Evers came.

Sara Evers: Team Loud Phoenix Storm. What an honor.

Nico: Same to you Sara.

Qin: Awesome to meet you.

Bombshell (Skylanders): (British Accent) Are your children here as well?

Then 2 kids came chasing a kid ghost running down the hall.

Sara Evers: Here they are. Meet Megan and Michael Evers and the ghost they are chasing is Myrtle.

Qin: Wow!

Megan Evers: Wow! Team Loud Phoenix Storm!

Michael Evers: It's an honor to meet our awesome heroes!

Me: Same to you guys.

Nico: Wait a sec is that Moaning Myrtle who was in Hogwarts?

Moaning Myrtle: (Moaning) Yeah it's me.

Qin: Wow! I thought you looked familiar.

Moaning Myrtle: (Moans) (British Accent) It's good to see you again guys.

Me: Same here Myrtle.

Michael Evers: You guys know Myrtle?

Luna Lovegood: (British Accent) She's the Ravenclaw House Ghost and we talk to her every now and then.

Me: Yeah we have a huge history with many figures and more.

Jim Evers: I'm glad you guys are gonna get rid of Ramsley. After what that fucker tried to do to Sara, he deserves to go to Hell!

LeQuack: (French Accent) Someone is still sore about him.

Jim Evers: Well, when you think your wife is about to die, you could probably understand.

Johnny 13: If that were Kitty in Sara's shoes, I would understand completely.

Me: I feel the same way.

Nico: Me too.

Vince: Yeah me too.

Maria: Same here.

Lola: Yeah.

Me: But we're actually going to give Ramsley the Black Gates.

Jim Evers: The Black Gates?

Me: It's the deadliest technique we have in our arsenal.

I told them what it does and what it can do and how it works and they were amazed.

Jim Evers: Wow! That is incredible!

Nico: It sure is.

Mr. Boss: Is Madame Leota here as well?

Madame Leota's face appeared in the crystal ball.

Madame Leota: Someone call?

Mr. Boss: Whoa!

Me: Wow!

Madame Leota: It's an honor to meet the great Team Loud Phoenix Storm.

Me: You too Madame Leota.

Nico: It's amazing that you are in a crystal ball.

Madame Leota: It's home.

Me: Yeah.

Madame Leota: I can guarantee that your ambassador missions after Zayto and his friends will be even more greater.

Ragdoll: I can't wait for them.

Me: Boy me neither.

Madame Leota: I can't show you all of them. But I CAN show you the first 4.

Me: Cool.

Madame Leota showed us images of the heroes of Extreme Ghostbuster, Alien Racers, Zixx, and Dinotrux.

Ghost of Merlin: Are some of those images of dinosaurs mixed with construction vehicles?

Me: Wow! Those are the Dinotrux! That is so cool!

Danny Phantom: And those are the Ghostbusters!

Me: Looks like we're going to help Peter Venkman and his team take down more ghosts. We haven't done that in a long time.

Nico: It has been a while.

Eli: And those Alien Racers look so awesome!

Varie: We're in for quite an adrenaline rush on that one!

Courtney: And Zixx is really cool! You guys will love her. I also know

Adam Frake and Zixx and her team.

Nico: Whoa!

Camie: That's awesome Courtney!

Dirge: Wait. Egon, Venkman, and the others are there, sure. But those 4 are new to us.

Venkman: (laughs) Don't worry. We'll tell you more about them when it gets closer to Halloween.

Me: Okay. Looks like the torch was passed on to someone else.

Qin: Yep.

Me: You guys got to remember. Its been 38 years since the Ghostbusters movie came out.

Nico: Yeah and we met the Ghostbusters back in 2019. That was so awesome.

Laney: Yeah it was.

Me: And Peter, Walter Peck is still a Pencil Dickless Motherfucker.

We laughed hysterically at that one!

Qin: (LAUGHS) That is very good!

Camie: (LAUGHS) Yeah.

Trifire: Nico, which backup core members do you have for us this time?

Nico: Driscoll, Potion Nova, Elena Validus, Bowser, Bianca Whendolla, Tso Lan, Cryos, Ruby Bailey, Xion, and Irwin.

Abra Kadabra: Good choices.

Me: Awesome choices!

Lola: Yeah!

Nico: Cool!

Ruby Bailey: It's going to be an awesome honor to be given an archenemy.

Elena Validus: Same here.

Potion Nova: Same here Nico. It's going to be an honor.

Metal Man: We better make sure none of the drinks here are poisoned like last time.

Nico: Good idea.

Qin: Yeah.

Lisa Loud: I'll do the checks right now.

Lisa ran the tests and found out that the fruit punch in the punch bowl that was left out was spiked with poison.

Lisa Loud: The punch in the punch bowl has been spiked with poison.

Nico: Throw that stuff out.

I took it and dumped it into a plant and then it died.

Nico: Whoa! Good thing we didn't drink any of that.

Me: And it's good we're immune to all forms of poison anyway,

Top: We better go after Ramsley now.

Evil Flare Woman: Before he tries anything else.

Nico: Right. Lets do it.

Me: It's buttkicking time!

Jim Evers: He's over in his study.

Me: We better take the fight outside. It's too cramped in here.

Jim Evers: Good idea. I'll go get him.

Me: Okay.

Nico: Lets head outside and wait.

Shred Naught: Entrance time!

We went outside and waited.

Jim went to get Ramsley.

Jim Evers: Ramsley can you come with me outside? I want to have a word with you.

Ramsley: Certainly.

He walked outside with him.

Nico: Time for the entrance.

We went at him.

Ramsley: So what do you wish to talk about?

Jim Evers: Just my friends want to say something.

Then the area turned into the 7th Circle of Hell - Violence and then the souls of the damned floated around Ramsley and he was in fright and then they screamed in pain as they were plagued by their sins and then they converged and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out above him and the spirits of the Avengers appeared to and fireballs rained down and smashed him all over and then a phoenix cry was heard and then we came out!

Me: Ramsley you shitsucking dustmonger, you are in a lot of huge trouble!

Qin: YEAH!

Ramsley: Who are all of you!?

Me: Your worst fucking nightmare!

Nico: That's right!

Me: You're going to pay for everything you did Ramsley!

Nico: We came to kill you!

Ramsley: How amusing. You all want to kill a ghost.

Grizzaka: Even ghosts like you aren't invincible.

Grizzly: Even without our power, there are still ways to kill ghosts!

Me: That's for sure. But here in Hell…

I teleported and punched him in the face and smashed him into the ground.

Ramsley: What the?! HOW!? I'm a ghost! Your punches don't hurt me!?

Me: In Hell that doesn't mean anything. Because Ghosts are physical here. And they feel pain!

Then Spymaster, Madame Masque, Mr. Mittens, Roxy Rocket, Comic Book Guy, Mumbo Jumbo, Knightbrace, Electrocutioner, Fixer, Absorbing Man, Mike Rochip, Shaman Apsu, Tiki Tak Tribe, Cyborg Lightspeed Rescue Rangers, Marina Del Ray, Glomgold, Vomiting Frog Prince, Warp, and Lego Poison Ivy appeared.

Madame Masque: Looks like you guys got sneak peeks to the 2023 Ambassador missions.

Maria: We sure did.

Me: They are looking really cool so far.

Spymaster: I hope we get sneak peeks like that more often.

Roxy Rocket: I'm sure we will.

Me: Oh it's always awesome to be given sneak peeks.

Mr. Mittens: (to Nico) We heard you faced another Cartman kid.

Nico: We sure did.

Me: He was an enemy from Nico's past.

Comic Book Guy: Worst. Kid. Ever.

Me: That's putting it mildly.

Then Tooth Decay Jamen came out!

Me: First official time facing you since the Kiramager mission.

Tooth Decay Jamen: Yeah it's awesome.

Nico: Nice!

Tooth Decay Jamen: I hope you've been brushing your teeth!

William: Oh, we have!

Me: Yeah we have. (Smiles) (DING)

Tooth Decay Jamen: Good job.

We got the battles underway.

battling Eric Hartman

---

Madame Masque was first.

Madame Masque: (to Timmy) Nico's rescue was settling a score against Eric Hartman. That is honestly one fucked up kid!

Timmy Turner: You're not kidding there! He was screwed up to the brink!

Twilight Sparkle: Yeah no kidding there! He was mean to the core.

Starshine Sparkle: And I thought Icky Vicky was bad. He was 10,000 times worse.

Spyro: Boy you aren't kidding there.

Cosmo: (Picks his nose) Yeah and I like it.

BLANG!

Wanda hit him on the head with an anvil.

WHAT AN IDIOT!

Wanda: Cosmo you are a dunderhead! But I can't believe that Nico faced a kid like that.

Madame Masque: Boy you're not kidding there. Growing up I had my own fair share of bullies to deal with but Eric Hartman was the absolute worst. Lets do it!

MADAME MASQUE! DAUGHTERS OF AKU!

Timmy fired waves of magic and smashed her down. Timmy activated his Shift Car and fired waves of magic and smashed her down. Timmy activated his Ridewatch and they danced to magic music and they fired waves of magic and smashed her down.

Mr. Mittens: (to CatDog) I heard you guys met a gene-slammer for Spellbook Magician of Prophecy. What's her name?

Cat: Her name is Ruby Bailey and she knows everything about magic in light and dark.

Dog: And she puts on amazing parties to help Luan.

Fluttershy: And she has a really great talent.

Tornado Bolt: Boy she sure does. And her story is awesome.

Ruby Bailey: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Ruby, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Ruby Bailey: That's incredible.

Nico: It sure is. So, Ruby, what's the story on why you hate Lynn with a burning passion?

Ruby Bailey: You're not going to like it one bit. One day, we were at the Lewises' birthday party and we were entertaining everyone there with our magic show, but then, a baseball was sent flying at us, but Lincoln stopped it with telekinesis before it could hit us and Luan, and Luan and Lincoln knew of one person who would throw a baseball at us to try and ruin our magic show: their sport-crazed, superstitious, smelly pig of a sister, Lynn, and she was mad that

Lincoln stopped her baseball from hitting us. This caused her to go crazy and she charged at us to kill us, but Lincoln and I had a secret weapon in hand: The Magicians' Boxes, and as we got out of the way, Lynn went in one box, and she magically appeared out of the other, but she was tied up in a straitjacket and chains and her mouth was covered with a gag.

We cheered wildly for what they did.

Nico: Oh man, that was really awesome, you guys used magic to outsmart Lynn.

Luan: I didn't expect them to use The Magicians' Boxes, but they stopped Lynn, and after the party was over, we went back home and we dragged Lynn home as well, and she was still bound in a straitjacket and chains and her mouth was gagged. We then told Mom and Dad of what Lynn tried to do, and they grounded her for five weeks, and she had to miss some of her games as well, and that really set her off. But, before she could try to attack, Lincoln threw her in a titanium cage and put her fingers in Chinese Finger Traps, she had it coming.

Me: Big time, I still remember that all too well.

Nico: Whoa.

Lincoln: We eventually stopped throwing them in the basement, and we resorted to that.

Eli: True.

Nico: Sheesh, Lynn just doesn't know when to quit until she's ruined you and killed you.

Ruby Bailey: And because of it, she's earned my hatred. Plus, I also watched Lori, Lola, Lisa, and Luan, since I knew of their dark sides as well, and it's true Lincoln had to deal with many enemies from school and Lori, Lynn, Lola, Lisa, and Luan at home.

Adriana Ardelean Dracula: (Romanian Accent) But, there's one big-time enemy who's also wanted to ruin Lincoln's good name and reputation and turn everyone he knows and loves against him.

Adriana Ardelean Dracula took out a photo of a girl with long black-hair, black eyes filled with hate, fair skin, evil demonic grin on her face, and black clothes, and she looks like pure evil incarnate.

Nico: Yikes, this girl looks like she's bad to the bone, who is she?

Nicholette Torrington: Someone we hoped never to hear again. Her name is Clarissa Mallory, she's a pure evil, mean, psychopathic, sadistic, heartless bad girl, she's what we'd call a Class A-Quintuple Bitch to The Infinite Power With A Black Heart of Extreme Hatred and Pure Evil Incarnate. She was known as "The Nightmare Bitch of Royal Woods", she's harbored a ton of hate for Lincoln and his life, so much so, she's wanted nothing more than to ruin Lincoln's good name and reputation and turn everyone he knows and loves against him, and then, she can kidnap, torture, and kill him to slake her never-ending sadism.

We gasped in shock at what we'd heard, that girl was a total bitch to the core.

Nico: WHAT A BITCH!

Me: Big time!

Clara St. Clarice: She's tried numerous times to ruin Lincoln's good name and reputation and turn everyone he knows and loves against him, so she can kill him to slake her never-ending sadism, but we've stayed on top of her schemes and ruined them all one by one, and she was also on top of our list. But, we also found out she's killed a lot of people before, and among the list of victims were her own parents and sister, who are trapped in the living world and won't pass on until Clarissa dies and is sent to her eternal punishment.

Maria: That selfish, murderous bitch!

Lincoln: She's even worse than many of my enemies from the past and our enemies from long ago, but my Guardian Angels stayed one step of her, and ruined her plans one by one. I still remember that day when The Guardian Angels and I took her down, after her latest scheme was foiled. When we exposed her to the world, she was labelled with so many names, "Michigan's Worst Nightmare", "A

Monster Who Has No Place In Society", and "A Psychopathic, Murderous, Sick, Twisted, Evil Monster Who Revels In Lying And Murdering Others for Her Sick Amusement"

Lori: She was literally that sick in the head and hated Lincoln that badly, she'd resorted to the same things we've tried to do to him.

Lynn: We didn't want to help her, and we had to help Lincoln.

Lincoln: You, Lori, Lola, Lisa, and Luan really helped us greatly on that day, Lynn. After that, Clarissa was arrested and she was taken to trial. Her lawyers pleaded Not Guilty by Reason of Insanity, but we saw right through her façade, and we presented the evidence against her, and the jury was horrified. In the end, Clarissa was found guilty of all her crimes, and since she was tried and found guilty as an adult, she was sentenced to Life In Prison Without The Possibility of Parole, and she was dragged off to Ionia Correctional Facility, where she was put in Solitary Confinement for the rest of her life, and was never to be let out ever.

Nico: Nice one.

Lincoln: But, we also swore if she ever broke out to take her revenge on me and my Guardian Angels, along with everyone I know and love, she would die a brutal death for all the horrible things she's done.

Me: Good thinking, if she's just like your many enemies, Linc, then there's only one thing awaiting her.

Nico: The Black Gates.

Me: Yep.

FLASHBACK ENDS

Mr. Mittens: Oh my goodness! Wow! That is amazing! And that Clarissa Mallory girl sounds like she is really bad news.

Then, as the vortex faded, Mia Addison emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Mia Addison grew from 6'0" to 7'1" in height, she has the body of a goddess, she has black highlights in the bangs of her long flowing blue hair, she has neon blue eyes and a black and blue energy aura with darkness, blue fire, and giants surrounding her, she has Earthbound Immortal Ccapac Apu with the Dark Kanji in its hands emblazoned on her forehead, she has on golem earrings with blue gems for eyes and holding the Dark and Eternity Kanjis in its hands, she also has Earthbound Immortal Ccapac Apu with blue gems for eyes and the Dark and Eternity Kanjis in its hands for the second pendant on the bottom of her blue golem-shaped Element of Harmony, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with blue crystal links from her merged Crystal Necklace of the Buddha and blue gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Mia Addison has on a black sleeveless vest, blue sleeveless midriff top, blue frilly skirt with black frills and the Giant Nazca Line on it, black stockings with lace, blue high-heeled sneakers, and long sleeveless white trenchcoat with darkness, giants, and blue fire on the coattails, and on the back is Earthbound Immortal Ccapac Apu with darkness surrounding it. Suddenly, Mia Addison felt a sharp pain on her back, and then, her massive black angel wings with blue tips grew much bigger for her new body, and the feathers had the same blue markings on Ccapac Apu. Mia Addison has on a Ring of The Phoenix with blue gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger.

Suddenly, Mia Addison's massive Earthbound Immortal Ccapac Apu-themed large sword and all the other swords she'd gotten began merging together and they were surrounded by a kaleidoscope of blue energy with darkness, blue fire, and giants, and when it emerged, it was transformed into Earthbound Immortal Ccapac Apu's Dark Giant Greatsword of Blue Fire and Darkness Justice, it's a brand-new large greatsword with Earthbound Immortal Ccapac Apu and the Giant Nazca Line etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight giant heads for the crossguard, large blue gem embedded in the rainguard, longer midnight black handle, four large midnight black giant heads and a large blue gem below the giant heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with blue gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Earthbound Immortal Ccapac Apu's head with blue gems for eyes and a large blue gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a blue kanji below Earthbound Immortal Ccapac Apu that said, "Mia Addison, Gene-Slammer of The Giant Earthbound Immortal Ccapac Apu, Life Long Friend of Girl Jordan and Helena McTroy, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser and Smasher of Bullies, Destroyer of Dustin Keystone and His Murderous Parents and Family, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Giants, and Blue Fire"

Mia Addison has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY DARKNESS BLUE FIRE EARTHBOUND IMMORTAL GIANT ANGEL OF DIVINE EARTHBOUND IMMORTAL DARK JUSTICE AND DIVINE YELLOW FIRESTORM LOVE!

We were amazed by Mia Addison's Super Angel Xelnaga Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Gill saw it, he summoned Krakix.

Nico: Holy guacamole, now Mia Addison's transformed!

Me: And look at the pattern on her wings, they're the same pattern as on Ccapac Apu, so cool.

Eli: Really amazing.

Lincoln: And like Mia said, you two are going to face the true wrath of The Earthbound Immortals.

Krakix: Don't think I'll be that easy to take down.

Lincoln: That's because of my curse I used on Lythirus, Lumagrowl, and Strikeflier, but for you, we're not going to use that strategy, instead, we're fighting you both without the assist of my curse.

This brought a smile to Gill's face.

Gill: So, this is what you both want, very well, we're happy to oblige.

Mia Addison: (Divine Echoing Cosmic Voice of The Dark Giant Earthbound Immortal and Divine Blue Fire Justice) Then, it's the perfect time to show you both my little surprise.

Suddenly, blue fires appeared from behind Mia Addison, and a figure came out, it was none other than the Giant Earthbound Immortal, Ccapac Apu.

Nico: What the?! Did she just…?!

Lincoln: She sure did, and since they're the Gene-Slammers of The Earthbound Immortals, they can also summon them to help out as well, so awesome, and Mia, you look beautiful, how do you feel?

Mia Addison: (Divine Echoing Cosmic Voice of The Dark Giant Earthbound Immortal and Divine Blue Fire Justice) **I feel incredible, Linky, and now, shall we administer Gill and Krakix their punishment?**

Lincoln: (Smiles) With pleasure, Mia.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Mia Addison.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Seems like you need another lesson, Gill, but this time, we're not showing you both any mercy whatsoever.**

Mia Addison and Lincoln went after Gill, and they fired extremely powerful blasts of rainbow energy, yellow energy, yellow fire, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, and Giants at Gill, and they exploded with incredible power as they hit him. Then, they attacked Gill with their massive greatswords and they left some really nasty scars on him.

Meanwhile, Earthbound Immortal Ccapac Apu went after Krakix who transformed into his Silver F-22 Raptor form, and they clashed brutally with Ccapac Apu throwing powerful punches and firing blasts of darkness and blue fire at Krakix.

Krakix: Damn, you sure are a tough one.

Gill: So, this is what you meant by showing us no mercy whatsoever, you're not the same person from over a year ago, Lincoln, and you are indeed a tough opponent, Mia Addison.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **I've changed a lot, but I'm still the same person I've always been since the day I was born.**

Mia Addison: (Divine Echoing Cosmic Voice of The Dark Giant Earthbound Immortal and Divine Blue Fire Justice) **And I've fought for my survival ever since the day Dustin Keystone and his evil parents murdered my parents since the day I was born, and Lincoln was the only one who comforted me ever since that day. He saved my soul, but ever since then, I've wanted one thing: to avenge the deaths of my parents by killing the ones responsible for this. But, I'd restrained myself from taking someone's life, but when the day comes when we face Dustin Keystone, he will suffer every last bit of our wrath.**

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Along with the one who freed him from his sarcophagus: Barodius.**

Krakix: Barodius? But, how did you…?

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Like Gill said, I've changed a lot, and I gained the power to sense dark energy signals along with omnipotent powers, and I found out Barodius was the one who freed Dustin Keystone from his sarcophagus, but we knew that if someone who was cursed with The Hom Dai was released, he would arise a walking plague upon mankind and bring The Ten Plagues of Egypt on the world, but I removed The Hom Dai from Dustin, and made him mortal again. But, Barodius had crossed the line when he let that bastard out, and he'll pay with his miserable life, before we get after Dustin.**

Then, Ccapac Apu threw one last punch at Krakix, and he was defeated and he turned back into his ball form, and Gill caught him.

Gill: You three have fought well. I accept my defeat, do away with me as you wish.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **No, Gill. We've already killed you once, but you do have potential for The Masters of Evil, the only ones who don't and are going to be killed for good are Barodius and Dustin Keystone.**

Mia Addison: (Divine Echoing Cosmic Voice of The Dark Giant Earthbound Immortal and Divine Blue Fire Justice) **Lincoln's right, plus, if Barodius finds out that you and Krakix have been defeated, he's going to kill you both, and he has zero remorse of taking down one of his own. Airzel, Strikeflier, Stoica, Lythirus, Kazarina, and Lumagrowl already joined The Masters of Evil after we told them of what could happen to them if Barodius finds out.**

Gill saw that Lincoln and Mia Addison not only showed him and

Krakix mercy, but they were telling the truth: if Barodius finds out, he'll kill him and Krakix, and he now knows they're not safe around Barodius.

Gill: You've not only shown mercy on us both, but you both speak the truth, it looks like sticking with our soon-to-be former liege was a bad idea.

Krakix: I agree, so where can we go to stay safe from him?

Nico: The Masters of Evil's HQ is the safe place since we'll be recruiting the other thirteen, but like Lincoln said, the only ones getting The Black Gates are Barodius, since he's a monster, and Dustin Keystone, since he's an asshole, and like they said, Stoica, Lythirus, Kazarina, Lumagrowl, Airzel, and Strikeflier have already joined.

Gill: Very well, we accept.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smiles) You've made the right choice, you two.

Lincoln beamed Gill and Krakix to The Masters of Evil's HQ, where Vypra and the others were given the news: Gill and Krakix are now part of The Masters of Evil, and they've now turned their backs on Barodius. We cheered wildly for what Mia Addison and Lincoln did as they holstered their massive greatswords on their backs and powered down, and Mia Addison's new body, clothes, weapons, jewelry, and massive black and blue angel wings are permanent.

Mia Addison: That's one villain recruited into The Masters of Evil and thirteen more to go before we finally kill Dustin Keystone, and thanks for helping me take down Gill, Linky.

Lincoln: (Smiles Warmly) You're welcome, Mia.

Suddenly, Mia Addison wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Mia Addison's face, they kissed passionately as Mia Addison's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Earthbound Immortal Ccapac Apu flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and blue fire raging behind them and we all cheered wildly. Lincoln and Mia Addison absorbed the fires, and they came back, and Ccapac Apu vanished.

Nico: Awesome job, Mia and Lincoln, you guys convinced Gill and Krakix to turn their backs on Barodius, and got them to join The Masters of Evil.

Lincoln: And now that Gill, Stoica, Kazarina, and Airzel, along with their Guardian Bakugan have turned their backs on Barodius, he and Dharak have nowhere left to run and nowhere left to hide. The shadow of death is already looming over them both, and soon, their fates will be sealed.

Nico: You got that right, Lincoln, and the shadow of death will soon be looming over Dustin Keystone, and he'll suffer the same fate as his evil family.

Me: Because of what we've done, Barodius and Dharak are going to be really pissed off when they find out about this.

Eli: You got that right. Oh, Lincoln, which Gene-Slammer are you hoping to meet on your rescue tomorrow?

Lincoln: That's a good question, Eli. Hmm, oh, I know, how about a Gene-Slammer for Blue-Eyes Alternative Ultimate Dragon.

Nico: Ooh, now that's an awesome one.

Nicholette Torrington: And there are three girls who'd be perfect for Blue-Eyes Alternative Ultimate Dragon: Fiona, Flora, and Fauna DragoneBianco, the DragoneBianco triplets. We'll be meeting them on your rescue tomorrow, Lincoln, and if Clarissa Mallory shows up, then, she's going to die here for everything she's tried to do to you.

Lincoln: You said it, Nicholette.

Me: After everything you all told us about her, she's definitely one monster who needs to be gone for good.

Nico: Yeah, trying to turn everyone against Lincoln and ruin his good name, reputation, and life, so she can kidnap, torture, and kill him to slake her endless sadism, what a total bitch.

Me: Yeah, we'll rip her in two for what she's done.

Eli: She's a bloodsucking leech who deserves to suffer every last bit of karma for her evil misdeeds.

Lincoln: She's a lot worse than a bloodsucking leech, and we've got a lot worse to call her, if she dares to show her ugly face tomorrow on my rescue.

Lori: She's literally going to pay for what she's done.

We were back at the mansion.

Mumbo: That's the end of Ramsley.

Nico: Yep. Now he is a forgotten memory.

Knightbrace: Sure, this mansion is still haunted.

Electrocutioner: But things should be peaceful around here now.

Me: Yep.

Fixer: And there are still the singing graves.

Nico: Yep.

Absorbing Man: Let's have a victory party in the dinner area!

Me: Good idea!

We cheered!

Jim Evers: (To the viewers: Hope you guys liked this awesome adventure with ghosts and you weren't scared about it.

Me: We sure did and we weren't scared.

Eli: Unlike two chickens we know.

We laughed.

We got to partying and then we went back home and enjoyed the rest of the day and went to sleep.

We haven't seen them in a while since we brought Arnold's parents back and threw the Jolly Olly Man in the nuthouse and asked Mr. Hyunh some questions.

Me: Man its been a while since we saw Arnold and friends.

Laney: I know, I wonder how they have been.

Me: We'll find out soon.

Green Arrow: Yeah.

Nico: Thanks for coming with me, Green Arrow.

Green Arrow: Not a problem Nico. And it's gonna be awesome helping you out.

Depth Charge: This will be a good adventure.

Nico: I hope you and Black Canary have a kid together.

Me: I agree Ollie. After everything you and Dinah did and provided for the Justice League you more than earned the right to start a family.

Green Arrow: I greatly appreciate that guys. Thank you. And yes we are more than ready for a family.

Qin: We are happy for you two.

Nico: Hey look.

We saw Arnold and his friends by the graveyard.

Nico: There they are.

We went up to them.

Me: Hey guys. Long time no see.

Arnold: Been a while guys.

Eli: Awesome to see you guys.

Me: Sorry we haven't been by to see you all.

Harold: Aw it's all right.

Stinky: Yeah but thanks for coming by.

Sid: I hope no one here falls victim to the ghost bride.

Me: Ghost Bride?

Camie: Who is she?

Laney: GULP! I don't think I would like this.

Nico: Who knows the tale?

Gerald: I do. Would you like to hear it?

Me: Sure.

Gerald: It all started 100 years ago back in the Middle Ages of the 1920s. A beautiful young woman who was very, very much in love with her fiancé was counting the days until they were to be married. Her fondest dream was that they would always love each other and live happily ever after. Finally, the day arrived whereupon she was to be married. She looked radiant as she stood at the altar in her white wedding dress. But, as the hours went by, the bride realize what everybody suspected. Her husband-to-be had skipped out and left her at the altar. Later, the bride found out why the groom never showed up. That brother had fallen in love with her sister. The next day, they were married.

(Her sister got married to her so-called future husband.)

(CROWD CHEERING)

(ENGINE REVVING)

(THUNDER RUMBLING)

(SHE SWORE TO GET REVENGE! AND SHE HAD MURDER IN HER EYES)

That night, the ghost bride went to her closet and put on her wedding dress. She went down to the basement and found a big, sharp axe.

(THUNDER RUMBLING)

She walked the 13 blocks to her sister's house.

(SUSPENSEFUL MUSIC PLAYING)

Her sister and her husband were asleep in their bed. They never saw the terrible event coming.

(MUSIC INCREASES IN TEMPO)

(SHE HACKED THEM TO DEATH WITH THE AXE AND KILLED THEM IN COLD BLOOD!)

When the police came, they found her sitting In the rocking chair next to the bodies, rocking herself and smiling proudly while she hummed the wedding march. Then, in horror, they could only watch as she jumped from her chair and leaped out the window resulting in her… demise. They buried her in her wedding dress. Right here, in this very cemetery. And every year, on the anniversary of her gruesome deeds, she rises from the grave, and wanders around among the headstones humming the wedding march and looking for more victims.

(GULP!)

The end.

We were shocked and horrified!

Lucy Loud: Gasp!

Brittney: That is horrible!

Varie: She is a blackhearted monster bitch!

Brittney: You're not kidding there mom. And legends say that the deeds she did were so vile and horrible that not even Hell was willing to accept her. She she was forever cursed to walk the earth as a ghost.

Lola: Wow!

Nico: So… should we start looking for her?

Sid: And you left out the most important part, that the anniversary of the horrible murders is tonight.

We gasped!

Me: We are ready for her.

Nico: Yeah.

Me: Lets head in.

We went into the graveyard and we looked around.

Me: How in the world van anyone be so depraved like that?

Wendy Sapphira: She is pure evil. Hell Hath No Fury Like a Woman Scorned.

Eli: Yeah.

Nico: Madame Leota gave us a nice sneak peek of the big missions for 2023.

Me: She sure did. Some of them. But it was cool seeing them.

Nico: Yeah.

Varie: Yep.

We then saw a grave.

Me: This must be her. " Here lies Cynthia Snell. She lived her life and went straight to Hell."

Nico: That's her.

Eli: Yeah. If she was arrested and convicted she would definitely get the death penalty.

Laney: She sure would.

Tsuyu: Yeah.

Nico: Eli, I know you scared Shaggy for a laugh. But I don't think you should forget what he did to Revolta recently.

Eli: I know. But I think that was just a one time thing for Shaggy.

Qin: Yeah Leopards don't change their spots. Shaggy has been scared of monsters for as long as anyone can remember.

Lana: That's true.

Eli: Besides it was funny.

Nico: True.

Green Arrow: Yeah that is true. (Hears something) Wait hear that?

We heard the Wedding March being hummed.

Me: The Wedding March. That's her.

Nico: Quick hide!

We went and jumped into a tree and hid and then we saw a ghostly figure and it was THE GHOST BRIDE!

Nico: There she is!

Lana: Lets get her!

We jumped down and faced her.

Me: Hey! Cynthia Snell!

She saw us and then she donned a scary and horrifying demonic appearance!

Some of us screamed in fright with our hair standing up in fright!

Rainbow Dash: NOW THAT IS SCARY!

Camie: She is a monster!

Albedo turned into Negative Ball Weevil.

Negative Ball Weevil: And she's going down!

Lucy Loud: And it will be straight to the afterlife.

She fired waves of energy and smashed her down.

Nico fired waves of fire and smashed her down.

Eli fired waves of Force Lightning and electrocuted her.

I fired waves of ice and froze her in place.

Maria: Not so tough now, are you?

Maria fired waves of water and drenched her.

I splashed the Ghost Bride with holy water and she screamed in pain.

Nico: Nice!

Laney: Yeah!

Varie: And now this! You have no unfinished business here. You need to cross over now!

But then the Ghost Bride screamed in pain as she had black energy blast out of her and then she got sent down to Hell where she belongs!

Qin: WHOA!

Brittney: Nice one mom!

Varie: Thanks.

Juran: That was easy.

Nico: Too easy.

Qin: Yep.

But then a figure came out and it was a black version of Ball Weevil!

Nico: Whoa! Another Ball Weevil!

Me: This is gonna be a tricky one!

Eli: Yeah!

May: Who are you?!

Me: Yeah!

Another Ball Weevil: (In a girls voice) I believe that J.D. knows me.

Me: (GASP) Naomi Lincicomb!?

Another Ball Weevil: Yep. Good to see you again J.D.

Me: Same to you Naomi.

Nico: You know her?

Me: Yep. She is the owner of Lincicomb Toys and she is also the creator of our action figures and toys.

Rarity: Oh my! So she is the one that sponsored the toys for Team Loud Phoenix Storm.

Me: Yep. She is a great toy maker too. She made actioon figures, dolls, cuckoo clocks, music boxes and more. She makes them all from scratch.

Another Ball Weevil: It's so fun.

Nico: So she makes our awesome toys. It's truly an honor to meet to maker of our awesome toys.

Eli: Same here.

Another Ball Weevil: Same here Nico and Eli.

Nico: (takes out Common Cold's Ridewatch) Hope you don't get sick!

Me: Even though we don't get sick anyway.

Nico activated it and then he geared up for a sneeze.

Nico: AAAAACHOO!

He fired an explosive sneeze and it went at Another Ball Weevil and she dodged it with amazing speed and the snot hit the ground.

Me: Yuck! Bless you Nico.

Nico: Thank you.

Laney: Yeah.

Another Ball Weevil then jumped and fired a ball and hit Nico in the face with it.

BONK!

Nico: OUCH!

Me: Wow! This is gonna be a tricky one guys.

Sougo: (takes out Zi O II Ridewatch) Our turn!

Rider Time! (Synthesizer tone) Kamen Rider~! (Rider~!) Zi-O! (Zi-O!) Zi-O~! II!

Geiz: (takes out Geiz Majesty Ridewatch) You mught be small. But you're not invincible!

Majesty Time! Kamen Rider~! GeizMaje~sty!

Sougo became Zi O II while Geiz became Geiz Majesty.

Me: YEAH BABY!

Another Ball Weevil kicked her ball and it was coming at me and I kicked it back and then she kicked it towards Nico and then…

BLANG!

It hit him smack dab in his crotch!

Me: (WINCES) OOH!

Eli: (Winces) OUCH!

Nico: (SQUEAKY VOICE) THAT REALLY HURT! BUT NICE KICK J.D.

Me: Sorry man. Jeez! That is a powerful throw!

Green Arrow: Oh, you're gonna get it for that!

He fired waves of arrows and they hit Another Ball Weevil and knocked her down. But then she got up and kicked her ball and he dodged it and it hit a tree and it went at me and I ducked and I did a bicycle kick and smashed the ball into Another Ball Weevil.

Another Ball Weevil: Whoa! That was an awesome bicycle kick!

Me: Lynn taught me that one.

Green Arrow: Time for me to use a Ridewatch!

Green Arrow activated his Ridewatch for Jack O Lantern and fired pumpkin bomb arrows and smashed down Another Ball Weevil!

Me: Nice shooting Ollie.

Qin: Yeah!

Maria: Let's keep it up!

Nico: YEAH!

But then a lion roar was heard and out came Alchemy Beast - Leon The Lead!

Me: Whoa! Alchemy Beast - Leon the Lead!

Qin: Cool!

Green Arrow: Wow!

Leon the Lead: (In a girls voice) Looks like the fun is going to begin.

Nico: Leona Terra! Wow!

Me: Wait THE Leona Terra, the greatest cave explorer and adventurer of all!?

Leon the Lead: The very same.

Nicole: Awesome! I am one of your biggest fans.

Leon the Lead: I'm glad I have some fans.

She reverted back and had green hair and green clothes and had brown angel wings.

Leona Terra: I got this.

She fired waves of rock spines and smashed down Another Ball Weevil and I caught her Ridewatch and purified it and I went over to Naomi and picked her up. She was a girl with blond hair and had yellow clothes.

Naomi Lincicomb: (GROANS) What a headache.

Me: You're all right now.

Nico: By the way, Padme, Naoko Shin, Manaphy, Oberus, Ariana "Blitz" Wolfenstein, Monarus, Storm Skyress, Julie Makimoto, Atmos, and Celica are confirmed to be backup members.

Eli: Good ideas!

Me: Awesome ideas including some of the Bakugan. They were feeling a little left out.

May: It sure is.

Me: And Celica will be awesome as a backup too.

Nico: Yep.

Green Arrow: It sure is.

Leona Terra: It's awesome that you guys have all these groups and ideas for archenemies.

Green Arrow: It sure is. What's your favorite memory of Nico?

Leona Terra: I have so many of them but my favorite is when me and Nico were in the Alps and we found a huge cave and we found a huge treasure that was lost for years and it was a priceless find that was worth a ton of money. And we donated it to the museums of the world.

Nico: I remember that.

Nicole: That is so cool!

Eli: Wow! That is awesome!

Laney: Yeah it was.

Nico and Leona hugged.

Nico: I've missed you Leona.

Leona Terra: Me too Nico. Me too.

We went back home.

---

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, Anatankha, Timmy Turner, Cosmo, Wanda, Poof, Trixie Tang, and Hawkeye are heading to

Drake City, and not only is Lincoln going to rescue the two girls here, but we got word that the monster bitch who's tried to ruin Lincoln's good name and reputation, not to mention turn everyone against him, so she can kidnap, torture, and murder him to slake her endless sadism, but was foiled and thrown in prison for the rest of her life, Clarissa Mallory, has broken out of prison, and she's been driven mad by isolation and wants one thing: revenge.

The Mysticons were also with us, as soon as word of Clarissa Mallory's presence here in Drake City had reached their ears.

Lincoln: Whoa, so my rescue's taking place here at Drake City, but I still know what we're going to do here, not only am I going to rescue the two girls here. But, we got word that the monster bitch who's tried to ruin my good name and reputation, not to mention turn everyone against me, so she can kidnap, torture, and murder me to slake her endless sadism, but was foiled and thrown in prison for the rest of her life, Clarissa Mallory, has broken out of prison.

Nicholette Torrington: That bitch, I should've known prison wouldn't be able to keep her contained any longer.

Nico: But, there's no way that she could've broken out of her own if she was locked up in Solitary Confinement for six and a half years and was cut off from all contact with the outside world.

Me: Nico's right, someone must've broken her out of prison.

Eli: Barodius?

Lincoln: That's one possibility, but I don't think so. Nico did point out that Clarissa was cut off from all contact with the outside world and locked up in Solitary Confinement after she got sentenced to Life In Prison Without Parole six and a half years ago, and due to that amount of time, she'd been driven mad by isolation and her hatred of me and my Guardian Angels, and if Barodius tried to break her out, she would've attacked him like the lunatic she's become.

Giselle Harrington: Linky's right, there's only one group who could've broken her out: her minions, a group of thugs and mercenaries she'd assembled before we threw her ass in prison.

Lincoln: Not those bastards again, they're just as sick and twisted as Clarissa. When we get back home, I'm going to rip their throats out for this, and drink their blood.

Nico: Uh oh.

Me: Yep, he's now out for blood.

Lincoln: I'd rather spill her blood than drink it, I don't consume the blood of a basket case who was locked up for life six and a half years ago. And I want to thank you and the Mysticons for joining us, Clint.

Hawkeye: You're welcome, Lincoln.

Arkayna: After everything your Guardian Angels told us about Clarissa, there's no way she's going to get away with this.

Zarya: Yeah, she's getting The Black Gates.

Piper: Her and her minions when we get back.

Emerald: And I won't be surprised if you also went Lincoln the Nocturnal.

Lincoln: I'll think of what way I'll kill those thugs when we get back home.

?: HEEELLLLLP!

Suddenly, Lincoln heard the sound of two girls calling for help, along with the sound of extremely deranged and insane psychotic laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the two girls, but they've been cornered by Clarissa Mallory, and she's going to kill them.

Lincoln: Let's get over there at once, guys, I found the two girls, but they've been cornered by Clarissa Mallory, and she's going to kill them.

?: (Three girls' voices) That Class A-Quintuple Bitch to The Infinite Power With A Black Heart of Extreme Hatred and Pure Evil Incarnate, let's rip her black heart out of her chest!

Suddenly, we saw the Duel Monster, Blue-Eyes Alternative Ultimate Dragon, appear before us.

Nico: Whoa, that's Blue-Eyes Alternative Ultimate Dragon, so awesome.

Lincoln: And I'd recognize those three voices from anywhere, I knew it was you, Fiona, Flora, and Fauna DragoneBianco, but we'll talk later, time to remove yet another stain from my past!

We rushed over, and right before Clarissa Mallory could claim her next victims, Lincoln fired powerful rainbow energy balls and elemental forces at Clarissa Mallory, and that allowed the two girls to get to safety inside a rainbow energy field created by Lincoln to protect them from Clarissa Mallory. When Clarissa Mallory saw us, specifically Lincoln and his Guardian Angels, she was beyond enraged.

Lincoln: We should've known you'd one day show your ugly face again, Clarissa.

Arkayna: So, that's Clarissa Mallory, the monster who's tried to ruin your life and reputation, so she can torture and kill you to slake her endless sadism.

Lincoln: Yep, but was foiled at every turn by the Guardian Angels and we sent her to prison for the rest of her miserable life.

Clarissa Mallory: I HATE YOU SO MUCH, LINCOLN LOUD, I DESPISE YOU, I LOATHE YOU BEYOND ALL LIFE ITSELF! IF IT HADN'T BEEN FOR THOSE STUPID BITCHES, I WOULD'VE FINALLY RUINED YOUR LIFE AND REPUTATION AND TURNED EVERYONE AGAINST YOU, SO THAT I CAN FINALLY KIDNAP, TORTURE, AND KILL YOU TO SLAKE MY ENDLESS SADISM! BUT, NOW THAT YOU'RE ALL HERE, I'M FINALLY GOING TO KILL YOU, EVERY LAST BITCH IN YOUR HAREM, AND YOUR FAMILY, AND SOON, I'LL KILL YOUR KIDS AND YOUR BABIES, AND DRINK THEIR BLOOD! I WILL DESTROY ALL LIFE ON EARTH! (LAUGHING DERANGEDLY)

Lincoln's rainbow energy aura with elemental forces and mythological animals flared up extremely, as he gained an astronomical power boost, thanks to her insane hatred.

Me: You psychotic monster bitch!

Nico: You just signed your own death warrant!

Eli: You motherfucking monster bitch!

Qin: You make me sick!

Lincoln: You're heading straight for the grave, bitch! Let's rip her in two!

Me: With pleasure!

The Mysticons also blasted her with arrows, green flames, orange flames, pink energy, and magic, and they exploded as they hit her, but she was laughing like an insane mad lunatic, as if she got pleasure from pain.

Nico: She's completely insane, she gets pleasure from pain.

Timmy: (Divine Echoing Cosmic Voice of The Elemental Magic Fairy Wolf and Divine Elemental Magic Hope) She's just as bad as many of your old enemies and Lincoln's old enemies, Nico.

Suddenly, Timmy's white energy aura with fairies, magic, angels, wolves, and elemental forces had flared up even more, and then, we saw a pink version of Zarya's mask appear on his face, and a pink Mysticon Wolf Bracer appeared on his left arm, and we knew what it was: Timmy Turner has become a MYSTICON WOLF MAGE!

Wanda: Wow, Timmy's become a Mysticon!

Arkayna: A Mysticon Pink Wolf Mage, now that's a new one! I'll be sure to ask Mom about this after we take care of Clarissa Mallory for good.

Timmy: (Divine Echoing Cosmic Voice of The Elemental Magic Fairy Wolf and Divine Elemental Magic Hope) Let me deal the finishing blow, Arkayna. Lincoln, you and the others get back.

Lincoln and the others got back.

Timmy: (Divine Echoing Cosmic Voice of The Elemental Magic Fairy Wolf and Divine Elemental Magic Hope) Time to Howl!

Suddenly, the Mysticon Pink Wolf Bracer on Timmy's left arm glowed, and a pink energy wolf charged out and it attacked and mauled Clarissa Mallory with its claws and fangs, and she was mangled up. Then, Lincoln brutally cut her down and she exploded with incredible power and she was killed, and Timmy banished her to The Black Gates, and she was erased forever. We cheered wildly as we holster our weapons and powered down.

Lincoln: Timmy, that was so awesome, you've now become a Mysticon, just like Lucy, Lynn, Nico, and Anko, which means Arkayna, Zarya, Piper, and Emerald are going to start training you in everything they know.

Arkayna: Well, me and Zarya, since I'm the Mysticon Dragon Mage and Zarya's the Mysticon Blue Wolf Ranger. But, if my stepbrother does something, I'm gonna… !

Timmy: I'm already on it, Arkayna. Wanda, I wish Gawayne was kept distracted, so he couldn't do anything to cause trouble for us while we're talking with Queen Goodfey, and he also can't get any help from anyone.

Wanda: On it.

POOF!

Arkayna: What did you do to keep Gawayne distracted?

Wanda: Oh, he'll be distracted with cleaning up a mess in his room, and it'll keep on appearing until we've finished our meeting, and he can't get any help from anyone.

Zarya: Ooh, nice one.

We then headed for the throne room, and we met with Queen Goodfey, and we told her everything of what happened, and she was intrigued that Timmy's become a Mysticon Pink Wolf Mage.

Queen Goodfey: This is very interesting, there hasn't been any report of a Mysticon Pink Wolf Mage in a thousand years, which means that just like Lucy, Lynn, Nico, and Anko, Timmy has also become a Mysticon, a Pink Wolf Mage, and it fits him perfectly, since he was born under the constellation of Lupus the Wolf, just like Zarya.

Me: Really awesome!

Nico: And he also has the constellation of Lupus the Wolf on his neck, so this is a big surprise for all of us.

Lincoln: Wait until everyone hears about this. But, like I said, when we get back, I'm going to rip Clarissa's minions apart.

Queen Goodfey: I'm afraid you might be too late, Lincoln.

Queen Goodfey showed us something bad: it was Clarissa's minions, but all of them have been cut down, but none of us did this. When Sherlock Hound saw it, he and Sparda knew of only one person who could cut down all of them in a split second.

Lincoln: Who could've done this?

Sherlock Hound: (British Accent) To be able to cut down all of Clarissa Mallory's minions in a split second, there's only one person whom Sparda and I know all too well: Dante's older twin brother, Vergil.

We gasped.

Nico: Vergil was there?! Oh, Dante's not going to like hearing the news his dumbass brother's back!

Nicole: If he finds out, he's gonna rip him a new one.

Lincoln: We'll worry about Vergil later, but I better get rid of the spirits of Clarissa's minions.

Lincoln made energy cards and they imprisoned the spirits of Clarissa's minions and when the kanji for Judgement appeared on their foreheads, they were sent to The Black Gates forever and they all suffered the same fate as Clarissa Mallory.

Me: Whew, now we're finally rid of Clarissa Mallory for good.

Lincoln: Yeah, we are, but we better alert everyone that the one who cut down Clarissa's minions back home was Vergil.

Lincoln had alerted everyone back home that Vergil's returned, and he's the one who cut down all of Clarissa's minions, and they were on the alert for Vergil.

Lincoln: There, that should do it.

Nico: Nice one, Lincoln, and what did Sheila say when she found out Vergil was the one who cut down all of Clarissa's minions?

Lincoln: She was horrified that Vergil was the one who did this, but she wasn't surprised.

Sherlock Hound: (British Accent) I can't blame her, you saw the damage I did to Sayer, The Empire of Nifelheim, Mundus, and Mundus' demonic minions, and that was from when I either let Sparda take control or by my own hand.

Lincoln: Yeah, and it was really bloody. Anyways, thank you for telling us the news, Your Majesty, and I…

Queen Goodfey: There's no need to apologize, Lincoln. But, I was horrified when Arkayna told me all about Clarissa, and how she tried to ruin your good name and reputation, and turn everyone against you, so she could kidnap, torture, and kill you, six and a half years ago, that was awful. But, I was so glad your Guardian Angels foiled her plans, and you all stopped her.

Lincoln: If they didn't stop her, then that's what could've happened, and for that, I truly am grateful they were there.

This got to Lincoln's Guardian Angels, and they all hugged him, and we then said our goodbyes to Queen Goodfey, and we headed out of the castle, and we headed home.

Lincoln: That's another stain from my past finally removed for good. (To Fiona, Flora, and Fauna DragoneBianco) And it's so good to see you again, Fiona, Flora, and Fauna DragoneBianco.

Fiona, Flora, and Fauna DragoneBianco reverted back to normal, and they're beautiful girls with long flowing white hair, blue eyes, fair skin, she's tall at 6'5" in height, they had the bodies of goddesses, they had Blue-Eyes White Dragon emblazoned on their foreheads, white cat ears, white cat tails, they had massive beautiful white angel wings and they reigned in the power of Blue-Eyes Alternative Ultimate Dragon, and they're dressed in blue clothes, and long sleeveless white trenchcoats with lightning bolts on the coattails, and Blue-Eyes Alternative Ultimate Dragon on the back, and holstered on their backs are Blue-Eyes Alternative Ultimate Dragon-themed greatswords with Blue-Eyes White Dragon etched on the 7'0" massive, wide, double-edged blue blades, large white dragon heads for the crossguards, large blue gems embedded in the rainguards, longer midnight black handles, four large white dragon heads and large blue gems on the bottom of the dragon heads for the pommels.

Fiona DragoneBianco: You too, Lincoln.

Flora DragoneBianco: Yeah, it's been a very long time.

Fauna DragoneBianco: And we're so glad we're rid of that bitch, Clarissa Mallory, after all the trouble she's caused six and a half years ago to you and all of us.

Lincoln made two clones and they went up to Fiona, Flora, and Fauna DragoneBianco and hugged, and The DragoneBianco triplets were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how strong he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces went even deeper when they saw he has vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice.

Lincoln: It sure has been a long time, I haven't seen you three when you were eight, and as you all can see, I've really grown since then.

Fiona DragoneBianco: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome.

Flora DragoneBianco: Yeah, you can land a plane on that more wider and more muscular back.

Fauna DragoneBianco: Yeah, and there's no tape measure that can measure those massive biceps and chest, you can crush a melon with those really muscular thighs, and you can cut a rock into a diamond on those rock-hard eight-pack abs.

Nico: Whoa, Lincoln, you know these triplets?

Lincoln: Indeed I do, Nico, this is Fiona, Flora, and Fauna DragoneBianco, the DragoneBianco triplets, and they're my Guardian Angels from Italy and his classmates in Math, and they have snow white hair like me, and it was Fiona, Flora, and Fauna that taught me how to ride dragons when we were eight years old.

Nico: What, you learned how to ride a dragon when you guys were eight years old?! Whoa, and how was that possible?!

Lincoln: You're going to be surprised, their family has a dragon ranch only a few know about, like me. Plus, Fiona, Flora, Fauna, and I watched movies and cartoons that had dragons together when we were eight as well. During one of their rides on a dragon together, I kissed Fiona, Flora, and Fauna on the lips, and their last names DragoneBianco means White Dragon in Italian.

Me: Cool, and they also have cat ears and tails. Wait a second, are they…?

Lincoln: (Smirks) Yep, they're Cat Faunus, and they're the cousins of Blake Belladonna, and they hate Flip with a burning passion.

My jaw and Nico's jaw dropped to the floor.

Nico: Holy guacamole!

Me: They're also Cat Faunus, just like your future wife, so awesome.

Blake Belladonna: Yes, and it's so good to see you again, girls.

Fiona, Flora, and Fauna: You too, Blake.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared around the necks of the triplets with blue gems on the gold thunderbolt links and blue crystal links from their brand-new Crystal Necklace of the Buddha which merged with their Elemental Thunderbird Necklaces of Eternal Love, and their new Elemental Thunderbird Chokers of Eternal Love appeared on their neck.

Fiona, Flora, and Fauna DragoneBianco: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means, just like your cousin, you're part of my harem and my many future wives, girls.

The DragoneBianco triplets had a smile on their faces and tears in their eyes, as Lincoln and their clones wrapped their abnormally massive and powerful muscular arms around the girls' waists and the girls wrapped their arms around the thick muscular necks of Lincoln and his clones, and they leaned down to their faces and they kissed them passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the two girls, and when Lincoln saw them, he recognized them immediately. The two girls are Escha and Chron from Escha Chron.

Lincoln: Oh wow, it's Escha and Chron from Escha Chron.

Nico: Awesome.

Lincoln: Are you girls okay?

Escha: Yes, we're okay, thanks to you.

Then, when Escha and Chron saw who it was that saved them from Clarissa Mallory, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of

Escha: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you both.

Then, Lincoln made a clone of himself, and he and the clone went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clone, and we cheered wildly at the scene.

Escha: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, two Thunderbird Necklaces of Eternal Love appeared on the necks of Escha and Chron with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned home to the World Tree Estate, and they were shocked when they found out that the villain we went after was Clarissa Mallory, the Class A-Quintuple Bitch to The Infinite Power With A Black Heart of Extreme Hatred and another enemy of Lincoln's past, and she was out for blood and she was driven insane.

But, when Lincoln showed what we did to Clarissa Mallory, everyone went up to us and they hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and the DragoneBianco triplets have a lot of catching up to do, now that they're back in town.

Maria: Well, we're finally rid of that Class A-Quintuple Bitch, Clarissa Mallory, for good. But, I can't believe that Clarissa's minions were killed by Dante's older brother, Vergil.

Lincoln: Yeah, even though we're glad they're gone and I sent their spirits to The Black Gates, I don't know what Vergil's up to, now that he's back.

Sherlock Hound: (British Accent) If he's still out to settle that sibling rivalry with Dante, he's going to leave me and Sparda no choice but to put a stop to this sibling rivalry by knocking him down.

William: Just be careful with Vergil.

Sparda: (Through the Red Jewel) We will, William. Besides, I was the one who gave Vergil my sword, the Yamato, while I gave Dante my other sword, the Rebellion. By the way, did Dante find out the news?

Maria: He did, and he said he's going to rip him a new one if he sees him.

Sparda: (Through the Red Jewel) That definitely sounds like Dante, alright.

Me: We've got to keep those two restrained before someone really gets hurt from their sibling rivalry.

Lincoln: Don't worry, J.D. Besides, Sherlock Hound and Sparda both have a plan to deal with that sibling rivalry for good.

Sherlock Hound: (British Accent) That's right, Lincoln.

---

After finally getting rid of Clarissa Mallory and this time for good, we were training intensely in the gym, this time, doing 900,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when the DragoneBianco triplets saw Lincoln working out like crazy, they had an atomic red blush on their face, hearts in their eyes, and their noses were bleeding.

Fiona DragoneBianco: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Flora DragoneBianco: Yeah, you could land a plane on that much wider and more muscular back of his, crush a watermelon with those extremely muscular thighs, and cut a rock into a diamond on those eight-pack abs.

Fauna DragoneBianco: And I don't think a tape measure can measure out just how massive those biceps really are, along with that amazing chiseled chest of his.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Fiona DragoneBianco: That's incredible!

Hazel Turner: That's incredible!

Nico: It sure is. So, Fiona, Flora, Fauna, what's the story on why you three hate Flip with a burning passion, though you already hate him for obvious reasons?

Fiona DragoneBianco: You're not going to like this, Nico. One day, Lincoln was with us in our dragon ranch and we were tending to our dragons.

Flora DragoneBianco: And then, we got on our dragons and we took to the air and we were flying. But, then, we saw a rock heading for us and we dodged it, then, Lincoln saw and smelled who it was that fired that rock at us: it was Flip, and he was trying to shoot us down, so he can capture our dragons and sell them.

Fauna DragoneBianco: We were really mad at that stupid greedy cheapskate, so we flew down and we fired at Flip, and he got burned badly. Then, Lincoln fired red energy blasts from his massive white angel wings and he imprisoned Flip in a red orb, and when he called the police, J.D. came out, and he grabbed Flip and tossed him into a police wagon and they drove him back to jail.

We were really mad at Flip again.

Nico: That stupid, smelly, greedy cheapskate!

Me: Yeah, and I found out Flip escaped from prison and tried to capture the dragons there, so he can sell them to make a quick buck, and kill Lincoln yet again for ruining his scams. But, Lincoln and the DragoneBianco triplets took him down and after the police got the call, I went down there with the police and grabbed Flip and tossed his ugly hide in the police cruiser and they took him back to jail, where he got another Life Sentence for what he did.

Spyro: If we didn't need him for humiliations, I would kill him for what he's done.

Lincoln: I know, but it's better he suffers for what he's done by being humiliated by all of us.

We got a shower afterwards, and then, Nino Lahiffe and Anemone are heading down to Blooper Beach in the world of Mario for their first beach date.

Nino Lahiffe was dressed in green swim shorts with earth and a turtle and sandals, and Anemone was dressed in a two-piece light blue bikini and sandals.

Nino Lahiffe: Wow, so this is Blooper Beach.

Anemone: Yep, and it's perfect for our first date, Nino. Shall we?

Nino Lahiffe and Anemone dived right into the waters and they were swimming in the clear waters and they saw the sea creatures and plants that live there, and they had a game of volleyball and they also had some lunch on the sand, and then, Nino Lahiffe went up to Anemone, and he wrapped her in his arms and she wrapped her arms around his neck and they placed her right hand on his chest, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes.

Nico: Hey, guys, how was your date?

Nino Lahiffe: It was so awesome, Nico, we went to Blooper Beach in the world of Mario.

Anemone: And it was perfect for our first beach date.

Nico: Awesome.

Lincoln: We've been there before, and you guys really had an awesome time there.

Nino Lahiffe: We sure did, Lincoln.

Marinette: And it was so cool that Nino and Anemone had gotten together last year, and it was so awesome and sweet.

Alya: After everything she went through because of her Dark Side, she deserved to be with a true love, and when she saw Nino, Cupid's arrow struck them both, and it was love at first sight.

---

We arrived in Japan.

Iggy: Are we meeting more Digidestined?

Nico: Nope not this time.

Me: We're going to meet Kamen Riders Qwiz, Kikai and Shinobi.

Qin: This is gonna be cool! We didn't meet them when we battled Swartz.

Me: We didn't meet them at all when we were battling their major enemies. But this makes up for it.

Nico: Yep.

Then we saw Kamen Riders Qwiz, Shinobi and Kikai battling remnant worms.

Me: There they are and they are battling Worms we missed!

Qin: Whoa!

Nico: Lets go!

We went at them.

Mondo: You worms are disgusting!

But then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out above them and a phoenix cry was heard.

Zocks: (SINGING) Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!

We landed and I fired a blast of energy and smashed the worms down!

Me: Time for some action!

Mondo: Wow! Team Loud Phoenix Storm! It's a true honor.

Rentaro: It sure is.

Me: Same to you guys. We have a lot to tell you. First lets get rid of these worms.

I took off my jacket and folded it up and tossed it aside and then…

KRASSSSSSMMMAAAAAAAAAAAAAAAASSSSSSSHHHHH!

It crashed into the ground with a thunderous boom and made a huge crater and then I cricked my neck and then loosed up and then…

ZZZZZZZOOOOOOOOOOOOOOOOOMMMM!

I zoomed with incredible speed and slashed and destroyed the Worms with ease!

Nico: OH YEAH! You worms have failed this city!

Laney: YEAH!

Maximum Ride: It's an honor to meet you guys in person.

Rento: You too. Sorry we didn't meet you guys for the battle with Swartz.

Rentaro: But you guys did us a great favor and destroyed him.

Me: It wasn't just Swartz. We destroyed ALL of your major enemies.

Qin: We sure did.

Me: Also you guys are not going to like what we had to face over the last few months. We took down Another Rider versions of you three.

We told them everything and it was shocking! They were pissed!

G1 Rampage: Now, why don't you guys tell us how Swartz defiled you?

Mondo: He turned my dad into Another Qwiz.

We gasped!

Rentaro: In the present day, he turned me into Another Shinobi.

We gasped louder!

Rento: My Another Rider counterpart didn't even look mechanical!

We gasped the Loudest!

Nico: HOLY FUCKING SHIT!

Me: I remember seeing all those!

Clyde: That is crazy!

Qin: Yeah!

Syd Chang: No kidding!

Laney: Yeah!

Me: But you guys don't have to worry about Swartz anymore. We gave him the Black Gates.

Rento: Good riddance.

Me: Yeah. Like I said, we gave ALL of the Kamen Riders enemies the Black Gates. But we still have a few to go and then we'll have covered the Kamen Riders here in Japan.

Eli: Yeah.

Rentaro: That's good you guys helped us out there and Nico was the Another Qwiz a professor from your old school that you faced?

Nico: He sure was. We had a fun time with that one.

Me: We sure did. But we're really close to cleaning up all of Swartz's mess. We just have a few Another Omnitrix Aliens to face.

Camie: We sure do.

G1 Slug: Me Slug happy to meet new friends!

Rentaro: Me too.

Mondo: We're honored to be part of the team.

Varie: We are happy to have you with us.

We later went back home.

---

We arrived home.

Nico: Since we're close to Halloween, we're doing a kind of mission we haven't done in a year.

Needle Man: Vampires or zombies?

But then…

ALARM KLAXON!

Our black priority alert alarm went off.

Me: Uh oh! That's the Zombie Apocalypse Earth Alarm that I installed recently.

Nico: COOL!

Needle Man: Zombies it is.

I looked up where the Zombie Apocalypse was taking place and it was on a Planet Earth located in the galaxy cluster Abell 370 and it was located 5 billion lightyears from Earth.

Me: In Abell 370! Whoa!

Qin: This is gonna be a big one.

Shaun: But I'm looking forward to this one.

Me: Me too. And…

I pressed a button and a weapons stash appeared.

Me: Lets lock and load.

Nico: Awesome!

We got to loading and we had everything from swords to shotguns, rifles and more.

Shaun: I'll use the swords here.

Laney: Awesome!

We got everything ready.

We also got Zombie Apocalypse Response Team uniforms on and even headbands and we were ready!

Then Fixer, Spymaster, Madame Masque, Mr. Mittens, Roxy Rocket, Comic Book Guy, Mumbo Jumbo, Knightbrace, Electrocutioner, Absorbing Man, Warp, Mike Rochip, Shaman Apsu, Tiki Tak Tribe, Cyborg Lightspeed Rescue Rangers, Marina Del Ray, Glomgold, Vomiting Frog Prince, and Lego Poison Ivy appeared.

Fixer: Can me, Spymaster, Madame Masque, Mr. Mittens, Roxy Rocket, Comic Book Guy, Mumbo Jumbo, Knightbrace, Electrocutioner, and Absorbing Man go with you guys?

Warp: Me, Mike Rochip, Shaman Apsu, Tiki Tak Tribe, Cyborg Lightspeed Rescue Rangers, Marina Del Ray, Glomgold, Vomiting Frog Prince, and Lego Poison Ivy will come with you guys too.

Vomiting Frog Prince: (VOMITS)

Nico: Clean up on Aisle 12! But yes you guys can come with.

Vomiting Frog Prince: Please. Kill me. (VOMITS)

Nico: Geez.

Mr. Mittens: So we're going to face zombies again.

Me: Yep. It's close to Halloween.

Mr. Mittens: Awesome.

Nova: At least we're not facing the Matvel Zombies like we did last year.

Xenia: That was a nightmare.

Camie: I heard about that. That was awful.

Laney: It sure was.

Heckyl: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to do one for Alchemy Beast - Ouroboros the Bronze next.

Me: We knew that one was coming.

Nico: Yep.

Qin: This is gonna be a cool one to meet.

Varie: It sure is.

Camie: But we of U.A. Academy have never faced zombies before. This will be a new of for us.

Himiko: It sure will. I'm looking forward to kicking zombie butt.

Me: It's gonna be your first ever zombie apocalypse guys.

Izuku: I'm really looking forward to this one!

Toru: Me too!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was: the figure was none other than Blastaar, and he's heading here to attack us. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Blastaar on the move?

Lincoln: You guessed it, Nico, and he's heading here to attack us. But, I also sensed another energy signal following Blastaar: it's Vergil.

We gasped.

Sherlock Hound: (British Accent) Vergil's heading here as well?!

Trish (Devil May Cry): He still wants to settle the score with Dante.

Sherlock Hound: (British Accent) That's never going to happen, I'm going to put an end to this sibling rivalry once and for all, while Emma Langley and Lincoln take down Blastaar and have him recruited into The Masters of Evil, and I'll be sure to restrain Vergil before he does something really reckless.

Nico: Whatever Vergil's trying to do, it's not going to work, and it's good that you're going to end this sibling rivalry once and for all, Sherlock Hound.

Dante (Devil May Cry): He's not doing this alone, I'm also joining in as well.

Nico: That's right, since you've dealt with Vergil before, you're also joining in as well. Alright, gang, let's go, we've got a ton of zombies to kill and survivors to save.

Lincoln: This is going to be one awesome zombie killing mission, and once we're done with those zombies, you're next, Blastaar, along with you, Vergil.

Madame Masque: Well, time to kill some zombies.

Shaman Apsu: And meet new people.

Me: And save some survivors.

Qin: Yeah!

Nico: Lets head to the ship and head out! There's not a moment to lose!

We went to the ship and we were off.

* * *

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 6921.2: The U.S.S. Valorous Phoenix is en route to a planet Earth that's being ravaged by a Zombie Apocalypse and people are in danger and are under attack by zombies. Our mission is to meet the survivors and rescue many people there and bring them to our Earth to start new lives.

Me: I hope we get there in time.

Qin: We will.

Cut Man: No telling what we'll find there.

Nico: We'll be ready for it.

Me: Hey Nico how about a wager?

Nico: Lay it on me.

Me: You and me have a contest and whoever kills the most zombies buys root beer and dinner for the entire team.

Nico: You're on! And you're going to lose amigo!

Me: In your dreams nutloaf!

We laughed at that one.

Nico: That was funny.

Bender: Yeah that's what I said in a poker game.

Nico: Wow.

Lisa: We arrived at our destination.

Nico: On screen.

We arrived at a planet Earth that was completely decimated and on Fire and it was in trouble.

Me: Whoa! We better get to work.

Nico: Yep.

We went down to the planet and flew over the planet with our weapons ready. The whole planet was a mess and in absolute shambles and it was on fire.

Nico: My god. What in the world caused this?

Me: No idea.

Roxy Rocket: It's obvious what caused this.

Cyborg Red: At least me and my team can't get infected.

Me: It's obviously a virus. But what kind of virus?

Qin: Yeah.

Nico: Well we're not going to find out by sitting here. Lets get them!

We got to our battlestations and fired waves of energy, lasers, torpedoes and more and blew the zombies all over left and right.

Lisa counted for me and Nico:

J.D. Knudson - 100,423,532

Nico Chan - 321,463,432.

Nico: Better catch up dude.

Me: Oh I will.

We landed.

We Survivors were coming for the ship and we opened the doors.

Me: COME WITH US IF YOU WANT TO LIVE!

We fired laser blasts and blew the zombies apart and fired fire blasts and blew them apart into ashes. Then I tied up a zombie and knocked it out.

Nico: Whoa! Lets get it to the lab for analysis.

Tallahassee: Thanks for saving us.

Columbus: Yeah we owe you.

Me: Think nothing of it.

Tallahassee: Wow! Team Loud Phoenix Storm!

Wichita: What an honor.

Little Rock: It sure is.

Me: We can talk later after running some tests on our friend here.

Nico: So… should we start looking for her?

Me: Nico lets get started on testing our zombie here that we caught.

We got to the lab and had it restrained and Lisa and everyone ran some tests.

Frenzy: Let's keep our distance from it.

We did so and then Lisa got the test results back.

Lisa Loud: Okay I have the diagnosis. These walking monsters of the undead; Street Name: Zombies were all made by a viral form of Bovine Spongiform Encephalitis or Mad Cow Disease.

We gasped in shock!

Me: Mad Cow Disease did this!?

Twilight Sparkle: But that can't be right! Mad Cow Disease is a neurodegenerative disease that only affects cows.

Applejack: How can that be?

Me: Man it's like dealing with The Munchers that one time but on a massively worldwide Grand Scale.

Qin: Yeah!

Tallahassee: But we thank you guys for saving us. Sorry I'm Tallahassee.

Columbus: I'm Columbus. Awesome and an honor.

Wichita: I'm Wichita.

Little Rock: And I'm Little Rock.

Nico: It's awesome to meet you guys.

Me: You're named after major cities of the United States.

Qin: But that's cool.

Laney: Yeah it sure is.

Comic Book Guy: (to Columbus) Don't take this the wrong way. But you look like a version of Alex Luthor.

Tallahassee: Hey! Columbus looks nothing like that bald asshole~

Nico: Actually he was referring to the 2016 version of Lex Luthor.

Me: That was the most fucked up version of Lex we've ever face.

Tallahassee: Oh that's different.

Columbus: Yeah but I don't have long hair like he did.

Glomgold: (Scottish Accent) And you look like a version of Cletus Kasady.

Tallahassee: Oh, now you're comparing me to fucking Carnage?!

Me: Tallahassee, relax. We mean you no insult. We watched those movies a while back and Woody Harrelson played Carnage 2021 and Jesse Eisenberg played Luthor of 2016.

Tallahassee: Yeah we do look like them don't we? But I don't have the red hair.

Columbus: And I still have my sanity but I'm not that smart.

Apeface: Well, you're probably smart enough by know to know what kind of zombies there are here.

Columbus: Yeah we sure do.

Me: I'm sorry you guys went through such a horrifying nightmare.

Emma (ELGVTWD): Believe me I know how you guys feel. I'm a Zombie Apocalypse survivor myself.

Alice (Resident Evil): Same here. I know how you feel too.

Me: We've seen numerous zombie apocalypse scenarios and they are not pretty.

Mika Yuuki: Yeah. Me and my friends went through the exact same thing.

Saya Takagi: Yeah it's not pretty for us.

Rei Miyamoto: It was a nightmare that went from a school day for us to a fight for survival.

Qin: Yeah.

Knightbrace: What types of zombies are here?

Columbus: Well, there are Homers, Hawkings, and Ninjas.

Buzz Buzzard: Wait. Homers?

Columbus: They are zombies that are stupid as Homer Simpson.

Nico: Wow.

Me: I've heard of Zombies being brainless freaks but that takes the cake.

Qin: No kidding there.

Laney: Yeah.

Me: And the Hawkings are smart zombies and the ninjas are ambush surprise attack zombies.

Columbus: That's right. How did you know?

Me: Figured it out just by how you called them those.

Weirdwolf pointed to the zombie we captured.

Weirdwolf: That's a Homer, right?

Columbus: Yep. You guys should probably just kill these with one punch to conserve energy.

Me: Good idea. But our power is limitless and we never run out of energy.

Qin: Yeah.

Nico: We are really powerful.

Eli: Yeah no kidding.

Nico: Yeah.

Tallahassee: But we are grateful you all came to help us.

Me: We're glad we got here just in time.

Absorbing Man: Can I absorb something here?

Lego Poison Ivy: How about one of the swords?

I pulled out a sword.

Absorbing Man: That works perfectly.

Qin: Cool.

Me: We got to find the survivors and get them to the ship. We can at least give them a new start on our Earth.

Nico: Good thinking.

Tallahassee: We would like that.

Columbus: Yeah. This whole planet now is a shitfucking nightmare.

Laney: That's putting it mildly.

Dreadbane: What's that you're eating?

Tallahassee: A Twinkie. Want one? Could be the last time you'll get to do so.

Me: I've had a big bowl of chili for lunch.

Qin: But thank you.

Nico: Yeah.

Me: Don't worry we have lots of Twinkies back home.

Nico: Yep. Lets get ready for some buttkicking.

We went outside and it was a terrible place.

Me: Wow. This world really went down shit creek.

Kin Tsuchi: No kidding there.

Tayuya: It's a fucking A Nightmare.

Qin: Yeah.

Frog Prince: Another Homer is nearby!

Electrocutioner: I'll kill it!

Electrocutioner fired waves of lightning and blew it to pieces and destroyed it.

Nico: That was one but there are millions more.

Then MILLIONS OF ZOMBIES CAME!

Nico: Lets get them!

Me and Nico fired waves of fire and incinerated the zombies all over into dust!

Tuddrussel: GET SOME!

He blasted them all over!

Ninjas came.

Tallahassee: Great! Ninjas!

Storm Shadow: These are mine.

Storm Shadow jumped and slashed them into pieces.

Nico: OH YEAH!

Then out came Hawkings.

Me: You guys may be smart but you are brainless fuckers!

I fired waves of energy and blasted them into dust.

Me: Top these! (ACTIVATES PREDACON RHINOX'S RIDEWATCH!

I got his blasters and fired them and obliterated numerous zombies in a flash!

Qin: YEAH!

Nico: NICE!

J.D. Knudson: 3,325,323,455

Nico: 2,323,466,222

Me: That dinner is gonna be a good one.

Nico: Oh yeah!? (RESUMES FIRING!)

Marina Del Ray: Let's keep it up!

Mumbo: Time for magic!

They fired waves of magic and obliterated them all over.

The Fire Skylanders blasted the Zombies all over.

Nico: Lets hit the zombies with our entrance.

Me: I like how you think.

We teleported and then the zombies came and then the spirits of the Mysticons, Nickelodeon and Miraculous appeared and swirled around them and then converged and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out from under the zombies and then a phoenix cry was head and we came out and then the zombies were all falling into a pit of fire.

Me: OH YEAH!

Nico: That was awesome!

J.D. Knudson: 4,233,567,322

Nico: 3,111,111,111

Drill Man: These guys know the DRILL!

He fired Drill Missiles and blasted them all over the place with

incredible force.

Qin: YEAH!

Me: Top this one! (ACTIVATES TRANSMETAL TARANTULAS'S RIDEWATCH) Time to make you guys all ice cold slag!

I fired missiles and energy blasts and blew them apart with incredible force!

Nico: OH YEAH!

Tarantulas: That was great J.D.!

Gravity Man: Time to use gravity on these chumps!

Gravity Man lifted them up with his gravity and then sent them plummeting into the fire pit from our entrance!

Qin: OH YEAH!

Xenia: This is getting good!

We blasted them all over to kingdom come!

Rento: Me, Mondo, and Rentaro will hold the rest off!

Spymaster: Okay! It'll be good to show off your skills as well!

Nico : I'll help too with my Red Zi O Grand Ridewatch!

Mike Rochips: You really should've used that on Eric.

Nico: I know. But I didn't want to waste energy for that.

Rento,,Mondo and Rentaro: HENSHIN!

Then P'andor, Man Ray, Kitty, Moonstone, Avalanche, Tar Pit, Kyd Wykkyd, Skulker, Robo Blaze, Dr. Light, Beagle Babes, Quackerjack, Ted Carson A.K.A. Firefly, Major Mucus, Skeleton Men, Owl (One Night At Humpty's), Yost Viper, MOE Sinistro, Roulette, and Yost Living Laser appeared.

Man Ray: Think of this as a refresher course.

Me: Yeah!

Moonstone: Those Homers are pretty dumb though.

Me: You're not kidding. They are stupid funny.

Avalanche: (to Nico) We heard you fought the Ghost Bride.

Nico: We sure did and we proved one Urban Legend to be true.

Kitty: Who was the culprit?

Nico: It was really an actual ghost.

Me: It was Cynthia Snell herself. Ugly story.

Daikon Radish World then came.

Daikon Radish World: Boy this is intense.

Jared: You're telling me.

Daikon Radish World: I haven't forgotten our previous battle.

Nico: Me neither.

Jared: Same here. That was awesome.

Laney: It sure was.

Qin: Yep.

Nico: Lets get it on.

Everyone got the battles underway.

Tahu: It was a scary one. And the Ghost Bride REALLY WAS Cynthia Snell who really killed her former fiancée and her sister back over a century ago.

Sunset Shimmer: She sure did and it was horrible.

Pipsqueak: (British Accent) She was like Lizzie Borden back all those years ago.

Sunburn: It was terrible back then.

Chef Pepperjack: Ooowee! It was awful.

Gali: It sure did and she was a really fast and agile one.

Rarity: It was like a cat trying to catch a mouse.

Sweetie Belle: Boy it sure was.

## Pohatu, Pinkie Pie, Featherweight, Tech Skylanders, Dr. Krankcase, Rumble and Frenzy VS Avalanche - Meeting a Blue Eyes Alternative White Dragon Gene-slammer

---

Avalanche was next.

Avalanche: (to Pohatu) I heard you guys met a Blue Eyes Alternative White Dragon Gene-slammer. What's her name?

Pohatu: It was actually triplet girls. Their names are Fiona, Flora and Fauna DragoneBianco.

Pinkie Pie: Yeah they are really amazing.

Featherweight: And their story is cool too.

---

Fiona DragoneBianco: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Flora DragoneBianco: Yeah, you could land a plane on that much wider and more muscular back of his, crush a watermelon with those extremely muscular thighs, and cut a rock into a diamond on those eight-pack abs.

Fauna DragoneBianco: And I don't think a tape measure can measure out just how massive those biceps really are, along with that amazing chiseled chest of his.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Fiona DragoneBianco: That's incredible!

Hazel Turner: That's incredible!

Nico: It sure is. So, Fiona, Flora, Fauna, what's the story on why you three hate Flip with a burning passion, though you already hate him for obvious reasons?

Fiona DragoneBianco: You're not going to like this, Nico. One day, Lincoln was with us in our dragon ranch and we were tending to our dragons.

Flora DragoneBianco: And then, we got on our dragons and we took to the air and we were flying. But, then, we saw a rock heading for us and we dodged it, then, Lincoln saw and smelled who it was that fired that rock at us: it was Flip, and he was trying to shoot us down, so he can capture our dragons and sell them.

Fauna DragoneBianco: We were really mad at that stupid greedy cheapskate, so we flew down and we fired at Flip, and he got burned badly. Then, Lincoln fired red energy blasts from his massive white angel wings and he imprisoned Flip in a red orb, and when he called the police, J.D. came out, and he grabbed Flip and tossed him into a police wagon and they drove him back to jail.

We were really mad at Flip again.

Nico: That stupid, smelly, greedy cheapskate!

Me: Yeah, and I found out Flip escaped from prison and tried to capture the dragons there, so he can sell them to make a quick buck, and kill Lincoln yet again for ruining his scams. Eli: Lets do it! EARTH STYLE NINJA ART: TYRANNOSAURUS REX!

Eli fired a wave of earth by punching the ground and it formed into the meanest dinosaur that ever lived from 68 million years ago: Tyrannosaurus Rex!

Tyrannosaurus is a genus of coelurosaurian theropod dinosaur. The species Tyrannosaurus rex, often called T. rex or colloquially T-Rex, is one of the most well-represented of the large theropods. Tyrannosaurus lived throughout what is now western North America, on what was then an island continent known as Laramidia. Tyrannosaurus had a much wider range than other tyrannosaurids. Fossils are found in a variety of rock formations dating to the Maastrichtian age of the upper Cretaceous period, 68 to 66 million years ago. It was the last known member of the tyrannosaurids, and among the last non-avian dinosaurs to exist before the Cretaceous-Paleogene extinction event.

Like other tyrannosaurids, Tyrannosaurus was a bipedal carnivore with a massive skull balanced by a long, heavy tail. Relative to its large and powerful hind limbs, Tyrannosaurus forelimbs were short but unusually powerful for their size and had two clawed digits. The most complete specimen measures up to 12.3 meters (40 feet) in length though T. rex could grow to lengths of over 12.3 m (40 ft), up to 3.66 m (12 ft) tall at the hips, and according to most modern estimates 8.4 metric tons (9.3 short tons) to 14 metric tons (15.4 short tons) in weight. Although other theropods rivaled or exceeded

Tyrannosaurus rex in size, it is still among the largest known land predators and is estimated to have exerted the strongest bite force among all terrestrial animals. By far the largest carnivore in its environment, Tyrannosaurus rex was most likely an apex predator, preying upon hadrosaurs, armored herbivores like ceratopsians and ankylosaurs, and possibly sauropods. Some experts have suggested the dinosaur was primarily a scavenger. The question of whether Tyrannosaurus was an apex predator or a pure scavenger was among the longest debates in paleontology. Most paleontologists today accept that Tyrannosaurus was both an active predator and a scavenger.

Hunter: (German Accent) INFERNO STYLE NINJA ART: SPINOSAURUS!

Hunter fired a wave of black fire and it formed into the largest and meanest carnivorous dinosaur that ever lived from 112 million years ago in Egypt: Spinosaurus!

---

Spinosaurus (meaning "spine lizard") is a genus of spinosaurid dinosaur that lived in what now is North Africa during the upper Albian to upper Turonian stages of the Cretaceous period, about 112 to 93.5 million years ago. This genus was known first from Egyptian remains discovered in 1912 and described by German paleontologist Ernst Stromer in 1915. The original remains were destroyed in World War II, but additional material has come to light in the early 21st century. It is unclear whether one or two species are represented in the fossils reported in the scientific literature. The best known species is S. aegyptiacus from Egypt, although a potential second species, S. maroccanus, has been recovered from Morocco. The contemporary spinosaurid genus Sigilmassasaurus has also been synonymized by some authors with S. aegyptiacus, though other researchers propose it to be a distinct taxon. Another possible junior synonym is Oxalaia from the Alcântara Formation in Brazil.

Spinosaurus was among the largest of all known carnivorous dinosaurs, nearly as large as or even larger than other theropods such as Tyrannosaurus, Giganotosaurus and Carcharodontosaurus. Estimates published in 2005, 2007, and 2008 suggested that it was between 12.6 to 18 meters (41 to 59 ft) in length and 7 to 20.9 metric tons (7.7 to 23.0 short tons) in weight. New estimates published in 2014 and 2018, based on a more complete specimen, supported the earlier research, finding that Spinosaurus could reach lengths of 15 to 16 meters (49 to 52 ft). The latest estimates suggest a weight of 6.4 to 7.5 metric tons (7.1 to 8.3 short tons). The skull of Spinosaurus was long, low and narrow, similar to that of a modern crocodilian, and bore straight conical teeth with no serrations. It would have had large, robust forelimbs bearing three-fingered hands, with an enlarged claw on the first digit. The distinctive neural spines of Spinosaurus, which were long extensions of the vertebrae (or backbones), grew to at least 1.65 meters (5.4 ft) long and were likely to have had skin connecting them, forming a sail-like structure, although some authors[who?] have suggested that the spines were covered in fat and formed a hump. Spinosaurus's hip bones were reduced, and the legs were very short in proportion to the body. Its long and narrow tail was deepened by tall, thin neural spines and elongated chevrons, forming a flexible fin or paddle-like structure.

Axel Adell: (Swedish Accent) ICE STYLE NINJA ART: WOOLLY MAMMOTH!

Axel fired a wave of ice and it formed into the famous and widely known ancestral elephants from 800,000 years ago: The Woolly Mammoth.

---

The woolly mammoth (Mammuthus primigenius) is an extinct species of mammoth that lived during the Pleistocene until its extinction in the Holocene epoch. It was one of the last in a line of mammoth species, beginning with Mammuthus subplanifrons in the early Pliocene. The woolly mammoth began to diverge from the steppe mammoth about 800,000 years ago in East Asia. Its closest extant relative is the Asian elephant. The appearance and behaviour of this species are among the best studied of any prehistoric animal because of the discovery of frozen carcasses in Siberia and Alaska, as well as skeletons, teeth, stomach contents, dung, and depiction from life in prehistoric cave paintings. Mammoth remains had long been known in Asia before they became known to Europeans in the 17th century. The origin of these remains was long a matter of debate, and often explained as being remains of legendary creatures. The mammoth was identified as an extinct species of elephant by Georges Cuvier in 1796.

The woolly mammoth was roughly the same size as modern African elephants. Males reached shoulder heights between 2.7 and 3.4 m (8.9 and 11.2 ft) and weighed up to 6 metric tons (6.6 short tons). Females reached 2.6-2.9 m (8.5-9.5 ft) in shoulder heights and weighed up to 4 metric tons (4.4 short tons). A newborn calf weighed about 90 kg (200 lb). The woolly mammoth was well adapted to the cold environment during the last ice age. It was covered in fur, with an outer covering of long guard hairs and a shorter undercoat. The colour of the coat varied from dark to light. The ears and tail were short to minimise frostbite and heat loss. It had long, curved tusks and four molars, which were replaced six times during the lifetime of an individual. Its behaviour was similar to that of modern elephants, and it used its tusks and trunk for manipulating objects, fighting, and foraging. The diet of the woolly mammoth was mainly grasses and sedges. Individuals could probably reach the age of 60. Its habitat was the mammoth steppe, which stretched across northern Eurasia and North America.

The woolly mammoth coexisted with early humans, who used its bones and tusks for making art, tools, and dwellings, and the species was also hunted for food. It disappeared from its mainland range at the end of the Pleistocene 10,000 years ago. Isolated populations survived on St. Paul Island until 5,600 years ago and on Wrangel Island until 4,000 years ago. After its extinction, humans continued using its ivory as a raw material, a tradition that continues today. With a genome project for the mammoth completed in 2015, it has been proposed the species could be revived through various means, but none of the methods proposed are yet feasible.

Dana: ICE STYLE NINJA ART: SABER-TOOTH CAT!

Dana fired a wave of ice and it formed into the ancestral cats of 42 million years ago: The Saber-Toothed Cats!

---

A saber-toothed cat (alternatively spelled sabre-toothed cat) is any member of various extinct groups of predatory mammals that are characterized by long, curved saber-shaped canine teeth which protruded from the mouth even when closed. The saber-toothed cats have been found almost worldwide from the Eocene epoch to the end of the Pleistocene epoch 42 million years ago (mya) - 11,000 years ago (kya). The first saber-toothed cat fossil in Canada was found in Medicine Hat, Alberta.

One of the best-known genera is Smilodon, species of which, especially S. fatalis, are popularly, but incorrectly, referred to as "saber-toothed tigers". However, usage of the word cat is in some cases a misnomer, as many species referred to as saber-toothed "cats" are not closely related to modern cats (Felidae). Instead, many are members are classified into different families of Feliformia, such as Barbourofelidae and Nimravidae; the oxyaenid "creodont" genera Machaeroides and Apataelurus; and two extinct lineages of metatherian mammals, the thylacosmilids of Sparassodonta, and deltatheroideans, which are more closely related to marsupials. In this regard, saber-toothed cats can be viewed as examples of convergent evolution. This convergence is remarkable due not only to the development of elongated canines, but also a suite of other characteristics, such as a wide gape and bulky forelimbs, which is so consistent that it has been termed the "saber-tooth suite."

Of the feliform lineages, the family Nimravidae is the oldest, entering the landscape around 42 mya and becoming extinct by 7.2 mya. Barbourofelidae entered around 16.9 mya and were extinct by 9 mya. These two would have shared some habitats.

Lana: ICE STYLE NINJA ART: WOOLLY RHINOCEROS!

Lana fired a wave of ice and it formed into the Ice Age ancestors of modern day Rhinoceroses from 3.6 Million years ago: The Woolly

Rhinoceros!

---

The woolly rhinoceros (Coelodonta antiquitatis) is an extinct species of rhinoceros that was common throughout Europe and northern Asia during the Pleistocene epoch and survived until the end of the last glacial period. The woolly rhinoceros was a member of the Pleistocene megafauna.

The woolly rhinoceros was covered with thick and long hair, which allowed it to survive in the extremely cold, harsh mammoth steppe. It also had a massive hump reaching from its shoulder. It fed mainly on herbaceous plants that grew in the steppe.

Mummified carcasses preserved in permafrost and many bone remains of woolly rhinoceroses have been found. Images of woolly rhinoceroses are found among cave paintings in Europe and Asia.

Killer Frost: ICE STYLE NINJA ART: IRISH ELK!

Killer Frost fired a wave of ice and it formed into the largest deer ever known that lived 2.5 million years ago: The Irish Elk.

---

The Irish elk (Megaloceros giganteus) also called the giant deer or Irish deer, is an extinct species of deer in the genus Megaloceros and is one of the largest deer that ever lived. Its range extended across Eurasia during the Pleistocene, from Ireland to Lake Baikal in Siberia. The most recent remains of the species have been carbon dated to about 7,700 years ago in Siberia.

Although abundant skeletal remains have been found in bogs in Ireland, the animal was not exclusive to Ireland nor closely related to either of the living species currently called elk: Alces alces (the European elk, known in North America as the moose) or Cervus canadensis (the North American elk or wapiti). For this reason, the name "giant deer" is used in some publications, instead of "Irish elk". Although one study suggested that the Irish elk was closely related to the red deer (Cervus elaphus), most other phylogenetic analyses support that their closest living relatives are fallow deer (Dama dama).

---

Maggie: ICE STYLE NINJA ART: SHORT-FACED BEAR!

Maggie fired a wave of ice and it formed into the Ice Age bear from 1.8 million years ago: The Short-Faced Bear.

---

The short-faced bear (Arctodus sp.) is an extinct bear genus that inhabited North America during the Pleistocene epoch from about 1.8 Mya until 11,000 years ago. It was the most common early North American bear and was most abundant in California. There are two recognized species: the lesser short-faced bear (Arctodus pristinus) and the giant short-faced bear (Arctodus simus), with the latter considered to be one of the largest known terrestrial mammalian carnivores that has ever existed. It has been hypothesized that their extinction coincides with the Younger Dryas period of global cooling commencing around 10,900 BC.

---

Khalyaka: (India Accent) EARTH STYLE NINJA ART: TARBOSAURUS BABAAR!

Khalyaka fired a wave of earth and it formed into the terrible theropod of 70 million years ago: Tarbosaurus!

---

Tarbosaurus (meaning "alarming lizard") is a genus of tyrannosaurid theropod dinosaur that flourished in Asia about 70 million years ago, at the end of the Late Cretaceous Period, considered to contain a single known species, Tarbosaurus bataar. Fossils have been recovered in Mongolia, with more fragmentary remains found further afield in parts of China.

Although many species have been named, modern paleontologists recognize only one, T. bataar, as valid. Some experts see this species as an Asian representative of the North American genus Tyrannosaurus; this would make the genus Tarbosaurus redundant. Tarbosaurus and Tyrannosaurus, if not synonymous, are considered to be at least closely related genera. Alioramus, also from Mongolia, has previously been thought by some authorities to be the closest relative of Tarbosaurus, though this has since been disproven with the discovery of Qianzhousaurus and the description of the Alioramini.

Like most known tyrannosaurids, Tarbosaurus was a large bipedal predator, weighing up to 5 metric tons (5.5 short tons) and equipped with about sixty large teeth. It had a unique locking mechanism in its lower jaw and the smallest forelimbs relative to body size of all tyrannosaurids, renowned for their disproportionately tiny, two-fingered forelimbs.

Tarbosaurus lived in a humid floodplain criss-crossed by river channels. In this environment, it was an apex predator, probably preying on other large dinosaurs like the hadrosaur Saurolophus or the sauropod Nemegtosaurus. Tarbosaurus is represented by dozens of fossil specimens, including several complete skulls and skeletons. These remains have allowed scientific studies focusing on its phylogeny, skull mechanics, and brain structure.

---

Lynn: EARTH STYLE NINJA ART: APATOSAURUS!

Lynn fired a wave of Earth and it formed into the famous sauropod from 158 million years ago: Apatosaurus!

---

Apatosaurus is a genus of herbivorous sauropod dinosaur that lived in North America during the Late Jurassic period. Othniel Charles Marsh described and named the first-known species, A. ajax, in 1877, and a second species, A. louisae, was discovered and named by William H. Holland in 1916. Apatosaurus lived about 152 to 151 million years ago (mya), during the late Kimmeridgian to early Tithonian age, and are now known from fossils in the Morrison

Formation of modern-day Colorado, Oklahoma, New Mexico, Wyoming, and Utah in the United States. Apatosaurus had an average length of 21-22.8 m (69-75 ft), and an average mass of 16.4-22.4 t (16.1-22.0 long tons; 18.1-24.7 short tons). A few specimens indicate a maximum length of 11-30% greater than average and a mass of 32.7-72.6 t (32.2-71.5 long tons; 36.0-80.0 short tons).

The cervical vertebrae of Apatosaurus are less elongated and more heavily constructed than those of Diplodocus, a diplodocid like Apatosaurus, and the bones of the leg are much stockier despite being longer, implying that Apatosaurus was a more robust animal. The tail was held above the ground during normal locomotion. Apatosaurus had a single claw on each forelimb and three on each hindlimb. The Apatosaurus skull, long thought to be similar to Camarasaurus, is much more similar to that of Diplodocus. Apatosaurus was a generalized browser that likely held its head elevated. To lighten its vertebrae, Apatosaurus had air sacs that made the bones internally full of holes. Like that of other diplodocids, its tail may have been used as a whip to create loud noises.

The skull of Apatosaurus was confused with that of Camarasaurus and Brachiosaurus until 1909, when the holotype of A. louisae was found, and a complete skull just a few meters away from the front of the neck. Henry Fairfield Osborn disagreed with this association, and went on to mount a skeleton of Apatosaurus with a Camarasaurus skull cast. Apatosaurus skeletons were mounted with speculative skull casts until 1970, when McIntosh showed that more robust skulls assigned to Diplodocus were more likely from Apatosaurus.

Apatosaurus is a genus in the family Diplodocidae. It is one of the more basal genera, with only Amphicoelias and possibly a new, unnamed genus more primitive. While the subfamily Apatosaurinae was named in 1929, the group was not used validly until an extensive 2015 study. Only Brontosaurus is also in the subfamily, with the other genera being considered synonyms or reclassified as diplodocines. Brontosaurus has long been considered a junior synonym of Apatosaurus; its type species was reclassified as A. excelsus in 1903. A 2015 study concluded that Brontosaurus is a valid genus of sauropod distinct from Apatosaurus, but not all paleontologists agree with this division. As it existed in North America during the late Jurassic, Apatosaurus would have lived alongside dinosaurs such as Allosaurus, Camarasaurus, Diplodocus, and Stegosaurus.

---

Laney: FOREST STYLE NINJA ART: DIPLODOCUS!

Laney fired a wave of trees and leaves and it formed into the famous sauropod from 154 million years ago: Diplodocus!

---

Diplodocus is a genus of diplodocid sauropod dinosaurs whose fossils were first discovered in 1877 by S. W. Williston. The generic name, coined by Othniel Charles Marsh in 1878, is a neo-Latin term derived from Greek διπλόος (diplos) "double" and δοκός (dokos) "beam", in reference to the double-beamed chevron bones located in the underside of the tail, which were then considered unique.

This genus of dinosaurs lived in what is now mid-western North America at the end of the Jurassic period. It is one of the more common dinosaur fossils found in the middle to upper Morrison Formation, between about 154 and 152 million years ago, during the late Kimmeridgian age. The Morrison Formation records an environment and time dominated by gigantic sauropod dinosaurs, such as Apatosaurus, Barosaurus, Brachiosaurus, Brontosaurus, and Camarasaurus. Its great size may have been a deterrent to the predators Allosaurus and Ceratosaurus: their remains have been found in the same strata, which suggests that they coexisted with Diplodocus.

Diplodocus is among the most easily identifiable dinosaurs, with its typical sauropod shape, long neck and tail, and four sturdy legs. For many years, it was the longest dinosaur known.

May: ICE STYLE NINJA ART: LEAELLYNASAURA!

May fired a wave of ice and it formed into the Australian dinosaur from 118 million years ago: Leaellynasaura!

---

Leaellynasaura is a genus of small herbivorous ornithischian dinosaurs from the Albian stage of the Early Cretaceous (dated to between 118 and 110 million years ago), first discovered in Dinosaur Cove, Australia. The only known species is Leaellynasaura amicagraphica. It was described in 1989, and named after Leaellyn Rich, the daughter of the Australian palaeontologist couple Tom Rich and Patricia Vickers-Rich who discovered it. The specific name, amicagraphica, translates to "friend writing" and honours both the Friends of the Museum of Victoria and the National Geographic Society for their support of Australian paleontology.

---

Lori: WIND STYLE NINJA ART: ALLOSAURUS!

Lori fired a wave of wind and it formed into the vicious theropod from 155 million years ago: Allosaurus!

---

Allosaurus is a genus of carnivorous theropod dinosaur that lived 155 to 145 million years ago during the late Jurassic period (Kimmeridgian to late Tithonian). The name "Allosaurus" means "different lizard" alluding to its unique concave vertebrae (at the time of its discovery). It is derived from the Greek ἄλλος (allos) ("different, other") and σαῦρος (sauros) ("lizard / generic reptile"). The first fossil remains that could definitively be ascribed to this genus were described in 1877 by paleontologist Othniel Charles Marsh. As one of the first well-known theropod dinosaurs, it has long attracted attention outside of paleontological circles.

Allosaurus was a large bipedal predator. Its skull was large and equipped with dozens of sharp, serrated teeth. It averaged 9.5 meters (31 ft) in length, though fragmentary remains suggest it could have reached over 12 m (39 ft). Relative to the large and powerful hindlimbs, its three-fingered forelimbs were small, and the body was

balanced by a long and heavily muscled tail. It is classified as an allosaurid, a type of carnosaurian theropod dinosaur. The genus has a complicated taxonomy, and includes three valid species, the best known of which is A. fragilis. The bulk of Allosaurus remains have come from North America's Morrison Formation, with material also known from Portugal. It was known for over half of the 20th century as Antrodemus, but a study of the copious remains from the Cleveland-Lloyd Dinosaur Quarry brought the name "Allosaurus" back to prominence and established it as one of the best-known dinosaurs.

As the most abundant large predator in the Morrison Formation, Allosaurus was at the top of the food chain, probably preying on contemporaneous large herbivorous dinosaurs, and perhaps other predators. Potential prey included ornithopods, stegosaurids, and sauropods. Some paleontologists interpret Allosaurus as having had cooperative social behavior, and hunting in packs, while others believe individuals may have been aggressive toward each other, and that congregations of this genus are the result of lone individuals feeding on the same carcasses.

Leni: WATER STYLE NINJA ART: OMEISAURUS!

Leni fired a wave of water and it formed into one of the largest dinosaurs from 173 million years ago: Omeisaurus!

---

Omeisaurus (meaning "Omei lizard") is a genus of sauropod dinosaur from the Middle Jurassic Period (Bathonian-Callovian stage) of what is now China. Its name comes from Mount Emei, where it was discovered in the lower Shaximiao Formation of Sichuan Province.

Like other sauropods, Omeisaurus was herbivorous and large. It measured 20.2 metres (66 ft) long, and weighed 9.8 tonnes.

---

Luna: WATER STYLE NINJA ART: SUCHOMIMUS!

Luna fired a wave of water and it formed into the ferocious spinosaurid dinosaur from 125 million years ago: Suchomimus!

---

Suchomimus (meaning "crocodile mimic") is a genus of spinosaurid dinosaur that lived between 125 and 112 million years ago in what is now Niger, during the Aptian to early Albian stages of the Early Cretaceous period. The animal was named and described by palaeontologist Paul Sereno and colleagues in 1998, based on a partial skeleton from the Erlhaz Formation. Suchomimus's long and shallow skull, similar to that of a crocodile, earns it its generic name, while the specific name Suchomimus tenerensis alludes to the locality of its first remains, the Ténéré Desert.

Suchomimus was 9.5 to 11 metres (31 to 36 feet) long and weighed between 2.5 to 5.2 tonnes (2.8 to 5.7 short tons), although the holotype specimen may not have been fully grown. Suchomimus's narrow skull was perched on a short neck, and its forelimbs were powerfully built, bearing a giant claw on each thumb. Along the midline of the animal's back ran a low dorsal sail, built from the long neural spines of its vertebrae. Like other spinosaurids, it likely had a diet of fish and small prey animals.

Some palaeontologists consider the animal to be an African species of the European spinosaurid Baryonyx, B. tenerensis. Suchomimus might also be a junior synonym of the contemporaneous spinosaurid Cristatusaurus lapparenti, although the latter taxon is based on much more fragmentary remains. Suchomimus lived in a fluvial environment of vast floodplains alongside many other dinosaurs, in addition to pterosaurs, crocodylomorphs, fish, turtles, and bivalves.

Stella fired a wave of fire and it formed into the Iguanodont from 100 million years ago: Ouranosaurus.

---

Ouranosaurus is a genus of herbivorous iguanodont dinosaur that

lived during the Aptian stage of the Early Cretaceous of modern-day Niger. Ouranosaurus measured about 7 to 8.3 metres (23 to 27 ft) long. Two rather complete fossils were found in the Elrhaz Formation, Gadoufaoua deposits, Agadez, Niger, in 1965 and 1970. The animal was named in 1976 by French paleontologist Philippe Taquet; the type species being Ouranosaurus nigeriensis. The name is a combination of the Arabic word for "courage" and the country of discovery, although ourane is also the Tuareg name for the desert monitor.

Becca Chang: WATER STYLE NINJA ART: TITANOBOA!

Becca fired a wave of water that formed into the Colombian giant snake from 60 million years ago: Titanoboa!

---

Titanoboa (/tiˌtɑːnoʊˈboʊə/) is an extinct genus of very large snakes that lived in what is now La Guajira in northeastern Colombia. They could grow up to 12.8 m (42 ft) long and reach a weight of 1,135 kg (2,500 lb).

Fossils of Titanoboa have been found in the Cerrejón Formation, and date to around 58 to 60 million years ago. The giant snake lived during the Middle to Late Paleocene epoch, a 10-million-year period immediately following the Cretaceous-Paleogene extinction event.

The only known species is Titanoboa cerrejonensis, the largest snake ever discovered, which supplanted the previous record holder, Gigantophis.

Syd: WATER STYLE NINJA ART: OPHTHALMOSAURUS!

Syd fired a wave of water and it formed into the Ichthyosaur from 165 million years ago: Ophthalmosaurus!

---

Ophthalmosaurus (meaning "eye lizard" in Greek) is an ichthyosaur of the Middle Jurassic period (165-160 million years ago), named for its extremely large eyes. It had a graceful 6 m (19.5 ft) long dolphin-shaped body, and its almost toothless jaw was well adapted for catching squid. Major fossil finds of this genus have been recorded in Europe and North and South America.

Girl Jordan: WATER STYLE NINJA ART: ELASMOSAURUS!

Girl Jordan fired a wave of water and it formed into the huge long-necked plesiosaurus from 80.5 million years ago: Elasmosaurus!

---

Elasmosaurus is a genus of plesiosaur that lived in North America during the Campanian stage of the Late Cretaceous period, about 80.5 million years ago. The first specimen was discovered in 1867 near Fort Wallace, Kansas, US, and was sent to the American paleontologist Edward Drinker Cope, who named it E. platyurus in 1868. The generic name means "thin-plate reptile", and the specific name means "flat-tailed". Cope originally reconstructed the skeleton of Elasmosaurus with the skull at the end of the tail, an error which was made light of by the paleontologist Othniel Charles Marsh, and became part of their "Bone Wars" rivalry. Only one incomplete Elasmosaurus skeleton is definitely known, consisting of a fragmentary skull, the spine, and the pectoral and pelvic girdles, and a single species is recognized today; other species are now considered invalid or have been moved to other genera.

Measuring 10.3 meters (34 ft) long, Elasmosaurus would have had a streamlined body with paddle-like limbs, a short tail, a small head, and an extremely long neck. The neck alone was around 7.1 meters (23 ft) long. Along with its relative Albertonectes, it was one of the longest-necked animals to have lived, with the largest number of neck vertebrae known, 72. The skull would have been slender and triangular, with large, fang-like teeth at the front, and smaller teeth towards the back. It had six teeth in each premaxilla of the upper jaw, and may have had 14 teeth in the maxilla and 19 in the dentary of the lower jaw. Most of the neck vertebrae were compressed

sideways, and bore a longitudinal crest or keel along the sides.

The family Elasmosauridae was based on the genus Elasmosaurus, the first recognized member of this group of long-necked plesiosaurs. Elasmosaurids were well adapted for aquatic life, and used their flippers for swimming. Contrary to earlier depictions, their necks were not very flexible, and could not be held high above the water surface. It is unknown what their long necks were used for, but they may have had a function in feeding. Elasmosaurids probably ate small fish and marine invertebrates, seizing them with their long teeth, and may have used gastroliths (stomach stones) to help digest their food. Elasmosaurus is known from the Pierre Shale formation, which represents marine deposits from the Western Interior Seaway.

SpongeBob: WATER STYLE NINJA ART: LIOPLEURODON!

SpongeBob fired a wave of water and it formed into the ferocious marine reptile from 166 million years ago: Liopleurodon!

---

Liopleurodon (/ˌlaɪoʊ'plʊərədɒn/; meaning 'smooth-sided teeth') is a genus of large, carnivorous marine reptile belonging to the Pliosauroidea, a clade of short-necked plesiosaurs. The two species of Liopleurodon lived from the Callovian Stage of the Middle Jurassic to the Kimmeridgian stage of the Late Jurassic Period (c. 166 to 155 mya). It was the apex predator of the Middle to Late Jurassic seas that covered Europe. The largest species, L. ferox, is estimated to have grown up to 6.4 metres (21 ft) in length.

The name "Liopleurodon" (meaning "smooth-sided tooth") derives from Ancient Greek words: λεῖος leios, "smooth"; πλευρά pleurá, "side" or "rib"; and ὀδόν odṓn, "tooth".

Salar: (Arabic Accent) FIRESTORM STYLE NINJA ART: GALLIMIMUS!

Salar fired a massive wave of fire and it formed into a herd of the ostrich-like egg-eaters from 70 million years ago: Gallimimus!

---

Gallimimus (/ˌɡælɪˈmaɪməs/ GAL-i-MY-məs) is a genus of theropod dinosaur that lived in what is now Mongolia during the Late Cretaceous period, about seventy million years ago (mya). Several fossils in various stages of growth were discovered by Polish-Mongolian expeditions in the Gobi Desert of Mongolia during the 1960s; a large skeleton discovered in this region was made the holotype specimen of the new genus and species Gallimimus bullatus in 1972. The generic name means "chicken mimic", referring to the similarities between its neck vertebrae and those of the Galliformes. The specific name is derived from bulla, a gold capsule worn by Roman youth, in reference to a bulbous structure at the base of the skull of Gallimimus. At the time it was named, the fossils of Gallimimus represented the most complete and best preserved ornithomimid ("ostrich dinosaur") material yet discovered, and the genus remains one of the best known members of the group.

Gallimimus is the largest known ornithomimid; adults were about 6 metres (20 ft) long, 1.9 metres (6 ft 3 in) tall at the hip and weighed about 440 kilograms (970 lb). As evidenced by its relative Ornithomimus, it would have had feathers. The head was small and light with large eyes that faced to the sides. The snout was long compared to other ornithomimids, although it was broader and more rounded at the tip than in other species. Gallimimus was toothless with a keratinous (horny) beak, and had a delicate lower jaw. Many of the vertebrae had openings that indicate they were pneumatic (air-filled). The neck was proportionally long in relation to the trunk. The hands were proportionally the shortest of any ornithomimosaur and each had three digits with curved claws. The forelimbs were weak while the hindlimbs were proportionally long. The family Ornithomimidae is part of the group Ornithomimosauria. Anserimimus, also from Mongolia, is thought to have been the closest relative of Gallimimus.

As an ornithomimid, Gallimimus would have been a fleet (or cursorial) animal, using its speed to escape predators; its speed has

been estimated at 42-56 km/h (29-34 mph). It may have had good vision and intelligence comparable to ratite birds. Gallimimus may have lived in groups, based on the discovery of several specimens preserved in a bone bed. Various theories have been proposed regarding the diet of Gallimimus and other ornithomimids. The highly mobile neck may have helped locate small prey on the ground, but it may also have been an opportunistic omnivore. It has also been suggested that it used small columnar structures in its beak for filter-feeding in water, though these structures may instead have been ridges used for feeding on tough plant material, indicative of a herbivorous diet. Gallimimus is the most commonly found ornithomimosaur in the Nemegt Formation, where it lived alongside its relatives Anserimimus and Deinocheirus. Gallimimus was featured in the movie Jurassic Park, in a scene that was important to the history of special effects, and in shaping the common conception of dinosaurs as bird-like animals.

Andropov: (Russian Accent) ICE STYLE NINJA ART: ELASMOTHERIUM!

Andropov fired a wave of ice and it formed into the ancestral big-horned rhinoceros of the Ice Age from 2.6 million years ago: Elasmotherium!

---

Elasmotherium is an extinct genus of large rhinoceros endemic to Eurasia during the Late Pliocene through the Pleistocene, existing from 2.6 Ma to at least as late as 39,000 years ago in the Late Pleistocene. A more recent date of 26,000 BP is considered less reliable. It was the last surviving member of Elasmotheriinae, a distinctive group of rhinoceroses that had separated from the ancestry of living rhinoceroses by at least 35 million years ago according to fossils and estimated around 47.4 million years ago based on molecular clock.

Four species are recognised, which were largely confined to the Pontic-Caspian steppe, the Caucasus and Central Asia. The best known, E. sibiricum, known as the Siberian unicorn, was the size of

a mammoth and is thought to have borne a large, thick horn on its forehead. Like all rhinoceroses, elasmotheres were herbivorous. Unlike any other rhinos and any other ungulates aside from some notoungulates, its high-crowned molars were ever-growing. Its legs were longer than those of other rhinos and were adapted for galloping, giving it a horse-like gait.

Golova: (Russian Accent) ICE STYLE NINJA ART: CAVE LION!

Golova fired a wave of ice and it formed into the Ice Age lions of 500,000 years ago: Cave Lions!

---

Panthera spelaea, also known as the "Eurasian cave lion", "European cave lion", or "steppe lion", is an extinct Panthera species that evolved in Europe probably after the third Cromerian interglacial stage, less than 600,000 years ago. Phylogenetic analysis of fossil bone samples revealed that it was highly distinct and genetically isolated from the modern lion (Panthera leo) occurring in Africa and Asia. Analysis of morphological differences and mitochondrial data support the taxonomic recognition of Panthera spelaea as a distinct species that diverged from the lion about 1.9 million years ago. Nuclear genomic evidence suggests a more recent split approximately 500,000 years ago, with no subsequent interbreeding with the ancestors of the modern lion. The oldest known bone fragments were excavated in Yakutia and radiocarbon dated at least 62,400 years old. It became extinct about 13,000 years ago.

Matthias: (German Accent) FOREST STYLE NINJA ART: LEPTICTIDIUM!

Matthias fired a wave of wood and leaves and it formed into a swarm of the ancestor of the Elephant Shrew that lived 50 million years ago: Leptictidium!

---

Leptictidium (a Latinized diminutive of the name of its close relative Leptictis, which means "graceful weasel" in Ancient Greek) is an extinct genus of small mammals that were likely bipedal. Comprising eight species, they resembled today's elephant shrews. They are especially interesting for their combination of characteristics typical of primitive eutherians with highly specialized adaptations, such as powerful hind legs and a long tail which aided in locomotion. They were omnivorous, their diet a combination of insects, lizards and small mammals. One of the first branches to split from basal eutherians, they appeared in the Lower Eocene, a time of warm temperatures and high humidity, roughly fifty million years ago. Although they were widespread throughout Europe, they became extinct around thirty-five million years ago with no descendants, probably because they were adapted to live in forest ecosystems and were unable to adapt to the open plains of the Oligocene.

Eustreptospondylus (/juːˌstrɛptoʊspɒnˈdaɪləs/ yoo-STREPT-o-spon-DY-ləs; meaning "true Streptospondylus") is a genus of megalosaurid theropod dinosaur, from the Oxfordian stage of the Late Jurassic period (some time between 163 and 154 million years ago) in southern England, at a time when Europe was a series of scattered islands (due to tectonic movement at the time which raised the sea-bed and flooded the lowland).

Fiona: WIND STYLE NINJA ART: ORNITHOCHEIRUS!

Fiona fired a wave of wind and it formed into the ostrich-like dinosaur from 92.5 million years ago: Ornithocheirus!

---

Ornithocheirus (from Ancient Greek "ὄρνις", meaning bird, and "χεῖρ", meaning hand) is a pterosaur genus known from fragmentary fossil remains uncovered from sediments in the UK and possibly Morocco.

Several species have been referred to the genus, most of which are now considered as dubious species, or members of different genera, and the genus is now often considered to include only the type species, Ornithocheirus simus. Species have been referred to Ornithocheirus from the mid-Cretaceous period of both Europe and South America, but O. simus is known only from the UK, though a specimen referred to O. cf. simus is also known from Morocco.

Because O. simus was originally named based on poorly preserved fossil material, the genus Ornithocheirus has suffered enduring problems of zoological nomenclature.

Fossil remains of Ornithocheirus have been recovered mainly from the Cambridge Greensand of England, dating to the beginning of the Albian stage of the early Cretaceous period, about 110 million years ago. Additional fossils from the Santana Formation of Brazil are sometimes classified as species of Ornithocheirus, but have also been placed in their own genera, most notably Tropeognathus.

Becky: PHOENIX STYLE NINJA ART: COELOPHYSIS!

Becky fired a wave of fire and it formed into one of the first ever dinosaurs from 216 million years ago: Coelophysis!

Coelophysis (/sɛˈlɒfɪsɪs/ seh-LOF-ih-sis traditionally; /ˌsɛloʊˈfaɪsɪs/ SEL-o-FY-sis or /ˌsiːloʊˈfaɪsɪs/ SEE-lo-FY-sis are heard more commonly in recent decades) is an extinct genus of coelophysid theropod dinosaur that lived approximately 216 to 196 million years ago during the latter part of the Triassic Period in what is now the southwestern United States and also in South Africa and Zimbabwe.

Coelophysis was a small, slenderly-built, ground-dwelling, bipedal carnivore, that could grow up to 3 m (9.8 ft) long. Coelophysis is one of the earliest known dinosaur genera. Scattered material representing similar animals has been found worldwide in some Late Triassic and Early Jurassic formations.

The type species C. bauri, originally given to the genus Coelurus by Edward Drinker Cope in 1887, was described by the latter in 1889. The names Longosaurus and Rioarribasaurus are synonymous with Coelophysis. Another dinosaur genus, Megapnosaurus, has also been considered to be a synonym. This primitive theropod is notable for being one of the most specimen-rich dinosaur genera.

Inostrancevia is an extinct genus of carnivorous therapsids, containing the largest members of the family Gorgonopsidae, predators characterized by long, saber-tooth-like canines. The various species inhabited northern Russia during the Upper Tatarian (Vyatskian), a Russian regional stage equivalent to the

Wuchiapingian stage of the Late Permian period, dating from approximately 265 to 252.3 million years ago. It is known from several skulls and two almost-complete skeletons.

Muttaburrasaurus was a genus of herbivorous ornithopod dinosaur, which lived in what is now northeastern Australia sometime between 105 and 103 million years ago during the early Cretaceous Period. It has been recovered in some analyses as a member of the iguanodontian family Rhabdodontidae. After Kunbarrasaurus, it is Australia's most completely known dinosaur from skeletal remains. It was named after Muttaburra, the site in Queensland, Australia, where it was found.

Paige: PHOENIX STYLE NINJA ART: CRYOLOPHOSAURUS!

Paige fired a wave of fire and it formed into the Antarctic dinosaur from 193 million years ago: Cryolophosaurus!

---

Cryolophosaurus (/ˌkraɪoʊˌloʊfoʊ'sɔːrəs/ or /kraɪˌɒloʊfoʊ'sɔːrəs/; "CRY-oh-loaf-oh-SAWR-us") is a genus of large theropods known from only a single species Cryolophosaurus ellioti, known from the early Jurassic period of Antarctica. It was about 6.5 metres (21.3 ft) long and 465 kilograms (1,025 lb) in weight, making it one of the largest theropods of its time. Individuals of this species may have grown even larger, because the only known specimen probably represents a sub-adult. Cryolophosaurus is known from a skull, a femur and other material, the skull and femur of which have caused its classification to vary greatly. The femur possesses many primitive characteristics that have classified Cryolophosaurus as a

dilophosaurid or a neotheropod outside of Dilophosauridae and Averostra, whereas the skull has many advanced features, leading the genus to be considered a tetanuran, an abelisaurid, a ceratosaur and even an allosaurid. Since its original description, the consensus is that Cryolophosaurus is either a primitive member of the Tetanurae or a close relative of that group.

Cryolophosaurus possessed a distinctive "pompadour" crest that spanned the head from side to side. Based on evidence from related species and studies of bone texture, it is thought that this bizarre crest was used for intra-species recognition. The brain of Cryolophosaurus was also more primitive than those of other theropods.

Cryolophosaurus was first excavated from Antarctica's Early Jurassic, Sinemurian to Pliensbachian aged Hanson Formation, formerly the upper Falla Formation, by paleontologist Dr. William Hammer in 1991. It was the first carnivorous dinosaur to be discovered in Antarctica and the first non-avian dinosaur from the continent to be officially named. The sediments in which its fossils were found have been dated at ~194 to 188 million years ago, representing the Early Jurassic Period.

Lateefa: (Arabic Accent) DESERT STYLE NINJA ART: VELOCIRAPTORS!

Lateefa fired a wave of sand and it formed into the deadly carnivorous dinosaurs from 78 million years ago: Velociraptor!

---

Velociraptor (/vɪˈlɒsɪræptər/; meaning "swift seizer" in Latin) is a genus of dromaeosaurid theropod dinosaur that lived approximately 75 to 71 million years ago during the latter part of the Cretaceous Period. Two species are currently recognized, although others have been assigned in the past. The type species is V. mongoliensis; fossils of this species have been discovered in Mongolia. A second species, V. osmolskae, was named in 2008 for skull material from Inner Mongolia, China.

Smaller than other dromaeosaurids like Deinonychus and Achillobator, Velociraptor nevertheless shared many of the same anatomical features. It was a bipedal, feathered carnivore with a long tail and an enlarged sickle-shaped claw on each hindfoot, which is thought to have been used to tackle and disembowel prey. Velociraptor can be distinguished from other dromaeosaurids by its long and low skull, with an upturned snout.

Velociraptor (commonly shortened to "raptor") is one of the dinosaur genera most familiar to the general public due to its prominent role in the Jurassic Park motion picture series. In real life, however, Velociraptor was roughly the size of a turkey, considerably smaller than the approximately 2 m (6 1⁄2 ft) tall and 80 kg (180 lb) reptiles seen in the films (which were based on members of the related genus Deinonychus). Today, Velociraptor is well known to paleontologists, with over a dozen described fossil skeletons, the most of any dromaeosaurid. One particularly famous specimen preserves a Velociraptor locked in combat with a Protoceratops.

Nataša: (Czech Accent) EARTH STYLE NINJA ART: UTAHRAPTOR!

Nataša fired a wave of earth and it formed into the state dinosaurs of Utah from 139 million years ago: Utahraptor!

---

Utahraptor (meaning Utah's predator) is a genus of large dromaeosaurid dinosaur that lived in North America during the Early Cretaceous period. It was a heavy-built, ground-dwelling, bipedal carnivore. It contains a single species, Utahraptor ostrommaysi, which is the largest-known member of the family Dromaeosauridae.

In 2018, it was proposed that Utahraptor be the Utah state dinosaur, an act that was approved by the Senate. Initially Utahraptor would have replaced another dinosaur, Allosaurus, as the state's official fossil, but it was decided that Utahraptor would be another symbol of the state.

Suwailim: (Egyptian Accent) DESERT STYLE NINJA ART: PROTOCERATOPS!

Suwailim fired a wave of sand and it formed into the Ceratopsian from 75 million years ago: Protoceratops.

Protoceratops (/ˌproʊtoʊ'sɛrətɒps/; from Greek proto-/πρωτο- "first", cerat-/κερατ- "horn" and -ops/-ωψ "face", meaning "first horned face") is a genus of sheep-sized (1.8 m long) herbivorous ceratopsian dinosaur, from the Upper Cretaceous Period (Campanian stage) of what is now Mongolia. It was a member of the Protoceratopsidae, a group of early horned dinosaurs. Unlike later ceratopsians, however, it was a much smaller creature that lacked well-developed horns and retained some basal traits not seen in later genera.

Protoceratops had a large neck frill which was likely used as a display site to impress other members of the species. Other hypotheses about its function include protection of the neck and anchoring of jaw muscles, but the fragility of the frill and the poor leverage offered by possible attachment sites here makes these ideas implausible. Described by Walter W. Granger and W.K. Gregory in 1923, Protoceratops was initially believed to be an ancestor of the North American ceratopsians. Researchers currently distinguish two species of Protoceratops (P. andrewsi and P. hellenikorhinus), based in part by their respective sizes.

In the 1920s, Roy Chapman Andrews discovered fossilized eggs in Mongolia that were interpreted as belonging to this dinosaur, but which turned out to be those of Oviraptor. However, it wouldn't be until 2011 that a genuine Protoceratops nest was discovered, with the remains of the neonates inside suggesting parental care in this dinosaur.

Woya: WIND STYLE NINJA ART: PTERANODON!

Woya fired a wave of wind and it formed into the famous pterosaur from 86 million years ago: Pteranodon!

---

Pteranodon (/tɪˈrænədɒn/; from Greek πτερόν (pteron, "wing") and ἀνόδων (anodon, "toothless")) is a genus of pterosaur that included some of the largest known flying reptiles, with wingspans over 7 meters (23 feet). They lived during the late Cretaceous geological period of North America in present-day Kansas, Alabama, Nebraska, Wyoming, and South Dakota. More fossil specimens of Pteranodon have been found than any other pterosaur, with about 1,200 specimens known to science, many of them well preserved with nearly complete skulls and articulated skeletons. It was an important part of the animal community in the Western Interior Seaway.

Pteranodon was a pterosaur, meaning that it is not a dinosaur. By definition, all dinosaurs belong to one of the two groups within Dinosauria, i.e. Saurischia or Ornithischia. As such, this excludes pterosaurs. Nonetheless, Pteranodon is frequently featured in dinosaur media and are strongly associated with dinosaurs by the general public. While not dinosaurs, pterosaurs such as Pteranodon form a clade closely related to dinosaurs as both fall within the clade Avemetatarsalia.

Argentavis magnificens was among the largest flying birds ever to exist, quite possibly surpassed in wingspan only by Pelagornis sandersi, which was described in 2014. northwestern Argentina dating to the Late Miocene (Huayquerian), where a good sample of fossils has been obtained.

Edwayl: WATER STYLE NINJA ART: BASILOSAURUS!

Edwayl fired a wave of water and it formed into the one of the first whales of the Eocene epoch from 41.3 million years ago: Basilosaurus!

---

Basilosaurus (meaning "king lizard") is a genus of large, predatory, prehistoric archaeocete whale from the late Eocene, approximately 41.3 to 33.9 million years ago (mya). First described in 1834, it was the first archaeocete and prehistoric whale known to science. The first fossils were discovered along the Gulf Coast of the United States, along with a few fossils in the eastern U.S., attributed to the type species B. cetoides. They were originally thought to be of a giant reptile, hence the suffix "-saurus", Ancient Greek for "lizard". The animal was later found to be an early marine mammal, which prompted attempts at renaming the creature, which failed as zoological nomenclature dictates using the original name given. Fossils were later found of the second species, B. isis, in 1904 in North Africa, more specifically the countries of Egypt, Jordan, Tunisia and Morocco. Basilosaurus has a possible record in Seymour Island in Antarctica.

Basilosaurus is considered to have been common in the Tethys sea. It was one of the largest, if not the largest, animals of the Paleogene. It was the top predator of its environment, preying on sharks, large fish and other marine mammals, namely the dolphin-like Dorudon, which seems to have been their predominant food source.

Basilosaurus was at one point a wastebasket taxon, before the genus slowly started getting reevaluated, with many species of different Eocene cetacean being assigned to the genus in the past, however they are invalid or have been reclassified under a new or different genus, leaving only 2 confirmed species. Basilosaurus may

have been one of the first fully aquatic cetaceans (sometimes referred to as the pelagiceti). Basilosaurus, unlike modern cetaceans, had various types of teeth-such as canines and molars-in its mouth (heterodonty), and it probably was able to chew its food in contrast to modern cetaceans which swallow their food whole.

Rusty: DESERT STYLE NINJA ART: PARACERATHERIUM!

Rusty fired a wave of sand and it formed into the one of the ancestral rhinoceroses from 34 million years ago: Paraceratherium!

---

Paraceratherium is an extinct genus of hornless rhinoceros. It is one of the largest terrestrial mammals that has existed and lived from the early to late Oligocene epoch (34-23 million years ago). Its remains have been found across Eurasia between China and the Balkans. It is classified as a member of the hyracodont subfamily Indricotheriinae. Paraceratherium means "near the hornless beast", in reference to Aceratherium, the genus in which the type species A. bugtiense was originally placed.

The exact size of Paraceratherium is unknown because of the incompleteness of the fossils. The shoulder height was about 4.8 metres (15.7 feet), and the length about 7.4 metres (24.3 feet). Its weight is estimated to have been about 15 to 20 tonnes (33,000 to 44,000 lb). The long neck supported a skull that was about 1.3 metres (4.3 ft) long. It had large, tusk-like incisors and a nasal incision that suggests it had a prehensile upper lip or proboscis (trunk). The legs were long and pillar-like. The lifestyle of Paraceratherium may have been similar to that of modern large mammals such as the elephants and extant rhinoceroses. Because of its size, it would have had few predators and a slow rate of reproduction. It was a browser, eating mainly leaves, soft plants, and shrubs. It lived in habitats ranging from arid deserts with a few scattered trees to subtropical forests. The reasons for the animal's extinction are unknown, but various factors have been proposed.

The taxonomy of the genus and the species within has a long and

complicated history. Other genera of Oligocene indricotheres, such as Baluchitherium, Indricotherium, and Pristinotherium, have been named, but no complete specimens exist, making comparison and classification difficult. Most modern scientists consider these genera to be junior synonyms of Paraceratherium, and it is thought to contain at least three discernible species; P. bugtiense, P. transouralicum, and P. huangheense. The most completely-known species is P. transouralicum, so most reconstructions of the genus are based on it. Differences between P. bugtiense and P. transouralicum may be due to sexual dimorphism, which would make them the same species.

Entelodon (meaning "complete teeth", from Ancient Greek ἐντελής entelēs "complete" and ὀδών odōn "tooth", referring to its "complete" eutherian dentition), is an extinct genus of entelodont artiodactyl endemic to Eurasia. Fossils of species are found in Paleogene strata ranging in age from the Houldjinian (37.2-33.9 mya) until the Rupelian epoch of the early Oligocene (33.9-28.4 mya).

Liam fired a wave of sand and leaves and it formed into the ancestors of the hyena from 42 million years ago: Hyaenodon!

Hyaenodon ("hyena-tooth") is the type genus of the Hyaenodontidae, a family of extinct carnivorous fossil mammals from Eurasia, North America, and Africa, with species existing temporally from the Eocene until the middle Miocene, existing for about 26.1 million years.

The various species of Hyaenodon competed with each other and

with other hyaenodont genera (including Sinopa, Dissopsalis, and Hyainailurus), and played important roles as predators in ecological communities as late as the Miocene in Africa and Asia and preyed on a variety of prey species such as primitive horses like Mesohippus and early camels. Species of Hyaenodon have been shown to have successfully preyed on other large carnivores of their time, including a nimravid ("false sabertooth cat"), according to analysis of tooth puncture marks on a fossil Dinictis skull found in North Dakota.

Amphicyon ("ambiguous dog") is an extinct genus of large carnivorous bone-crushing mammals, popularly known as bear dogs, of the family Amphicyonidae, subfamily Amphicyoninae, from the Burdigalian Epoch until the late Pliocene. They ranged over North America, Europe, Asia, and Africa from 16.9-2.6 Ma ago, existing approximately 14.3 million years.

Mollie: LIGHTNING STYLE NINJA ART: GIGANOTOSAURUS!

Mollie fired a wave of lightning and it formed into the ferocious theropod from 98 million years ago: Giganotosaurus!

Giganotosaurus (/ˌdʒaɪɡəˌnoʊtə'sɔːrəs/ JY-gə-NOH-tə-SOR-əs) is a genus of theropod dinosaur that lived in what is now Argentina, during the early Cenomanian age of the Late Cretaceous period, approximately 98 to 97 million years ago. The holotype specimen was discovered in the Candeleros Formation of Patagonia in 1993, and is almost 70% complete. The animal was named Giganotosaurus carolinii in 1995; the genus name translates as

"giant southern lizard" and the specific name honors the discoverer, Rubén D. Carolini. A dentary bone, a tooth and some tracks, discovered before the holotype, were later assigned to this animal. The genus attracted much interest and became part of a scientific debate about the maximum sizes of theropod dinosaurs.

Giganotosaurus was one of the largest known terrestrial carnivores, but the exact size has been hard to determine due to the incompleteness of the remains found so far. Estimates for the most complete specimen range from a length of 12 to 13 m (39 to 43 ft), a skull 1.53 to 1.80 m (5.0 to 5.9 ft) in length, and a weight of 4.2 to 13.8 t (4.6 to 15.2 short tons). The dentary bone that belonged to a supposedly larger individual has been used to extrapolate a length of 13.2 m (43 ft). Some researchers have found the animal to be larger than Tyrannosaurus, which has historically been considered the largest theropod, while others have found them to be roughly equal in size, and the largest size estimates for Giganotosaurus exaggerated. The skull was low, with rugose (rough and wrinkled) nasal bones and a ridge-like crest on the lacrimal bone in front of the eye. The front of the lower jaw was flattened, and had a downwards projecting process (or "chin") at the tip. The teeth were compressed sideways and had serrations. The neck was strong and the pectoral girdle proportionally small.

Part of the family Carcharodontosauridae, Giganotosaurus is one of the most completely known members of the group, which includes other very large theropods, such as the closely related Mapusaurus and Carcharodontosaurus. Giganotosaurus is thought to have been homeothermic (a type of "warm-bloodedness"), with a metabolism between that of a mammal and a reptile, which would have enabled fast growth. It may have been relatively fast moving, with a calculated maximal running speed of 14 m/s (50 km/h; 31 mph). It would have been capable of closing its jaws quickly, capturing and bringing down prey by delivering powerful bites. The "chin" may have helped in resisting stress when a bite was delivered against prey. Giganotosaurus is thought to have been the apex predator of its ecosystem, and it may have fed on juvenile sauropod dinosaurs.

Luan: JUNGLE STYLE NINJA ART: GIGANTOPITHECUS!

Luan fired a wave of leaves and grass and it formed into one of the first apes from 2 million to 300,000 years ago: Gigantopithecus!

---

Gigantopithecus is an extinct genus of ape from the Early to Middle Pleistocene of southern China, represented by one species, G. blacki. Potential identifications have also been made in Thailand, Vietnam, and Indonesia. The first remains of Gigantopithecus, two third molar teeth, were identified in a drugstore by anthropologist Ralph von Koenigswald in 1935, who subsequently described the ape. In 1956, the first mandible and over 1,000 teeth were found in Liucheng, and numerous more remains have since been found in at least 16 sites. Only teeth and 4 mandibles are known currently, and other skeletal elements were likely consumed by porcupines before they could fossilise. Gigantopithecus was once argued to be a hominin, a member of the human line, but it is now thought to be closely allied with orangutans, classified in the subfamily Ponginae.

Gigantopithecus has traditionally been restored as a massive, gorilla-like ape, potentially 200-300 kg (440-660 lb) when alive, but the paucity of remains make total size estimates highly speculative. The species may have been sexually dimorphic, with males much bigger than females. The incisors are reduced and the canines appear to have functioned like cheek teeth (premolars and molars). The premolars are high-crowned, and the fourth premolar is very molar-like. The molars are the largest of any known ape, and have a relatively flat surface. Gigantopithecus had the thickest enamel by absolute measure of any ape, up to 6 mm (a quarter of an inch) in some areas, though was only fairly thick when tooth size is taken into account.

Gigantopithecus appears to have been a generalist herbivore of C3 forest plants, with the jaw adapted to grinding, crushing, and cutting through tough, fibrous plants; and the thick enamel functioning to resist foods with abrasive particles such as stems, roots, and tubers with dirt. Some teeth bear traces of fig family fruits. It primarily lived in subtropical to tropical forest, and went extinct about 300,000 years ago likely due to climate change and the retreat of preferred habitat, and potentially archaic human activity by Homo erectus. Gigantopithecus has become popular in cryptozoology circles as the

identity of the Tibetan yeti or the American bigfoot, humanlike monsters in local folklore.

Fletcher: (Scottish Accent) ICE STYLE NINJA ART: DIRE WOLVES!

Fletcher fired a wave of ice and it formed into a pack of the first wolves from 125,000 to 9,500 years ago: the Dire Wolves!

The dire wolf (Canis dirus, "fearsome dog") is an extinct species of the genus Canis. It is one of the most famous prehistoric carnivores in North America, along with its extinct competitor, the sabre-toothed cat Smilodon fatalis. The dire wolf lived in the Americas during the Late Pleistocene and Early Holocene epochs (125,000-9,500 years ago). The species was named in 1858, four years after the first specimen had been found. Two subspecies are recognized: Canis dirus guildayi and Canis dirus dirus. The dire wolf probably evolved from Armbruster's wolf (Canis armbrusteri) in North America. The largest collection of its fossils has been obtained from the Rancho La Brea Tar Pits in Los Angeles.

Dire wolf remains have been found across a broad range of habitats including the plains, grasslands, and some forested mountain areas of North America, and in the arid savannah of South America. The sites range in elevation from sea level to 2,255 meters (7,400 ft). Dire wolf fossils have rarely been found north of 42°N latitude; there have been only five unconfirmed reports above this latitude. This range restriction is thought to be due to temperature, prey, or habitat limitations imposed by proximity to the Laurentide and Cordilleran ice sheets that existed at the time.

The dire wolf was about the same size as the largest modern gray wolves (Canis lupus): the Yukon wolf and the northwestern wolf. C. d. guildayi weighed on average 60 kilograms (132 lb) and C. d. dirus was on average 68 kg (150 lb). Its skull and dentition matched those of C. lupus, but its teeth were larger with greater shearing ability, and its bite force at the canine tooth was the strongest of any known Canis species. These characteristics are thought to be adaptations

for preying on Late Pleistocene megaherbivores, and in North America its prey are known to have included horses, ground sloths, mastodons, bison, and camels. As with other large Canis hypercarnivores today, the dire wolf is thought to have been a pack hunter. Its extinction occurred during the Quaternary extinction event along with most of the American megafauna of the time, including a number of other carnivores, that occurred soon after the appearance of humans in the New World. Its reliance on megaherbivores has been proposed as the cause of its extinction, along with climate change and competition with other species, but the cause remains controversial. Dire wolves lived as recently as 9,500 years ago, according to dated remains.

Alex fired a wave of fire and it formed into the largest dinosaur that ever lived from 96.2 million years ago: Argentinosaurus!

---

Argentinosaurus is a genus of giant sauropod dinosaur that lived during the Late Cretaceous period in what is now Argentina. Although it is only known from fragmentary remains, Argentinosaurus is one of the largest-known land animals of all time,

if not the largest, with length estimates ranging from 30 to 39.7 metres (98 to 130 ft) and weight estimates from 50 to 100 tonnes (55 to 110 short tons). It was a member of Titanosauria, the dominant group of sauropods during the Cretaceous.

The first Argentinosaurus bone was discovered in 1987 by a farmer on his farm near the city of Plaza Huincul. A scientific excavation of the site led by the Argentine palaeontologist José Bonaparte was conducted in 1989, yielding several back vertebrae and parts of a sacrum-fused vertebrae between the back and tail vertebrae. Additional specimens include a complete femur (thigh bone) and the shaft of another. Argentinosaurus was named by Bonaparte and the Argentine palaeontologist Rodolfo Coria in 1993; it contains a single species, A. huinculensis. The generic name Argentinosaurus means "Argentine lizard", and the specific name huinculensis refers to its place of discovery, Plaza Huincul.

The fragmentary nature of Argentinosaurus remains makes their interpretation difficult. Arguments revolve around the position of the recovered vertebrae within the vertebral column and the presence of accessory articulations between the vertebrae that would have strengthened the spine. A computer model of the skeleton and muscles estimated this dinosaur had a maximum speed of 7 km/h (5 mph) with a pace, a gait where the fore and hind limb of the same side of the body move simultaneously. The fossils of Argentinosaurus were recovered from the Huincul Formation, which was deposited in the middle Cenomanian to early Turonian ages (around 96 to 92 million years ago) and contains a diverse dinosaur fauna including the giant theropod Mapusaurus.

---

Megatherium (/mɛɡəˈθɪəriəm/ meg-ə-THEER-ee-əm from the Greek mega [μέγας], meaning "great", and therion [θηρίον], "beast") is an extinct genus of ground sloths endemic to South America that lived from the Early Pliocene through the end of the Pleistocene. It is best known for the elephant-sized type species M. americanum, sometimes called the giant ground sloth, or the megathere, native to the Pampas through southern Bolivia during the Pleistocene. Various other smaller species belonging to the subgenus Pseudomegatherium are known from the Andes. Megatherium is part of the sloth family Megatheriidae, which also includes the similarly elephantine Eremotherium, which was native to tropical South America and southern North America. Only a few other land mammals equaled or exceeded M. americanum in size, such as large proboscideans (e.g., elephants) and the giant rhinoceros Paraceratherium. Megatherium was first discovered in 1788 on the bank of the Luján River in Argentina. The holotype specimen was then shipped to Spain the following year wherein it caught the attention of the esteemed paleontologist Georges Cuvier, who was the first to determine, by means of comparative anatomy, that Megatherium was a sloth. Megatherium became extinct around 12,000 years ago during the Quaternary extinction event, which also claimed most other large mammals in the New World. The extinction coincides with the settlement of the Americas, and a kill site where a

M. americanum was slaughtered and butchered is known, suggesting that hunting could have caused its extinction.

Lang Yan: (Chinese Accent) BAMBOO STYLE NINJA ART: DWARF PANDA!

Lang punched the ground and a bunch of bamboo grew in seconds and they formed into the ancestor of the Giant Panda from 2 million years ago - the Dwarf Panda!

---

Ailuropoda microta is the earliest known ancestor of the giant panda. It measured 1 m (3 ft) in length; the modern giant panda grows to a size in excess of 1.5 m (5 ft). Wear patterns on its teeth suggest it lived on a diet of bamboo, the primary food of the giant panda. The first discovered skull of the animal in a south China limestone cave is estimated to be 2 million years old. The skull found is about half the size of a modern-day giant panda, but is anatomically very similar. This research suggests that the giant panda has evolved for more than 3 million years as a completely separate lineage from that of other bears.

Brock: EARTH STYLE NINJA ART: DOEDICURUS!

Brock fired a wave of earth and it formed into the ancestral armadillo from 2 million to 7,000 years ago: DOEDICURUS!

---

Doedicurus, or Dædicurus, is an extinct genus of glyptodont from South America containing one species, D. clavicaudatus. Glyptodonts are a member of the family Chlamyphoridae, which also includes some modern armadillo species, and they are classified in the order Xenarthra alongside sloths and anteaters. Being a glyptodont, it was a rotund animal with heavy armor and a carapace. Averaging at an approximate 1,400 kg (3,100 lb), it was one of the largest glyptodonts to have ever lived. Though glyptodonts were quadrupeds, large ones like Doedicurus may have been able to stand on two legs like other xenarthrans. It notably sported a spiked tail club, which may have weighed 40 or 65 kg (88 or 143 lb) in life, and it may have swung this in defense against predators or in fights with other Doedicurus at speeds of perhaps 11 m/s (40 km/h; 25 mph).

Doedicurus was likely a grazer, but its teeth and mouth, like those of other glyptodonts, seem unable to have chewed grass effectively, which may indicate a slow metabolism. Doedicurus existed during the Pleistocene. Before this, South America had been isolated from the rest of the world, but the formation of the Isthmus of Panama allowed North American fauna to invade South America in the Great American Interchange, including big cats, bears, elephants, camels, and horses. Doedicurus seems to have inhabited the relatively cold and humid Chaco-Pampean plains of northeastern Patagonia. It may have been the latest-surviving glyptodont, with remains suggested to date to 8,000-7,000 years ago during the middle Holocene, though these dates have been questioned. It may have gone extinct due to some combination of human hunting and climate change.

---

Carnotaurus /ˌkɑːrnoʊˈtɔːrəs/ is a genus of large theropod dinosaur that lived in South America during the Late Cretaceous period, between about 72 and 69.9 million years ago. The only species is Carnotaurus sastrei. Known from a single well-preserved skeleton, it is one of the best-understood theropods from the Southern Hemisphere. The skeleton, found in 1984, was uncovered in the Chubut Province of Argentina from rocks of the La Colonia Formation. Carnotaurus is a derived member of the Abelisauridae, a group of large theropods that occupied the large predatorial niche in the southern landmasses of Gondwana during the late Cretaceous. The phylogenetic relations of Carnotaurus are uncertain; it might have been closer to either Majungasaurus or Aucasaurus.

Carnotaurus was a lightly built, bipedal predator, measuring 7.5 to 9 m (24.6 to 29.5 ft) in length and weighing at least 1.35 metric tons (1.33 long tons; 1.49 short tons). As a theropod, Carnotaurus was highly specialized and distinctive. It had thick horns above the eyes, a feature unseen in all other carnivorous dinosaurs, and a very deep skull sitting on a muscular neck. Carnotaurus was further characterized by small, vestigial forelimbs and long, slender hindlimbs. The skeleton is preserved with extensive skin impressions, showing a mosaic of small, non-overlapping scales approximately 5 mm in diameter. The mosaic was interrupted by large bumps that lined the sides of the animal, and there are no hints of feathers.

The distinctive horns and the muscular neck may have been used in fighting conspecifics. According to separate studies, rivaling individuals may have combated each other with quick head blows, by slow pushes with the upper sides of their skulls, or by ramming each other head-on, using their horns as shock absorbers. The feeding habits of Carnotaurus remain unclear: some studies suggest the animal was able to hunt down very large prey such as

sauropods, while other studies find it preyed mainly on relatively small animals. Carnotaurus was well adapted for running and was possibly one of the fastest large theropods.

Timmy Turner: EARTH STYLE NINJA ART: DIMETRODON!

---

Dimetrodon (/daɪˈmiːtrədɒn/ (About this soundlisten) or /daɪˈmɛtrədɒn/, meaning "two measures of teeth") is an extinct genus of non-mammalian synapsid that lived during the Cisuralian (Early Permian), around 295-272 million years ago (Ma). It is a member of the family Sphenacodontidae. The most prominent feature of Dimetrodon is the large neural spine sail on its back formed by elongated spines extending from the vertebrae. It walked on four legs and had a tall, curved skull with large teeth of different sizes set along the jaws. Most fossils have been found in the southwestern United States, the majority coming from a geological deposit called the Red Beds of Texas and Oklahoma. More recently, fossils have been found in Germany. Over a dozen species have been named since the genus was first erected in 1878.

Dimetrodon is often mistaken for a dinosaur or as a contemporary of dinosaurs in popular culture, but it became extinct some 40 million years before the first appearance of dinosaurs. Reptile-like in appearance and physiology, Dimetrodon is nevertheless more closely related to mammals than to modern reptiles, though it is not a direct ancestor of mammals. Dimetrodon is assigned to the "non-mammalian synapsids", a group traditionally called "mammal-like reptiles". This groups Dimetrodon together with mammals in a clade (evolutionary group) called Synapsida, while placing dinosaurs, reptiles and birds in a separate clade, Sauropsida. Single openings in the skull behind each eye, known as temporal fenestrae, and other skull features distinguish Dimetrodon and mammals from most of the earliest sauropsids.

Dimetrodon was probably one of the apex predators of the Cisuralian ecosystems, feeding on fish and tetrapods, including reptiles and amphibians. Smaller Dimetrodon species may have had different ecological roles. The sail of Dimetrodon may have been used to stabilize its spine or to heat and cool its body as a form of thermoregulation. Some recent studies[citation needed] argue that the sail would have been ineffective at removing heat from the body due to large species being discovered with small sails and small species being discovered with large sails, essentially ruling out heat regulation as its main purpose. The sail was most likely used in courtship display with methods such as threatening rivals or showing off to potential mates.

Nantan: WIND STYLE NINJA ART: AUSTRALOPITHECUS AFARENSIS!

Nantan fired a wave of wind and it formed into one of our human ancestors on our evolutionary chain from 3 million years ago: Australopithecus Afarensis!

---

Australopithecus afarensis is an extinct species of australopithecine which lived from about 3.9-2.9 million years ago (mya) in the Pliocene of East Africa. The first fossils were discovered in the

1930s, but major fossil finds would not be discovered until the 1970s. In the 1972-1977 expedition in Hadar, Ethiopia, the International Afar Research Expedition led by anthropologists Maurice Taieb, Donald Johanson, and Yves Coppens unearthed several hundreds of hominin specimens, the most significant being the exceedingly well-preserved skeleton AL 288-1 ("Lucy") and the site AL 333 ("the First Family"). Beginning in 1974, Mary Leakey led an expedition into Laetoli, Tanzania, and recovered notably fossil trackways. In 1978, the species was first described, but this was followed by arguments for splitting the wealth of specimens into different species given the wide range of variation which had been attributed to sexual dimorphism (normal differences between males and females). A. afarensis probably descended from A. anamensis and possibly gave rise to Homo, though the latter hypothesis is not without dissent.

A. afarensis had a tall face, a delicate brow ridge, and prognathism (the jaw jutted outwards). The jawbone was quite robust, similar to that of gorillas. The living size of A. afarensis is debated, with arguments for and against marked size differences between males and females. Lucy measured perhaps 105 cm (3 ft 5 in) in height and 25-37 kg (55-82 lb), but she was rather small for her species. In contrast, a presumed male was estimated at 165 cm (5 ft 5 in) and 45 kg (99 lb). A perceived difference in male and female size may simply be sampling bias. The leg bones as well as the Laetoli fossil trackways suggest A. afarensis was a competent biped, though somewhat less efficient at walking than humans. The arm and shoulder bones have some similar aspects to those of orangutans and gorillas, which has variously been interpreted as either evidence of partial tree-dwelling (arboreality), or basal traits inherited from the human-chimp last common ancestor with no adaptive functionality.

A. afarensis was probably a generalist omnivore of both C3 forest plants and C4 CAM savanna plants-and perhaps creatures which ate such plants-and was able to exploit a variety of different food sources. Similarly, A. afarensis appears to have inhabited a wide range of habitats with no real preference, inhabiting open grasslands or woodlands, shrublands, and lake- or riverside forests. Potential evidence of stone tool use would indicate meat was also a dietary component. Marked sexual dimorphism in primates typically

corresponds to a polygynous society and low dimorphism monogamy, but the group dynamics of early hominins is difficult to predict with accuracy. Early hominins may have fallen prey to the large carnivores of the time, such as big cats and hyenas.

Ronnie Anne fired a wave of leaves and grass and it formed into the famous sauropod from 154 million years ago: Brachiosaurus!

---

Brachiosaurus (/ˌbrækiəˈsɔːrəs/) is a genus of sauropod dinosaur that lived in North America during the Late Jurassic, about 154-153 million years ago. It was first described by American paleontologist Elmer S. Riggs in 1903 from fossils found in the Colorado River valley in western Colorado, United States. Riggs named the dinosaur Brachiosaurus altithorax; the generic name is Greek for "arm lizard", in reference to its proportionately long arms, and the specific name means "deep chest". Brachiosaurus is estimated to have been between 18 and 21 meters (59 and 69 ft) long; weight estimates range from 28.3 to 58 metric tons (31.2 and 64 short tons). It had a disproportionately long neck, small skull, and large overall size, all of which are typical for sauropods. Atypically, Brachiosaurus had longer forelimbs than hindlimbs, which resulted in a steeply inclined trunk, and a proportionally shorter tail.

Brachiosaurus is the namesake genus of the family Brachiosauridae, which includes a handful of other similar sauropods. Most popular depictions of Brachiosaurus are in fact based on Giraffatitan, a genus of brachiosaurid dinosaur from the Tendaguru Formation of Tanzania. Giraffatitan was originally described by German paleontologist Werner Janensch in 1914 as a species of Brachiosaurus, B. brancai, but moved to its own genus in 2009. Three other species of Brachiosaurus have been named based on fossils found in Africa and Europe; two are no longer considered valid, and a third has become a separate genus, Lusotitan.

The type specimen of B. altithorax is still the most complete specimen, and only a few other specimens are thought to belong to the genus, making it one of the rarer sauropods of the Morrison Formation. It is regarded as a high browser, possibly cropping or nipping vegetation as high as 9 meters (30 ft) off the ground. Unlike other sauropods, it was unsuited for rearing on its hindlimbs. It has been used as an example of a dinosaur that was most likely ectothermic because of its large size and the corresponding need for sufficient forage, but more recent research suggests it was warm-blooded. Among the most iconic and initially thought to be one of the largest dinosaurs, Brachiosaurus has appeared in popular culture, notably in the 1993 film Jurassic Park.

Anthropornis is a genus of giant penguin that lived 45-33 million years ago, during the Late Eocene and the earliest part of the Oligocene.[1] It reached 1.8 m (5 ft 11 in) in height and 90 kg (200 lb) in weight. Fossils of it have been found in the La Meseta Formation on Seymour Island off the coast of Antarctica and in New Zealand. By comparison, the largest modern penguin species, the emperor penguin, is just 1.2 m (3 ft 11 in) tall.

The type species, Anthropornis nordenskjoldi, had a bent joint in the wing, probably a carryover from flying ancestors.

Eloá fired a wave of leaves and grass and it formed into the terror bird of 56 million years ago: Gastornis!

---

Gastornis is an extinct genus of large flightless birds that lived during the late Paleocene and Eocene epochs of the Cenozoic era. The genus is currently thought to contain three or four distinct species, known from incomplete fossil remains, found in western-central Europe (England, Belgium, France and Germany). More complete specimens are known from a fourth, North American species, which had previously been classified in the distinct genus Diatryma. Many scientists now consider Diatryma to be so similar to the other species of Gastornis that it should also be included in that genus. A fifth species, also previously classified in its own genus, is known from China.

Gastornis species were very large birds, and have traditionally been considered to be predators of small mammals. However, several lines of evidence, including the lack of hooked claws in known Gastornis footprints and studies of their beak structure have caused scientists to reinterpret these birds as herbivores that probably fed on tough plant material and seeds.

Titanis is an extinct genus of giant flightless terror birds that inhabited North America during the early Pliocene to early Pleistocene epochs. The generic name, Titanis, refers to the titans, Ancient Greek gods that preceded the Twelve Olympians, in allusion to the bird's size. The specific name, T. walleri, honors the holotype's collector, Benjamin I. Waller, an avocational underwater archaeologist. Titanis was thought to be carnivorous and most likely preyed on the many small mammals of the time period. This giant flightless bird was one of the most efficient predators of its time in North America.

Lola: FIRESTORM STYLE NINJA ART: BAJADASAURUS!

Lola fired a wave of fire and it formed into the newly discovered dinosaurs from 140 million years ago: Bajadasaurus!

---

Bajadasaurus is a genus of sauropod dinosaur from the Early Cretaceous epoch (late Berriasian to Valanginian stages) of northern Patagonia, Argentina. It was first described in 2019 based on a single specimen found in 2010 that includes a largely complete skull and parts of the neck. The only species is Bajadasaurus pronuspinax. The genus is classified as a member of the Dicraeosauridae, a group of comparatively small and short-necked

sauropods that lived from the Early or Middle Jurassic to the end of the Early Cretaceous.

Bajadasaurus sported bifurcated, extremely elongated neural spines extending from the neck vertebrae. Similar elongated spines are known from the closely related and more completely known Amargasaurus. Various possible functions have been proposed for these spines in Amargasaurus, with the 2019 description of Bajadasaurus suggesting that they could have served as passive defense against predators in both genera. The skull was gracile and equipped with around 44 teeth that were pencil-shaped and restricted to the front of the jaws. The eye openings of Bajadasaurus were exposed in top view of the skull, possibly allowing the animal to look forwards while feeding. Bajadasaurus was discovered in sedimentary rocks of the Bajada Colorada Formation, and its environment resembled a braided river system. It shared its environment with other dinosaurs including the sauropod Leinkupal and different theropods.

Lily: OCEAN STYLE NINJA ART: MOSASAURUS!

Lily fired a wave of water and it formed into the marine reptile from 87 million years ago: Mosasaurus!

---

Mosasaurus (/ˌmoʊzəˈsɔːrəs/; "lizard of the Meuse River") is the type genus of the mosasaurs, an extinct group of aquatic squamate reptiles. The genus lived from about 82 to 66 million years ago during the Campanian and Maastrichtian stages of the Late Cretaceous. The earliest fossils known to science were found as skulls in a chalk quarry near the Dutch city of Maastricht in the late 1700s, which were initially thought to have been the bones of crocodiles or whales. One particular skull discovered at around 1780, and which was seized during the French Revolutionary Wars for its scientific value and transported to Paris, was famously nicknamed the "great animal of Maastricht". In 1808, naturalist Georges Cuvier concluded that it belonged to a giant marine lizard with similarities to monitor lizards but otherwise unlike any animal

known today. This concept was revolutionary at the time and helped support the then-developing ideas of extinction. However, Cuvier did not designate a scientific name for the new animal; this task was completed by William Daniel Conybeare in 1822 when he named it Mosasaurus in reference to its origin in fossil deposits near the Meuse River. The relationships between Mosasaurus and modern reptiles are controversial and scientists continue to debate whether its closest living relatives are monitor lizards or snakes.

Traditional interpretations have estimated the maximum length of Mosasaurus to be up to 17.6 meters (58 ft), making it one of the largest mosasaur genera. Its skull, which was either broad or slender depending on the species, was equipped with robust jaws capable of swinging back and forth and strong muscles capable of powerful bites using dozens of large teeth designed for cutting prey. Its tail was long and ended in a paddle-like fluke that bent downwards. Mosasaurus was a predator that had excellent vision to compensate for its poor sense of smell, and a high metabolic rate that suggests it was warm-blooded, an adaptation found in other mosasaurs but no other squamates. The classification of Mosasaurus was historically problematic due to an unclear diagnosis of the type specimen. As a result, over fifty different species have been attributed to the genus in the past. A rediagnosis of the type specimen in 2017 helped resolve the taxonomy issue and confirmed at least five species to be within the genus and another five species still nominally classified within Mosasaurus are planned to be reassessed in a future study. Each species was variable with unique anatomical features differentiating them from the robustly-built M. hoffmannii to the slender and serpentine M. lemonnieri.

Fossil evidence suggests that Mosasaurus inhabited much of the Atlantic Ocean and the seaways adjacent to it. Continents that have recovered Mosasaurus fossils include North America, South America, Europe, Africa, Western Asia, and Antarctica. This distribution encompassed a wide range of oceanic climates including tropical, subtropical, temperate, and subpolar climates. Mosasaurus was a common large predator in these oceans and a dominant genus positioned at the top of the food chain. Scientists believe that its diet would have included virtually anything; it likely preyed on

bony fish, sharks, cephalopods, birds, and other marine reptiles including sea turtles and other mosasaurs. It likely preferred to hunt in open water near the surface. From an ecological standpoint, Mosasaurus probably had a profound impact in the structuring of marine ecosystems; its arrival in some locations such as the Western Interior Seaway in North America has been marked with a complete turnover of faunal assemblages and diversity. Mosasaurus faced competition with other large predatory mosasaurs such as Prognathodon and Tylosaurus-which are known to feed on similar prey-though they were able to coexist in the same ecosystems through niche partitioning. There were conflicts among them, as an attack on Mosasaurus by Tylosaurus has been documented. Several discovered fossils illustrated deliberate attacks on Mosasaurus individuals by another of the same species. Infighting likely took place in the form of snout grappling, similarly seen in modern crocodiles today.

Mamenchisaurus (/mɑːˈmɛntʃiˈsɔːrəs/ mah-MUN-chi-SAWR-əs, or spelling pronunciation /məˌmɛntʃiˈsɔːrəs/) is a genus of sauropod dinosaur including several species, known for their remarkably long necks which made up half the total body length. It is known from numerous species which ranged in time from 160 to 145 million years ago, from the Oxfordian age of late Jurassic Period in China. The largest species, which according to Gregory S. Paul was M. sinocanadorum, may have reached 35 m (115 ft) in length and possibly weighed 50-80 tonnes (55-88 short tons).

Rainbow Dash: WIND STYLE NINJA ART: HAAST'S EAGLE!

Rainbow Dash fired a wave of wind and it formed into the one of the ancestral eagles from 1.8 million to 700,000 years ago: The Haast's Eagle!

The Haast's eagle (Hieraaetus moorei, synonym Harpagornis moorei) is an extinct species of eagle that once lived in the South Island of New Zealand, commonly accepted to be the pouakai of Maori legend. The species was the largest eagle known to have existed, with an estimated weight of 15 kilograms (33 lb) nearly double that of the Harpy eagle at 9 kilograms (20 lb). Its massive size is explained as an evolutionary response to the size of its prey, the flightless moa, the largest of which could weigh 230 kg (510 lb). Haast's eagle became extinct around 1400, after the moa were hunted to extinction by the first Māori.

Shrek: WATER STYLE NINJA ART: DEINOSUCHUS!

Shrek fired a wave of water and it formed into one of the first crocodiles from 82 million years ago: Deinosuchus!

Deinosuchus (/ˌdaɪnəˈsjuːkəs/) is an extinct genus of crocodilian related to the modern alligator that lived 82 to 73 million years ago (Ma), during the late Cretaceous period. The name translates as

"terrible crocodile" and is derived from the Greek deinos (δεινός), "terrible", and soukhos (σοῦχος), "crocodile". The first remains were discovered in North Carolina (United States) in the 1850s; the genus was named and described in 1909. Additional fragments were discovered in the 1940s and were later incorporated into an influential, though inaccurate, skull reconstruction at the American Museum of Natural History. Knowledge of Deinosuchus remains incomplete, but better cranial material found in recent years has expanded scientific understanding of this massive predator.

Although Deinosuchus was far larger than any modern crocodile or alligator, with the largest adults measuring 12 meters (39 ft) in total length, its overall appearance was fairly similar to its smaller relatives. It had large, robust teeth built for crushing, and its back was covered with thick hemispherical osteoderms. One study indicated Deinosuchus may have lived for up to 50 years, growing at a rate similar to that of modern crocodilians, but maintaining this growth over a much longer time.

Deinosuchus fossils have been described from 10 U.S. states, including Texas, Montana, and many along the East Coast. Fossils have also been found in northern Mexico. It lived on both sides of the Western Interior Seaway, and was an opportunistic apex predator in the coastal regions of eastern North America. Deinosuchus reached its largest size in its western habitat, but the eastern populations were far more abundant. Opinion remains divided as to whether these two populations represent separate species. Deinosuchus was probably capable of killing and eating large dinosaurs. It may have also fed upon sea turtles, fish, and other aquatic and terrestrial prey.

Lincoln: ICE STYLE NINJA ART: GORGOSAURUS!

Lincoln fired a wave of ice and it formed into the Theropod from 76.6 million years ago: Gorgosaurus!

---

Gorgosaurus (/ˌɡɔːrɡəˈsɔːrəs/ GOR-gə-SOR-əs; meaning "dreadful

lizard") is a genus of tyrannosaurid theropod dinosaur that lived in western North America during the Late Cretaceous Period (Campanian), between about 76.6 and 75.1 million years ago. Fossil remains have been found in the Canadian province of Alberta and possibly the U.S. state of Montana. Paleontologists recognize only the type species, G. libratus, although other species have been erroneously referred to the genus.

Like most known tyrannosaurids, Gorgosaurus was a bipedal predator weighing more than two metric tons as an adult; dozens of large, sharp teeth lined its jaws, while its two-fingered forelimbs were comparatively small. Gorgosaurus was most closely related to Albertosaurus, and more distantly related to the larger Tyrannosaurus. Gorgosaurus and Albertosaurus are extremely similar, distinguished mainly by subtle differences in the teeth and skull bones. Some experts consider G. libratus to be a species of Albertosaurus; this would make Gorgosaurus a junior synonym of that genus.

Gorgosaurus lived in a lush floodplain environment along the edge of an inland sea. It was an apex predator, preying upon abundant ceratopsids and hadrosaurs. In some areas, Gorgosaurus coexisted with another tyrannosaurid, Daspletosaurus. Although these animals were roughly the same size, there is some evidence of niche differentiation between the two. Gorgosaurus is the best-represented tyrannosaurid in the fossil record, known from dozens of specimens. These plentiful remains have allowed scientists to investigate its ontogeny, life history and other aspects of its biology.

---

Scutosaurus ("Shield lizard") was a genus of parareptiles. It was an armor-covered pareiasaur that lived around 265-254 million years ago in Russia, in the later Permian period. Its genus name refers to large plates of armor scattered across its body. It was a large anapsid reptile that, unlike most reptiles, held its legs underneath its body to support its great weight. Fossils have been found in the Sokolki Assemblage Zone of the Malokinelskaya Formation in European Russia, close to the Ural Mountains.

Bart: EARTH STYLE NINJA ART: DINOGORGON!

Bart fired a wave of earth and it formed into the Gorgonopsid from 259 million years ago: Dinogorgon!

---

---

Dinogorgon is a genus of gorgonopsid from the Late Permian of South Africa and Tanzania. The generic name Dinogorgon is derived from Greek, meaning "terrible gorgon", while its species name rubidgei is taken from the surname of renowned Karoo paleontologist, Professor Bruce Rubidge, who has contributed to much of the research conducted on therapsids of the Karoo Basin. The type species of the genus is D. rubidgei.

Dinogorgon is part of the gorgonopsian subfamily Rubidgeinae, a derived group of large-bodied gorgonopsians restricted to the Late Permian (Lopingian). The Rubidgeinae subfamily first appeared in the Tropidostoma Assemblage Zone, and reached their highest diversity in the Cistecephalus and Daptocephalus assemblage zones of the Beaufort Group in South Africa.

Homer: EARTH STYLE NINJA ART: EDAPHOSAURUS!

Homer fired a wave of earth and it formed into Dimetrodon-like synapsid from 303.4 million years ago: Edaphosaurus!

---

Edaphosaurus (/ˌɛdəfoʊˈsɔːrəs/, meaning "pavement lizard" for dense clusters of teeth) is a genus of extinct edaphosaurid synapsids that lived in what is now North America and Europe around 303.4 to 272.5 million years ago, during the late Carboniferous to early Permian periods. American paleontologist Edward Drinker Cope first described Edaphosaurus in 1882, naming it for the "dental pavement" on both the upper and lower jaws, from the Greek edaphos ἐδαφος ("ground"; also "pavement") and σαῦρος (sauros) ("lizard").

Edaphosaurus is important as one of the earliest-known, large, plant-eating (herbivorous), amniote tetrapods (four-legged land-living vertebrates). In addition to the large tooth plates in its jaws, the most characteristic feature of Edaphosaurus is a sail on its back. A number of other synapsids from the same time period also have tall dorsal sails, most famously the large apex predator Dimetrodon.

However, the sail on Edaphosaurus is different in shape and morphology. The first fossils of Edaphosaurus came from the Texas Red Beds in North America, with later finds in New Mexico, Oklahoma, West Virginia, and Ohio. Fragmentary fossils attributed to Edaphosaurus have also been found in eastern Germany in Central Europe.

Tabby: FOREST STYLE NINJA ART: DILOPHOSAURUS!

Tabby fired a wave of leaves and water and it formed into the theropod from 193 million years ago: Dilophosaurus!

---

Dilophosaurus (/daɪˌloʊfə'sɔːrəs, -foʊ-/ dy-LOHF-o-SOR-əs) is a genus of theropod dinosaurs that lived in what is now North America during the Early Jurassic, about 193 million years ago. Three skeletons were discovered in northern Arizona in 1940, and the two best preserved were collected in 1942. The most complete specimen became the holotype of a new species in the genus Megalosaurus, named M. wetherilli by Samuel P. Welles in 1954. Welles found a larger skeleton belonging to the same species in 1964. Realizing it bore crests on its skull, he assigned the species to the new genus Dilophosaurus in 1970, as Dilophosaurus wetherilli. The genus name means "two-crested lizard", and the species name honors John Wetherill, a Navajo councilor. Further specimens have since been found, including an infant.

Footprints have also been attributed to the animal, including resting traces. Another species, Dilophosaurus sinensis from China, was named in 1993, but was later found to belong to the genus Sinosaurus. It was designated as the state dinosaur of Connecticut based on tracks found there.

At about 7 m (23 ft) in length, with a weight of about 400 kg (880 lb), Dilophosaurus was one of the earliest large predatory dinosaurs and the largest known land-animal in North America at the time. It was slender and lightly built, and the skull was proportionally large, but delicate. The snout was narrow, and the upper jaw had a gap or kink

below the nostril. It had a pair of longitudinal, plate-shaped crests on its skull, similar to a cassowary with two crests. The mandible was slender and delicate at the front, but deep at the back. The teeth were long, curved, thin, and compressed sideways. Those in the lower jaw were much smaller than those of the upper jaw. Most of the teeth had serrations at their front and back edges. The neck was long, and its vertebrae were hollow, and very light. The arms were powerful, with a long and slender upper arm bone. The hands had four fingers; the first was short but strong and bore a large claw, the two following fingers were longer and slenderer with smaller claws; the fourth was vestigial. The thigh bone was massive, the feet were stout, and the toes bore large claws.

Dilophosaurus is a member of the family Dilophosauridae along with Dracovenator, a group placed between the Coelophysidae and later theropods. Dilophosaurus would have been active and bipedal, and may have hunted large animals; it could also have fed on smaller animals and fish. Due to the limited range of movement and shortness of the fore limbs, the mouth may instead have made first contact with prey. The function of the crests is unknown; they were too weak for battle, but may have been used in visual display, such as species recognition and sexual selection. It may have grown rapidly, attaining a growth rate of 30 to 35 kg (66 to 77 lb) per year early in life. The holotype specimen had multiple paleopathologies, including healed injuries and signs of a developmental anomaly. Dilophosaurus is known from the Kayenta Formation, and lived alongside dinosaurs such as Megapnosaurus and Sarahsaurus.

Dilophosaurus was featured in the novel Jurassic Park and its movie adaptation, wherein it was given the fictional abilities to spit venom and expand a neck frill, as well as being smaller than the real animal.

---

The American lion (Panthera atrox), also known as the "North American lion", or "American cave lion", is an extinct pantherine cat that lived in North America during the Pleistocene epoch and the early Holocene epoch, about 340,000 to 11,000 years ago. Its fossils have been excavated from Alaska to Mexico. Genetic analysis has shown that the American lion and the Late Pleistocene Eurasian cave lion (Panthera spelaea) are sister lineages. It was about 25% larger than the modern lion, making it one of the largest known felids.

Nelson: EARTH STYLE NINJA ART: CAMARASAURUS!

Nelson fired a wave of earth and it formed into the sauropod from 155 million years ago: Camerasaurus!

---

Camarasaurus (/ˌkæmərəˈsɔːrəs/ KAM-ər-ə-SAWR-əs) was a genus of quadrupedal, herbivorous dinosaurs. It was the most common of the giant sauropods to be found in North America. Its fossil remains have been found in the Morrison Formation of Colorado and Utah, dating to the Late Jurassic epoch (Kimmeridgian to Tithonian stages), between 155 and 145 million years ago.

Camarasaurus presented a distinctive cranial profile of a blunt snout and an arched skull that was remarkably square. It likely travelled in herds, or at least in family groups.

The name means "chambered lizard", referring to the hollow chambers in its vertebrae (Greek καμαρα (kamara) meaning "vaulted chamber", or anything with an arched cover, and σαυρος (sauros) meaning "lizard").

Hinata: ICE STYLE NINJA ART: PACHYRHINOSAURUS!

Hinata fired a wave of ice and it formed into the ceratopsian from 73.5 million years ago: Pachyrhinosaurus!

---

Pachyrhinosaurus (meaning in Greek "thick-nosed lizard", from Παχυ (pachy), thick; ρινὀ (rinó), nose; and σαυρος (sauros), lizard) is an extinct genus of centrosaurine ceratopsid dinosaur from the Late Cretaceous period of North America. The first examples were discovered by Charles M. Sternberg in Alberta, Canada, in 1946, and named in 1950. Over a dozen partial skulls and a large assortment of other fossils from various species have been found in Alberta and Alaska. A great number were not available for study until the 1980s, resulting in a relatively recent increase of interest in Pachyrhinosaurus.

Three species have been identified. P. lakustai, from the Wapiti Formation, the bonebed horizon of which is roughly equivalent age to the upper Bearpaw and lower Horseshoe Canyon Formations, is known to have existed from about 73.5-72.5 million years ago. P. canadensis is younger, known from the lower Horseshoe Canyon Formation, about 71.5-71 Ma ago and the St. Mary River Formation. Fossils of the youngest species, P. perotorum, have been recovered from the Prince Creek Formation of Alaska, and date to 70-69 Ma ago. The presence of three known species makes this genus the most speciose among the centrosaurines.

Kiba: EARTH STYLE NINJA ART: POSTOSUCHUS!

Kiba fired a wave of earth and it formed into the rauisuchid from 221 million years ago: Postosuchus!

---

Postosuchus, meaning "Crocodile from Post", is an extinct genus of rauisuchid reptiles comprising two species, P. kirkpatricki and P. alisonae, that lived in what is now North America during the Late Triassic. Postosuchus is a member of the clade Pseudosuchia, the lineage of archosaurs that includes modern crocodilians (the other main group of archosaurs is Avemetatarsalia, the lineage that includes non-avian dinosaurs and their descendants, birds). Its name refers to Post Quarry, a place in Texas where many fossils of the type species, P. kirkpatricki, were found. It was one of the apex predators of its area during the Triassic, larger than the small dinosaur predators of its time (such as Coelophysis). It was a hunter which probably preyed on large large bulky herbivores like dicynodonts and many other creatures smaller than itself (such as early dinosaurs).

The skeleton of Postosuchus is large and robust with a deep skull and a long tail. The total body length is about 4 to 5 metres (13 to 16 ft). The extreme shortness of the forelimbs relative to the hind limbs, the very small hands, and measurements of the vertebrae suggest that Postosuchus may have been committed to bipedal locomotion.

Rock Lee: EARTH STYLE NINJA ART: MOSCHOPS!

Rock Lee fired a wave of earth and it formed into the therapsid from 265 million years ago: Moschops!

---

Moschops (Greek for "calf face") is an extinct genus of therapsids that lived in the Guadalupian epoch, around 265-260 million years ago. They were heavily built plant eaters, and they may have lived partly in water, as hippopotamuses do. They had short, thick heads

and might have competed by head-butting each other. Their elbow joints allowed them to walk with a more mammal-like gait rather than crawling. Their remains were found in the Karoo region of South Africa, belonging to the Tapinocephalus Assemblage Zone. Therapsids, such as Moschops, are synapsids, the dominant land animals in the Permian period, which ended 252 million years ago.

---

Tenten: EARTH STYLE NINJA ART: ANKYLOSAURUS!

Tenten fired a wave of earth and it formed into the armored dinosaur from 68 million years ago: Ankylosaurus!

---

Ankylosaurus is a genus of armored dinosaur. Its fossils have been found in geological formations dating to the very end of the Cretaceous Period, about 68-66 million years ago, in western North America, making it among the last of the non-avian dinosaurs. It was named by Barnum Brown in 1908; the only species in the genus is A. magniventris. The genus name means "fused lizard", and the specific name means "great belly". A handful of specimens have been excavated to date, but a complete skeleton has not been discovered. Though other members of Ankylosauria are represented by more extensive fossil material, Ankylosaurus is often considered the archetypal member of its group, despite having some unusual features.

Possibly the largest-known ankylosaurid, Ankylosaurus is estimated to have been between 6 and 8 meters (20 and 26 ft) long and to have weighed between 4.8 and 8 metric tons (5.3 and 8.8 short tons). It was quadrupedal, with a broad, robust body. It had a wide, low skull, with two horns pointing backward from the back of the head, and two horns below these that pointed backward and down. Unlike other ankylosaurs, its nostrils faced sideways rather than towards the front. The front part of the jaws was covered in a beak, with rows of small, leaf-shaped teeth farther behind it. It was covered in armor plates, or osteoderms, with bony half-rings covering the neck, and had a large club on the end of its tail. Bones in the skull and other parts of the body were fused, increasing their

strength, and this feature is the source of the genus name.

Ankylosaurus is a member of the family Ankylosauridae, and its closest relatives appear to be Anodontosaurus and Euoplocephalus. Ankylosaurus is thought to have been a slow-moving animal, able to make quick movements when necessary. Its broad muzzle indicates it was a non-selective browser. Sinuses and nasal chambers in the snout may have been for heat and water balance or may have played a role in vocalization. The tail club is thought to have been used in defense against predators or in intraspecific combat. Ankylosaurus has been found in the Hell Creek, Lance, Scollard, Frenchman, and Ferris formations, but appears to have been rare in its environment. Although it lived alongside a nodosaurid ankylosaur, their ranges and ecological niches do not appear to have overlapped, and Ankylosaurus may have inhabited upland areas. Ankylosaurus also lived alongside dinosaurs such as Tyrannosaurus, Triceratops, and Edmontosaurus.

Ino: FIRE STYLE NINJA ART: MASSOSPONDYLUS!

Ino fired a wave of fire and it formed into the sauropodomorph dinosaur from 200 million years ago: Massospondylus!

---

Massospondylus (/ˌmæsoʊˈspɒndɪləs/ mas-oh-SPON-di-ləs; from

Greek, μάσσων (massōn, "longer") and σπόνδυλος (spondylos, "vertebra")) is a genus of sauropodomorph dinosaur from the Early Jurassic Period (Hettangian to Pliensbachian ages, ca. 200-183 million years ago). It was described by Sir Richard Owen in 1854 from remains discovered in South Africa, and is thus one of the first dinosaurs to have been named. Fossils have since been found at other locations in South Africa, Lesotho, and Zimbabwe. Material from Arizona's Kayenta Formation, India, and Argentina has been assigned to this genus at various times, but the Arizonan and Argentinian material are now assigned to other genera.

The type species is M. carinatus; seven other species have been named during the past 150 years, but only M. kaalae among these is still considered valid. Early sauropodomorphs systematics have undergone numerous revisions during the last several years, and many scientists disagree where exactly Massospondylus lies on the dinosaur evolutionary tree. The family name Massospondylidae was once coined for the genus, but because knowledge of early sauropodomorph relationships is in a state of flux, it is unclear which other dinosaurs-if any-belong in a natural grouping of massospondylids; several 2007 papers support the family's validity.

Although Massospondylus was long depicted as quadrupedal, a 2007 study found it to be bipedal. It was probably a plant eater (herbivore), although it is speculated that the early sauropodomorphs may have been omnivorous. This animal, which was 4-6 metres (13-20 ft) long, had a long neck and tail, with a small head and slender body. On each of its forefeet, it bore a sharp thumb claw that was used in defense or feeding. Recent studies indicate that Massospondylus grew steadily throughout its lifespan, possessed air sacs similar to those of birds, and may have cared for its young.

Haku: ICE STYLE NINJA ART: AMERICAN MASTODON!

Haku fired a wave of ice and it formed into the ancestral elephant of the Great Ice Age from 5.3 million to 10,000 years ago: The American Mastodon!

---

A mastodon (Greek: μαστός "breast" and ὀδούς, "tooth") is any proboscidean belonging to the extinct genus Mammut (family Mammutidae) that inhabited North and Central America during the late Miocene or late Pliocene up to their extinction at the end of the Pleistocene 10,000 to 11,000 years ago. Mastodons lived in herds and were predominantly forest-dwelling animals that lived on a mixed diet obtained by browsing and grazing, somewhat similar to their distant relatives, modern elephants, but probably with greater emphasis on browsing.

M. americanum, the American mastodon, and M. pacificus, the Pacific mastodon, are the youngest and best-known species of the genus. Mastodons disappeared from North America as part of a mass extinction of most of the Pleistocene megafauna, widely believed to have been caused by overexploitation by Clovis hunters.

Sasuke: LIGHTNING STYLE NINJA ART: COMPSOGNATHUS!

Sasuke fired a wave of lightning and it formed into the fast carnivore from 150.8 million years ago: Compsognathus!

Compsognathus (/kɒmp'sɒgnəθəs/; Greek kompsos/κομψός; "elegant", "refined" or "dainty", and gnathos/γνάθος; "jaw") is a genus of small, bipedal, carnivorous theropod dinosaur. Members of its single species Compsognathus longipes could grow to around the size of a turkey. They lived about 150 million years ago, during the Tithonian age of the late Jurassic period, in what is now Europe. Paleontologists have found two well-preserved fossils, one in Germany in the 1850s and the second in France more than a century later. Today, C. longipes is the only recognized species, although the larger specimen discovered in France in the 1970s was once thought to belong to a separate species and named C. corallestris.

Many presentations still describe Compsognathus as "chicken-sized" dinosaurs because of the size of the German specimen,

which is now believed to be a juvenile. Compsognathus longipes is one of the few dinosaur species whose diet is known with certainty: the remains of small, agile lizards are preserved in the bellies of both specimens. Teeth discovered in Portugal may be further fossil remains of the genus.

Although not recognized as such at the time of its discovery, Compsognathus is the first theropod dinosaur known from a reasonably complete fossil skeleton. Until the 1990s, it was the smallest-known non-avialan dinosaur, with the preceding centuries incorrectly labelling them as the closest relative of Archaeopteryx.

Fu: ARTHROPOD STYLE NINJA ART: BRONTOSCORPIO!

Fu fired a wave of energy and it formed into the Silurian early scorpions from over 423 million years ago: Brontoscorpio!

---

Brontoscorpio anglicus is a species of fossil scorpion. Its remains were discovered in Upper Silurian-aged sandstone from Trimpley, Worcestershire, and the species was described on the basis of an incomplete single free finger of a pedipalp, almost 10 centimetres (3.9 in) long. The complete animal is estimated to have been at least 90 centimetres (35 in) long.

The remains were found in terrestrial sediments, but it is believed, that due to its size, Brontoscorpio had to enter the water to molt. Possibly it lived a semi or fully aquatic life.

Arthropleura (Greek for jointed ribs) is a genus of extinct millipede arthropods that lived in what is now northeastern North America and Scotland around 345 to 295 million years ago, from the Viséan stage of the lower Carboniferous Period to the Asselian stage of the lower Permian Period. The larger species of the genus are the largest known land invertebrates of all time, and would have had few, if any, predators.

Zabuza fired a wave of water and it formed into the largest crocodilian dinosaur ever known from 133 million years ago: Sarcosuchus!

---

Sarcosuchus (/ˌsɑːrkoʊˈsuːkəs/; meaning "flesh crocodile") is an extinct genus of crocodyliform and distant relative of living crocodylians that lived during the Early Cretaceous, from the late Hauterivian to the early Albian, 133 to 112 million years ago of what is now Africa and South America. It was one of the largest crocodile-line reptiles, reaching an average estimate of 9 m (30 ft) and 3.5 metric tons (3.9 short tons), but estimated to grow up to 9.5 m (31 ft) in body length and weigh up to 4.3 metric tons (4.7 short tons). It is known from two species, S. imperator from the early Albian Elrhaz Formation of Niger and S. hartti from the Late Hauterivian of northeastern Brazil, other material is known from Morocco and

Tunisia and possibly Libya and Mali.

The first remains were discovered during several expeditions led by the French paleontologist Albert-Félix de Lapparent, spanning from 1946 to 1959, in the Sahara. These remains were fragments of the skull, vertebrae, teeth, and scutes. In 1964, an almost complete skull was found in Niger by the French CEA, but it was not until 1997 and 2000 that most of its anatomy became known to science, when an expedition led by the American paleontologist Paul Sereno discovered six new specimens, including one with about half the skeleton intact and most of the spine.

Parasaurolophus (/ˌpærəsɔːˈrɒləfəs, -ˌsɔːrəˈloʊfəs/; meaning "near crested lizard" in reference to Saurolophus) is a genus of herbivorous ornithopod dinosaur that lived in what is now North America and possibly Asia during the Late Cretaceous Period, about 76.5-73 million years ago. It was an herbivore that walked both as a biped and as a quadruped. Three species are universally recognized: P. walkeri (the type species), P. tubicen, and the short-crested P. cyrtocristatus. Additionally, a fourth species, P. jiayensis, has been proposed, although it is more commonly placed in the separate genus Charonosaurus. Remains are known from Alberta (Canada), New Mexico and Utah (United States), and possibly Heilongjiang, (China). The genus was first described in 1922 by William Parks from a skull and partial skeleton found in Alberta.

Parasaurolophus was a hadrosaurid, part of a diverse family of Cretaceous dinosaurs known for their range of bizarre head adornments. This genus is known for its large, elaborate cranial crest, which at its largest forms a long curved tube projecting upwards and back from the skull. Charonosaurus from China, which may have been its closest relative, had a similar skull and potentially

a similar crest. Visual recognition of both species and sex, acoustic resonance, and thermoregulation have been proposed as functional explanations for the crest. It is one of the rarer hadrosaurids, known from only a handful of good specimens.

---

Lambeosaurus (/ˌlæmbioʊˈsɔːrəs/ LAM-bee-o-SAWR-əs; meaning "Lambe's lizard") is a genus of hadrosaurid dinosaur that lived about 75 million years ago, in the Late Cretaceous period (Campanian stage) of North America. This bipedal/quadrupedal, herbivorous dinosaur is known for its distinctive hollow cranial crest, which in the best-known species resembled a hatchet. Several possible species have been named, from Canada, the United States, and Mexico, but only the two Canadian species are currently recognized as valid.

Material relevant to the genus was first named by Lawrence Lambe in 1902. Over twenty years later, the modern name was coined in 1923 by William Parks, in honour of Lambe, based on better preserved specimens. The genus has a complicated taxonomic history, in part because small-bodied crested hadrosaurids now recognized as juveniles were once thought to belong to their own genera and species. Currently, the various skulls assigned to the type species L. lambei are interpreted as showing age differences and sexual dimorphism. Lambeosaurus was closely related to the better known Corythosaurus, which is found in slightly older rocks, as well as the less well-known genera Hypacrosaurus and Olorotitan. All had unusual crests, which are now generally assumed to have served social functions like noisemaking and recognition.

Tsintaosaurus (/tʃɪŋdaʊ'sɔːrəs/; meaning "Qingdao lizard", after the old transliteration "Tsingtao") is a genus of hadrosaurid dinosaur from China. It was about 8.3 metres (27 ft) long and weighed 2.5 tonnes. The type species is Tsintaosaurus spinorhinus, first described by Chinese paleontologist C. C. Young in 1958.

A hadrosaur, Tsintaosaurus had a characteristic 'duck bill' snout and a battery of powerful teeth which it used to chew vegetation. It usually walked on all fours, but could rear up on its hind legs to scout for predators and flee when it spotted one. Like other hadrosaurs, Tsintaosaurus probably lived in herds.

Flame Princess fired a wave of fire and it formed into theropod from 100 million years ago: Carcharodontosaurus!

---

Carcharodontosaurus /ˌkɑːrkəroʊˌdɒntoʊ'sɔːrəs/ is a genus of carnivorous carcharodontosaurid dinosaurs that existed during the Cenomanian stage of the mid-Cretaceous Period in Northern Africa. It is currently known to include two species: C. saharicus and C. iguidensis, which are among the larger theropods, nearly as large as or even larger than Tyrannosaurus, Giganotosaurus, and Spinosaurus.

The genus Carcharodontosaurus is named after the shark genus Carcharodon, itself composed of the Greek karchar[os] (κάρχαρος, meaning "jagged" or "sharp") and odōn (ὀδών, "teeth"), and the suffix -saurus ("lizard").

Corythosaurus /ˌkɒrɪθoʊˈsɔːrəs/ is a genus of hadrosaurid "duck-billed" dinosaur from the Upper Cretaceous Period, about 77-75.7 million years ago. It lived in what is now North America. Its name means "helmet lizard", derived from Greek κόρυς. It was named and described in 1914 by Barnum Brown. Corythosaurus is now thought to be a lambeosaurine, related to Nipponosaurus, Velafrons, Hypacrosaurus, and Olorotitan. Corythosaurus has an estimated length of 9 metres (30 ft), and has a skull, including the crest, that is 70.8 centimetres (27.9 in; 2.32 ft) tall.

Corythosaurus is known from many complete specimens, including the nearly complete holotype found by Brown in 1911. The holotype skeleton is only missing the last section of the tail, and part of the forelimbs, but was preserved with impressions of polygonal scales. Corythosaurus is known from many skulls with tall crests. The crests resemble the crests of the cassowary and a Corinthian helmet. The most likely function of the crest is thought to be vocalization. As in a trombone, sound waves would travel through many chambers in the crest, and then get amplified when Corythosaurus exhaled. A Corythosaurus specimen has been preserved with its last meal in its chest cavity. Inside the cavity were remains of conifer needles, seeds, twigs, and fruits: Corythosaurus probably fed on all of these.

The two species of Corythosaurus are both present in slightly different levels of the Dinosaur Park Formation. Both still co-existed with theropods and other ornithischians, like Daspletosaurus, Brachylophosaurus, Parasaurolophus, Scolosaurus, and Chasmosaurus.

Meganeura is a genus of extinct insects from the Carboniferous period (approximately 300 million years ago), which resembled and are related to the present-day dragonflies. With wingspans ranging from 65 cm (25.6 in) to over 70 cm (28 in), M. monyi is one of the largest-known flying insect species. Meganeura were predatory, with their diet mainly consisting of other insects.

Fossils were discovered in the French Stephanian Coal Measures of Commentry in 1880. In 1885, French paleontologist Charles Brongniart described and named the fossil "Meganeura" (large-nerved), which refers to the network of veins on the insect's wings. Another fine fossil specimen was found in 1979 at Bolsover in Derbyshire. The holotype is housed in the National Museum of Natural History, in Paris.

Mei Terumi: OCEAN STYLE NINJA ART: MEGALODON!

Mei fired a wave of water and it formed into the largest and most meanest shark ever to swim the ocean and the ancestor of the Great White Shark from 23 million years ago.

---

Megalodon (Carcharocles megalodon), meaning "big tooth", is an extinct species of shark that lived approximately 23 to 3.6 million years ago (mya), during the Early Miocene to the Pliocene. It was formerly thought to be a member of the family Lamnidae and a close relative of the great white shark (Carcharodon carcharias). However, it is now classified into the extinct family Otodontidae, which diverged from the great white shark during the Early Cretaceous. Its genus placement is still debated, authors placing it in either

Carcharocles, Megaselachus, Otodus, or Procarcharodon. This is because transitional fossils have been found showing that Megalodon is the final chronospecies of a lineage of giant sharks originally of the genus Otodus which evolved during the Paleocene.

While regarded as one of the largest and most powerful predators to have ever lived, megalodon is known from fragmentary remains, and its appearance and maximum size are uncertain. Scientists differ on whether it would have more closely resembled a stockier version of the great white shark, the basking shark (Cetorhinus maximus) or the sand tiger shark (Carcharias taurus). Most estimates of megalodon's size extrapolate from teeth; with maximum length estimates up to 18 meters (59 ft) and average length estimates of 10.5 meters (34 ft). Estimates suggest their large jaws could exert a bite force of up to 110,000 to 180,000 newtons (25,000 to 40,000 lbf). Their teeth were thick and robust, built for grabbing prey and breaking bone.

Megalodon probably had a major impact on the structure of marine communities. The fossil record indicates that it had a cosmopolitan distribution. It probably targeted large prey, such as whales, seals and sea turtles. Juveniles inhabited warm coastal waters and fed on fish and small whales. Unlike the great white, which attacks prey from the soft underside, megalodon probably used its strong jaws to break through the chest cavity and puncture the heart and lungs of its prey.

The animal faced competition from whale-eating cetaceans, such as Livyatan and other macroraptorial sperm whales and possibly smaller ancestral killer whales. As the shark preferred warmer waters, it is thought that oceanic cooling associated with the onset of the ice ages, coupled with the lowering of sea levels and resulting loss of suitable nursery areas, may have also contributed to its decline. A reduction in the diversity of baleen whales and a shift in their distribution toward polar regions may have reduced megalodon's primary food source. A 2019 study reviewed newer evidence suggesting that competition from the modern great white shark may have also contributed to the extinction of megalodon, coupled with range fragmentation resulting in a gradual, asynchronous extinction as a result of cooling oceans around 3.6-4

million years ago, far earlier than previously assumed. The extinction of the shark appeared to affect other animals; for example, the size of baleen whales increased significantly after the shark had disappeared.

Carol: EARTH STYLE NINJA ART: STEGOSAURUS!

Carol fired a wave of Earth and it formed into the awesome dinosaur from 155 million years ago: Stegosaurus!

Stegosaurus (/ˌstɛɡəˈsɔːrəs/), from Greek stegos (στέγος), which means roof, and sauros (σαῦρος), which means lizard, is a genus of herbivorous thyreophoran dinosaur. Fossils of this genus date to the Late Jurassic period, where they are found in Kimmeridgian to early Tithonian aged strata, between 155 and 150 million years ago, in the western United States and Portugal. Of the species that have been classified in the upper Morrison Formation of the western US, only three are universally recognized; S. stenops, S. ungulatus and S. sulcatus. The remains of over 80 individual animals of this genus have been found. Stegosaurus would have lived alongside dinosaurs such as Apatosaurus, Diplodocus, Brachiosaurus, Allosaurus, and Ceratosaurus; the latter two may have preyed on it.

These were large, heavily built, herbivorous quadrupeds with rounded backs, short fore limbs, long hind limbs, and tails held high in the air. Due to their distinctive combination of broad, upright plates and tail tipped with spikes, Stegosaurus is one of the most recognizable kinds of dinosaurs. The function of this array of plates and spikes has been the subject of much speculation among scientists. Today, it is generally agreed that their spiked tails were most likely used for defense against predators, while their plates may have been used primarily for display, and secondarily for thermoregulatory functions. Stegosaurus had a relatively low brain-to-body mass ratio. It had a short neck and a small head, meaning it most likely ate low-lying bushes and shrubs. One species, Stegosaurus ungulatus, is the largest known of all the stegosaurians (bigger than related dinosaurs such as Kentrosaurus and

Huayangosaurus).

Stegosaurus remains were first identified during the "Bone Wars" by Othniel Charles Marsh at Dinosaur Ridge National Landmark. The first known skeletons were fragmentary and the bones were scattered, and it would be many years before the true appearance of these animals, including their posture and plate arrangement, became well understood. Despite its popularity in books and film, mounted skeletons of Stegosaurus did not become a staple of major natural history museums until the mid-20th century, and many museums have had to assemble composite displays from several different specimens due to a lack of complete skeletons. Stegosaurus is one of the better-known dinosaurs, and has been featured in film, postal stamps, and many other types of media.

Beast Boy: EARTH STYLE NINJA ART: TRICERATOPS!

Beast Boy fired a wave of earth and it formed into the fierce dinosaur from 68 million years ago: Triceratops!

---

Triceratops is a genus of herbivorous ceratopsid dinosaur that first appeared during the late Maastrichtian stage of the late Cretaceous period, about 68 million years ago (mya) in what is now North America. It is one of the last known non-avian dinosaur genera, and became extinct in the Cretaceous-Paleogene extinction event 66 million years ago. The name Triceratops, which literally means "three-horned face", is derived from the Ancient Greek words τρί- (tri-) meaning "three", κέρας (kéras) meaning "horn", and ὤψ (ōps) meaning "face".

Triceratops has been documented by numerous remains collected since the genus was first described in 1889 by Othniel Charles Marsh. Specimens representing life stages from hatchling to adult have been found. As the archetypal ceratopsid, Triceratops is one of the most popular dinosaurs, and has been featured in film, postal stamps, and many other types of media.

Bearing a large bony frill and three horns on the skull, and its large four-legged body possessing similarities with the modern rhinoceros, Triceratops is one of the most recognizable of all dinosaurs and the best-known ceratopsid. It was also one of the largest, up to 9 meters (29.5 ft) long and 12 metric tons (13 short tons) in weight. It shared the landscape with and was probably preyed upon by Tyrannosaurus, though it is less certain that the two did battle in the fanciful manner often depicted in museum displays and popular images. The functions of the frills and three distinctive facial horns on its head have long inspired debate. Traditionally, these have been viewed as defensive weapons against predators. More recent interpretations find it probable that these features were primarily used in species identification, courtship and dominance display, much like the antlers and horns of modern ungulates.

Triceratops was traditionally placed within the "short-frilled" ceratopsids but modern cladistic studies show it to be a member of the Chasmosaurinae which usually have long frills. Two species, T. horridus and T. prorsus, are considered valid today, from the seventeen species that have ever been named. Research published in 2010 concluded that the contemporaneous Torosaurus, a ceratopsid long regarded as a separate genus, represents Triceratops in its mature form. This view was immediately disputed with examination of more fossil evidence needed to settle the debate.

Linka: EARTH STYLE NINJA ART: TOROSAURUS!

Linka fired a wave of earth and it formed into the ceratopsian from 68 million years ago: Torosaurus!

---

Torosaurus ("perforated lizard", in reference to the large openings in its frill) is a genus of herbivorous ceratopsid dinosaur that lived during the late Maastrichtian stage of the Cretaceous period, between 68 and 66 million years ago, though it is possible that the species range might extend to as far as 69 million years ago. Fossils have been discovered across the Western Interior of North America,

from Saskatchewan to southern Texas.

Torosaurus possessed one of the largest skulls of any known land animal. The frilled skull reached up to 2.77 metres (9.1 ft) in length. From head to tail, Torosaurus is thought to have measured about 8 to 9 m (26 to 30 ft) long and weighed four to six tonnes. Torosaurus is distinguished from the contemporary Triceratops by an elongate frill with large openings (fenestrae), long squamosal bones of the frill with a trough on their upper surface, and the presence of five or more pairs of hornlets (epoccipitals) on the back of the frill. Torosaurus also lacked the long nose horn seen in Triceratops prorsus, and instead resembled the earlier and more basal Triceratops horridus in having a short nose horn. Three species have been named, Torosaurus latus, T. gladius and T. utahensis. T. gladius is no longer considered a valid species, however.

In 2010, the validity of Torosaurus was disputed. A study of fossil bone histology combined with an investigation of frill shape concluded that Torosaurus probably represented the mature form of Triceratops, with the bones of typical Triceratops specimens still immature and showing signs of a first development of distinct Torosaurus frill holes. During maturation, the skull frill would have been greatly lengthened and holes would have appeared in it. In 2011, 2012 and 2013 however, studies of external features of known specimens have claimed that morphological differences between the two genera preclude their synonymy. The main problems are a lack of good transitional forms, the apparent existence of authentic Torosaurus subadults, different skull proportions independent of maturation and the assertion that hole formation at an adult stage is not part of a normal ceratopsian maturation sequence.

Paula: EARTH STYLE NINJA ART: NASUTOCERATOPS!

Paula fired a wave of earth and it formed into the ceratopsian from 75.9 million years ago: Nasutoceratops!

---

Nasutoceratops is an extinct genus of ceratopsian dinosaur. It is a

basal centrosaurine which lived during the Late Cretaceous Period (late Campanian, about 76.0-75.5 Ma). Fossils have been found in southern Utah, United States. Nasutoceratops was a large, ground-dwelling, quadrupedal herbivore with a short snout and unique rounded horns above its eyes that have been likened to those of modern cattle. Extending almost to the tip of its snout, these horns are the longest of all the members of the centrosaurine subfamily. The presence of pneumatic elements in the nasal bones of Nasutoceratops are a unique trait and are unknown in any other ceratopsid. Nasutoceratops, Diabloceratops, and Machairoceratops are the only three centrosaurine dinosaurs from the American southwest.

Styracosaurus (/stɪˌrækə'sɔːrəs/ sti-RAK-ə-SOR-əs; meaning "spiked lizard" from the Ancient Greek styrax/στύραξ "spike at the butt-end of a spear-shaft" and sauros/σαῦρος "lizard") is a genus of herbivorous ceratopsian dinosaur from the Cretaceous Period (Campanian stage), about 75.5 to 75 million years ago. It had four to six long parietal spikes extending from its neck frill, a smaller jugal

horn on each of its cheeks, and a single horn protruding from its nose, which may have been up to 60 centimetres (2 feet) long and 15 centimetres (6 inches) wide. The function or functions of the horns and frills have been debated for many years.

Styracosaurus was a relatively large dinosaur, reaching lengths of 5.5 metres (18 feet) and weighing nearly 3 tonnes. It stood about 1.8 meters (5.9 feet) tall. Styracosaurus possessed four short legs and a bulky body. Its tail was rather short. The skull had a beak and shearing cheek teeth arranged in continuous dental batteries, suggesting that the animal sliced up plants. Like other ceratopsians, this dinosaur may have been a herd animal, travelling in large groups, as suggested by bonebeds.

Named by Lawrence Lambe in 1913, Styracosaurus is a member of the Centrosaurinae. One species, S. albertensis, is currently assigned to Styracosaurus. Another species, S. ovatus, named in 1930 by Charles Gilmore was reassigned to a new genus, Rubeosaurus, by Andrew McDonald and Jack Horner in 2010.

Pachycephalosaurus (/ˌpækɪˌsɛfələˈsɔːrəs/; meaning "thick-headed lizard," from Greek pachys-/παχύς- "thick", kephale/κεφαλή "head" and sauros/σαῦρος "lizard") is a genus of pachycephalosaurid dinosaurs. The type species, P. wyomingensis, is the only known species. It lived during the Late Cretaceous Period (Maastrichtian stage) of what is now North America. Remains have been excavated in Montana, South Dakota, Wyoming and Alberta. It was a herbivorous creature which is primarily known from a single skull and a few extremely thick skull roofs, though more complete fossils have been found in recent years. Pachycephalosaurus was one of the last non-avian dinosaurs before the Cretaceous-Paleogene extinction event. Another dinosaur, Tylosteus of western North

America, has been synonymized with Pachycephalosaurus, as have the genera Stygimoloch and Dracorex in recent studies.

Like other pachycephalosaurids, Pachycephalosaurus was a bipedal herbivore with an extremely thick skull roof. It possessed long hindlimbs and small forelimbs. Pachycephalosaurus is the largest-known pachycephalosaur. The thick skull domes of Pachycephalosaurus and related genera gave rise to the hypothesis that pachycephalosaurs used their skulls in intra-species combat. This hypothesis has been disputed in recent years.

Rarity: CRYSTAL STYLE NINJA ART: PLATEOSAURUS!

Rarity fired a wave of crystal and it formed into the protosauropod from 214 million years ago: Plateosaurus!

Plateosaurus (probably meaning "broad lizard", often mistranslated as "flat lizard") is a genus of plateosaurid dinosaur that lived during the Late Triassic period, around 214 to 204 million years ago, in what is now Central and Northern Europe and Greenland, North America. Plateosaurus is a basal (early) sauropodomorph dinosaur, a so-called "prosauropod". As of 2011, two species are recognised: the type species P. engelhardti from the late Norian and Rhaetian, and the slightly earlier P. gracilis from the lower Norian. However,

others have been assigned in the past, and there is no broad consensus on the species taxonomy of plateosaurid dinosaurs. Similarly, there are a plethora of synonyms (invalid duplicate names) at the genus level.

Discovered in 1834 by Johann Friedrich Engelhardt and described three years later by Hermann von Meyer, Plateosaurus was the fifth named dinosaur genus that is still considered valid. Although it had been described before Richard Owen formally named Dinosauria in 1842, it was not one of the three genera used by Owen to define the group, because at the time, it was poorly known and difficult to identify as a dinosaur. It is now among the dinosaurs best known to science: over 100 skeletons have been found, some of them nearly complete. The abundance of its fossils in Swabia, Germany, has led to the nickname Schwäbischer Lindwurm (Swabian lindworm).

Plateosaurus was a bipedal herbivore with a small skull on a long, flexible neck, sharp but plump plant-crushing teeth, powerful hind limbs, short but muscular arms and grasping hands with large claws on three fingers, possibly used for defence and feeding. Unusually for a dinosaur, Plateosaurus showed strong developmental plasticity: instead of having a fairly uniform adult size, fully grown individuals were between 4.8 and 10 metres (16 and 33 ft) long and weighed between 600 and 4,000 kilograms (1,300 and 8,800 lb). Commonly, the animals lived for at least 12 to 20 years, but the maximum life span is not known.

Despite the great quantity and excellent quality of the fossil material, Plateosaurus was for a long time one of the most misunderstood dinosaurs. Some researchers proposed theories that were later shown to conflict with geological and palaeontological evidence, but have become the paradigm of public opinion. Since 1980 the taxonomy (relationships), taphonomy (how the animals became embedded and fossilised), biomechanics (how their skeletons worked), and palaeobiology (life circumstances) of Plateosaurus have been re-studied in detail, altering the interpretation of the animal's biology, posture and behaviour.

Kentrosaurus (/ˌkɛntroʊˈsɔːrəs/ KEN-tro-SAWR-əs) is a genus of stegosaurian dinosaur from the Late Jurassic of Tanzania. The type species is K. aethiopicus, named and described by German palaeontologist Edwin Hennig in 1915. Often thought to be a "primitive" member of the Stegosauria, several recent cladistic analyses find it as more derived than many other stegosaurs, and a close relative of Stegosaurus from the North American Morrison Formation within the Stegosauridae.

Fossils of K. aethiopicus have been found only in the Tendaguru Formation, dated to the late Kimmeridgian and early Tithonian ages, about 152 million years ago. Hundreds of bones were unearthed by German expeditions to German East Africa between 1909 and 1912. Although no complete skeletons are known, the remains provided a nearly complete picture of the build of the animal.

Kentrosaurus generally measured around 4.5 metres (15 ft) in length as an adult, and weighed about one tonne (1.1 tons). It walked on all fours with straight hindlimbs. It had a small, elongated head with a beak used to bite off plant material that would be digested in a large gut. It had a, probably double, row of small plates running down its neck and back. These plates gradually merged into spikes on the

hip and tail. The longest spikes were on the tail end and were used to actively defend the animal. There also was a long spike on each shoulder. The thigh bones come in two different types, suggesting that one sex was larger and more stout than the other.

Megacerops ("large-horned face", from méga- "large" + kéras "horn" + ōps "face") is an extinct genus of the prehistoric odd-toed ungulate (hoofed mammal) family Brontotheriidae, an extinct group of rhinoceros-like browsers related to horses. It was endemic to North America during the Late Eocene epoch (38-33.9 mya), existing for approximately 4.1 million years.

---

Andrewsarchus (/ˌændruːˈsɑːrkəs/) is an extinct genus of mammal that lived during the middle Eocene epoch in what is now Inner Mongolia, China. Only one species is usually recognized, A. mongoliensis, known from a single skull of great size discovered in 1923 during the expeditions to central Asia by the American Museum of Natural History (AMNH). Generally classified as a mesonychid since its original description, most recent studies classify it as an artiodactyl, in one study specifically, as a member of the clade Cetancodontamorpha, closely related to entelodonts, hippos and whales.

James (Pokemon): EARTH STYLE NINJA ART: LYSTROSAURUS!

James fired a wave of earth and it formed into the Dicynodont from 255 million years ago: Lystrosaurus!

---

Lystrosaurus (/ˌlɪstroʊˈsɔːrəs/; 'shovel lizard'; proper Greek is λίστρον lístron 'tool for leveling or smoothing, shovel, spade, hoe') was a herbivorous genus of dicynodont therapsids from the late Permian and Early Triassic epochs (around 250 million years ago). It lived in what is now Antarctica, India, China, Mongolia, European Russia and South Africa. Four to six species are currently recognized, although from the 1930s to 1970s the number of species was thought to be much higher. They ranged in size from that of a small dog to 2.5 meters long.

Being a dicynodont, Lystrosaurus had only two teeth (a pair of tusk-like canines), and is thought to have had a horny beak that was used for biting off pieces of vegetation. Lystrosaurus was a heavily built, herbivorous animal, approximately the size of a pig. The structure of its shoulders and hip joints suggests that Lystrosaurus moved with a semi-sprawling gait. The forelimbs were even more robust than the hindlimbs, and the animal is thought to have been a

powerful digger that nested in burrows.

Lystrosaurus survived the Permian-Triassic extinction, 252 million years ago. In the Early Triassic, they were by far the most common terrestrial vertebrates, accounting for as many as 95% of the total individuals in some fossil beds. Researchers have offered various hypotheses for why Lystrosaurus survived the extinction event and prospered in the early Triassic.

Deinotherium ("terrible beast" derived from the Ancient Greek δεινός, deinos meaning "terrible" and θηρίον, therion meaning "beast") was a large prehistoric relative of modern-day elephants that appeared in the Middle Miocene and survived until the Early Pleistocene. During that time, it changed very little. In life, it probably resembled modern elephants, except it had downward-curving tusks attached to the lower jaw.

Kitten: EARTH STYLE NINJA ART: MACRAUCHENIA!

Kitten fired a wave of earth and it formed into the ancestor of the llama from 7 million years ago: Macrauchenia!

Macrauchenia ("long llama", based on the now superseded Latin term for llamas, Auchenia, from Greek "big neck") was a large, long-necked and long-limbed, three-toed native South American mammal in the order Litopterna. The genus gives its name to its family, the Macraucheniidae or "robust litopterns". Like other litopterns, it is not closely related to any living mammal, being most closely related to the group containing horses, rhinos and tapirs (the Perissodactyla), from which litopterns diverged approximately 66 million years ago. The oldest fossils in the genus date to the late Miocene, around seven million years ago, and M. patachonica disappears from the fossil record during the late Pleistocene, around 20,000-10,000 years ago. M. patachonica is one of the last and best known member of the family and is known primarily from the Luján Formation in Argentina, but is known from localities across southern South America. Another genus of macraucheniid Xenorhinotherium was present in northeast Brazil and Venezuela during the Late Pleistocene. The type specimen was discovered by Charles Darwin during the voyage of the Beagle. In life, Macrauchenia may have resembled a humpless camel, though the two taxa are not closely related. It fed on plants in a variety of environments across what is now South America. Among the species described, M. patachonica and M. ullomensis are considered valid; M. boliviensis is considered a nomen dubium; and M. antiqua (or M. antiquus) has been moved to the genus Promacrauchenia.

Tuddrussel: EARTH STYLE NINJA ART: ALBERTOSAURUS!

Tuddrussel fired a wave of earth and it formed into the theropod from 71 million years ago: Albertosaurus!

Albertosaurus (/ælˌbɜːrtəˈsɔːrəs/; meaning "Alberta lizard") is a genus of tyrannosaurid theropod dinosaurs that lived in western North America during the Late Cretaceous Period, about 70 million years ago. The type species, A. sarcophagus, was apparently restricted in range to the modern-day Canadian province of Alberta, after which the genus is named, although an indeterminate species ("cf. Albertosaurus sp.") has been discovered in the Corral de Enmedio and Packard Formations in Mexico. Scientists disagree on the content of the genus, with some recognizing Gorgosaurus libratus as a second species.

As a tyrannosaurid, Albertosaurus was a bipedal predator with tiny, two-fingered hands and a massive head that had dozens of large, sharp teeth. It may have been at the top of the food chain in its local ecosystem. While Albertosaurus was large for a theropod, it was much smaller than its larger and more famous relative Tyrannosaurus rex, growing 9 to 10 m (30 to 33 ft) and possibly weighing 2.5 tonnes (2.8 short tons) or less.

Since the first discovery in 1884, fossils of more than 30 individuals have been recovered, providing scientists with a more detailed knowledge of Albertosaurus anatomy than is available for most other tyrannosaurids. The discovery of 26 individuals at one site provides evidence of pack behaviour and allows studies of ontogeny and population biology, which are impossible with lesser-known dinosaurs.

Larry 3000: EARTH STYLE NINJA ART: EDMONTOSAURUS!

Larry fired a wave of earth and it formed into the Iguanodont from 73 million years ago: Edmontosaurus!

---

Edmontosaurus (/ɛdˌmɒntəˈsɔːrəs/ ed-MON-tə-SAWR-əs) (meaning "lizard from Edmonton") is a genus of hadrosaurid (duck-billed) dinosaur. It contains two known species: Edmontosaurus regalis and Edmontosaurus annectens. Fossils of E. regalis have been found in rocks of western North America that date from the late Campanian

stage of the Cretaceous Period 73 million years ago, while those of E. annectens were found in the same geographic region but in rocks dated to the end of the Maastrichtian stage of the Cretaceous, 66 million years ago. Edmontosaurus was one of the last non-avian dinosaurs, and lived alongside dinosaurs like Triceratops, Tyrannosaurus, Albertosaurus and Pachycephalosaurus shortly before the Cretaceous-Paleogene extinction event.

Edmontosaurus included some of the largest hadrosaurid species, measuring up to 12 metres (39 ft) long and weighing around 4.0 metric tons (4.4 short tons). Evidence does exist in the form of two fossilized specimens housed at the Museum of the Rockies for an even greater maximum size of 15 m (49 ft) and weighing 9.07 metric tons (10.00 short tons) for Edmontosaurus annectens. Several well-preserved specimens are known that include not only bones, but in some cases extensive skin impressions and possible gut contents. It is classified as a genus of saurolophine (or hadrosaurine) hadrosaurid, a member of the group of hadrosaurids which lacked large, hollow crests, instead having smaller solid crests or fleshy combs.

The first fossils named Edmontosaurus were discovered in southern Alberta (named after Edmonton, the capital city), in the Horseshoe Canyon Formation (formerly called the lower Edmonton Formation). The type species, E. regalis, was named by Lawrence Lambe in 1917, although several other species that are now classified in Edmontosaurus were named earlier. The best known of these is E. annectens, named by Othniel Charles Marsh in 1892; originally as a species of Claosaurus, known for many years as a species of Trachodon, and later as Anatosaurus annectens. Anatosaurus and Anatotitan are now generally regarded as synonyms of Edmontosaurus.

Edmontosaurus was widely distributed across western North America. The distribution of Edmontosaurus fossils suggests that it preferred coasts and coastal plains. It was a herbivore that could move on both two legs and four. Because it is known from several bone beds, Edmontosaurus is thought to have lived in groups, and may have been migratory as well. The wealth of fossils has allowed researchers to study its paleobiology in detail, including its brain,

how it may have fed, and its injuries and pathologies, such as evidence for tyrannosaur attacks on a few edmontosaur specimens.

Skipper: EARTH STYLE NINJA ART: DICYNODON!

Skipper fired a wave of earth and it formed into the dicynodont therapsid from 253.8 to 251 million years ago: Dicynodon!

---

Dicynodon ("two dog-teeth") is a genus of dicynodont therapsid that flourished during the Upper Permian period. Like all dicynodonts, it was herbivorous. This animal was toothless, except for prominent tusks, hence the name. It probably cropped vegetation with a horny beak, much like a tortoise, while the tusks may have been used for digging up roots and tubers.

Many species of Dicynodon have been named, and the genus is considered a wastebasket taxon. A 2011 study of the genus found most of the species to represent a paraphyletic grouping, with the only valid members of Dicynodon being D. lacerticeps and D. huenei. A 2019 study named a new species D. angielczyki, but simultaneously transferred D. huenei to the genus Daptocephalus.

Diictodon was a genus of pylaecephalid dicynodont. These mammal-like synapsids lived during the Late Permian period, approximately 255 million years ago. Fossils have been found in the Cistecephalus Assemblage Zone of the Madumabisa Mudstone of the Luangwa Basin in Zambia and the Tropidostoma Assemblage Zone of the Teekloof Formation, Tapinocephalus Assemblage Zone of the Abrahamskraal Formation, Dicynodon Assemblage Zone of the Balfour Formation, Cistecephalus Assemblage Zone of the Middleton or Balfour Formation of South Africa and the Guodikeng Formation of China. Roughly half of all Permian vertebrate specimens found in South Africa are those of Diictodon. This small herbivorous animal was one of the most successful synapsids in the Permian period.

Eoraptor (/ˈiːoʊˌræptər/) was one of the earliest-known dinosaurs, living approximately 231 to 228 million years ago, during the Late Triassic in Western Gondwana, in the region that is now northwestern Argentina. It was a small, lightly-built, basal saurischian dinosaur. It is known from several well-preserved skeletons. When first described in 1993, it was considered to be the

earliest or one of the earliest known dinosaurs. Eoraptor has heterodont dentition, which suggests that it was omnivorous and that the feeding strategy had evolved early on in dinosaurs.

Liberty: EARTH STYLE NINJA ART: TORVOSAURUS!

Liberty fired a wave of earth and it formed into the theropod dinosaur from 158 million years ago: Torvosaurus!

---

Torvosaurus (/ˌtɔːrvoʊˈsɔːrəs/) is a genus of carnivorous megalosauroid theropod dinosaur that lived approximately 153 to 148 million years ago during the Late Jurassic Period (Kimmeridgian to Tithonian) in what is now Colorado and Portugal. It contains two currently recognized species, Torvosaurus tanneri and Torvosaurus gurneyi.

In 1979 the type species Torvosaurus tanneri was named: it was a large, heavily built, bipedal carnivore, that could grow to a length of about 10 m (33 ft). T. tanneri was among the largest carnivores of its time, together with Epanterias and Saurophaganax (which could be both synonyms of Allosaurus). Specimens referred to Torvosaurus gurneyi were initially claimed to be up to twelve metres long, but later shown to be smaller. Based on bone morphology Torvosaurus is thought to have had short but very powerful arms.

Lyra: EARTH STYLE NINJA ART: THRINAXODON!

Lyra fired a wave of earth and it formed into the cynodont from 251 million years ago: Thrinaxodon!

---

Thrinaxodon is an extinct genus of cynodonts, most commonly regarded by its species T. liorhinus which lived in what are now South Africa and Antarctica during the Early Triassic. Thrinaxodon lived just after the Permian-Triassic mass extinction event, its

survival during the extinction may have been due to its burrowing habits.

Similar to other synapsids, Thrinaxodon adopted a semi-sprawling posture, an intermediary form between the sprawling position of pelycosaurs (not unlike current Crocodylia) and the more upright posture present in current mammals. Thrinaxodon is prevalent in the fossil record in part because it was one of the few carnivores of its time, and was of a larger size than similar cynodont carnivores.

Lee: EARTH STYLE NINJA ART: CHASMOSAURUS!

Lee fired a wave of earth and it formed into the ceratopsian from 76.5 million years ago: Chasmosaurus!

---

Chasmosaurus (/ˌkæzmoʊ'sɔːrəs/ KAZ-mo-SAWR-əs) is a genus of ceratopsid dinosaur from the Upper Cretaceous Period of North America. Its name means 'opening lizard', referring to the large openings (fenestrae) in its frill (Greek chasma meaning 'opening' or 'hollow' or 'gulf' and sauros meaning 'lizard'). With a length of 4.3-4.8 metres (14.1-15.7 ft) and a weight of 1.5-2 tonnes (1.7-2.2 short tons), Chasmosaurus was a ceratopsian of average size. Like all ceratopsians, it was purely herbivorous. It was initially to be called Protorosaurus, but this name had been previously published for another animal. All specimens of Chasmosaurus were collected from the Dinosaur Park Formation of the Dinosaur Provincial Park of Alberta, Canada. C. russelli comes from the lower beds of the formation while C. belli comes from middle and upper beds.

Po: WATER STYLE NINJA ART: PROTEROSUCHUS!

Po fired a wave of water and it formed into the Permian reptile from 252 million years ago: Proterosuchus!

---

Proterosuchus is an extinct genus of archosauriform reptiles that lived during the Early Triassic. It contains three valid species: the type species P. fergusi and the referred species P. alexanderi and P. goweri. All three species lived in what is now South Africa. The genus was named in 1903 by the South African paleontologist Robert Broom. The well-known genus Chasmatosaurus is a junior synonym of Proterosuchus.

Proterosuchus was a mid-sized quadrupedal reptile with a sprawling stance that could reach a length of up to 3.5 meters (11 ft). It had a large head and distinctively hooked snout. It was a predator, which may have hunted prey such as Lystrosaurus. The lifestyle of Proterosuchus remains debated; it may have been terrestrial or it may have been a semiaquatic ambush predator similar to modern crocodiles.

Proterosuchus is one of the earliest members of the clade Archosauriformes, which also includes crocodilians, pterosaurs, and dinosaurs, including birds. It lived in the aftermath of the Permian-Triassic extinction event, the largest known mass extinction in Earth's history.

Fluttershy: EARTH STYLE NINJA ART: EUCHAMBERSIA!

Fluttershy fired a wave of earth and it formed into the therapsid from 256 million years ago: Euchambersia!

---

Euchambersia is a genus of therocephalian therapsid that lived during the Late Permian, approximately 255 million years ago, in what is now South Africa. The genus contains a single species, Euchambersia mirabilis, named by paleontologist Robert Broom in 1931 from a skull missing the lower jaws; a second skull, belonging to an immature individual, was later described. It is a member of the family Akidnognathidae, which historically has also been referred by as the synonymous Euchambersiidae (named after Euchambersia).

Euchambersia was a small and short-snouted therocephalian,

possessing large canines as is typical of the group. However, it is notable among therocephalians for possessing ridges on its canines and a large indentation in the side of the skull. Under the erroneous assumption that the canines are grooved instead of ridged, it has been proposed that these structures supported a venom delivery mechanism. More recently, the internal structure of the skull of Euchambersia has been used as stronger evidence in favour of the hypothesis that it was venomous; other possibilities, such as the indentation supporting some sort of sensory organ, still remain plausible.

Jimmy Neutron: WIND STYLE NINJA ART: RHAMPHORHYNCHUS!

Jimmy fired a wave of wind and it formed into the flying reptiles from 150.8 million years ago: Rhamphorhynchus!

---

Rhamphorhynchus (/ˌræmfəˈrɪŋkəs/, "beak snout") is a genus of long-tailed pterosaurs in the Jurassic period. Less specialized than contemporary, short-tailed pterodactyloid pterosaurs such as Pterodactylus, it had a long tail, stiffened with ligaments, which ended in a characteristic soft-tissue tail vane. The jaws of Rhamphorhynchus housed needle-like teeth, which were angled forward, with a curved, sharp, beak-like tip lacking teeth, indicating a diet mainly of fish; indeed, fish and cephalopod remains are frequently found in Rhamphorhynchus abdominal contents, as well as in their coprolites.

Although fragmentary fossil remains possibly belonging to Rhamphorhynchus have been found in England, Tanzania, and Spain, the best preserved specimens come from the Solnhofen limestone of Bavaria, Germany. Many of these fossils preserve not only the bones but impressions of soft tissues, such as wing membranes. Scattered teeth believed to belong to Rhamphorhynchus have been found in Portugal as well.

Kick Buttowski: EARTH STYLE NINJA ART: SEYMOURIA!

Kick fired a wave of earth and it formed into the Permian seymouriamorph from 275 million years ago: Seymouria!

---

Seymouria is an extinct genus of seymouriamorph from the Early Permian of North America and Europe. Although they were amphibians (in a biological sense), Seymouria were well-adapted to life on land, with many reptilian features-so many, in fact, that Seymouria was first thought to be a primitive reptile. It is primarily known from two species, Seymouria baylorensis and Seymouria sanjuanensis. The type species, S. baylorensis, is more robust and specialized, though its fossils have only been found in Texas. On the other hand, Seymouria sanjuanensis is more abundant and widespread. This smaller species is known from multiple well-preserved fossils, including a block of six skeletons found in the Cutler Formation of New Mexico, and a pair of fully grown skeletons from the Tambach Formation of Germany, which were fossilized lying next to each other.

For the first half of the 20th century, Seymouria was considered one of the oldest and most "primitive" known reptiles. Paleontologists noted how the general body shape resembled that of early reptiles such as captorhinids, and that certain adaptations of the limbs, hip, and skull were also similar to that of early reptiles, rather than any species of modern or extinct amphibians known at the time. The strongly-built limbs and backbone also supported the idea that Seymouria was primarily terrestrial, spending very little time in the water. However, in the 1950s, fossilized tadpoles were discovered in Discosauriscus, which was a close relative of Seymouria in the group Seymouriamorpha. This shows that seymouriamorphs (including Seymouria) had a larval stage which lived in the water, therefore making Seymouria not a true reptile, but rather an amphibian which was closely related to reptiles. Though no longer considered the most primitive reptile, Seymouria is still an important transitional fossil documenting the acquisition of reptile-like skeletal features prior to the evolution of the amniotic egg, which characterizes amniotes (reptiles, mammals, and birds).

Kendall Perkins: WATER STYLE NINJA ART: HYNERPETON!

Kendall fired a wave of water and it formed into the Devonian creature from 365 million years ago: Hynerpeton!

---

Hynerpeton (/haɪˈnɜːrpətɒn/; from Hyner, Pennsylvania and Ancient Greek ἑρπετόν herpetón, "creeping animal," meaning "creeping animal from Hyner") is an extinct genus of early four-limbed vertebrate that lived in the rivers and ponds of Pennsylvania during the Late Devonian period, around 365 to 363 million years ago. The only known species of Hynerpeton is H. bassetti, named after the describer's grandfather, city planner Edward Bassett. Hynerpeton is known for being the first Devonian four-limbed vertebrate discovered in the United States, as well as possibly being one of the first to have lost internal (fish-like) gills.

This genus is known from few remains discovered at the Red Hill fossil site in Hyner, Pennsylvania. The most notable fossil is a large endochondral shoulder girdle consisting of the cleithrum, scapula, and coracoid (but not the interclavicle and clavicles), all connected into one shoulder bone. The inner surface of this shoulder bone possesses an array of depressions believed to have been attachment points for a unique set of powerful muscles around the chest. This may have given Hynerpeton improved mobility and weight-bearing abilities compared to other Devonian limbed vertebrates such as Ichthyostega and Acanthostega. The cleithrum (upper blade of the shoulder) is fused to the scapulocoracoid (lower plate of the shoulder, in front of the shoulder socket), unlike in most tetrapods, but the shoulder girdle is independent of the skull, unlike in most fish.

Early four-limbed vertebrates are sometimes referred to as tetrapods (using a trait-based definition of the term), although animals like Hynerpeton, Ichthyostega, and Acanthostega are placed outside the crown group Tetrapoda by the vast majority of paleontologists. From a cladistic (relations-based) point of view, a more accurate term would be "stem-tetrapod" or "stegocephalian", indicating that they were part of the lineage of animals that would lead to true tetrapods

such as modern amphibians (Lissamphibia), reptiles, mammals, and birds.

Hynerpeton hails from the Red Hill fossil site, which, during the Late Devonian, was a warm floodplain inhabited by a diverse ecosystem of aquatic fish and terrestrial invertebrates. Hynerpeton was one of several genera of four-limbed vertebrates known from the site, although it was the first to be discovered. It has been theorized that animals like Hynerpeton were able to use their amphibious lifestyle to find shallow pools where they could spawn, isolated from predatory fish which inhabited the deeper rivers.

Juandissimo: (Spanish Accent) WATER STYLE NINJA ART: TIKTAALIK!

Juandissimo fired a wave of water and it formed into the Devonian Sarcopterygian from 375 million years ago: Tiktaalik!

Tiktaalik (/tɪkˈtɑːlɪk/; Inuktitut ᑎᒃᑖᓕᒃ [tiktaːlik]) is a monospecific genus of extinct sarcopterygian (lobe-finned fish) from the Late Devonian Period, about 375 Mya (million years ago), having many features akin to those of tetrapods (four-legged animals).

Unearthed in Arctic Canada, Tiktaalik is technically a fish, complete with scales and gills - but it has the flattened head of a crocodile and unusual fins. Its fins have thin ray bones for paddling like most fish, but they also have sturdy interior bones that would have allowed Tiktaalik to prop itself up in shallow water and use its limbs for support as most four-legged animals do. Those fins and a suite of other characteristics set Tiktaalik apart as something special; it has a combination of features that show the evolutionary transition between swimming fish and their descendants, the four-legged vertebrates - a clade which includes amphibians, reptiles, birds and mammals.

It and similar animals may possibly be the common ancestors of the broad swath of all vertebrate terrestrial fauna: amphibians, reptiles, birds, and mammals.

The first well-preserved Tiktaalik fossils were found in 2004 on Ellesmere Island in Nunavut, Canada.

Patrick: OCEAN STYLE NINJA ART: LIVYATAN!

Patrick fired a wave of water and it formed into the first ancestral sperm whale from 9 million years ago: Livyatan!

---

Livyatan is an extinct genus of sperm whale containing one species: L. melvillei. The genus name was inspired by the biblical sea monster Leviathan, and the species name by Herman Melville, the author of the famous book Moby-Dick about a white bull sperm whale. It is mainly known from the Pisco Formation of Peru during the Tortonian stage of the Miocene epoch, about 9.9-8.9 million years ago (mya); however, isolated teeth from other locations such as Chile, Argentina, South Africa, and Australia implies that either it or a close relative survived into the Pliocene, around 5 mya, and was present throughout the Southern Hemisphere. It was a member of a group of hyper-predatory macroraptorial sperm whales (or "raptorial sperm whales") and was likely an apex predator, preying on whales, seals, and so forth. Characteristic of raptorial sperm whales, Livyatan had functional, enamel-coated teeth on the upper

and lower jaws, as well as several adaptations for hunting large prey.

Livyatan's total length has been estimated to be about 13.5-17.5 m (44-57 ft), similar to the modern sperm whale (Physeter macrocephalus), making it one of the largest predators to have ever existed. The teeth of Livyatan measured 36.2 cm (1.2 ft), and are the largest biting teeth of any known animal, excluding tusks. It is distinguished from the other raptorial sperm whales by the basin on the skull, and how it spans the entire length of the snout. The spermaceti organ, contained in that basin, is thought to have been used in echolocation and communication, or for ramming prey and other sperm whales. The whale may have interacted with the large extinct shark megalodon (Carcharocles megalodon), competing with it for a similar food source. Its extinction was likely caused by a cooling event at the end of the Miocene which resulted in a drop in food populations. The formation where the whale has been found has also preserved a large assemblage of marine life, such as sharks and marine mammals.

Dawn (Total Drama): FOREST STYLE NINJA ART: DRYOSAURUS!

Dawn fired a wave of leaves and wood and it formed into the hadrosaur from 155 million years ago: Dryosaurus!

Dryosaurus (/ˌdraɪoʊˈsɔːrəs/ DRY-o-SAWR-əs; meaning 'tree lizard', Greek δρῦς (drys) meaning 'tree, oak' and σαυρος (sauros) meaning 'lizard'; the name reflects the forested habitat, not a vague oak-leaf shape of its cheek teeth as is sometimes assumed) is a genus of an ornithopod dinosaur that lived in the Late Jurassic period. It was an iguanodont (formerly classified as a hypsilophodont). Fossils have been found in the western United States and were first discovered in the late 19th century. Valdosaurus canaliculatus and Dysalotosaurus lettowvorbecki were both formerly considered to represent species of Dryosaurus.

Camptosaurus (/ˌkæmptoʊ'sɔːrəs/ KAMP-toh-SAWR-əs) is a genus of plant-eating, beaked ornithischian dinosaurs of the Late Jurassic period of western North America. The name means 'flexible lizard' (Greek καμπτος (kamptos) meaning 'bent' and σαυρος (sauros) meaning 'lizard').

Mike (Total Drama): FOREST STYLE NINJA ART: ORNITHOLESTES!

Mike fired a wave of wood and leaves and it formed into the theropod dinosaur from 154 million years ago: Ornitholestes.

Ornitholestes (meaning "bird robber") is a small theropod dinosaur of the late Jurassic (Brushy Basin Member of the Morrison Formation, middle Kimmeridgian age, about 154 million years ago) of Western Laurasia (the area that was to become North America).

To date, Ornitholestes is known only from a single partial skeleton with a badly crushed skull found at the Bone Cabin Quarry near Medicine Bow, Wyoming, in 1900. It was described by Henry Fairfield Osborn in 1903. An incomplete hand was later attributed to Ornitholestes, although it now appears to belong to Tanycolagreus. The type (and only known) species is O. hermanni. The specific name honors the American Museum of Natural History preparator Adam Hermann.

Fuzzy fired a wave of wood and leaves and it formed into the neornithischian dinosaur from 155 million years ago: Nanosaurus A.K.A. Othnielia!

---

Nanosaurus ("small or dwarf lizard") is the name given to a genus of neornithischian dinosaur that lived about 155 to 148 million years ago, during the Late Jurassic-age. Its fossils are known from the Morrison Formation of the south-western United States. The type and only species, Nanosaurus agilis, was described and named by Othniel Charles Marsh in 1877. The taxon has a complicated taxonomic history, largely the work of Marsh and Peter M. Galton, involving the genera Laosaurus, Hallopus, Drinker, Othnielia, and Othnielosaurus, the latter three now being considered to be synonyms of Nanosaurus. It had historically been classified as a hypsilophodont or fabrosaur, types of generalized small bipedal herbivore, but more recent research has abandoned these groupings as paraphyletic and Nanosaurus is today considered a basal member of Neornithischia.

Magnolia: FOREST STYLE NINJA ART: DAKOTARAPTOR!

Magnolia fired a wave of wood and leaves and it formed into the theropod dinosaur from 66 million years ago: Dakotaraptor.

---

Dakotaraptor is a potentially chimaeric genus of large dromaeosaurid theropod dinosaur that lived in North America during the Late Cretaceous period. The remains have been found in the Maastrichtian stage of the Hell Creek Formation, dated to the very end of the Mesozoic era, making Dakotaraptor one of the last surviving dromaeosaurids. The remains of D. steini were discovered in a multi-species bonebed. Elements of the holotype and referred specimens were later found to belong to trionychid turtles, and further analysis of potential non-dromaeosaurid affinities of the holotype and referred material have not yet been conducted. Phylogenetic analyses of D. steini place it in a variety of positions in

the Dromaeosauridae.

The type species is Dromaeosaurus albertensis, which was described by William Diller Matthew and Barnum Brown in 1922.

Goku: EARTH STYLE NINJA ART: DEINONYCHUS!

Goku fired a wave of earth and it formed into the deadly pack-hunting theropods from 115 million years ago: Deinonychus!

---

Deinonychus (/daɪˈnɒnɪkəs/ dy-NON-i-kəs; from Greek: δεινός deinós, 'terrible' and ὄνυξ ónux, genitive ὄνυχος ónuchos 'claw') is a genus of dromaeosaurid theropod dinosaur with one described species, Deinonychus antirrhopus. This species, which could grow up to 3.4 meters (11 ft) long, lived during the early Cretaceous Period, about 115-108 million years ago (from the mid-Aptian to early Albian stages). Fossils have been recovered from the U.S. states of Montana, Utah, Wyoming, and Oklahoma, in rocks of the Cloverly Formation, Cedar Mountain Formation and Antlers Formation, though teeth that may belong to Deinonychus have been found much farther east in Maryland.

Paleontologist John Ostrom's study of Deinonychus in the late 1960s revolutionized the way scientists thought about dinosaurs, leading to the "dinosaur renaissance" and igniting the debate on

whether dinosaurs were warm-blooded or cold-blooded. Before this, the popular conception of dinosaurs had been one of plodding, reptilian giants. Ostrom noted the small body, sleek, horizontal posture, ratite-like spine, and especially the enlarged raptorial claws on the feet, which suggested an active, agile predator.

"Terrible claw" refers to the unusually large, sickle-shaped talon on the second toe of each hind foot. The fossil YPM 5205 preserves a large, strongly curved ungual. In life, archosaurs have a horny sheath over this bone, which extends the length. Ostrom looked at crocodile and bird claws and reconstructed the claw for YPM 5205 as over 120 millimetres (4.7 in) long. The species name antirrhopus means "counter balance", which refers to Ostrom's idea about the function of the tail. As in other dromaeosaurids, the tail vertebrae have a series of ossified tendons and super-elongated bone processes. These features seemed to make the tail into a stiff counterbalance, but a fossil of the very closely related Velociraptor mongoliensis (IGM 100/986) has an articulated tail skeleton that is curved laterally in a long S-shape. This suggests that, in life, the tail could bend to the sides with a high degree of flexibility. In both the Cloverly and Antlers formations, Deinonychus remains have been found closely associated with those of the ornithopod Tenontosaurus. Teeth discovered associated with Tenontosaurus specimens imply they were hunted, or at least scavenged upon, by Deinonychus.

Daspletosaurus (/dæsˌpliːtəˈsɔːrəs/ das-PLEET-o-SAWR-əs; meaning "frightful lizard") is a genus of tyrannosaurid dinosaur that lived in western North America between about 77 and 74 million years ago, during the Late Cretaceous Period. The genus Daspletosaurus contains two species. Fossils of the earlier type species, D. torosus, have been found in Alberta, while fossils of the

later second species, D. horneri, have been found only in Montana. A possible third species, also from Alberta, awaits formal identification. Daspletosaurus is closely related to the much larger and more recent tyrannosaurid Tyrannosaurus rex. Like most tyrannosaurids, Daspletosaurus was a multi-tonne bipedal predator equipped with dozens of large, sharp teeth. Daspletosaurus had the small forelimbs typical of tyrannosaurids, although they were proportionately longer than in other genera.

As an apex predator, Daspletosaurus was at the top of the food chain, probably preying on large dinosaurs like the ceratopsid Centrosaurus and the hadrosaur Hypacrosaurus. In some areas, Daspletosaurus coexisted with another tyrannosaurid, Gorgosaurus, though there is some evidence of niche differentiation between the two. While Daspletosaurus fossils are rarer than other tyrannosaurids', the available specimens allow some analysis of the biology of these animals, including social behavior, diet and life history.

Xenoceratops (meaning "alien horned face") is a genus of centrosaurine ceratopsid dinosaur known from the Late Cretaceous (middle Campanian stage) of Alberta, Canada. The genus has one known species, Xenoceratops foremostensis. Its remains were discovered in the Foremost Formation.

Gohan fired a wave of earth and it formed into the ceratopsian from 73.5 million years ago: Sinoceratops!

---

Sinoceratops /ˌsaɪnoʊˈsɛrətɒps/ is an extinct genus of ceratopsian dinosaur that lived approximately 73 million years ago during the latter part of the Cretaceous Period in what is now Shandong province in China. It was named in 2010 by Xu Xing et al. for three skulls from Zhucheng, China. The name of its type species Sinoceratops zhuchengensis means "Chinese horned face from Zhucheng", after the location of its discovery.

Sinoceratops was a medium-sized, averagely-built, ground-dwelling, quadrupedal herbivore. It could grow up to an estimated 6 m (19.7 ft) length and 2 metres (6.6 ft) height, and weigh up to 2 tonnes (2.0 long tons; 2.2 short tons). It was the first ceratopsid dinosaur discovered in China, and the only ceratopsid known from Asia. All other centrosaurines, and all chasmosaurines, are known from fossils discovered in North America, except for possibly Turanoceratops. Sinoceratops is also significant because it is one of the largest known centrosaurines, and is much larger than any other known basal members of this group.

Sinoceratops was discovered in the Xingezhuang Formation, which was deposited during the late Cretaceous. It lived alongside leptoceratopsids, saurolophines, and tyrannosaurines. The most common creature in the formation was Shantungosaurus, to which most of the material has been assigned. The animals living alongside Sinoceratops and Shantungosaurus were Zhuchengceratops, Zhuchengtitan, and Zhuchengtyrannus.

Me: WOLF FIRE STYLE NINJA ART: AMPHICOELIAS!

I fired a blast of blue fire and it formed into one of the largest sauropod dinosaurs ever discovered from 150 million years ago: Amphicoelias!

Amphicoelias (/ˌæmfɪˈsiːliəs/, meaning "biconcave", from the Greek ἀμφὶ, amphi: "on both sides", and κοῖλος, koilos: "hollow, concave") is a genus of herbivorous sauropod dinosaur that lived approximately 150 million years ago during the Tithonian (Late Jurassic Period) of what is now Colorado, United States. An herbivore, Amphicoelias was moderately sized at about 25 m (82 ft)

long-roughly the same length as Diplodocus, to which it was related. Its hindlimbs were very long and thin, and its forelimbs were proportionally longer than in relatives.

The namesake fossil of the type species Amphicoelias altus, American Museum of Natural History 5764, is uncertain in included material. When described by Edward Drinker Cope shortly after its discovery in 1877, Amphicoelias was noted to include many back vertebrae, a single pubis, and a femur. However, after purchase and cataloging of the material by the AMNH, Henry Fairfield Osborn and Charles Mook described that the specimen had only two vertebrae, a pubis, femur, tooth, scapula, coracoid, ulna and a second femur. The additional material, not mentioned by Cope, was found close in proximity to the holotype and was similar to Diplodocus, a relative of Amphicoelias. Their assignment was questioned by subsequent authors Emanuel Tschopp et al. in an analysis of Diplodocidae.

During the description of Amphicoelias altus in 1877, Cope additionally named A. latus, for a femur and tail vertebrae. Following its description, Osborn and Mook in 1921 reidentified the material as a specimen of Camarasaurus, an assignment followed by other authors who reviewed the material. A year later 1878, Cope named the third species of Amphicoelias, A. fragillimus for a gigantic dorsal vertebra that was subsequently lost. Measuring approximately 2.7 m (8.9 ft) if reconstructed based on Diplodocus, early estimates for the length of the animal in life were between 40 and 60 m (130 and 200 ft) long. Due to the incomplete nature, such lengths-the longest of any known dinosaur and sauropod-were largely ignored. In 2018, Kenneth Carpenter renamed Amphicoelias fragillimus as the new genus Maraapunisaurus, and reclassified it from Diplodocidae to Rebbachisauridae.

Sonic: WIND STYLE NINJA ART: EUDIMORPHODON!

---

Eudimorphodon was a pterosaur that was discovered in 1973 by Mario Pandolfi in the town of Cene, Italy and described the same year by Rocco Zambelli. The nearly complete skeleton was retrieved from shale deposited during the Late Triassic (mid to late Norian stage), making Eudimorphodon one of the oldest pterosaurs known. It had a wingspan of about 100 centimetres (3.3 ft) and at the end of its long bony tail may have been a diamond-shaped flap like in the later Rhamphorhynchus. If so, the flap may have helped it steer while maneuvering in the air. Eudimorphodon is known from several skeletons, including juvenile specimens.

Heilongjiangosaurus" (meaning "Heilongjiang lizard") is the informal name given to an as-yet undescribed genus of duckbilled dinosaur from the Late Cretaceous. It possibly was a lambeosaurine, and may in fact be the same animal as Charonosaurus. The fossils were found in Maastrichtian-age rocks in Heilongjiang, China. As a nomen nudum, it is unclear what material it was intended to be based on, but might be connected to the nomen nudum "Mandschurosaurus" jiainensis, informally named in a 1983 publication.

The "type species" is "H. jiayinensis", and it was coined in 2001 in a faunal list by Li and Jin.

Cera: EARTH STYLE NINJA ART: OJOCERATOPS!

Ojoceratops ( meaning "Ojo Alamo horned face") is a genus of

ceratopsian dinosaur which lived in what is now New Mexico, United States. Ojoceratops fossils have been recovered from strata of the Ojo Alamo Formation (Naashoibito Member), dating to the late Cretaceous period (probably Maastrichtian age, 68 million years ago). The type species is Ojoceratops fowleri. It is very similar to its close relative Triceratops, though it is from an earlier time period and has a more squared-off frill. Nick Longrich, in 2011, noted that the squared-off frill is also found in some true Triceratops specimens and that Ojoceratops is probably a junior synonym of Triceratops, while Holtz (2010) noted that it is probably ancestral to Triceratops and possibly synonymous with the contemporary Eotriceratops.

Ducky: EARTH STYLE NINJA ART: GRYPOSAURUS!

Ducky fired a wave of earth and it formed into the hadrosaur from 80 million years ago: Gryposaurus!

---

Gryposaurus (meaning "hooked-nosed (Greek grypos) lizard"; sometimes incorrectly translated as "griffin (Latin gryphus) lizard") was a genus of duckbilled dinosaur that lived about 80 to 75 million years ago, in the Late Cretaceous (late Santonian to late Campanian stages) of North America. Named species of Gryposaurus are known from the Dinosaur Park Formation in Alberta, Canada, and two formations in the United States: the Lower Two Medicine Formation in Montana and the Kaiparowits Formation of Utah. A possible additional species may extend the temporal range of the genus to 66 million years ago.

Gryposaurus is similar to Kritosaurus, and for many years the two were thought to be synonyms. It is known from numerous skulls, some skeletons, and even some skin impressions that show it to have had pyramidal scales projecting along the midline of the back. It is most easily distinguished from other duckbills by its narrow arching nasal hump, sometimes described as similar to a "Roman nose," and which may have been used for species or sexual identification, and/or combat with individuals of the same species. A large bipedal/quadrupedal herbivore around 9 meters (30 feet) long,

it may have preferred river settings.

Petrie: WIND STYLE NINJA ART: TROPEOGNATHUS!

Tropeognathus (meaning "keel jaw") is a genus of large pterosaurs from the late Early Cretaceous of South America. This genus is considered to be a member of the Ornithocheiridae, a diverse group of pterosaurs known for their keel-tipped snouts and large size. Tropeognathus is regarded as the largest pterosaur found in the Southern Hemisphere, only rivaled by the huge azhdarchids. The type and only species is Tropeognathus mesembrinus. Fossil remains of Tropeognathus have been recovered from the Romualdo Formation, which is a Lagerstätte located in the Santana Group of the Araripe Basin in northeastern Brazil.

Spike: (Through translator) EARTH STYLE NINJA ART: DRAVIDOSAURUS!

Spike fired a wave of earth and it formed into the Dravidanidu dinosaur from 90 million years ago: Dravidosaurus!

Dravidosaurus (meaning "Dravidanadu lizard", Dravidanadu being a region in the southern part of India where the remains were discovered) is a controversial genus of prehistoric reptile. It was first described as the last surviving stegosaurian, the group of "plated" dinosaurs. With an estimated length of three metres (10 ft), it would have also been the smallest member of the group. More recent studies, however, have shown that the bones actually belonged to a plesiosaurian marine reptile, and that none of the remains are demonstrably dinosaurian in origin.

Dravidosaurus lived in the Late Cretaceous period (Coniacian stage) of what is now India. It is only known from disassociated remains that were originally described as comprising a partial skull, a tooth, a sacrum, an ilium, an ischium, a dermal plate, and a spike. The badly weathered remains were discovered in marine deposits near Ariyalur in the state of Tamil Nadu in South India. They were in 1979 named by P.M. Yadagiri and Krishnan Ayyasami as the type species Dravidosaurus blanfordi, the specific name honouring William Thomas Blanford. The holotype partial skull is catalogued as GSI SR Pal 1, while other specimens are catalogued GSI SR Pal 2-7.

In 1991, Sankar Chatterjee visited the site and claimed, without presenting concrete morphological evidence, that Dravidosaurus was based on plesiosaurian pelvic and hindlimb elements, the species being a nomen dubium. However, this claim was rejected by Galton and Upchurch (2004), who noted that the skull, tooth and plate of Dravidosaurus are certainly not plesiosaurian as illustrated. Galton and Ayyasami (2017) reaffirmed the stegosaurian classification of Dravidosaurus, claiming the remains do not look like plesiosaurian pelvic and hindlimb elements. They announced that stegosaurian remains from the Dravidosaurus type locality are under study by one of the original describers of Dravidosaurus.

Mr. Fantastic: I knew there's no mistaking that voice from anywhere. You can come out now, Blastaar.

A massive muscular figure came out, and it was none other than Blastaar. Then, Sherlock Hound had sensed the second figure and he unholstered his massive demonic greatsword and he'd blocked the second figure from attacking him and he pushed him back, and we saw who the second figure was: it was Dante's twin older brother and Sparda's eldest son, Vergil.

Sherlock Hound: (British Accent) Blastaar, ruler of The Negative Zone, I knew you'd be here, and I should've known you'd also show up here, Vergil.

Dante (Devil May Cry): You've got some guts coming back again. You just don't even know when to give up.

Blastaar: Laugh while you can, Son of Sparda, I will make sure nothing is left of you!

Emma Langley fired a powerful green energy blast with green fire and lizards at Blastaar, and he was burned badly.

Emma Langley: Not happening, Blastaar, and now, I'm putting a stop to you once and for all.

Suddenly, Emma Langley's green eyes turned neon green and she was surrounded by a black and green energy aura with green fire, lizards, and darkness, she unholstered her massive Earthbound Immortal Ccarayhua-themed sword from her back, and as she approached Blastaar, she left black and green energy, green fire, lizards, and darkness with every step.

Emma Langley: I will never forgive you for any of the crimes that you've committed against Earth, Blastaar, and now, you're about to suffer the true wrath of The Earthbound Immortals.

Suddenly, Emma Langley was surrounded by a massive vortex of black and green energy with green fire and darkness surrounding it, there's Earthbound Immortal Ccarayhua flying around the vortex, and in the vortex is a green phoenix. Then, as the vortex faded, Emma Langley emerged, but she was changed forever.

IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Emma Langley grew from 6'0" to 7'1" in height, she has the body of a goddess, she has black highlights in the bangs of her long flowing green hair, she has neon blue eyes and a black and green energy aura with darkness, green fire, and lizards surrounding her, she has Earthbound Immortal Ccarayhua with the Dark Kanji in its hands emblazoned on her forehead, she has on lizard earrings with green gems for eyes and holding the Dark and Eternity Kanjis in its hands, she also has Earthbound Immortal Ccarayhua with green gems for eyes and the Dark and Eternity Kanjis in its hands for the second pendant on the bottom of her green lizard-shaped Element of Harmony, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with green crystal links from her merged Crystal Necklace of the Buddha and green gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Emma Langley has on a black sleeveless vest, green sleeveless midriff top, green frilly skirt with black frills and the Lizard Nazca Line on it, green high-heeled sneakers, and long sleeveless white trenchcoat with darkness, lizards, and green fire on the coattails, and on the back is Earthbound Immortal Ccarayhua with darkness surrounding it. Suddenly, Emma Langley felt a sharp pain on her back, and then, her massive black angel wings with green tips grew much bigger for her new body, and the feathers had the same green markings on Ccarayhua. Emma Langley has on a Ring of The Phoenix with green gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger.

Suddenly, Emma Langley's massive Earthbound Immortal Ccarayhua-themed large sword and all the other swords she'd gotten began merging together and they were surrounded by a kaleidoscope of green energy with darkness, green fire, and lizards, and when it emerged, it was transformed into Earthbound Immortal Ccarayhua's Dark Lizard Greatsword of Green Fire and Darkness Justice, it's a brand-new large greatsword with Earthbound Immortal Ccarayhua and the Lizard Nazca Line etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight lizard heads for the crossguard, large green gem embedded in the rainguard, longer midnight black handle, four large midnight black lizard heads and a large green gem below the lizard heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with green gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Earthbound Immortal Ccarayhua's head with green gems for eyes and a large green gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a green kanji below Earthbound Immortal Ccarayhua that said, "Emma Langley, Gene-Slammer of The Lizard Earthbound Immortal Ccarayhua, Life Long Friend of Girl Jordan and Helena McTroy, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser and Smasher of Bullies, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and

Master of Darkness, Lizards, and Green Fire"

Emma Langley has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY DARKNESS GREEN FIRE EARTHBOUND IMMORTAL LIZARD ANGEL OF DIVINE EARTHBOUND IMMORTAL DARK JUSTICE AND DIVINE GREEN FIRESTORM LOVE!

We were amazed by Emma Langley's Super Angel Xelnaga Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Blastaar saw it, the mutant fell into a rage and tried to attack her, but Emma Langley fired a powerful black and green energy blast with green fire, darkness, and lizards at Blastaar, and it hit him and sent him flying into a wall, but he's not out yet, and Sherlock Hound formed a line of dark fire to keep Vergil from trying to attack Lincoln and Emma Langley.

Sherlock Hound: (British Accent) Don't even think about it, Vergil, your fight's with us!

Dante (Devil May Cry): He's right, dumbass, your fight's with us.

Vergil: Very well, let's settle this, Dante. Along with you and my father, Detective.

---

Battle 1: Emma Langley, Gene-Slammer of The Lizard Earthbound Immortal Ccarayhua and Lincoln VS. Blastaar

---

Nico: Holy guacamole, now Emma Langley's transformed!

Me: And look at the pattern on her wings, they're the same pattern as on Ccarayhua, so cool.

Eli: Really amazing.

Lincoln: And like Emma said, you're going to face the true wrath of The Earthbound Immortals, Blastaar, and Emma, you look beautiful. How do you feel?

Emma Langley: (Divine Echoing Cosmic Voice of The Dark Lizard Earthbound Immortal and Divine Green Fire Justice) **I feel incredible, Linky, and now, shall we administer Blastaar his punishment, while Sherlock Hound and Dante are dealing with Vergil?**

Lincoln: (Smiles) With pleasure, Emma.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Emma Langley.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Time to put a stop to you, Blastaar, and we'll end this while Sherlock Hound, Sparda, and Dante are dealing with Vergil.

Emma Langley and Lincoln went after Blastaar, and they fired extremely powerful blasts of rainbow energy, green energy, green fire, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, and Lizards at Blastaar, and they exploded with incredible power as they hit him. Then, they attacked Blastaar with their massive greatswords and they left some really nasty scars on him, and they also punched and kicked him and Lincoln also overwhelmed him with his infinite and really immense brute superhuman strength, and Blastaar was knocked down, and Lincoln tied him up in a rainbow energy straitjacket and rainbow energy chains.

Emma Langley: (Divine Echoing Cosmic Voice of The Dark Lizard Earthbound Immortal and Divine Green Fire Justice) **We stopped Blastaar, now all that's left is for Sherlock Hound, Sparda, and Dante to deal with Vergil.**

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **This is going to get really messy, Emma.**

---

Battle 2: Sherlock Hound and Dante (Devil May Cry) VS. Vergil (Devil May Cry)

---

Sherlock Hound unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back and transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and Dante summons his new weapon, Devil Sword Dante, from a kaleidoscope of red energy and flames. Then, they went after Vergil, and they fired powerful blasts of black and red energy, stars, darkness, demonic energy, and demons at Vergil, and they exploded with really incredible power as they hit him.

Vergil then went after Dante, who blocked Vergil's sword, Yamato, with his Devil Sword Dante, and Sherlock Hound attack Vergil with his massive demonic greatsword with a powerful slash, and sent

Vergil flying into a wall. Then, they saw Vergil transform into his Sin Devil Trigger form.

Nicole: Oh shit, he's turned into his Sin Devil Trigger form, a result of the consequence of his time as Urizen and when he devoured the Qliphoth Fruit from The Qliphoth Tree.

Dante (Devil May Cry): Should've known old douchebag would do this. Too bad for him I'm also ready for him.

Dante transformed into his Sin Devil Trigger form, and we knew it was going to get really ugly.

Sherlock Hound: (Divine Echoing Cosmic Voice of The Demonic Darkness Demon Hound and Divine Darkness Compassion) (Demonic Voice and British Accent) **So, that's the Sin Devil Trigger form, the evolution of the Devil Trigger. But, we shouldn't be left out.**

Sparda: (Through the Red Jewel) Of course not, Hound, now let's give Dante a hand and stop their sibling rivalry, and of course, we're going to punish Vergil for what he did in using that accursed Qliphoth Tree in his endless pursuit of power and starting that demonic invasion in Red Grove City.

A flash of red lightning struck down, and Sherlock Hound transformed into his Devil Trigger form, and since he has Sparda in him, his Devil Trigger form is Sparda in his full demon form.

Me: Whoa, so that's Sparda!

Nicole: In his full demon form, Dad, now things are really going to get ugly.

Sherlock Hound, in the form of Sparda in his full demon form, charged out with incredible speed, and he punched Vergil hard in the face, and sent him flying into a wall with his infinite and immense raw demonic strength.

Lori: Whoa!

Lynn: That was really incredible!

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Sparda's a powerful demon with god-like power, and he was even a match for Mundus those two millennia ago, and thanks to the training we gave him, along with the training from Sparda himself, Sherlock Hound's become just as strong and powerful as Sparda.**

Vergil (Devil May Cry): (Demonic Voice) **How are you so strong? You've never lost anyone, Detective, and Father, you died long before Mother did at Mundus' hand?!**

Sherlock Hound: (Divine Echoing Cosmic Voice of The Demonic Darkness Demon Hound and Divine Darkness Compassion) (Demonic Voice and British Accent) **Like Dante told you, it's not about loss, strength is a choice, fighting like Hell to protect those you love. You threw away everything you ever knew, and all for your endless pursuit of power. I'm going to make sure that you are punished for this, Vergil!**

Sherlock Hound fired energy shockwaves with every swing of his massive demonic greatsword, and it overwhelmed Vergil, and not only was he knocked down, but it also knocked the Yamato out of his hand and Sherlock Hound caught it and sheathed it, and Vergil was tied up in a black and red energy straitjacket and he was put into a Containment Card by Sherlock Hound.

Blastaar: Agh, okay, so you got me. What are you going to do, kill me?

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **As if, you're not getting out of this easily, Blastaar.**

Emma Langley: (Divine Echoing Cosmic Voice of The Dark Lizard

Earthbound Immortal and Divine Green Fire Justice) **That's right, you've got potential to be a member of the Masters of Evil. So, instead of killing you, you're going to be recruited into The Masters of Evil.**

Blastaar: Better than getting locked up or getting thrown back into The Negative Zone. Very well, I accept.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smiles) **You've made the right choice.**

Lincoln beamed Blastaar to The Masters of Evil's HQ, where Vypra and the others were given the news: Blastaar is now part of The Masters of Evil. We cheered wildly for what Emma Langley and Lincoln did as they holstered their massive greatswords on their backs and powered down, and Emma Langley's new body, clothes, weapons, jewelry, and massive black and green angel wings are permanent.

Emma Langley: That's one villain recruited into The Masters of Evil and twelve more to go before we finally kill Dustin Keystone, and thanks for helping me take down Blastaar, Linky.

Lincoln: (Smiles Warmly) You're welcome, Emma.

Suddenly, Emma Langley wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Emma Langley's face, they kissed passionately as Emma Langley's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Earthbound Immortal Ccarayhua flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and green fire raging behind them and we all cheered wildly. Lincoln and Emma Langley absorbed the fires, and they came back, and Ccarayhua vanished.

Nico: Awesome job, Emma and Lincoln, you guys took down and convinced Blastaar to join The Masters of Evil.

Lincoln: And he did say it's better than us throwing him back into The Negative Zone or sending him to The Black Gates. So, what did you and Dante do with Vergil, Sherlock Hound?

Sherlock Hound: (British Accent) Take a look.

Sherlock Hound showed the Containment Card with Vergil inside it, and we saw that Sherlock Hound now had the Yamato in his hand.

Me: Nice one.

Nico: Maybe some time in the Containment Card will keep him out of trouble.

Dante (Devil May Cry): Better than letting him get away. So, you'll be keeping the Yamato in your possession until Vergil can behave himself?

Sherlock Hound: (British Accent) Of course.

Nero (Devil May Cry): I still didn't forget that my own father used it to cut off my Devil Bringer arm, and I spent time in a coma because of him.

Sparda: (Through the Red Jeweled Brooch) That's also another reason why I'm also keeping him in here until he's learned his lesson. So, Lincoln, what Gene-Slammer are you hoping to meet on your rescue tomorrow?

Lincoln: That's a good question, Sparda. Hmm, oh, I know, how about a Gene-Slammer for Guardian Chimera.

Nico: Ooh, now that's an awesome one.

Eli: One of the Guardian archetype monsters, that's really awesome.

Nicholette Torrington: You said it, and the Guardian Chimera is inspired by the Chimera in Greek myth, and this creature is one dangerous beast.

Lincoln: A fire-breathing female monster resembling a lion in the forepart, a goat in the middle, and a dragon behind, if anyone were to encounter this beast, no one would survive.

Tar Pit: There. All the zombies are dead.

Kyd: Now, all the survivors can start new lives.

Tallahassee: I can't wait to try the Twinkies you guys got.

Skulker: You'll like them.

We then a Homer zombie approaching us.

Robo Blaze: Dammit, there's still one Homer zombie left.

Dr. Light: Allow me.

He blasted it and obliterated it.

Qin: Nice!

Lisa Loud: And it is my pleasure to say that Nico won the bet with 7,232,212,323 kills and J.D. was very close with 7,232,212,322 kills.

Me: Whoa! One kill short for a tie!

Qin: Wow!

Nico: YEAH! Looks like dinner is on me.

We cheered!

Nico: You did great though J.D.

Me: I sure did. and you did too. But you won fair and square man.

Nico: Thanks J.D. Great job today everyone. You all did great!

Me: Not bad to start the Halloween Month.

Eli: Yeah.

Tallahassee: (To the viewers) Hope you liked this Zombie Buttkicking awesome adventure. I did.

Me: We all did.

We went back home and enjoyed a lot of root beer and a good dinner at Lynn's Table and had fun. We then went back home and enjoyed the rest of the day and went to sleep.

THE END.

Olivia is Nico's friend from his Jungle Exploration Expeditions and they made an awesome and amazing pair traveling to the jungles and rainforests of the world and did it all over the years. It was one awesome adventure after the other with her as they did it all: Dig up awesome treasure, destroy poachers, discover ancient temples and so much more. The match-up scene is for Lauren Delaney, Gene-Slammer of The Hummingbird Earthbound Immortal, Aslla Piscu, and she and Lincoln are going to take down and recruit Mylene Farrow into The Masters of Evil. It was Tora that taught Lincoln how to use Rindo-kan Karate, Bōjutsu, Capoeira, and

Jeet Kune Do, and it was Tora who introduced Lincoln to the Bruce Lee movies when they were twelve. Tora would also protect Lincoln from bullies as well. When she saw Chandler, his goons, Lynn, Pablo, and Anderson bullying Lincoln at the same time, she beat the crap out of them, and when she was done, their arms, legs teeth, and their noses were broken, and Tora threw the bullies right into a really stinky pile of Lynn's dirty socks. Her last name, Kemono, means Beast in Japanese. To show thanks to Tora, Lincoln took her to a beach where, while Lincoln was wearing his orange swim trunks and Tora was wearing her orange and purple tiger striped bikini, Lincoln kissed Tora on the lips while they were underwater. She's also the cousin of Makoto from Street Fighter, and she hates Pablo and Anderson with a burning passion. Get ready for an awesome adventure as we meet Hellboy and the Bureau for Paranormal Research and Defense and we're going to help them take down Prince Nuada Silverlance and Princess Nuala is going to help us destroy the Crown for The Golden Army.

See you all tomorrow.

Me: Ahh nothing like a little trip to the mall to have some fun.

Nico: Boy you said it.

Wolfang: I think it's so fun coming here every time.

Fu: It sure is.

Qin: Yeah it's so awesome.

Linka (Captain Planet): (Russian Accent) It sure is so fun to come here.

Lincoln: Yeah it always is.

Nico: Thanks for coming with me, Linka.

Linka (Captain Planet): Not a problem Nico. It's always fun to do this.

Girl Jordan: It sure is.

Nico: Linka, are you glad you have Boris back?

Linka (Captain Planet): I am Nico. And I'm glad to have Skumm destroyed.

Me: I think ALL of the world is glad that all of your enemies are gone for good.

Nico: Yeah no kidding there.

Camie: It's amazing you guys did all that back then.

Me: That wass one of the most charitable weeks we've ever done.

Lincoln: Yeah it was so much fun.

Qin: That was such an awesome week from what we heard.

Varie: It sure was.

Nico: And we cleaned up the entire planet.

Me: If you guys want when we get to the food court I can tell you.

Camie: Sure.

We went to the food court and got some pizza and then I got to telling them what went down during the events of chapters Chapter 683 to 690.

(CHAPTER 683)

It starts at Gotham Royal York Elementary School. We were in Mrs. Johnson's class and she had a special announcement.

Mrs. Johnson: Okay class. I have a special project and contest for you all. This week is gonna be very special for all of us. Next Monday is Earth Day!

Everyone was excited for that. Even me. But Rusty was stumped.

Rusty: What's Earth Day?

Me: Rusty, it's on April 22nd and it's the day we give thanks and appreciation to the planet we live on: Planet Earth.

Mrs. Johnson: That's right J.D. And Earth is also the embodiment of Planet Earth so she is very special for us.

Earth: Thanks Mrs. Johnson.

Lincoln: This is gonna be so awesome!

Me: It sure is buddy. Earth Day is one of my favorite holidays. It may not be a major holiday but it is a special one. The reason we do this holiday is because we recycle all the stuff that is non-biodegradable, and reusable. Here let me show you.

I pull out a holographic globe of the Earth and turn out the lights. A holographic globe of the Earth appeared.

Me: The Planet Earth, our home planet. 4.6 Billion years of majestic history. Earth has been our home planet for 200,000 years ever since the Great Ice Age. But as humans progressed over the centuries, we've been damaging our home and our planet by poisoning it with garbage, pollution and all kinds of dangerous things. The one that we have to watch the most is the Ozone Layer.

Zach: What is the Ozone Layer?

Me: It's the shield that protects our planet from the Sun's Ultraviolet Radiation. The Sun is a ball of Hydrogen and Helium gas that is extremely radioactive. Without the Ozone Layer, all life as we know it would cease to exist.

Laney: That's right. That's why the Ozone Protects us from the Sun. The Sun would destroy us if we didn't have it.

Me: That's right Laney. We're damaging the Ozone Layer as much as the Earth and the Oceans. We're damaging the Ozone with chemical gases called Chlorofluorocarbons or CFC's. These are dangerous and poisonous chemical gases that dissolve at the Ozone Layer very slowly.

Stella: Where do they come from?

Me: They can be found in many things. They come from Styrofoam Containers and cups, Hairspray and Aerosol cans, Car exhaust and even refrigerators.

Clyde: I didn't know that they come from Refrigerators.

Lincoln: Me neither.

Me: I was surprised myself. Another source that's destroying our atmosphere is air pollution. This is all bad air that comes from major industrial facilities like coal, gas, oil, and even nuclear energy.

Girl Jordan: Where do we get all that energy from?

Me: Well we get all those from the decaying remains of the things that died out over time. We get all the things we need from things we call Fossil Fuels. These make coal, gas and oil. These are very poisonous and they pump a lot of a dangerous gas into our atmosphere called Carbon Dioxide.

Lincoln: I know that type of gas.

Laney: Yeah that stuff is poisonous.

Me: It is. Carbon Dioxide is a poisonous gas that comes from many sources. It comes from industrial facilities, cars, and even the air we breathe out. Also, Carbon Dioxide comes from another source: Volcanoes. When a volcano erupts it shoots massive amounts of ash, rock, dust and poisonous gas into the air. Carbon Dioxide is part of its chemical composition.

Lincoln: That's right. We learned that on our global trip and when we rescued all those people in Dante's Peak.

Me: We sure did buddy. But another danger is also affecting our forests: Clear Cutting.

Zach: What's clear cutting?

Me: That's where they cut down all the trees in a forest and destroy it completely.

Everyone gasped.

Me: It's a dangerous thing and when you destroy all the trees, you deprive Earth and all life on the planet the one thing we need to live: Oxygen to breathe. Without plants, they can't make the oxygen we need to breathe.

Girl Jordan: That's horrible!

Laney: Take it from me Girl Jordan. Me and Crysta stopped a major clear cutting operation in Australia and saved a whole forest from total destruction.

Lincoln: I remember that Laney. You 2 did a great job.

Me: They sure did. Also here's an interesting fact. All the paper we make and all the dollar bills we have is made from trees. We use paper to make newspapers, comic books, books we read, and even the money we use on a daily basis and all that paper is made from trees.

Lincoln: I didn't know that.

Clyde: That is a surprise.

Stella: It sure is.

Me: Yep. But as we're turning trees into paper, we're also destroying the homes of many animals across the planet.

Laney: That's awful.

Lincoln: Yeah.

Me: Yep. And here's another fact. We're also destroying the oceans.

Girl Jordan: How are we doing that?

Me: We're destroying our oceans and our sea life by throwing trash and garbage into the ocean. We throw glass bottles, plastic soda can ties and even aluminum, plastic and fishing nets.

Lincoln: That's awful!

Clyde: It sure is. Throwing trash and junk into the ocean is one of the most dangerous things anyone can do.

Me: You got that right Clyde. Also we're contaminating our land and our seas with another deadly pollutant: Toxic Waste!

Laney: That stuff is gross!

Me: It is. Toxic Waste is the leftover waste that comes from industrial facilities and factories. It's really nasty stuff and every year we produce over 400 million tons of hazardous waste. This stuff destroys everything it touches.

Girl Jordan: That's awful!

Lincoln: I saw what that stuff can do. It's horrible stuff.

Me: Yep. So not only are we endangering the land, the air and the ocean with all kinds of dangerous and poisonous materials, but we're also endangering the animals all over the world. Like Elephants, Whales, Polar Bears and any kind of animal we can think of. It's not a pretty sight.

Laney: That is absolutely awful.

Lincoln: I can't believe that all this is happening to our planet.

Me: Yeah. We have to do something to stop it. Or else our planet and the human race won't be around for much longer. So what do you say everyone? Shall we band together and save our planet and make it a better place and a more beautiful home than ever!?

Everyone: YEAH!

I turned the lights back on.

Mrs. Johnson: Great presentation J.D. That was a truly inspirational demonstration.

Me: Thanks Mrs. Johnson.

Mrs. Johnson: You're welcome J.D.

I went back to my seat.

Mrs. Johnson: Now this is the project. From today until April 22nd, you all have to find and bring in all the recyclable materials you can find.

Me: Oh yeah!

Clyde: What kind of materials are there?

Me: We have to find all the materials that can be recycled. Have you all heard of the Recycling Triangle?

Everyone but Laney: No.

Me: The recycling triangle is the symbol that shows the cycle of Recycling. It's the Three R's of Recycling: Recycle, Reuse and Renew.

Mrs. Johnson: That's right J.D. For this contest, you have to find as many recyclable materials as possible. Glass, Plastic, Newspaper, Aluminum, Copper, all that. You all will be divided into teams for this project.

Me: This is gonna be interesting.

Mrs. Johnson: It sure is. And the winner that brings in the most recyclable materials will get this…

The camera turned and it showed an awesome globe trophy that was in the shape of the planet Earth and it had a halo above it and the symbol of recycling was on the planet Earth.

Mrs. Johnson: The Earth Day Greatest Recycler trophy!

Me: Wow! What a trophy.

Laney: That is an amazing trophy.

Lincoln: It sure is.

Mrs. Johnson: It sure is a nice trophy. Now here are the teams.

Mrs. Johnson went over the teams.

Mrs. Johnson: For team 12 we have J.D. Knudson, Lincoln and Laney Loud and Clyde McBride. J.D. you are team captain.

Me: Affirmative Mrs. Johnson. Everyone, may the best recycler win.

Everyone agreed.

After the school day was done we got started.

Me: Okay, lets get started.

Clyde: So where are we gonna go to find some materials for recycling?

Me: What better place to start than the place we throw out our garbage: The Dump.

Lincoln: That's a great place to start.

Laney: Lets do it.

We went to the Gotham Royal York Dump and we got to work. We had numerous bags with us labeled with all the things we need to get. We had work gloves on and we were filling our bags to the brim with all kinds of recyclable materials. When we were done with the dump, we got the garbage level down to 25% and we had lots of bags full of glass, plastic, aluminum, copper and newspapers. Not only that but Laney replaced all the buildings all over Gotham Royal York with massive plants and trees that looked like all the buildings themselves. And she also built awesome houses and more. We also built Wind Farms, Solar Energy farms, and Water mill generators. Our estate was left the same. Gotham Royal York was now a true jungle.

We went back home and we tallied up our recycling.

Me: We're off to a great start guys.

Laney: We sure are.

Lincoln: Yep.

Lori: I think this is literally a fantastic project guys.

Me: Thanks Lori. And I'm glad we're all doing our part.

Lana: I am too J.D. This is so awesome that we're working to help our planet.

Me: It sure is.

Optimus Primal: I must admit this is a very interesting way to help out the planet.

Me: We have a lot of technologies to try and save our planet.

Terrorsaur: Wasn't there a group of kids that protect the Earth from Environmental threats?

Me: Yes there is Terrorsaur. They are called the Planeteers. They are 5 kids from 5 parts of the world. Lady Gaia the spirit of the Earth gave them five powerful and magical rings to them. They are as follows:

Kwame of Africa - He has the power of Earth.

Wheeler of North America - He has the power of Fire

Linka of Eastern Europe - She has the power of Wind

Gi of Asia - She has the power of Water

And lastly Ma-Ti from South America - He has the power of Heart.

They are the Planeteers and their major mission is to defend the planet from the evil eco villains that want to destroy the very planet we live on.

Laney: That's a huge job.

Lincoln: They have a job as big as ours.

Me: You got that right.

Poison Ivy: You know, this is exactly why I began my former life of crime in the first place.

Me: That is a huge sense of irony huh? But this job for the Planeteers is as big as ours.

?: That's right J.D. Knudson.

An astral image appeared and it was a woman with dark purple hair and purple eyes.

Me: (Gasp) (Kneels down) Lady Gaia, Spirit of Earth. It's truly an honor.

Gaia: Same to you J.D. We heard so much about all your achievements. We would like to have you come to the island. We have to talk.

Me: We would be honored.

Gaia vanished and we went to the Island of The Planeteers.

---

We arrived at the island of the Planeteers. It was located in the Caribbean.

Me: Wow! So this is the island of the Planeteers.

Luna: It sure is beautiful dudes.

Laney: It sure is.

We saw the Planeteers headquarters.

Me: Nice headquarters.

We walked up to the door and Wheeler answered it.

Wheeler: J.D. Knudson. It it such an honor to meet you! Come on in! Sorry if our headquarters doesn't look like much, though.

Me: It's an honor to meet you too Wheeler. Your headquarters is just as nice as ours. You're all doing a great job protecting the planet like we are.

Wheeler: We sure are.

Gaia: J.D. Knudson and Team Loud Phoenix Storm. Welcome.

Me: Lady Gaia, thank you for inviting us over.

Gaia: You are welcome.

We were talking to the Planeteers about our adventures.

Gi: So Springfield, Oregon was a town built on darkness and corruption?

Me: It sure was Gi. We destroyed it because it has caused so much corruption and pain and suffering over the years. Springfield was completely doomed from the start.

Linka (C.P.): (Russian Accent) It's good you all destroyed that town.

Me: Thanks Linka. And you have our sympathies for what happened to your cousin. What Verminous Skumm did was completely unforgivable.

Linka (C.P.): Thank you J.D.

Me: You're welcome Linka.

Wheeler: I will kill that rat for doing this to her!

Francis: I'm actually surprised that you're actually eager to kill your enemies.

Wheeler (darkly): Let's just say that the last straw was Skumm getting Linka's cousin killed. And the fact that we could go to jail for murder.

Me: It's not murder if we kill only those that deserve it. And all your enemies fall into that category. And you have the strength and support of Team Loud Phoenix Storm. Your enemies have now become ours as well.

Gi: Thank you so much J.D.

Me: You're welcome.

TV Reporter: We interrupt this broadcast with an emergency news report! Duke Nukem is causing havoc in Chernobyl. Along with what appears to be a more monstrous version of Tantrum aka Thomas Kim!

We gasped!

Me: Tantrum!? I thought he was dead.

Nico: He must've been reborn as a Heartless.

Me: Must have. But who is Duke Nukem?

Kwame: He's one of our most dangerous enemies. He's a radioactive man that wants to turn the Earth into a Radioactive Wasteland.

He is a dangerous mutant that can shoot radioactive blasts from his hands. He is also a walking disaster area and so his henchman, Leadsuit, like his name implies, has to wear a lead suit to be near him. His primary goal is to cover the entire planet in radiation and turn everyone into mutants like himself.

He is also physically strong as he is the only Eco-Villain aside from Captain Pollution to actually defeat Captain Planet.

The ecological disaster he represents is the misuse of nuclear power. In the two-part Captain Planet episode, Mission to Save Earth, Duke is among the five Eco Villains who create Captain Pollution. They did this by creating and using five Anti-Elemental Rings consisting of Deforestation, Toxins, Smog, Super Radiation, and Hate. Duke's element was Super Radiation. Unfortunately for the Eco Villains, Captain Pollution was destroyed and the Anti-Elemental rings along with him, leading Duke and the other villains to flee.

Me: This guy is a walking nuclear reactor! And Blight sure gave us a run for our money.

Gi: Is it Dr. Blight?

Me: No. This was someone else. His real name was Derek Powers and he was poisoned by a deadly nerve gas of his own creation. The only way to treat him was with high levels of Gamma Radiation. But it had an unexpected side effect and it made him turn into Blight - A Walking Radioactive Hazard. This is what he looked like.

I showed them what Blight looked like and they gasped.

Me: Yeah. He emitted as much radiation as Chernobyl. But we got to stop Duke Nukem and Tantrum.

Gaia: You'll need this then.

Gaia fired a purple beam of energy into the sky and a gold ring appeared and it had a gem that was purple and it had a lightning bolt in the gem.

Me: Wow. What's this ring for?

Gaia: It's the Ring of Lightning. I'm sure you know what to do.

Me: I do Lady Gaia. Thank you. Lets fly!

I put the ring on my finger and we were off to Chernobyl, Ukraine.

---

In Chernobyl, Duke Nukem and the Heartless Tantrum were wreaking havoc and destroying everything. Then blasts of fire and earth flew at him and hit Duke Nukem with incredible power and sent him crashing into a building. Edzilla punched the Heartless Tantrum in the stomach and slammed him into a wall. The Tantrum Heartless was now called Thunderous Tantrum and he looked like a purple version of Thing.

Thunderous Tantrum (sees Edzilla): Tantrum remember…

He suddenly got flashbacks of fighting Edzilla during the fights at Dakota City and during the fight with the Fright Knight.

Thunderous Tantrum (enraged): TANTRUM REMEMBER YOU!

Edzilla (he and Thunderous Tantrum punch each other): ED SMASH PURPLE THING!

Duke Nukem: I'm actually glad you Planeteers aren't holding back on me anymore. Because it's just made you reckless and more vulnerable to attack! (punches Wheeler)

Wheeler had a bleeding cut on her forehead and I fired a powerful energy blast and it hit Duke Nukem and exploded. It blew his whole right arm off and he screamed in excruciating pain.

Terrorsaur: Lets get them guys! Terrorsaur TERRORIZE!

Terrorsaur transformed.

Danny: I'm going ghost!

Danny turned into Danny Phantom!

Static helped Wheeler up.

Static: Are you all right Wheeler?

Wheeler: Yeah.

Static: Tantrum is a tough guy Wheeler. He's a mindless beast that is all brawn and no brains.

Wheeler (to Static): Static, how did you defeat Tantrum the first time?

Static: I just let him tire himself out! But that probably won't work this time!

Me: No it won't. It's time for some teamwork. Power up guys!

We transformed and powered up.

Maria: Lets get them! Ready Arixam?

Arixam: You know I am always ready sis.

Maria: AQUAMARIA!

Arixam appeared in a blinding flash of aqua blue light.

Nico: Duke Nukem, you have failed this city!

Me: More like he has failed the whole world! You will pay for everything you've done! Now you will be the first Eco Villain we killed and send off to Hell!

Duke Nukem: Come and get me!

Me: With pleasure!

I went at Duke Nukem and punched him in the face with devastating force and the ground underneath him exploded and blew him into the air.

Killer Frost fired a powerful blast of snow and icicles at the Thunderous Tantrum and they froze and skewered him and Killer Frost punched him in the face.

Poison Ivy lashed him in the back with a whip of ivy and he was itching bad.

Lana fired a blast of ice and froze off his arms and legs.

Me: Time for some heavy hardware. GIGANTION CYBER KEY POWER!

Metroplex's powerful giant battle axe appeared and the Gigantion Cyber Planet Key went into the top of it and turned it into a powerful battle axe.

Edzilla knocked down the Thunderous Tantrum.

Hulk: Hulk help Edzilla with puny ripoff! (grabs Thunderous Tantrum by the throat)

Me: Pass me the ball Hulk!

I went at the Tantrum Heartless and Hulk threw him at me. I swung the axe and it slammed into the Tantrum Heartless with devastating force and blew him apart into a gory mess of icy blood and guts.

Laney: That was awesome!

Lola: That was the most awesome attack ever!

Me: Thanks guys. Metroplex's Axe really comes in handy. Now for Duke Nukem.

We went at Duke Nukem and I slammed the axe into him and blew his legs to pieces.

Me: Lightning!

I fired a powerful blast of lightning from my ring and it hit Duke

Nukem and exploded.

Me: Oh that was awesome!

Arixam: It sure was. Sis can I use the powers of the Transformers and the Cyber Keys?

Maria: You sure can sis. We all can use them.

Arixam: Sweet! Lets see here. EARTH CYBER KEY POWER!

The Earth Cyber Planet Key went into her device and a rocket launcher formed and it opened and out came a powerful missile launcher.

Arixam: Oh this is so awesome!

Nico: That's Thunderblast's rocket launcher.

Arixam: Awesome!

Terrorsaur: Very impressive. Lets use a combo on him.

Arixam: You got it Terrorsaur.

Terrorsaur fired a powerful energy blast from his shoulder cannons and his blaster and Arixam fired a powerful laser missile from her rocket launcher.

Arixam and Terrorsaur: LASER ENERGYSTORM CYCLONE!

Arixam and Terrorsaur's blasts bombarded Duke Nukem and exploded with incredible power.

Lola fired a massive blast of fire and burned Duke Nukem. Taranee fired a powerful blast of fire and burned him and melted part of his chest.

Bloom: DRAGON FIRE!

Bloom fired a massive blast of fire and it turned into a dragon of pure fire and it hit Duke and exploded.

KRABOOM!

Lea fired massive fireballs at Duke Nukem and burned him.

Swerve (Cybertron): Now it's time for our combo!

Danny Phantom: Lets get him Swerve.

Swerve (Cybertron): CYBER KEY POWER!

The Velocitron Cyber Planet Key went into the back of the roof of him turned into a blaster. He fired and Danny fired a blast of echo-energy.

Swerve and Danny Phantom: ENERGY GHOSTLASER STORM!

The blasts combined and turned into a barrage of energylasers and ghost bombs and they hit Duke Nukem and exploded.

Me: Awesome! Now it's Final Smash Time.

Francis: Wheeler would you like to have a shot at him?

Wheeler: It would be an honor Francis. Lets do it together.

Francis: Lets get him.

Francis and Wheeler: INFERNO FIRESTORM FURY!

Francis and Wheeler fired a massive blast of fire and it hit Duke Nukem and exploded with incredible power.

KRABBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

When the smoke cleared Duke Nukem was weak and on his last legs.

Francis: My turn. FIRESTORM TORNADO SPIN

Francis fired a massive blast of fire and it turned into a massive tornado of pure fire and it spun Duke Nukem around.

Wheeler: My turn. FIREBALL BARRAGE OF PYROS!

Wheeler fired a massive barrage of fireballs at Duke and they all exploded.

Me: Now to make sure you never terrorize and destroy our planet ever again Nukem. This time you will die! GIGANTION CYBER KEY POWER!

My device on turned into a huge earth-shattering drill and the Gigantion Cyber Planet Key went into the back of it and enhanced it.

Me: Awesome! It's Menasor's drill!

Nico: It's not from the Menasor of the Stunticon's.

Me: No this is totally different. Now it's time to finish this freak once and for all.

I charged and Duke Nukem was up on half of his body and I slammed the drill straight into his chest and he screamed in excruciating pain as he was being ripped apart by the power of the drill.

Me: GO TO HELL! AND STAY THERE YOU FUCKING SON OF A BITCH!

The power of Menasor's drill completely shattered Duke Nukem into a million pieces. Killing him instantly. When the dust cleared, I was standing victorious and the drill was glowing red hot.

Me: That's the end of the radioactive terror Duke Nukem.

Everyone cheered.

Nico: J.D. that was so awesome!

Me: It sure was.

Menasor: (Irish Accent) You did well there lad. My drill really helped you out there.

Me: It sure did Menasor. And it was so awesome using it on him. One thing is left undone.

I went to his severed right arm and pulled off a ring it had on it and it was one of the 5 Rings of Destruction. The one Duke Nukem had was for Radiation.

Me: This ring will be a perfect trophy. Now to make sure that Nukem never returns.

Nicole: What are you gonna do with him dad?

Me: Obliterate him in the one place he never knew about. I'm gonna throw him into a black hole.

Nico: Good idea.

Lincoln: That's a great place to throw him into.

Me: Yep.

I opened a portal and it lead into the Supermassive Black Hole at the center of the Milky Way Galaxy. I threw the pieces and dust of Duke Nukem into the portal and they went into the black hole and were completely obliterated in an instant.

Me: That's it for him.

The portal closed and Nicole sealed his spirit into the Book of Vile Darkness.

Nico: That's it for him. The Radioactive menace known as Duke Nukem has been silenced forever.

Me: Yep.

Wheeler: That was awesome guys!

Me: Thanks Wheeler. How did you like using a Final Smash?

Wheeler: It was so awesome!

Me: I'm glad you liked it.

---

We were back at the island of the Planeteers and we formed an alliance with them. We proposed to work together to rid the world of the enemies of the Planeteers. Day 1 of the Earth Day Project is done. Earlier I caught a Charizard and Nico caught a Misdreavous and a Slowking.

Wheeler: (To the viewers) Picking up trash is good but recycling is much better.

(CHAPTER 684)

It starts in the forests of Gotham Royal York. We were in a dead tree patch and we were planting many trees and plants for the forests to grow. It was day 2 of our Earth Week project and we needed to plant as many trees as possible.

Gi: So this is Gotham Royal York?

Me: Yep. Home Sweet Home. We made some changes to the city to get rid of the harmful effects of pollution.

Kwame: It's a really good change.

I was digging a hole and removing a tree stump that was dead. I pulled the whole stump out and it was a huge job.

Kwame: Wow. Great job J.D.

Me: Thanks Kwame. Lifting a tree stump out of the ground is an easy job for me.

I lift up a baby tree and put it in the hole and covered it with dirt.

Me: Now it needs some water.

Gi: I got that. WATER!

Gi fired a blue blast from her ring and it hit a nearby lake and sent some water over and soaked the tree.

Me: That was awesome Gi!

Gi: Thanks J.D.

Cornelia was growing flowers and trees with her powers of Earth.

Linka (Captain Planet): (Russia Accent) Your powers are amazing, Cornelia!

Cornelia: Thanks, Linka. There's a reason I'm called the Guardian of Earth.

Laney and Lana were carrying a couple of little trees.

Laney: It's a huge responsibility and she and her friends were chosen as the Guardians of Candrakar for a reason.

Lana: Yeah. The worlds of Candrakar were in the grip of darkness by the rule of an evil tyrant named Phobos.

Lincoln: Yeah he was pure evil.

Linka (CP): That's awful.

Me: It was.

Nico: Hey guys. I just caught a Wobbuffet and a Weepinbell.

Me: Sweet job man!

Lana: How long does it usually take for trees to grow back?

Me: Well it takes hundreds of years. Sometimes it takes decades. Oftentimes it takes hundreds of years.

Lana: That's a long time to wait.

Wheeler: It is.

Laney: Yeah but we'll be here by the time they grow into full fledge trees. Our immortality will see to it.

Me: Yep.

Kwame (to Maria): Maria, I have a question.

Maria: Shoot.

Kwame: I know that Tantrum was cured by J.D. and the others on the day that you reunited with Carol. So how was he killed during the Fright Knight incident?

Maria: Because Fright Knight made a clone of Tantrum during the latter incident. (laughs) Too bad said clone got killed by Edzilla!

Me: And we had Edzilla practice what he was capable of in a Simulator exercise against him before that. We have to be prepared for anything and know your enemies.

Optimus Prime: Alright, let's all each vote on 1 of the remaining eco villains. Whoever gets the most vote is the one we go after next.

Me: Good idea Optimus.

We casted our votes and we decided to go after Looten Plunder next. And just as I was about to ask who he was Gaia appeared.

Gaia: Team Loud Phoenix Storm and Planeteers.

Me: Lady Gaia. What's going on?

Gaia: Looten Plunder is cutting down all the forests in Saskatchewan, Canada.

Me: That's coincidental. We were just talking about him. So Clear Cutting is his forte.

Gaia: Yes. You have to stop him from destroying the forest.

Me: Yes Lady Gaia. We're on our way.

Gaia vanished.

Me: Before we head out we need to know more about him. You all know Looten Plunder, right Kwame?

Kwame: Yes we do. He specializes in clear cutting like you said.

He is a businessman who only cares about money and will do anything to obtain more, even cause a lot of harm to the planet and let other people suffer. He is even willing to sell out the other Eco-Villains if he could benefit from it. He has also done poaching in order to obtain more wealth. His primary source of income may be the lumber industry as his pollution ring was the power of deforestation, though as stated before he will do anything to obtain more money.

Whenever the Eco-Villains team up, he would usually become the leader of the group due to his vast wealth, except for when Zarm grouped them together.

Looten Plunder is also the only Eco-Villain to ever truly defeat the Planeteers allowing himself to cut down a whole forest.

Looten Plunder symbolises unethical business actions and uncontrolled capitalism. In the two-part Captain Planet Episode, Mission to Save Earth, Looten Plunder is among the five Eco Villains who create Captain Pollution. They did this by creating and using five Anti-Elemental Rings consisting of Deforestation, Toxins, Smog, Super Radiation, and Hate. Looten Plunder's element was Deforestation. Unfortunately for the Eco Villains, Captain Pollution was destroyed and the Anti-Elemental rings along with him, leading Looten and the other villains to flee.

Me: Boy this guy is REALLY bad news.

Superman: Plunder reminds me of my deceased archenemy, Lex Luthor.

Tailgate: Why do we still have his corpse inside the prison you guys sent him to?

Blackout (2007): Maybe because it served as a trophy.

Me: You are right Blackout. Lets get him! Team Loud Phoenix Storm, lets fly!

We were off to Saskatchewan, Canada.

---

In Saskatchewan, Canada numerous men were cutting down a lot of trees. These men had chainsaws and axes and they were cutting down a lot of trees.

Suddenly Venom shot a web sling blast and grabbed a man.

Venom (grabs one of Plunder's henchmen by the throat): Eyes. Lungs. Pancreas. So many snacks, so little time.

Sandman: Why do you like those parts specifically?

Venom: Because they are the most tasty.

And that's when Venom bites off the unfortunate henchmen's throat.

Henchman 1: Team Loud Phoenix Storm is here!

A blast of lava exploded out of the ground and it began to take form. The Heartless that appeared before us looked like a demonic minotaur that made of pure molten lava.

Bai Tza (eyes widens in horror): Dai Gui?!

Volcanic Minotaur: **Hello, "sister". I think we need to have a talk about your betrayal. Don't you think?**

Vince: But that's impossible. I killed you!

Dai Gui: **Yes Vince. You did kill me. But I am now reborn as a Heartless and I now serve Looten Plunder. You took my heart and that is what turned me into a Heartless.**

Vince: I still have your heart in a jar.

Volcanic Minotaur (grabs Bai Tza by the throat): **I expected such treachery from Shendu and Valmont, not you! You had all the power in the world alongside us and you threw it all away by siding with Jackie Chan and Knudson!**

Bai Tza (spits at him): Girl Jordan showed me the error of my ways, "brother"! (grins) But to be honest, I started doubting everything that Shendu told me before Jackie and his family sealed me back into the Netherworld the first time. (to us) I'll tell you about that later.

Me: Okay.

Bai Tza then turned into pure water and she went out of the Volcanic Minotaur's hand and then she turned into her Water Demon Sorcerer form.

Bai Tza: **You are never welcome here "Brother!"**

Bai Tza fired a massive blast of water at him and hardened him into solid rock.

Vince: I think it'll be perfect to have a much better trophy than your heart Dai Gui!

Vince chanted a powerful Chinese Magic Spell and it turned Dai Gui into a Statue like Shendu was. And he stripped him of his powers and made them his own.

Me: Wow! Way to go partner!

Vince: Thanks J.D.

Dai Gui: **Let me out of here you fools!**

Vince: Not this time. You are now gonna be stuck in a statue for all time.

Bai Tza returned to her human form.

Bai Tza: This is perfect for you "brother" and now you have to endure the same fate as Shendu.

Then a huge robotic thud was heard and we saw Looten Plunder in a massive robotic power suit.

Me: Wow! What a power suit!

Plunder: You like it? Now I'm going to use it to kill all of you!

Me: Where did you get a suit like this?

Plunder: From Lex Luthor's designs and we made some perks to it.

The chest of the suit opened up and revealed that it had a dark orb in the middle as a power source.

Me: You have a dark orb as the power source.

Plunder: That's right.

Superman: This power suit reminds me of the time when I fought Corben the first time.

Nico: Really? You fought Corben as he was in a suit like this Kal?

Superman: Yeah. It was my first ever fight Nico. He put up quite a fight.

Nico: I know that feeling.

Kwame: We will make you pay for all the pain and suffering you've caused and stop your clear cutting spree.

Nico: Looten Plunder, you have failed this city!

Me: More like he has failed our planet. Lets get him guys!

We transformed and powered up.

Me: You mess with our planet, you mess with us! Now you will die just like Nukem.

Plunder: You killed Duke Nukem?

Me: That's right and he got what was coming to him. He's been obliterated in the black hole at the center of our galaxy.

Varie: And you will join him.

Me: Lets get him guys!

We went at him and I punched him in the face and he punched at me and I dodged it. Laney entangled the suit in vines and Cornelia made a massive tree grow that trapped him in it. Lynn then formed her fist into a fist of pure rock and punched the suit in the chest with devastating force and it shattered the Dark Orb and we got a massive power increase. Demona flew at Plunder and slashed him in the chest and the face with her claws. Sandman formed a mace club arm and slammed it into the power suit.

Nico: Now you will face the power of the Snake!

Nico used the powers of King Hiss and shed his skin and summoned 5 more snakes and they went at Plunder and they bit him and stunned him with their poison.

Me: Time for some awesome hardware. AUTOBOT CYBER KEY POWER!

The Autobot Cyber Planet Key went into my device and an awesome missile appeared on my right shoulder and it turned into an awesome laser cannon!

Me: Oh this is so cool!

Optimus Prime: It is J.D. That's Red Alert's laser cannon.

Me: This is awesome Optimus. (To Plunder) (Imitating Scarface) SAY HELLO TO MY LITTLE FRIEND!

I fired a red laser blast from the cannon and it hit Plunder and exploded.

KRABOOOOMMM!

Me: Oh wow! That was awesome!

Lucy: Indeed it was brother. Lets see what makes him tremble with fear.

Lucy fired a blast of black lightning and it hit his eyes and he was shaking in fear. Plunder saw his hands turn into his skeleton!

Clayface formed an axe of clay and slammed it into his legs and chopped the suits legs off.

Riku fired a powerful blast of dark fire from his Keyblade and burned him and Roxy called the power of the animals and fired a blast of dust and pawprints at Plunder and burned him.

I flew up to Plunder and looked at him in the face with eyes full of hatred and righteous fury.

Me: You make me sick just looking at you Plunder. You have no love for anyone other than yourself. You've caused too much pain and suffering to both humans and nature. You may be a human but you have the heart of a demon.

Earth: That's right. You don't deserve to live.

Me: Lets get him guys. Combo time!

Tailgate: You got it J.D.

Tailgate fired a magnetic blast and Martian Manhunter turned into a dragon and fired a massive blast of fire.

Tailgate and Martian Manhunter: MAGNETIC FIRESTORM INCINERATOR!

The blasts combined and they blew apart the legs of his suit and incinerated them.

Blackout (2007): Our turn. Lets get them Mariah!

Ace: You got it!

Ace formed into a massive eagle and Blackout fired an Energon Wave Cannon.

Blackout (2007) and Ace: ENERGY EAGLE EXPLOSION BURST!

The energon merged with the Eagle and turned it into an eagle of pure energy. It hit the suit and blew it apart and freed him.

Kwame: Final Smash Time! EARTH BOULDER PUMMEL!

Kwame fired a green blast of energy from his ring and threw numerous rocks and boulder at the suit and crushed it.

Cornelia: My turn! EARTHSHRED GUARDIAN!

Cornelia formed a massive golem of Earth and it slammed into the suit and destroyed it completely. Nothing of it was left.

Me: Now to finish you once and for all Plunder. You will now pay for your crimes against our planet.

Rhino: I got this.

Rhino grabbed Plunder.

Plunder (in Rhino's grasp): You want a piece of me? You want a piece?!

Rhino: No! I want… (rips Plunder in half)… two!

Me: Whoa!

Nico: That was gross but he deserved it.

Me: Yep. But great job. All of you.

We cheered wildly. Nicole sealed Looten Plunder's spirit into the Book of Vile Darkness. I found Looten Plunder's Ring of Deforestation and kept it as a trophy. Vince put the statue of Dai Gui in his room and now he can talk to Dai Gui and have a conversation with him.

Kwame: (To the Viewers) Planting new trees is very essential to the ecosystem and it helps rid the world of poisons in the atmosphere. You can do your part and help the air and the trees.

Me: That's right.

(CHAPTER 685)

It starts in the power plants on the outskirts of the city. It was day 3 of our Earth Week project all we were building domes that cover the power plants. These domes were special anti-pollution domes that filter out the bad air and convert it into breathable air.

Me: These domes are perfect for the Air Pollution removal project.

Lori: They literally are.

Wheeljack (overseeing the construction of the domes): More! Straighten it up! (Bonecrusher finishes a dome) There. That does it!

Huffer (sees Gears building a dome): Yo, Gears! Get with it! Build that dome right, or we're gonna be here 'til the Big Dipper gets rusty!

Me: Easy Huffer. No need to get bossy and make them work too hard.

Huffer: Sorry.

Me: Okay the next villain we have to destroy is Sly Sludge.

Nico: This guy doesn't sound like a nice guy.

Me: He never is.

Sly Sludge is a pollutionist/con man who specialises in tricking others into thinking he and his crew are helping to build something to help the environment just so he can get free space to dump his wastes (oil, toxic sludge, and gunk).

Sly and his dumping crew do not seem to have any real reason for doing this-one would assume he is building dumps to make money, but he is never shown collecting any money, however it has been stated that "he'll pollute anything for a buck".

Sly is portrayed as a fat, lazy, greedy, money grubbing slimeball with a fondness for trickery and little care for the planet. If Sludge and his workers can not dump it in the ocean or into landspaces than they will burn it and make acid rain.

Strangely, despite being a dumper, instead of polluter clothes, he instead wears the uniform that an army soldier would, and despite being a human, his unusual last name and strange facial look makes him seem like a monster. In the series, the Planeteers must unite to summon Captain Planet to help stop men like Sludge from harming the earth.

Despite his run-ins with the superhero he continues his evil work, on some occasions he and his men load guns with oil to try and stop Captain Planet. He also appeared in the comic books based on the series.

Sly symbolizes ignorance and short term-thinking. In the two-part Captain Planet episode, Mission to Save Earth, Sly is among the five Eco Villains who create Captain Pollution. They did this by creating and using five Anti-Elemental Rings consisting of Deforestation, Toxins, Smog, Super Radiation, and Hate. Sly's element was Smog. Unfortunately for the Eco Villains, Captain Pollution was destroyed and the Anti-Elemental rings along with him, leading Sly and the other villains to flee.

Nico: This guy is really bad news.

Me: He is. He is poisoning our atmosphere. He specializes in Air Pollution.

Jake (Animorphs): I'm willing to bet that Sly Sludge has a Dark Orb and a robot suit.

Me: I have a feeling you're right Jake.

Nico: While we're waiting for Sly Sludge to make his move, you guys wants to go for ice cream?

Me: I'm up for it man.

Mixmaster: There! All finished.

Me: Great job guys!

Mixmaster: Thanks J.D.

We have lots of people all over the globe working on domes covering Industrial facilities all over the world.

Me: All right guys. Lets get some ice cream.

We cheered.

William (to Maria): What ice cream do you want, Maria?

Maria: I want Blue Raspberry.

Arixam: Me too Maria.

We went to the ice cream parlor and had all kinds of flavors.

Me: (Slurps) Mint Chip. My favorite flavor.

Lincoln: Orange creamsicle for me.

Lori: (Slurp) I like Vanilla.

Nico: Cookies and Cream for me. (Slurps)

May: Cotton Candy is my favorite.

Carol: Grape is my favorite.

Vince: I like bubble gum. My favorite part is chewing the gum in it.

Vince chewed some bubble gum and blew a bubble and it popped.

We laughed.

Linka (Captain Planet): (Russian Accent) I like butterscotch.

Me: We have a lot of great flavors.

We laughed.

Then Gaia appeared.

Gaia: Team Loud Phoenix Storm and Planeteers.

Me: What is it Lady Gaia?

Gaia: Sly Sludge is making the pollution worse in Gurugram, India.

Me: Gurugram, India? That's the most polluted city in the world.

Gaia: It is. And Sly Sludge is making it worst.

Me: We're on our way.

Gaia vanished.

Me: Lets fly!

We were off.

Gurugram, India

The city was covered in an extremely thick cloud of smog and smoke. We saw this.

Me: Wow! That smog is so thick you can't even cut it with a knife.

Nico: No kidding. I got this.

The 2-Star Dragonball on Nico's bracelet lit up and he sucked in all that smog and smoke and it made him stronger.

Me: Wow! That was awesome Nico!

Nico: (Coughs) Yep. That was the power of Haze Shenron. The 2-Star Dragon. His power is pollution and it makes him stronger.

Aylene C.: That's really clever.

Me: It sure is. Lets go!

We went into the city and we saw Sly Sludge and gust as Jake said, he had a power suit on him.

Me: Sly Sludge, I presume?

Sly Sludge: That's right J.D. And I see you all have come.

Me: That's right. To kill you and put an end to your smog spree.

Sly Sludge: I'm blaming the Joker for this! If he hadn't acted insane in front of you all, maybe you heroes wouldn't be about to kill me right now.

Me: You can tell to him yourself when you see him in Hell. Also you had a hand in killing Linka's cousin and for that you will suffer!

Sly Sludge: It was actually Skumm that did that. Not me. And I'm not doing this alone.

Me: What do you mean by that?

?: Sly means me.

We saw a living mass of wind.

The Heartless that appeared before us resembled a demonic toad made entirely of air.

Lori: Xiao Fung?!

Cyclonic Toadblower (grins evilly): **Lori Loud. It's been a long time.**

Me: But you died when Breach sent you flying into the Sun!

Bai Tza: (Shocked) How did you come back here "Brother"?

Cyclonic Toadblower: **The power of the dark orb used to power Sly Sludge's Power Suit.**

My dark orb detector found the Dark Orb in his suit and it was being used to power the suit.

Me: He's right. But there is one thing I learned when we fought the rest of your brothers and your sister Po Kong. We hate Shendu.

Cyclonic Toadblower: **I agree with you on that one J.D. Shendu was always doing things all by himself.**

Me: It's nice we can agree on things like this. But we came here to fight you and Sly Sludge. Lets power up!

We transformed and powered up.

Me: Lets dance!

We went at them!

Cyclonic Toadblower: **You fools won't be able to defeat me this time! Not when I can unleash my full power!**

Lori: No but we can literally take that bet toad boy!

The Cyclonic Toadblower blew a massive hurricane at us and it was an incredible blast of wind.

Chazz: You will never win you freak! I summon Infernal Incinerator!

I sent out Incineroar.

Chazz had Infernal Incinerator fire a purple blast of fire and Incineroar fired a blast of fire. The blasts of fire combined and they hit the Cyclonic Toadblower and weakened him.

Lori and her children kicked the Cyclonic Toadblower into the air and used a powerful magic spell on him that turned him into a statue. He was stripped of his powers and Lori made them hers and her children's.

Teresa (to Bai Tza): I wonder why we didn't just turn your siblings into statues in the first place.

Me: We should've done that before we killed them.

Lori: That would've literally been too easy. Besides someone would've found them and try to continue their evil ways.

Linda: That's right mommy!

Lori: Lets get this clod!

We went at Sly Sludge and I punched him in the face and Nico threw him into the air.

Lori and her children fired a massive blast of super hurricane force wind and blew him higher into the air and Leni formed a fist of pure gravity and slammed it into the power suit. Hay Lin fired a massive blast of wind and blew him higher into the air. Musa fired her Sonic Blast and blew him around. Karai and Xion slashed the arms of his suit off and Teresa fired a sonic blast and blew his legs off. Arpeggio fired his laser feathers and they hit part of his suit and blew it apart.

Me: Now to finish him off once and for all. DECEPTICON CYBER KEY POWER!

A Decepticon Cyber Key went into my device and both of my devices on both of my arms got Starscream's Purple Sword blades.

Me: Sweet! Now for double the pain. EARTH CYBER KEY POWER!

The Earth Cyber Planet Key went into the device on my left arm and I got Mudflap's long green saw sword.

Me: Awesome! Lets triple the power! ANIMATRON CYBER KEY POWER!

The Animatron Cyber Planet Key went into my device and a helmet appeared on my head and a long sword horn appeared on it. It was Backstop's Sword Horn.

Me: Now this is being decked out!

Linka (CP): (Russian Accent) Lets use our combo on him.

Me: You got it Linka!

I flew at the suit with the swords ready.

Linka (CP): WIND!

Linka fired a blast of wind at me from her ring.

Me and Linka: CYCLONIC SLASHSTORM SURPRISE!

The wind swirled around the swords and turned them into deadly cyclone blades. And I rammed the suit with devastating force and shredded it into dust.

Lori: That was literally awesome!

Roxanne: It sure was!

Wingsaber: That was really impressive J.D.

Me: Thanks Wingsaber.

Sly Sludge landed on the ground and he was hurt.

Nico: Sly Sludge, you have failed this city!

Venom: We're gonna enjoy feasting on your brains!

Me: Now lets finish him off for good!

Broadside: Lets make this clod pay! It's combo time Jake!

Jake (Animorphs): You got it.

Jake turned into a giraffe.

Jake charged and Broadside fired a lightning ray.

Jake (Animorphs) and Broadside: LIGHTNING GIRAFFE ELECTROCUTION!

The lightning wrapped around Jake and turned him into a Giraffe made of pure lightning. It bucked him and sent him crashing into a building.

Bomb Man: Time for some explosive power!

Blackarachnia: Lets get him. Blackarachnia TERRORIZE!

Blackarachnia transformed.

Bomb Man fired some bombs and Blackarachnia fired some lasers.

Bomb Man and Blackarachnia: SPIDERBOMB BARRAGE EXPLOSION!

The bombs exploded and blew him into another building.

Me: Now it's Final Smash Time.

Linka (CP): I'll get us started! HURRICANE STORMBLADE BARRAGE!

Linka fired blades of pure wind from her ring and they slashed Sly Sludge and slashed his right arm off and he screamed in pain.

Lori: Now it's literally my turn. CYCLONE SHREDDER TORNADO!

Lori spun around with incredible speed and released a powerful tornado and it slashed him apart.

Me: Venom, go get him. It's feeding time.

Venom: With pleasure.

Venom walked up to Sly Sludge and Sly looked at him with fear.

Venom: **You come to this part of the world again, in fact if you go anywhere on this planet preying on innocent people and we will find you and eat both your arms, both and then both of your legs and then we will eat your face right off your head. Do you understand? Yes. So you will be this armless, legless, faceless thing. Won't you? Rolling down the street like a turd in the wind. Do you feel we?**

Sly Sludge: What the Hell are you?

Venom revealed half of Eddie's face.

Venom and Eddie: **We are Venom.**

Venom then ate Sly Sludge like he was a piece of cake.

Venom (spits out Sly Sludge's head in disgust): Yuck! Not very tasty!

Me: Well he tastes like Smog and all that crud. I mean what do you think he's been poisoning our air with?

Venom: That's true.

Sly Sludge's spirit then appeared.

Sly Sludge (to Venom): I hope I gave you indigestion!

Venom (disgusted): Even your corpse doesn't give a lot of tasty value! We know that we only managed to eat off Ms. Henious' face but at least that part gave our taste buds a unique and tasty experience!

Me: That's true.

Nicole: And this slob and filthy freak will never poison our air ever again. (Chants an incantation) ALDRUON ENLENTHRANEL VOSOLUN LIRUS-NOR!

Sly Sludge's spirit went into the Book of Vile Darkness and I took Sly Sludge's ring and kept it as a trophy.

Nico: During the battle I also caught a Girafarig and a Forretress.

Me: Nice! Good job Nico and great job to all of you.

Linka (CP): (To the Viewers) It is never okay to poison the air with so much pollution or you'll be hurting the very air we breathe.

## (CHAPTER 686)

## Part 1: Avalanche Rescue in Siberia

---

At the estate I was watching TV at 9:00 PM. Then the alarm went off.

Me: Uh oh.

The computer popped up and it showed that there was a tremendous avalanche in Siberia, Russia and it showed that someone was buried in 10 to 20 feet of snow.

Me: Oh man! I better get over there.

I flew off to Siberia.

---

I flew over the site of the avalanche and it was stormy and bone-chilling cold. I turned on my infrared vision and it found a person buried under 20 feet of snow. Barely alive.

Me: There!

I spun around and blew all the snow away and when there was only one foot of snow left I lifted it away and I got a shock when I saw who was buried under the snow! It was Bridgette!

Me: (Gasp) BRIDGETTE!

Bridgette was in really bad shape. She was covered in bruises and scrapes and she had a lot of broken bones.

I checked for her pulse and she had one.

Me: She's still alive. I have to get her to a hospital.

I picked her up bridal style.

Me: Hang on Bridgette. I'm gonna get you to a hospital.

I used Instant Transmission and beamed to a hospital in Canada.

---

Toronto, Canada

---

In Toronto, Canada I rushed into the hospital and Bridgette was rushed into surgery. As I waited for the doctor to come out, I was praying for Bridgette to make a safe recovery.

Me: Bridgette just hang in there.

The doctor came out.

Doctor: J.D.?

Me: Yes?

Dr. Nukoma: I'm Dr. Gary Nukoma of the trauma center. Bridgette is gonna be all right. She did however sustain bad injuries to her legs and her right arm. Some ribs were cracked and she has a minor concussion.

Me: Thank goodness doctor. Is she awake?

Dr. Nukoma: She is. The avalanche broke her right leg in two places and she has a twisted arm. Her left leg is broken. All in all, Bridgette is one lucky girl.

Me: She sure is.

I went into her room. She was in her aqua blue robe and she had a bandage on her head and her arm and legs were in a cast and she had an I.V. drip in her.

Me: Hey Bridgette.

Bridgette: J.D.? What happened?

Me: You were found over in Siberia, Russia buried under 10 to 20 feet of snow from a tremendous avalanche. You would've died if I hadn't saved you.

Bridgette gasped when she heard me say that and then she broke down crying.

I went over and sat on her bed and comforted her.

Geoff came in and he was worried.

Me: Hey Geoff. She's had a major traumatic experience.

---

When Bridgette calmed down Bridgette told us what happened. We were shocked.

Me: What!? Blaineley did this to you!?

Bridgette: Yeah. She kidnapped me and sent me to Siberia to meet a super fan and I never realized that it was all a ploy that would try to kill me.

Me: That's awful!

Geoff: This is not like Blaineley. You and I have known her on Celebrity Manhunt and Total Drama Aftermath. How can she do something like this?

Me: That's what I would like to know as well.

Bridgette's mom and dad and little brother and sister came in. They hopped onto her bed.

Little Bridgette: Sis what happened to you!?

Bridgette: I'm all right.

Bridgette's mom: Thank goodness you're okay sweetheart!

Bridgette's dad: Thank you so much for saving Bridgette J.D.

Me: You're welcome.

Blaineley then came in and I saw all of Bridgette's family looking at her with a menacing and hateful glare. Then I noticed something on the back of Blaineley's neck.

Me: Wait a second. Blaineley there's something on the back of your neck.

Blaineley: What is it J.D.?

Me: Hold still.

I move her hair and saw a bandage on the back of her neck and pull it off and under the bandage was a computer chip implanted into the back of her neck.

Me: It's some kind of computer chip.

Bridgette's dad: How did that get there?

Me: That's what I would like to find out.

I pulled the chip out and Blaineley had a tremendous headache.

Blaineley: (Groans) What a headache.

Me: Lets head back to Team Loud Phoenix Storm Estate and run an analysis.

Bridgette: Okay.

Me: Be careful Bridgette.

I rolled in a wheelchair and we went back to the Estate.

---

In the estate I was analyzing the chip and the computer revealed some very strange and very sophisticated technological details.

Me: This is a really sophisticated and highly unusual chip.

Bridgette: What is it?

Me: It's a mind control chip. It's full of artificially created neurotransmitter circuitry. Microwave controlled cerebral cortex stimulation. It also has some kind of piggyback mechanism in it that can erase the memory of what the person did while the chip was activated.

Blaineley had a bag of ice on her neck.

Blaineley: That explains why I don't remember sending Bridgette off to Siberia like that to her death.

Nico: Whoever built this chip really knew what they were doing.

Me: They sure did. Let me see if I can trace the radio waves to where they came from.

I typed in a sequence and it traced the radio waves to a house that is in the central part of the city. It pulled up a picture of who owns the house and we got a major shock! It belonged to none other than

Scarlet!

We gasped in shock and horror!

Me: Scarlet!?

Bridgette: Scarlet tried to kill me!?

Me: She sure did.

Maria: So I guess being a bad guy is ok as long as Scarlet is doing it, huh?

Me: From the looks of things yes. She just will never learn. First she tried to blow up Pahkitew Island and take everyone on it with it, then she badmouths the entire Redemption Squad, and now she has the gall to try and kill Bridgette by making Blaineley do it against her will!

Bridgette: What a monster!

Geoff: That girl has some majorly serious problems!

Me: No kidding!

Nico: She's no longer welcome here! I'm going to run her out of this town!

Me: Go get her man! I got to report this to Chris.

Nico: Okay.

Nico went out the door.

---

20 minutes later on the outskirts of the city, Nico was standing on the edge of the city and Scarlet was standing on the border by the sign of Gotham Royal York.

Nico: You're a fucking hypocrite, Scarlet! About a month ago, you judged William, Maria, and Stewie for their past crimes and said that they couldn't be trusted! And yet you find it ok to do something like this?!

Scarlet: Fine! I admit that I did try to kill Bridgette and everyone else on Total Drama. But I still think you're a fool to trust Rockell and Dunbar. Who's to say that they won't eventually betray you?!

Nico: You are no longer welcome in my city, Scarlet. If I ever see you again, I'll kill you. Any chance of redeeming yourself is now gone! As well as any chance of us being friends! I'm a man of my word, Scarlet, and, from this day forward, you are my enemy. Don't ever contact me again.

YOU TELL HER!

Scarlet was exiled from the city and then she revealed her true colors! She let her hair down and her eyes glowed blood red with pure unrestrained evil!

Scarlet: I will kill you for this Chan! I will return and I will have my revenge! I will get stronger and everyone and everything you love and protect will die at my hands! I WILL KILL YOU FOR THIS! I SWEAR IT!

Nico pointed behind her and she left. Scarlet was exiled. She left through a portal that took her to an uncharted island off the coast of Antarctica.

He went back home.

---

Back at the estate I was talking to Chris McLean through a hologram video phone.

Chris: So Scarlet tried to kill Bridgette!?

Me: Yeah. She used Blaineley as a pawn to try and get revenge on me and all of my team on Total Drama. Trying to blow up Pahkitew Island and Badmouthing the entire Redemption Squad wasn't enough. Now she controlled Blaineley like a puppet and tried to kill Bridgette by burying her in a tremendous avalanche in Siberia.

Chris: Boy that girl has some majorly serious problems.

Me: Yeah she's the spawn of Satan. By all accounts her parents created a monster.

Chris: Yeah no kidding. So Bridgette will be out for 8 to 10 months?

Me: No. We managed to use one of Sora's healing potions and Nico used his Cure spell from Xehanort's Keyblade to heal her up. She's now in crutches for 2 weeks.

Bridgette: Two weeks is better than nothing.

Me: Yep.

Chris: I'm glad you're all right Bridgette. And me and Chef send you our sympathies. But what Scarlet did to you was completely unforgivable.

Bridgette: Thanks Chris.

Chris: You're welcome.

Me: Here's an idea Chris. You all sang some awesome songs in Total Drama World Tour that are Grammy Award winning right?

Chris: Yeah?

Me: Well I was thinking in Total Drama Galaxy coming up in the next 11 months, we sing songs. You saw how talented we were when we sang in the Seychelles.

Chris: I sure did and you all have an awesome talent. Singing songs again it is.

Me: It'll be like a mixture of American Idol, Star Trek, Star Wars, Fear Factor, Survivor and Amazing Race. 6 great shows squeezed together.

Chris: I know. I can't wait!

Me: This is gonna be awesome!

Chris: You got that right J.D. Let me know if you have anymore challenge ideas.

Me: You got it. I gave you 2 more earlier this morning.

Chris: True. You did. See ya around dude.

Me: Will do Chris my man.

I hung up. Blaineley was racked with guilt and it was gonna take a while for her to get over it. We put signs all over the roads 200 miles outside of Gotham Royal York and they said NO SCARLET'S ALLOWED! And underneath the Gotham Royal York Sign was a face of Scarlet and a Skull and Crossbones was behind her face. When Nico says a threat, he always goes through with it and this time there will be no mercy!

---

## Part 2: The Feral Ezekiel Strikes Back

---

Sammy was sleeping soundly. As she was doing so a shadowy figure crept into the house on the roof and went in through the air vents. Sammy was waking up just now and then she saw right on her bed the figure and she screamed loudly.

Sammy: AAAAAAAAAAAAAAHHHHHHHH!

Me and everyone bursted in.

Me: Sammy! Are you all…

I saw the figure and it was FREAK EZEKIEL!

Me: It's Ezekiel! And he's feral!

Ezekiel: How can that be me, eh? I'm right here!

Me: I'll never forget how ugly you were when you were feral Ezekiel. Lets see how primal he really is against me!

I growled and turned into J.D. the Nocturnal! It was gonna be a fight of the feral beasts.

Me: (GROWLING FEROCIOUSLY)

Freakzekiel: (GROWLING FEROCIOUSLY)

I crouched on all fours and I was looking at him with ferocious fury.

Ed: Oh this is way cool!

Edd: Indeed it is Ed. It's like what happens when two wolves meet. They growl at each other until one of them attacks or gives up.

Me: **Lets take this outside. We don't want to hurt anything here.**

Freak Ezekiel agreed.

Outside we were circling eachother. It was like I was about ready to fight Gollum from the Lord of The Rings.

Freak Ezekiel had eyes blazing red with predatory rage and bloodthirsty fury.

Me: **You make me sick looking at you freak! Chris had every right to do all those things to you Freak! He threw you off the plane, got you thrown into a mine full of toxic waste, and now you have the gall to come here to try and get Sammy.**

Freak Ezekiel roared in guttural fury.

Freak Ezekiel: (PRIMAL ROAR!)

Me: **You really are a freak! Bring it you son of a bitch!**

We went at each other and I slashed him in the face with my claws. And blasted him with black lightning and kicked him in the face and slashed him in the chest.

Freak Ezekiel then fired a massive blast of vomit at me and I dodged it and it hit the ground and melted it like acid.

Me: **Acidic vomit!? You are seriously fucked!**

Gwen: I've had it with this freak!

Gwen then pulled out a bazooka and a jar full of sulfuric acid.

Gwen had it aimed at Freak Ezekiel.

Me: **You make me sick Freakshow!**

Gwen fired the Sulfuric Acid and it hit Freak Ezekiel and melted him until he was a gory mess of bones and blood.

Me: **Wow! Nice shot Gwen!**

We cheered wildly.

I changed back.

Me: Gwen that was an awesome job!

Gwen: Thanks J.D. On Total Drama All Stars, Ezekiel was about to kill Chris for all the humiliation he was put through over the course of the entirety of the show.

Me: I remember that. And on World Tour he somehow turned feral. And on the 100th episode of the show on T.D.A.S. 1 he tried to kill Chris by boiling him in toxic waste.

Ezekiel: I can't believe I was like that, eh? I'm sorry I caused all that pain to all of you.

Duncan: It's all behind us Zeke.

Courtney: But we got rid of your evil feral freak clone.

Me: Actually Gwen is the real hero. She saved the show from having to deal with another Freak Ezekiel. I got to tell this to Chris.

I went to the Living Room and told Chris what happened. He was shocked by what went down.

Chris: Are you serious J.D.!?

Me: I'm dead serious Chris. A clone of Freak Ezekiel came and he was out to get Sammy to get revenge on her for kicking him all the way into the lake. And Gwen beat him by melting him with Sulfuric Acid fired from a bazooka.

Chris: Oh that was awesome!

Me: It was. She has a great shot as well. I faced Freak Ezekiel as J.D. the Nocturnal and it was in every way like a clash with two wolves on a nature documentary.

Chris: From the way you told me how it went down, it sure looked like it. But who made a clone of Freak Ezekiel?

Me: We don't have any idea. In fact we don't even know where he came from.

Chris: That's weird man. But at least we've seen the last of Freak Ezekiel. You saw what he did to me on Total Drama All Stars right?

Me: I sure did. We watched all the shows here in America and what he did was worse than all the insane challenges you put everyone through. But you did humiliate him throughout the entirety of the series.

Chris: True and I'm sorry about that. In all honesty I had no idea I was that ruthless and sadistic.

Me: I guess all those reruns here in America during the Sore Loser Fiasco really gave you a chance to reflect on what you've been doing.

Chris: It sure did.

We talked and we had now seen the last of Freak Ezekiel.

## Part 3: The Animal Danger Planet Villain

It was day 4 of our Earth Day Week and our project for the day and the contest was to help animals in a local animal sanctuary out. I was feeding steaks and meat to lions and bears. Nico was feeding fish to polar bears and seals.

Will and Lana were feeding a lot of frogs. They were feeding frogs flies and bugs.

Will (feeds some frogs): I'm actually a fan of frogs. I even have some frog stuff in my room.

Lana: You have a lot of talents in feeding frogs Will.

Sam S.L. and Poromon were feeding some chickens.

Poromon (to a chicken): What are you looking at?

Sam S.L.: (Clucks)

The chickens came to her and she fed them.

Poromon: That was great Sam.

Sam S.L.: Thanks Poromon. It's a talent I have. I just wish my brother could be here to see me now.

Luna: Hey Sam I promise we will find him.

Lincoln was feeding steaks to wolves.

Lincoln: There you go guys.

The wolves loved them.

Then Gaia appeared.

Gaia: Team Loud Phoenix Storm and Planeteers.

Me: What is it Lady Gaia?

Gaia: Hoggish Greedly is doing some overfishing down in Rio De Janeiro, Brazil. You have to stop him before they run out of fish completely.

Me: We're on our way.

We were off and we were learning all about Hoggish Greedly.

He is of pig-like proportions and lives to devour the Earth's natural resources. His love for over consumption extends to every aspect of his behavior and is particularly evident in his "sloppy" eating habits.

Greedly goes after precious gems and minerals, noble forests, endangered species - whatever will satiate his enormous appetite for any rare, nonrenewable resource. Wherever he strikes, Greedly leaves waste and destruction in his wake.

Hoggish Greedly's repugnant, hog-like looks are accentuated by his snuffling manner and snorting interjections. Greedly is well aware of his piggish mannerisms. In fact, he delights in using his grossness to frighten and disgust his opponents. His clothes may vary from episode to episode but his preference for a pig motif - whether in clothes, accessories or machinery - remains consistent.

Me: So he's a pig villain that specializes in harming animals that are endangered?

Kwame: Yes and he is a very sick monster.

Lincoln: I'm in the mood for some succulent and tender pork after this.

Me: Me too buddy. Lets turn that freak into roast ham and bacon!

Everyone: YEAH!

We arrived in Rio De Janeiro and we saw a boat loading numerous fish onto it and there were lots of fish on it. The men were that of Hoggish Greedly.

Me: Not this time. LIGHTNING!

I fired a blast of lightning from my ring and it hit the boat and electrocuted the men and numbed them and then the boat exploded.

KABOOM!

I grabbed the men and threw them towards the beach. On the beach, Hoggish Greedly was having a big lunch and he was eating disgustingly. Then the two men crashed by his feet into the sand.

CRASH!

Hoggish: (Coughs) What's going on!?

He saw his men in the sand and he pulled them out.

Hoggish: What happened?

Man: (Coughs) It's Team Loud Phoenix Storm and the Planeteers! They're here!

I swooped in and kicked Greedly in the face and he crashed into a bunch of umbrellas.

We landed by him.

Hoggish saw us and he was ugly.

Me: Boy you really are a disgusting pig.

Hoggish: Fuck you!

Me: Ooh. Did you kiss your mother with that mouth? And you are one ugly freak of nature.

Nico: Hoggish Greedly, you have failed this city!

Me: More like he has failed Earth and the Entirety of the Animal Kingdom.

Then a massive blast of lightning exploded out of the ground.

The Heartless that appeared before us looked like a golem made of pure lightning.

Lincoln: Tchang Zu?!

Terrifying Thundergolem: **Lincoln Loud. Such a displeasure to see you again.**

Me: Tchang Zu!? But Lincoln killed you!

Bai Tza: "Brother!?" How are the eco villains bringing all my dead brothers back!?

Me: That's what has me wondering as well.

Terrifying Thundergolem: **So you've encountered some of my brothers as well.**

Me: We saw Dai Gui and just recently Xiao Fung and now you.

Tchang Zu: **So you haven't encountered Shendu yet?**

Me: No. I have a feeling he's going to be a more powerful adversary than before when I killed him.

Lincoln: Lets have a rematch Tchang Zu. This time I won't be holding back!

Terrifying Thundergolem: **Then neither will I. Let's make things interesting, shall we? (punches the ground, making it electrified)**

We flew above it and Lincoln went at Tchang Zu and he punched him in the face.

Shrapnel (to Tchang Zu): You're not the only one who can use electricity!

Shrapnel fired a massive blast of lightning and it hit him and overloaded him.

Punch: It's Combo Time!

Shade Man: You got it!

Punch fired his photon beam and Shade Man fired a slash blade from his claws.

Punch and Shade Man: PHOTON SHADOW SLASH!

The attacks combined and turned into a pitch black blade of energy.

Tarantulus: It's our turn. Tarantulus TERRORIZE!

Tarantulus transformed and he fired his machine gun legs. Viper fired a blast if poison from her mouth.

Tarantulus and Viper (Kung Fu Panda): VENOM BULLETSTORM BARRAGE!

The Venom and Bullets hit the Terrifying Thundergolem and hurt him.

Elena: Final Smash time! I'll start. LIGHTNING STORMSHOWER!

Elena held her Keyblade up to the sky and a massive storm built up and lightning hit the Thundergolem all over the place with powerful lightning.

Shrapnel: My turn! LIGHTNING DEATHRAY!

Shrapnel fired a massive lightning blast and it hit the Terrifying Thundergolem and electrocuted him.

Bai Tza flew at him.

Terrifying Thundergolem (to Bai Tza): **You're wasting your time fighting me, Bai Tza. I just need to blast you and you'll be dead. Electricity is effective against water, remember?**

Bai Tza: But you're forgetting one thing "Brother." And that's water short circuits electrical items!

Bai Tza fired a powerful blast of water and it hit the Terrifying Thundergolem and short-circuited him and he was screaming in a lot of pain.

Lincoln fired a blast of lightning and sealed him into a statue. Lincoln stripped Tchang Zu of his powers and made them his own.

Bai Tza: Great job Lincoln.

Earth: Way to go Linky!

Earth hugged him.

Tchang Zu: **You will pay for this Lincoln. I will get out of this statue and make you wish you were dead!**

Lincoln: Not on my watch you will.

Me: Good job Lincoln. Now lets kill this ugly pig.

Lincoln: You got it J.D.

Hoggish then got into a robot suit and we went at him. It was a savage fight. Elena fired a massive blast of lightning and electrocuted him and it blew the left leg of his suit off.

Lincoln: This will come as a shock to you!

Lincoln channeled billions of volts of electricity and Hoggish screamed in excrucitating pain. Will kicked Hoggish in the nose and broke it. Shocker fired a massive blast of sonic energy and it hurt Hoggish's ears badly.

Venom: I'm getting hungry for some pork and he will be a tasty snack.

Me: You can have a leg and his lower body Venom.

Venom: Ooh tasty.

Venom kicked him in the face and punched him in the stomach.

Venom: Time to tenderize some pork.

Venom unleashed a ferocious flurry of punches and kicks onto him.

Rhino: Let me help with that buddy.

Venom: Be my guest.

Rhino pulverized Hoggish all over the place.

Laney: Flora lets add some herbs and spices to make this pig tasty.

Flora: You read my mind Laney.

Laney grew herbs and spices and added some flavor to him. Same with Flora and she added all kinds of vegetables and herbs.

I saw something stuck to a shack at the edge of a beach.

Me: Hey what's this?

I went over to it and saw that it was was a long thin dagger on a handle. In between the dagger and the handle was a ruby. Two golden thunderbolts came out of the handle. The handle was a small, yet wide handle, allowing for easy grasp.

Me: What is this?

I pulled it out and it had a powerful level of energy unlike anything I've ever seen or felt!

Me: Wow! What power!

J.D. 2: J.D. that dagger you pulled out is a mystical and powerful artifact called a Shen Gong Wu.

Me: A Tool of God?

J.D. 2: That's right and their power is incredible. It dates back to hundreds of years ago.

Shen Gong Wu (神工物 Shén gōng wù, lit. "God Work" or "Tool/Thing of God") were powerful magical objects created by Grand Master Dashi. The Shen Gong Wu activated one by one over a long period, and both the Xiaolin and the Heylin had ways of detecting their activation. The Xiaolin warriors had Dojo Kanojo Cho, and the Heylin villains had Wuya. Wuya grew more powerful with more Shen Gong Wu, so the Xiaolin Dragons-in-training had to collected as many as they could to stop her.

Wuya's story began 1,500 ago, where she fought a great battle between herself and the great Xiaolin Master Dashi in the first Xiaolin Showdown. Wuya pitted her dark magic against Dashi's Shen Gong Wu, and in the end Dashi was the victor and Wuya was imprisoned in a wooden Puzzle Box/Iron Spring. Then, Dashi spread his Shen Gong Wu around the Earth so no evil could ever lay the hands on them.

Me: Wow! It sounds like this Wuya character is really bad news.

J.D. 2: She is. And the powers of the Shen Gong Wu are unbelievably strong.

Me: Then we better be ready for her when the time comes. I want to see what kind of power these have.

J.D. 2: Okay. What you have in your hands is the Thorn of Thunderbolt. It fires a powerful and deadly blast of lightning.

Me: Wow! That is lethal and powerful.

J.D. 2: It is. In order to activate it just yell its name.

Me: Okay.

I went over to Hoggish.

Me: I'll take it from here guys.

I aim the Thorn of Thunderbolt at him.

Me: THORN OF THUNDERBOLT!

It fired a powerful and deadly blast of lightning at Hoggish and it electrocuted him with 10 billion volts of electricity. He was deep fried pork!

Me: Oh that was… AWESOME!

Lincoln: That was so cool J.D.!

Me: It sure was. But that's one less Eco Villain we have to worry about.

I take my sword and slash Hoggish in half at the waist line and gave it to Venom. He was eating it and Fuzzy and his nephews turned the rest of him into pork and bacon.

Me: (Eating a sandwich) Mmm. Good lunch and great job guys!

Venom: Good pork J.D.

Nico: This is a delicious lunch.

Lincoln: It sure is.

Me: Well Hoggish may be a bad guy, but he is a tasty and delicious bad guy!

We laughed at my joke. Nico got a Dunsparce and a Gligar during the battle.

Elena: (To the Viewers) Never overfish or harm the animals that are endangered. They are a part of our planet and we love them. We have to take care of them.

(CHAPTER 687)

It was Day 5 of the Earth Week Project and we were over at the beach by the oceans on the American East Coast. We were picking up litter and garbage on the beaches and in the oceans. We were cleaning up the oceans and the beaches to make sure that no harm comes to the creatures of the land and the seas. We were picking up plastic soda ties, aluminum cans, glass bottles and even cleaning up paper and garbage.

Me: Boy a lot of garbage is here on the beach.

Lily: There sure is.

Laney: Hey Lily how did you know that Mr. Krabs was doing all kinds of bad things?

Lily: I'm not exactly sure myself. But I think that the ocean was telling me somehow by the feel of the water. I didn't know what to make of it but I knew Mr. Krabs was untrustworthy. So I waited until the time was right.

Me: Very clever and good thinking Lily.

Lily: Thanks J.D.

Maria was feeding her Horsea.

Maria: Guys, I have a faster way we an get all this trash out of the water.

Nico: And that is?

Maria: Me and Arixam can turn into our water forms and merge with the ocean. Then, we can get all of the trash out.

Me: That's a great idea Maria. Go for it.

Maria: Okay. Ready sis?

Arixam: You know I'm always ready sis.

Maria: AQUAMARIA!

Arixam appeared.

Arixam: This is gonna be so awesome!

Maria: You know it sis.

Maria went into her swimsuit and Arixam had an aqua blue bikini on.

Lincoln: Arixam you look incredible!

Arixam: (Giggles) (Strikes a pose) Like what you see Lincoln?

Lincoln: I sure do.

Earth: So do I

Wheeler (to Arixam and Maria): Nice swimsuits, girls.

Arixam (blushes): Thanks, Wheeler.

Maria: Lets get wet.

They went into their water forms and went into the ocean and went into their mermaid forms. Arixam had an aqua blue tail and they merged with the water. They combined with the water and manipulated it and out came lots and lots of garbage. And they put it all on the beach. There was a massive pile of trash and junk on the beach.

Me: Holy mackerel! Look at all that junk!

Lincoln: There sure was a lot of it!

Laney: I can't believe that we threw all this into the oceans so carelessly.

Me: Lets get cleaning up. Great job you two!

Arixam: Thanks J.D.

Maria: That is a lot of garbage.

Me: No kidding.

Gi: What people have been doing to the oceans is just sick.

Me: You don't have to tell me twice Gi.

We got to work and we found old rusted out aluminum cans, plastic soda ties, glass bottles and even old discarded fishing nets.

Me: These fishing nets are old.

Lana: They sure are. They look like they were used ages ago.

Nico: No kidding.

The fishing nets had holes and ruined floats on them.

Rikki: Ugh, look at all that garbage. I won't be surprised if any fish got killed from that.

Laney: Me neither. But I think we got all the garbage out of the oceans.

We kept sorting and my geiger counter started clicking.

Me: Uh oh. Radiation. There's something radioactive in here.

I Pulled out a barrel and it had the radioactive sign on it.

Me: Stand back guys! It's a barrel full of radioactive waste!

Wheeler: Whoa! Someone must've dumped a lot of it into the oceans.

Me: Looks like it. Lincoln you better call the HAZMAT division.

Lincoln: I'm on it.

Lincoln pulled out his cell phone and called them. Lisa, Starfire and me pulled out over 2,000 barrels of radioactive waste. The HAZMAT Division arrived and they were loading all the barrels into trucks.

HAZMAT chief: This is a lot of Radioactive waste you all found. Great job finding it and cleaning it all up.

Me: Thank you chief. This was all the radioactive waste that was illegally dumped into the ocean over the decades. And this was all the garbage that was dumped into the oceans over the years. There was a lot of it.

HAZMAT Chief: I can see that. Great job to all of you.

Me: Thank you chief. Whoever dumped all this waste probably has no recollection of it by now.

HAZMAT Chief: I have a feeling you're right J.D.

After the HAZMAT division left we got back to work.

Nico: So, Bai Tza, when exactly did you start doubting Shendu's lies?

Bai Tza: Well, it happened a few hours after Valmont and Shendu freed me. I came across a little girl trapped in a fire. The fire was no match for my water powers and I eventually managed to reunite the little girl with her family. After the family thanked me, that's when I started to doubt Shendu's words.

Me: That was a very heroic deed you did Bai Tza.

Xerneas: It sure was.

Jackie: I have to admit, Bai Tza. You really have come a long way. I mean, first, you were an evil demon sorcerer. And now, you're a Redemption Squad member.

Uncle (smiles): Uncle agrees, Jackie. (to Bai Tza) Uncle is very proud of you for proving yourself as a hero, Bai Tza.

Bai Tza (smiles): Thanks, Uncle.

Uncle (sternly): Do not tell anyone about this, though! Uncle does not want people thinking that Uncle has gone soft!

Bai Tza (laughs): My lips are sealed!

We laughed.

Wheeler: J.D. how come you're not being hurt by Radiation?

Me: I'm impervious to radiation and it makes me stronger. It's how I got a tail.

Lincoln: It's true. J.D. ate a radioactive marshmallow on Total Drama 3 years ago and it gave him his tail.

Kwame: I think I saw that.

Gi: That was a strange thing that Chris did. But I'm glad you all changed his ways.

Me: We're glad too Gi.

We got done with our cleaning at sunset. It took all day but we did it.

Me: Whew! Wow! What a day!

Ma-Ti: This was a lot of garbage we cleaned up.

Me: Yeah no kidding. And we're sweating like pigs.

Lola: You said it J.D.

Lana: I'll say.

Laney: But we did a great service to the oceans and the marine life. We cleaned them completely.

Me: We sure did.

Linka (CP): (Russian Accent) Guys, I have to go to Russia. It's to do something important.

Me: Okay Linka.

We went to Moscow, Russia and we were at a local graveyard near Moscow. We were in front of a grave for Linka's deceased cousin Boris, who was killed by Verminous Skumm because of the Bliss drug.

Linka (puts some flowers at her cousin's grave): Boris, I am very sorry that you can't be here with us today. If I had just prevented you from taking that damn Bliss drug, you would still be alive. But I swear, Skuum will pay for taking you away from me!

I walked up to Linka.

Me: Linka, I'm so sorry about your cousin. Verminous Skumm will pay for everything he has done. I promise you. He will pay.

We went back home into the estate and we formulated a plan. While we were cleaning, Nico caught a Steelix and a Granbull.

Me: Okay before we set out to kill Verminous Skumm we need to know more about him. We already know he killed Linka's cousin Boris. But we don't know anything else.

Laney: J.D.'s right. We have to know who we are dealing with before any definitive course of action can be taken.

Wheeler: That's right.

Ma-Ti: Know you're enemy. That's a great saying.

Kwame: Okay. Here's what Verminous Skumm is.

He is a real dirty rat. Born and raised in a sewer, this towering "Verman" aims to mold the world in his image, and is determined to inherit the Earth. He is quite likely the most evil Captain Planet villain, as he is responsible for killing Linka's cousin by selling him a designer drug which he fatally overdosed upon, and harassed Todd Andrews, an HIV positive kid by making people hate and fear him by lying to them about HIV and AIDS.

Skumm fancies himself an agent of entropy with a mission to instigate chaos and degeneration in the natural order. He exults in humanity's every ecological mistake and helps to accelerate the environment's decline. His weapons are a loathsome intelligence combined with the cunning of a trapped rat, in addition to apparently quite skilled knowledge of chemistry and pathology. His rat pack inhabits only the most vile, degenerate environments of sewage and toxic waste, which they often use to aid in Skumm's odious plots.

Though standing seven-and-a-half feet tall, Verminous Skumm truly resembles a disease-ridden rat in every way, including the tail and claws. He wears a tattered blue jumpsuit and a red scarf around his head and face. His clothes are always dirty, torn and disheveled, as he spends most of his time underground - in sewers or the like.

Like all the villains in Captain Planet and the Planeteers, Skumm represents an ecological threat. In his unique case, he mainly represents not one but two evils: poor sanitation (With a particular focus on the spread of disease that comes about as a result of it), and social/ urban ills such as crime and bigotry. In the two-part Captain Planet episode, Mission to Save Earth, Verminous Skumm is among the five Eco Villains who create Captain Pollution. They did this by creating and using five Anti-Elemental Rings consisting of Deforestation, Toxins, Smog, Super Radiation, and Hate. Skumm's element was Toxins, perhaps used as an evil counterpart for Gi's Water ring. Unfortunately for the Eco Villains, Captain Pollution was destroyed and the Anti-Elemental rings along with him, leading Skumm and the other villains to flee.

One episode revealed that Skumm was (possibly) from an alternate/ past civilization that he helped guide into destruction through massive overpopulation. Alternate future versions of him are shown to be even more mutated, sporting an extra smaller head on his shoulders.

Me: So he's a mutated Bubonic Plague-filled mutant rat.

Wheeler: That's right J.D. and he want's to take over the world with an army of rats.

Lola: EW! I HATE RATS!

Me: I don't like them that much either Lola. Rats are diseased-ridden pests and they are the most repulsive creatures ever known.

Lana: I have a rat named Bitey.

Me: Bitey is the exception. But all rats are full of disease.

Lori: I know. I literally hate rats and mice too.

Me: Lots of people do. But also what is this Bliss drug that Skumm made?

Kwame: It's a very bad drug.

Bliss was a synthetic drug created by Verminous Skumm that made an appearance in the Season Two episode Mind Pollution.

It is a highly addictive substance that seemingly caused people that consumed it to become immune to pain, both physical and emotional. However, withdrawal from the drug is shown to be profoundly hard to experience, and users will do anything to take more Bliss rather than go without it. One of its known victims was Linka's cousin, Boris, who was responsible for getting Linka addicted by slipping Bliss into food that he gave her. Boris ultimately died from a combination of blood loss and a Bliss overdose, and his death convinced Linka to give up the drug.

The formula to create Bliss was destroyed by Captain Planet to ensure that the drug could never be manufactured again to harm more people. In the end of the episode, Verminous Skumm eats a piece of cheese that he doesn't realize is laced with Bliss. He realizes in horror that he has become addicted to his own drug.

Me: Geez! That drug is 1,000 times more addictive than Heroin.

Lisa: Indeed. A drug formula like that would be considered a very dangerous substance to the pharmaceutical and medicinal industry.

Darcy: It sure would Lisa.

Me: And it was this drug that killed Boris. Now Skumm will pay the Ultimate Price.

Nico: You got that right. He has failed the world and the worlds of medicine.

Me: Yep. So far he hasn't made his move. But when he does, we'll be ready for him. But until then lets devise a plan of attack.

Nico: I have an idea. Doesn't Skumm like cheese?

Gi: Yep. After all, he is a rat.

Maria: I get it! We'll lure Skumm into a trap using a trail of cheese. Pretty clever!

Me: Actually that's just a myth. Rats liking cheese has been proven to be just a myth.

Earth: J.D.'s right. We need to use something else.

Nico: I had no idea. But from the looks of things it worked on Skumm before.

Wheeler: It did Nico.

Me: But if it worked before, then we'll do it. But we have to make sure he can't escape so we have to tie him up by his arms and legs.

Stewie: I have just the kind of trap that will work. We'll use a cage trap.

Me: That's brilliant Stewie.

Stewie revealed a set of blueprints and it was similar to that of a Wile E. Coyote roadrunner cage trap.

Me: These plans are genius Stewie. It's perfect.

Stewie: Thank you. And the bars are narrow and made of reinforced Titanium. He won't be able to get out of this one.

Me: Great.

Gali: As long as we get to take a crack at him to make sure he pays for his crimes.

Nokama: I know.

We went to sleep.

* * *

We woke up and had breakfast. We had pancakes and French toast.

Me: Mmm. Good French Toast.

Laney: It sure is.

Later as we were watching TV and Gaia appeared.

Gaia: Team Loud Phoenix Storm and Planeteers.

Me: What is it Lady Gaia?

Gaia: Verminous Skumm is on the move and is trying to poison Sydney, Australia with his Bliss drug.

Me: We're on our way Lady Gaia.

We set out for Sydney, Australia.

* * *

We got to setting up our trap.

Brian: This reminds me of when me and Peter always lure James Woods into a trap.

Me: I heard about that Brian. He used the old box trap. That is an ages-old trap that was commonly used.

Brian: It was.

We got the trap set up and we had Cheddar cheese as the bait. We covered the trap up and had the bait set up.

Me: Okay. The trap is all set.

We went and hid in the bushes and waited. 20 minutes later we saw a periscope pop out of the ground and out came VERMINOUS SKUMM! He crawled over to the cheese.

Skumm: I love cheese.

He started eating it and the trap sprung.

Skumm: What the!?

CLANG!

The cage trap trapped him!

We walked up to him and he saw us.

Skuum: Should've known I'd be walking into a trap.

Linka: Remember Boris? The boy you got killed using Bliss?!

Skuum: Of course I do. But what does it matter to you anyway?

Linka (angry with tears in her eyes): EVERYTHING! (punches Skuum in the face)

Nico: Verminous Skumm you have failed this planet!

Me: You will pay for everything you've done. You murdered Linka's cousin Boris and now you will answer for your crimes when we send you off to Hell!

Skuum: I don't know why you Planeteers chose now to be harsh on me. If you had been harsh on me at the beginning, then you would've saved a lot of people pain. Including your loved ones!

Me: Then we're about to start right now!

Then we felt tremendous footfalls!

Me: What the!?

Nico: What in the world is that!?

Me: It's huge whatever it is. But I'm sensing Heartless coming.

Skumm: Oh I have a huge friend.

We saw a huge Heartless.

The Heartless that appeared before us looked like a female giant made of solid rock.

Ed: Po Kong?!

Mountainous Heavyweight: **Hello, Ed! I never did get to eat you!**

Me: Po Kong!?

Bai Tza: Sister!? How are you a Heartless?

Mountainous Heavyweight: **It's a funny story sister.**

Skuum: She's not the only Heartless you have to worry about!

Another Heartless appeared. This one was a witch made of pure black water.

Courage: The Queen of the Black Puddle!

Bai Tza: You think she's still mad that the three of us killed her?

The Dark Water Devil roared.

Maria: Yep! She's still mad!

Me: This is gonna be rough guys! Lets power up!

We powered up and transformed.

Inferno (BW): Inferno TERRORIZE!

Inferno transformed.

Nico: Destroy that monster Inferno! (Points to the Dark Water Devil)

Inferno: Yes my boss.

Inferno fired a blast of fire and incinerated it.

Gi: Why did we get stronger when the Queen of the Black Puddle's Heartless was destroyed? That didn't happen when we killed those other Heartless.

Me: She was pure evil and we have the ability to get stronger by absorbing negative energy and converting it into positive energy. It makes us far more powerful.

Gi: That's amazing.

Kwame: It sure is.

The Mountainous Heavyweight then grabbed Ed and ate him. She swallowed him.

Mountainous Heavyweight: **Mmm. Tasty.** (LOUD BELCH)

Me: You are disgusting Po Kong.

But then something happened inside her. A bulge in her chest formed and Ed exploded out of her chest as Edzilla and the burst-out splattered mud and tissue made of pure mud all over the place.

Everyone: EW!

Lana: Oh that was cool!

Me: Very clever using the Chestburster method.

Nico: It sure was.

Maria: Lets get this freak!

Luna: Lets do it dudes!

They went at the Mountainous Heavyweight and it was a savage and merciless beatdown. Luna fired a powerful blast of singing water at the Mountainous Heavyweight and it hit her square in the face and she punched her in the face with devastating force. Maria slammed a fist made of pure water into the Mountainous Heavyweight's big belly and she belched out a tremendous amount of mud and dirt from the hole in her chest and her mouth. Lily fired an enormous blast of glowing water and it hit her in the face and knocked out some of her crystal teeth. Varie whistled and a whale jumped out of the water and it slammed onto the Mountainous Heavyweight with a tremendous and thunderous thud. Varie got the whale off and Irma fired a massive blast of water at the Mountainous Heavyweight.

Misty: Lets go Gyarados!

Gyarados came out and Misty spread her wings.

Misty: Gyarados, Dragon Rage!

Gyarados fired a massive blast of blue and black energy fire and it turned into a dragon and Misty fired a powerful ice beam blast. They hit the Mountainous Heavyweight and exploded with incredible power!

KRABBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion blew a hole into the Mountainous Heavyweight's big belly and she belched out even more mud and earth. Gali slashed her with her axe swords and fired a powerful blast of water and it slammed into her with devastating force and Nokama fired another blast of water and it slammed into her.

The Mountainous Heavyweight got up.

Mountainous Heavyweight: **You have a great teamwork. Too bad**

**it won't be enough.**

She went up to Jackie Chan.

Mountainous Heavyweight (to Jackie): **Chan!** (picks up boulder) **Any last words?**

Edzilla (gets up): Ed… (Mountainous Heavyweight turns towards him)… SMASH! (punches the ground, making Mountainous Heavyweight fall down)

The Mountainous Heavyweight fell down.

Me: Lets finish this overgrown tub of lard!

Ed and Leni fired a massive blast of magic and they sealed Po Kong into a statue and Leni got Po Kong's powers as her own.

Me: Now for Skumm.

We walked up to Skumm.

Thundercracker: J.D., me and Skywarp found all of Skumm's entire supply of the Bliss drug and destroyed it completely.

Me: Good work Thundercracker.

We walked up to Skumm still trapped in the cage.

Skuum: Go ahead and kill me. It won't bring back your precious cousin B-

Linka (grabs him by the throat): You don't get to say his name!

Nico: Not even criminals like Bane and Luthor would commit the crimes that you've done!

Skuum: I guess that's why I wasn't invited to the Legion of Doom.

Me: This time you won't ever be welcome here Skumm. Attack!

We busted the cage and Maria fired a powerful blast of water that sent him into the sky. Arixam jumped up and slashed Skumm with her water swords and chopped his tail off.

Juvia: (Echoing) WATER CYCLONE!

Juvia casted a whirling torrent of water which resembles a cyclone. It hit Skumm and soaked him.

Gray: (Echoing) ICE-MAKE: LANCE!

Gray extended his arms forward, creating long, curved ice lances that he shot towards Skumm, impaling him. Bai Tza fired a massive blast of water and soaked Skumm. William fired a blast of ice from his blaster and froze Skumm.

Luan: This one is going to Light you up! (Laughs) Get it? But seriously it will.

Luan fired a massive blast of light at Skumm and it burned him in the chest. Shego fired a powerful blast of green fire and burned him. Stella fired a blast of light from his hand.

Thunderblast rode on a wave of water created by Maria.

Thunderblast: WHOO! Lets make this rat stew!

Divebomb agreed.

Thunderblast: CYBER KEY POWER!

The Earth Cyber Planet Key went into Thunderblast's rocket launcher and made it a bigger rocket launcher.

Thunderblast: It's combo time!

Thunderblast fired numerous massive laser blasts and Divebomb dove.

Thunderblast: EAGLEMISSILE BARRAGE!

Divebomb (Energon) went at Skumm and pulled up and the laser blasts hit Skumm and exploded.

KRABOOOM! KABOOM!

Garurumon: It's our turn Matt!

Matt: Lets get him Garurumon!

Garurumon: I'm always ready for anything Matt.

Sandstorm: Lets get him.

Sandstorm went into his helicoptor mode and fired missiles.

Garurumon: (Echoing) HOWLING BLASTER!

Garurumon fired a powerful stream of blue energy from his mouth.

Sandstorm and Garurumon: DESERT WOLF ASSAULT!

The missiles combined and turned the energy blast into a deadly wolf of pure energy and it hit Skumm and exploded.

KRABBOOOOOOOOOOOOOOOMMM!

Brawl: It's combo time Inferno.

Inferno (BW): You got it Brawl!

Brawl fired his electron gun and Inferno fired a flamethrower blast.

Brawl and Inferno (Beast Wars): PYROCUMULUS STORM BLAST!

The blasts combined and turned into a deadly pyrocumulus cloud that struck Skumm with lightning.

Cleo: Time to test out my new hardware. WINGS OF TINABI!

Cleo had a backpack-like device on her back and it opened and grew eagle wings and she flew and the wings left a rainbow vapor trail behind.

Me: Oh wow! That is so cool!

J.D. 2: That is a Shen Gong Wu called the Wings of Tinabi. It's a special transportation Shen Gong Wu that enables the user to fly with the wings of an eagle while leaving a rainbow vapor trail behind.

Me: That is awesome! And she can fly very fast with it. I wonder where Cleo found it.

J.D. 2: That's what I would like to know.

Cleo flew up to Skumm at a blazing speed and she punched him with powerful force and a fist with ice on it formed into a spike ball.

Me: It's final smash time!

Lily: I'll start us off! GLOWING TSUNAMI SLAM!

Lily fired a massive blast of glowing water and it slammed into Skumm with devastating force.

Bai Tza: My turn. 巨型水波龙 (Translation: MEGA WATER WAVE DRAGON)

Bai Tza fired a massive blast of water that turned into a deadly and ferocious dragon made of pure water and it slammed into Skumm with devastating force.

Gi: My turn. MEGATSUNAMI SPEAR SLAM!

Gi fired a bunch of spears made of pure water at Skumm and they hit him and impaled him and exploded.

Luna Loud: My turn dudes! SIREN WATER SONG!

Luna sang loud and a massive blast of water exploded out of her mouth and it hit Skumm and exploded.

Cleo: Time for the grand finale girls!

Rikki: You got it Cleo!

Emma: Lets do this!

Bella: Yeah!

Cleo, Emma, Bella and Rikki: OCEANIC SMASHER FORCE!

They fired a massive blast of water and it hit Skumm with devastating force and sent him crashing into the ground!

I pulled out my 50 caliber pistol and put a bullet in it.

I spun the barrel.

Me: Linka. He's all yours.

I handed her the gun.

Linka: Thank you J.D.

Linka walked up to Skumm and pointed the pistol at his head in between his eyes.

Linka: This is for Boris you monster! Go to Hell and stay there you son of a bitch!

She pulled the trigger.

LOUD BANG!

Linka blew Skumm's head right off his body and killed him instantly.

I fired a powerful energy blast and vaporized him.

Wheeler walked up to Linka and she cried hard and grieved for Boris. Wheeler comforted her.

Skumm's spirit appeared.

Wheeler (to Skuum's spirit): It's over for you, you filthy vermin. And Captain Pollution's next!

Nicole: And you will never poison our planet ever again!

Nicole sealed Skumm's spirit into the Book of Vile Darkness and I kept Skumm's Ring of Toxins as a trophy. Ed and Leni kept the statue of Po Kong.

Gi: (To the Viewers) This was an eventful Day for all of us.

Me: It sure was Gi.

(CHAPTER 688)

Scene opens to an extremely polluted city.

Narrator: Our world is in peril! Gaia, the spirit of the Earth can no longer stand the terrible destruction plaguing our planet.

Gaia fired a purple blast of energy into the air and it formed into 6 orbs of energy that turned into 6 magic rings.

Narrator: She sends 6 magic rings to 6 very special young people.

The Earth symbol showed 6 people running on it as the rings went to them.

Ma-Ti: HEART!

Planeteers: GO PLANET!

Captain Planet emerged.

Captain Planet: By your powers combined I AM CAPTAIN PLANET!

(Woman Singing) CAPTAIN PLANET, HE'S A HERO. GONNA TAKE POLLUTION DOWN TO ZERO. HE'S OUR POWERS MAGNIFIED AND HE'S FIGHTING ON THE PLANETS SIDE.

CAPTAIN PLANET, HE'S A HERO. GONNA TAKE POLLUTION DOWN TO ZERO. GONNA HELP HIM PUT ASUNDER BAD GUYS WHO LIKE TO LOOT AND PLUNDER.

Looten Plunder: YOU'LL PAY FOR THIS CAPTAIN PLANET!

Planeteers: (SINGING) WE'RE THE PLANETEERS! YOU CAN BE ONE TOO. 'CAUSE SAVING OUR PLANET IS THE THING TO DO. LOOTING AND POLLUTING IS NOT THE WAY. HEAR WHAT CAPTAIN PLANET HAS TO SAY!

Captain Planet: THE POWER IS YOURS!

---

It starts with us in a graveyard. It was day 6 of our Earth Week Project. But before we got started we were at the aforementioned graveyard in front of a memorial. We were at the graveyard for a reason. Today was April 20th, 2019. And it was also the 20th anniversary of one of the darkest days in American history: The Columbine High School Massacre. We were at the graveyard in Littleton, Colorado paying our respects to the 13 people that died in this horrific tragedy. I wasn't born back then but it was a horrible day for all of us. 20 years ago today on April 20th, 1999 two high school kids Eric Harris and Dylan Klebold walked in with a load of guns and bombs and killed 13 kids and teachers and killed themselves. 24 survived with non-fatal injuries. It was without a doubt the worst ever massacre in the history of the United States of America.

Lori: This is literally awful.

Laney: I can't believe those 2 kids did this to this school 20 years ago today.

Me: Yeah. It was absolutely horrible what they did. These were killings all motivated by revenge and for the sheer thrill of it.

Varie: I can't believe this happened and those 2 kids needed a lot of psychological therapy.

Aylene C.: The warning signs were never detected.

Lincoln: And this all happened anyway.

Sasuke: It's just absolutely horrible at what those two kids did to these people. It's awful and I thought the massacre on my clan was bad.

Wheeler: Yeah.

Me: And they had their lives senselessly cut short by two kids out for Vengeance. Lets pay our respects to these kids and those that have survived.

We got on the ground and prayed to them and paid our respects to them on this tragic day. We said a prayer for them.

---

Back at the estate we were discussing about what to do for our Earth Week project.

Flik: So, what environmental activity are we going to do today?

Me: We're going to be discussing about all the effects of pollution in general.

Gi: That's a great idea J.D.

Wheeler: You know what I just realized? We never called Captain Planet yet.

Me: No we haven't. And we just recently joined the Planeteers.

Kwame: That's right.

Gi: I wonder how Captain Planet's doing. I hope he's ok.

Captain Planet just got done fighting space pirates sent by Kanjar Ro.

Captain Planet: I wonder how the Planeteers are doing. I hope nothing bad's happened on Earth in my absence.

Bubble Man: Maybe we should have Captain Planet hang out with us to make him feel like part of the team.

Me: That reminds me. Wheeler you said before Skumm was sealed into the Book of Vile Darkness that Captain Pollution is next. Who is Captain Pollution?

Kwame: He is the exact opposite of Captain Planet.

He is an evil clone of Captain Planet who exists with a completely destructive and insane personality to make the world a pollution-filled cesspool. He is one of the superhero's most powerful enemies due to Captain Planet weakness to pollution, though Captain Pollution, in turn, is weakened by the natural elements of the Earth, such as water, clean air, sunshine, etc.

Me: Whoa! This guy is pure evil to the core!

Lincoln: He's Captain Planet's Evil Twin.

Laney: Instead of protecting the planet he wants to destroy it.

Lori: Literally the exact opposite.

Lana: How are we gonna kill a creep like Captain Pollution?

Me: He's immortal and in every way like me and he can't be killed by conventional methods or our powers. But he is weak to the natural elements.

Laney: I have an idea.

Me: What you got Laney?

Laney: Remember how me and Crysta sealed away Hexxus into another enchanted tree?

Me: I'll never forget that Laney.

Lincoln: Yeah that was so awesome!

Laney: Me and Crysta can do the exact same thing to Captain Pollution.

Me: That's a great idea Laney. It just might work. If he's eternally sealed into a tree then he'll die and become one with all of nature. The very thing he's trying to destroy.

Luan: That is a cruel twist of irony for him.

Lynn: It sure is.

Me: But in order for that to happen we would have to summon a tremendous amount of Nature's life energy.

Laney: I can do that. I can send a message to Pips and everyone in FernGully to help us.

Me: Okay. We have to make sure that Captain Pollution never returns.

Linka (CP): (Russian Accent) It's not gonna be an easy fight but we can do it.

Lola: We sure can!

Bai Tza: Guys I just noticed something.

Maria: What is it Bai Tza?

Bai Tza: I noticed that with every Eco Villain we fought, one of my former siblings were with them.

Me: I know it's like a blast from the past in Heartless form.

Vince: First was Dai Gui.

Lori: Then Xiao Fung.

Lincoln: Then Tchang Zu.

Leni: And now Po Kong.

Me: I have a very strong feeling that Shendu is coming.

Bai Tza: And if that wretch that was once my brother appears then he will die.

Me: I killed him Bai Tza.

Jackie: And without a strong doubt he will try to get revenge on me. I foiled all his plans.

Me: I remember that Jackie. And we'll be ready for him. So far all of Bai Tza's siblings were turned into Heartless made of different elemental forces in their pure form. The Volcanic Minotaur was pure lava, the Cyclonic Toadblower was made of pure wind, the Terrifying Thundergolem was made of pure lightning and the Mountainous Heavyweight was made of solid rock. I have a strong feeling that Shendu's Heartless is gonna be made of pure fire, Tao Lan's Heartless is gonna be made of pure lunar light and Hsi Wu's heartless will be made of pure metal.

Jackie: I have a feeling you're right J.D.

Bai Tza: It's just absolutely awful that we did all kinds of terrible deeds over the course of 900 years. I was so blind for all those years.

Sam S.L.: It's not your fault Bai Tza. If anyone is to blame it's your former siblings.

Then Gaia appeared and she didn't look good.

Me: Lady Gaia what's wrong?

Gaia: (Weakly) It's Captain Pollution! He's destroying all of Erta Ale.

Me: In Ethiopia?

Gaia: That's right. You have to stop him.

Me: We're on our way Lady Gaia. Hang in there.

Gaia vanished.

Me: We have to do this now. Laney you better gather your power.

Laney: Okay J.D.

Laney stood in a meditative position and she started to glow. Thunder rumbled and a choir vocalizing was heard. The whole city and all of nature all over the area began to glow and all of natures powerful life energy began to flow right into Laney. We were amazed as Laney was glowing in a powerful sky blue aura and her energy levels were rising at an astronomical level. When it was done, Laney was completely infused with all of natures power.

Me: Laney? How do you feel?

Laney opened her eyes and her sclera were glowing aqua blue and she had a tree full of life emblazoned in the middle of her forehead.

Laney: (Echoing Voice) **I feel incredible J.D. And the power of all of nature will help us.**

Me: Incredible.

Lincoln: Laney you look unbelievable!

Lana: Yeah you look like you can take on the most evil of all threats to the planet.

Lola: Yeah!

Laney: **I know. Lets go get Captain Pollution.**

Me: You got it. Kwame we need to summon Captain Planet!

Kwame: Let our powers combine. EARTH!

Wheeler: FIRE!

Linka: WIND!

Me: LIGHTNING!

Gi: WATER!

Ma-Ti: HEART!

6 beams of light fired into the sky and combined and out of the blast came CAPTAIN PLANET!

Captain Planet: BY YOUR POWERS COMBINED, I AM CAPTAIN PLANET!

He landed by us.

Me: Captain Planet it's such an honor to meet you.

Captain Planet: You too J.D. I heard a lot about you and all the good deeds you have been doing.

Me: We get that all the time.

Captain Planet (to the Planeteers): I'm very proud of you all for defeating the other eco villains by yourselves.

Me: Thanks Captain. But he have a huge problem. Your evil twin Captain Pollution is causing problems in Ethiopia.

Captain Planet: Lets go then.

We were off to Ethiopia.

---

We were flying over Africa. We arrived in Ethiopia and we saw the entire land area around Erta Ale completely on fire and black smoke was billowing into the sky at an incredible rate.

Me: Wow. What an inferno.

Lola: What is causing that?

Me: It's not just Captain Pollution. This is the work of something else.

We went into the inferno and we saw Captain Pollution making things worse.

Me: So that guy is Captain Pollution.

Captain Planet: That's right. He's my evil twin always trying to destroy everything.

Me: This guy really is pure evil. THORN OF THUNDERBOLT!

I fired a powerful blast of lightning at him from the Thorn of Thunderbolt and it him him and exploded.

KRABOOM!

It blasted a hole in his back.

Lola: Nice shot J.D.

Me: Thanks.

Captain Pollution flew up to us.

Me: Captain Pollution in the toxic flesh.

Captain Pollution: J.D. Knudson and all of Team Loud Phoenix Storm. And you have Captain Planet and his Planet Weaklings.

Me: For your information you planetary biohazard, they are the Planeteers and our friends and teammates. You've tormented our planet for far too long and now you live pay for everything you've done. You've caused all this destruction and you will now pay for it.

Captain Pollution: Oh I didn't cause all this. (Points to something) He did.

We saw a creature of pure fire!

The Heartless that just appeared was a dragon made of pure fire that's hotter than the sun.

Jackie: Shendu?!

Inferno Planetkiller: **You and I have a score to setttle, Jackie**

**Chan!**

Me: Shendu!? But I killed you!

Inferno Planetkiller: **Yes you did J.D. and now I can kill you after I kill Jackie Chan!**

Me: You want to get to Jackie, you'll have to go through me!

Bai Tza saw Shendu reborn as a Heartless and she was shocked as all get out. But that shock quickly turned into incredible rage! She fired a massive blast of water at him and a massive cloud of steam came off him and he screamed in pain.

Bai Tza: You make me sick just looking at you "Brother"!

Inferno Planetkiller: **Dear sister. How could you be so blind?**

Bai Tza: No "Brother", it is you that is blind. I've lived for 900 years and I had to endure the hardships of being a Demon Sorcerer and I've had to put up with all of your pathetic lies! One after the other. You are a disgrace and I should've killed you all those years ago.

Lola: Wow! Jackie I didn't know Bai Tza had a horrific vendetta against Shendu.

Jackie: All of Bai Tza's siblings had a massive vendetta against him.

Me: That is one powerful grudge. And she lived for 900 years harboring such a hateful vendetta? That's awful.

Girl Jordan: No kidding. But I'm glad I helped Bai Tza come into the light.

Me: I'm glad you did G.J. Bai Tza, I killed Shendu so I'll deal with him.

Bai Tza: Okay J.D. Show no mercy on him.

Me: With pleasure.

I walked up to him and I was looking into his eyes full of righteous fury.

Me: Shendu I will never forgive you for all the pain and suffering you've caused over the centuries.

Inferno Planetkiller: **If it wasn't for Jackie Chan, I would still have my empire.**

Me: You will never torment our planet ever again Shendu. Also I'm not the same as I was back when we fought the last time.

Inferno Planetkiller: **How so J.D.?**

I had a ring of fire appear around my feet and I was enveloped in a massive vortex of pure fire and it turned into a phoenix. When the vortex faded I was now in my Super Ebonwu 30,000 Phoenix Angel form.

Me: This is how. I'm now more powerful than ever. Shall we dance?

Inferno Planetkiller: **Lets.**

(Battle of The Heroes Theme from Star Wars III plays)

We went at each other and I punched Inferno Planetkiller in the face and kicked him in the stomach. Inferno Planetkiller forms a sword of pure fire and I unsheathed my sword and we clashed our blades. We were clashing our swords at a powerful and ferocious rate of such unimaginable power that it was incredible. Sparks and embers were flying everywhere and setting much of the land on fire and the whole area around the volcano was turning into a raging and massively epic conflagration of incredible fury. I fired a powerful blast of energy at Inferno Planetkiller and it hit him and exploded and I kicked him in the face and slashed him in the face and stomach.

Me: You've tormented our planet for the last time Shendu. For 900 years you've ruled and I destroyed your reign for good.

Inferno Planetkiller: **I remember that. You destroyed me in the clouds of Jupiter.**

Me: Yes. And since we're not in those clouds I figured it might as well be here where you will never torment our planet ever again.

Inferno Planetkiller: **Bold words from a human. Maybe I'll put them on your tombstone.**

Me: This fight isn't going to be over until one of us is standing. And it's not going to be you Shendu.

Inferno Planetkiller: **You are right.**

Me: Nice to know that we agree. Now it's time for you to say hello to Oblivion!

I went at the Inferno Planetkiller at a blazing speed and kicked him in the stomach with incredibly devastating force and then I fired a blast of magic that sealed him into a statue once again and stripped him of his powers and made them my own.

Shendu: **NOT AGAIN!**

Me: Yes again. And you're gonna be a great trophy for me. Now there's only one thing left undone.

I went to join the battle with Captain Pollution.

Captain Planet: You won't get away with everything you've done Pollution.

Planeteers: GO PLANET!

Captain Pollution (grabs Captain Planet by the throat): Look at everyone's favorite environmental hero now, you stupid pathetic waste! (punches Captain Planet) You've been serving the Earth for too long, Captain Planet! Now your time is up! (punches him again) And don't worry. I'll take good care of your precious Planeteers!

Nico swooped in and kicked Captain Pollution in the face and punched him several times in the stomach and kicked him in the chest with devastating force.

Nico: Captain Pollution you have Failed the entirety of the Universe.

Captain Pollution: You will fail this universe like everyone I will destroy!

Me: Not likely freak!

I punched him in the face with devastating force and fired a blast of water at him and it weakened him.

Me: You will pay for tormenting our planet Pollution!

Captain Pollution: Not if I kill you all first.

Nico: Bring it on you freak!

I went at Captain Pollution and punched him in the face and I fired a powerful blast of fire at him and burned him and Captain Pollution fired a powerful blast of energy at me and I did the same and our blasts collided and they exploded.

KRABOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM!

Lori called her spears of wind and spun them rapidly and fired a massive dragon of pure wind at Captain Pollution. It hit him and spun him around in a massive tornado of wind and Luna and Maria fired a massive blast of water and drenched him in water. It substantially weakened him.

Carol fired a blast of lava at Captain Pollution with Baragon's Lava blasts and she fired a blast of Destoroyah's Micro-Oxygen ray. The blasts hit him and exploded.

KRABOOOM!

Vince and Carol held hands and fired King Ghidorah's Gravity Lightning and it hit him and exploded all over him.

Lana fired a blast of ice lightning and froze Captain Pollution. Lola fired a blast of fire and burned him and Lincoln and Linka fired blasts of lightning and electrocuted him bad. Carol flew up to him and had her hand in a karate chop form and it glowed orange-yellow and she slashed him in his chest and blood made of sludge and grime exploded out of him from the wound.

Me: Yuck! That was Destoroyah's Horn Katana. Deadly and powerful.

Captain Pollution belched out some sludge blood.

Captain Pollution: I will destroy us all before I let you all live! Either way you all will never make it out of here alive!

Me: We'll see about that!

Captain Pollution put his hands together and channeled all his power into a red energy ball. He had it float up into the sky.

Captain Pollution: Guess what? I just had a brilliant idea. I figured out how to beat you.

Me: Hmm?

Captain Pollution: Your power is all amazing but there's more to winning than that. Sometimes it's the smartest one that wins. Not the strongest! (Laughs Insanely)

The energy ball powered up.

Me: Uh oh.

J.D. 2: J.D. he's going to destroy the planet Earth like with how Frieza destroyed the planet Namek!

Me: (Gasp) That's not good!

Captain Pollution: NOW SAY GOOD-BYE TO EARTH!

He fired the energy ball down to the planet.

Me: Oh no!

Captain Pollution: DIE PLANET DIE!

But before the blast could hit the planet Nico teleported and caught the energy ball.

Nico: Nice try Pollution. But I know all of Frieza's moves and how he destroyed the planet Namek.

Me: Nice save Nico. (To Captain Pollution) But what you did shows that you are nothing more than a coward. Destroying all of us to make sure that we don't win isn't any way to fight. It's just another way of giving up.

Nico: Now it's time for you to die Pollution!

Me: It's combo and Final Smash Time!

Elita One: Lets start things off.

Flik: You got it Elita One.

Elita One was in jet mode and she fired lasers and missiles and Flik fired berry bombs.

Elita One and Flik: LASER BERRY BARRAGE!

The berries and lasers hit Captain Pollution and exploded.

Bubble Man: Our turn. Ready Sky Lynx?

Sky Lynx: You know I am!

Bubble Man fired a blast of water and Sky Lynx fired a powerful laser.

Bubble Man and Sky Lynx: BUBBLE LASER DEATHSTORM!

The Bubbles and Lasers hit Captain Pollution and exploded all over him.

Captain Planet: It's Final Smash time! PLANET ELEMENT STRIKE!

Captain Planet fired blasts made of Earth, Fire, Wind, Lightning and Water and they hit Captain Pollution and exploded.

Jackie: My turn. 12 TALISMAN SPIRIT STRIKE!

Jackie fired blasts from the 12 Talismans of Shendu and they represented one of each of the 12 Animals of the Chinese Zodiac.

They hit Captain Pollution and exploded. He was knocked out.

Me: Now it's time to make sure you never terrorize our planet ever again.

During the battle, Nico caught a Qwilfish and a Scizor. And I found the Shen Gong Wu called the Third-Arm Sash which has the power to extend several meters and grab far away objects.

---

Back at the estate in our backyard, Laney was ready. She had a seed grow inside Captain Pollution after he swallowed it and she, Crysta and the fairies of FernGully helped it grow.

Nico (to Captain Pollution): I hope you like being a tree!

Me: It's gonna be your prison from now on for all of eternity. You will now be one with the very thing you've been trying to destroy.

Captain Pollution let out one final scream before he was sealed into a huge tree for all time. It bloomed with plants and flowers and all that.

Laney powered down.

We were finally free of Captain Pollution.

Nico (to Captain Planet): You want to have pizza with us? I can imagine that you've never had time to hang out with Wheeler and the others socially.

Captain: I would be honored Nico. (To the Viewers) You all have the power to do anything to save the planet. THE POWER IS YOURS!

---

In My room I had Shendu by my wall.

Shendu: **You will pay dearly for this J.D.**

Me: Don't be so sure my fiery friend. You've had this coming for over

900 years. You are now my prisoner Shendu. And besides I could use someone to talk to.

Shendu: **Very well. But how long will I be sealed in this accursed statue again?**

Me: For 900,000 lifetimes. Thats 67,500,000 years. Besides I beat you twice and you can at least be here for a bit.

Shendu: **Very well.**

Me: Now we have the rest of your brothers to deal with. I take it you heard about us encountering them when we killed the rest of the Eco Villains?

Shendu: **Of course. They have been reborn as what you call Heartless.**

Me: Same with you Shendu. We have the Heartless of Tso Lan and Hsi Wu left to face.

Shendu: **You do know that it was my brother Hsi Wu that played with Jade Chan's feelings right?**

Me: How can I forget that? What he did was absolutely despicable. You mess with someones feelings like that and there will be hell to pay. I take it you know the old saying "Hell Hath no fury like a Woman Scorned."

Shendu: **Of course. I've seen how dangerous women can be.**

Me: We agree on that. But nobody should have to hear that.

(CHAPTER 689)

It starts in Gotham Royal York's central park. I picked up an easter egg colored red, orange and yellow.

Me: Pretty colors.

I put the egg in my basket.

Me: (To the viewers) Oh hello there. Today is a special day here in Gotham Royal York Central Park and all over the world in the Christian Religion. Today is April 21st, 2019 A.K.A. Easter Sunday and this is a very important day in the Christian Religion. 2 days ago, in the year 33 A.D., Jesus Christ our lord and savior was condemned to be executed on the cross by the Jewish People. It was a gut-wrenching day and Jesus Christ died a horrible and agonizing death so that he can make the ultimate sacrifice to have our sins forgiven. That day 2 days ago is what we call Good Friday. Jesus said that in 3 days after he dies he will come back from the dead. And today is that day. Easter Sunday celebrates the resurrection of Jesus Christ and his great ascension into Heaven. We also celebrate this glorious holiday with an awesome Easter Egg hunt. Every year we hunt for these awesome Easter Eggs that are filled with chocolate, candy, jelly beans, and in rare circles: Money. Easter is a major holiday for all of us and it's a fun one too.

It was also day 7 of the Earth Week Project.

We picked up numerous eggs of different colors as we walked through the park and collected all kinds of Easter Eggs of many colors and designs. But we were also having another contest. Whoever finds an Easter Egg made entirely out of solid gold wins an awesome trophy and a giant 10 pound chocolate bar.

Lana picked up a blue easter egg. And as luck would have it she found the solid gold easter egg!

Lana: I found the gold Egg!

Laney: Way to go Lana!

Lana had won the contest. But then she saw something sticking out of the grass like a sore thumb.

Lana: What's this?

She pulled it out and it was a sword.

Lana: Wow! I found a sword!

It was a goldish-bronze scimitar with a black handguard, simple grip, and an oriental pommel with a tassel at the end.

Me: Hmm. I've never seen a sword like that one.

J.D. 2: That sword is a Shen Gong Wu.

Me: Oh wow. It's a Shen Gong Wu?

J.D. 2: Yep. It's called the Sword of The Storm. It can create powerful blasts of wind and even tornadoes.

Me: Wow! That's incredible.

J.D. 2: It is.

Me: Lana that sword is a Shen Gong Wu called the Sword of The Storm. It's a powerful Shen Gong Wu that can create powerful blasts of wind and tornadoes.

Lana: Oh that is awesome! I'll be careful with it.

Lana had won the trophy and the huge chocolate bar and got an awesome Shen Gong Wu to boot.

We had an awesome breakfast outside in the yard by the lake. We were having pancakes, waffles and omelettes. During the Easter Egg Hunt, Nico caught a Shuckle and a Heracross.

I was having blueberry waffles and chocolate pancakes.

Manaphy, Poromon, and Poliwag: HAPPY EASTER, EVERYONE!

Nico: Thanks guys.

May: This is so awesome

Nico: Happy Easter, May.

May: You too Nico.

Me: Mmm. Yummy pancakes and waffles.

Lana: I'll say. Dad makes awesome breakfasts.

Varie: He sure does.

Carmen: Sis, can I eat the chocolate from some of the eggs?

Maria: Only a couple of chocolates sis.

Carmen: Okay.

Carmen ate some chocolates.

Lori Jimenez looked at her breakfast and it reminded her of something from her past. And then she broke down crying.

We were concerned about this.

Me: Lori?

We went over and we were concerned.

Me: Lori what's wrong?

Laney: Why are you crying?

Optimus Prime: I wonder what has Lori so upset?

Scattershot: Boy I don't know Optimus.

Gi: Lori you can tell us what's wrong?

Me: Yeah Lori.

Lori J.: (Sniffles) This reminds me of my mother. Before she died! (Crying)

We were saddened by what happened.

Me: What happened to your mom Lori?

Lincoln: You can tell us Lori and we can try to help you.

Lori J.: (Sniffles) Okay. It was back several months ago. Before I met you guys.

---

Lori J.: (Narrating) **The Cybertronian War was in its climax and Optimus Prime and the Autobots were fighting Galvatron and the Decepticons to stop a black hole from destroying the universe. Using the cover of the war, Dr. Blight set out to cause a lot of damage to the planet. My mother Gloria got word about Dr. Blight's plots and she tried to stop her.**

FLASHBACK PAUSES

Me: How does your mother know Dr. Blight?

Lori J.: This may come as quite as a shock to you all but Dr. Barbara Blight is my moms sister and she's also my aunt.

We gasped in sheer horror. Dr. Blight, the most evil mad scientist trying to destroy the planets ecosystem is also related to Lori Jimenez's mom.

Me: My gosh! We had no idea she was your aunt Lori.

Lori J.: It's worse than that J.D.

FLASHBACK RESUMES

Lori J.: **My mother tried to stop her from launching a chemical weapon into the atmosphere to destroy the ozone layer. She succeeded by pressing a self-destruct button and it blew up the rocket containing the chemical weapon. But Dr. Blight became enraged and she stabbed my mother in the chest! Killing her! (Crying)**

FLASHBACK ENDS

We were absolutely horrified and shocked.

Shockwave: That is awful.

Hot Shot: That woman is a monster. I can't believe she would kill her own sister like that in cold blood.

Batman: Lori, I'm so sorry. I know just how you feel. I know what it's like to lose a parent. I lost both of my parents in an act of revenge when my father got a local mob boss arrested.

Superman: I know how you feel too Lori. I lost both of my parents when the planet Krypton exploded and killed all my people.

Me: That's right Lori. Most of us all come from tragic backgrounds and lifestyles.

Volcana: It's not a pretty lifestyle Lori.

Sasuke: That's right. I lost my whole clan due to the corruption of the village elders.

Naruto: I lost my family because of a rogue Uchiha that was out to destroy the planet and kill everyone.

Me: Yeah. Lots of us come from lifestyles that are good and bad.

Optimus Prime: I had no idea you all had rough lives.

Me: It's been like that for all of us Optimus. But Lori, I promise you that when Dr. Blight makes her move, Justice will be brought to that malevolent monster. I promise you.

Lori J.: Thank you J.D.

Me: You're welcome. But before we go after Dr. Blight we need to know more about her. If she is as dangerous as the Planeteers say she is then we have a huge challenge ahead of us.

Kwame: You are correct J.D.

Wheeler: Dr. Blight is the most evil eco villain we know. She even tried to get a nuclear bomb to Adolf Hitler!

We gasped in fright when we heard Wheeler say that name!

Me: She tried to give a nuke to the most hated man in all of our history!? The very leader of the Nazi's who terrorized all of Europe during World War II!?

Linka (CP): That's right J.D.

Me: She is just as Anti-God as Hitler. And my grandfathers both fought in World War II against him. My father calls Hitler and all the Nazi's and all of Nazism all Anti-God because it's beyond pure evil. Hitler was responsible for the deaths of over 500,000 people back in 1943 during the Holocaust and we had to kill him and save the world or we would have no future. But lets focus on the matter at hand.

Dr. Blight began her career researching biological and chemical warfare and, thus, has a host of deadly and dangerous weapons at her disposal. She represents the dark side of science, using her vast knowledge to create biological monstrosities, wipe out entire populations of plants and animals, and generally wreak havoc on Earth. She even used a time machine in order to sell an atomic bomb to Adolf Hitler himself, which was considered her most evil act by the Planeteers. Bambi Blight was the first person to reveal that Dr. Blight will often flirt or flatter in order to get her way, though she is unafraid to stand up for herself if one of the other Eco-Villains dares to upset her.

Her supercomputer, MAL, is programmed for pure evil. MAL's high level of artificial intelligence is often devoted solely to calculating new and diabolical ways to destroy Captain Planet and the Planeteers, leaving Dr. Blight to pursue more creative research. Sometimes, she will be very pleasant and flirtatious towards MAL, while at other times, she will become extremely angry, violent and aggressive when dealing with him.

Dr. Blight sees herself a fashion plate, often appearing in a chic long-sleeved jump suit and high-cut boots. She wears a utility belt to which various items may be attached. Her hairstyle help hide the huge scar on the left side of her face. The scar's origin has never been explained, but it was likely caused by one of her experiments. Blight likes to show off her figure by wearing skin-tight jumpsuits, usually colored pink.

As an Eco-Villain, her character symbolizes the dangers of uncontrolled technology and scientific experimentation. In the two-part Captain Planet episode, Mission to Save Earth, Dr. Blight was one of the five Eco Villains who created Captain Pollution. They did this by creating and using five Anti-Elemental Rings consisting of Super Radiation, Deforestation, Smog, Toxins, and Hate. Barbara's element was Hate. Unfortunately for the Eco Villains, though, Captain Pollution was destroyed along with the rings, leading Blight and the other villains to flee.

Me: So Dr. Blight is a Chemical Warfare specialist.

Wheeler: That's right. She wants to destroy the entirety of nature and all of humanity with chemical and biological weapons.

Me: Just what the world needs. Another mad scientist running amok. But this time she wants to destroy the entire human race.

Laney: I can't believe she is that evil.

Thundercracker: That woman needs to be stopped and killed now.

Me: We'll attack when she makes her move Thundercracker. But until then we have to wait. Also we're gonna have to figure out a way to take out her supercomputer sidekick.

Lori L.: I know. That woman literally disgusts me.

Me: She disgusts all of us.

Ben: What environmental activities do we have planned for today?

Me: We're gonna be talking about the affects of Global Warming and chemicals.

We did so. 45 minutes later Gaia appeared.

Gaia: Team Loud Phoenix Storm and Planeteers.

Me: Lady Gaia. What's up?

Gaia: Dr. Blight is trying to melt the polar ice in Antarctica. You have to stop her.

Me: We're on our way. Looks like Dr. Blight has made her move. Team Loud Phoenix Storm and Planeteers, lets fly!

We set out for Antarctica.

SOUTH POLE, ANTARCTICA

We arrived over in Antarctica and we saw a huge factory in the middle of the Antarctica continent.

Me: This factory is not supposed to be here.

In the factory, Dr. Blight was working on her latest experiment.

Dr. Blight: Nearly complete and everyone will all die.

Then a massive fiery explosion blasted a hole into the roof of the factory and we came in.

We saw Dr. Barbara Blight in the flesh.

Me: Dr. Barbara Blight, I presume?

Dr. Blight: That's right. J.D. Knudson and Team Loud Phoenix Storm. What brings you all here?

Me: What else? We're here to kill you and destroy all your experiments.

Lori walked up to Dr. Blight.

Lori J.: Hello Aunt Barbara.

Dr. Blight: Lori. My dear niece.

Lori J.: I'm not your niece anymore! I know you killed my mother during the Cybertronian war! You used the war as a cover so you can destroy the Earth!

Thundercracker: Wait… you used the Cybertronian War to your advantage, didn't you?! You did your experiments and lured Lori's mom to her death, knowing full well that Prime and the others would be too occupied with fighting us, Megatron, and Starscream!

Blight: Very good. And people say that Decepticons aren't too smart.

Skywarp: Don't get too cocky! We just need to blast you and you'll be finished!

Me: She will be dead by our hands Skywarp.

I noticed that her hair was blown back and I noticed that she had an ugly scar over 45% of the left side of her face and her eye was badly burned.

Me: What happened to your face Blight?

Dr. Blight: I had an accident that rendered me scarred because of it.

Me: That's all I wanted to know.

Lori J.: You are gonna pay for killing my mom Barbara. You are no longer part of our family! And I will make sure that justice is dealt!

Nico: Dr. Blight, you have failed this city!

Me: More like she has failed the entire universe!

Sam S.L.: You remind me of my deceased parents! Only way more evil!

Me: She is beyond pure evil Sam. She makes even the devil himself look like a joke.

Then a mass of stars appeared and it was a heartless.

The Heartless that just appeared was a creature made of stars and gravity.

Kraven: (Russian Accent) Tso Lan!

Stellar Gravityhorror: **Kraven. It seems the hunter has become the hunted!**

Me: Tso Lan!

Bai Tza was shocked to see one of her brothers as a Heartless.

Bai Tza: But you were killed brother! How are you still here!?

Stellar Gravityhorror: **Quite frankly my dear sister Bai Tza, I was reborn thanks to the hatred of Dr. Blight here.**

Blight: That's not the only Heartless I have!

Another Heartless appeared. This one was a humanoid figure made of pure ice.

Nico: Strikemaster Ice?!

Cryofreezer Demon: That's right! And I got new powers and a new look to go with my name now!

Me: But you died when we faced Shendu and his siblings and the Dark Hand!

Cryofreezer Demon: Yes and now I have a score to settle with Nico!

Nico: What are you angry at me for? Francis was the one who killed you!

Cryofreezer Demon: Yeah. But you were the one who talked back to me. I have feelings too, you know!

Nico: I guess your feelings make you as pathetic as a turkey sandwich.

Me: Lets take them down!

We went at them.

---

BATTLE 1: Stellar Gravityhorror

---

Kraven punched the Stellar Gravityhorror in the face and Sam S.L. fired a powerful blast of fire at it. It burned him.

Leni punched him in the face with a gravity enhanced punch and the Destruction Mini-Con Team went at him.

Buzzsaw - the bucket-wheel excavator slashed the Stellar Gravityhorror with his bucket excavator sawblade wheel.

Drill Bit - the tunneling machine pierced the Stellar Gravityhorror with his powerful drill.

Dualor - the Gepard anti-aircraft tank fired numerous missiles and laser blasts and they hit the Stellar Gravityhorror and exploded.

Gargoyle threw a massive rock at the Stellar Gravityhorror.

Buzzsaw: Lets use our combo team, Gargoyle.

Drill Bit: You got it Buzzsaw.

Dualor: Lets do it!

Gargoyle agreed.

The Destruction Mini-Con Team fired numerous lasers and missiles and Gargoyle threw a huge rock.

Destruction Mini-Con Team: LASER MINE EXPLOSION-BOULDER!

The lasers merged with the rock and turned it into a huge bomb and it hit the Stellar Gravityhorror and exploded with incredible power.

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Sam S.L.: My turn for my final smash. VOLCANIC FIRESTORM SLASH!

Sam formed a sword of pure lava and slashed the Stellar Gravityhorror and it exploded. Kraven then used a powerful spell that sealed Tso Lan into a Statue and Kraven had an awesome trophy.

Kraven (looks at Tso Lan's statue): It seems I have another trophy to add to my collection.

Me: You sure do Sergei. Great job.

BATTLE 2: Cryofreezer Demon.

Nico punched the Cryofreezer Demon in the face.

Nico: Is that the best you got you pissant. My mother hits better than you.

Cryofreezer Demon: YOU MAKE ME SICK NICO!

The Cryofreezer Demon fired a blast of ice at Nico and then a shadowy figure appeared and it went at Black Widow.

She dodged it and she saw a ninja in black clothes.

Black Widow: Look's like we're dealing with a Hydra Agent.

Ben saw the Hydra symbol.

Ben: That sure is a Hydra Agent. But he's a dead one.

Ben turned into Eatle.

Ben: EATLE!

Eatle ate some metal and fired a green energy laser from his horn and killed the Hydra Agent.

Nico punched Cryofreezer Demon in the stomach and kicked him in the face and sent him crashing into the wall.

Nico: You are just a big baby that is just as pathetic as his bitch of a mother.

Cryofreezer Demon was enraged!

Cryofreezer Demon: I HATE YOU MORE THAN LIFE ITSELF NICO!

Nico got a massive increase in power!

Nico: Thanks for the power increase and I've heard better snapbacks from a turkey sandwich. Go fuck yourself!

That was the insult that made him explode! Cryofreezer Demon went at Nico and he dodged all his strikes with ease.

Chromia placed a detonator on the Cryofreezer Demon's back without him noticing a thing.

Chromia: Combo time Eatle!

Eatle: You got it Chromia!

Eatle fired an energy beam from his horn and Chromia had a detonator remote.

Eatle and Chromia: LASER BOMB DESTROYER!

The Energy beam hit the Cryofreezer Demon as Chromia pressed the button on the detonator remote and it exploded.

KRABOOOOOOOOOOOOOOOOMMMMM!

Thundercracker: Yee haw! That was awesome!

Ironhide (G1): That's my girlfriend for ya.

Black Widow: Now to finish you for good with my Final Smash! SPIDER VENOM SHRED!

Black Widow fired a blast of lightning and shredded Cryofreezer Demon into melted ice!

Nico: StrikeMaster Ice you have failed this world.

---

BATTLE 3: Dr. Blight!

Lori was facing Dr. Blight. And she had a look of pure rage on her face directed at Blight.

Lori J.: I will never forgive you for killing my mother Blight! You took my mother away from me and you will pay for that!

Dr. Blight then unsheathed an energy sword and they clashed! They clashed violently and it was unbelievable and they were sending sparks all over the place as the whole lab and factory was set on fire.

Dr. Blight backed away and used her ring of Hate.

Dr. Blight: HATE!

She fired a blast of pure evil energy and it made us more powerful than ever before.

Me: Wow! What power!

Nico: Dr. Blight's Hate Ring has extremely powerful negative energy that is so strong that it makes all the other villains hatred look like that of small children.

Sam S.L.: No kidding.

Lori then slashed off Blight's right arm and she screamed in excruciating pain and Sam punched her in the face and fired a blast of fire at her and burned her face even more.

Lori J.: This is for my mother Blight! Good-bye and go to Hell!

Lori stabbed Dr. Blight in the head with her sword and Dr. Blight then exploded into flames and she was incinerated into ashes!

Lori J.: Burn in Hell.

Lori then broke down crying and Nick came and comforted her.

Nick: It's all right Lori. It's all right.

I took the Ring of Hate. It was the final ring and the last trophy of the Eco Villains of the planeteers.

Sam S.L.: (To the Viewers) Hatred is never okay for anything human, planet or anything! Remember that.

Me: You got that right Sam. (To the Viewers) This was a memorable Easter. I hope you all collect lots of good easter eggs and candy and may the blessings of the Lord be with you always.

I wink at the screen and an Easter Egg irised in on my face.

It was the final day of our Earth Week project. It was April 22nd, 2019 A.K.A. Earth Day and it was the day we give appreciation to the very planet we call home: Planet Earth.

We were picking up garbage and getting ready for the announcement of the trophy.

Lincoln: Happy Earth Day, Earth.

Earth: Thanks Linky.

Lily picked up garbage and she threw some bottles into a bin.

Then Gaia appeared.

Gaia: Team Loud Phoenix Storm and Planeteers.

Me: What's wrong Lady Gaia?

Gaia: Four new villains appeared and they are wreaking havoc in the crater that was once Springfield.

Me: Do you know who they are?

Gaia: They call themselves the Fossil Fuel 4.

Bart: The Fossil Fuel 4!? The team of bad guys that killed Radioactive Man!?

Me: Sounds like these guys are really bad news Bart.

Bart: They are.

Stewie: What can you tell us about them Bart?

Bart: Well first there's Old King Coal. He's a man made entirely out of coal based on the old nursery rhyme Old King Cole. He fires coal from his scepter. Next is Petroleus Rex. He's a dinosaur that was once a skilled scientist named Rex Bernstein. Next is French femme fatale Charcoal Briquette and she shoots fire from the grill on her head. And lastly is The Fracker. He blasts out polluted water from a pipe he uses.

Me: Wow! Boy these guys sound like they are really bad news! We're on our way Lady Gaia. Team Loud Phoenix Storm, lets fly!

We set out for the Springfield Radioactive Crater.

## SPRINGFIELD RADIOACTIVE CRATER, OREGON

We arrived and we saw Radioactive Man facing the Fossil Fuel 4.

Bart was flying and he was in his Superhero Alter Ego, BARTMAN!

Me: Whoa! So these are the executioners of Radioactive Man. And that guy in the red must be Radioactive Man.

Bartman: That's him J.D. He's one of the most awesome superheroes ever. Lets go.

We went at them and punched the Fossil Fuel 4 in their faces and sent them crashing into the ground.

Me: Thought you could use some help Radioactive Man.

Radioactive Man: Nice to finally meet you, J.D.

Me: You too.

Nico: Fossil Fuel Four, you have failed this city!

Me: These guys are the ones that are going to kill you Radioactive Man.

Bartman: It says so in this comic I got before we destroyed Springfield.

Bartman showed him the Comic he got "The Death of Radioactive Man."

Radioactive Man: You all arrived just in time. If you hadn't I would've died.

Me: Yeah. But lets take these freaks down. No more fossil fuels will be used to poison the atmosphere!

Nico: You losers give the Fantastic Four a really bad name!

Me: Lets get them!

We went at them.

## BATTLE 1: Old King Coal.

Stewie was facing Old King Coal. The monster that embodies the fossil fuel of Coal. Coal is a combustible black or brownish-black sedimentary rock, formed as rock strata called coal seams. Coal is mostly carbon with variable amounts of other elements; chiefly hydrogen, sulfur, oxygen, and nitrogen. Coal is formed if dead plant matter decays into peat and over millions of years the heat and pressure of deep burial converts the peat into coal. Vast deposits of coal originates in former wetlands-called coal forests-that covered much of the Earth's tropical land areas during the late Carboniferous (Pennsylvanian) and Permian times.

As a fossil fuel burned for heat, coal supplies about a quarter of the world's primary energy and two-fifths of its electricity. Some iron and steel making and other industrial processes burn coal.

The extraction and use of coal causes many premature deaths and much illness. Coal damages the environment, including by climate change as it is the largest anthropogenic source of carbon dioxide, 14 Gt in 2016, which is 40% of the total fossil fuel emissions. As part of the worldwide energy transition many countries have stopped using or use less coal.

The largest consumer and importer of coal is China. China mines account for almost half the world's coal, followed by India with about a tenth. Australia accounts for about a third of world coal exports followed by Indonesia and Russia.

For over 370 million years coal has been in the ground and we've been using Coal for as long as anyone can remember. But we're also poisoning the atmosphere with it.

Stewie dodged a blast of coal fired from Old King Coal.

Stewie (in his head): If I can ignite the coal when it's near him, I might be able to damage him!

Stewie dodged another blast and got close and fired a blast of fire from his ray gun and it ignited him and completely incinerated him.

Stewie: This planet is gonna be clean and coal free whether you like it or not you bastard!

---

BATTLE 2: Petroleus Rex.

---

Bowser Jr. was facing Petroleus Rex. The monster that embodies the fossil fuel of Gasoline and Petroleum Fuel. Gasoline, petrol (British English) or gas (American English) is a colorless petroleum-derived flammable liquid that is used primarily as a fuel in spark-ignited internal combustion engines. It consists mostly of organic compounds obtained by the fractional distillation of petroleum, enhanced with a variety of additives. On average, a 42-U.S.-gallon (160-liter) barrel of crude oil yields about 19 U.S. gallons (72 liters) of gasoline after processing in an oil refinery, though this varies based on the crude oil assay.

The characteristic of a particular gasoline blend to resist igniting too early (which causes knocking and reduces efficiency in reciprocating engines) is measured by its octane rating. Gasoline is produced in several grades of octane rating. Tetraethyl lead and other lead compounds are no longer used in most areas to increase octane rating (still used in aviation and auto-racing). Other chemicals are frequently added to gasoline to improve chemical stability and performance characteristics, control corrosiveness and provide fuel system cleaning. Gasoline may contain oxygen-containing chemicals such as ethanol, MTBE or ETBE to improve combustion.

Gasoline used in internal combustion engines can have significant effects on the local environment, and is also a contributor to global human carbon dioxide emissions. Gasoline can also enter the environment uncombusted, both as liquid and as vapor, from leakage and handling during production, transport and delivery (e.g., from storage tanks, from spills, etc.). As an example of efforts to control such leakage, many underground storage tanks are required to have extensive measures in place to detect and prevent such leaks. Gasoline contains benzene and other known carcinogens.

Petroleus Rex fired a stream of gasoline at Bowser Jr.

Bowser Jr: You know what the bad thing about Gasoline is?

Petroleus Rex: No. What?

Bowser Jr: It's easily flammable! (breathes fire onto the gasoline)

Firestar (G1): Lets blast this freak with our combo

Killer Frost: You got it Firestar.

Killer Frost fired a blast of ice and snow and Firestar fired a massive laser blast.

Firestar (G1) and Killer Frost: FIREICE DEATHBLAST!

The blasts combined and they hit Petroleus Rex and he exploded was burning.

Killer Frost: Time to finish him Land Military Mini-Cons

Bonecrusher (Mini-Con): You got it Louise.

Bonecrusher the missile truck - fired a missile.

Knock Out the armored personnel carrier - fired his blast cannon.

Wreckage the twin-missile tank - fired his twin missiles.

Killer Frost fired a massive blast of snow and ice.

Killer Frost and the Land Military Mini-Con Team: ICESHARD MISSILE DESTROYER!

The Ice Shards and missiles blew him to pieces and he was incinerated.

## BATTLE 3: Charcoal Briquette

Lisa, Inque and Lori were facing the French Femme Fatale, Charlcoal Briquette. She embodies Charcoal Briquettes used for cooking. Charcoal briquettes sold for cooking food can include:

Wood charcoal (fuel)

Lignite coal (fuel)

Anthracite coal (fuel)

Limestone (ash colourant)

Starch (binder)

Borax (release agent)

Sodium nitrate (accelerant)

Sawdust

Wax (some brands: binder, accelerant, ignition facilitator).

Chaff (rice chaff and peanut chaff)

Some briquettes are compressed and dried brown coal extruded into hard blocks. This is a common technique for low rank coals. They are typically dried to 12-18% moisture, and are primarily used in household and industry.

Lori: You literally disgust me! I can't believe that you would use hickory charcoal to destroy!

Charcoal Briquette: (French Accent) You are no better my little American sass-mouth.

Lisa threw a chemical bomb at Charcoal Briquette and it exploded into fire and she kicked her in the face.

Inque (fires ink at Charcoal Briquette): Hope this cools you off!

But Charcoal Briquette dodged it.

Lori: Lets see how you survive this deadly gas.

Lori grunted hard and out came and explosive fart and it hit Charcoal Briquette square in the face and her fire ignited the fart and it exploded and she was incinerated.

Inque: That was very clever Lori.

Lisa: Indeed 1st borne eldest sibling. Your flatulence problem may prove to be a very good weapon when the situation calls for it.

Lori: Thanks Lisa. It just literally might.

Inque: But you did great.

Lori: Thanks Inque.

---

BATTLE 4: The Fracker.

Me, Rubberband Man, Tecna, Lily, Venom, Tecna, Layla, Nico and Radioactive Man were facing the enemy of all drinking water everywhere: THE FRACKER. Hydraulic fracturing (also fracking, fraccing, frac'ing, hydrofracturing or hydrofracking) is a well stimulation technique in which rock is fractured by a pressurized liquid. The process involves the high-pressure injection of 'fracking fluid' (primarily water, containing sand or other proppants suspended with the aid of thickening agents) into a wellbore to create cracks in the deep-rock formations through which natural gas, petroleum, and brine will flow more freely. When the hydraulic pressure is removed from the well, small grains of hydraulic fracturing proppants (either sand or aluminium oxide) hold the fractures open.

Hydraulic fracturing began as an experiment in 1947, and the first commercially successful application followed in 1950. As of 2012, 2.5 million "frac jobs" had been performed worldwide on oil and gas wells; over one million of those within the U.S. Such treatment is generally necessary to achieve adequate flow rates in shale gas, tight gas, tight oil, and coal seam gas wells. Some hydraulic fractures can form naturally in certain veins or dikes.

Hydraulic fracturing is highly controversial in many countries. Its proponents advocate the economic benefits of more extensively accessible hydrocarbons,[6][7] as well as replacing coal with gas, which is cleaner and emits less carbon dioxide (CO2). Opponents argue that these are outweighed by the potential environmental impacts, which include risks of ground and surface water contamination, air and noise pollution, and the triggering of earthquakes, along with the consequential hazards to public health and the environment.

Methane leakage is also a problem directly associated with hydraulic fracturing, as a Environmental Defense Fund (EDF) report in the US highlights, where the leakage rate in Pennsylvania during extensive testing and analysis was found to be approximately 10%, or over five times the reported figures. This leakage rate is considered representative of the hydraulic fracturing industry in the US generally. The EDF have recently announced a satellite mission to further locate and measure methane emissions.

Increases in seismic activity following hydraulic fracturing along dormant or previously unknown faults are sometimes caused by the deep-injection disposal of hydraulic fracturing flowback (a byproduct of hydraulically fractured wells), and produced formation brine (a byproduct of both fractured and nonfractured oil and gas wells). For these reasons, hydraulic fracturing is under international scrutiny, restricted in some countries, and banned altogether in others. The European Union is drafting regulations that would permit the controlled application of hydraulic fracturing.

The Fracker slammed his pipe into the ground and pulled a valve and the flaming fracking fluid came at us and we dodged it.

Rubberband Man (avoids Fracker's polluted water): I'm not surprised if some of that water came from the sewers!

Me: Hey Fracker, don't you realize that your method of energy is dangerous?

Fracker: Studies show I'm America's best hope for energy independence. (Laughs)

Me: That is absolute bullshit.

Radioactive Man: Those studies were industry financed!

Fracker fired a blast of flammable water at Radioactive Man and I fired a tremendous blast of fire at the water and it ignited it.

Fracker: You lie!

Me: He's not lying! And you've poisoned our water for far too long you natural gas fuck!

The fire went into the pipe and blew it completely apart!

Me: Lets finish this freak!

Rubberband Man punched Fracker with a huge fist and sent him flying. Tecna fired a rainbow prism blast and burned him and Layla fired a blast of water and drenched him. Lily fired a blast of Glowing Water and it drenched him and Radioactive Man fired a blast of radiation at Fracker and burned him.

Lincoln: Time to call in the special forces Luna.

Luna: You got it bro.

Luna and Lincoln put on brown rings with the letter R on them.

Luna and Lincoln: IT'S RIPPING TIME!

They formed a portal and out came the Ripping Friends.

Crag: Hey Luna. We haven't seen you all in a while.

Luna: We've been very busy saving the world. We're facing him. (Points to the Fracker)

Lincoln: He's trying to poison our water supply with Fracking.

Chunk: Whoa you can't say that here.

Rip: Shut up you dumb head!

Crag: Fracking is really Hydrolic Drilling. We'll gladly help out. Come on fellas.

Crag, Chunk, Rip, Slab, Luna and Lincoln: (ECHOING) IT'S RIPPING TIME!

They slammed their rings together and got a massive power increase. They went at The Fracker and mercilessly pulverized him into pulp. Crag punched him in the stomach and Slab punched him in the face and stomach and Rip got on his shoulders and got him in a nasty bonecrushing neck hold. Chunk punched Fracker in the leg and broke it with the brute force of his strength. Luna grabbed the Fracker's tongue and bit it with a major league chomp that bit his tongue off and blood was pouring out of his mouth. Lincoln fired a blast of lightning and electrocuted him.

Firestar (G1): Lets get him with our combo!

Nita: (Brother Bear) Lets get him Firestar.

Nita turned into a grizzly bear and Firestar fired a laser blast.

Firestar and Nita: FLAMING GRIZZLY LASERSTRIKE!

The lasers merged with Nita and she slashed the Fracker and he was burned and had a nasty wound. Bartman punched the Fracker in the face and kicked him right where the sun doesn't shine with devastating force.

Me: Final Smash time.

Radioactive Man: I'll start us off. GAMMA RAY ENERGY!

Radioactive Man fired a blast of Radiation and it hit the Fracker and blew a hole in his chest.

Inque: My turn. INK SCYTHE SLASH!

Inque formed her arm into a scythe blade and slashed his black heart.

Crag: Shall we do a Final Smash J.D.?

Me: Go for it Crag!

Crag: Lets get him fellas!

Crag, Chunk, Rip, Slab, Luna and Lincoln: RIPPING FRIENDS JUSTICE PUNCH!

Luna, Lincoln and the Ripping Friends jumped into the air and their fists glowed in colored energy and they flew at the Fracker and they hit him was knocked down.

Me: Oh that was awesome!

Venom picked him up.

Venom: Eyes, lungs, pancreas. So many snacks so little time.

Venom ate the Fracker.

Me: That was great Venom!

But then we got an unexpected surprise. A Heartless appeared. It was flying really fast and it was almost too hard to keep up with it. The Heartless that just appeared looked like a bat made out of metal.

Jade: Hsi Wu?!

Steelwing Skyterror (grins evilly): **Hello, Jade! Did you miss me?**

Jade: You have a lot of nerve coming back here Hsi Wu!

Bai Tza: We encountered the rest of our siblings "brother".

Jackie (grabs Steelwing Skyterror by the throat): You think it's funny to play with Jade's feelings?! She trusted you! And you manipulated her!

Steelwing Skyterror: **It probably wouldn't have happened if you had just given me my tail in the first place!**

Jade: Uncle Jackie, let me handle this. I got a score to settle with this freak.

Me: Here Jade. You'll need these then.

I took off my Talisman belt and gave it to Jade.

Jade took my belt.

Jade: Thanks J.D.

Jade put on the belt and she was ready. Jade spread her wings and flew at him and punched the Steelwing Skyterror in the face and kicked him in the stomach. She fired a blast of fire energy from her hand and she fired lasers from her eyes. They hit the Steelwing Skyterror and exploded.

KRABOOM!

Jade punched him in the face some more and kicked him into the air. She flew up to him and dealt him a spinning axe kick and sent him flying to the ground.

Jade: NO ONE MESSES WITH MY FAMILY!

Jade fired a powerful energy blast at him and it hit him and exploded with incredible power.

KRABBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The power of the explosion was so powerful and so devastating that it destroyed the crater and blew the area apart. The crater filled up with water from the ocean and the Steelwing Skyterror was floating in the water. Jade casted a powerful magic spell that turned Hsi Wu into a statue.

Me: Just like his brothers and sister.

Jade: Yep.

Me: You did really well Jade. Well done.

Jade: Thanks J.D.

Thor: Me and Hulk actually have fought a villain that also goes by the name of Radioactive Man.

Radioactive Man: Well, I can assure you. I am not related to that villain in any way.

Thor: Well that's a relief.

Me: Lets head home.

During the battle Nico caught an Ursaring and a Sneasel.

Radioactive Man: (To the Viewers) Never mess with the power of clean and safe energy or you will be asking for trouble.

---

We were back home and at Gotham Royal York Central Park we were having the award ceremony. Mrs. Johnson was hosting.

Mrs. Johnson: Good evening everyone. Today is Earth Day as you all know and we have a very special award ceremony for you all.

Over the course of the last 8 days from April 15th to today we have had a magnificent project done by our very own class and we have had a tremendous amount of progress done. Our class has not only done recycling and gathering up all the materials used for recycling but also spread out all over the planet and helped clean up the pollution and cleaned up the oceans and destroyed the villains that were destroying the entire ecosystem. So without further ado I present the Earth Day Greatest Recycler Trophy to J.D. Knudson, Lincoln & Laney Loud and Clyde McBride.

Everyone cheered and I held the trophy.

Me: Thank you all so much! It's an honor to be given this trophy

Lincoln: We couldn't have gotten this trophy if it weren't for the support of everyone we helped out all over the world.

Laney: And thank you to everyone in our family and to our friends, neighbors and everyone who helped us.

?: And I have something else too.

On the stage was the founder, president and CEO of the United Nations Environment Programne, Inger Andersen.

The United Nations Environment Programme (UNEP), an agency of the United Nations, coordinates the organization's environmental activities and assists developing countries in implementing environmentally sound policies and practices. It was founded by Maurice Strong, its first director, as a result of the United Nations Conference on the Human Environment (Stockholm Conference) in June 1972 and has overall responsibility for environmental problems among United Nations agencies; however, international talks on specialized issues, such as addressing climate change or combating desertification, are overseen by other UN organizations, like the Bonn-based Secretariat of the United Nations Framework Convention on Climate Change and the United Nations Convention to Combat Desertification. UNEP's activities cover a wide range of issues regarding the atmosphere, marine and terrestrial ecosystems, environmental governance and green economy. It has played a significant role in developing international environmental conventions, promoting environmental science and information and illustrating the way those can be implemented in conjunction with policy, working on the development and implementation of policy with national governments, regional institutions in conjunction with environmental non-governmental organizations (NGOs). UNEP has also been active in funding and implementing environment related development projects.

UNEP frequently uses the alternative name UN Environment.

UN Environment has aided in the formulation of guidelines and treaties on issues such as the international trade in potentially harmful chemicals, transboundary air pollution, and contamination of international waterways. Relevant documents, including scientific papers, are available via the UNEP Document Repository.

The World Meteorological Organization and UN Environment established the Intergovernmental Panel on Climate Change (IPCC) in 1988. UN Environment is also one of several Implementing Agencies for the Global Environment Facility (GEF) and the Multilateral Fund for the Implementation of the Montreal Protocol, and it is also a member of the United Nations Development Group. The International Cyanide Management Code, a programme of best practice for the chemical's use at gold mining operations, was developed under UN Environment's aegis.

Me: Ms. Anderson of the UNEP. It's truly an honor.

Inger: You too J.D. And I have something for you all.

A secretary had a pillow with gold medals that had the planet Earth on them and the outside looked like the sun.

Inger: We got word of all your recent activities that you all were doing all over the planet and in dealing with those ruffians that have been destroying our planet and all the good deeds that you've done to help further eliminate all the harmful effects being inflicted to our planet. So on behalf of the United Nations Environment Programme as founder and president I am pleased to present you with our highest honor: The Earth Environment Hero Medal. For going above and beyond the call of duty to help save our planet.

Everyone cheered and we had the medals placed around our necks and we were praised as heroes of the planet Earth. And Planet Earth was fully on its way to a strong recovery to what it was before all the pollution started.

Teresa (kisses Francis): Happy Earth Day, Francis.

Francis: You too babe.

Me: I would like to close this awesome Earth Day with a song.

The song opened with Swahili chanting and the sun rose in the background.

Me: (Singing Divinely)

From the day we arrive on the planet

And blinking, step into the sun

There's more to see than can ever be seen

More to do than can ever be done

There's far too much to take in here

More to find than can ever be found

But the sun rolling high

Through the sapphire sky

Keeps great and small on the endless round

It's the circle of life

And it moves us all

Through despair and hope

Through faith and love

Till we find our place

On the path unwinding

In the circle

The circle of life

It's the circle of life

And it moves us all

Through despair and hope

Through faith and love

Till we find our place

On the path unwinding

In the circle

The circle of life.

Everyone saw the beauty and majesty of our planet and the creatures and all of life that live on the planet we call our home. When the song was done everyone from all over the city cheered wildly.

Me: THANK YOU!

Mrs. Johnson: Great song J.D.!

Me: Thanks Mrs. Johnson. It was so awesome doing the Earth Week Project with all of you.

Mrs. Johnson: I'm glad you all had fun.

Lincoln: We sure did.

Me: Happy Earth Day everyone!

Everyone: Happy Earth Day J.D.

We put the trophy and the medals in our trophy case and we were so proud of what we did for our planet. But we weren't gonna brag about it.

THANK YOU TEAM LOUD PHOENIX STORM!

---

When it was done everyone was amazed!

Qin: Wow!

Camie: That is so awesome!

Himiko: Boy it sure is.

Tsuyu: Yeah it sure is!

Nico: What Skumm did involving Boris' death was pretty low.

Me: Yeah it sure was.

Linka (Captain Planet): But I'm glad he is gone.

Varie: We all are.

Laney: Yeah But he is gone for good.

Qin: Good riddance.

Me: Yeah. That was one of the most amazing weeks we have had.

Nico: It sure was. Now for yesterday's mission.

Me: That was so awesome.

Nico: We killed lots of zombies yesterday.

Eli: We sure did and it was awesome.

Qin: Yeah it was awesome. Awesome way to kick off the Halloween Season.

Camie: It sure was.

Varie: I thought it was so awesome.

Me: And we used all of our zombie buttkicking techniques against them.

Laney: We sure did.

Nico: Who got Zombie Kill of the Year?

Me: You did Nico. You got the most kills.

Nico: So did you J.D. even though you came up one short.

Me: Yeah we all did. That was incredible.

Laney: Yep.

Qin: All of us did a great job there.

Nico: Yeah. At least it didn't happen on OUR Earth though.

Me: No thank goodness.

Camie: Yeah that would not be pretty.

Eli: Yeah.

Nico: And we gave Tallahassee lots of Twinkies.

Me: Yeah he sure loves Twinkies. And we got them from the Twinkie Planet.

We laughed.

Camie: He sure loves that world.

Sakura Valencia: He sure does.

Xenia: That was so cool.

We had a great lunch.

Me: Ahh. That was good.

Maria: Alright, let's get some shopping done.

Nico: You read my mind.

Pipp Petals: Oh my glitter! This will be so awesome!

Nico: Yeah it is!

We got a lot of awesome shopping done and got jewelry, video games, comics, books, clothes, everything fun.

We had TONS of bags of stuff.

Me: YEAH!

May: What did you get, Maria?

Maria: Clothes and sewing materials.

Qin: Cool cool.

But then we heard screaming and then people were running and then we saw a black version of Ssserpent! It was ANOTHER SNAKEPIT!

Nico: WHOA! Another Snakepit!

Qin: Whoa!

Me: This is gonna be a tough one.

Laney: Yeah.

Another Snakepiit: (In a girls voice) And J.D. knows me too.

Me: (GASP) Omaima Camellington!? Whoa!

Nico: You know her?

Fluttershy: I know her. She and I work at the local animal shelter and J.D. comes in and brings stray animals in.

Me: I always bring in stray cats and dogs for the shelter to be adopted. I only do that in my spare time.

Nico: Cool!

Another Snakepit: But it's good to see you again J.D. and you too Fluttershy. Not like this though.

Albedo turned into Negative Snakepit.

Negative Snakepit: Did Swartz promise you anything?

Another Snakepit: I just want to love all animals.

Me: You already love ALL animals as much as Fluttershy and Hitch Trailblazer do. So you are already very good at that.

Another Snakepit: That's true. I knew Swartz was lying to me.

Me: Yeah. One sec. Let me take these back to the estate.

I took the bags we got back to the estate and teleported back.

Me: There. Okay. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Nico: (gets out Ryugu Tamatebacco's ridewatch) Time to start things off!

Me: And since Ssserpent is Kimiko's archenemy, (gets out Ssserpent's Ridewatch) might as well include this.

Nico: (Activate's Ryugu's ridewatch)

(CANTO DELLA TERRA BY ANDREA BOCELLI PLAYS)

Nico: (SINGING DIVINELY IN ITALIAN AS MUSIC NOTES AND OARFISH SWIRL AROUND HIM)

Sì, lo so, amore che io e te

Forse stiamo insieme

Solo qualche istante

Zitti, stiamo ad ascoltare

Il cielo alla finestra

Questo mondo che

Si sveglia e la notte è

Già così lontana

Già lontana

Guarda questa terra che

Che gira insieme a noi

Anche quando è buio

Guarda questa terra che

Che gira anche per noi

A darci un po' di sole, sole, sole

My love che sei l'amore mio

Sento la tua voce e ascolto il mare

Sembra davvero il tuo respiro

L'amore che mi dai

Questo amore che sta lì nascosto

In mezzo alle sue onde

A tutte le sue onde

Come una barca che

Guarda questa terra che

Che gira inseme a noi

Anche quando è buio

Guarda questa terra che

Che gira anche per noi

A darci un po' di sole, sole

Guarda questa terra che

Che gira insieme a noi

A darci un po' di sole

Mighty sun

Mighty sun

Nico sang it with amazing opera lyrics that the Legendary 3 Tenors would love and he fired waves of water and smashed her down.

Me: AWESOME! You have an awesome opera voice Nico.

Lisa Loud: Indeed Nico. That was most well sung.

Nico: Thanks. Even Ultra Humanite would love that.

Me: Now for me. (ACTIVATES SSSERPENT'S RIDEWATCH)

(AFRICA BY TOTO PLAYS)

Me: (SINGING DIVINELY AS SNAKES SWIRL AROUND ME)

I hear the drums echoing tonight

But she hears only whispers of some quiet conversation

She's coming in, 12:30 flight

The moonlit wings reflect the stars that guide me towards salvation

I stopped an old man along the way

Hoping to find some old forgotten words or ancient melodies

He turned to me as if to say

"Hurry boy, it's waiting there for you"

It's gonna take a lot to drag me away from you

There's nothing that a hundred men or more could ever do

I bless the rains down in Africa

Gonna take some time to do the things we never had (ooh, ooh)

The wild dogs cry out in the night

As they grow restless, longing for some solitary company

I know that I must do what's right

As sure as Kilimanjaro rises like Olympus above the Serengeti

I seek to cure what's deep inside, frightened of this thing that I've become

It's gonna take a lot to drag me away from you

There's nothing that a hundred men or more could ever do

I bless the rains down in Africa

Gonna take some time to do the things we never had (ooh, ooh)

Hurry boy, she's waiting there for you

It's gonna take a lot to drag me away from you

There's nothing that a hundred men or more could ever do

I bless the rains down in Africa

I bless the rains down in Africa

(I bless the rain)

I bless the rains down in Africa

I bless the rains down in Africa

I bless the rains down in Africa

(Gonna take the time)

Gonna take some time to do the things we never had (ooh, ooh)

I danced and fired waves of fire and snakes and smashed her down.

Qin: OH YEAH!

Nico: Joe Swanson loves that song

Me: He sure does. It's how he and Bonnie met.

Kaito: (Gets out Boukenger gear) Our turn!

Zocks: (gets out Magiranger gear) Nothing like a good fight after a shopping spree!

Me: Especially after a big buttkicking extravaganza with zombies.

Nico: Yep.

Kaito got a Drive Lance and Zocks got a Magi Staff.!

I fired waves of blue fire and smashed her down.

Sougo: (gets out Kabuto Ridewatch) Don't forget about us!

Armor Time! (Electronic beat mixed with Rider Form transformation noises) Change Beetle! Kabuto!

Geiz: (gets out Beast Ridewatch) Time to fight snake with beast!

Armor Time! (Drum roll) Open! Beast! (Lion roar)

Sougo got KabutoArmor while Geiz got BeastArmor.

Me: OH YEAH!

Nico: YEAH!

Linka (Captain Planet): Time for some action! WIND!

She fired a beam of energy from her ring and spun Another Snakepit around in a tornado.

Linka (Captain Planet): And this too! (ACTIVATES WHIRLIN'S RIDEWATCH)

(RUSSIAN DANCE OF THE NUTCRACKER SUITE PLAYS)

She danced to the song and fired waves of wind and blasted down Another Snakepit!

Qin: OH YEAH!

Nico: I forgot that Christmas is soon.

Me: 3 months away.

Maria: Let me get in on this!

Maria did The Riverdance!

Laney joined in on that one and they fired waves of Celtic energy and smashed Another Snakepit down!

Me: AWESOME!

Qin: Love The Riverdance!

Camie: Me too!

Xenia: Oh yeah! Good music too.

But then a huge bronze snake came out and it was ALCHEMY

BEAST - OUROBOROS THE BRONZE!

Me: Whoa! Alchemy Beast - Ouroboros The Bronze!

Qin: Wow!

Ouroboros The Bronze: (In a girls voice) I got this for you guys.

Nico: Olivia Orrovia!? Whoa!

She reverted back and Olivia was a girl with orange hair and orange clothes and had rainbow angel wings.

Olivia Orrovia: Let me deal with this first.

She fired a light blast and smashed down Another Snakepit and she was back to normal and I caught the ridewatch and purified it and I went over to Omaima and she was a girl with green hair and green clothes and had green eyes and a shirt on that said I ❤ Animals of All Kinds.

Me: Omaima are you okay?

Omaima Camellington: (GROANS) What a huge headache. I feel like I got hit by a train.

Me: But you're back to normal.

I picked her up.

Nico: By the way, more backup core members are Valerie, Cybershark, Bronte Elektra, Great Grandma Harriet, Apple Leaves, Aylene, Discord, Onko Akino, Coloratura, and Bastion.

Me: Awesome choices Nico.

Aylene: I would be honored to be in the Backup Group.

Applejack: And Rara would love it too along with Apple Leaves.

Fluttershy: And Discord would love it as well.

Me: That is so awesome Nico.

Olivia Orrovia: It sure is. Linka you have my sincere condolences on what happened to your cousin. Skumm got what he deserved.

Linka (Captain Planet): Thank you Olivia. What's your favorite Memory of Nico?

Olivia Orrovia: I have a lot of them but my favorite is when me and Nico were in the Amazon Jungle and we found an awesome temple and I got this.

She unsheathed an awesome golden sword with emeralds on the blade.

Nicole: (GASP) That's the Sword of Mixcoatl, the Aztec God of The Hunt. Wow!

Olivia Orrovia: That's right.

Me: Wow that is cool!

Olivia Orrovia: It sure is. One of the most fun hunts ever.

Nico: Yep.

Nico and Olivia hugged.

Nico: I've missed you.

Olivia Orrovia: Me too Nico.

Me: This was so awesome though.

We went back home.

But, Ales Mansey is going to be recruited into The Masters of Evil, while André is going to be turned back into a Red Lum with Rayman using his Grimace ability.

Lincoln: Wow, we're here in The Glade of Dreams and I know what we're going to do here, not only am I going to rescue the eight girls here, but we're also going to find an awesome treasure for Rayman called The Spellbook of Eternal Dreams, a powerful spellbook said to have been made eons ago, and in its pages are a compendium of powerful dream spells, and they're also going to take down André, along with Ales Mansey, who's come back from the dead. But, Ales Mansey is going to be recruited into The Masters of Evil, while André is going to be turned back into a Red Lum with Rayman using his Grimace ability.

Rayman: I should've known Ales Mansey would return from the dead, along with that evil Black Lum, André. But, Ales Mansey will be recruited into The Masters of Evil right after I get The Spellbook of Eternal Dreams and deliver some well-deserved payback on him, and André's going to get turned right back into a Red Lum after I use my Grimace ability on him.

Nico: Yeah, but how did Ales Mansey return from the dead even after Lincoln destroyed him and Super Hakaied him on his last rescue long ago?

Rayman: I soon found out from Betilla that the one who brought Ales Mansey back, and turned the Red Lum back into the Black Lum, André, was Barodius. Now, I've just about had it with that good-for-nothing bastard!

Me: Same here.

Lincoln: Barodius is already sinking lower and lower, but he's already been marked by the shadow of death, and his judgement is about to come very soon. But, first, let's go find The Spellbook of Eternal Dreams, and thanks for joining us, Gi.

Gi: You're welcome, Lincoln.

Nicole: And I've heard about this legendary spellbook from Natilee, it was created eons ago, and inside its pages are a compendium of powerful dream spells, and according to legend, only The Guardian of The Glade of Dreams can use this legendary spellbook.

Rayman: Which means…

Lincoln: You're the only one who can use this spellbook, Rayman.

We then head for a cave, and we found what we were looking for: a large purple spellbook with the symbol of The Glade of Dreams and gems embedded on the cover and inside its pages are a very powerful compendium of powerful dream spells, it was THE SPELLBOOK OF ETERNAL DREAMS!

Nico: Wow, so that's The Spellbook of Eternal Dreams.

Rayman: Now, to claim the spellbook and then, we get after Ales Mansey and André.

Rayman went up to The Spellbook of Eternal Dreams and he grabbed it. Suddenly, Rayman's purple eyes turned neon purple and he was surrounded by a purple and red energy aura with stars, light, Lums, and dragons, and then, Rayman was surrounded by a massive vortex of purple and red energy with stars and light surrounding it, there are Lums and a dragon flying around the vortex, and in the vortex is a white phoenix. Then, as the vortex faded, Rayman emerged, but he was changed forever.

Rayman has on a purple short-sleeved shirt and mysterious white ring on it and the phoenix with the symbol of The Celtic Dream Crusaders above it, long purple pants, black leather ankle-high combat boots with dragons for the shoe buckles, and long long-sleeved white trenchcoat, with Lums, dragons, and fairies on the white coattails and on the back is a fairy with Lums surrounding it, along with the symbol of The Celtic Dream Crusaders above her head. Suddenly, Rayman felt a sharp pain on his wider and more muscular back, and then, his massive strawberry-blonde angel wings with purple and red tips on the large strawberry-blonde feathers on his wider and more muscular back then grew much larger for his new body. Rayman has on a Ring of The Phoenix with large purple gem and heart-shaped gem embedded in the gem on his right ring finger and his Blue Lantern Corps ring on his left ring finger, and Celtic Moon Gauntlets of Glade Justice.

Suddenly, Rayman's massive Celtic Dream Glade's Greatsword of Celtic Dream Justice and all of the swords he'd gotten in the treasure battles began merging together and they were surrounded by a kaleidoscope of purple and red energy, stars, dragons, fairies, light, and Lums, and when it emerged, it was transformed into Morpheus's Celtic Dream Greatsword of Peaceful Celtic Dream Justice, it's a brand-new large greatsword with the Greek God of Dreams, Morpheus, and a Celtic Triquetra etched on the 7'0" massive, wide, double-edged golden blade, large golden dragon heads for the crossguard, large red and purple gem embedded in the rainguard, longer midnight black handle, four large golden dragon heads with purple gems for eyes and red gems in their mouths and on the bottom of the four large dragon heads is a large purple gem for the pommel, he has on his brand-new large gold cuff Bracelets of The Champions of The Champions of The Universe with red gems on his wrists hidden in the long sleeves of his long-sleeved white trenchcoat and his new gold Belt of Elemental Bravery with a gold dragon head with purple gems for eyes and a large red gem in its mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace on his left hip and his Eater of Sins revolver holstered on his right hip. Rayman has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY CELTIC DREAM GLADE FAIRY DRAGON ANGEL OF DIVINE MOONLIGHT CELTIC DREAM JUSTICE AND DIVINE CELTIC MOON DREAM HOPE!

Rayman: (Divine Echoing Cosmic Voice of The Celtic Dream Glade Fairy Dragon and Divine Celtic Dream Moonlight Hope) **Whoa, now this is really incredible! Ales Mansey and Andre are both in big trouble when they see me. And Barodius, if you're watching from the shadows, I hope that you and Dharak are listening. You've lived for far too long and crossed numerous lines for**

**the final time, and when the time comes that we face you and Dharak again, you will both die by our hands once again, and this time, there'll be no chance of the both of you returning from the dead ever again!**

We cheered for what Rayman said.

Lincoln: Rayman, that was an awesome speech! I can imagine Barodius and Dharak are extremely pissed that you just declared war on them!

Rayman: (Divine Echoing Cosmic Voice of The Celtic Dream Glade Fairy Dragon and Divine Celtic Dream Moonlight Hope) **Let them get pissed at me, Lincoln. Besides, J.D. is going to destroy Barodius when the time comes for you and Demona Wendollstein to finally kill Dustin Keystone, and Dharak is also going to pay for almost trying to kill Lynn.**

Lynn: You got that right, and we recorded your speech and we sent it to The Bakugan Brawlers, and they're cheering like crazy.

Lori: And the rallying speech you gave is really rallying everyone back home. Now, let's take down Ales Mansey and turn that Black Lum back to normal.

Rayman: (Divine Echoing Cosmic Voice of The Celtic Dream Glade Fairy Dragon and Divine Celtic Dream Moonlight Hope) **You got it, Lori.**

?: HEEELLLLLP!

Suddenly, Lincoln heard the sound of eight girls calling for help, along with the sound of maniacal laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the eight girls, but they've been cornered by Ales Mansey and André, and they're going to kill them.

Lincoln: Let's get over there at once, guys, I found the eight girls, but they've been cornered by Ales Mansey and André, and they're going to kill them.

?: (Girl's voice) Those evil nightmare-causing monsters, let's get them!

Suddenly, we saw the Duel Monster, Guardian Chimera, appear before us.

Nico: Whoa, that's Guardian Chimera, wicked.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Tora Kemono, but we'll talk later, we've got two more of Rayman's enemies to take down.

We rushed over, and right before Ales Mansey and André could claim their next victims, Lincoln fired powerful rainbow energy balls and elemental forces at Ales Mansey and André, and that allowed the eight girls to get to safety inside a rainbow energy field created by Lincoln to protect them from Ales Mansey and André, and when Ales Mansey and André saw us, especially Rayman and he now had The Spellbook of Eternal Dreams in his hands, they were really enraged.

Rayman: (Divine Echoing Cosmic Voice of The Celtic Dream Glade Fairy Dragon and Divine Celtic Dream Moonlight Hope) I should've known one day you'd both return from the dead, but this is the absolute last time I ever have to see your faces again! Alright, ladies and gents, LET'S ROLL!

Rayman fired powerful purple and red energy blasts, stars, dragons, fairies, Lums, and moonbeams at Ales Mansey and André, and attacked them with his massive Morpheus's Celtic Dream Greatsword of Peaceful Celtic Dream Justice and Celtic Moon

Gauntlets of Glade Justice. Then, Rayman tied Ales Mansey up in a purple and red energy straitjacket and he made a Grimace at André, and that caused him to change back into a Red Lum and beamed Ales Mansey to The Masters of Evil's HQ. We cheered wildly as we holstered our weapons and powered down, and Rayman's new body, clothes, weapons, jewelry, and massive strawberry blonde angel wings are permanent.

Rayman: That's it for both Ales Mansey and André.

Lincoln: You got that right, Rayman. (To Tora Kemono) And it's so good to see you again, Tora Kemono.

Tora Kemono reverted back to normal, and she's a beautiful girl with long flowing dark blue hair, purple eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful dark blue angel wings and she reigned in the power of Guardian Chimera, and she's dressed in a sleeveless dark blue blouse, sleeveless dark blue top, dark blue skirt, dark blue pants, light blue sneakers, and long sleeveless white trenchcoat with darkness and chimeras on the coattails, and Guardian Chimera on the back, and holstered on her back is a large Guardian Chimera-themed greatsword with Guardian Chimera etched on the 7'0" massive, wide, double-edged dark blue blade, large dark blue lion heads for the crossguard, large purple gem embedded in the rainguard, longer midnight black handle, four large dark blue lion heads and a large purple gem on the bottom of the lion heads for the pommel.

Tora Kemono: You too, Lincoln, it's been a long time.

Lincoln went up to Tora Kemono and they hugged, and Tora Kemono is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and his massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice.

Lincoln: It sure has, I haven't seen you when you were twelve, and as you can see, I really grew a lot since then.

Tora Kemono: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 12-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Tora Kemono, she's my Guardian Angel from Japan and my classmate in Gym, and she's also an incredible martial artist. It was Tora that taught me how to use Rindo-kan Karate, Bōjutsu, Capoeira, and Jeet Kune Do, and who introduced me to the Bruce Lee movies when we were twelve. Tora would also protect me from bullies as well. In fact, when she saw Chandler, his goons, Lynn, Pablo, and Anderson bullying me at the same time, she beat the crap out of them, and when she was done, their arms, legs, teeth, and their noses were broken, and Tora threw them right into a really stinky pile of Lynn's dirty socks. Her last name, Kemono, means Beast in Japanese.

Nico: The way she trashed Chandler, his goons, Lynn, Pablo, and Anderson, she's definitely a beast.

Lincoln: And to show thanks to Tora, I took her to a beach where, while I was wearing my orange swim trunks and Tora was wearing her orange and purple tiger striped bikini, I kissed Tora on the lips while they were underwater. She's also the cousin of Makoto from Street Fighter, and she hates Pablo and Anderson with a burning passion.

Me: Wait a second, isn't Makoto a student in Rindo-Kan Karate?

Makoto (Street Fighter): Yep, which means I wasn't the only student who learned Rindo-Kan Karate, and it's so good to see you again, Tora.

Tora Kemono: You too, Makoto.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Tora Kemono's neck with dark blue gems on the gold thunderbolt links and dark blue crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Tora Kemono: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means just like your cousin, you're part of my harem and one of my many future wives, Tora.

Tora Kemono had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Tora Kemono's waist and Tora Kemono wrapped her arms around Lincoln's thick muscular neck, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the eight girls, and when Lincoln saw them, he recognized them immediately. The eight girls are Eriko Tamura and Rei Asagiri from Idol Densetsu Eriko and Larke Tanner, Shanelle Spencer, Nikki Darling, Jett Lyman, Tara Belle, and Brenda "Switchboard" McTech from Beverly Hills Teens.

Lincoln: Oh wow, it's Eriko Tamura and Rei Asagiri from Idol Densetsu Eriko and Larke Tanner, Shanelle Spencer, Nikki Darling, Jett Lyman, Tara Belle, and Brenda "Switchboard" McTech from Beverly Hills Teens.

Nico: Awesome.

Lincoln: Are you girls okay?

Eriko Tamura: Yes, we're okay, thanks to you.

Then, when Eriko Tamura and the other seven girls saw who it was that saved them from Ales Mansey and André, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird and Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Eriko Tamura: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you both.

Then, Lincoln made seven clones of himself, and he and the seven clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Eriko Tamura: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, eight Thunderbird Necklaces of Eternal Love appeared on the necks of Eriko Tamura, Rei Asagiri, Larke Tanner, Shanelle Spencer, Nikki Darling, Jett Lyman, Tara Belle, and Brenda "Switchboard" McTech with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned home to the World Tree Estate, and everyone saw what happened to Rayman after he got The Spellbook of Eternal Dreams and he transformed into his Super Angel Xelnaga Eternity Infinity form, and they were also shocked when they found out the villains we went after were Ales Mansey and the twisted Black Lum, André.

But, when Lincoln showed what Rayman did in tying Ales Mansey and beaming him to The Masters of Evil's HQ and turning the twisted Black Lum, André, back into a Red Lum, everyone went up to us and they hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Tora Kemono have a lot of catching up to do, now that she's back in town.

Maria: That was so awesome that Rayman got The Spellbook of Eternal Dreams and in the process, he not only transformed, but he also got an awesome new makeover and wardrobe, along with new weapons.

Rayman: That's right, and I do like the new makeover and wardrobe change, I look really awesome. If Red Herring sees me, he's in for one wild fight with me, and I've already got a team for me when we face him: Sun Wukong from the Warriors Orochi franchise and Keiji Maeda from the Samurai Warriors franchise.

Lincoln: Wow, that's awesome.

Rayman: Red Herring's in trouble when he faces three wild defenders of the innocent, and trust me, I can get pretty wild at times.

Nicole: With all the crazy things that happens in The Glade of Dreams, along with the adventures you have gone through, you sure can prove to be wild at times. But, that's what makes you the Guardian and Defender of The Glade of Dreams.

Rayman: You got that right.

* * *

After our wild adventure in The Glade of Dreams, we were training intensely in the gym, this time, doing 900,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Tora Kemono saw Lincoln working out like crazy, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Tora Kemono: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Tora, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Tora Kemono: That's incredible!

Nico: It sure is, so Tora, what's the story on why you hate those heartless buttface psychopaths, Pablo and Anderson, with a burning passion?

Tora Kemono: Oh, you're not going to like this one bit. One day, Lincoln and I were training in Rindo-Kan Karate, Bōjutsu, Capoeira, and Jeet Kune Do in the backyard of my home, but then, Lincoln felt something heading this way, and we saw who it was heading our way: it was those heartless buttface psychopaths, Pablo and Anderson, and they were going to kill Lincoln to slake their thirst for blood, but we weren't going to let them. We stood our ground against them and we beat the dumbasses into the ground, and when they saw we were going to do a lot worse to them, they peed their pants and ran away like the cowards they are.

We cheered wildly for what Tora and Lincoln did to Pablo and Anderson, and we were also laughing hysterically when Tora told us they peed their pants and ran off like the cowards they are.

Nico: (Laughs Hysterically) Oh man, Tora, Lincoln, you guys really made them run off like the cowards they truly are.

Me: I saw the whole thing happen, and man, it was brutal. Tora's indeed a beast when you make her mad.

Lori: She literally is, and when they, along with Lynn, Chandler, and Chandler's goons got caught that time bullying Lincoln, they literally got the stuffing beat out of them and they got tossed into a really stinky pile of Lynn's dirty socks.

FOGHORN SOUND!

Eli: P.U.!

Nico: Ugh, that really stinks! How can you guys put up with that?!

Luna: We couldn't, dude, and we couldn't stand the smell of Lynn's stinky feet and dirty clothes, so we took her dirty socks to the laundromat in town and we got them all cleaned up, and we did the same with her stinky jerseys and gym clothes. We had to run them twice, they really stunk! P.U.!

Luan: And when we got back and Lynn found out about it, she'd raised such a big stink about it, and I'm not making a pun for this one, she was so mad, she was about to throttle us all, but Lincoln held her back and he used everything his Guardian Angels taught him and he trounced her.

Nico: Whoa, Lincoln really held his ground against Lynn when she was at her worst and turned into a rampaging bull.

Me: He sure did.

We got a shower afterwards, and then, Lincoln and his harem were heading to Castaway Bay.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

His harem were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble, and his kids were dressed in swimsuits, sandals, jewelry, and they also had their weapons holstered in case of trouble, and when the girls who recently joined Lincoln's harem saw Lincoln in a speedo, they had atomic red blushes on their faces and hearts in their eyes and their noses were bleeding.

Wallflower Blush: Wow, so this is Castaway Bay.

Lincoln: Yep, and it's perfect for our date. Shall we?

Lincoln and his harem dived right into the waters and they also saw the marine life there. They also had a swimming race, and they also had a lot of fun, and they had a game of volleyball and the girls in Lincoln's harem got a massive and extreme deep atomic red blush when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, they had some lunch, and then, Lincoln made clones of himself, and he and the clones went up to the girls in his harem, and he wrapped the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of Lincoln and his clones, and they placed their right hands on the massive wide and muscular left pecs of Lincoln and his clones, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face and massive and muscular upper body.

Nico: Hey, Lincoln, how was your date?

Lincoln: It was awesome, Nico, we went to Castaway Bay in the World of Mario and had fun there.

Me: Wow, you guys sure had a blast.

Blake Belladonna: We sure did. Plus, when some of our cousins whom we'd reunited with recently saw Linky in that speedo, they had the same reactions as the rest of us.

Tora Kemono: I didn't know Lincoln had changed from orange swim trunks to a large orange speedo with a gold lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo. But, when we saw him in it, our minds went blank when we saw him in a speedo.

Nico: The first time he's worn a speedo before was when he was modeling clothes with Luna Isdrage, and the orange speedo she made, it was actually for him.

Tora Kemono: Oh, that's right, now I remember, and I still remembered the time she and Lincoln slugged Lynn when she went on a rampage again.

---

Back at the estate, everyone was having an awesome contest. It was an apple cider drinking contest.

Norbert: Look at all the apple cider!

We were guzzling down apple cider like you wouldn't believe.

We were REALLY DRINKING IT!

We drank glass after glass after glass after glass.

Norbert: Look at them drink!

Daggett: One sip won't hurt.

Daggett drank some and it was good.

Daggett: Yummy!

---

French Narrator: (French Accent) 3 dozen pitchers of Apple Cider later.

---

We really drank them all.

Tara: And the winner of the Apple Cider Drinking contest is… RAINBOW DASH!

We cheered wildly for her.

Nico: Way to go Rainbow Dash!

Qin: YEAH!

Xenia: That was so awesome!

Rainbow Dash: That was awesome!

Me: Nice job R.D.!

Cybertron Scourge: I can't believe you guys drank all that apple cider.

Nico: Boy no kidding there.

Me: Yeah!

Eli: You guys were really thirsty.

Edward the Platypus: Yeah I haven't seen you guys drink that much apple juice since the Lemonade Contest.

Swoop: Me Swoop hope you guys had fun drinking apple juice.

Nico: Oh we did Swoop. Now we got to get ready for our next mission.

Me: (Groans) Oh man. I think we better head to the bathroom first.

Nico: Oh good idea. Okay bathroom break everyone.

We went to our bathrooms and then closed the doors.

FLYS UNZIP.

And then…

MASSIVE EXPLOSION! WATER RUSHES!

All of us: (EXTREMELY LONG AND MASSIVE SIGH OF RELIEF)

Realistic waterfalls and rivers were shown as we let it all out and it was relieving and good.

When it was done we were happy.

Me: Ahhh!

We washed our hands and came out.

Me: Boy that is better!

Qin: Yeah!

Laney: Man that was great!

Top Man: I was just about to suggest you guys going to the bathroom!

Me: Guess I took the thought out of your head. Sorry about that Top Man.

Top Man: No worries. When you got to go you got to go.

Me: But it was relieving.

Nico: Yeah. And you guys are going to like our next mission. We're going to meet Hellboy and his team from the Bureau of Paranormal Research and Defense!

Me: Bout time we met them!

Qin: I love Hellboy! He is awesome!

Luna: And Liz is awesome with her fire powers.

Lincoln: And I think Abe Sapien is neat.

Varie: So is Johann Krauss.

Nico: Yeah they all are amazing.

Laney: Yep.

Brittney: They will make awesome additions to the team.

Nico: They sure will.

Then Dr. Light, P'andor, Man Ray, Kitty, Moonstone, Avalanche, Tar Pit, Kyd Wykkyd, Skulker, Robo Blaze, Roulette, Beagle Babes, Quackerjack, Ted Carson A.K.A. Firefly, Major Mucus, Skeleton

Men, Owl (One Night At Humpty's), Yost Viper, MOE Sinistro, and Yost Living Laser appeared.

Dr. Light: Can me, P'andor, Man Ray, Kitty, Moonstone, Avalanche, Tar Pit, Kyd Wykkyd, Skulker, and Robo Blaze go with you guys?

Roulette: Me, Beagle Babes, Quackerjack, Ted Carson A.K.A. Firefly, Major Mucus, Skeleton Men, Owl (One Night At Humpty's), Yost Viper, MOE Sinistro, and Yost Living Laser will go as well.

Nico: Yes you all can go with us.

P'andor: (Russian Accent) We heard a massive explosion of water.

Nico: Oh that was us having to use the bathroom. We had an apple cider drinking contest and Rainbow Dash won.

Rainbow Dash: What can I say? I love Cider.

Laney: Yeah we all had fun on that one

Kitty: You guys must've been really thirsty.

Me: That and we wanted to see who can drink the most. Rainbow Dash loves cider more than anyone or anypony.

Kitty: Wow! Congratulations Rainbow Dash.

Rainbow Dash: Thanks. It was so awesome!

Nico: Yep.

Quackerjack: So what's our next mission?

Nico: Well it's long overdue. We're meeting Hellboy and the B.P.R.D.

Kitty: Wow! It's about time we met them.

Nico: I know.

Misfire: Nico, which Gene Slammer do you think you'll meet next.

Nico: One for Salamandra the Steel next.

Me: Wow! The Fire Alchemy Beast next.

Qin: That's the last one we have left to meet.

Laney: It sure is.

Nico: Well after those two are Golden Homunculus and Helios Trice Megistus. And then we do The Advanced Crystal Beasts.

Jesse Anderson: Wow! The dark versions of the Crystal Beasts next.

Me: This is gonna be interesting Jesse. So we'll need you and Jaden to come with us on those rescues.

Jaden: We would be honored.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was: the figure was none other than Mylene Farrow of the Vexos, and she's heading here to get revenge on Dan and his friends for ruining the Vexos' plans long ago. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Mylene Farrow on the move?

Lincoln: You guessed it, Nico, and she's heading here to get revenge on Dan and his friends for ruining the Vexos' plans long ago.

Dan Kuso: Should've known she'd show up.

Spectra Phantom: As we expected, and there's also something else: Mylene Farrow will also have her Mechanical Bakugan, Macubass, with her. Since we know of your ability to absorb advanced alien technology, Lincoln, maybe this'll be the perfect chance for you to absorb a Mechanical Bakugan, to teach her a lesson about treating Bakugan like weapons.

Lincoln: That's an awesome idea, Spectra.

Lauren Delaney: But, that'll be for when I transform. This is going to give her quite the shock of a lifetime.

Nico: You said it, and after what you told us about her, Spectra, she's so going to regret it big time. Alright, gang, let's go, it's time to meet Hellboy and the Bureau for Paranormal Research and Defense.

Lincoln: This is going to be really awesome meeting them, and it'll give Adriana a chance for her to catch up with her old friends in the Bureau.

Adriana Ardelean Dracula: (Romanian Accent) And when we tell them of what happened with that vampire, Erzsebet Ondrushko, they're going to be quite surprised.

Lincoln: You said it, Adriana, and once we finish with our mission, you're next, Mylene Farrow.

Nico: Lets get moving.

We were off to New York City.

---

We were flying to New York City.

Avalanche: (to Gai Amatsu) Well, you wanted us to recruit Hellboy and Spawn in the future.

Beagle Babe Leader: Looks like that wish is about to come true.

Me: Part one of it.

Nico: Yeah.

Gai Amatsu: That is true. I did want that to happen.

Qin: You sure did.

Nico: We're here.

Me: Hey look there.

We saw a bunch of people jeering and throwing stuff at Hellboy and the B.P.R.D.

We heard them calling them names.

Me: Uh oh!

Nico: Oh these assholes have crossed the line!

We went down and landed in front of them!

Nico: ALL RIGHT YOU FUCKHEADS THAT'S ENOUGH!

Me: WHO THE HELL DO YOU FUCKWADS THINK YOU ARE?!

Man: That freak hurt a baby!

Me: Oh really!?

I looked at the baby in the woman's hands.

Me: The baby is fine and unharmed ma'am.

Woman: Oh good. I'm sorry. I was scared.

Me: You're all right ma'am. You were just scared and looking out for your kid.

We went back to them.

Me: You assholes make me sick! Hellboy and everyone saved you guys and this is how you repay them!?

Thrust: Say the word, boss, and I blast them!

Nico: No Thrust stand down. They aren't worth it.

Me: You bastards oughta be ashamed of yourselves! These guys saved all your lives and they saved you all from a monster attack!

Eli: Yeah! Who do you think you all are?!

Nico: Yeah! Now you better apologize to Hellboy and his team!

Me: Or you're going to wish that Thrust really carried out that threat!

They went over and apologized to Hellboy and his team and left.

Me: Good.

Hellboy: Thanks for that guys.

Me: Anytime Hellboy. And it's an awesome honor to meet you in person.

Liz: We owe you guys big time for standing up for us.

Laney: It was our pleasure Liz.

Abe Sapien: We're so glad you guys all came.

Varie: We do have a habit of showing up at the right time.

Camie: But it's an awesome honor to meet you all.

Johann Krauss: (German Accent) Ja und it's great of you all to help us.

Me: It was our pleasure.

Man Ray: Sorry those people were saying that stuff to you guys.

Owl: (One Night at Flumptys) If it's any consolation, that happened to us a few times in the past.

Hellboy: Did it really?

Me: Long story. We don't like talking about it that often.

Liz: That's understandable.

Rikki: But it's awesome how you all save people. Also Liz your fire powers the way you get mad remind me of me.

Liz: Do they really?

Me: Whenever Rikki gets mad she makes things boil with heat.

Qin: Yeah.

Nico: That is so awesome.

Liz: I'm glad you think so.

Hellboy: How about we show you our base before we tell you our mission?

Nico: Sure.

We arrived at the Headquarters for the Bureau of Paranormal Research and Defense and it was a really awesome base and loaded with creatures and people of the Paranormal, Supernatural and the Extraterrestrial.

Gyro Man: Nice base.

Nico: Boy I'll say.

Hellboy: Yeah it's home.

Yusuke: Reminds me of what I went through in my Spirit Detective days.

Keiko: It's amazing seeing this here.

Liz: Yeah it's home and it's awesome here.

Nico: It sure is.

Me: Boy it's amazing you guys do all this. And believe me we have known all about the realms of the supernatural, paranormal and mystical for years.

Brittney: Yeah we went to hell and back many times.

Varie: True there.

Nico: Yeah.

Hellboy: That's amazing you guys did all that.

Camie: It sure is.

Moonstone: Do you guys have a golden fist, by any chance?

Yost Viper: We're just asking.

Hellboy: Yes we still do.

Moonstone: That's awesome.

Nico: It sure is.

Hellboy: Then you must know that we're trying to stop Prince Nuada from bringing back the Golden Army.

Nico: As a matter of fact yes. That's our big mission with you guys.

Me: Then that must mean we're going to kill Prince Nuada too.

Nico: Yep.

Laney: Whoa!

Sword Man: I hope that fucker's minions like getting their heads chopped off with my sword!

Me: Believe me I hate this guy too. He and I have a massive and terrible history.

Nico: Really?

Me: Yeah. It was 10 years ago. I destroyed the entire Golden Army and made sure there was nothing of them left and ever since then Prince Nuada has been hellbent on killing me and making me pay for it. He wants nothing more than to kill me and throw my body into a black hole.

Everyone gasped in absolute shock!

Nico: WHOA! We had no idea you faced Prince Nuada before.

Eli: Yeah bro that's incredible!

Qin: It sure is.

Camie: Can you tell us more about Prince Nuada?

Me: I sure can. He is a deadly Martial Artist and he was the deadliest I've ever encountered. His name is Prince Nuada Silverlance and he is one deadly badass son of a fucking bitch.

I went over his history.

---

Prince Nuada Silverlance is the main antagonist in the 2008 sequel film Hellboy II: The Golden Army.

He is the Elfish crown prince of the Bethmora Clan, who is determined to wipe out humanity in order to preserve his clan and all other non-human creatures. To do this, he seeks out the three pieces of the Crown of Bethmora in order to control the legendary Golden Army, putting him at odds with Hellboy and the B.P.R.D.. He is Hellboy's second archenemy.

He was portrayed by Luke Goss, who also played Jared Nomak in Blade II.

When Hellboy was a boy, Professor Broom told him the story of Nuada and the Golden Army. Ages ago, elves, goblins and other mythical creatures lived among the humans and Nuada's father, King Balor ruled over them. One day, the humans waged war against Balor where neither side was victorious. A goblin blacksmith offered to build the Golden Army for Balor and Nuada urges his father to agree which he hesistantly does. The golden army left no survivors and Balor regretted his decision. He then decided to form a truce with the humans and imprisoned the army for eternity. Nuada was furious with the truce and went into exile, vowing to return and wipe out humanity.

In the present day, Nuada is living in the sewers of New York, preparing his revenge. He befriends a giant troll named Mr. Wink, who acts as his strongman. They interrupt an auction where one of the items is one of the keys to unlocking the Golden Army. He takes it and then unleashes an army of flesh-eating pixies on the buyers, leaving no survivors. Afterwards, Nuada visits his father at his secret royal court and demands that he joins him and unleash the Golden Army on the humans. King Balor refuses and Nuada slays him and takes the second key item which, alongside with the other one, is revealed to be one of the three missing pieces of the fabled Crown of Bethmora. He asks his sister for the final piece but she runs off during the fighting. Nuada sends Wink after her and he finds her in the Troll Market. Wink engages in a fight with Hellboy and is killed. Nuada becomes heartbroken over the news and vows Hellboy will pay. He pities Hellboy for fighting for the humans even when they don't care and then summons a giant worm-like forest god to wreak havoc on the city. As Hellboy was ready to kill the monster, Nuada appears before him to let him know that the forest god was the last of its kind and that Hellboy should join him. Hellboy refuses, kills the god and after all that, is scorned by innocent bystanders.

Later that night, Nuada senses Nuala's presence and infiltrates the B.P.R.D. He learns that his sister has fallen in love with Abe Sapien and tries to kill him but an inebriated Hellboy offers to fight him. Nuada easily defeats him and leaves a spearhead embedded in his heart. Each time the spear is touched, it will move deeper towards the heart and eventually kill him. Prince Nuada demands that Abe brings him the last key for Nuala's freedom. Hellboy and the others find the place where the Golden Army resides, Hellboy is cured of his injuries and Abe foolishly gives Nuada the final key to awaken the army. After a failed attempt to fight them, Hellboy challenges Nuada for the right to command the army. Nuada refused as Red was not royalty, but Nuala reminds him that being the son of Satan gives him the right and the two duel it out, Hellboy is victorious. Nuada demands him to kill him as he will not stop but Hellboy spares his life. Nuada grabs a knife and attempts to stab him but Nuala stabs herself, which also affects him and both turn to stone and crumble. Before dying, Nuada reminds Hellboy that humans will still not accept him and that in the near future, he will have to choose to save humanity or save his kind and other sorts of mythical creatures.

When I was done everyone was shocked and horrified!

Qin: Whoa!

Nico: My god! I didn't know he was that evil!

Camie: Yeah! He hates EVERYONE!

Hellboy: That's putting it mildly.

Yost Living Laser: Does he have any relatives?

Kitty: Specifically good ones?

Me: Yes he does. His sister Princess Nuala. She is the good princess and is innocent. She helped Hellboy and the Bureau before and even helped me take down the Golden Army. She helped me destroy all his plans.

Qin: Wow!

Camie: That's amazing!

Laney: It sure is.

Lincoln: Yeah!

Me: But lets not forget one thing. I was brutally overwhelmed by his fighting prowess. But in the end I got the drop on him.

Nico: Wow. He is that strong?

Me: Yep. He almost killed me. But I came out on top and won. I banished him to another dimension.

Liz: But he and Nuala are linked and connected.

Me: I know. But before that happened I severed their Kami-Piccolo-like link and made them officially separated in life force.

Qin: Wow! That is good.

Me: Yep. But Nuada has no idea what has been taking place over the years. I've gotten stronger and far more powerful since then.

Nico: You sure have. And now you can take him down.

Me: Yep.

Clown Man: We should find her.

?: No need.

We turned and we saw Princess Nuala.

Nuala: I knew you would return J.D.

Me: It's good to see you Nuala.

Nuala: You've grown a lot since the last time you stopped my brother.

Me: I have evolved tremendously you might say. This is my team. We are Team Loud Phoenix Storm.

Nico: It's an honor to meet you Nuala.

Laney: We're sorry that your brother is doing all this. We have to kill him.

Nuala: I know. But that monster is not my brother. He hates all humans.

Skulker: Did your brother spot you?

MOE Sinestro: I hope that isn't the case.

Nuala: No he doesn't know.

Me: Also I made sure he can never use her to spy.

Qin: Good.

Nico: J.D. do you know where Nuada is?

Me: Yes I do. He's in a temple located right underneath the Giants

Causeway in Northern Ireland.

Qin: That's gonna be interesting.

Nico: Yeah.

Eli: Yeah it's going to be a brutal fight.

Me: Not for me. I've gotten stronger over the years. He doesn't know how powerful I got.

Blot: Wait. I think I see some of his goons heading over here!

Nico: Then we better follow them.

Nuala: Oh no.

Nico: Lets head out.

Hellboy: Time to kill this fucker.

Qin: Lets go.

Camie: Yeah.

We were off to the Giants Causeway.

## GIANTS CAUSEWAY, NORTHERN IRELAND

We arrived at the temple.

Me: The Giants Causeway.

Qin: Nice place.

We saw the goons.

Ted Carson Firefly: Let's burn those guys!

Robo Blaze: With pleasure. Tronics!

Robo Blaze summoned the Tronics and we fired waves of energy and blasted and them into dust.

Nico: Take that!

We went into the temple.

Hellboy: So what's the plan J.D.?

Me: We surprise him with our entrance and then he'll challenge me to a fight like he did 10 years ago. Then when everyone has their usual battles we all come in for the kill.

Nico: I like it.

Liz: I wonder how far you have come J.D.

Me: You're going to see soon Liz.

We went down into the temple and it was an amazing place and wew saw remnants of the Golden Army.

Me: Wow.

Nico: You really left your mark on this place J.D.

Qin: Yeah you sure did.

Me: Just like I left it 10 years ago.

Eli: No kidding.

Nuala: Nuada is up ahead.

Nico: Shh.

We hid.

Motormaster: No one activate any traps!

Me: There are no traps here.

Nico: Yeah.

We hid and looked around.

We saw on a gear throne PRINCE NUADA SILVERBLADE!

Me: There he is.

HE WAS REALLY UPSET AND MAD!

Prince Nuada: CURSE THAT FUCKER J.D.! HE RUINED ALL MY PLANS TO DESTROY HUMANITY! I HATE THAT MOTHERFUCKER SON OF A BITCH!

My aura flared up with intense force.

Laney: Whoa he is really pissed.

Hellboy: How rude. He forgot me.

Skeleton Man: I'm sure he remembers you.

Kyd: He just hates J.D. more.

Me: I did ruin his plans and banish him to another dimension.

Nico: But lets get to work.

Me: Come on guys. Entrance time.

We went at him and Nuada roared in fury. But then the spirits oof the Toa Nuva and the Keybladers appeared and swirled around him and then converged and then…

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and a phoenix cry was heard and we came out.

Me: Hello Nuada. Remember me dickless shitfucker?

Nuada: You've grown J.D.! I WILL STILL KILL YOU!

Me: Come and get me fucker!

He roared and went at me and then…

KRABLAM!

I punched him in the face with devastating force and sent him crashing into his throne.

Nico: YEAH!

Nuada: You've gotten stronger!

Me: I'm not the same as I was before Nuada.

Nuada: (SPITS) How did you get stronger!?

Me: From a place called None of Your fucking Business shitsucking motherfucker!

Qin: YEAH!

Me: You and I have an old score to settle.

I then transformed and went Super Angel Eternal Celestial Xelnaga!

Me: (DIVINE ECHOING COSMIC ELEMENTAL VOICE OF HOPE, FRIENDSHIP, JUSTICE, LOVE AND VALOR) **And your death is going to be one that will be epic.**

Razorclaw: We have time before the battles. Let me start things off!

He fired laser blasts and blasted Nuada all over.

Nico: Take that.

Me: **Now to prove my point.**

Nuada roared and went at me and I punched him in the stomach and kicked him in the face and smashed him into the ground and he punched at me and I dodged all his punches. He was even throwing a bunch of dirty moves and sucker punches at me and I dodged them all and I kicked him in the face and elbowed him in the nose and smashed him in his stomach and kicked him in his face!

Nuala: Wow! J.D. has gotten incredibly powerful.

Nico: He's not the same as you remember Nuala.

Hellboy: Wow! He wasn't kidding.

Liz: Incredible!

Abe Sapien: It's incredible how fast and powerful he has gotten.

Eli: Bro is a god among man and his power has gotten stronger with every battle.

I threw him onto the ground and broke his arm by bending it back and I punched him in the face and smashed him in the ground! He got up and roared with incredible fury!

Nuada: I HATE YOU SO MUCH, J.D. KNUDSON I DESPISE YOU, I LOATHE YOU BEYOND ALL LIFE ITSELF! IF IT HADN'T BEEN FOR YOU, I WOULD'VE FINALLY DESTROYED ALL OF HUMANITY AND KILLED EVERYONE YOU HAVE KNOWN AND LOVED! BUT, NOW THAT YOU'RE ALL HERE, I'M FINALLY GOING TO KILL YOU, EVERY LAST BITCH IN YOUR HAREM, AND YOUR FAMILY, AND SOON, I'LL KILL YOUR KIDS AND YOUR BABIES, AND DRINK THEIR BLOOD! I WILL DESTROY ALL LIFE ON EARTH! (LAUGHING DERANGEDLY)

MY RAINBOW FIRE AURA FLARED UP WITH UNBELIEVABLE INTENSITY!

Me: **You psychotic motherfucking monster son of a fucking bitch!**

Nico: You just signed your own death warrant!

Lincoln: You're heading straight for the grave!

Camie: And then to the Black Gates!

Tar Pit: You never threaten someone's family.

Major Mucus: Unless you have a death wish!

I punched him hard in his face and broke his nose and then kicked him in the face and smashed him into the ground and he got up and went at me and I dodged him and kicked him in the back and smashed him into the ground. He got up and he was infuriated!

Nuada: (ENRAGED MANIACAL SCREAMING) I HATE YYYOOOOOOOUUU!

My aura flared up with incredible intensity some more!

Nico: He is completely out of his mind!

I punched him some more in the stomach and kicked him in the face and smashed him into the ground and I kicked him into the air and dealt a spinning axe kick and smashed him into the ground some more!

Nuada got up.

Nuada: YOU MAKE ME SICK! I HATE YOU MORE THAN LIFE ITSELF!

My rainbow aura flared up with explosively massive intensity!

Me: **You can hate me all you want but all you're doing is just making me more powerful.**

Hellboy: Did you forget about me, asshole?

Sinnertwin: Hellboy did fight you first.

Nico: Don't waste your breath on him guys. Nuada is completely out of his mind.

I punched Nuada in the face and kicked him in the chest and dealt him a deadly uppercut and sent him crashing into the wall.

Nico: His hatred towards J.D. is so intensely strong and so powerful that he is completely insane and doesn't care about the past and only wants to destroy J.D. by any means necessary.

Eli: Whoa.

I kicked him into the wall and he got up and went at me and I punched him in the face and kicked him in the neck and then grabbed him by his leg and spun him around and threw him through the wall and smashed him through it!

Nico: WHOA!

Camie: Unbelievable!

POW!

I smashed him down.

Hellboy walked up to Nuada and punched him in the eye with the Right Hand of Doom.

P'andor: Damn, that hand is powerful!

Quackerjack: I want one of those!

Nico: Wouldn't we all.

Me: **Nice one Hellboy.**

Hellboy: Your power is incredible J.D.

Me: **You wouldn't believe what I went through to get this power.**

I punched Nuada in the face and knocked him down.

Qin: YEAH!

Me: **Should be just about time for the usual battles.**

I made a clone with my thoughts and it went to the group and I went back and faced Nuada and kicked his fucking ass all over the place.

Nico: It sure is, so Tora, what's the story on why you hate those heartless buttface psychopaths, Pablo and Anderson, with a burning passion?

One day, Lincoln and I were training in Rindo-Kan Karate, Bōjutsu, Capoeira, and Jeet Kune Do in the backyard of my home, but then, Lincoln felt something heading this way, and we saw who it was heading our way: it was those heartless buttface psychopaths, Pablo and Anderson, and they were going to kill Lincoln to slake their thirst for blood, but we weren't going to let them. We stood our ground against them and we beat the dumbasses into the ground, and when they saw we were going to do a lot worse to them, they peed their pants and ran away like the cowards they are.

We cheered wildly for what Tora and Lincoln did to Pablo and Anderson, and we were also laughing hysterically when Tora told us they peed their pants and ran off like the cowards they are.

Nico: (Laughs Hysterically) Oh man, Tora, Lincoln, you guys really made them run off like the cowards they truly are.

Me: I saw the whole thing happen, and man, it was brutal. Tora's indeed a beast when you make her mad.

FOGHORN SOUND!

Eli: P.U.!

Nico: Ugh, that really stinks! How can you guys put up with that?!

Luna: We couldn't, dude, and we couldn't stand the smell of Lynn's stinky feet and dirty clothes, so we took her dirty socks to the laundromat in town and we got them all cleaned up, and we did the same with her stinky jerseys and gym clothes. We had to run them twice, they really stunk! P.U.!

Luan: And when we got back and Lynn found out about it, she'd raised such a big stink about it, and I'm not making a pun for this one, she was so mad, she was about to throttle us all, but Lincoln held her back and he used everything his Guardian Angels taught him and he trounced her.

Nico: Whoa, Lincoln really held his ground against Lynn when she was at her worst and turned into a rampaging bull.

Me: He sure did.

Suddenly, Lauren Delaney's massive Earthbound Immortal Aslla Piscu-themed large sword and all the other swords she'd gotten began merging together and they were surrounded by a kaleidoscope of orange energy with darkness, orange fire, and hummingbirds, and when it emerged, it transformed into Earthbound Immortal Aslla Piscu's Dark Hummingbird Greatsword of Orange Fire and Darkness Justice, it's a brand-new large greatsword with Earthbound Immortal Aslla Piscu and the Hummingbird Nazca Line etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight black hummingbird heads for the crossguard, large orange gem embedded in the rainguard, longer midnight black handle, four large midnight black hummingbird heads and a large orange gem below the hummingbird heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with orange gems on her wrists, new large gold Belt of

Lauren Delaney has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY DARKNESS ORANGE FIRE EARTHBOUND IMMORTAL HUMMINGBIRD ANGEL OF DIVINE EARTHBOUND IMMORTAL DARK JUSTICE AND DIVINE ORANGE FIRESTORM LOVE!

We were amazed by Lauren Delaney's Super Angel Xelnaga Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Mylene Farrow saw it, she summoned her Mechanical Bakugan, Macubass, to kill her, but Lauren Delaney fired a powerful black and orange energy blast with orange fire, darkness, and hummingbirds at Mylene and Macubass, which burned Mylene and blindsided them, but it allowed Lincoln to get close to Macubass, and as he put his large left hand on the mechanical Bakugan's head, Macubass glowed and Lincoln began absorbing Macubass into his body, and Lincoln gained a massive power boost and acquired brand-new weapons from Macubass, and this horrified Mylene.

Nico: Holy guacamole, now Lauren Delaney's transformed!

Me: And look at the pattern on her wings, they're the same pattern as on Aslla Piscu's wings, so cool.

Eli: Really amazing, and Spectra's plan worked: Lauren blindsided Mylene and Macubass after she had transformed, and it allowed Lincoln to get close and he absorbed Macubass, and not only did he gain a massive power boost, but he also gained new weapons and gadgets from Macubass.

Lincoln: And now that Mylene has lost her Bakugan, she's all alone, and she's about to feel the true wrath of The Earthbound Immortals, and Lauren, you look beautiful, how do you feel?

Lauren Delaney: (Divine Echoing Cosmic Voice of The Dark Hummingbird Earthbound Immortal and Divine Orange Fire Justice) **I feel incredible, Linky, and now, shall we administer Mylene Farrow her punishment, now that she no longer has Macubass?**

Lincoln: (Smiles) With pleasure, Lauren.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Lauren Delaney.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Time for you to pay for everything you've done, Mylene Farrow, but this time, we're not showing you both any mercy whatsoever, not**

**like you deserve any.**

Lauren Delaney and Lincoln went after Mylene Farrow, and they fired extremely powerful blasts of rainbow energy, orange energy, orange fire, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, and Hummingbirds at Mylene Farrow, and they exploded with incredible power as they hit her. Then, they attacked Mylene Farrow with their massive greatswords and they left some really nasty scars on her, and Lincoln then summoned Macubass' ABSIDS attack pods, and they flew at Mylene and fired lasers at her, and she was knocked down, and she was tied up in a rainbow energy straitjacket and rainbow energy chains by Lincoln, and the attack pods vanished.

Mylene Farrow: Okay, so you've defeated me. So, what are you going to do, kill me?

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **As if, you're not getting out of this easily, Mylene.**

Lauren Delaney: (Divine Echoing Cosmic Voice of The Dark Hummingbird Earthbound Immortal and Divine Orange Fire Justice) **That's right, you've got potential to be a member of the Masters of Evil. So, instead of killing you, you're going to be recruited into The Masters of Evil. Besides, don't you think it's better than trying to avenge King Zenoheld, who no longer even respects you or Shadow Prove, and was consumed by revenge, and if we let you escape, Barodius will find out and he's going to kill you.**

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope,

Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **And he's not going to let you or Shadow Prove live.**

Mylene Farrow finds out that Lincoln and Lauren Delaney are right: if Barodius finds out she's failed, he's going to kill her.

Mylene Farrow: Very well, I'll join The Masters of Evil, since siding with Barodius was indeed a death wish.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smiles) **You've made the right choice.**

Lincoln beamed Mylene Farrow to The Masters of Evil's HQ, where Vypra and the others were given the news: Mylene Farrow is now part of The Masters of Evil. We cheered wildly for what Lauren Delaney and Lincoln did as they holstered their massive greatswords on their backs and powered down, and Lauren Delaney's new body, clothes, weapons, jewelry, and massive black and orange angel wings are permanent.

Lauren Delaney: That's one villain recruited into The Masters of Evil and eleven more to go before we finally kill Dustin Keystone, and thanks for helping me take down Mylene Farrow, Linky.

Lincoln: (Smiles Warmly) You're welcome, Lauren.

Suddenly, Lauren Delaney wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Lauren Delaney's face, they kissed passionately as Lauren Delaney's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Earthbound Immortal Aslla Piscu flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and orange fire raging behind them and we all cheered wildly. Lincoln and Lauren Delaney absorbed the fires, and they came back, and Aslla Piscu vanished.

Nico: Awesome job, Lauren and Lincoln, you guys took down and convinced Mylene Farrow to join The Masters of Evil.

Lincoln: We sure did, and now, tomorrow, we need to convince Shadow Prove to join The Masters of Evil.

Lync Volan: He won't be easy to convince though, he's pretty violent and volatile.

Valerie Brinkley: Well, so am I. If he so much as threatens to hurt Lincoln or anyone around me, I'll show him just how violent I can get. (Cracks Knuckles)

Nico: Uh oh, I'd hate to be in Shadow Prove's shoes tomorrow.

Me: You got that right, Nico. And Lincoln, what Gene-Slammer are you hoping to meet tomorrow on your rescue?

Lincoln: Good question, J.D. Hmm, oh, how about Gene-Slammers for the Yellow Dragon Ninja, Black Dragon Ninja, White Dragon Ninja, Red Dragon Ninja, and Blue Dragon Ninja.

Nico: Ooh, now those are some really awesome ones, and they're from the sub-series of the Ninja archetype.

Lincoln: And whoever's been Gene-Slammed into them would have to be really skilled in the eighteen disciplines of Ninjutsu.

Me: Now, that would be really interesting to see for ourselves.

Chemistro: That's the end of Nuada.

Hellboy: You guys really kicked ass today.

Trickster: It's what we do.

Box Ghost: And we helped as well. But J.D. deserves most of the credit. He really kicked his butt big time.

Hellboy: He sure did.

Liz: That was so awesome.

Ssserpent: Consider yourself part of the team.

Onyx: Anytime you and the BPRD need our help, just call.

Hellboy: Will do.

Me: Awesome. Nuala I'm sorry about your brother. He had this coming.

Nuala: I'll be okay. He deserved it.

Qin: Good.

Camie: Yeah but J.D. really kicked that monster's butt.

Himiko: He sure did.

Sirius: Good riddance to bad rubbish.

Nico: Yep. But great job today everyone. We all did great. But J.D. you did really amazingly well against Nuada. You are a much better fighter than he is.

Me: All the wonders of training and protecting everyone I know and love.

Nico: That's true.

Me: But when you threaten my family you just signed your own death warrant.

Laney: That's for sure.

Nico: Yep. Lets head to Lynn's Table and celebrate.

We cheered.

Hellboy: (To the viewers) This was an awesome adventure and it's going to be an honor to be part of the team.

Me: You all will love it.

Nico: Yep. Lets head home.

We went back home and went to Lynn's Table and enjoyed a great meal and then we went back to the estate and enjoyed the rest of the day and went to sleep.

THE END

# OUT OF THE DARKNESS COMES SPAWN!

Flying over the world of the Beast Wars Transformers was Nico, The Ripping Friends, Chris Taylor, The Hernandez Sisters, Yost Magma, Rin Nohara, Woz, Bai Tza, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, The 1983 D&D Gang, Irina Krafla the Granity Gene-slammer, Kora Lexxington, Olivia Houou, Nataša Marečková, Nalanie Nanthavong The Vorash Gene-Slammer, Anna Anyanova the Destiny HERO Dark Angel Gene-slammer, Daring Do, Lizzie Strong the Great Blue Windrunner Gene-slammer, Emam Reynolds the Living Tsunami Gene-slammer, Wendy Sapphira, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Granity, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Hibiki Riders, Kabuto Riders, Den-O, Kiva, Decade, W, OOO, Fourze, Wizard Riders, Gaim Riders, Drive Riders, Ghost Riders, Ex-Aid Riders, Build Riders, Zi-O Riders, Zero-One Riders, Granity, Samurai Jack, Ashi and her sisters, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Sunny Starscout, Izzy Moonbow, Hitch Trailblazer, Pipp Petals, Zipp Storm, Rachel Stavenport, Carol Pusateri, Kia, Jenna, Lina, May, Maria, Danica Metrois, Kaalia of The Vast, me, Varie, Sakura Valencia, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Bridgette, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Spiderman, Kaina Tsutsumi, Nick Logan, Sh'Lainn Blaze, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Girl Jordan, Earth, Vinyl Scratch, Polar Claw (Beast Wars), Lincoln, Leni, Laney, Lana, Lola, Lisa and Lily and we saw the entire planet being torched by the Vok Planet Buster.

Me: Oh my god!

Qin: So this is what would happen if the Vok Planet Buster blasted the planet.

Camie: This is horrible!

Chris Taylor: No kidding! This is awful!

Nico: Yeah! But thanks for coming with me Chris.

Chris Taylor: Anytime Nico. It's going to be awesome helping you.

Nico: (sweetly) Chris, let me just say how glad I am that you're Qin's boyfriend.

Chris Taylor: Thanks Nico.

Qin: I think it's awesome for me and Chris.

Me: I do too Qin.

Camie: Same here.

We saw the planet in utter peril as massive fiery explosion were blasting off all over the place and the plants were all on fire. Luckily all the creatures were hiding in a cave somewhere.

Me: This is horrible!

Xenia: What are the Vok going to do to the planet?

Albedo: Megatron said that they are going to ignite the Energon in the area and it'll cause a chain reaction that will rip the planet to atoms and destroy all traces of them.

Qin: This is awful!

Varie: But if I know what Megatron is going to do in this world it's not going to be good.

Sakura Valencia: Yeah no kidding there!

Me: Yeah.

Nico: There's the Axelon!

We then saw a Stasis Pod fly from it.

Me: Whoa!

Eli: I sense Optimus Primal in that ship!

Camie: I know what he's going to do!

Me: Me too!

Nico: Lets head in!

We went into the ship and went to the control room!

Nico: Man this is intense.

Cheetor: Come on. Almost. Got it!

On an image was the planet buster and a black spot in the image was the pod with Optimus in it.

Cheetor: Got it! There's big bot!

Airazor: How did you get his signal through the shields?

Cheetor: I opened up a hole big enough to do a spectrum pulse. Rhinox showed me how. I wish he was here.

Nico: He will be soon Cheetor.

Rattrap: Wow! Team Loud Phoenix Storm. It's an honor.

Nico: Same here.

We waited and Optimus was close.

Cheetor: He's closing in. Computer how much time?

Computer: Planetary destruction in 5.3 cycles.

Laney: Oh man! Close!

Rattrap: Oh man. Leave it to the monkey to take it to the wire.

We waited.

Airazor: He's almost inside the alien structure! Why doesn't he ditch!?

Cheetor: Come on Big Bot!

Blackarachnia: (In Tarantulas's voice) Too late. Good bye Optimus! (LAUGHS)

Beast Wars Megatron: Oh, you Optimuses do love to sacrifice yourselves, don't you? Well, fortunately, this time your foolishness will destroy you and your Maximals. The Beast Wars are over, Optimus. You lose. (LAUGHS MALEVOLENTLY)

Optimus got close to the Planet Buster as Megatron rubbed his victory in his face.

Optimus Primal: MEGATROOOOOON!

OR SO HE THINKS!

Me: I knew this was coming! Now the tables have turned.

3… 2…

Me: (SNAPS FINGERS)

I snapped my fingers and beamed Optimus back to us and then put Beast Wars Megatron in his place!

0.

It crashed into the device and then…

EXTREMELY MASSIVE AND POWERFUL EXPLOSION OF INCREDIBLE POWER!

The Alien Structure was completely destroyed in a massive powerful explosion!

Optimus Primal: What happened?

Me: I teleported you out of there at the last second and brought you back here and put Megatron in your place. He crashed into the device and was destroyed with it.

Optimus Primal: Wow!

Rattrap: That was a close one Fearless Leader!

Cheetor: Thank goodness you're safe big bot!

Nico: Megatron Magnasealed the pod and made it impossible to escape. He was going to double cross Optimus by destroying him.

Varie: Yeah.

Me: That's it for Megatron.

Nico: Now where was I? Oh right. (grabs Chris by the collar): But let me make something clear. If you break Qin's heart, I'll kill you 10 times. And then. Poliwag will kill you another 10 times! And then, Poromon will kill you another 10 times! Do you under stand me!?

Cheetor: Whoa! A Lover threat.

Me: Cheetor it's all right. Nico is just looking out for Qin.

Chris Taylor: (GULP!) OKAY OKAY OKAY OKAY! I will not hurt her!

Nico: Good.

Chris Taylor: Oh I think I wet my pants a little.

Nico: Oops.

We laughed.

Nico: But J.D. well done and smart thinking switching Megatron.

Me: Thanks.

Tigatron: Now we have to capture the rest of the Predacons.

Me: First this.

I snapped my fingers and brought the Stasis Pods that were were falling to the planet to the ship and saved them.

Nico: Also, Cosmic Fury won't have the team suits. But they will have the team's Zords and bad guys.

Chris Taylor: Yeah that will be interesting.

Me: Boy that is going to be interesting. The Dino Fury Rangers using the weapons and zords of the Kyurangers.

Camie: Yep.

Laney: Yeah

Nico: Also, it's about time we recruited Hellboy.

Me: Boy it sure is.

Airazor: You guys have done a lot in the time you're from.

Camie: We sure have Airazor.

Optimus Primal: Yeah that's for sure.

Me: And Nuada took one helluva beating.

Varie: Boy no kidding.

Eli: Yeah bro you really thrashed him.

Me: Let me fix Rhinox and Dinobot for you guys.

I snapped my fingers and got them fixed good as new.

Rhinox: What happened?

Me: Ugly story Rhinox.

We told them everything and more and it was intense.

Rhinox: My goodness! At least you saved Optimus just in time.

Nico: And he switched him out with Megatron.

Me: Yep. Never underestimate the power of a god.

Nico: And that Fist of Doom Hellboy has is badass.

Me: You got that right.

Xenia: That was awesome. But we had no idea that J.D. had a history with Nuada.

Lola: What's next? Brittney having a history with one of Spawn's enemies?

Brittney: Funny you should mention that Lola. I'll tell you about that on the next mission.

Laney: It'll be interesting to hear about.

Camie: Yeah.

Nico: Also, I can confirm that Hitoshi, Bella Huffington, Nova the Water Titan, Hot Shot, Yulia Shirayuki, Sidney Ford, Iris Brockman, Jenny Bravo, Orya Nottingham, and Sunny Bridges' class are backup core members.

Me: Awesome!

Lola: Yeah! Bella and most of the gene-slammers will be happy about that.

Eli: But who is Nova the Water Titan and Jenny Bravo?

Me: Jenny is Johnny Bravo's female counterpart. Sounds crazy but it's true.

Nico: And Nova is from Hero Wars.

Lola: Cool!

Airazor: That is interesting.

Chris Taylor: I agree there.

Nico: Yep. Anyway we got to capture the Predacons. They will be perfect for the M.O.E.

Laney: Agreed. First we need to return this planet to life.

Nico: Good idea.

Nico snapped his planet and fixed it up and made it filled with life again.

Albedo turned into Negative Mucilator.

Negative Mucilator: This form will be perfect for dealing with them.

Nico: Perfect.

Optimus Primal: I agree. Now that the Predacons have lost Megatron they are without a leader.

Me: That makes them lost sheep. Without a doubt they are coming for us.

Eli: He's right. (Senses something) They are coming right now.

Optimus Primal: Lets get ready Maximals.

We got ready to help them too.

Nico: Here we go.

We went out to face them.

We saw that the land was back to normal and plentiful and full of life again.

Qin: Wow! It's magnificent.

Maria: It sure is.

Eli: Yeah. They should be coming from… THERE!

Eli fired waves of Force Lightning and it hit Terrorsaur as he came out of a rock and electrocuted him.

Laney: Take that!

Me: Now this! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Polar Claw: Time for some buttkicking! Polar Claw, MAXIMIZE!

He transformed!

Camie: Yeah!

Me: Lets get them!

Scorponok fired missiles at us and Camie grabbed them and threw them back and blasted him all over.

Kaito: (gets out Den O gear) Time to kick some butt!

Zocks: (gets out Kiva gear) Big time!

Me: To quote Quickstrike, "YEEHAW! Here comes Poison!"

Applejack: YEEHAW! This is gonna be more fun than a Hummingbird in a Hurricane!

We fired waves of energy and smashed them down.

Kaito got a Den-O Sword and Zocks got a Kiva Sword!

Qin: YEAH!

Me: Lets see how they like this one. (Activates Predacon Rhinox's Ridewatch)

I got his blasters and fired rapid fire machine gun blasts and blasted them all over the place.

Sougo: (Gets out Revice Ridewatch) Don't forget about us!

Geiz: (gets out Blades Ridewatch) Let's kick some Predacon butt!

Sougo got ReviceArmor while Geiz got BladesArmor.

Nico: Oh yeah!

Optimus Primal: This is good! But why are you guys fighting!? Megatron is dead! The Beast Wars are over for you.

Evil Scorponok: Megatron was our true leader!

Evil Waspinator charged at Geiz. But Geiz simply sidestepped him.

He tripped and crashed into the ground!

SMASH!

Me: Boy I can't believe that Megatron treated him like a punching bag.

Qin: Yeah.

Evil Terrorsaur: Where are Tarantulas, Blackarachnia and Inferno!?

Me: Already captured! Like in the great war with your ancestors they had human help. Now the Maximals have had the same thing happen to them. We won.

Nico: That's right. So if I were you guys I would surrender. Your boss Megatron is on our frenemies in the Masters of Evil. It's a long story.

Evil Scorponok tried to punch Negative Mucilator.

But his gelatinous body made the punch ineffective. Like it was trying to punch Jello.

Negative Mucilator: That all you got.

SMASH!

He smashed him into a pancake.

Nico: That was funny.

Maria: By the time the next Omnitrix Alien gets here, you better surrender!

Nico: So if I were you I would make that choice now.

They knew that Nico and Maria were right.

Airazor: So what will it be?

Me: Besides. There's lots of us and few of you. So we have you seriously outnumbered.

They knew we were right and they then turned back into beast mode and surrendered and we tied them up with energy ropes.

Nico: Good choice. Besides you'll make good archenemies for us in our frenemies.

Qin: That's true.

Laney: Yep.

?: I agree there on that.

Then out came a black version of a Mucilator! It was ANOTHER MUCILATOR!

Me: Whoa! Another Mucilator!

Nico: Another Predator Alien.

Lana: Yeah!

Me: So who is the Mucilator here?

Another Mucilator: (In a girls voice) You know who I am J.D.

Me: (GASP) Kerry Williams!? Whoa!

Laney: Who is she?

Me: Her name is Kerry Williams and she is a girl that is A straight a student in middle school.

Laney: Wow!

Leni: Wait a second. Like Lynn told us of a middle school girl that got Straight A's and disappeared.

Me: Swartz got her no doubt.

Another Mucilator: Yeah he did. But it's good to see you again J.D.

Me: Same here Kerry.

May: Did Swartz promise you anything?

Another Mucilator: Just to be the smartest and most brilliant student ever.

Me: We can easily do that and help you there.

Another Mucilator: I knew that Swartz was lying to me.

Sougo: It's good we killed him.

Qin: Yeah it sure is.

Me: Besides he would have never kept his end of the bargain anyway.

Nico: Yeah.

Me: Sorry we have to fight like this.

Another Mucilator: No worries J.D. Just get me back to normal.

Me: You can count on us doing that.

Nico: (gets out Nergal's ridewatch) Let's start things off!

Nico activated it.

(TARANTELLA NAPOLETANA PLAYS)

Nico danced and waves of red, white and green energy swirled around him and he fired waves of pizzas and smashed her down.

Nico: MAMA MIA!

Qin: (LAUGHS)

We all laughed at that one!

Me: Love that awesome Italian Ballad.

Chris: My turn! (ACTIVATES SKALAMANDER'S RIDEWATCH)

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

He danced and crystals, moons and wolves swirled around him and fired waves of energy and smashed him down.

Nico: OH YEAH!

Pipp Petals: That was so Glitter!

Nico: Yeah!

Qin: It sure was cool!

Polar Claw: Oh yeah!

Me: Yeah!

Maria: Lets keep it up!

Chris: Captain America, D Smash!

He summoned CAPTAIN AMERICA!

Disk Wars Captain America: AVENGERS ASSEMBLE!

Me: You got it Steve!

I fired waves of blue fire and smashed her down. Disk Wars Captain America threw his shield and smashed Another Mucillator!

Nico: OH YEAH!

Maria fired a blast of water.

And drenched Another Mucilator.

Me: YEAH!

Chris: She is ALL WET!

But then a massive blast of fire appeared and hit Another Mucilator and smashed her down and she was back to normal and then I caught the ridewatch and purified it. Then out came an ALCHEMY BEAST - SALAMANDRA THE STEEL!

Me: Whoa! Alchemy Beast - Salamandra The Steel!

Nico: Awesome!

Salamandra The Steel: (In a Girls Voice) And it's good I came too.

Nico: Salene Sallamandia!? WOW!

She reverted back and she was a girl with red hair and red clothes and had phoenix angel wings and had an intense fire aura ablaze around her.

Salene Sallamandia: That was an awesome entrance and thank goodness you guys all saved Optimus. I knew that Megatron was up to something here and now I know what it was.

Nico: We actually figured it out ourselves. But yeah.

I went and picked up Kerry and she was a girl with blond hair and blue eyes and had cyan clothes.

Me: Kerry are you okay?

Kerry Williams: (GROANS) My head.

Me: At least you're all right.

Nico: Yeah.

Salene Sallamandia: But that was awesome saving the world all like that and taking down the Predacons like that.

Nico: Thanks.

Chris: What's your favorite memory of Nico?

Salene Sallamandia: My favorite is when me and Nico were in blacksmithing class and I was working on a really powerful fire sword and I forged it with fire magic and imbued it with my powers. I made it as powerful as Samurai Jack's sword. Also I saw this thug robbing a store and I fired waves of fire and burned him and sent him to prison horribly scarred and disfigured. Me and Nico then saw some robbers at the bank and we burned them too.

Nico: Yep.

Laney: That's amazing!

Nico: Salene has fire powers from that of the phoenix in her and has the powers of fire enhanced times 100,000,000,000,000 and she can burn anything instantly with one blast.

Everyone: WOW!

Cheetor: That's incredible!

Tigatron: Most amazing.

Me: It sure is.

Nico: Yep.

Nico and Salene hugged.

Nico: I've really missed you.

Salene Sallamandia: Me too Nico.

We later raided the Predacon base and got all their weapons and technology and more and kept all that and then beamed the Predacons to the M.O.E.

Nico: Now, that was Prime!

Me: YEAH!

Optimus Primal laughed.

We all laughed.

Nico: That was a great rescue.

Me: It sure was. Epic way to close out the Alchemy Beast Gene-slammers.

Nico: Yep.

Laney: Golden Homunculus is next right?

Nico: Yep.

Qin: Cool!

Chris Taylor: And don't worry Nico, I will watch over Qin. You have my word.

Nico: I'll hold you to it.

We later went back home.

* * *

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, Anatankha, Timmy Turner, Cosmo, Wanda, Poof, Trixie Tang, and Captain Planet are heading to the world of the 1996 werewolf movie, Bad Moon, and not only is Lincoln going to rescue the six girls here, but we're also going to cure Ted Harrison and destroy the werewolf that he'd become.

Lincoln: Wow, we're here in the world of the 1996 werewolf movie, Bad Moon, and I know what we're going to do here, not only am I going to rescue the six girls here, but we're also going to cure Ted Harrison and destroy the werewolf that he'd become.

Me: I saw Bad Moon long ago, and it was the scariest werewolf movie ever.

Nico: Yeah, and that werewolf Ted Harrison transformed into was really scary, yikes!

Rudina Adalwulf: Are you going to use the spell you used to free Anthony Romulus, and cured The Blood Dragons?

Lincoln: That's right, Rudina. But, once I free Ted Harrison, we need to get him, Janet, Brett, and the dog, Thor, to safety, because this is going to be one brutal and bloody battle with the beast.

Me: And since this is a werewolf we're dealing with, Linc, you know what that means?

Lincoln: (Smirks) You said it, J.D.

Lincoln let out a growl as chestnut brown fur begin growing on his abnormally massive and powerful muscular body with light brown fur growing on his massive and wide muscular pecs and eight pack abs and wolf muzzle, large brown pointed wolf ears grew on top of his head, his nails grew into claws, his deep sapphire blue eyes turned yellow with slit pupils, and his eleven massive, long, and powerful white werewolf tails with large black wolf heads for the tips sprouted out, and he let out a howl as he transforms into Lincoln the Nocturnal.

Lincoln: (Beastly Voice) There we go, now I'm more than ready for that beast. And thanks for joining us, Captain Planet.

Captain Planet: You're welcome, Lincoln. Now, we must find Janet, Brett, and the dog, Thor, before Ted does.

Lincoln had picked up the scents of Janet, Brett, and the dog, Thor, but they're at different locations: Brett went to get Thor at the Pound, and when he picked up on Janet's scent, he'd also picked up the scent of Ted Harrison, and he found out Ted was going to transform.

Lincoln: (Beastly Voice) I got the scents of Janet, Brett, and the dog, Thor, but they're at different locations: Brett went to get Thor at the Pound, and when I picked up on Janet's scent, I also picked up the scent of Ted Harrison, and that's not the worst part: Ted's going to transform and right in front of his own sister.

Nico: Oh, that's not good, we need to hurry.

Me: Yeah.

We rushed on over, and we saw Janet Harrison, along with her brother, Ted, but we saw his teeth turn razor sharp and his eyes turn yellow, and that was the sign telling us he's turning into a werewolf.

Lincoln: (Beastly Voice) This isn't good, Ted's starting to change. Janet, get back!

Janet got away, and Lincoln fired a powerful silver energy blast at Ted, separating him from the beast itself, and it roared in anger and got away. We ran over to Ted and Lincoln picked him up and hoisted him over his shoulder.

Janet: So, that beast I saw, that was…?

Lincoln: (Beastly Voice) That's the werewolf that your brother was turned into, and the very beast that killed his girlfriend, Marjorie, and bit him as well. But, we freed your brother, now we need to find Brett and your dog, Thor, before the beast finds them.

Janet: Right.

We ran off to find Brett, who also freed Thor at the pound, and Brett told us that Thor didn't kill anyone, and Thor went up to Lincoln, and he was really warm and comforting to him, and Lincoln petted the dog.

Brett: See, Thor wouldn't attack anyone, if he didn't see a very bad threat.

Lincoln: (Beastly Voice) Of course he wouldn't, Brett, and the reason why he had a dislike for your Uncle Ted is because he was bitten by a werewolf, but I freed him, and we ran off to get you two before the werewolf does.

Me: Now, we can find the beast and kill it.

Janet: Let's head back to my house, I've got a revolver in my bedroom.

Lincoln teleported all of us to the house, and Mrs. Harrison got her revolver out. Just in time as well, as we saw Ted Harrison awaken.

Ted: W-where am I?

Lincoln: (Beastly Voice) You're safe now, Mr. Harrison, I freed you from the werewolf curse, but now, we need to kill it before it comes after you, your sister and nephew, and Thor.

Me: He's right, we just need to kill the werewolf, and then, this whole nightmare will be over.

?: HEEELLLLLP!

Suddenly, Lincoln heard the sound of eight girls calling for help, along with the sound of a werewolf howling. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the six girls, but they've been cornered by the werewolf, and it's going to kill them.

Lincoln: (Beastly Voice) Let's get over there at once, guys, I found the six girls, but they've been cornered by the werewolf, and it's going to kill them.

?: (Five girls' voices) That raging beast, let's put an end to the werewolf curse for good.

Suddenly, we saw the Duel Monsters, Yellow Dragon Ninja, Black Dragon Ninja, White Dragon Ninja, Red Dragon Ninja, and Blue Dragon Ninja, appear before us.

Nico: Whoa, that's Yellow Dragon Ninja, Black Dragon Ninja, White Dragon Ninja, Red Dragon Ninja, and Blue Dragon Ninja, awesome.

Lincoln: (Beastly Voice) And I'd recognize those five voices from anywhere, I knew it was you, Kiiro, Kuro, Shiroi, Shinku, and Aoi Yōsoninja, but we'll talk later, time to put an end to this whole werewolf nightmare.

We rushed over, and right before the werewolf could claim its next victims, Lincoln fired powerful rainbow energy balls and elemental forces at the werewolf, and that allowed the six girls to get to safety inside a rainbow energy field created by Lincoln to protect them from the werewolf, and when the beast saw us, it roared in anger.

Lincoln: (Beastly Voice) You've caused enough trouble for the last time, you vicious beast! Let's get him!

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Xelnaga Eternity Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel

The werewolf got away, and it grabbed Brett by the neck and was about to strangle him, and that'd caused Janet to raise the revolver.

Janet: GET THE FUCK OFF MY SON!

Janet fired at the werewolf, and it dropped Brett and he ran to safety with us, and she kept firing at the werewolf until she ran out of bullets.

Nico: Uh oh, she's out of bullets!

Then, Lincoln ran at the werewolf and he slashed at the werewolf with his razor sharp claws, and then, he plunged his hand into the werewolf's chest and ripped out its heart and devoured it, and then, he ripped the werewolf apart and its body was absorbed into his body, and Lincoln let out a ferocious howl and roar, and that really stunned us.

Nico: Oh… !

Me: Damn!

We recovered from the stun and shock as we holstered our weapons and powered down, and Lincoln changed back, but we saw Lincoln's eleven massive and long white werewolf tails are permanently part of Lincoln's appearance.

Lincoln: Looks like my tails are staying out in the open for good.

Nico: Yeah, but we're not complaining one bit, Linc. Plus, with those tails of yours, you can get a lot more work done faster than ever.

Lincoln: Good thinking. Well, that's it for this whole werewolf nightmare. (To Kiiro, Kuro, Shiroi, Shinku, and Aoi Yōsoninja) And it's so good to see you again, Kiiro, Kuro, Shiroi, Shinku, and Aoi Yōsoninja.

Kiiro Yōsoninja: You too, Lincoln.

Kuro Yōsoninja: Indeed, it's been a long time.

Shiroi Yōsoninja: Approximately five years since we last met.

Shinku Yōsoninja: Before we got Gene-Slammed by Team Rocket and had to go into hiding.

Aoi Yōsoninja: But, now they're finally gone for good.

Lincoln made four clones of himself and they went up to Kiiro, Kuro, Shiroi, Shinku, and Aoi Yōsoninja and hugged, and Kiiro, Kuro, Shiroi, Shinku, and Aoi Yōsoninja were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how strong he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces went even deeper when they saw he has vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice.

Lincoln: It sure has been a long time, I haven't seen you five when we were twelve, and as you can see, I've really grown since then.

Kiiro Yōsoninja: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome.

Kuro Yōsoninja: Yeah, you can land a plane on that more wider and more muscular back.

Shiroi Yōsoninja: Yeah, and there's no tape measure that can measure those massive biceps and chest.

Shinku Yōsoninja: Plus, you can crush a melon with those really muscular thighs.

Aoi Yōsoninja: And you can cut a rock into a diamond on those rock-hard eight-pack abs.

Nico: Whoa, Lincoln, you know these quintuplets?

Lincoln: Indeed I do, Nico, this is Kiiro, Kuro, Shiroi, Shinku, and Aoi Yōsoninja, the Yōsoninja Quintuplets. They're my Guardian Angels from Japan and my classmates in Gym, and they're also incredible ninjas as well. Their last name, Yōsoninja, means Element Ninja in Japanese.

Me: Whoa, now that's awesome.

Lincoln: Plus, it was Kiiro, Kuro, Shiroi, Shinku, and Aoi that taught me the 18 disciplines of ninjutsu when we were 12 years old.

My jaw and Nico's dropped to the floor.

Nico: What?! They taught you the 18 disciplines of ninjutsu when you guys were twelve?! Whoa!

Lincoln: Yeah, it was a lot of hard work, but it was really worth it. Plus, they each have their own hobby, same as me: Kiiro loves swimming, Kuro loves magic, Shiroi loves video games, Shinku loves Power Rangers, and Aoi loves video games.

Me: Whoa, that's a lot like you, Linc, you love swimming, magic, video games, and Power Rangers.

Lincoln: Yep, plus, they all share their love of fashion and they've made clothes based on the hobby each sister has. One day while on the beach, as I was wearing my orange swim trunks and Kiiro, Kuro, Shiroi, Shinku, and Aoi were wearing yellow, black, white, red and blue bikinis respectively, I ended up kissing Kiiro, Kuro, Shiroi, Shinku, and Aoi underwater, and I also made Kiiro, Kuro, Shiroi, Shinku, and Aoi beautiful necklaces based on their favorite colors.

The quintuplets showed us the necklaces based on their favorite colors and they were really beautiful.

Nico: Wow, now that's some awesome craftsmanship!

Kiiro Yōsoninja: Thank you, Nico, and to show thanks, we each kissed Lincoln on the lips as well.

Lincoln: Plus, I also found out they're also the cousins of Ibuki from Street Fighter.

Nicole: That explains their skills in the 18 disciplines of ninjutsu and their incredible ninja skills.

Ibuki: Yep, that's right, and it's so good to see you again, girls.

Kiiro, Kuro, Shiroi, Shinku, and Aoi Yōsoninja: You too, Ibuki.

Lincoln: And they hate Lori, Lynn, Lola, Lisa, and Luan with a burning passion.

Nico: Uh oh, what did those five do to earn their wrath?!

Lincoln: Trust me, it's a lot worse than what they've done to me numerous times.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared around the necks of the quintuplets with yellow, black, white, red, and blue gems on the gold thunderbolt links and yellow, black, white, red, and blue crystal links from their brand-new Crystal Necklace of the Buddha which merged with their Elemental

Thunderbird Necklaces of Eternal Love, and their new Elemental Thunderbird Chokers of Eternal Love appeared on their neck.

Kiiro, Kuro, Shiroi, Shinku, and Aoi Yōsoninja: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means, just like your cousin, you're part of my harem and my many future wives, girls.

The Yōsoninja Quintuplets had a smile on their faces and tears in their eyes, as Lincoln and their clones wrapped their abnormally massive and powerful muscular arms around the girls' waists and the girls wrapped their arms around the thick muscular necks of Lincoln and his clones, and they leaned down to their faces and they kissed them passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw them, he recognized them immediately. The six girls are Silviana from Cosmo Warrior Zero and Merrill, Bethany Hawke, Josephine Montilyet, Leliana, and Tallis from the Dragon Age series.

Lincoln: Oh wow, it's Silviana from Cosmo Warrior Zero and Merrill, Bethany Hawke, Josephine Montilyet, Leliana, and Tallis from the Dragon Age series.

Nico: Awesome.

Lincoln: Are you girls okay?

Silviana: Yes, we're okay, thanks to you.

Then, when Silviana and the other five girls saw who it was that saved them from the werewolf, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird and Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation and embedded Jewel of Gelel on the back of his massive left hand, large weighted gold bands on his massive biceps and thighs with silver phoenixes on them, large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive indestructible white angel wings with stars and orange and aurora-colored tips on the large white feathers, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them which were glowing neon orange and they also had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts on the coattails held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, large royal blue pants with multicolored lightning bolts on the thighs, and large gold-armored boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and gold armor on the toe area, silver Buffalo head stud earrings with the Thunderbird carved on it and the Element and Eternity Kanjis on the heads, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird carved on it and the Element and Eternity Kanjis on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had nine large multi-colored orbs orbiting around his legs, and circling around his feet on the floor are eight golden crosses with angelic runes, and eleven massive and long powerful white werewolf tails.

Silviana: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you both.

Then, Lincoln made five clones of himself, and he and the five clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Silviana: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Thunderbird Necklaces of Eternal Love appeared on the necks of Silviana, Merrill, Bethany Hawke, Josephine Montilyet, Leliana, and Tallis with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned home to the World Tree Estate, and they were shocked when they found out the villain we went after was Ted Harrison from Bad Moon.

But, when Lincoln showed what he did in freeing Ted Harrison by separating him from the werewolf in him and then ripping its heart out and devouring it and then ripping it to shreds and absorbing its mangled body into his body, everyone went up to us and they hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and the Yōsoninja Quintuplets have a lot of catching up to do, now that they're back in town.

Maria: And when Nico showed what you did in going berserk on the werewolf you separated from Ted, let's just say we were stunned.

Nico: You should've heard him let out that ferocious roar and howl after he got through with it, yeesh, that was really really scary!

Me: Yeah.

Luna: But, the dude always had control over his werewolf transformation, the same way he controlled the vampire in him. But, whenever the full moon rises, he's still cool and controlled, and after that incident with Lori, Lynn, Lola, Lisa, and Luan getting tenderized by him and Rudina, they knew never to get him angry again.

Lynn: And I didn't want to challenge him to a wrestling match, I may be strong, but thanks to all of the training he'd been doing, along with going to the gym, I'll be outmatched, but that stubborn Dark Lynn still wanted to destroy him, but one wrong move, and we'd have a repeat of us getting our butts kicked again.

Lincoln: Yeah, and that's one thing you didn't want, Lynn. But, the dark sides are gone for good, and you, Lori, Lola, Lisa, and Luan did earn my forgiveness after that.

Lori: You're right about that.

Lola: Plus, your fur was really warm, Linky.

Luan: And now that your eleven massive and long white werewolf tails are permanently here to stay, you're also going to find ways to get them even more stronger.

Lincoln: Oh, I might have a few work-out ideas, Luan.

After that werewolf nightmare in the world of Bad Moon, we were training intensely in the gym, this time, doing 900,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when The Yōsoninja Quintuplets saw Lincoln working out like crazy, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Kiiro Yōsoninja: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Kuro Yōsoninja: Yeah, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Shiroi Yōsoninja: Along with his entire massive and muscular body and massive white angel wings.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Shinku Yōsoninja: That's incredible.

Nico: It sure is. So, girls, what's the story on why you hate Lori, Lynn, Lola, Lisa, and Luan with a burning passion?

Aoi Yōsoninja: You're not going to like it one bit, Nico. One day, we were training with Lincoln in the arts of ninjutsu, and for that, we had to go into the forest for this one, so we can be one with nature. But, our training was interrupted by shrill screams in the air, and we knew who it was that made the shrill screams: it was Lincoln's mean sisters, Lori, Lynn, Lola, Lisa, and Luan, and they were on the rampage again, and they want to kill us to slake their thirst for blood. But, we were ready for them and we were more skilled than those violent monsters. Lincoln threw a smoke bomb at them and it clouded their vision and we disappeared into the trees, then, we used Taijutsu to take them all down, and Lincoln tied them up in energy ropes. We then headed home to The Loud House, and when we were done, Lori, Lynn, Lola, Lisa, and Luan got grounded for ten weeks, and Lincoln threw them in steel cages and put their fingers in Chinese finger traps, so they couldn't escape.

We cheered wildly for what the quintuplets and Lincoln did to Lori, Lynn, Lola, Lisa, and Luan.

Nico: Whoa, now that was so awesome!

Lincoln: Yep, and Taijutsu is one of the 18 disciplines of Ninjutsu, which is Unarmed Combat: using one's body as the main weapon, the other 17 disciplines of ninjutsu that I was also taught and trained in are Seishin-Teki Kyōyō (Spiritual Refinement), Kenjutsu (Sword Fighting), Bōjutsu (Stick and Staff Fighting) Shurikenjutsu (Throwing Shuriken), Sōjutsu (Spear Fighting), Naginatajutsu (Naginata Fighting), Kusarigamajutsu (Kusarigama Fighting), Kayakujutsu (Pyrotechnics and Explosives), Hensōjutsu (Disguise and Impersonation), Shinobi-iri (Stealth and Entering Methods), Bajutsu (Horsemanship), Sui-ren (Water Training), Bōryaku (Military Strategy), Chōhō (Espionage), Intonjutsu (Escaping and Concealment), Tenmon (Meteorology), and Chi-mon (Geography).

My mouth went wide open, and I was stunned with awe.

Me: Whoa.

TLPS Mr. Wolf: Those are the very disciplines that the ninja clans of 16th Century Japan were trained and taught since birth, incredible, and you were the only Loud to be taught that, Lincoln.

Lincoln: That's right.

Luna: And like Lincoln said, it's a lot of hard work, but the results were really worth it, he'd become a skilled master in the 18 disciplines of ninjutsu.

Naruto: But, still, that's amazing that you were taught and trained in the 18 disciplines of ninjutsu, Lincoln.

Sakura: And that was when he was twelve years old at the time, so that was five years ago.

Lincoln: That's right.

We got a shower afterwards, and then, Clyde and his harem were heading to Wave Ocean.

Clyde snapped his fingers, and the 17-year-old 7'5" and extremely muscular man was dressed in large dark blue swim shorts with a clock and phoenix on it and silver flames coming off the swim shorts, dark blue sandals, his jewelry, and he had his weapons holstered in

case of trouble.

His harem were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble.

Syd Chang: Wow, so this is Wave Ocean, so awesome!

Clyde: Yep, and it's perfect for our date. Plus, Lincoln and his harem have been here before on their date. Shall we?

Clyde and his harem dived right into the waters and they also saw the marine life there. They also had a swimming race, and they also had a lot of fun, and they had a game of volleyball and the girls in Lincoln's harem got a massive and extreme deep atomic red blush when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, they had some lunch, and then, Clyde made clones of himself, and he and the clones went up to the girls in his harem, and he wrapped the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of Clyde and his clones, and they placed their right hands on the massive wide and muscular left pecs of Clyde and his clones, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes.

Nico: Hey, Clyde, how was your date?

Clyde: It was awesome, Nico, we went to Wave Ocean.

Me: Wow, you guys sure had a blast.

Clyde: We sure did.

Lincoln: We've been there before on one of our dates, and was it everything I told you, buddy?

Clyde: You guessed it.

---

At the estate we saw Robert Bolton and his kids in Robert's room looking at a picture of his wife Francine. She was a woman with

Black hair and blue sweater and pants and black shoes

Michael Morningstar: The Bolton Siblings really miss their mom.

Deborah: I'm right here.

Michael Morningstar: No. I meant the main Bolton Siblings.

Me: Francine. She died of cancer and he and his kids all miss her terribly.

Qin: Yeah no kidding.

Me: Poor guys. Nico you thinking what I'm thinking?

Nico: Yep I sure am.

Me: Here we go. (SNAPS FINGERS)

Then a beam of light shined down in front of the Bolton's and then the divine singing of angels was heard and then a figure came down and it was FRANCINE BOLTON!

They all gasped and she landed.

Francine Bolton: Hello Robert, hello kids. John, Clint, Bobby, Coop, Stacy, you've all grown so much.

Stacy: (Gasp) MOM!

She went and hugged her for the first time in years and cried!

Stacy: (CRYING) MOM I'VE MISSED YOU!

They all hugged her.

Robert Bolton: But how?

I put my hand on his shoulder.

Me: I resurrected her Robert. You guys were hurting so much without her so I resurrected her for you guys.

Robert Bolton: Thank you J.D.! Thank you!

Me: You're welcome Robert. Francine it's an honor to meet you. Robert and the Bolton kids told us so much about you.

Francine Bolton: I'm glad they were all in great hands J.D. You have my thanks.

Me: It was my pleasure. They were all a tremendous help to the entire team.

Nico: They sure were.

Togaru Kamakiri: I hope you realized that your family got Gene Slammed by Paradigm.

Me: Yeah. He was tampering with the laws of Mother Nature and fucking around big time with the laws of nature.

Eli: Yeah no kidding.

Laney: But it wasn't just Luther Paradigm. His brothers Arthur and Roland were messing around with the laws of nature too.

Varie: We met many gene-slammers of Land, Air and Sea animals.

Francine Bolton: You'll have to tell me everything. How long was I dead by the way?

Me: 14 years I think.

Robert Bolton: It has been a while.

Francine Bolton: Wow. I have a lot of catching up to do.

We went and got her some food. She was hungry.

Snarl: You Bolton mother very hungry.

Nico: Well she has been dead for over a decade Snarl.

Me: Yeah.

She was stuffed.

Francine Bolton: Ahh. Thanks guys.

Me: Anytime.

Francine Bolton: What kinds of creatures were you guys turned into.

John Bolton: Me and my sibs got turned into sharks. I turned into a Great White.

Clint: I got turned into a Hammerhead.

Bobby: I got turned into a Tiger Shark.

Coup: I got turned into a Whale Shark.

Stacy Bolton: I got turned into a Sawshark.

Robert Bolton: And I turned into a blue whale.

Me: Yeah. But it wasn't just the Bolton Siblings. MANY of us got turned into gene-slammers for creatures of Land, Sea and Air.

Trudy Bolton: Yeah. I got turned into a Flying Fish.

Qin: I got turned into a Komodo Dragon.

Dayna Orromov: I got turned into an Octopus.

Olga Orromov: (Russian Accent) I was turned into a Sea Wasp.

Yuna Orromov: (Russian Accent) I got turned into a Viperfish.

Me: Many of us got slammed by the Paradigm Brothers. But it's not just them. Team Rocket has been slamming numerous people with Pokemon, Digimon, Magic The Gathering Monsters, Aliens from Other Planets, Duel Monsters and even Monster Rancher Monsters. And even Hypothetical Future Creatures from millions of years into the future.

Francine Bolton: My goodness!

Me: And the Paradigm Brothers also got Lena Mack and some of the Bolton's friends too.

Jet: Yeah. I'm now an Orca Whale.

Everyone ame forward and revealed what they were turned into.

We showed her our lab and it was amazing.

Hun Gurr: And this is our lab. Included in here are Paradigm's remaining Gene Slammer experiments.

Maria: (comes in) Hun Gurr, remember those Poromon clones that Poromon made?

Poromon clone: (flies by) Me clone want to kill.

Hun Gurr: Oh no! You are not killing anyone except bad guys!

Maria and Hun Gurr ran after the clone, leaving Francine alone. Francine got a thought and put one of the syringes in her pocket. It contained the DNA of a River Shark.

Me: You want to be gene-slammed too Francine?

Francine Bolton: I sure do.

Me: You know a couple of us gene-slammed ourselves on purpose.

Nico: Yeah. Terrance turned into Mantaman with Manta Ray DNA.

Me: Yep.

Qin: So awesome.

Francine Bolton: Awesome. Can you guys slam me?

Me: We can easily do that with a snap of our fingers. But you want to be injected. Okay it's going to be excruciatingly painful.

Francine Bolton: I'm ready.

Me: Okay.

I loaded the syringe and injected her and she was in pain but she was handling it well. Her skin turned grey and her hands turned fish like and she arms grew muscular and her head turned shark like and her teeth fell out and turned into shark teeth and her back grew a fin out of her and her shirt ripped and her black bra snapped. She turned into a RIVERSHARK!

Me: Whoa! A Rivershark!

Nico: Wow!

Eli: A Freshwater Shark. That is cool.

Nico: Yeah!

Vice: How do you feel?

Francine: I feel amazing!

Me: It was a huge shock for your kids too. But Paradigm stole tons of people of their humanity.

Nico: Yeah they all have.

Me: That's why we killed all three Paradigm Brothers. Several Times.

Eli: Yep.

John: But now we have the power to change at will.

Me: Yep. What are you gonna call your shark form?

Francine: Hmm. How about Riverbite!?

Me: That's a great name! Perfect for a freshwater river shark too.

Nico: Yep.

Me: Now lets give you the power to change at will.

John Bolton: Yeah we all can do it now mom.

Qin: And you can too.

Me: Fashion brigade get ready.

Maria: You got it.

I put on my blind man glasses.

Nico: Boys cover your eyes.

Me: Nicole, my daughter hates perverts with a vengeance and anyone that catches a glimpse of women in the buff like that will be pulverized by her brutally.

Nico: Yeah.

Francine Bolton: Ah she wants to protect the safety and dignity of women everywhere.

Nicole: Yeah. I just get fed up with perverts and all that.

Nico: Yeah.

Me: But here we go. Ready Francine?

Francine Bolton: Ready.

Me: All right. (SNAPS FINGERS)

Everyone covered their eyes. She was in pain and reverted back and she got new awesome clothes from the Fashion Brigade. She had a blue tank top, blue skirt, blue trench coat and blue shark earrings.

Qin: Awesome.

Francine Bolton: Wow! I look great!

Nico: You sure do.

Robert Bolton: But it's great to have you back Francine.

Francine Bolton: Same here Rob.

Nico: That was awesome. Now it's time to get ready for our next mission and you guys are going to love it. We're going to meet the awesome hero of darkness, SPAWN!

We were in awe.

Me: Spawn is awesome!

Brittney: I love Spawn! He's one of my favorite heroes too.

Lucy Loud: Mine too.

Qin: Wow Spawn is so cool!

Then Chemistro, Pyro, Dirty Bubble, Titanium Titan, Goliath, KGBeast, Box Ghost, Onyx, Ssserpent, Trickster Black Knight of Merlin, Yost Pyro, Evil Bubble Man, Goldar, MODOK, Toar, Big Lenny, Quacker the Fowl, Professor Monkey for a Head, and Red Guy appeared.

Red Guy: HEELLLO! It's me the Red Guy.

Chemistro: Can me, Pyro, Dirty Bubble, Titanium Titan, Goliath, KGBeast, Box Ghost, Onyx, Ssserpent, and Trickster go with you guys?

Black Knight of Merlin: Me, Yost Pyro, Evil Bubble Man, Goldar, MODOK, Toar, Big Lenny, Quacker the Fowl, Professor Monkey for a Head, and Red Guy shall go as well.

Nico: Yes you all can go with us.

Qin: Yep.

Toar: (To Francine Bolton) Oh I'm sorry I don't think we met.

Me: Oh I'm sorry guys. This is the Bolton Siblings mother Francine. Francine these are frenemies of the Masters of Evil. They give us an awesome usual battle session.

Nico: They sure do.

Francine: It's awesome to meet you guys.

Toar: Ah the pleasure is ours.

Grenade Man: Nico, remind me which Gene Slammer you want to meet next?

Nico: We're going to meet a Golden Homunculus next.

Me: This will be an awesome one to meet.

Camie: Yep.

Francine Bolton: It's amazing they you guys meet so many awesome Gene-slammers to add to the team.

Me: Our team is just growing every time.

Francine Bolton: It sure is.

Qin: Yeah.

Varie: But I can't wait to meet Spawn.

Toar: So we're meeting Spawn next! Awesome!

Pyro: Boy about time!

Qin: Yeah.

Brittney: Then that must mean we're going to face The Violator next.

Nico: That's right.

Me: Boy I hate that guy! He was fucking creepy and he reminds me of Pennywise the Clown from Stephen King's It.

Nico: Yeah.

Camie: Who is The Violator?

Me: A repulsive demon that is one of Spawn's great enemies.

I went over his history.

---

The Violator, also known as The Clown, is the main antagonist of the 1997 film Spawn. Like in the comics, he is the chief lieutenant of Malebolgia's army and becomes Spawn's mentor after he was killed by the hands of his former boss, Jason Wynn.

He was portrayed by comedian John Leguizamo, who also portrayed Tybalt in William Shakespeare's Romeo + Juliet, Benny Blanco in Carlito's Way, Santiago in Ride-Along, and Javier in Kick-Ass 2.

Violator is first seen in Wynn's office at A-6 Headquarters watching the news about the attack on Hong Kong's airport that was caused by Al Simmons under the order of Wynn. He talks to Wynn about the deal they made promising a biological weapon from him and having concerned agencies from capturing Wynn. Before leaving, Clown orders Wynn to his best soldier Al Simmons. Wynn questions Clown, who throws a tantrum about people always asking 'why'.

After five years, Spawn is wakened by Clown in the alleys of Rat City. Once Spawn arrives at his old home from his previous life, Clown is seen doing tricks and entertaining Cyan and her friends at her party. Spawn starts to have visions of Wanda and collapses to the ground. Cyan runs up to him and offers him candy, Wanda quickly rushes up to her and calls for Terry. Clown notices this and makes an excuse and is asked to leave by Terry. Somewhere back in the alleys, Clown walks back to Spawn with junk food and complaining about Malebolgia having him as a clown. While annoying and hitting him, Clown shows Spawn a flashback of him being killed by Wynn and Jessica Priest. He also shows him where his master Malebolgia bargaining Spawn. Clown then tells Spawn he wants him to kill Wynn and he'll have Wanda back.

As Spawn tries to leave, Clown grabs him and takes him to the graveyard and shows him his tombstone. After making Spawn drag up his own grave, he finds a necklace that has a photo of him and Wanda and starts having memories of them together. While Clown continuing to taunt Spawn of being killed and sent to Hell, three

Satanic punks approached them. Once Spawn hits one of them, he activities his armor, making the punks run away. They returned to the alleys and leaves Spawn to take care of other 'details'.

At the party, after Spawn kills Priest, Clown dresses up as a waiter and walks up to Priest's corpse and congratulates Spawn on killing the assassin. In the aftermath, Wynn becomes furious at Clown not telling him about Simmons' return. Clown asked him how's he doing his part of the bargain, Wynn says that Heat-16 asks Clown about why Simmons is involved in this. Clown tells him not to worry and convinces Wynn to have the Heat-16 device to attach to his heart. After their conversation, Wynn secretly plans to kill Clown after their deal is done.

Once Spawn meets Cyan and takes her back to Wanda, Clown appears in a cheerleader uniform and dancing while singing about Spawn being #1. However, Malebolgia teleports him back to Hell and is furious tells him to make sure Spawn keeps his end of the bargain. Clown replies that he should lead Hell's army but stops once Malebolgia grabs by his jacket. Malebolgia tells him that Spawn must choose to murder Wynn so the virus can be released on Earth and then complete his army.

While Wynn having the Heat-16 device attached near his heart, Clown is sitting in another room watching the operation and eating worms, talking about how he convinces Wynn to get the surgery.

Back in the alleys, Clown confronts Spawn and transforms into his true form. Spawn shoots the monster, but with no effect, Violator grabs him and pushes him onto the concrete. Spawn shoots Violator in the chest and both of them break the concrete and fall into the alleys. Once Spawn got up, he sees Violator impaled by an electrical panel. As Spawn was getting another weapon, Violator disappears and grabs Zack's father and starts to beat him. Violator throws the bum at Spawn and vanishes once again. While searching for him, Spawn finds Spaz's collar on the ground. Violator appears and smashes Spawn to the wall, and throws him to the gates. Violator transforms back into his clown form and celebrates his victory. Clown continues to taunting Spawn him and Wanda before leaving him alone.

After Spawn continues his training and leaves the alleys to seek vengeance against Wynn, Clown chases with a truck to get him to work up enough to kill Wynn. Clown then appears on top of the truck and uses a generate launcher to fire at Spawn, but misses. Once Spawn uses his powers to shield himself, Clown releases "necro-goo" onto the streets, causing Spawn to slip and fall to the ground. Once Spawn gets up, he notices Clown driving up to hit him, making him use his cape as a shield. When the truck explodes, Clown is sending to the air and states he'll meet Spawn at Wanda's place.

After Terry sends a copy of Heat-16 to the XNN Anchor Natalie through an email, Wynn takes Wanda and Cyan as hostages and destroys Terry's computer before it could send the email. Clown arrives and informs Wynn of Spawn's arrival.

With his plan falls apart, the deceased Wanda revealed to be Clown disguising as the wife and the whole plan was to have Spawn kill Wynn to start the apocalypse. Once the frustrated Clown attempts to kill both Spawn and Wynn and devoured Wanda, Cogliostro appears and cuts Clown's left shoulder, causing him to return back to Hell. Once they got there, Violator approaches Cogliostro, and the two engaged in battle. Spawn catches up to them and is thrown by Violator to another platform. Once Violator grabs Spawn and try to kill him, he uses a hand blade-like to stab the monster, causing Violator to vanish. After they escape from Malebolgia and his forces, a final battle ensues with Violator merges out of the wall and attacks Spawn. He tries to devour the Spawn, only for him to be injured by the latter by using his armor to impaled his mouth and decapitating him with his chains. Violator's head inverts back to his clown form and starts to taunts and threatens the group while being melted before returning to Hell.

---

When I was done everyone was shocked!

Qin: WHOA!

Brittney: And he and I have a terrible history together. I secretly helped Spawn many times to destroy him. But he always kept coming back for more.

Me: But now we're going to get rid of him forever with the Black Gates.

Nico: Yep.

Pyro: I was just about to say that Violator reminds me of Pennywise.

Yost Pyro: Except more demonic.

Me: Yeah he is more Demonic.

Nico: And Chubby too. And too fat. No offense Choji.

Choji: None taken. But yeah he is scary.

Me: You should see his true form though. He is just as ugly and hideously fucking repulsive as Pennywise's true form.

Qin: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was: the figure was none other than Shadow Prove of the Vexos, and he's heading here to get revenge on Dan and his friends for ruining the Vexos' plans long ago. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Shadow Prove on the move?

Lincoln: You guessed it, Nico, and he's heading here to get revenge on Dan and his friends for ruining the Vexos' plans long ago. When we saw it, we knew it meant trouble.

Dan Kuso: Should've known she'd show up.

Spectra Phantom: As we expected, and there's also something else: Shadow Prove will have his Mechanical Bakugan, MAC Spider, with him.

Lincoln: So, we'll just repeat the strategy we used on Mylene

yesterday.

Valerie Brinkley: That's right, Lincoln. And like I said yesterday, If he so much as threatens to hurt you or anyone around me, I'll show him just how violent I can get. (Cracks Knuckles)

Nico: He's about to learn that lesson the hard way, and I won't be surprised if she beats him up in the same way the other Guardian Angels had done to Lori, Lynn, Lola, Lisa, Luan, Chandler, Scoots, Flip, Pablo, Anderson, Chandler's goons, Dustin Keystone, and any of your other enemies, Lincoln.

Lincoln: I'd settle for Valerie kicking him hard in the crotch.

Nico: That's even better. Alright, gang, let's go, we're off to meet Al Simmons A.K.A. Spawn, and we're going to get rid of Violator for good.

Lincoln: That ugly monster's going to pay for everything he's done in the name of his dark master, Malebolgia, and once we get done with that overgrown monster, you're next, Shadow Prove.

Nico: Lets head out everyone.

We were off to New York City.

---

We arrived in New York City.

Totally Spies Alice: Good old New York

Me: I always love coming here.

Nico: Me too. At night, the city is completely illuminated.

Qin: Yeah it sure is.

Me: Yep.

Brittney: You guys want to know how Spawn came into being?

Nico: Sure.

Brittney: He was originally a Lieutenant Colonel for the Marines and Secret Services.

She went over his history.

---

In life, Spawn was Albert Francis Simmons, who was born in Detroit, Michigan, as the second eldest of three children born to Bernard Simmons, a traveling salesman, and Esther Simmons, a devil worshipper. Simmons was once a very intelligent, physically strong, and highly decorated officer in the U.S. Marine Corps, attaining the rank of Lieutenant Colonel while serving with Force Recon. He later joined the Secret Service, where he became a high-ranking official who was recruited into the Central Intelligence Agency. Once he joined the CIA, Simmons joined the U.S. Security Group, an umbrella agency encompassing the CIA, NSA, and NSC, commanded by Director Jason Wynn. He then becomes a capable assassin.

During a mission in Botswana, Director Wynn grew tired of Simmons' increasing sense of morality and secretly hired Simmons' friend and partner Bruce Stinson (codename Chapel), to kill him. Simmons was burned to death and sent to Hell. Making a deal with the devil Malebolgia, Simmons agreed to become a Hellspawn and served Malebolgia if he was allowed to see his wife Wanda one last time. Malebolgia agreed and returned Simmons to the living realm but without most of his memories, a severely burned body, and a demonic guardian named the Violator.

After his death and rebirth, Simmons, now called Spawn, arrives on Earth in a daze, off-balance and disoriented. With only vague recollections of his past, all he knows is his name and that he died. Spawn occasionally experiences painful flashbacks and eventually remembers his deal with Malebolgia, but not his wife's name. Using CIA files, he tracks down his wife and finds her married to his former best friend Terry, with whom she has a daughter named Cyan. He then realizes five years have passed since his "death."

Spawn soon runs into a fellow Hellspawn, who informs him his powers are fueled by Necroplasm and that once they are depleted, he will return to Hell. Not wanting to return to Hell, Spawn attempts to find a new purpose in life while using as little power as possible. Spawn is thrust into several antihero adventures, taking down street gangs and organized crime in New York City. Battling against Italian mobsters and later eventually killing a serial murderer and pedophile Billy Kincaid, Spawn finds a new purpose in stopping evil.

In his early battles, Spawn faces street thugs and gangs, becoming a dark, sadistic antihero, and brutally murders the pedophile and child murderer Billy Kincaid. Spawn gains the attention of police detectives Sam Burke and Twitch Williams, and becomes "King of Rat City", a gathering of alleys populated by the city's homeless. There he meets Cogliostro, who seems to know much about Spawn and becomes his mentor.

Spawn is hunted by the warrior angel Angela, who hunts Hellspawns for sport, and battles the cyborg mob enforcer Overt-Kill. He also fights the angelic warrior Anti-Spawn, also known as the Redeemer, who is really Jason Wynn.

After a confrontation with the Redeemer, Spawn's suit becomes more advanced, with a new cape and chains that can shapeshift to confuse his opponents. Spawn's boots and gloves are replaced with spikes. Since the metamorphosis, the suit feeds off souls.

After this, Tony Twist sends a reprogrammed Overt-Kill after Terry, and Spawn is forced to reveal his identity while saving his friend. However, a well-placed shot from Twitch Williams brings down Overt-Kill. Spawn is part of Angela's trial and later travels to the South and encounters the KKK and an abusive father of two boys. When he returns to New York, he is attacked by a new Redeemer, causing his costume to evolve once more. After another encounter with the Curse, the suit sends him to Hell but Malebolgia sends him back with full control of the suit.

Spawn wears a living symbiotic costume, Leetha of the 7th House of K (also known as K7-Leetha). While wearing it, the host assumes a dominant role over his suit. His shroud, spikes, chains and skulls are all part of an organism bonded to his central nervous system that will protect Spawn even if he is unconscious.

As Spawn struggles to find a way to regain control, he notices that the attacks are coming from both Heaven and Hell. Due to increasing attacks, Spawn began to lose himself to evil but the Heap, an emissary of the Greenworld, arrives and Spawn is able to regain his goal. Greenworld, a dimension whose power was equal to both Heaven and Hell, gives new powers to Spawn to better understand the world and its people. These powers seem to give control of all of the elements in the world.

Spawn is later attacked by Urizen. After recovering, Spawn learns the Greenworld has imbued him with a gift, which he uses to contain Urizen by splitting the ground and imprisoning him inside the earth.

After his battle, Spawn learns Malebolgia had caused Urizen's release in an attempt to start Armageddon and conquer the forces of Heaven. Spawn and Angela then journeys to Hell to stop him. During the battle, Angela mortally wounds Malebolgia, who kills her in retaliation. Consumed with anger, Spawn takes Malebolgia's head.

Upon killing Malebolgia, Spawn learns Hell's throne is rightfully his when it is offered to him by the demon Mammon. Spawn refuses the offer but deliberates with his teacher Cogliostro and decides to turn Hell into a new paradise. During this act, Cog reveals he is Cain, who was the first person to go to Hell, having murdered his brother in envy. His true goal had always been to take over Hell using a Hellspawn. Having betrayed Spawn, Cog takes the throne but restores his former student's human form as a parting gift.

On Earth, Spawn meets a young Wiccan named Nyx, with whose help he regains his suit. Mammon tricks and betrays Nyx, usurping her control over Spawn's union with his suit and removing all of Spawn's memories. With no memory, Spawn wanders the Earth. He releases a group of angels called the Forgotten and stays neutral in the war between Heaven and Hell. He discovers Mammon is a member of the Fallen who was sent to Hell.

Spawn regains his memories thanks to the power of the Greenworld. His suit evolves once more and seems one with his body but as time progresses, he begins to hate himself. Both Heaven and Hell have rejected him and he now lives in an abandoned warehouse as maggots and other insects crawl inside his body. He returns to the Dead Zone, although a Hellspawn would not be welcomed there. Immediately upon entering, Spawn is confronted by the Disciple, who tears his brain out, throws his heart into the Greenworld, and throws Spawn's body into Hell. Mammon captures and tortures Spawn so he can understand Spawn's secrets.

When Spawn's heart falls to the Greenworld, a soul is freed. Chris meets with his mother and travels to Hell along with Sam Burke and Twitch Williams to rescue Spawn from Mammon. Spawn escapes and returns to Earth, where signs of Armageddon begin to appear, and looks for a way to stop it. Spawn discovers Wanda's twin children are responsible. He stops them from killing their entire family but cannot destroy them. Zera reveals Jake is God and Katie is Satan.

Spawn finds out the Mother removed their powers and positions and sent them to Earth due to their hatred of each other and constant fighting. She tells him he cannot stop Armageddon but he has the potential to gain the power of a god and preserve the human race.

He has to eat a piece of Forbidden Fruit from the Garden of Eden to gain such power. She tells Spawn must fight against The Disciple. It is revealed there are 12 Disciples, each one representing one of Jesus. Spawn's power is also weakened because demons cannot enter the Garden but with guidance from Cyan, he defeats all but one of the Disciples except Judas, who Cyan tells him not to kill. Judas then stabs Cyan in the heart but the Mother gives Spawn a piece of the fruit and resurrects him. He gains an angelic form and greater power.

Spawn returns to Earth, which has been destroyed by Four Horsemen and angels and demons are waiting to fight their final battle. After defeating Zera, Spawn finds dead warriors of Heaven, one of whom is Granny Blake, who is betrayed by her faith. Spawn battles the forces of Satan and God, and destroys the forces of Heaven, Hell and humanity. He is then killed by the two, who then fight alone on Earth.

Spawn comes back and resurrects everyone with the knowledge of what happened. He leaves God and Satan to fight in their own little world and closes the doors to Heaven, Hell, and Earth. He asks to be turned into a human by the Mother but later asks to once again become a Hellspawn when he remembered that, prior to his first death as Al Simmons, he had beaten Wanda and caused her to miscarry their child so he could focus on his "work", causing him to conclude he has always been a monster and does not deserve to try and be human again.

After a series of odd murders, Spawn finds the Clown has come back, possessing the body of a man named Barney Saunders, who is having an affair with a woman named Wilma Barbara. Spawn destroys and remakes the world. Saunders is rescued by the Clown so he can use his body. He then brought out the dark urges inside the tenants of an apartment building and used this to form a doorway to Hell to bring back his brothers. However, before he could form a portal, Wilma showed up and his love for her allowed Saunders to take back control. He then intended to close the portal by going through it, but he took Wilma with him due to being angry over her leaving him in the chute.

Zera reappears as a head in a jar. Spawn is summoned by a voodoo priestess named Mambo Suzanne. Zera attempts to take over Nyx's body and fights Spawn but she is killed when Suzanne throws Zera's head into the street. Nyx is freed and she and Spawn become friends again.

Ab and Zab create a hell where visitors are forced to view their deepest fears, which are eaten by demons called sin-eaters. When Spawn confronts Ab and Zab, is faced with his own sin against Wanda and his unborn child. Spawn cannot break free from the guilt and is parasitized by a sin eater. When Nyx interferes, he breaks the sin eater's illusion. Spawn breaks all the other's illusions and comes across Albert Simmons' brother Richard.

Spawn decides to allow Richard to feel his sins. Mammon, as Mr. Malefick, had put an influence on Albert Simmons and Richard Simmons. Only Marc Simmons saved himself from Mammon but was unable to help the others. Richard calls his brothers to help him save the drug dealer's life and Albert Simmons, instead of calling an ambulance, pulls the knife from Weasel's body and kills him with it. Mammon appears, sending the brothers home while he hides the drug dealer's body.

Nyx and Spawn kill the last sin eater and Spawn discovers Richard cannot remember their parents due to a spell placed by Mammon; Spawn goes to find out about them. He finds their home under a spell placed by Mammon. His mother planned with Mammon to create a Hellspawn stronger than the others. He is then given a journal by his father that reveals his ancestor came across a Hellspawn in the past known as the Gunslinger Spawn.

Spawn is left helpless and weakened against his enemy Erskine's psychic powers, and Spawn is troubled by Erskine's creation of a tentacle creature he uses to impale his enemies.

Spawn is given an opportunity to cause Erskine's death. Spawn enters the bubble dome, a dimension if Erskine does not reveal the location of Mammon. Mammon allows Erskine to complete his last murder. Mammon confesses that it was he who taught Erskine how to use his powers. Erskine tries to commit suicide. Spawn continues to attack Mammon.

Later a man wakes in a mortuary with amnesia. Some doctors working on him discover he is alive and is killed by a person in a robe, who is revealed to be Morana. The revived man, whose name is Severin, is one of a species of vampires called the Vrykolakas. He wants to die and Morana promises him death in return for his help. Severin appears, defeats Marc and Nyx, and bites Spawn to transfer his vampirism. He retreats to Morana.

Cyan has been experiencing horrid visions. Severin's attack has caused Spawn to battle the suit in his mind. Mammon with Morana and his adopted mother and father prepare for the next step in their plans. Cyan is having more visions. Granny had warned Cyan and she uses a knife to send Spawn into an illusionary world to talk to Wanda non-violently.

There, Spawn speaks with Wanda. She says she cannot forgive Al for the death of their child but that she still loves the man inside him. Spawn tries to take out Cyan's knife and somehow suppresses the suit. Cyan and Nyx appear, and K7-Leetha appears and takes over Nyx. Now controlled by the K7, Nyx tries to kill Cyan and Wanda but is halted by Mammon. The entire group goes to a castle, where Mammon tells his plan to make a perfect Hellspawn. He wants the Rapture to occur so Satan, God, and Malebolgia will be gone, and then revealed his perfect Hellspawn was Al and Wanda's miscarried child, Morana.

After washing herself in virgin's blood, Morana bonds with the uniform and gets ready to consume her parents' souls. Cyan taps into her powers and goes to the future. She talks with an old woman who gives her a message for Al. Returning, she has Spawn summon the last twelve members of the Legion, who are beaten by Morana. Mammon insults Al and disowns Morana. Cyan tells Nyx a spell to trap Mammon and Morana. It works, both demons are sealed away, and the others return home. Al jumps into another dimension to be reborn as a weapon against both heaven and hell.

Spawn is soon ready to enter the human dimension. He makes his way to the alleys and blows his head off. Meanwhile, an amnesiac man called Jim Downing, who is healing at a hospital, wakes up. He seems to know Spawn. A janitor tries to make money off Jim's story and calls a lawyer. The lawyer commits suicide. A thug is paid to capture Jim and attacks him with a flaming skull. Jim flees while the thug causes damage to the hospital. The thug catches up to Jim, who transforms into Spawn, kills his attacker, then escapes the burning hospital in human form, eventually being taken in by firefighters.

He is taken to another hospital with other patients. He later leaves and reunites with his previous nurse Sara, and begins to transform. He calls Sara but leaves before she can see him. Meanwhile, a reporter begins to ask questions about the incident at the hospital. Wandering the city Jim is attacked and kills his assailants. This draws the attention of Sam and Twitch, who recognize the chaos as Spawn's doings.

After reuniting with Sara and telling him about his transformation, Jim wanders off again and meets Wanda Blake, Al Simmons' ex-wife. She recognizes Jim as the form Al took when he originally returned to earth, and she realizes he is a Spawn like Al.

On Wanda's advice, Jim travels to Rat City and finds Spawn's throne, and is met by an angel. Jim fights the angel, beats the angel, and leaves. Jim finds out that a man working for Gilbert Sanchez has been asking questions about him.

The angel Spawn beat is later attacked by Clown, who removes her wings. When Spawn returns, the angel is powerless and insane and finds Freak and Violator. Despite Freak's warnings, Clown begins to deceive Jim and informs him his suit is a living being and then vanishes. Clown is arrested by Sam and Twitch and meets the leader of a vampire group to attempt to form a unity between the leader, Clown, and Spawn.

Mob members kill Gilbert Sanchez for his information on the new Spawn. Spawn attempts to learn more about Jim but is assaulted and uses his powers on his attacker. Jim later finds the man who had been asking Sara questions. He tracks him to his family's home, which is bombed, killing everyone inside but Spawn. Spawn finds more mob members and questions them further and kills them.

In Resurrection, Spawn is revived and is later told by God in dog form that Wanda has died and is now trapped in Hell, where Al must rescue her. He fights Satan and saves his wife. God and Satan are no longer twins because the Man of Miracles is sold to Marvel and is retconned out of existence, and God and Satan are based on the Abrahamic story of Creation. After saving Wanda from Satan, she goes to Heaven and Spawn continues to protect the people in Wanda's memory from the forces of both Heaven and Hell, as well as any supernatural threats.

When she was done we were amazed and shocked and in awe!

Me: WHOA!

Wendy Sapphire: That is incredible!

Ghost Rider: He's very similar to me and Batman.

Batman: Yeah he sure is.

Buttercup: Yeah he sure is and Spawn is similar to the superheroine that I turned into. I went by Mange.

Nico: Cool!

We then saw Spawn coming out of a fire with a bad guy in his hands.

Qin: Whoa! There he is.

Nico: Spawn!

Spawn threw the guy into an ambulance and lept onto a building roof and he was watching for crime.

We went to meet him.

Me: Spawn?

Spawn: The famous Team Loud Phoenix Storm. an honor to meet you all. And Brittney it's good to see you again.

Brittney: You too Al.

Me: Sorry to drop in like this so suddenly but it's an honor to meet you.

We heard a clatter and We then saw a bunch of thugs and went to face them.

Thug: (to Maria) Hey, baby. Wanna have a good time at my place?

Maria: Not interested!

KGBeast: So back off!

Thug: Mind your own business!

He fired his gun at KGBeast but the Poromon clone took the bullet and died. He disintegrated into data.

Poromon: Well, he had a good riun.

MODOK: That's a little cold.

Poromon: He's not real anyway:

Me: Yeah. He was a Digimon and he gets reconfigured. So he went back to the Digital World.

Nico: Oh. Right.

But then Spawn bashed and pulverized them all over.

We tied up the thugs.

Spawn: Sorry about that guys.

Me: No worries Al. But thanks.

Tomahawk Man: Got a safe place we can talk in?

Spawn: Certainly.

We went to the top of a building.

Nico: This should be good enough.

Me: First of all Al, we're really sorry about what you went through because of Jason Wynn. What he did to you was unforgivable.

Qin: Yeah.

Spawn: I appreciate that. But I can't forgive him for doing this to me.

We saw that he was HORRIBLY BURNED, SCARRED AND DISFIGURED!

Qin: Geez!

Me: I can't believe he did all that damage to you.

Box Ghost: Fuck, that's horrifying!

Big Lenny: No wonder you keep your face hidden.

Me: Yeah.

Spawn: I know. But now I want to do justice as a protector of the night.

Me: I'm sorry you went through all this Al. But just so you know, you are not the only superhero. There are many heroes out there that are more than willing to help you. Like us.

Qin: That's right. And also I am a huge fan of Spawn myself. You are so awesome as a protector and master of the night.

Batman: Also you are very much like me and Ghost Rider.

Ghost Rider: Yeah it's awesome.

Spawn: That's an awesome comparison too.

Lucky: Yeah.

Spawn: (to Lucky) Sorry the suits of you and your team aren't getting in Cosmic Fury.

Lucky: I don't mind it at all. As long as we get some representation, I'm cool with it.

Tantrum: The 10 episodes of Cosmic Fury are bound to be epic!

Me: I'm really looking forward to it!

Nico: Me too.

Eli: We all are. Awesome way to start out the 30th Season.

Qin: Wow! 30 years of Power Rangers.

Tommy Oliver: That is so cool.

Spawn: I wanted to get in touch with you guys before. But you were busy with other stuff.

Professor Monkey For a Head: You just be talking about the wars.

Onyx: Those are done now.

Me: Yeah hopefully there won't be anymore wars coming up in the foreseeable future or like ever.

Nico: Besides, those were really awesome and epic to be in.

Eli: And they did get the job done.

Me: Oh speaking of war, all the information on Queen Opaline just got fully updated.

Nico: What does it say?

Me: You guys are not going to like it.

I pulled up her info.

---

Queen Opaline is the main antagonist of the fifth generation of My Little Pony franchise, serving as the overarching antagonist of My Little Pony: A New Generation and My Little Pony: Make Your Mark special, and later the main antagonist of the Netflix animated series My Little Pony: Make Your Mark. She is an evil Alicorn Queen, the boss and adopted mother of Misty and the arch-nemesis of Sunny Starscout.

She is voiced by Athena Karkanis.

Backstory

Prior the events of the series, Opaline wanted all the magic to herself, but Twilight Sparkle prevented her and separated the magic in three crystals for each pony kind to separate. Since then, Opaline searched for the magic to claim back for herself. During her search, she found raised a unicorn named Misty and raised her to make her as her servant.

My Little Pony: A New Generation

While Queen Opaline doesn't physically appear in the film, her actions played a big role in shaping events of it. Due to her being responsible of not only separating three pony tribes which causing

Equestria to lose its magic and each of them blames on each other, but also causing Sprout to turn himself into a petty and bullish yet insecure and cowardly deputy sheriff into a power hungry and tyrannical "emperor" of Maretime Bay who wants to wage a war against Pegasi and unicorns. But luckily, Sunny and her friends managed to stop him from doing so and succeeded in reuniting three pony tribes together which brought the magic back together.

## My Little Pony: Make Your Mark

### Chapter 1

Queen Opaline is introduced at the end of the Make Your Mark special. She sits in a throne room with her minion, a blue unicorn. She is delighted that the ponies have learned how to utilize magic again after it has returned. She states that she will "take back what's hers". This sets her up as a villain in future works.

### Chapter 2

In "Izzy Does It", Opaline sends Misty to spy on Sunny and her friends, and she reports her that magic has returned to Equestria just like she said. Misty sneaks to Sunny's smoothie stand and puts a golden compact with a red bow on it. When Misty returns to her castle and tells her more about the magic, she plans to become more powerful than ever before and promising her to get her cutie mark when it's done. It is revealed that the compact is the only way to spy on Sunny and her friends, but it won't let them see inside the Crystal Brighthouse, which she considers sending one of her allies to infiltrate it inside.

In "Growing Pains", Opaline and Misty continue spying on Sunny and everypony through the mirror compact, which then she puts her next plan into action. After a while, Misty reports on how the Earth Pony magic is going out of control in Maretime Bay, Opaline allows it to continue without any interference, plotting to take it for herself and become more powerful than ever.

In "Portrait of a Princess", Opaline sends Misty out to Maretime Bay to interfere with Pipp and Zipp's Portrait Day, a yearly occurrence for the two princesses of Zephyr Hights. Using her magic to create an

Ocean Lily, a rare flower, she gives it to Misty to lure the two Pegasus Princesses into a trap so that their Portrait Day celebration would be ruined. This plan fails as Pipp uses her social media followers to escape.

In "Ali-Conned", Opaline takes advantage of Sunny's ability to become a temporal alicorn, and uses the mirror compact to make herself look like Sunny's reflection. Through the compact, Opaline encourages Sunny to embrace her alicorn status, as well as sending out Misty to help with it. Sunny denies being an alicorn all the time, as she just wants everypony to like her for who she is, and not what others want her to be.

In "The Cutie Mark Mix-Up", Opaline watches the Crystal Brighthouse from her castle, plotting to get the Prisbeam power from the Brighthouse. She creates an artificial magic mouse creature, sending it to where Sunny and Hitch were located. The Artificial Creature gains the attention of Sparky, a dragon that Hitch took care of ever since the events of Chapter One, and after chasing it Sparky sneezes, causing his dragon fire magic to switch Hitch and Sunny's cutie marks along with their personalities.

Sparky chases the artificial mouse creature into the Crystal Brighthouse, just as the animals were being rounded up by the rest of Sunny's friends. After discovering the re-created lantern that Sunny used to save Posey Bloom in the first chapter, Opaline plots to obtain the lantern and use it's magic to make herself all powerful.

In "The Traditional Unicorn Sleepover", Opaline sends Misty to the Crystal Brighthouse, allowing her to join Izzy's sleepover, as a means of getting the lantern. The cover is nearly blown when Zipp noticed Misty acting suspicious.

In "Hoof Done it?", during the sleepover in the middle of the night, Misty stole the lantern and plots to take it to Opaline, so that she can finally obtain her cutie mark. This plan backfires as Pipp, Izzy, and Zipp interfere with the plans. Returning to Opaline's castle without the lantern, Opaline forgoes the lantern and instead goes after 'Dragon Fire Magic' upon hearing about Sparky's abilities.

In "Have You Seen This Dragon?", after Misty fails at capturing

Sparky, she obtains some of his Dragon Fire inside a magic-proof glass jar, sending that back with her instead. Opaline obtains the magic from that smidge of Sparky's Dragon Fire, she begs for more of it after feeling so much powerful.

My Little Pony: Tell Your Tale

In "Dragon Dad", set before the Make Your Mark episode "Have You Seen This Dragon?", Opaline sends Misty out to get some Dragon Fire Magic from Sparky. Opaline constantly begs Misty to get the magic fire, especially in her sleep.

My Little Pony (2022 comics)

The second issue of the G5 comic series reveals that she was responsible for driving ponies apart in the first place, making her responsible for the isolated and prejudiced world of modern Equestria by the time of A New Generation. As a unicorn, she encouraged other unicorns to believe they were superior to other ponies, causing racial tensions. Twilight and her friends eventually managed to defuse the situation, but Twilight decided to create the Unity Crystals to preserve all magic in Equestria. If racial tensions ever developed again, the crystals could be separated to ensure ponies couldn't use their magic against each other.

However, her actions led Discord to become a fearful extremist who believes that magic is a source of conflict and division, so that's why he plans to destroy the Unity Crystals so the magic won't returned to Equestria again which causes the conflict between him and Mane Five.

When it was done everyone WAS SHOCKED and horrified!

Nico: Why that ruthless no good monster!

Sunny Starscout: She is pure evil!

Fiona Hernandez: We will not let her get away with everything she did!

Spawn: She is a devil.

Me: Yeah. And everything that Twilight and friends did and worked so hard for was ruined because of her!

Nico: We'll worry about her later for another time. But good job telling us all this J.D.

Me: Anytime. Now we know all about what she is planning and why.

Nico: Yep.

Undermine: (to Spawn) By any chance, have you ever met Michael the Archangel?

Spawn: I haven't in person sorry.

Me: There's a strong possibility you might though.

Spawn: Yeah. So you guys came to help me kill the Violator?

Brittney: That's right. This time we're going to make sure he is dead.

Qin: Yep. We're giving him the Black Gates.

Red Guy: That guy's creepy as fuck.

Trickster: Definitely like Pennywise.

Spawn: He is creepy as fuck.

Me: No kidding. And he is a shitfucking scary ass monster.

Qin: You got that right. He is also a deranged monster. Literally.

Lori: Yeah.

Spawn: But thank you guys for helping me destroy him.

Me: You're welcome Al.

Buttercup: Oh also I based another Superheroine form I have off of you. Watch.

She then flared up green fire and it turned shadow black and she turned into her shadow hero form: MANGE!

Mange: Call me Mange.

Spawn: That is awesome!

Divebomb: I thought you gave that persona up.

Mange: I did. But I want to keep it as a reminder of what lead me to it and use it when needed.

Divebomb: Oh. That makes sense.

Me: Besides I think it's really cool. Now Batman, Ghost Rider and Spawn are gonna have some nocturnal help from Mange too.

Qin: Yep.

Quacker: There were 2 other personas fighting alongside Mange too.

Ssserpent: One of them was Liberty Belle.

Me: That was a mixture of Wonder Woman and Captain America.

Wonder Woman: That's true.

Blossom: Yeah. That's right. I made her.

Nico: Yeah.

Bubbles: And then there's Harmony Bunny. I based that one on a Japanese Comic that I read.

Laney: That's cute Bubbles.

Spawn: Also, I'd like to keep Violator's head.

Buzzsaw: Fine by us.

Me: Good idea. A trophy is perfect for you Al.

Qin: Yeah especially after what he did.

Me: But first Al you don't deserve to be burned like this.

I went over and put my hand on him and it glowed and he was healed and back to what he was before!

I gave him a mirror and he was back to normal!

Spawn: I'm back to my old self! What did you do!?

Me: I healed you and gave you your humanity back. You still have the power to be Spawn but you are now a human again.

Camie: Awesome!

Eli: Nice move bro.

Spawn: Thanks. But I think I'll keep wearing my costume.

Titanium Titan: Why not?

Toar: It's what makes you you.

Me: Yeah. Costume or not you are still human.

Nico: And you are a true hero regardless. And your family is very proud of you too. They love you.

Qin: Yeah.

Spawn: That's true.

Sour Sweet: Let's go after Violator now. No telling what he's up to.

Nico: Good idea.

Eli: And I sense that he's in central park.

Brittney: And I think I know what he is trying to do.

Nico: Lets go.

We were off.

We arrived at the park and we saw a trail of corpses.

Goliath: A trail of corpses.

Goldar: We're getting close!

Brittney: Very close. I sense dark energy building.

Nico: Uh oh.

We then saw a glowing circle on the ground and laughing malevolently was VIOLATOR!

Brittney: Oh no. It's the Spell of Belial. It's a portal that will bring the armies of hell to Earth. He got the organs of a bunch of corpses to be used for it.

Pam: Entrance time. NOW!

Nico: You don't have to tell me twice!

We went at him!

Violator laughed derangedly and then the spirits of the Toa Metru and the symbols of hell appeared and swirled around him and then converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out and fireballs rained down and incinerated the corpses into nothing and then a phoenix cry was heard and we came out!

Nico: Violator you have VIOLATED your life! You are dead!

Me: Okay that was a good one.

Nico: Thanks.

Me: Now it's time for you to die!

Spawn: You will pay for your crimes Violator!

Then Violator turned into his HORRIBLE UGLY GECKO DEMON FORM!

Dirty Bubble: You're one ugly motherfucker!

Violator: (laughs) Says the filthy bubble!

Evil Bubble Man: He's still more handsome than you!

Nico: And Pennywise is more Handsome than you!

Me: Yeah! And we'll kill him soon you freak!

Qin: YEAH!

I fired waves of fire and blasted him all over!

Brittney: And you and me have a score to settle!

Brittney transformed into her Darkness Eternal Xelnaga form and teleported and smashed him in his face and smashed him down.

Mojo: (to Mange) I thought you got rid of that persona.

Mange: I decided to keep it.

Deker: I don't mind it.

Abis Mal: Me neither.

Nico: It fits perfectly for this situation.

Motor Ed: (to Nico) Heard you fought another version of the Predacons, dude.

Nico: Yep.

Nergal: And nice job using my Ridewatch.

Nico: Thanks.

Then Primator appeared.

Me: Primator. Back for another round?

Primator: You bet I am.

Qin: Sweet.

Starshine Sparkle: Yeah no kidding. Or else Cybertron would have ceased to exist.

* * *

Yang, Rainbow Dash, Scootaloo, Air Skylanders, Laney and Joey, Yusuke and Keiko, Knight Man and Tomahawk Man VS Motor Ed - Meeting the Dragon Ninja Gene-slammers

* * *

Motor Ed was next.

Motor Ed: (to Yang) Heard you dudes Met the Dragon Ninja Gene-slammers. What are the dudettes' names?

Yang: They are the Yōsoninja sisters and their names are Shiroi, Aoi, Kuro, Kiiro and Shinku. They taught Lincoln all about the eightteen Feudal Japan Ninja Clan techniques.

Rainbow Dash: Yeah that is really awesome. And their story is really cool.

Scootaloo: It sure is. I thought it was awesome.

* * *

Kiiro Yōsoninja: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Kuro Yōsoninja: Yeah, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Shiroi Yōsoninja: Along with his entire massive and muscular body and massive white angel wings.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Shinku Yōsoninja: That's incredible.

Nico: It sure is. So, girls, what's the story on why you hate Lori, Lynn, Lola, Lisa, and Luan with a burning passion?

Aoi Yōsoninja: You're not going to like it one bit, Nico. One day, we were training with Lincoln in the arts of ninjutsu, and for that, we had to go into the forest for this one, so we can be one with nature. But, our training was interrupted by shrill screams in the air, and we knew who it was that made the shrill screams: it was Lincoln's mean sisters, Lori, Lynn, Lola, Lisa, and Luan, and they were on the rampage again, and they want to kill us to slake their thirst for blood. But, we were ready for them and we were more skilled than those violent monsters. Lincoln threw a smoke bomb at them and it clouded their vision and we disappeared into the trees, then, we used Taijutsu to take them all down, and Lincoln tied them up in energy ropes. We then headed home to The Loud House, and when we were done, Lori, Lynn, Lola, Lisa, and Luan got grounded for ten weeks, and Lincoln threw them in steel cages and put their fingers in Chinese finger traps, so they couldn't escape.

We cheered wildly for what the quintuplets and Lincoln did to Lori, Lynn, Lola, Lisa, and Luan.

Nico: Whoa, now that was so awesome!

Lincoln: Yep, and Taijutsu is one of the 18 disciplines of Ninjutsu, which is Unarmed Combat: using one's body as the main weapon, the other 17 disciplines of ninjutsu that I was also taught and trained in are Seishin-Teki Kyōyō (Spiritual Refinement), Kenjutsu (Sword Fighting), Bōjutsu (Stick and Staff Fighting) Shurikenjutsu (Throwing

Shuriken), Sōjutsu (Spear Fighting), Naginatajutsu (Naginata Fighting), Kusarigamajutsu (Kusarigama Fighting), Kayakujutsu (Pyrotechnics and Explosives), Hensōjutsu (Disguise and Impersonation), Shinobi-iri (Stealth and Entering Methods), Bajutsu (Horsemanship), Sui-ren (Water Training), Bōryaku (Military Strategy), Chōhō (Espionage), Intonjutsu (Escaping and Concealment), Tenmon (Meteorology), and Chi-mon (Geography).

My mouth went wide open, and I was stunned with awe.

Me: Whoa.

TLPS Mr. Wolf: Those are the very disciplines that the ninja clans of 16th Century Japan were trained and taught since birth, incredible, and you were the only Loud to be taught that, Lincoln.

Lincoln: That's right.

Luna: And like Lincoln said, it's a lot of hard work, but the results were really worth it, he'd become a skilled master in the 18 disciplines of ninjutsu.

Naruto: But, still, that's amazing that you were taught and trained in the 18 disciplines of ninjutsu, Lincoln.

Sakura: And that was when he was twelve years old at the time, so that was five years ago.

Lincoln: That's right.

FLASHBACK ENDS

Motor Ed: Wow! Lincoln really learned so much about all that from them. Seriously.

Whirlwind: Lincoln has the awesome skills and powers of a great ninja.

Yusuke: He sure does. I'm proud of him.

Mira: Ugh, I should've known there's no mistaking that voice from anywhere. You can come out now, Shadow Prove.

A figure came out, and it was none other than Shadow Prove, the Darkus Brawler of The Vexos.

Lync Volan: Shadow Prove, it's been a long while, hasn't it?

Shadow Prove: And I ain't surprised you'd turned traitor when you did, Lync, but now, I'm not going to show you or Volt any mercy whatsoever!

Valerie Brinkley fired a powerful black and red energy blast with red fire and spiders at Shadow Prove and it burned him badly.

Valerie Brinkley: That's not happening, Shadow Prove, and now, I'm putting a stop to you.

Suddenly, Valerie Brinkley's red eyes turned neon red and she was surrounded by a black and red energy aura with red fire, spiders, and darkness, she unholstered her massive Earthbound Immortal Uru-themed sword from her back, and as she approached Shadow Prove, she left black and red energy, red fire, spiders, and darkness with every step.

Valerie Brinkley: I will never forgive you for any of the crimes that you've committed against the Bakugan, Shadow Prove, and now, you're about to suffer the true wrath of The Earthbound Immortals, you crazy, psychotic, son of a bitch!

Suddenly, Valerie Brinkley was surrounded by a massive vortex of black and red energy with red fire and darkness surrounding it, there's Earthbound Immortal Uru flying around the vortex, and in the vortex is an red phoenix. Then, as the vortex faded, Valerie Brinkley emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Valerie Brinkley grew from 6'0" to 7'1" in height, she has the body of a goddess, she has black highlights in the bangs of her long flowing red hair tied in a braid, she has neon red eyes and a black and red energy aura with darkness, red fire, and spiders surrounding her, she has Earthbound Immortal Uru with the Dark Kanji in its legs emblazoned on her forehead, she has on spider earrings with red gems for eyes and holding the Dark and Eternity Kanjis in its legs, she also has Earthbound Immortal Uru with red gems for eyes and the Dark and Eternity Kanjis in its legs for the second pendant on the bottom of her red spider-shaped Element of Harmony, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Valerie Brinkley has on a black sleeveless vest, red sleeveless midriff top, red frilly skirt with black frills and the Spider Nazca Line on it, red high-heeled sneakers, and long sleeveless white trenchcoat with darkness, spiders, and red fire on the coattails, and on the back is Earthbound Immortal Uru with darkness surrounding it. Suddenly, Valerie Brinkley felt a sharp pain on her back, and then, her massive black angel wings with red tips grew much bigger for her new body, and the feathers had the same red markings as on Uru. Valerie Brinkley has on a Ring of The Phoenix with red gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger.

Suddenly, Valerie Brinkley's massive Earthbound Immortal Uru-themed large sword and all the other swords she'd gotten began merging together and they were surrounded by a kaleidoscope of red energy with darkness, red fire, and spiders, and when it emerged, it transformed into Earthbound Immortal Uru's Dark Spider Greatsword of Red Fire and Darkness Justice, it's a brand-new large greatsword with Earthbound Immortal Uru and the Spider Nazca Line etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight black spider heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large midnight black spider heads and a large red gem below the spider heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with red gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Earthbound Immortal Uru's head with red gems for eyes and a large red gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a red kanji below Earthbound Immortal Uru that said, "Valerie Brinkley, Gene-Slammer of The Spider Earthbound Immortal Uru, Life Long Friend of Girl Jordan and Helena McTroy, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser and Smasher of Bullies, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Spiders, and Red Fire"

Valerie Brinkley has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY DARKNESS RED FIRE EARTHBOUND IMMORTAL SPIDER ANGEL OF DIVINE EARTHBOUND IMMORTAL DARK JUSTICE AND DIVINE RED FIRESTORM LOVE!

We were amazed by Valerie Brinkley's Super Angel Xelnaga Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Shadow Prove saw it, he summoned his Mechanical Bakugan, MAC Spider, to kill her, but Valerie Brinkley fired a powerful black and red energy blast with red fire, darkness, and spiders at Shadow Prove and MAC Spider, which burned Shadow Prove and blindsided them, but it allowed Lincoln to get close to MAC Spider, and as he put his large left hand on the mechanical Bakugan's head, MAC Spider glowed and Lincoln began absorbing MAC Spider into his body, and Lincoln gained a massive power boost and acquired brand-new weapons from MAC Spider, and this horrified Shadow Prove.

Nico: Holy guacamole, now Valerie Brinkley's transformed!

Me: And look at the pattern on her wings, they're the same pattern as on Uru, so cool.

Eli: Really amazing, and Valerie blindsided Shadow Prove and MAC Spider after she had transformed, and it allowed Lincoln to get close and he absorbed MAC Spider, and not only did he gain a massive power boost, but he also gained new weapons and gadgets from MAC Spider.

Lincoln: And now that Shadow Prove has lost his Bakugan, he's all alone, and he's about to feel the true wrath of The Earthbound Immortals, and Valerie, you look beautiful, how do you feel?

Valerie Brinkley: (Divine Echoing Cosmic Voice of The Dark Spider Earthbound Immortal and Divine Red Fire Justice) **I feel incredible, Linky, and now, shall we administer Shadow Prove his punishment, now that he no longer has MAC Spider?**

Lincoln: (Smiles) With pleasure, Valerie.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Valerie Brinkley.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Time for you to pay for everything you've done, Shadow Prove, but this time, we're not showing you both any mercy whatsoever, not like you deserve any.**

Valerie Brinkley and Lincoln went after Shadow Prove, and they fired extremely powerful blasts of rainbow energy, red energy, red fire, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, and Spiders at Shadow Prove, and they exploded with incredible power as they hit him. Then, they attacked Shadow Prove with their massive greatswords and they left some really nasty scars on him, and Lincoln fired MAC Spider's Tarantula Needles, and they attacked Shadow Prove and he was knocked down, and he was tied up in a rainbow energy straitjacket and rainbow energy chains by Lincoln.

Shadow Prove: Okay, so you've defeated me, what are you going to do, kill me?

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **As if, you're not getting out of this easily, Shadow Prove.**

Valerie Brinkley: (Divine Echoing Cosmic Voice of The Dark Spider Earthbound Immortal and Divine Red Fire Justice) **That's right, you've got potential to be a member of the Masters of Evil. So, instead of killing you, you're going to be recruited into The Masters of Evil. Besides, don't you think it's better than trying to avenge King Zenoheld, who no longer even respects you or Mylene Farrow, and he was consumed by revenge, and if we let you escape, Barodius will find out and he's going to kill you.**

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **And he's not going to let you live, and we told Mylene the same thing and she accepted the proposal.**

Shadow Prove finds out that Lincoln and Valerie Brinkley are right: if Barodius finds out he's failed, he's going to kill him.

Shadow Prove: Very well, I'll join The Masters of Evil, since siding with Barodius was indeed a death wish, and Zenoheld was indeed a madman, but I couldn't turn on him since it'd end in me getting killed.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smiles) **You've made the right choice.**

Lincoln beamed Shadow Prove to The Masters of Evil's HQ, where Vypra and the others were given the news: Shadow Prove is now part of The Masters of Evil. We cheered wildly for what Valerie

Brinkley and Lincoln did as they holstered their massive greatswords on their backs and powered down, and Valerie Brinkley's new body, clothes, weapons, jewelry, and massive black and red angel wings are permanent.

Valerie Brinkley: That's one villain recruited into The Masters of Evil and ten more to go before we finally kill Dustin Keystone and Barodius, and thanks for helping me take down Shadow Prove, Linky.

Lincoln: (Smiles Warmly) You're welcome, Valerie.

Suddenly, Valerie Brinkley wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Valerie Brinkley's face, they kissed passionately as Valerie Brinkley's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Earthbound Immortal Uru flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and red fire raging behind them and we all cheered wildly. Lincoln and Valerie Brinkley absorbed the fires, and they came back, and Uru vanished.

Nico: Awesome job, Lauren and Lincoln, you guys took down and convinced Shadow Prove to join The Masters of Evil.

Lincoln: We sure did, and now, tomorrow, we need to convince Anubias to join The Masters of Evil, but he'll join The Masters of Evil, since he hates Barodius for what he did to him and Sellon.

Me: You got that right, Lincoln, and what Gene-Slammer are you hoping to meet tomorrow on your rescue?

Lincoln: Good question, J.D. Hmm, oh, how about a Gene-Slammer for Number 77: The Seven Sins.

Nico: (Gasps) Oh, now that's a really scary one.

Nicholette Torrington: Not only does it look like a spider, but it also has the same name as The Seven Deadly Sins.

Lincoln: That's right, Nicholette.

Po Kong: That's it for Violator

Radioactive Man: And his victims are avenged.

Gizmo: They sure are.

Speed Demon: Now both Hellboy and Soawn are with us.

Femme Fetale: Just in time for Halloween.

Me: Yep.

Nico: This was so awesome!

Me: Uhh it's really late.

I showed the time and it was 10:30 PM.

Nico: Whoa we need to get home and head to bed.

Eli: Good idea

Nico: But great job today everyone.

Spawn: (To the viewers) Just remember this. You do the crime you do the time.

Qin: Yep.

We went back home and got ready for bed and went to sleep.

# Barnyard VS Coyotes

In the early morning hours at 2:53 AM, Lincoln had a dream, and he saw a figure who was hiding out and living in the streets of Shanghai, China. But, it were no ordinary figure, it was Radiance, the youngest daughter of Lincoln's future wives, Rarity. Lincoln woke up from the dream, but he wasn't the only one, Nyx Midnight, Starburst, Rarity, Crystal Clarity, Lori Loud-Santiago, Nico, and I also had the same dream.

Lincoln: Let me guess, the same dream as me?

Lori: We sure did, bro.

Rarity: And it also means that we found out where my daughter is at.

Crystal Clarity: But the question is, Where?

Me: They're at Shanghai, China.

Nico: Oh man, that's not good. Out on the streets in Shanghai, China, is not a safe place for them.

Lincoln: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Lori: You got that right, bro.

Lincoln, Lori Loud-Santiago, Nyx Midnight, Starburst, Rarity, Crystal Clarity, Me, and Nico were heading to Shanghai, China. Then, Lincoln saw a 10-year-old girl who has light purple skin, waist-length purple hair with pink streaks and brown eyes. She wore an sky blue striped tank top, white pants, and sky blue closed toe sandals. Lincoln saw who she was, it was Radiance.

Lincoln: Excuse me, are you Radiance?

Radiance: Yes, And who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is

my older sister, Lori Loud, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Rarity came out, and when Radiance saw her, she was stunned.

Radiance: Mom, is that you?

Rarity: Yes, darling, it's me.

Radiance ran up to Rarity, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, Lori, Crystal Clarity, Starburst, Nyx Midnight.

Lincoln: And there's something you should know, Rarity your mother is one of my many future wives.

Radiance: Does that means… you're my father.

Lincoln: (smiled) What else I won't I be?

That filled Radiance with joy, as he picked her up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Radiance to the rest of his siblings, who are now her aunts. We were proud of what Lincoln did in reuniting Rarity with her youngest daughter, and Radiance now has a loving, strong, brave, and caring father in her life.

We were at Zephyr Heights castle to help Sunny and Friends with Queen Haven's Royal To Do List.

Me: Boy the Queen has tons of things to do.

Nico: You're not kidding.

Qin: Boy look at all that.

Xenia: We're going to be busy up the ass for this.

Sunny Starscout: But we can all do it together.

Camie: We sure can.

Me: Pipp, Zipp, your mom is one busy woman.

Pipp Petals: She sure is but we love her.

Me: Aww.

Zoom: For Item 82, the Newborn foals portrait.

Zoom opened a door and on a couch was 5 newborn foals and fillies.

Mane 5 and us: Aww.

Me: Oh you guys are all so adorable.

Nico: They sure are.

The kids jumped up and down and went all over the place and the Mane 5 tried to catch them but they were bouncing off the walls all over the place.

Me: I got this.

I pulled out a whistle and tweeted it.

TWWWWEEEEEEEEETTT!

The foals sat back down.

Nico: Nice thinking J.D.

Me: Thanks.

I had a camera ready.

Me: Okay smile.

They smiled.

CLICK!

It was perfect and adorable.

Qin: Aww so cute.

One picture showed one of the foals giving Hitch Trailblazer a makeover.

Lola: Aww that is some cute Princess Makeover Time.

Nico: Funny.

Pipp was giving some selfies with some kids and they loved it. Even their parents thought it was cute.

Camie: Aww so cute.

Rarity: Those photos are simply adorable darlings.

Twilight Sparkle: They sure are. Photo Finish would approve of them.

Later we were in front of the Royal Playground that was just built.

Zoom: Item 97, The Grand Opening of the Royal Playground.

Rainbow Dash: This is an awesome playground.

Zipp Storm: Ha. This will be easy.

She took a big pair of scissors and tried to cut the ribbon. But it wouldn't cut.

Me: I hate it when scissors don't cut.

They tried several times but it wouldn't cut.

Me: Let me see those.

I looked at the scissors and it showed that the blade was dull.

Me: The blade is dull. I got this.

I unsheathed my sword and slashed the ribbon and cut it and everyone cheered wildly!

Nico: Play to your hearts content kids!

Xenia: Yeah!

Danica Metrois: Yeah have fun!

Nico: Thanks for coming with me, Emerald.

Emerald Goldenbraid: Anytime Nico. It's going to be so fun helping you on a rescue.

Qin: I sure is.

A photo showed Zipp doing a press conference and then we were at a construction site and then at a rally for something. Then we were at the hospital and we saw a pony all wrapped up in bandages.

Me: Boy somebody did a really big number on you didn't they?

Pony: (Groans) Yeah but it's awesome to meet you all J.D.

Me: At least you're going to be all right.

Pipp took a selfie. But she dropped her phone by accident and it hit his leg and he screamed in pain!

YICHIHUAHUAS THAT HAS GOT TO HURT!

Later we were at the garden and Zipp dug a hole for a plant to be planted.

Nico: Emerald, how has your Mom been?

Emerald Goldenbraid: She's doing great thank you for asking. I visit her from time to time after missions. But she's doing good.

Nico: Great!

Later Zipp and Pipp were signing tons and tons of stacks of paperwork and we were running around and getting them sent off to where they need to go.

Me: Man this is tons of paperwork!

Nico: Yeah no kidding!

Eli: But it's amazing that Pipp and Zipp sign them all so quickly.

Nico: Yeah.

Me: But this is a cinch for all of us.

Nico: I'm glad she's doing fine.

Emerald Goldenbraid: Me too.

Me: Yeah.

Then Izzy came back in with another cart and as Sunny and Hitch were getting the paperwork sent out..

Sunny and Hitch: LOOK OUT!

Izzy Moonbow: YIKES!

Izzy tried to stop but she couldn't and then…

CRASH!

She crashed into them and scattered papers all over.

Twilight Sparkle: Don't worry I got this.

She got it all reorganized with her magic and put it all back on the carts.

Sunny Starscout: That was awesome Twilight.

Me: Whew!

We got all the papers signed and delivered.

Qin: Wow! That's a ton of paperwork. And I thought Lady Tsunade had it rough with all that.

Himiko: No kidding there.

Fiona Hernandez: Yeah no kidding.

Nico: It was awesome helping Spawn out.

Maria Hernandez: Boy it sure was!

Qin: We had so much fun doing that one.

Xenia: Yeah.

We later got everything in the Royal To do list fully done. We were dripping sweat and drinking water like crazy.

Zoom: Great job guys! You all are fast.

Me: (Panting) Whew! Yeah.

Nico: Yeah but it was worth it.

Camie: It sure was.

Fiona Hernandez: Yeah. Man I am thirsty.

Maria gave Fiona lots of water.

Fiona Hernandez: (GULPING WATER)

We were really thirsty from all that too.

Nico: Violator was one ugly motherfucker.

Nicole Hernandez: You're not kidding there. But he got what he deserved.

Sakura Valencia: Yeah he sure did.

Nico: Yeah. But man it was awesome helping Spawn.

Xenia: It sure was.

Tsuyu: Yeah it was. But we also got all the information on Queen Opaline too.

Nico: We sure did. Now we can prepare for her later on.

Varie: Yeah.

Nico: Also, I can confirm that Samurai Jack, Ariana Montenegro, Allison Mendosa, Depth Charge, Jason Jenkins, Lola Namiko, Galena Kosmodemyanskaya, Dexter, Wolfang, and Setsuna Tokage are backup core members.

Me: Awesome ideas man.

Samurai Jack: It'll be an honor to be part of the backups.

Qin: Good calls there.

Laney: Yeah those are awesome.

Camie: Yep.

Nico: Well, doesn't seem to be any trouble right now.

Me: Yeah. Man that was the productive part.

Qin: Yep.

Nico: But I just can't believe that Queen Opaline is that evil. She is a monster.

May: Yeah no kidding. She needs to be destroyed.

Me: She is luckily the last of Equestria's Major enemies that we have left.

Camie: Good.

Laney: It's hard to imagine that she would tear all the friendships between Unicorns, Pegasi and Earth Ponies apart. What she did shows that they are hate crimes on steroids.

Qin: Yeah no kidding. She is pure evil incarnate.

Sunny Starscout: Yeah and she wants all the magic in all of Equestria all for herself.

Me: She's a totally powerhungry xenophobic tyrant. One thing is for sure, we need to stop her. She has over 2,000 years of Equestrian Justice coming to her.

Zipp Storm: That's for sure.

Nico: You aren't kidding there. Now, let's find the next Another Omnitrix Alien.

Albedo: But where do we even look?

Nico: Hmm. We'll think of something Albedo.

We got to walking around. But then we heard screaming and then we went over and saw THE ED'S BEING BEATEN UP AND THRASHED BY THE VERY SAME VENGEANCE EXPRESS KIDS THAT WE FOUGHT ON MARIA'S BIRTHDAY!

Nico: Oh my god!

We went and smashed the Vengeance Express kids down and brought the Ed's over to us.

Qin: Geez! Not again!

Ed: (SPITS OUT BLOOD)

Eddy: (In Pain) What is with those stupid Vengeance Express kids!?

They then saw us and were walking to us.

Dark Sarah: "Ed! You give Jimmy his candy back!"

Dark Rolf: "You have made a mockery of Rolf's fungal festivity!"

Dark Jonny: [holding Plank in the air] "Plank's pressing charges, you bully!"

Dark Kevin: "Who's coughing up to fix my bike?"

Dark Jimmy: "Oh, I'm gonna give 'em such a pinch!"

Dark Nazz: "Dude, count me in!"

Dark Kevin: WE'RE GOING TO KILL YOU DORKS!

Albedo turned into Negative Diamondhead.

Negative Diamondhead: Eat diamonds!

He fired diamonds at them and they hurt!

Maria: Eat fucking shit!

She fired water and smashed them down!

We went at the Dark Cul-De-Sac Kids and we were smashing and pulverizing them into pulp!

Qin: WEDGIE!

HOING!

She gave Dark Kevin a nuclear wedgie!

Me: Hey Dark Sarah! Think fast! (ZOOM) SUPER WEDGIE!

HOING!

Me: Think fast! (LICK) SUPER WET WILLIE!

I stuck my finger covered in spit in her ear.

Me: Think fast!

I put her in a headlock!

Me: SUPER NOOGIE!

I gave her a burning noogie and she screamed in pain as blood poured out of her head and her head was burned bad! I threw Dark Sarah into Dark Jimmy and smashed him into dust!

He gave Dark Rolf the most painful dental cleaning ever and it hurt horribly!

Qin: Ouch.

Xenia fired an arrow and it hit Dark Nazz in her concrete block suit and smashed it into a million pieces.

Qin fired waves of fire and burned Dark Kevin all over.

Dark Kevin: YOU DORKS WILL PAY FOR EVERYTHING YOU DID TO US!

Dark Sarah: YOU WILL PAY FOR YOUR CRIMES!

Eddy: What crimes!?

Dark Nazz: EXISTING THAT'S WHAT!

Dark Sarah: YOU JERKWADS LIVING IS YOUR CRIME! WE'RE GOING TO KILL YOU ALL!

Me: Not if we kill you first! Monkey Face!

Dark Sarah: WHAT'D YOU CALL ME!?

Negative Diamondhead's response? Fire diamonds at each of them!

Then I smashed a toilet down on Dark Jonny!

Dark Nazz came at me and threw box of tissues at me The box bounces harmlessly off my head.

Me: Nice try Dollface!

I brought a car down on Dark Nazz.

CRASH!

Nico: NICE!

Himiko hit Dark Rolf with a huge club. Himiko is smacking and smashing Dark Rolf every which way with her club, while Dark Rolf just does his best to keep from toppling around and he is woozy. One particularly violent hit has Himiko slamming her club into Dark Rolf's teeth.

Nico: That's gonna hurt!

Eli gave Dark Kevin a purple nurple and then a Mongolian Fur Burner and sent him flying and crashing into a trash can!

Kaito: (gets out Abaranger gear) Sorry to rain on your parades!

Zocks: (gets out Dekaranger gear) But you're under arrest!

Kaito got the Abaranger quill and Zocks got a Delta Enforcer blaster.

Laney was FED UP WITH THE SIX DIRTBAGS HURTING HER SISTERS LOVERS!

Laney: (low, threatening voice) You 6 are big fat bad scumbags!

Dark Kevin: (giddy) I know!

That was the last straw. Laney snapped and screamed in rage and she began giving all six of them a merciless and incredible beatdown. The six of them land at Laney's feet; the camera is at floor level next to her.

Laney: (sounding like Dirty Harry) What's going on here? What? Huh? Oh, what, you going for something? (Their eyes dart aside; pan over slightly to the 3 Ed's) You going for them? (Back to the Vengeance Express Six.)

Dark Rolf: (moaning) No.

(Cut back and forth between them.)

Laney: You want some more, man?

Dark Nazz: Uh, I wasn't.

Laney: You do?

Dark Kevin: No.

Laney: Yeah?

Dark Sarah: No.

(Her foot slams down in her face, and the beating resumes and it was brutal and intense! For 45 minutes she brutally smashed them all into dust with incredibly merciless fury! When it ends, the Vengeance Express 6 are all a groaning, battered wreck!)

We were shocked and in horror at what Laney did to them!

Laney was panting and seething with extreme rage and fury and she was ready to go at them some more and kill them!

Me: HOLY FUCKING CRAP!

Nico: Laney REALLY beat them bad!

Laney screamed and then we grabbed her.

Me: Laney stop! They had enough!

Nico: Yeah! Laney that's too much!

Lola: Man Laney REALLY beat them up!

Laney gasped in shock and saw what she did to them and then she broke down crying.

Varie comforted her.

Laney: (CRYING) I just snapped! I was… I was… (CRYING AND WAILING)

Varie: It's all right Laney. It's all right.

Sougo: (takes out Wizard Ridewatch) Take a rest, Laney.

Armor Time! (Drumroll to upbeat music) Please! Wizard!

Geiz: (takes out Baron Ridewatch) We'll handle the rest.

Armor Time! (Baron's Sengoku Driver standby music) Come On! Baron!

Sougo got WizardArmor while Geiz got BaronArmor.

Nico: I think they were beaten up enough.

Camie: Yeah I don't think they can handle anymore.

Qin: Yeah.

We sent them to the Jupiter Prison.

But then out came an aqua blue pony with curly purple and blue hair.

Sunny Starscout: Misty!

It was Queen Opaline's right hand spy pony Misty.

Misty (G5): Team Loud Phoenix Storm it's an honor.

Sougo: Let's see how your magic does against Kamen Rider Wizard's magic!

Misty G5: Wait! I'm not here to fight. I take it you know about what Queen Opaline is doing.

Camie: Yeah we do.

Nico: She tore the friendship of everyone in Equestria apart.

Misty G5: I know. I realize now that she was using me to fill her own selfish ambitions.

Sunny Starscout: She was?

Misty G5: Yes. I was really her spy. I was promised my own cutie mark.

Me: The Cutie Mark Crusaders can help you with that one.

Apple Bloom: Yeah we can help you with that.

Me: But I do have a proposition for you. Don't let Opaline know we're going to attack her. But spy on her for us and pretend you still work for her.

I whispered my plan into her ear. Telling her to spy on Opaline and fill us in on her plans so we can be prepared for them as well as counteract them. Be our double agent.

Misty G5: I like it. Thank you J.D.

Me: You're welcome and you can redeem yourself.

Sunny Starscout: I agree too.

Maria: You are more than welcome to join the Redemption Squad.

Misty G5: Thank you guys. I will do it.

Me: Great.

Nico: Yeah. Just like what happened in Team Dark Phoenix Storm.

Laney: Yep.

?: That's good news.

Then out came a black version of a Diamondhead. It was ANOTHER DIAMONDHEAD!

Nico: Whoa! Another Diamondhead!

Me: Wow! Perfect timing.

Another Diamondhead: (In a girls voice) And it's good you guys beat those rotten kids.

Me: (Gasp) Catarina Frederickson! Wow!

Nico: Whoa! The Frederickson Family is worth a huge fortune.

Me: Yep.

Another Diamondhead: Yes we sure are Nico.

Maria: Did Swartz promise you anything?

Another Diamondhead: Just to be the richest ever in the world next to J.D.

Me: You already have all that money so that's more than enough for you. And no one can even come close to the amount of money we have.

Another Diamondhead: You're right on that. I can tell that Swartz was lying to me.

Me: He lied to everyone and it's good we destroyed him.

Nico: Yeah.

Sougo: Thank goodness.

Qin: Yeah.

Misty G5: I won't let you all down guys. What sounds like a good day to take out Opaline?

Me: We're projecting some time in November.

Nico: Thanksgiving Week sounds good. It'll give us more time to prepare.

Misty G5: Good.

Me: Sorry about this Catarina. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Nico: YEAH!

Me: Time for some buttkicking! (Activates Skalamander's Ridewatch)

(VIDEO KILLED THE RADIO STAR BY THE BUGGLES PLAYS)

Me: (SINGING DIVINELY AS CRYSTALS SWIRL AROUND ME)

I heard you on my wireless back in '52

Lying awake, intent at tuning in on you

If I was young, it didn't stop you coming through
Oh-a, oh-a
They took the credit for your second symphony
Rewritten by machine and new technology
And now I understand the problems you can see
Oh-a oh-a
I met your children
Oh-a oh-a
What did you tell them?
Video killed the radio star
Video killed the radio star
Pictures came and broke your heart
Oh-a-a-a oh
And now we meet in an abandoned studio
We hear the playback and it seems so long ago
And you remember the jingles used to go
Oh-a oh-a
You were the first one
Oh-a oh-a
You are the last one
Video killed the radio star
Video killed the radio star

In my mind and in my car
We can't rewind, we've gone too far
Oh-a-aho oh
Oh-a-aho oh
Video killed the radio star
Video killed the radio star
In my mind and in my car
We can't rewind, we've gone too far
Pictures came and broke your heart
Put the blame on VCR
You are a radio star
You are a radio star
Video killed the radio star
Video killed the radio star
Video killed the radio star
Video killed the radio star
Video killed the radio star
Video killed the radio star
Video killed the radio star
Video killed the radio star
Video killed the radio star
I danced and fired waves of crystal and energy and smashed him

down.

Nico: Awesome!

Varie: That was cool!

Nico: (takes out Skalamander's Ridewatch) Time to fight crystals with crystals!

Me: Funny how I just used that one.

Nico: I know. (Activates it.)

(TAKE ON ME BY AHA PLAYS)

Nico: (SINGING DIVINELY AS CRYSTALS SWIRLED AROUND HIM)

We're talking away

I don't know what

I'm to say I'll say it anyway

Today's another day to find you

Shying away

I'll be coming for your love, okay?

Take on me (take on me)

Take me on (take on me)

I'll be gone

In a day or two

So needless to say

I'm odds and ends

But I'll be stumbling away

Slowly learning that life is okay

Say after me

It's no better to be safe than sorry

Take on me (take on me)

Take me on (take on me)

I'll be gone

In a day or two

Oh, the things that you say, yeah

Is it life or

Just to play my worries away?

You're all the things I've got to remember

You're shying away

I'll be coming for you anyway

Take on me (take on me)

Take me on (take on me)

I'll be gone

In a day

I'll be gone (take on me, take on me)

In a day (take me on, take on me)

(Take on me, take on me)

(Take me on, take on me)

(Take on me)

Nico danced and fired waves of crystals and smashed her down.

Me: OH YEAH!

Qin: That is awesome!

Another Diamondhead punched Misty (G5), giving her a black eye.

Misty G5: OUCH!

Another Diamondhead: Sorry about that. But this is so Opaline doesn't get suspicious.

Misty G5: Oh. No worries.

Another Diamondhead: Good.

Eli: Top this one. (ACTIVATES MONKEY FIST'S RIDEWATCH)

Like a record, baby, right 'round, 'round, 'round (I want your love)

You spin me right 'round, baby, right 'round

Like a record, baby, right 'round, 'round, 'round (I want your love)

Eli fired waves of bananas and Another Diamondhead tripped and landed on the ground.

Me: NICE! Like Luan would say, that was ApPealing! (LAUGHS)

We laughed hysterically!

Eli: (LAUGHS) That was funny!

Nico: Nice one.

Lucy Loud: Now watch this one. (ACTIVATES DR. DESTINY'S RIDEWATCH)

(SHATTERED DREAMS BY JOHNNY HATES JAZZ PLAYS)

Lucy Loud: (SINGING DIVINELY AS DARKNESS AND NIGHTMARE SPIRITS SWIRL AROUND HER)

So much for your promises

They died the day you let me go

Caught up in a web of lies

But it was just too late to know

I thought it was you

Who would stand by my side

And now you've given me, given me

Nothing but shattered dreams, shattered dreams

Feel like I could run away, run away

From this empty heart

You said you'd die for me

Woke up to reality

And found the future not so bright

I dreamt the impossible

That maybe things could work out right

I thought it was you

Who would do me no wrong

But now you've given me, given me

Nothing but shattered dreams, shattered dreams

Feel like I could run away, run away

From this empty heart

You've given me, given me

Nothing but shattered dreams, shattered dreams

Feel like I could run away, run away

From this empty heart

From this empty heart

I thought it was you

Who said they'd die for love

And now you've given me, given me

Nothing but shattered dreams, shattered dreams

Feel like I could run away, run away

From this empty heart

You've given me, given me

Nothing but shattered dreams, shattered dreams

Feel like I could run away, run away

From this empty heart

Oh, no, no, no

You said you'd die for me

Oh, for

Die for me

So much for your promises

So much for your promises

She danced and fired waves of darkness and smashed her down.

Qin: OH YEAH!

Camie: YEAH!

Emerald Goldenbraid: My turn! (ACTIVATES ELECTROCUTIONER'S RIDEWATCH)

(I RAN (SO FAR AWAY) BY A FLOCK OF SEAGULLS PLAYS)

Emerald Goldenbraid: (SINGING DIVINELY AS LIGHTNING SWIRLED AROUND HER)

… I walked along the avenue

I never thought I'd meet a girl like you

Meet a girl like you

With auburn hair and tawny eyes

The kind of eyes that hypnotize me through

Hypnotize me through

… And I ran, I ran so far away

I just ran, I ran all night and day

I couldn't get away

… A cloud appears above your head

A beam of light comes shining down on you

Shining down on you

The cloud is moving nearer still

Aurora borealis comes in view

Aurora comes in view

… And I ran, I ran so far away

I just ran, I ran all night and day

I couldn't get away

… Reached out a hand to touch your face

You're slowly disappearing from my view

'Pearing from my view

Reached out a hand to try again

I'm floating in a beam of light with you

A beam of light with you

… And I ran, I ran so far away

I just ran, I ran all night and day

And I ran, I ran so far away

I just ran, I couldn't get away

She danced and fired waves of lightning and smashed her down.

Lana: OH YEAH!

She danced and Jazz and Rocky joined her and they fired waves of energy and crystal and smashed her down.

Me: YEAH!

Nico: RIGHT ON!

Qin: YEAH!

Laney: That was great!

Negative Diamondhead and Another Diamondhead fired diamond shards at each other.

They shattered upon impact with each other.

Qin: Wow!

Me: They are evenly matched too.

Lola: Yeah!

Another Diamondhead: I'll have to check out Mane Melody some time.

Nicole Hernandez: You'll love it Catarina. They do all sorts of awesome makeovers there for everyone.

Varie: They sure do.

Negative Diamondhead: Let's try up close and personal.

Negative Diamondhead and Another Diamondhead started punching each other.

SMASH SMASH SMASH SMASH SMASH SMASH SMASH!

Qin: Oh yeah!

They were shattering all over.

Lola: Geez!

Qin: Yeah! Brutal!

?: Lets see what is worth more, gold or diamonds.

Then a Golden Homunculus came out!

Varie: Whoa! A Golden Homunculus!

Qin: Wow!

Golden Homunculus: (In the girls voice) (Latvian Accent) This is gonna be golden!

Nico: Nalania Cherikova!

Golden Homunculus: Good to see you again Nico.

Nico: Same here.

She reverted back and Nalania was a girl with golden blond hair and had yellow eyes and golden clothes and had the kanji for gold in the middle of her forehead.

Nalania Cherikova: This will be great.

She fired waves of gold energy and smashed down Another Diamondhead and she reverted back and I caught the ridewatch and purified it and then I went over to Catarina and she was a girl in black rich people clothes and had yellow hair and a blue fur hat.

Me: Catarina?

Catarina Frederickson: (GROANS) What a headache.

Me: But you're back to normal.

I picked her up.

Nalania Cherikova: That was golden.

Nico: It sure was.

Emerald Goldenbraid: Yeah it was!

Me: But I got six words also for the Vengeance Express kids now that they are back in jail.

Nico: What are they?

Me: Bite my Big Fat Fucking Ass.

Nico: Nice.

Emerald Goldenbraid: What's your favorite memory of Nico?

Nalania Cherikova: I have a lot of them but my favorite is when me and Nico got tons and tons and tons of diamonds together in the diamond mine I worked at. We raked in an amazing haul. But then someone in the mine tried to steal them and we busted them. We got them sent to prison.

Camie: That's good you did.

Nicole: Who were they?

Nalania Cherikova: Sticky Fingers Mary and Dastardly Dior.

We gasped!

Me: I've heard of them! They were responsible for stealing from hundreds of banks in 5 states as well as 25 rich people. They stole $823,233,000,000,000.00

Qin: Wow! I remember that!

Eli: Geez!

Nico: Yeah. Biggest thieves ever.

Qin: Yeah.

Nico: We had them sentenced to 30 sentences of life in federal prison without the possibility of parole and they swore to get revenge on me and Nalania.

Qin: Yeah.

Me: Those assholes should know that Crime Doesn't Pay.

Nico: Yep.

Nico and Nalania hugged.

Nico: I've really missed you.

Nalania Cherikova: I've missed you too Nico.

Qin: It was awesome.

Laney was still crying and Varie was comforting her.

Me: Poor Laney.

Qin: Boy she really snapped.

Xenia: Yeah no kidding.

Nico: Yeah. She'll be calm probably soon.

Me: Yep. But Zipp, Pipp, it was awesome helping your mom out.

Pipp Petals: It sure was. Thanks for helping us guys.

Me: You're welcome Pipp.

Maria: (to Misty) Remember, go back to Opaline like nothing ever happened.

Me: And about that black eye? Pretend you got into a fight with a manticore.

Misty G5: Good idea. Okay.

Me: Be careful.

She nodded and went back to Opaline.

Nico: Now we wait till November before we face Opaline.

Me: Not for a month and a half.

Nico: Yeah. Lets head home.

We went back home.

Lincoln: Whoa, we're here in the world of the 1987 movie The Lost Boys, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we're going to help Michael Emerson, Sam Emerson, Edgar Frog, and Allen Frog destroy the vampire David Powers, along with his vampire biker gang, along with the head vampire, Max.

Nico: This is going to be so awesome meeting The Lost Boys, and when it comes to knowing about vampires and how to destroy them, Edgar and Allen Frog really know what they're doing.

Me: Plus, I never liked David Powers, along with his vampire biker gang, and the head vampire, Max. They're pure evil to the core and they're nothing but trouble.

Eli: You said it.

Lincoln: But, tonight, Max, David Powers, and his vampire gang are going to be destroyed here and now, and they're never coming back from the dead ever again, and thanks for joining us, Scarlett.

Scarlett: You're welcome, Lincoln. This is going to be one awesome vampire hunting mission.

We then head for the vampire hunting headquarters of Edgar and Allen Frog, and Michael and Sam Emerson were there with them, along with Star and Laddie, two other half-vampires who like Michael want to be cured from their vampirism, and they were honored to meet us. Then, we got down to business.

Sam Emerson: Alright, guys, we don't have a lot of time: if we're to cure Michael, Star, and Laddie, we need to destroy David Powers and his vampire gang, along with the head vampire, Max.

Rayman: And if we destroy Max, that'll cure Michael, Star, and Laddie.

Sam Emerson: Exactly, Rayman, but we also got to get my mom away from him, he intends to turn her into a vampire.

Lincoln: And I know just how to expose his vampiric nature: and it's with blood.

Lincoln formed a ball of poisonous and acidic blood, and we knew what he was going to do with it.

Nico: Aha, I get it: and since our blood is acidic and poisonous to evil immortals, if it hits an evil vampire like David Powers, his vampire gang, and Max, they'll be burned badly.

Lincoln: Exactly, Nico.

?: HEEELLLLLP!

Suddenly, Lincoln heard the sound of seven girls calling for help, along with the sound of malevolent laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the seven girls, along with Sam and Michael's mom, but they've been cornered by Max, David Powers, and his vampire gang, and they're going to turn them into vampires.

Lincoln: Let's get over there at once, guys, I found the seven girls, along with Sam and Michael's mom, but they've been cornered by Max, David Powers, and his vampire gang, and they're going to turn them into vampires.

?: (Girl's voice) Those bloodthirsty, undead, malevolent jerks, let's get them.

Suddenly, we saw the Duel Monster, Number 77: The Seven Sins, appear before us.

Nico: That's Number 77: The Seven Sins!

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Min-Ji Geomijui, but we'll talk later, we've got a group of evil vampires to kill.

We rushed over, and right before Max, David Powers, and his vampire gang could claim their next victims, Lincoln fired powerful rainbow energy balls and elemental forces at Max, David Powers, and his vampire gang, and that allowed the seven girls and Sam and Michael's mom to get to safety inside a rainbow energy field created by Lincoln to protect them from Max, David Powers, and his vampire gang, and when Max, David Powers, and his vampire gang saw us, they hissed in anger at us.

Lincoln: You vampires have caused enough trouble for the last time.

Then, Lincoln fired balls of acidic blood and it hit and burned them and they screamed in pain.

Nico: Consider this your final night, you undead douchebags!

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Xelnaga Eternity Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel Eternity Infinity Celestial Lightstorm Phoenix Angel of Divine Heavenly Light and Divine Angelic Justice, Timmy transformed into Super Angel Xelnaga Eternity Infinity Celestial Magical Elemental Fairy Wolf Moon Angel of Divine Elemental Magical Fairy Wolf Justice and Celestial Fairy Magic Hope and he had his large Lupus' Fairy Wolf Moon Mage's Staff of Elemental Magic Justice out and Eye of Lupus steel orb ready, Scarlett, Timmy's friends, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their weapons, Rayman unholstered his massive Morpheus's Celtic Dream Greatsword of Peaceful Celtic Dream Justice and Celtic Moon Gauntlets of Glade Justice from his wider and muscular back and transformed into Super Angel Xelnaga Eternity Infinity Celtic Dream Glade Fairy Dragon Angel of Divine Moonlight Celtic Dream Justice and Divine Celtic Moon Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered their massive swords and we transformed, and we went after Max, David Powers, and his vampire biker gang, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit them.

Then, Lincoln's neon deep sapphire blue eyes turned neon blood red and his vampire fangs grew a bit longer and he went at Max, and as he put him in a brutal bear hug, he bit him hard on the neck and he sucked out every last drop of his blood and he absorbed him into his body and assimilated his vampire powers, and he did the same David Powers and his vampire biker gang. Then, when Lincoln was done, energy cards with the imprisoned souls of Max, David Powers, and his vampire gang had appeared in Lincoln's large left hand, and when the Judgement Kanji appeared on their foreheads, they were sent to The Black Gates forever. We cheered wildly as we holster our weapons and powered down.

Nico: And I guess the cat's out of the bag: Lincoln is a vampire, but he was turned by his Guardian Angel, Adriana Ardelean Dracula, when Lynn stabbed him in the stomach and he was about to die a long time ago, and Lucy got turned into a vampire, thanks to getting bitten by Lana's vampire bat six years ago, but they're still good.

Me: Yeah, so don't even try to attack them, boys.

Sam Emerson: He's right, they're still heroes.

Lincoln: Yeah, and there's a difference between good vampires and evil vampires, and Max, David Powers, and his vampire biker gang are among the evil vampires.

Edgar Frog: But, I thought…

Sam Emerson: Not all vampires are all bad, there are good vampires, which means you guys should spend time with the good vampires, so you can see that not all vampires are bad.

Lincoln: That's a good idea, Sam. And now, we're rid of Max, David Powers, and his vampire biker gang. (To Min-Ji Geomijui) And it's so good to see you again, Min-Ji Geomijui.

Min-Ji Geomijui reverted back to normal, and she's a beautiful girl with long short neck-length purple hair, purple eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has the Number 77 emblazoned on her forehead, she has massive beautiful purple angel wings and she reigned in the power of Number 77: The Seven Sins, and she's dressed in a sleeveless purple crop top, purple skirt, purple pants, purple legwarmers, purple sneakers, and long sleeveless white trenchcoat with darkness and spiders on the coattails, and Number 77: The Seven Sins on the back, and holstered on her back is a large Number 77: The Seven Sins-themed greatsword with Number 77: The Seven Sins etched on the 7'0" massive, wide, double-edged purple blade, large purple spider heads for the crossguard, large purple gem embedded in the rainguard, longer midnight black handle, four large purple spider heads and a large purple gem on the bottom of the spider heads for the pommel.

Min-Ji Geomijui: You too, Lincoln, it's been a long time.

Lincoln went up to Min-Ji Geomijui and they hugged, and Min-Ji Geomijui was were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you since you were sixteen, and as you can see, I really grew a lot since then.

Min-Ji Geomijui: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new.

Nico: Whoa, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Min-Ji Geomijui, she's my Guardian Angel from South Korea and my classmate in English, but she's also an amazing fashion designer. She even designed beautiful dresses including wedding dresses for the girls in my harem that in addition to matching their favorite colors and decorations, they also adapt to the Super Angel transformations.

Min-Ji Geomijui showed the amazing wedding dresses and beautiful dresses for the girls in Lincoln's harem.

Nico: Whoa.

Me: Those are really awesome.

Lincoln: Her skills in fashion designing is really amazing, and her last name, Geomijui, means Web Spider in Korean. Min-Ji and I also made beautiful clothes for my kids as well, and I also made Min-Ji a beautiful purple spider-web style bikini. To show thanks, Min-Ji kissed me on the lips. But, she's also a deadly martial arts expert, and she's the cousin of Juri Han.

Nicole: (Gasps) Of course, the spider motifs and deadly martial arts skills were a dead giveaway.

Juri Han: That's right, and it's so good to see you again, Min-Ji.

Min-Ji Geomijui: You too, Juri, and I'm so glad Lincoln got rid of your evil dark side.

Lincoln: Her dark side was the result of Shadaloo murdering her parents long ago and stealing her eye, Min-Ji, and there's also something else, guys, Min-Ji hates Luan with a burning passion, and it stems from a little incident from long ago.

Nico: Uh oh.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Min-Ji Geomijui's neck with purple gems on the gold thunderbolt links and purple crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Choker of Eternal Love appeared on her neck.

Min-Ji Geomijui: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means just like your cousin, you're part of my harem and one of my many future wives, Min-Ji.

Min-Ji Geomijui had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Min-Ji Geomijui's waist and Min-Ji Geomijui wrapped her arms around Lincoln's thick muscular neck, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the seven girls, and when Lincoln saw them, he recognized them immediately. The seven girls are Amy and Jill from My Pet Monster, Maddie Stone and Polly from Blazing Team: Masters of Yo-Kwon-Do, Princess Gwendolyn from the Gawayn cartoon, Zoe Parker from The New Adventures Of Lassie, and Emina Hanaharu from the Final Fantasy series.

Maddie Stone: Yes, we're okay, thanks to you.

Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you both.

Then, Lincoln made six clones of himself, and he and the six clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Amy (My Pet Monster): (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, seven Thunderbird Necklaces of Eternal Love appeared on the necks of Amy, Jill, Maddie Stone, Polly, Princess Gwendolyn, Zoe Parker, and Emina Hanaharu with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned home to the World Tree Estate, and they were shocked when they found out the villains we went after were Max, Derek Powers, and his vampire biker gang.

But, when Lincoln showed what he did to those vampire douchebags, everyone went up to us and they hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Min-Ji Geomijui have a lot of catching up to do, now that she's back in town.

Maria: And it's going to be awesome having Sam, Michael, Edgar, and Allen on the team, those guys know a lot about dealing with evil vampires.

Lincoln: They sure do.

Me: And when they heard about what we've done in dealing with a lot of evil vampires, they wanted to meet us.

Nico: And it came at the right time when those undead douchebags, Max, Derek Powers, and his vampire biker gang came out and were causing trouble.

William: But, now we're rid of them for good.

Eli: You said it.

---

After dealing with Max, David Powers, and his vampire biker gang, we were training intensely in the gym, this time, doing 900,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Min-Ji Geomijui saw Lincoln working out like crazy, even doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Min-Ji Geomijui: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Min-Ji, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Min-Ji Geomijui: That's incredible.

Nico: It sure is. So, Min-Ji, what's the story on why you hate Luan with a burning passion?

Min-Ji Geomijui: You're not going to like this. One day, Lincoln and I were doing some designs on some dresses I was creating, but then, a paint bomb came out of nowhere and it exploded and it got paint not only on us, but also on the dresses. And when I heard maniacal laughter in the air, there's only one person who'd do this: Luan. I was already so mad at Luan, I went down to her room and I dragged her by her ponytail straight to her parents and made her confess. When she was done, Mr. and Mrs. Loud grounded her for seven weeks and Lincoln put a curse on her belongings again, and she was forced to go sleep in the living room or Luna was going to break her eardrums.

We cheered wildly for what Min-Ji did to Luan.

Nico: I can't believe Luan would do this, but it's because of Dark Luan that this happened.

Me: She was completely sick and insane doing lethal pranks for a laugh, but the paint bomb thing, that's going too far.

We got a shower afterwards, but then, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was Florianne de Chalons from the Dragon Age series, and she's causing havoc.

Merrill: (Gasps) It's Florianne de Chalons.

Bethany Hawke: That rogue member of The Inquisition?!

Josephine Montilyet: I should've known she wouldn't stay gone for much longer.

Leliana: That fiend!

Tallis: If she's out to cause havoc again, she's going to pay for this.

Lincoln: And she will, Tallis. She's nothing more than a treacherous outcast, and if we leave her be, who knows what kind of harm she'll do onto others. Come on, gang, Florianne de Chalons' day of judgement has arrived, and we shall be the ones to administer her punishment.

We flew out of the World Tree Estate, and Lincoln fired powerful rainbow energy balls and elemental blasts at the treacherous outcast, and when she saw us, she was furious.

Florianne de Chalons: How dare you all get in my way, Team Loud Phoenix Storm?! I will destroy this entire world!

Lincoln: Forget it, Florianne, your treacherous ways have finally caught up to you, and now, you will be punished for the crimes you've committed against mankind.

Merrill: Especially since you'd also sided with that evil darkspawn, Corypheus.

Suddenly, Merrill's gold eyes turn neon gold and she was surrounded by a white and gold energy aura with magic, elemental forces, stars, and elves, and as she approached Florianne de Chalons, she left white and gold energy, magic, elemental forces, stars, and elves with every step.

Merrill: Florianne de Chalons, I will never forgive you for the crimes that you've committed against the people of Orlais, and the same goes for your accursed family, and now, I will administer your punishment for everything you've done: death.

Suddenly, Merrill was surrounded by a massive vortex of white and gold energy with magic and elemental forces surrounding it, there's an elf flying around the vortex, and in the vortex is a gold phoenix. Then, as the vortex faded, Merrill emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Merrill grew to 7'1" in height, she has the body of a goddess, she has gold highlights in the bangs of her short neck-length black hair, she has neon gold eyes and a white and gold energy aura with magic, elemental forces, stars, and elves surrounding her, she has an elven mage emblazoned on her forehead and she still has the Dalish facial tattoos on her face, she has on elf earrings with gold gems for eyes and holding the Magic and Eternity Kanjis in its hands, she also has a Dalish elven mage with gold gems for eyes and the Magic and Eternity Kanjis in its hands for the second pendant on the bottom of her white elf-shaped Element of Harmony, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with white crystal links from her merged Crystal Necklace of the Buddha and gold gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Merrill has on her white and gold-colored outfit from Dragon Age IV, and long sleeveless white trenchcoat with magic, elemental forces, and elves on the coattails, and on the back is an elven mage with magic surrounding it. Suddenly, Merrill felt a sharp pain on her back, and then, massive black angel wings with white and gold tips grew and sprouted out from her back. Merrill has on a Ring of The Phoenix with green gem and heart shaped gem embedded in it on her right ring finger and Star Sapphire ring on her left ring finger.

Merrill had a new staff in her hand called Nevarra's Elven Mage's Staff of Magical Justice, it's a brand-new large Mage's Staff measuring at 8'1" in length with a large sapphire blue orb mounted on top of four golden raven heads with blue gems for eyes and below it is a large sapphire blue gem with a gold ring surrounding it and a dragon coiled around one end of the brown shaft and on the other end is a blue gem and below it are four smaller gold raven heads with blue gems for eyes and below the heads is a brown crescent weight and a sapphire blue gem below it, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with blue gems on her wrists, new large gold Belt of Elemental Bravery with a gold elf head with sapphire blue gems for eyes and a large sapphire blue gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a blue kanji below the elven mage that said, "Merrill, Dalish Elven Mage of Nevarra, First To The Keeper Of The Sabrae Clan, Friend of Many Brave Warriors, Loving Future Wife of Lincoln Loud, Destroyer of Florianne de Chalons and The de Chalons Family and Many Enemies, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Magic, Elven Mages, and Elemental Forces"

メリル、ネヴァラのダリッシュ エルフ魔道士、最初はサブラエ一族の守護者、多くの勇敢な戦士の友人、リンカーン ラウドの未来の妻

Merrill has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY MAGICAL ELEMENTAL ELVEN MAGE ANGEL OF DIVINE ELEMENTAL MAGICAL JUSTICE AND DIVINE ELVEN MAGE LOVE!

We were amazed by Merrill's Super Angel Xelnaga Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Florianne de Chalons saw it, the treacherous outcast fell into a rage and tried to kill her, but Merrill fired a powerful blast of energy from her new mage's staff, and it sent the treacherous former aristocrat flying into a wall, but she wasn't out yet.

Nico: Whoa, Merrill's transformed.

Me: This is going to be one awesome battle.

Lincoln: And one that'll also spell the end of Florianne de Chalons for good, and Merrill, you look beautiful, how do you feel?

Merrill: (Divine Echoing Cosmic Voice of The Elemental Magic Elven Mage and Divine Elven Mage Love) I feel incredible, Lincoln. Now, shall we deal with this treacherous outcast for good?

Lincoln: (Smiles) With pleasure, Merrill.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Merrill.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of

Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Time for you to pay for everything you and your accursed family have done, Florianne de Chalons.

Merrill and Lincoln went after Florianne de Chalons, and they fired extremely powerful blasts of rainbow energy, white and gold energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, and Elves at Florianne de Chalons, and they exploded with incredible power as they hit her. Then, Lincoln attacked her with his massive greatsword and Merrill blasted her with her mage's staff, and they also casted powerful spells on Florianne de Chalons, and she was attacked with the elemental forces. Then, they fired very powerful energy beams at Florianne de Chalons, and they exploded with incredible power, killing her and condemning her to The Black Gates forever. We cheered wildly for what Merrill and Lincoln did to Florianne de Chalons as they holstered their weapons and powered down, and Merrill's new body, clothes, weapons, jewelry, and massive black angel wings are permanent.

Merrill: Your days of causing havoc are finally done, Florianne de Chalons, and thank you for helping me destroy that treacherous noblewoman, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Merrill.

Suddenly, Merrill wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Merrill's face, they kissed passionately as Merrill's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and magical forces behind them and we all cheered wildly. Then, Lincoln and Merrill came back to us.

Nico: Awesome work, guys, that'll teach that treacherous noblewoman.

Lincoln: She's caused enough trouble to so many innocent people for the last time.

Nicole: You got that right, Lincoln. Despite House Chalons being one of Orlais' most powerful noble houses, it still doesn't excuse the treachery of Florianne de Chalons, and her crimes will no doubt stain the Chalons family for the rest of their days.

Me: It won't be long before they come for their heads.

Nico: And it'll lead to the fall of one of Orlais' most powerful noble houses.

Lincoln: There's always something that leads to the downfall of a powerful noble house, whether it be charges of treason or witchcraft, along with political infighting and intrigue poisoning the noble house, those sorts of things will lead to the downfall of a powerful noble house.

Jessie Knudson: And it's played out in some noble houses and families throughout history, and it's really bad.

We returned home to The World Tree Estate, and we'd finally gotten rid of the treacherous Florianne de Chalons and made her pay for her treacherous misdeeds.

* * *

We were watching TV and Laney was still upset about what she did.

Crono: Feel better, Laney?

Laney: No I'm still upset.

Me: Hmm. Time for some comedy. OH THREE STOOGES!

The Three Stooges came in.

Three Stooges: (In Acapella) HELLO! HELLO! HELLO!

Moe: Boy Laney must be really upset.

Me: Yeah she is. She snapped at the Vengeance Express kids when they came after the Eds again.

Nico: Those kids are nothing but trouble.

Me: Yeah. Lets cheer her up.

BOOF BONK SLAP!

I hit Larry in the stomach, on his head and slapped him.

Larry Fine: I'll gouge your eyes out!

I ducked and he poked Moe in his eyes!

Moe: OH! Why you Nitwit!

BONK BOOF TWIST HONK!

Moe hit him in the head and on the stomach and twisted his ears and honked his nose.

We laughed.

Somnambula: (hears a knock on the door) (Egyptian Accent) Now what? (answers it) Whatever you're selling, come back later! Our friend is upset!

In came 2 people in futuristic outfits.

Valerian: Sorry to bother you like this.

Me: Whoa no way!

Nico: Is that Valerian!? THE Valerian from the book Valerian And

The City of A Thousand Planets!?

Valerian: It sure is. And it's an honor to meet you all Team Loud Phoenix Storm.

Laureline: (British Accent) And it's an honor to meet you all.

Lola: Wow! I love reading Valerian and The City of A Thousand Planets!

Nico: That's one of my favorites! But it's awesome to have you both here.

We got to talking.

Me: It's awesome having you both here with us.

Valerian: It sure is an honor.

Varie: What year are you guys both from?

Valerian: I'm from the year 2740.

All of us: WOW!

Me: That's 718 years into the future.

Laureline: And I come from the year 912 A.D.

Me: Wow! That was 1110 years ago.

Laney: Yeah that's amazing!

Nico: Back in 10th Century A.D.

Me: Yeah.

Thundercracker: It's an honor to meet you two.

Valerian: Same here to you all.

Qin: I love that book Valerian and The City of A Thousand Planets. That's one of my favorites.

Me: We'll have to have a big mission there to check it out someday.

Nico: That's a good idea.

Me: We are actually no strangers to time travel ourselves. We've been thousands of years to millions of years both into the past and the future ourselves.

Laureline: It's a really amazing experience.

Me: It always is.

Laney: Laureline how did you meet Valerian?

Laureline: It's a great story.

Valerian: I saved her from being executed back in 912 A.D.

Me: Why? What did she do?

Laureline: I was about to be killed for theft.

We gasped.

Me: That's right. Back in those days any small offense was considered worthy of capital punishment.

Thundercracker: That is crazy.

Silverbolt: Even we don't consider capital punishment over every small offense.

Nico: Nope.

Me: Yeah but that was back in those days back over 1,000 years ago. Now here in the 21st century any small offense like that is community service.

Qin: Yeah. Thank goodness we don't do that anymore.

Camie: Yeah no kidding. Those days back then were dark.

Himiko: Very dark and crazy.

Lola: Yeah.

Valerian: Thank goodness.

Laureline: Thank goodness for that too.

Laney: But it's awesome to have you all with us. Guys I'm sorry I was so upset like that.

Me: It's all right Laney. You snapped from what the Vengeance Express did.

Girl Jordan: Yeah it was good you smashed them into dust.

Qin: Yeah. But it'll be all right.

Indigo Zap: Time for the next mission.

Nico: Yep. And you guys are all going to love it. We're going to meet Otis and his friends from the awesome 2006 movie Barnyard.

We were excited for that one!

Liam: YEEHAW! We're going to have a lot of fun on that one!

Applejack: YEEHAW! This one is gonna be fun!

Nico: It sure is.

Me: I love the movie Barnyard! So awesome!

Then Speed Demon, Deker, Abis Mal, Nergal, Motor Ed, Mojo Jojo, Po Kong, Radioactive Man, Gizmo, Femme Fatale, May Kanker, Cuppa Joe, Quicksand, Owl (Stellaluna), Grand Duke's Owls, Millipede Pete, Mudslide, Kaa, Boxcars, and Star Creature appeared.

Speed Demon: Can me, Deker, Abis Mal, Nergal, Motor Ed, Mojo Jojo, Po Kong, Radioactive Man, Gizmo, and Femme Fatale go with you guys?

May Kanker: Me, Cuppa Joe, Quicksand, Owl (Stellaluna), Grand Duke's Owls, Millipede Pete, Mudslide, Kaa, Boxcars, and Star

Creature will come as well.

Nico: You all sure can. First we're going to watch the movie Barnyard.

Cuppa Joe: Oh awesome! I love that movie!

Mudslide: Me too!

Nico: Yep.

We got to watching the movie.

---

Otis is a mischievous, carefree Holstein cow who lives on a farm where, unbeknownst to humans, the animals are anthropomorphic. He prefers having fun with his best friends - Pip the mouse, Freddy the ferret, Peck the rooster, and Pig the pig - rather than following strict rules and accepting responsibility. This annoys his stern and uptight adoptive father Ben, the leader of the farm's community. After Otis interrupts a routine morning roll call and meeting with his usual antics, Ben warns Otis that he will never find true happiness unless he acts more responsibly and maturely. That same day, Otis meets a widowed pregnant cow named Daisy, who has moved to the farm with her friend Bessy.

That night, after the farmer goes to bed, the animals throw a wild party in the barn, but Ben guards the fence line. Otis is assigned a shift along with Ben, but Otis cleverly talks himself out of that work. Before he leaves, Ben tells him that, the night he found Otis as a calf, the stars appeared to dance, and he took it as a sign that the barnyard was meant to be Otis's home. Soon after, Ben fights a pack of evil coyotes who threaten to raid the farm's chicken coop until he is bitten on the leg by their leader Dag. The coyotes pile on Ben, who grabs Dag's leg and uses him to overpower his followers. He threatens to punch Dag but lets him go, scaring the coyotes away in defeat. Ben then falls to the ground, exhausted and fatally injured. Otis is alerted and runs outside to his father, who soon dies from his injuries. Early the next morning, the farmer buries Ben's body; and after he leaves, the other animals gather at Ben's grave marker except for Otis, who sits alone at his father's post.

The farm's community elects Otis as their new leader, who shirks his duties by leaving Freddy and Peck in charge of the coop. With the help of three trouble-making Jersey cows, he teaches a lesson to a mean-spirited youngster nicknamed "Snotty Boy" for his cow tipping, then eludes the police. Later that night, Otis shares a romantic moment with Daisy, who reveals that she and Bessy are the only surviving members of their herd after a flood. Otis comforts her but witnesses the coyotes chasing a rabbit, and he leaves to seek revenge on them. After engaging them to no avail, Dag recognizes Otis as Ben's son, taunting him with how he let his father die by letting him face the coyote pack alone while he was having fun with his friends. Taking advantage of Otis' lack of strength, Dag proposes a deal: he and his pack will take some of the farm's animals at random times, and if Otis tries to intervene, the coyotes will openly kill them all. Realizing his chances for victory are slim, Otis ultimately decides to leave the farm.

The next morning, before leaving, Otis is informed that the coyotes have kidnapped the hens, including Maddy, a chick who looks up to him. Otis, who did not expect the coyotes to arrive until nightfall, sets out to the coyotes' junkyard den to confront them and gains the upper hand until Dag bites his leg. Pip, Pig, Freddy, Peck, Ben's old mule friend Miles, a colony of gophers who live near the farm, and the Jersey Cows arrive to help him. Dag tries to attack Otis from behind, but he is alerted when Peck, who has struggled with his crow throughout the film, successfully crows a warning. Otis thwarts Dag's attack and threatens to punch him like Ben did but instead warns him to never return to the farm before sending him flying out of the junkyard.

On their way home, Pip informs Otis that Daisy went into labor after he left. The animals then steal a biker gang's motorcycles from a diner and return to the barnyard in time to welcome Daisy's calf, whom she names "Li'l Ben". Otis takes full responsibility as the new leader of the farm community as he watches the stars in the night sky take the form of himself, Daisy, and Li'l Ben dancing.

In a mid-credits scene, Mrs. Beady, a neighbor who correctly suspects that the animals are anthropomorphic, is getting ready for bed. She is frightened to find that Wild Mike, an animal of unknown species, is hiding in her hair while looking in her mirror.

---

We were laughing hysterically at how Eugene was tipped and it was so funny!

When it was done we cheered wildly!

Nico: (LAUGHS) That is awesome!

Camie: I love that movie!

Quicksand: Great movie!

Varie: It sure is.

Napalm Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: This is gonna be an awesome one. We're going to meet one for Helios Trice Megistus.

Qin: Wow! The powerful sun monster.

Me: Yep. And the Sun is a powerful force.

Laney: Yeah it sure is.

Qin: Yeah the Sun is cool.

Nico: And this is the last of the Alchemy Beast monsters too.

Me: Awesome.

Nico: And you guys are going to like this. Our target as we saw in the movie is the ruthless Coyote, Dag.

Me: I can't believe he is that dangerous. But his fur pelt will be perfect for my wall.

Camie: Yeah!

Laney: What can you tell us about him?

Me: He's a ruthless predator. One that Nick Wilde would hate.

I went over his history.

---

Dag is the main antagonist of Nickelodeon's 16th feature film Barnyard. He is a sadistic coyote who serves as Otis' arch-nemesis, the murderer of his adoptive father Ben, and the coyotes' leader and boss.

He was voiced by David Koechner, who also played Todd Packer in The Office and Chet in Piranha 3DD.

Dag and his gang have had previous encounters with the Barnyard animals, most likely attempts on the hens but were stopped by the Barnyard's leader Ben, whom Dag greatly feared.

Dag and five of his gang break into the henhouse and nearly steal a few of the hens, only to be stopped by Ben. Dag was instantly scared the moment he saw Ben, but quickly changes his attitude to hide his fear. Dag points out how he and his coyotes outnumber Ben, but Ben is unfazed and challenges the coyotes. While Ben initially has the upper hand in the beginning, Dag sneaks up behind him and bites Ben's neck. As the fight continues outside, Dag sneaks behind Ben while he was distracted with the other coyotes and bites his leg. Ben collapses and the other coyotes pounced on him. Dag attempts to sneak off with some hens, but Ben grabs his leg, uses him to beat up the other coyotes and comes out victorious. Ben also spares Dag, who cowardly runs off. Despite saving the hens, Ben is heavily injured from his fight and collapses in front of the henhouse. When Ben's adoptive son Otis finds him, he holds Ben in his arms to comfort him, but Ben succumbs to his injuries after his fight as he passed away in Otis' arms.

Later, Otis tries to take vengeance on Dag, but he loses his burst of courage as soon as the coyote notices him. Dag sadistically shames Otis by telling him that things would have been different if he was there for Ben. He then makes a "deal" with Otis, telling him that he will only steal a few animals each night starting with the next, but if Otis tries to do anything about it, Dag and his pack will slaughter every animal in sight. Otis decides to leave the barnyard in the morning, realizing that he has no choice.

However, the next morning, Otis is informed that the coyotes have just taken almost all of the hens, including the leader Etta and her chick Maddy, making Otis realize that Dag had double-crossed him, since Dag mentioned that he and his pack would only steal a few animals and he was not expecting them until nightfall. Otis then heads off to the junkyard to rescue the hens.

Otis arrives at the junkyard just in time to prevent Dag from devouring Maddy, but Dag's goons easily overpower him. Dag sneaks around Otis and bites his leg, just as he had done to Ben, and the rest of the pack pounce on him. Dag mocks Otis and joins the rest of the pack as they prepare to eat the hens. Fortunately, Miles the mule, Pip the mouse, Freddy the ferret, Peck the rooster, Pig the pig, and the Jersey Cows arrive to help Otis and Dag's goons are easily defeated.

Eventually, Dag tries a sneak attack on Otis similarly to how he overpowered Ben, but Otis is warned by Peck, who successfully makes a loud crow. Otis catches Dag by the throat, hit his head against a bus window, and threatens to punch him to death in a fit of rage like his father did; but instead, Otis furiously warns the evil coyote to never come back, and he fearfully agrees, making Dag scared enough to believe Otis will kill him the next time he sees him. Otis then whacks Dag with a golf club, sending him flying far, far out into the distance while howling in pain, finally ending his and the coyote packs' menace to the barn once and for all, and avenging Ben and the rest of the hens that Dag and his coyote packs had killed previously.

Even though it is most likely that he survived, it is unknown what happened to Dag afterwards. It is possible that he and the other coyotes still live in the junkyard and presumably found new hunting grounds. Either way, it's possible that they never bothered Otis and the farm animals again after their defeat, too afraid to face Otis and his friends again.

---

When I was done everyone was shocked!

Nico: He's like a coyote version of Shaw!

Qin: Geez!

Me: Yeah and Coyotes have been a major problem to all farms everywhere. No offense to Tech and Wile E.

Tech E. Coyote: None Taken.

Wile E. Coyote held up a sign that said none taken.

Deker: Snotty Boy's getting off easy with a scare.

Quicksand: Dag? Not so much!

Me: You guys got that right. But that always cracks me up every time the cows tipped him.

Me, Lincoln and Nico: THAT'S CALLED BOY TIPPING! HAAA HAAA HAA!

We laughed hysterically at that one!

Nico: (LAUGHS) That is always so funny!

Camie: (LAUGHS) SO TRUE! (LAUGHS)

Mudslide: (LAUGHS) I never get tired of that!

Lemon Zest: Let's say that to him when we see him.

Me: Good idea L.Z. Lets put on some illusion disguises for that.

Nico: Yep. Ready to head out guys?

We were ready!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who

the figure was: the figure was none other than Anubias, and he was heading towards us. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Anubias on the move?

Lincoln: You guessed it, Nico, but he's heading here on his own, since he still harbored hatred for Barodius, and he also despises Dustin Keystone as well.

Dan Kuso: That's right, and if you and Cora play things right, he'll join The Masters of Evil, but he and Horridian aren't going down without a fight.

Cora Yenningway: That's alright with us.

Lincoln: And there's no need for my curse.

Nico: Oh man, she's going to summon Earthbound Immortal Qhoa, in the same way Mia Addison summoned Ccapac Apu, when you guys faced Gill and Krakix, now that's going to be one awesome fight we're looking forward to seeing. Alright, gang, let's go, it's time to meet Otis and his friends.

Lincoln: And put a stop to that carnivore, Dag the Coyote, and once we get done with that evil and carnivorous animal, you're next, Anubias.

With that we were off.

---

We arrived in Oedeville, Arizona.

Me: Here we are.

Nico: Wow and in Arizona. Nice.

Grand Duke Owl Minion 1: There's the farmer.

Nergal: Let's let him pass before we keep going.

We let him go.

We then went to the farm.

Me: Nice place.

Qin: Yeah.

Me: It sure is.

I looked to the left and saw the junkyard. It was 1,000 yards away from the farm.

Me: At least we know where the Junkyard is.

Qin: Yep.

We then saw Otis and his friends.

Otis: (MOOS)

Me: Otis you can drop the act. We know you are special.

Otis: Sorry but wow Team Loud Phoenix Storm it's an awesome honor.

Nico: Same here Otis. And it's awesome to meet you as well.

Centaur Man: No offence to you and the other cows. But Centaurs are more superior.

Nico: All creatures great and small are equal.

Lola: Yeah.

Otis: I'm glad you think so.

Lola: Yeah.

Mojo: Are all your friends here?

Kaa: Please tell me your dad'sss sssstill alive!

Otis: No Ben isn't alive but everyone is here. Hey everyone come out!

Everyone came out.

Daisy: Awesome to meet you all.

Miles: It's an honor to meet you too.

Pig: Yeah it is an honor.

Nico: Same here.

Brawl: On that topic, Otis, we really are sorry.

Otis: It's all right. But thank you.

Me: You're welcome. Dag and his Coyotes are going to pay for everything they did.

Qin: Yeah they sure will.

Camie: And it won't be pretty.

Danica Metrois: That you can count on.

Tsuyu: We're going to skin them alive.

Sirius: And turn them into fur pelts.

Boxcars: The farmer left a few minutes ago.

Radioactive Man: But we have to keep him distracted.

Nico: Agreed.

Qin: As long as he doesn't suspect anything we'll be alright.

Eli: Yeah. Also we're going to scare that Snotty Boy kid to death.

Itasis: No sign of him yet though

Me: But we'll keep our eyes open.

Xenia: Yeah.

Vinyl Scratch: We're not going to let those coyotes get away with this though.

Otis: No we sure won't.

Laney: I see someone.

We saw the Snotty Kid.

Me: It's the Snotty Kid.

We got ready.

Snotty Kid saw Otis and went up to him slowly and then just as he was about to tip him, "Otis" TRANSFORMED INTO A HORRIFYING AND FEROCIOUSLY GOREY AND GRUESOME TOWERING MONSTROSITY! IT WAS A FUSION OF ALL THE SCARY CREATURES AND HORRIFYING MONSTERS FROM THE THING AND EVEN THOSE NEVER SEEN BEFORE!

(FEROCIOUSLY SCARY AND HORRIFYING ROARS)

The creature roared ferociously and scared the living shit out of him! LITERALLY! He turned white as a ghost and wet his pants and crapped them 10 times! He then fell to the ground and looked up and saw us!

Star Creature: NOW THAT'S CALLED BOY TIPPING!

Maria: HA HA HA!

Femme Fetale: Since we're in a good mood right now, you get a one minute head start.

Snotty Kid screamed and ran in fright and he was really scared!

Nico: YEAH YOU BETTER RUN!

We cheered wildly!

Nico: That was awesome!

Yakumo: That was an awesome illusion!

Me: Yeah it was! Good job Yakumo.

Otis: Oh man! Where were you guys when we scared him a few nights ago?!

Kickback: We didn't meet you guys yet.

Me: Yeah we didn't meet you back then.

Otis: Oh. But that scare was so AWESOME!

Nico: What a jerk.

Qin: Yeah.

Kate Lloyd: But that was clever using the Thing to scare him.

Me: That was awesome though. I thought it was cool.

Mudslide: His parents aren't gonna believe him.

Gizmo: So, Otis and his friends are safe.

Me: For now. But I have another awesome illusion planned should he ever try this again.

Nico: What is it?

Me: You won't like it. But lets just say it's something the Kankers did to the Ed's a long time ago.

Nico: Oh boy.

Xenia: Uh oh.

Camie: Whoa.

Ed hugged Peck.

Ed: CHICKEN!

Veon: I knew this would happen!

Ed: HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN!

Otis: Ed really loves chickens huh?

Me: You have no idea Otis. He LOVES them more than anything.

Qin: Yeah and he loves how cute they are too.

Millipede Pete: Don't worry, Peck. Ed won't seriously hurt you.

Po Kong: He's not like Dag.

Me: Yeah no kidding.

Qin: That's why we're going after him.

Camie: And we're going to make them pay.

Otis: (sadly) Dad told me to be more responsible. But I didn't listen.

Octane: It's not your fault, Otis.

Me: Besides you are doing your best at everything you can. You are not perfect. No one is.

Eli: Yeah, Team Loud Phoenix Storm is not perfect either.

Nico: It's true. We may have tremendous power and have done so much good but we are all still human and are not perfect.

Qin: Yeah.

Owl (Stellaluna): Sure, your dad might be gone.

Motor Ed: But the dude will Never be forgotten.

Nico: That's true. Sure you might miss him but he will always be with you as long as you remember everything that he taught you. You will never be apart.

Qin: Yeah.

Varie: That's true.

Xenia: I agree.

Otis: Thank you guys.

Maria: Now, let's go find that bloodthirsty animal.

Nico: Lets do it.

Me: The Junkyard is over there.

I pointed to it over 1,000 yards away.

Qin: Nice.

Laney: Time for some buttkicking.

Daisy: Otis, you better come back, you hear? (Pats her belly) For me and the baby!

Otis smiled.

Otis: I will be back. I promise.

Qin: Aww.

Me: Don't worry y'all. We're the most powerful force in the entire universe. No one is going to die on our watch.

Laney: Yeah.

Qin: Yeah you can count on that.

Nico: Yep. Lets saddle up y'all!

We were off!

We arrived at the Junkyard.

Nico: Here we are guys.

Kapri: Entrance time!

Nico: Lets do it.

We went into the junkyard.

Dag was infuriated! He was outsmarted every time by a cow! But then the spirits of the Defenders of Remnant appeared and they swirled around them and then they converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and then a phoenix cry was heard and we came out and landed.

Qin: Okay you dumb coyotes! It's time for you to be hunted!

Me: The hunters have become the hunted!

Dag: Hello, Otis. How's your daddy?

Otis: You don't get to talk about him!

Dag: Did I touch a nerve?

Abis Mal: Big time!

Cuppa Joe: Sic em, Wild Mike!

Wild Mike was unleashed and he smashed Dag all over the place.

Min-Ji Geomijui: That's incredible.

Nico: It sure is. So, Min-Ji, what's the story on why you hate Luan with a burning passion?

One day, Lincoln and I were doing some designs on some dresses I was creating, but then, a paint bomb came out of nowhere and it exploded and it got paint not only on us, but also on the dresses. And when I heard maniacal laughter in the air, there's only one person who'd do this: Luan. I was already so mad at Luan, I went down to her room and I dragged her by her ponytail straight to her parents and made her confess. When she was done, Mr. and Mrs. Loud grounded her for seven weeks and Lincoln put a curse on her belongings again, and she was forced to go sleep in the living room or Luna was going to break her eardrums.

We cheered wildly for what Min-Ji did to Luan.

Nico: I can't believe Luan would do this, but it's because of Dark Luan that this happened.

Me: She was completely sick and insane doing lethal pranks for a laugh, but the paint bomb thing, that's going too far.

Nico: Not unless they want their tails kicked! Awesome job, guys, but we're not done yet, there's still the matter of Anubias to deal with.

?: There's no need to bother coming after me, Nico Chan.

Dan Kuso: I knew there was no mistaking that voice from anywhere. You can come out now, Anubias.

A figure came out, and it was none other than Anubias.

Nico: Anubias, we were hoping we'd get a chance to meet.

Anubias: Yes, and I'd heard of Sellon joining The Masters of Evil months ago.

Lincoln: Yes, that's correct, she's the archenemy of my Guardian Angel, Abigail Davis, The Gene-Slammer of Elemental HERO Flare Neos, and like you, Sellon also despised Barodius for what he'd done, but he'll get his punishment, along with Dustin Keystone, and I know you're not going to join The Masters of Evil, at least not without a fight.

Anubias: That's correct, Lincoln Loud.

Cora Yenningway: Very well, if it's a fight you want, it's a fight you'll get.

Suddenly, Cora Yenningway's pink eyes turned neon pink and she was surrounded by a black and pink energy aura with pink fire, cats, and darkness, she unholstered her massive Earthbound Immortal Qhoa-themed sword from her back, and as she approached Anubias, she left black and pink energy, pink fire, cats, and darkness with every step.

Cora Yenningway: What happened to you and Sellon because of that monster, Barodius, was indeed a crime that can never be forgotten nor forgiven, Anubias. But, we're going to make sure that both he and that asshole, Dustin Keystone, both pay with their miserable lives.

Suddenly, Cora Yenningway was surrounded by a massive vortex of black and pink energy with pink fire and darkness surrounding it, there's Earthbound Immortal Qhoa flying around the vortex, and in the vortex is a pink phoenix. Then, as the vortex faded, Cora Yenningway emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Cora Yenningway grew from 6'5" to 7'1" in height, she has the body of a goddess, she has black highlights in the bangs of her long flowing pink hair, she has neon pink eyes and a black and pink energy aura with darkness, pink fire, and cats surrounding her, she has Earthbound Immortal Qhoa with the Dark Kanji in its paws emblazoned on her forehead, she has on cat earrings with pink gems for eyes and holding the Dark and Eternity Kanjis in its paws, she also has Earthbound Immortal Qhoa with pink gems for eyes and the Dark and Eternity Kanjis in its paws for the second pendant on the bottom of her pink cat-shaped Element of Harmony, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with pink crystal links from her merged Crystal Necklace of the Buddha and pink gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Cora Yenningway has on a pink sleeveless open blouse, pink sleeveless midriff top, pink frilly jewel encrusted skirt with the Cat Nazca Line on it, purple pants with white stars, pink sneakers, and long sleeveless white trenchcoat with darkness, cats, and pink fire on the coattails, and on the back is Earthbound Immortal Qhoa with darkness surrounding it. Suddenly, Cora Yenningway felt a sharp pain on her back, and then, her massive black angel wings with pink tips grew much bigger for her new body, and the feathers had the same pink markings as on Qhoa. Cora Yenningway has on a Ring of The Phoenix with pink gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger.

Suddenly, Cora Yenningway's massive Earthbound Immortal Qhoa-themed large sword and all the other swords she'd gotten began merging together and they were surrounded by a kaleidoscope of pink energy with darkness, pink fire, and cats, and when it emerged, it transformed into Earthbound Immortal Qhoa's Dark Cat

Greatsword of Pink Fire and Darkness Justice, it's a brand-new large greatsword with Earthbound Immortal Qhoa and the Cat Nazca Line etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight black cat heads for the crossguard, large pink gem embedded in the rainguard, longer midnight black handle, four large midnight black cat heads and a large pink gem below the cat heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with pink gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Earthbound Immortal Qhoa's head with pink gems for eyes and a large pink gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Cora Yenningway has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY DARKNESS PINK FIRE EARTHBOUND IMMORTAL CAT ANGEL OF DIVINE EARTHBOUND IMMORTAL DARK JUSTICE AND DIVINE PINK FIRESTORM LOVE!

We were amazed by Cora Yenningway's Super Angel Xelnaga Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Anubias saw it, he immediately summoned his Bakugan, Horridian, and then, pink flames appeared behind her, and then, Earthbound Immortal Qhoa, appeared from the flames.

Horridian: Don't think I'm that easy to take down in a fight.

Lincoln: That's exactly why you're facing Earthbound Immortal Qhoa, while we're facing Anubias.

Me: Linc, how come you didn't tell us they can also summon The Earthbound Immortals?

Lincoln: I honestly didn't know about that, J.D.

Nico: Lincoln's right, only The Dark Signers and our Twilight Signers can summon their Earthbound Immortals, but I think it's due to getting Gene-Slammed into The Earthbound Immortals by Team Rocket that also granted them this power.

Eli: That's true, but still pretty awesome.

Nico: It sure is, Eli.

Catty Yenningway: Now my sister's transformed so awesome, and the pink markings on her wings are like the same ones on Qhoa.

Me: That's right, Catty.

Lincoln: And she's also summoned Earthbound Immortal Qhoa into the field to help fight Horridian, and now, the true wrath of The Earthbound Immortals is about to be unleashed, and Cora, you look beautiful, how do you feel?

Cora Yenningway: (Divine Echoing Cosmic Voice of The Dark Cat Earthbound Immortal and Divine Pink Fire Justice) **I feel incredible, Linky, and now, shall we take down Anubias, while Earthbound Immortal Qhoa handles Horridian?**

Lincoln: (Smiles) With pleasure, Cora.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword

of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Cora Yenningway.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Time for us to show you what we're truly capable of, Anubias.**

Cora Yenningway and Lincoln went after Anubias, and they fired extremely powerful blasts of rainbow energy, pink energy, pink fire, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, and Cats at Anubias, and they exploded with incredible power as they hit him. Then, they attacked Anubias with their massive greatswords and they left some really nasty scars on him.

Meanwhile, Earthbound Immortal Qhoa went at Horridian, and it fired powerful blasts of darkness and pink fire at Horridian, and they exploded with incredible power as it hits him. Horridian fired blasts of darkness at Earthbound Immortal Qhoa, but it dodged it, and it fired one more powerful blast of dark energy at Horridian, and it exploded with incredible power, and it caused Horridian to change back into his ball form, as Anubias caught him.

Horridian: They've won fair and square, as expected.

Anubias: Yes, and as such, I'm a man of my word: I shall join The Masters of Evil. But, I want you all to promise me one thing: make sure Barodius never hurts anyone ever again.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of

Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smiles) **We will, you have our word.**

Lincoln beamed Anubias and Horridian to The Masters of Evil's HQ, where Vypra and the others were given the news: Anubias is now part of The Masters of Evil. We cheered wildly for what Cora Yenningway and Lincoln did as they holstered their massive greatswords on their backs and powered down, and Cora Yenningway's new body, clothes, weapons, jewelry, and massive black and pink angel wings are permanent.

Cora Yenningway: That's one villain recruited into The Masters of Evil and nine more to go before we finally kill Dustin Keystone and Barodius, and thanks for helping me take down Anubias, Linky.

Lincoln: (Smiles Warmly) You're welcome, Cora.

Suddenly, Cora Yenningway wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Cora Yenningway's face, they kissed passionately as Cora Yenningway's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Earthbound Immortal Qhoa flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and pink fire raging behind them and we all cheered wildly. Lincoln and Cora Yenningway absorbed the fires, and they came back, and Qhoa vanished.

Nico: Awesome job, Cora and Lincoln, you guys took down and convinced Anubias to join The Masters of Evil.

Lincoln: We just had to beat him and Horridian fair and square. Now, we're moving onto a bigger challenge: taking down and recruiting

Centorrior, Druman, Tayghen, and Hairadee into The Masters of Evil.

Elizabeth Herodias: The four Doom Beings who served Naga with fierce loyalty. They won't be easy to recruit into The Masters of Evil, and they still want revenge on Dan and his friends for ruining Naga's plans to rule the world and Vestroia.

Drago (Bakugan): That's correct, Elizabeth, but if you, Sydney, Grace, Camille, and Lincoln convince them through combat, and of course telling them of the fate that'll await them if news of their defeat reaches Barodius, then that'll convince them to defect to The Masters of Evil.

Nico: And in the future when we get after King Zenoheld and Naga, they'll be in for a nasty surprise.

Camille Xui: That's right, and of course, we still stick to the line-up Lincoln listed.

Eli: That's right. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: That's a good question, Eli, how about Gene-Slammers for Knightmare Cerberus, Knightmare Goblin, Knightmare Gryphon, Knightmare Mermaid, Knightmare Phoenix, and Knightmare Unicorn.

Nico: The Duel Monsters that are associated with the Mekk-Knight Duel Monsters?! Awesome!

Nicholette Torrington: And I know who'd be Gene-Slammed into these monsters: Morgana DeRose, Adara Dunstan, Autumn Melaina, Victoria Donovan, Raven Duncan, and Mara Ceirin, those five are friends of ours and they also happen to be masters of Darkness, The Dark Arts, and Witchcraft, and they're also among Lincoln's Guardian Angels.

Bertha Sellington: And we've seen their mastery of darkness and the dark arts for ourselves, along with their skills in witchcraft, and they, along with us have defended Lincoln from the wraths of Lori, Lynn, Lola, Lisa, Luan, Chandler and his goons, Scoots, Pablo, Anderson, Flip, and the other jerks in Michigan, and they also hated Damian Alaister and The Church of Necrom, and when we told them of all the horrible things they've done, they were horrified, and she outright called them monsters from the darkest depths of the nine circles of Hell.

Nico: Whoa.

Lincoln: Yep, and tomorrow, we're going to meet them on my rescue.

Me: And I hope they were celebrating over the deaths of Damian Alaister and The Church of Necrom and The Doomsday 23.

Giselle Harrington: Oh, they sure were, J.D., and let us tell you, those guys sure love to party, but not like that animal, Sergio.

Nico: Thank goodness.

Raven Branwen: And so ends Dag's reign.

Condiment King: His sins have ketchup to him.

2016 Morbucks: (laughs) Okay, that was funny!

Me: Okay that was a good one!

Professor XXXL: Now, let's get back to the farm!

Artie Ziff: That's right! Daisy's giving birth!

Nico: Lets go!

We went back to the barn.

We then saw that Daisy gave birth to a baby calf and she was adorable.

Qin: Oh she is so cute.

Camie: Aww so adorable.

Eli: Yeah.

Otis: (To the viewers) Being on the farm is fun and also it is going to be a fun adventure all the time with Team Loud Phoenix Storm too.

Me: It always is fun.

Nico: Yep. But great job everyone. Lets head home.

We went back home and enjoyed the rest of the day and went to sleep. The farm animals were all put under our protection.

THE END

Walking through the city through a street called Restaurant Row was Nico, The Ripping Friends, Piper Willowbrook, The Hernandez Sisters, Yost Magma, Rin Nohara, Woz, Bai Tza, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, The 1983 D&D Gang, Irina Krafla the Granity Gene-slammer, Kora Lexxington, Olivia Houou, Nataša Marečková, Nalanie Nanthavong The Vorash Gene-Slammer, Anna Anyanova the Destiny HERO Dark Angel Gene-slammer, Daring Do, Lizzie Strong the Great Blue Windrunner Gene-slammer, Emam Reynolds the Living Tsunami Gene-slammer, Wendy Sapphira, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Granity, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Hibiki Riders, Kabuto Riders, Den-O, Kiva, Decade, W, OOO, Fourze, Wizard Riders, Gaim Riders, Drive Riders, Ghost Riders, Ex-Aid Riders, Build Riders, Zi-O Riders, Zero-One Riders, Granity, Samurai Jack, Ashi and her sisters, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Sunny Starscout, Izzy Moonbow, Hitch Trailblazer, Pipp Petals, Zipp Storm, Rachel Stavenport, Carol Pusateri, Kia, Jenna, Lina, May, Maria, Danica Metrois, Kaalia of The Vast, me, Varie, Sakura Valencia, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Bridgette, Eli, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Spiderman, Kaina Tsutsumi, Nick Logan, Sh'Lainn Blaze, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Momo, Girl Jordan, Earth, Vinyl Scratch, Quickstrike (Beast Wars), Lincoln, Leni, Laney, Lana, Lola, Lisa and Lily and we got word of a restaurant that was making people sick as hell.

Nico: Boy look at all these restaurants. Are they new?

Me: Some of them we just built. They are some of the restaurants that Homer knows too.

We saw Homer guzzling chili at the Chili Blaster.

Qin: (LAUGHS) Homer sure likes to eat.

Nico: Yeah.

Piper Willowbrook: But this is always so cool that all these restaurants are lined up like this too.

Me: Yep.

Nico: Thanks for coming with me, Piper.

Piper Willowbrook: Anytime Nico. It's going to be so awesome helping you out on a rescue.

Nico: You'll have a lot of fun.

Me: We always do.

Qin: Yep.

Nico: Piper, I think it was touching that Zarya took care of you before the Mysticon business.

Piper Willowbrook: I agree too Nico. Zarya did a great job for me.

Zarya Moonwolf: I'm so glad you think that Piper and it is true. I did look out for you too.

Xenia: She sure did.

Nico: That is so awesome.

Me: They were best friends for as long as anyone can remember. And that was before they became the Mysticons and after and even before and after we killed Necrafa and their major enemies.

Qin: That is true and it's so awesome.

Camie: That is a powerful bond.

Nico: And you represent the Phoenix.

Me: Which is also our symbol too.

Piper Willowbrook: That is true and it's so awesome.

Camie: Yeah and it's so awesome that you guys defeated and destroyed all of the Mysticon's most dangerous enemies.

Me: I know. Many of them gave us one helluva challenge.

Eli: But the worst of them all was the Lich Queen, Queen Necrafa.

Me: That was a battle we'll never forget.

Twilight Sparkle: You're not kidding. I'm sorry I almost slept through that one.

Me: It's all right Twilight. You were just exhausted after organizing everything for the Grand Equestria Friendship Summit.

Nico: Yeah that wasn't your fault.

Twilight Sparkle: Thanks guys.

Nico: Now, a moment of silence for Otis' dad.

We took off our hats and put our hands on our chests and had a moment of silence for Otis's dad. He was a very good leader and now Otis is too.

When it was done we continued on.

Me: Otis's dad will never be forgotten.

Camie: Yeah. But those coyote pelts look awesome on your wall J.D.

Me: They sure do.

Fluttershy: I may not agree with it but it's a great and fitting end for

Dag.

Me: Yeah sorry about that Fluttershy but Dag and his gang are one group of coyotes that deserve to go.

Nico: And like we said, he was a Coyote version of Shaw.

Me: Yeah no kidding.

Xenia: That was a demon coyote.

Sakura Valencia: Yeah no kidding there.

Lola: And the funny thing is that Homer drooled at the thought of EATING coyotes for dinner.

We laughed.

Me: (LAUGHS) Yeah that was funny.

Camie: It sure was.

Nico: And we scared the shit out of Snotty Boy.

Me: Yeah that was funny!

Qin: His reaction was completely priceless. Lori even posted it all over social media.

Nico: Yeah he had it coming.

Sakura Valencia: That was so funny!

Camie: Yeah it sure was hilarious.

Danica Metrois: He had it coming for what he did to Otis and his friends.

Laney: He sure did.

We then saw someone puking.

Me: What the?

We went over to the man.

Me: Sir are you all right?

Man: (VOMITS)

Varie helped him out.

Man: That restaurant there made me sick! (PROJECTILE VOMITS)

All of us: EW!

He was really sick bad.

Nico: Sir what did you eat?

Man: (VOMITS) I ate a meal made with Chum.

We gasped!

Man: At that restaurant.

We saw that it was The Burger Volcano. It was a Hawaiian Burger and Chicken and Fish Sandwich Restaurant. Then numerous people were coming out and flooding the streets with vomit! YUCK!

Me: We better check this out.

Varie: I'll have the hospital come.

Nico: We're calling the Health Department!

Eli: I'm sensing a disgusting evil chef there.

Me: Lets go.

We went to the restaurant and checked it out and the place was as clean as a whistle but the food looked horrible.

We heard malevolent laughter coming from the kitchen and we saw that it was a chef that EVERYONE Hates because of his rotten temper! GUY GRAZER!

---

Guy Grazer is the minor antagonist in The Loud House who is a celebrity chef. He is the main antagonist of the episodes "Dine and Bash" and "Forks and Knives Out".

He appeared in "Present Tense" where there is a flier for some of his cooking lessons in "Flip's Food & Fuel" as a possible gift that the Loud children wanted to give to Lynn Loud Sr. They changed their mind when Luan Loud showed him footage from his TV show yelling at the female chef student about her sauce being weak and called her weak which caused her to burst into tears.

---

Me: Guy Grazer?

Nico: I've heard of him. He has a really nasty and rotten temper and a mean disposition.

Qin: This guy has one big time rotten attitude.

Guy Grazer: I will make everyone pay for their crimes against me. If I can't have a restaurant here then no one can! (LAUGHS DERANGEDLY)

He was going to poison people all over the city and make all restaurants look bad by poisoning everyone with chum!

Nico: Not on our watch, motherfucker.

Me: I'll evacuate the customers. This is gonna be ugly.

Nico: Okay.

I got everyone out and then Guy came out and he saw us.

Me: Guy Grazer you're under arrest!

Guy Grazer: YOU! YOU MOTHERFUCKER! YOU RUINED EVERYTHING FOR ME!

Me: You had it coming you douchebag dickhead!

Nico: How does he know you J.D.?

Me: I put him out of business and shut down his restaurant for his rotten temper and he wasn't even paying his customers anything. He violated many health code and labor regulations and he was worse than Mr. Krabs.

Qin: WHOA! When was this?

Me: Before we became Team Loud Phoenix Storm.

Nico: Oh.

Me: Now he is going to jail!

Albedo turned into Negative Gutrot.

Negative Gutrot: Time to get gassy!

Me: KIBAL LETS HOWL!

I turned into WOLF MOON 🌙!

Me: You make me sick Guy! You give all chefs everywhere a REALLY BAD Name! (ACTIVATES ZEN-AKU'S RIDEWATCH)

I got his flute.

(RUNNING WITH THE WOLVES BY AURORA PLAYS)

Me: (SINGING DIVINELY AS WOLVES OF BLUE FIRE SWIRLED AROUND ME)

Go row the boat to safer grounds

But don't you know we're stronger now

My heart still beats and my skin still feels

My lungs still breathe, my mind still fears
But we're running out of time
Oh, all the echoes in my mind cry
There's blood on your lies
The sky's open wide
There is nowhere for you to hide
The hunter's moon is shining
I'm running with the wolves tonight
I'm running with the wolves
I'm running with the wolves tonight
I'm running with the wolves
I'm running with the
Trick or treat, what would it be?
I walk alone, I'm everything
My ears can hear and my mouth can speak
My spirit talks, I know my soul believes
But we're running out of time
Oh, all the echoes in my mind cry
There's blood on your lies
The sky's open wide
There is nowhere for you to hide
The hunter's moon is shining

I'm running with the wolves tonight

I'm running with the wolves

A gift, curse

They track and hurt

I floated and fired waves of blue fire and sent a wolf pack at him and smashed him down.

Nico: YEAH!

Guy threw a bunch of eggs at us and I fired a wave of fire and made them hard boiled and ate them.

GULP!

Me: (BURPS) Ahh.

Kaito: (gets out Drive gear) You give chefs a bad name.

Zocks: (gets out Ghost gear) Including Mr. Lynn!

Guy Gardner: Well maybe because HE'S A BIG FAT FUCKING CRYBABY FUCKUP CHEF! (TAUNTING LAUGH)

POW!

I punched him in the face and broke his nose!

Me: You motherfucking son of a fucking bitch! HOW DARE YOU!?

Everyone gasped!

Guy Gardner: YOU SON OF A BITCH! YOU BROKE MY NOSE!

Me: I'm going to break more than that! You can insult people. But NO ONE INSULTS MR. LYNN'S COOKING AND HE IS A MUCH BETTER CHEF THAN YOU EVER WILL BE! If I ever hear you insult him again I'm going TO FUCKING KILL YOU!

Lincoln: YOU TELL HIM J.D.!

Nico: YEAH!

Kaito got a Drive Blaster and Zocks got a Ghost Sword!

Qin: Yeah!

Sougo: (gets out Hibiki Ridewatch) No one insults Mr. Lynn like that!

Armor Time! (Orchestral music mixed with Onkaku ringing) Hibiki!

Geiz: (gets out Gatack Ridewatch) Especially when Rita's around!

Armor Time! (Electronic beat mixed with Rider Form transformation noises) Stag Beetle! Gatack!

Sougo got HibikiArmor while Geiz got GatackArmor.

Rita: YOU INSULT MY HUSBAND AND YOU INSULT ME!

She jumped him and smashed him all over with brutal force and smashed him all over.

We pulled her off.

Me: Ms. Rita let us handle it.

Rita: Sorry.

Maria fired a blast of water.

Guy got drenched.

Lola and Laney fired blasts of fire and burned him.

Nico fired waves of leaves and cut him all over.

Me: You want to use chum huh? Lets see how you like EATING it!

I took some chum and force fed it to him and then he swallowed and then projectile vomited everywhere!

Qin: Take that!

Camie: Yeah!

Then the police came and Sheila and Tom came in and arrested Guy as he was throwing up.

Guy Grazer: YOU CAN'T DO THIS TO ME! I'M GUY GRAZER! THE GREAT CHEF!

Me: You are no longer a chef.

?: I agree there!

Out came the head and president of the Culinary Institute of America, Lawrence Timothy Ryan.

Me: This is Lawrence Timothy Ryan, President and C.E.O. of The Culinary Institute of America and great master chef.

Lawrence Timothy Ryan: I'm glad I came here when I did. Guy Grazer you are a disgrace to chefs everywhere. You are hereby stripped of your title as chef and you are forever banned from all restaurants everywhere and you are no longer fit to be a chef in any business. You are now looking at life in prison.

Me: That's for sure. You are just far too rotten tempered to be one. A good chef has to have a good heart and make his food with love and straight from his heart. You are filled with nothing but hatred.

Guy Grazer: LOVE IS FOR THE WEAK AND IT'S POWER THAT MAKES A CHEF!

Nico: What kind of deluded world do you live in?

Me: Get him outta here.

They took him away.

He was going to spend the rest of his life in prison.

Nico: Good riddance.

May: I don't think we're done yet.

But then…

LOUD FART!

Me: OH MAN! Who has a nasty case of gas!?

Nico: It wasn't me!?

Qin: Omaima isn't with us.

LOUD FART!

Lola: LANA!

Lana: What!? It wasn't me! My farts aren't that loud!

?: That was from me. (LOUD FART)

We saw a black version of Gutrot! It was ANOTHER GUTROT!

Me: Whoa! Another Gutrot!

Nico: This is gonna be a gassy one!

Another Gutrot: (In a Girls voice) Sorry to drop in like this. (LOUD FART) Sorry!

Me: (GASP) Penelope Vexxicova! Whoa!

Nico: The Famous Street Musician!? Wow!

Me: That's her.

Another Gutrot: Yeah. It's good to see you again J.D. and I'm sorry if I'm farting like this. I can't control it. (LOUD FART) Sorry!

Maria: Did Swartz promise you anything?

Another Gutrot: (LOUD FART) Sorry. No he didn't. He was in a hurry to send me out. (LOUD FART) Because of that.

Pinkie Pie was laughing!

Pinkie Pie: (LAUGHING HYSTERICALLY) OKAY THIS IS SO FUNNY!

Nico: Pinkie thinks all farts are funny.

We laughed!

Another Gutrot: Okay this is pretty funny. (LOUD FART)

Nico: It is funny. You should have farted in Guy's face to make him vomit more.

Qin: He had it coming.

Another Gutrot: Yeah.

Me: Sorry we have to fight like this Penelope.

Another Gutrot: No worries. (LOUD FART) JUST GET ME BACK TO NORMAL SO I CAN STOP FUCKING FARTING!

Nico: (gets out Tala's Ridewatch) This is gonna be a gas!

Me: Boy no shitting fucking kidding!

Nico activated Tala's ridewatch and he danced to Hedwig's theme and fired waves of magic and smashed her down.

Me: YEAH! By the way Penelope you didn't eat here for lunch did you?

Another Gutrot: No I didn't sorry. I haven't eaten anything since I turned into this.

Me: You have been turned into what's called a Stomachoan. They are gas aliens.

Another Gutrot: Wow! So that's what I am. (LOUD FART) Geez! I didn't know they were so gassy.

Me: You're telling me.

Maria: Let's keep it up!

Nico: You got it!

But then a powerful beam of light hit Another Gutrot and knocked her down.

Me: Whoa! That wasn't Luan.

Then out came Helios Trice Megistus!

Me: Whoa! Helios Trice Megistus!

Everyone was covering their eyes from the sunlight it was emitting.

Nico: WOW! That is bright!

Helios Trice Megistus: (In a girls voice) Sorry I can't help it.

Nico: Hailey Helios!? Wow!

She reverted back and Hailey was a girl with orange hair and orange clothes and had golden yellow angel wings.

Hailey Helios: Looks like the fun is about to start. I'll cure this girls gas problem.

She fired waves of solar fire and smashed down Another Gutrot and reverted back and I caught the ridewatch and purified it.

Me: There we go.

I went over to Penelope and she was a girl with black hair and green clothes that were torn up.

I picked her up.

Penelope Vexxicova: (Groans) What a headache.

Me: But you're back to normal and you stopped farting.

Her stomach growled.

Me: But you must be really hungry.

I pulled out my lunch box and gave her my lunch.

Me: Eat.

I gave it to her and she ate it all very fast.

Nico: Whoa she must've been really hungry.

Eli: Wow! No kidding.

Hailey Helios: Thank goodness I got here. The Avatar of Helios and The Sun wins.

Me: Avatar of Helios and The Sun? (GASP) Then that must mean!?

Nico: Yeah Hailey is the daughter of Helios the Greek God of The Sun.

All of us: WOW!

Laney: Hailey that is so cool that you are a demigoddess.

Qin: Yeah I think it's amazing.

Hailey Helios: I get that all the time.

Me: You would get along great with Percy Jackson and his friends.

Hailey Helios: Ah the Son of Poseidon and The Daughter of Athena. Yes it will be an honor to meet them.

Piper: What's your favorite memory of Nico?

Hailey Helios: I have a lot of them but most of them are in science class. Me and Nico had projects for the Sun and we did mobiles and maps of the inside and outside of the sun. We got A+'s on all of it and even got recognition by the science community for it. One time me and Nico were getting ready for science when we saw a bully picking on a little girl. I used my powers to blind the bully permanently and get her expelled.

Nicole: That's awesome that you did that and that is so cool.

Himiko: Boy no kidding there. The Sun is a powerful force.

Hailey Helios: It sure is.

Me: Yeah I think that's so awesome.

Penelope Vexxicova: Man no kidding. (BURPS) Sorry. J.D. gave me his lunch. I was hungry.

Nico: Boy no kidding. At least you're okay.

Penelope Vexxicova: Thanks to Hailey and all of you guys.

Eli: You're welcome.

Nico and Hailey hugged.

Nico: I've missed you Hailey.

Hailey Helios: Me too Nico. Me too.

Nico: At least this wasn't like how Carol got sick that one time.

Me: Uch! Don't remind me! That was awful!

Carol: Yeah I don't want to think about that.

Hailey Helios: That must've been really bad. But at least you guys all put Guy in jail.

Me: You got that right Hailey.

Hailey Helios: To be honest, I hated him. He was a rotten to the core monster.

Me: I think EVERYONE did because of his rotten attitude.

Eli: Yeah they sure did.

Camie: But at least he's now in prison forever.

Himiko: Yeah. Hope he likes prison food.

Me: Yeah. Hopefully he'll have chum in there.

We laughed.

Nico: (LAUGHS) Yeah. But at least we saved the reputation of the Burger Volcano.

Rarity: We sure did. Now it will be the way it was.

Me: Yeah I agree.

Nico: Lets head home.

We went back home.

Guy Grazer was found guilty of multiple counts of assault and poisoning with intent to kill and was sentenced to many terms of life in prison without the possibility of parole and ordered to pay $711,111,111,111,111,111,111,111,111,111,111,111,111,111.00 in restitution and damages. Mostly because of the stomach pumping and the restaurants he falsely got shut down. All the restaurants he shut down falsely were reopened and made better than ever.

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, Anatankha, Timmy Turner, Cosmo, Wanda, Poof, and Trixie Tang are heading to the world of the 1991 horror film, Sometimes They Come Back, and not only is Lincoln going to rescue the four girls here, but we're also going to help Jim Norman rescue his wife, Sally, and his son, Scott, from the demonic Greasers, Richard Lawson, Vinnie Vincent, and David North, and we're going to send them straight to The Black Gates for what they did in murdering Jim's brother, Wayne.

Lincoln: Whoa, we're here in the world of the 1991 horror film, Sometimes They Come Back, and I know what we're going to do here, not only am I going to rescue the four girls here, but we're also going to help Jim Norman rescue his wife, Sally, and his son, Scott, from the demonic Greasers, Richard Lawson, Vinnie Vincent, and

David North, and we're going to send them straight to The Black Gates for what they did in murdering Jim's brother, Wayne.

Nico: You got that right, Lincoln.

Me: Yeah, those fuckers were the ones who murdered Jim's brother, Wayne, years ago, and now, years later when he and his wife and son move here, they come back from the dead to finish what they started, and they also want to kill his wife and son as well.

Eli: Hell's way too good for them.

Lincoln: Exactly, Eli. Last time, they got hit by the same train that killed them and it got them sent to Hell. Well, not this time, they're getting The Black Gates and they're never coming back. And thanks for joining us, Pinkie Pie.

Pinkie Pie: You're welcome, Linky. So, how are we going to stop Richard and his demon friends?

Lincoln: We'll get to that once we help Jim Norman rescue his wife, Sally, and his son, Scott. But, we will make sure that Richard Lawson, Vinnie Vincent, and David North get their rightful punishment, and it won't be in Hell.

Nicholette Torrington: And there's no doubt we'll run into Morgana DeRose, Adara Dunstan, Autumn Melaina, Victoria Donovan, Raven Duncan, and Mara Ceirin.

Lincoln: Along with Veronica Keiron, The Knightmare Corruptor Iblee Gene-Slammer and Winter Varyona, The Knightmare Incarnation Idlee Gene-Slammer, you forgot to mention them yesterday, Nicholette.

Nicholette Torrington: Oops.

Nico: That's right, from what you told us, Lincoln, they're also members of The Knightmare Coven of Justice.

Lincoln: Yep, and Veronica and Winter are also skilled in the art of Necromancy.

Me: Whoa. And we're also surprised that you happen to know a coven of witches from long ago, Linc.

Lincoln: When we take care of those demonic Greasers and send them to The Black Gates, you're in for the whole story on how I met The Knightmare Coven of Justice, J.D., and it's really awesome.

We then met with Jim Norman, his wife, Sally, and his son, Scott, and he explained the whole story to us about Richard Lawson, Vinnie Vincent, and David North, and how they, along with former Greaser, Chip Conway, murdered his brother, Wayne, decades ago, and that after he, his wife, and son moved back to his hometown, he started having nightmares and flashbacks about his brother's murder, and afterwards, the ghosts of the three dead greasers chased one of his students, Billy Sterns, to his death, and Kate, another of Jim's students, also died as well, because of them, and that caused the spirits of Richard Lawson and Vinnie Vincent to return from the dead and transfer into Jim's class, and it horrified us.

Nico: Those monsters.

Jim Norman: And now that they're back from the dead, they tried to make an attempt on my son's life with their car on the 27th anniversary of Wayne's death, and I found out they have supernatural features: they cast no reflection in a mirror; can change their physical appearance to a demonic, mutilated look; are impervious to bullets; and can appear to some while invisible to others, and Chip said something right before he died, with every life they take, another can come back.

Lincoln: And they want to kill you the same way they murdered Wayne and take you with them. But, Chip decided to redeem himself, and it's allowed Wayne to return.

Nico: He's going to distract them, so that way… ! We better hurry.

Lincoln: Yeah.

?: HEEELLLLLP!

Suddenly, Lincoln heard the sound of seven girls calling for help, along with the sound of malevolent demonic laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the four girls, along with Jim's wife, Sally, and son Scott, but they've been trapped in the 1955 Chevrolet of the demonic Greasers, Richard Lawson, Vinnie Vincent, and David North, and the train's coming to kill them.

Lincoln: Let's get over there at once, guys, I found the four girls, along with Jim's wife, Sally, and son Scott, but they've been trapped in the 1955 Chevrolet of the demonic Greasers, Richard Lawson, Vinnie Vincent, and David North, and the train's coming to kill them.

?: (Eight Girls' voices) Those murderous demonic assholes, let's get them!

Suddenly, we saw the eight Duel Monsters, Knightmare Cerberus, Knightmare Goblin, Knightmare Gryphon, Knightmare Mermaid, Knightmare Phoenix, Knightmare Unicorn, Knightmare Corruptor Iblee, and Knightmare Incarnation Idlee, appear before us.

Nico: Whoa, that's Knightmare Cerberus, Knightmare Goblin, Knightmare Gryphon, Knightmare Mermaid, Knightmare Phoenix, Knightmare Unicorn, Knightmare Corruptor Iblee, and Knightmare Incarnation Idlee, so awesome.

Lincoln: And I'd recognize those eight voices from anywhere, I knew it was you, Morgana DeRose, Adara Dunstan, Autumn Melaina, Victoria Donovan, Raven Duncan, Veronica Keiron, Winter Varyona, and Mara Ceirin, but we'll talk later, let's get those demonic Greasers.

We rushed over, and right before Richard Lawson, Vinnie Vincent, and David North could enjoy seeing their next victims die, Lincoln fired powerful rainbow energy balls and elemental forces at the demon Greasers, and he ripped the car door open with his infinite and really immense brute superhuman strength and allowed the four girls, along with Sally and Scott to get to safety with Jim inside of a rainbow energy field created by Lincoln to protect them from the demonic Greasers, and when they saw us, they were pissed off and they transformed into their demonic forms.

Richard Lawson: You shitheads have ruined everything! We could've finally gotten our revenge and taken Jim with us!

Lincoln: By targeting his family and others?! You and your other two demonic friends are assholes, Richard Lawson! At least, Chip saw the error of his ways and wanted to stop you three!

Nico: But, now, we're going to avenge him, the students you murdered, and Wayne here and now!

Me, Lincoln, and Nico: And don't think you three are returning next time, 'cause there won't be a next time!

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Xelnaga Eternity Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel

Richard Lawson: No, this is impossible, we can't be harmed!

Nico: Not by bullets, shithead greaser! But, we've dealt with demons before, and we know how to get rid of them.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Grabs Lawson by his leather jacket) It's over, Lawson, now you and your friends can go to Hell!

Richard Lawson: Next time, man, there's always a next time!

Nico: No, this is it! Lincoln, J.D., shall we?

Lincoln, Nico, and I grab Richard Lawson and his demonic friends and stuffed them into their car, and welded the door shut, and Lincoln conjures a black ghostly train with the Judgement Kanji on it, and as we got out of there, the black ghostly train struck the demonic Greasers in the same way the train killed them in 1963, but instead of getting sent to Hell, they were sent to The Black Gates and they were erased forever. We cheered wildly as we holster our weapons and powered down, and that allowed the spirits of Wayne, Chip Mueller, and two of Jim Norman's students to rest in peace and cross back to the afterlife.

Jim Norman: Thank God, it's finally over.

Nico: Now, not only can your brother rest in peace, but so can Chip Mueller, and the two students who were killed by Richard Lawson and his friends.

Lincoln: It's really sick that those three were born pure evil from the very beginning. But, not even Hell will have them, the best place for them is The Black Gates, and like Nico said, this is it, there's no way back for them now.

Sally Norman: Now, Jim's nightmares can be put to rest for good.

Eli: That's right.

We then said our goodbyes to Jim Norman, Sally Norman, and their son, Scott, and we head out.

Lincoln: That's one gang of Greasers from Hell that we'll never have to deal with again. And Mara Ceirin reverted back to normal, and she's a beautiful girl with long flowing yellow hair, red eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has massive beautiful midnight black angel wings with yellow tips and she reigned in the power of Knightmare Unicorn, and she's dressed in a sleeveless midnight black midriff top, midnight black skirt, midnight black pants, midnight black knee-high boots, and long sleeveless white trenchcoat with darkness and unicorns on the coattails, and Knightmare Unicorn on the back, and holstered on her back is a large Knightmare Unicorn-themed greatsword with Knightmare Unicorn etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight black unicorn heads for the crossguard, large yellow gem embedded in the rainguard, longer midnight black handle, four large midnight black unicorn heads and a large yellow gem on the bottom of the unicorn heads for the pommel.

Morgana DeRose: You too, Lincoln.

Adara Dunstan: Indeed, it's been a long time.

Autumn Melaina: And it's also good to see you again, Nicholette Torrington.

Victoria Donovan: Along with the rest of The Dark World Goth Girls.

Nicholette Torrington, Giselle Harrington, Scarlet Rosenburg, Silvia Excelsior, Renee Ravenclaw, Helena Hufflepuff, Elizabeth Gryffindor, Selene Slytherin, Zennia Nikolaevna, Jackie Wren, Laniya Guillermo, Camie Nicholetta, Bertha Sellington, Chloe Terryington, Rhonda Jekyll, Connie Jackelstein, Celine Wendova, and Clara St. Clarice: You too, Morgana DeRose, Adara Dunstan, Autumn Melaina, Victoria Donovan, Raven Duncan, Veronica Keiron, Winter Varyona, and Mara Ceirin.

Lincoln made seven clones of himself and they went up to Morgana DeRose, Adara Dunstan, Autumn Melaina, Victoria Donovan, Raven Duncan, Veronica Keiron, Winter Varyona, and Mara Ceirin and they hugged, and Morgana DeRose, Adara Dunstan, Autumn Melaina, Victoria Donovan, Raven Duncan, Veronica Keiron, Winter Varyona, and Mara Ceirin were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how strong he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces went even deeper when they saw he has vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you eight since you were seventeen, and as you can see, I really grew a lot since then.

Morgana DeRose: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new.

Nico: Whoa, Lincoln, you know these eight girls?

Lincoln: Indeed I do, Nico.

Morgana DeRose: Allow us to do the introductions, Lincoln, we've been working on this for when we met again.

Lincoln: Okay.

Suddenly, the skies grew darker and the creatures of the night began flying across the night skies, and The Knightmare Coven of Justice made their introductions, as they levitated in the air, and they were surrounded by black and colored energy auras with darkness and elemental forces.

Morgana DeRose: Leader of The Knightmare Coven of Justice and Gene-Slammer of Knightmare Cerberus, Master of Darkness and Earth, The Dark Arts, The Occult, and Witchcraft, I am Morgana DeRose.

Adara Dunstan: Second-In-Command of The Knightmare Coven of Justice and Gene-Slammer of Knightmare Goblin, Master of Darkness and Wind, The Dark Arts, The Occult, and Witchcraft, I am Adara Dunstan.

Autumn Melaina: Member of The Knightmare Coven of Justice and Gene-Slammer of Knightmare Gryphon, Master of Darkness and

Light, The Dark Arts, The Occult, and Witchcraft, I am Autumn Melania.

Victoria Donovan: Member of The Knightmare Coven of Justice and Gene-Slammer of Knightmare Mermaid, Master of Darkness and Water, The Dark Arts, The Occult, and Witchcraft, I am Victoria Donovan.

Raven Duncan: Member of The Knightmare Coven of Justice and Gene-Slammer of Knightmare Phoenix, Master of Darkness and Fire, The Dark Arts, The Occult, and Witchcraft, I am Raven Duncan.

Veronica Keiron: Member of The Knightmare Coven of Darkness and Gene-Slammer of Knightmare Corruptor Iblee, Master of Darkness, Spirits, Necromancy, The Dark Arts, The Occult and Witchcraft, I am Veronica Keiron.

Winter Varyona: Member of The Knightmare Coven of Darkness and Gene-Slammer of Knightmare Incarnation Idlee, Master of Darkness, Necromancy, The Dark Arts, The Occult, Dark Magic, Wiccan Magic, and Witchcraft, I am Winter Varyona.

Mara Ceirin: And Member of The Knightmare Coven of Darkness and Gene-Slammer of Knightmare Unicorn, Master of Darkness, The Dark Arts, The Occult, and Witchcraft, I am Mara Ceirin.

Then, we saw Knightmare Cerberus, Knightmare Goblin, Knightmare Gryphon, Knightmare Mermaid, Knightmare Phoenix, Knightmare Unicorn, Knightmare Corruptor Iblee, and Knightmare Incarnation Idlee appear from the darkness, and they fired elemental forces into the air and exploded, and it formed into a pentagram with a cross, and then, The Knightmare Coven of Justice descend onto the ground, and we were amazed.

Me: Wow, you girls were really working on the introductions.

Lincoln: They sure have. As you saw and heard, these eight girls are witches who are my Guardian Angels from Michigan and his classmates in English, and they also happen to be masters of Darkness, The Dark Arts, and Witchcraft, and they formed a coven of witches who use their dark magic and gifts in The Dark Arts and Witchcraft for good. I met them through Nicholette and her friends, and we became good friends.

Nicholette Torrington: That's right, they're old friends of me, Giselle Harrington, Scarlet Rosenburg, Silvia Excelsior, Renee Ravenclaw, Helena Hufflepuff, Elizabeth Gryffindor, Selene Slytherin, Zennia Nikolaevna, Jackie Wren, Laniya Guillermo, Camie Nicholetta, Bertha Sellington, Chloe Terryington, Rhonda Jekyll, Connie Jackelstein, Celine Wendova, and Clara St. Clarice, and we saw their mastery of darkness and the dark arts for ourselves, along with their skills in witchcraft, and they also Gene-Slammed themselves into The Knightmare Monsters, in order to defend Lincoln from the evil wraths of Lori, Lynn, Lola, Lisa, Luan, Chandler and his goons, Scoots, Pablo, Anderson, Flip, and the other jerks in Michigan.

Clara St. Clarice: And just like all of us, Morgana and her coven also hated Damian Alaister, Michael Devlin, Carmen Sullivan, Nigel Moreau, Douglas Moreau, Cole Sullivan, Nigel Alaister, Cary Blakewell, Nigel Tinuviel, Douglas Griffin, Duncan Alarie, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Jezebel Lanira, and Jocasta Belladonna of The Church of Necrom, and when we told them of all the horrible things they've done, they were horrified.

Morgana DeRose: Yeah, and I outright called them monsters from the darkest depths of the nine circles of Hell, and when we heard of the deaths of The Church of Necrom and The Doomsday 23 at our hands, we celebrated with a huge party, and we also hated Lori, Lynn, Lola, Lisa, and Luan with a burning passion.

Adara Dunstan: And trust us, this is a story you guys aren't going to like.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared around the necks of Morgana DeRose, Adara Dunstan, Autumn Melaina, Victoria Donovan, Raven Duncan, Veronica Keiron, Winter Varyona, and Mara Ceirin with colored gems on the gold thunderbolt links and colored crystal links from their brand-new Crystal Necklaces of the Buddha which merged with their Elemental Thunderbird Necklaces of Eternal Love, and their new Elemental

Thunderbird Chokers of Eternal Love appeared on their neck.

Morgana DeRose: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you and your coven are art of my harem and my many future wives, Morgana.

Morgana DeRose, Adara Dunstan, Autumn Melaina, Victoria Donovan, Raven Duncan, Veronica Keiron, Winter Varyona, and Mara Ceirin had a smile on their faces and tears in their eyes, as Lincoln and his clones wrapped their abnormally massive and powerful muscular arms around the girls' waists and the girls wrapped their arms around the thick muscular necks of Lincoln and his clones, and they leaned down to their faces and they kissed them passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Benten, Kurama, Tsuyuko Amamori, and Sakura from Urusei Yatsura.

Lincoln: Oh wow, it's Benten, Kurama, Tsuyuko Amamori, and Sakura from Urusei Yatsura.

Nico: Awesome.

Lum Invader: Wait, Benten, Kurama, Tsuyuko Amamori, and Sakura are here, oh man, and they… !

Lincoln: They, along with Sally and Scott, almost became the next victims of Richard Lawson and his demonic pals, Lum, but we got them away from those Greaser. Are you girls okay?

Benten: Yes, we're okay, thanks to you.

Then, when Benten and the other three girls saw who it was that saved them from Richard Lawson, Vinnie Vincent, and David North, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird and Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

He had his massive Hinon's Cosmic Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip and his Eater of Sins revolver holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation and embedded Jewel of Gelel on the back of his massive left hand, large weighted gold bands on his massive biceps and thighs with silver phoenixes on them, large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive indestructible white angel wings with stars and orange and aurora-colored tips on the large white feathers and eleven massive and long powerful white werewolf tails, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them which were glowing neon orange and they also had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts on the coattails held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, large royal blue pants with multicolored lightning bolts on the thighs, and large gold-armored boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and gold armor on the toe area, silver Buffalo head stud earrings with the Thunderbird carved on it and the Element and Eternity Kanjis on the heads, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird carved on it and the Element and Eternity Kanjis on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, large Orange Buffalo Animal Spirit Ring which merged with his Ring of The Phoenix on his left ring finger, large Blue Lantern ring on his right ring finger, he had nine large multi-colored orbs orbiting around his legs and circling around his feet on the floor are eight golden crosses with angelic runes.

Benten: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you both.

Then, Lincoln made three clones of himself, and he and the three clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Benten: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Thunderbird Necklaces of Eternal Love appeared on the necks of Benten, Kurama, Tsuyuko Amamori, and Sakura with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned home to the World Tree Estate, and they were shocked when they found out the villains we went after were Richard Lawson, Vinnie Vincent, and David North.

But, when Lincoln showed what we did in stuffing those demon Greasers into their car, and Lincoln conjuring a ghostly black train with the Judgement Kanji on it and it struck and killed them in the same way the train killed them back in 1966 and it sent them to The Black Gates, everyone went up to us and they hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln, Morgana DeRose, Adara Dunstan, Autumn Melaina, Victoria Donovan, Raven Duncan, Veronica Keiron, Winter Varyona, and

Mara Ceirin have a lot of catching up to do, now that they're back in town.

Maria: You guys really did awesome in kicking Richard Lawson and his demonic pals straight to The Black Gates for good.

Lincoln: And like we said, there won't be a next time.

Nico: Yeah, those demonic Greasers have caused too much trouble for the last time.

Me: And there's no place in Hell for the three of them.

Eli: Only The Black Gates.

---

After sending Richard Lawson, Vinnie Vincent, and David North to The Black Gates for what they've done long ago, we were training intensely in the gym, this time, doing 900,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Morgana DeRose, Adara Dunstan, Autumn Melaina, Victoria Donovan, Raven Duncan, Veronica Keiron, Winter Varyona, and Mara Ceirin saw Lincoln working out like crazy, even doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Morgana DeRose: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Adara Dunstan: And he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Morgana DeRose: That's incredible.

Nico: It sure is. So, Morgana, what's the story on why you and your coven hated Lori, Lynn, Lola, Lisa, and Luan with a burning passion?

Morgana DeRose: You're not going to like it one bit, Nico. One day, we were with Lincoln and we were heading to Gus' Games and Grub to have some fun, and we also invited Nicholette and her friends as well. But, then, we'd heard the sound of screeches and roars of fury, and the doors were forced open, and we saw who it was: the five mean sisters of the family, Lori, Lynn, Lola, Lisa, and Luan.

Adara Dunstan: Their eyes were red with hatred and insanity, and they had knives and they were going to kill us, and we found out from the spirits of The Netherworld that Lori, Lynn, Lola, Lisa, and Luan, having given into their dark sides again, stole a bunch of knives from Lynn's Table, and were going to use them to kill us to slake their thirst for blood and get rid of Lincoln.

Veronica Kairon: Dark Lori forced her to betray her friendship with Nicholette to slake her thirst for blood and get rid of Lincoln, and that pissed us all off, and we attacked Lori, Lynn, Lola, Lisa, and Luan, and we fired blasts of darkness and disarmed them of the knives, and Nicholette had them all sealed away in a black box, and Lincoln fired five blasts of darkness from his massive white angel wings and trapped them inside five black orbs of darkness, and yes, we knew that Lincoln had also gotten powers, thanks to his many Guardian Angels offering their blood to save his life. We then went back to The Loud House, and we explained what went down, and after we were done, everyone was horrified at what Lori, Lynn, Lola, Lisa, and Luan did: not only did they try to kill their brother and his Guardian Angels again, but they'd stolen knives from their dad's restaurant to accomplish the bloody deed, and as a result, all five of them got grounded for sixteen weeks and Lincoln put a curse on all of their belongings, and we threw them in steel cages in their rooms again, and put their fingers in Chinese finger traps again.

After Morgana DeRose and her coven were finished, we were horrified.

Nico: Oh, God, I can't believe those five would do something that evil and horrific.

Me: It's bad enough Lori, Lynn, Lola, Lisa, and Luan gave in to their murderous Dark Sides again in order to kill Lincoln, but to steal knives from their dad's restaurant to do the dirty deed, that's crossed a very dark line.

Lincoln: I know, and I wasn't even talking to any of them during their punishments, but I also gave them a test: if they can prove through actions that they're truly remorseful, I'll forgive them.

Nicholette Torrington: They eventually did prove they were truly remorseful, but they've earned the hatred of Morgana and her coven.

We got a shower afterwards, but then, the alarm sounded, and when Lincoln checked the computer, he saw who it was that triggered the alarm: it was Antón Castillo from Far Cry 6, and that bastard is causing havoc.

Nicole: Oh shit on me sideways, it's Antón Castillo from Far Cry 6.

Lincoln: That delusional totalitarian fascist, I've been wanting a chance to get rid of this guy.

Nico: I looked at the crimes he's committed, and this guy's done it all: Torture, Pollution, Corruption, Conspiracy, Kidnapping, Abuse of power, Child abuse, Enslavement, Mass murder, Abuse of power, Mass destruction, Unlawful imprisonment, and Unethical experimentation. This fucker needs to be sent to The Black Gates for good.

Lincoln: My thoughts exactly, Nico. Let's go, we got a delusional bastard to kill.

We flew out of the World Tree Estate, and Lincoln fired powerful rainbow energy balls and elemental blasts at Antón Castillo, and when the delusional dictator saw us, he was enraged.

Antón Castillo: How dare you all get in my way, Team Loud Phoenix Storm?! I will kill you all and all of Gotham Royal York will bow before me!

Lincoln: The only place awaiting you is the darkest depths of Hell for your crimes, Antón Castillo.

Voogie: But, not even Hell will accept a black-hearted monster like you.

Suddenly, Voogie's red eyes turned neon red, and she was surrounded by a red energy aura with angels, red flames, and hearts, and as she approached Antón Castillo, she left red energy, angels, red flames, and hearts with every step.

Voogie: Antón Castillo, the crimes you've committed against the people of Yara and the world cannot be forgiven, you may have considered yourself a savior, but we see you for what you really are: an evil, delusional, and megalomaniacal fascist who has the blood of innocent people and your own people on your hands, and now, I will make sure that you pay the price for your vile misdeeds.

Suddenly, Voogie was surrounded by a massive vortex of red energy with red-hot flames and hearts surrounding the vortex, there's an angel flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Voogie emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Voogie grew to 7'1" in height, she has the body of a goddess, she has red highlights in the bangs of her long crimson red hair tied in a ponytail, she has neon red eyes and a red energy aura with angels, red flames, and hearts surrounding her, she has an angel emblazoned on her forehead, she has on angel earrings with red gems for eyes and holding the Fire, Heart, and Eternity Kanjis in its hands, she also has an angel with red gems for eyes and holding the Fire, Heart, and Eternity Kanjis in its hands for the second pendant on the bottom of her red angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Voogie has on her trademark red outfit and red knee-high leather boots, and long sleeveless white trenchcoat with red flames, hearts, and angels on the coattails, and on the back is an angel with red flames surrounding it. Suddenly, Voogie felt a sharp pain on her back, and then, massive crimson red angel wings with glowing red tips on the feathers, grew and sprouted out from her back. Voogie has on a Ring of The Phoenix with crimson gem and heart shaped gem embedded in it on her right ring finger and Star Sapphire ring on her left ring finger.

Voogie has a brand-new large greatsword in her right hand called Crimson Angel's Crimson Fireheart Greatsword of Crimson Flame Heart Justice, it's a brand-new large greatsword with an angel etched on the 7'0" wide, double-edged crimson red blade, large crimson angel heads for the crossguard, large crimson red gem embedded in the rainguard, longer midnight black handle, four large crimson red angel heads and a large crimson red gem on the bottom of the angel heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with crimson red gems on her wrists, new large gold Belt of Elemental Bravery with a gold angel head with crimson red gems for eyes and a large crimson red gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a crimson red kanji below the angel that said, "Voogie, Leader of Voogie's Angels, Friend and Teammate of Shiori, Rebecca, Midi, and Merry Bell, Loving Future Wife of Lincoln Loud, Destroyer of The Aliens and Antón Castillo, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Firehearts, Angels, and Crimson Red Fire"

ブギー、ブギーズ・エンジェルズ のリーダー、シオリ、レベッカ、ミディ、メリーベル の友人でありチームメイト、リンカーン・ラウド の愛する未来の妻、エイリアン と アントン・カスティーリョ の破壊者、悪を滅ぼし、錯乱し、殺戮し、冷酷で、サディスティックなろくでなし、驚くべき強力な教師の驚くべき強力な生徒であり、火の心、天使、真紅の火のマスター

Voogie has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY CRIMSON FIREHEART RED FIRESTORM ANGEL OF DIVINE CRIMSON FIRESTORM HEART JUSTICE AND DIVINE CRIMSON FIREHEART LOVE!

We were amazed by Voogie's Super Angel Xelnaga Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Antón Castillo saw it, the delusional tyrant fell into a rage and got out a gun to shoot her, but Voogie fired a powerful crimson red energy blast with crimson red fire, hearts, and angels at Antón Castillo's hand and it burned him badly and caused him to drop the gun, and she fired another crimson red energy blast at him and sent him flying into a wall, but he's not out yet.

Shiori: Whoa, Voogie's transformed, incredible.

Nico: Now, things are really going to heat up, and that fascist, Antón Castillo, is about to pay for all of his crimes in full.

Lincoln: And in blood, Nico, don't forget that, and Voogie, you look beautiful, how do you feel?

Voogie: (Divine Echoing Cosmic Voice of The Crimson Red Fireheart Angel and Divine Crimson Red Fire Love) I feel incredible, Linky. Now, shall we end this fascist's reign of terror once and for all?

Lincoln: (Smiles) With pleasure, Voogie.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-

Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Voogie.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Time to pay for everything you've done, Antón Castillo, because you deserve no mercy from us.

Voogie and Lincoln went after Antón Castillo, and they fired extremely powerful blasts of rainbow energy, crimson red energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, and Hearts at Antón Castillo, and they exploded with incredible power as they hit him. Then, they attacked him with their massive greatswords and they left nasty scars on him, and Lincoln grabbed him with one of his eleven massive and long white werewolf tails, and he was body-slamming him left to right and it was really painful. Then, Lincoln tossed him into the air and Voogie and Lincoln fired powerful black energy blasts which hit Antón Castillo and they hit him and condemned him to The Black Gates forever. We cheered wildly for what Voogie and Lincoln did as they holstered their massive greatswords on their backs and power down, and Voogie's new body, clothes, weapons, jewelry, and massive crimson red angel wings are permanent.

Voogie: Reap what you've sown, tyrant. And thank you for helping me destroy Antón Castillo for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Voogie.

Suddenly, Voogie wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Voogie's face, they kissed passionately as Voogie's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we saw a herd of Buffalo running across the field, along with red flames raging behind them and we all cheered wildly. Then, Lincoln and Voogie absorbed the fires and came back to us.

Nico: Now, that was one awesome battle, you guys, and it was definitely a bloody end for a bloody tyrant.

Lincoln: He's had it coming for a very long time.

Nicole: Now, all of Yara is safe from that monster, and that was really awesome of you using one of your eleven werewolf tails to body-slam him from left to right, Lincoln.

Me: Yeah, that was amazing.

Nico: Next time, you got to teach me how to use my tail like that.

Lincoln: That's a good idea, Nico. But, that's not the only thing I can also use my tails for.

Suddenly, Lincoln used his eleven massive white werewolf tails and it wrapped around the waists of Lily the Mermaid, Morgana DeRose and her coven, Girl Jordan, and Paige, and brought them close to him, and that caused them to get atomic red blushes on their faces, as he leans down and kisses them on the lips.

May: (Snickers) Now, that was a good trick, and it's something you'll have to teach Nico, Lincoln.

Varie: Same with J.D.

We shared a laugh and we returned home to the World Tree Estate, and we were rid of Antón Castillo for good, and he'll never come back to hurt anyone again.

---

Later we were showing the mascots something.

Tornado Bolt: (to the mascots) Hey, guys. You hungry?

Poromon: Boy are we ever!

Nico: You guys will love this.

Nico pulled off a bunch of tarps and showed that he installed numerous vending machines of many kinds! Soda, snacks, candy, hot chocolate, ice cream and more!

Poromon: Oh wow!

Me: We found all these vending machines in that abandoned underground mall in the Land of Ooo. We brought them back here and fixed them up and installed them for all of us to use.

Eli: That is cool!

Himiko: But how much are they?

Me: They're free. But you guys can all use money if you want to.

Nico: Yep.

Himiko: Awesome!

Schala: Poromon, what would you like?

Poromon: Any beer?

Nico: (LAUGHS) I KNEW you were going to say that. But no there are no beer vending machines.

Me: I don't think that's even legal anyway to use beer vending machines. Unless it's root beer.

Qin: Yeah.

Poromon: How about Gatorade then.

Me: Gatorade coming up. What flavor do you want?

Poromon: Fruit punch?

Me: Fruit punch it is.

I pressed the button and it dispensed it and I opened it and gave it to him.

Poromon: Thanks.

Poliwag got blue raspberry gatorade and Manaphy got chocolate bars and Horsea got fruit candy.

Nico: Cool.

Slipstream: You like the treats?

Poromon: Boy we sure do!

Qin: Awesome!

Me: And the best part is that now we can exercise in the park as well as grab a snack to rehydrate ourselves too.

Camie: That's awesome.

Hailey Helios: It's perfect for the estate too.

Brittney: I like it.

Slipstream: Very awesome exercising rest station.

Air Raid: So, how did you like them?

Mascots: THEY WERE ALL DELICIOUS!

Nico: Great! Glad you all like the vending machines.

Qin: Yeah these are great for all of us.

Camie: They sure are.

Eli: Yeah.

But then..

ALARM KLAXON!

Nico: Uh oh.

We went to the computer and we saw that there was a Digital World Disturbance on File Island.

Me: File Island in Lake Huron. We haven't been there in a while.

Nico: No we haven't.

Snaptrap: We haven't visited the Digital World in a while.

Nico: No we sure haven't. What's going on?

Me: It looks like the Younger versions of Sora and Joe are in trouble. They are attending an event called The Bakemon Holliday.

Joe and Sora gasped!

Sora Takenouchi: Not that event!

Me: Uh oh! From the way you gasped I can tell that you two have a really bad history with that event.

Joe Kido: Yeah those Bakemon wanted to eat us.

We gasped!

Nico: Wait! I remember that! I remember that event with you guys years ago when we were on File Island.

Me: Tell us what happened guys.

Joe Kido: It's not a pretty sight.

Gomamon: Yeah! Bakemon are HORRIBLE Digimon that are ghost Digimon.

Joe told us everything.

---

Joe and Gomamon are floating through the ocean on a bed. Joe starts to freak out because Gomamon is eating all of the food and he is seasick. Then a giant crate floats over to the bed and Ogremon is inside of it. He begins to attack them with his club. Gomamon calls in his army of fish but even with so many of them, they can't stop Ogremon. As he is about to attack Joe, Gomamon digivolves into Ikkakumon, who is able to escape with Joe on his back. Unfortunately, he is tired and hungry and turns back into Gomamon and the two start to sink.

Meanwhile, Sora is fishing and hooks something big. When she pulls it up, it turns out to be Joe and Gomamon. Joe is unconscious and Gomamon explains to Sora and Biyomon what happened. He also says that he is worried about Joe's self confidence after what happened and to get it back, they should make Joe their leader. Joe then wakes up and is shocked to find out they want him to lead them. He is finally convinced and embraces his new position. Then they hear bells and the group sees a church in the distance. Joe takes them there and he goes in to find a group of people in masks dancing. He gets everyone else and they are shocked to see other humans.

One of them comes and takes Joe's group inside. He says that they are celebrating the "Bakemon holiday" and would love to have them all as guests. Gomamon asks the man why they honor Bakemon because he is a bad Digimon. The man gets very mad and reveals that he and everyone else are Bakemon! Joe's group is surrounded and Gomamon and Biyomon are too hungry to digivolve. They are then all kidnapped by the Bakemon.

Joe and Sora are tied up to be eaten by the Bakemon while Gomamon and Biyomon are thrown in a jail cell. They realize that to escape, they must trick the guard. He had been sleeping but Gomamon wakes him by throwing a rock. He and Biyomon tell him he is bad at being evil because he is not taunting them. The Bakemon says he doesn't know how and his prisoners explain that he must find out what they want and get it but not let them have it.

They tell him they are hungry and he should get food but not give it to them. The Bakemon gets some bananas and Gomamon and Biyomon trick him into coming so close that they beat him up and eat the food. At the same time Joe and Sora are about to be eaten as the Bakemon all combine into one huge one. When it is about to get them, their partners show up and digivolve.

As Ikkakumon and Birdramon fight the giant Bakemon, Joe and Sora run and hide behind some grave stones. Bakemon is winning but Joe is determined to help their partners beat him. He starts saying a chant to get Bakemon to lose his power and starts hitting Sora's beanie to a rhythm. Bakemon then starts to shrink and Ikkakumon and Birdramon are able to beat him! The ground then opens to reveal many Black Gears which all break apart. They then start to head back to Infinity Mountain.

---

When he was done we were shocked!

Sweetie Belle: WHOA!

Nico: I remember that.

Me: I didn't know the Bakemon were that dangerous!

Eli: Me neither. But this is perfect for the Halloween season.

Starlight Glimmer: What do Bakemon look like?

Me: Well they are Ghost Type Digimon.

I pulled up the info on them and showed what they looked like.

---

Bakemon are frightening Ghost type Digimon and characters in the Digimon universe. They can flex out their hands as punches, and can also disguise themselves as humans. Their weakness is the chanting "Bakemon, lose your power".

The Bakemon first appeared in "The Dancing Digimon", disguising themselves as preachers. They attempted to eat Sora and Joe, but were saved by Biyomon and Gomamon. The Bakemon fused into a huge Bakemon called Lord Bakemon. With the help of Joe chanting, "Bakemon, lose your power.", Birdramon and Ikkakumon killed him with their powers combined.

Later on, the Bakemon were the minions of the sinister Myotismon, led by Phantomon. They were all destroyed when Myotismon is defeated.

Some Bakemon were used by the Digimon Emperor to bluff Davis into believing that he had his friends hostage above a Deltamon and forced Davis to make a choice between which of them lived. This bluff was called when the real ones appeared. They later appear as being controlled by dark rings but before they can be freed they are killed by Kimeramon.

* * *

When I was done we were shocked.

Camie: Scary!

Tsuyu: I can't believe that those Digimon were going to eat Joe and Sora!

Varie: Me neither!

Then Mammoth, Stinky Butt, Anti-Wanda, Cavalier, Eris, Raven Branwen, Condiment King, 2016 Morbucks, Professor XXXL, Artie Ziff, Mandragora, Esdeath, Comrade Red, Evil Star Man, Queen Jellyfish, Bassoon Burns, Terror Dopant, Yost Magneto, Boil Man, and Country Boy appeared.

Mammoth: Can me, Stinky Butt, Anti-Wanda, Cavalier, Eris, Raven Branwen, Condiment King, 2016 Morbucks, Professor XXXL, and Artie Ziff go with you guys?

Mandragora: Me, Esdeath, Comrade Red, Evil Star Man, Queen Jellyfish, Bassoon Burns, Terror Dopant, Yost Magneto, Boil Man, and Country Boy will come along too.

Nico: Yes you all can go with us. We're going after the Bakemon on File Island here in Michigan. Sora and Joe's young selves are in trouble. The Bakemon are going to eat them.

They gasped!

Qin: We got to stop them and quick.

Me: Yeah. Last time they dealt with Bakemon was back years ago when they were facing Devimon.

Cavalier: Oh my goodness.

Esdeath: That's interesting. And we have a Bakemon in the M.O.E.

Me: That's true and I assigned Nima the Cupid as his Archenemy.

Nima the Cupid: You sure did and that is so awesome.

Me: Oh Nico what Backup Members have you picked out for us this time? You forgot to tell us that on your rescue.

Nico: I'll tell you guys later.

Me: Okay.

Sonata Dusk: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm glad you asked that Sonata. Next up is the first of the Advanced Crystal Beast Gene-Slammers and the first one is going to be Ruby Carbuncle.

Jesse Anderson: Wow! The Advanced Crystal Beasts are next.

Me: This is gonna be interesting.

Jaden: And we agreed that me and Jesse were going to come with on that.

Qin: Yeah you sure did.

Laney: The Dark versions of the Crystal Beasts. They are scary and cool and pretty.

Me: They sure are.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was: the figure was none other than Centorrior, one of the Doom Beings who served Naga, and he's heading here to get revenge on Dan and his friends for not only destroying him, but also for destroying Naga and ruining his plans to take over Vestroia and Earth. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Centorrior on the move?

Lincoln: You guessed it, Nico, and he's heading here to get revenge on Dan and his friends for not only destroying him, but also for destroying Naga and ruining his plans to take over Vestroia and Earth.

Me: As expected.

Elizabeth Herodias: And of course, he's not going down without a fight, so we're going to give him one, and then, after you tie him up after we weakened him, we convince him to join The Masters of Evil, and telling him of the fate that'll await him if news of his defeat reaches Barodius.

Lincoln: Exactly, Elizabeth, and the same will happen with the other Doom Beings, Druman, Tayghen, and Hairadee, but that'll be for later on.

Nico: That's right. Alright, gang, let's go, we got some undead ghost Digimon to deal with, and we're going to make them pay for their crimes against Joe and Sora.

Lincoln: Those Ghost Digimon are going to pay for what they've done, and once we get done with the Ghost Digimon, you're next, Centorrior.

Stinky Butt: Shall we get a move on?

Mandragora: What do you think?

Nico: Lets roll!

We were off to File Island in Lake Huron.

---

We arrived at File Island.

Me: Here we are guys.

Nico: Wow. Last time we were here was when we took down Unimon.

Laney: Yeah no kidding there. That was so awesome.

Lana: Yeah.

Block Man: Aren't those the Poromon clones?

We saw a crowd of Poromon clones. With some mutations in the crowd with one being Steroid Poromon, human Poromon, Grandpa Poromon, Poromon wearing a bat costume, Kirby, a Rabbid and somehow Pururumon.

Pururumon: Let's all go out for some beer!

Me: HOLY CRAP!

Nico: Wow! It's every Incarnation of Poromon we saw!

Poromon: Wow! This is amazing! And Grandpa Poromon!

Qin: Wow!

Cavalier: There are a crowd of Poromon clones right there.

Evil Star Man: Should we be concerned about this?

Me: It's the clones we sent to the Digital World. But this is amazing.

Qin: Yep.

Camie: But Parurumon is so adorable.

Camie was cuddling him.

Qin: Aww he sure is cute.

Camie: Yeah.

Hornet Man: (sighs) We're just gonna have to bring them along!

Camie: But I like the Pururumon.

Me: He can come too.

Nico: Lets have them come with.

Qin: Yeah.

We had them come with.

We walked through the forest.

Condiment King: We can't bring them home though.

Terror Dopant: They could cause so much trouble.

Me: Agreed.

Qin: Yeah.

Camie: Aww do I have to leave Parurumon?

Nico: He can stay with you Camie.

Camie: Awesome!

Laney: Cool.

Lola: But it's strange seeing the human Poromon here too.

Poromon: It sure is.

Human Poromon: I think it's awesome to be human.

Nico: I know. It's awesome.

Birdbrain: No Bakemon so far?

Me: We better be ready.

Qin: Yeah no kidding.

Me: But I sense that they are up ahead.

Nico: Wait look.

We saw a church.

Nico: I remember that church.

Sora Takenouchi: This brings back a lot of bad memories.

We then heard a scream!

Professor XXXL: I heard something.

Boil Man: Someone's in there!

Nico: That's Young Sora and Joe!

Me: We got to hurry!

We went up to the church!

Brittney: Wow this looks like a gothic church.

Qin: Yeah.

Brittney: Yeah. Shaggy and Scooby aren't getting cold feet are they?

Shaggy: Like you guys go ahead.

Me: You are coming with us. Besides, Young Sora and Joe are in trouble. Who knows what the Bakemon are going to do them.

Nico: I'll tell you what they will do. They will eat them for dinner.

We gasped!

Shaggy: We'll go if you Got Scooby Snax from the vending machines.

Sixshot: I got some.

Shaggy: Like what flavor are they?

Sixshot: Nico's newest flavor. Jalapeño Cheddar Hot Dog.

Shaggy: Like oh boy!

Scooby: Reah!

Sixshot gave them to them and they were good.

Shaggy and Scooby: MMM! MMM! MMMMM!

ZOOM!

They turned into rockets and flew into the air and then exploded in a dazzling display of fireworks and landed back down in Erika Haddock's arms.

Shaggy: Like those were delicious.

Nico: Glad you like them. Lets go.

We then looked inside the church and then we saw a bunch of Bakemon and they were hovering over Young Sora and Joe who were tied up and they were screaming in fright.

Bakemon: (EERIE SINGING) WE'RE SCARY GHOSTS! WE LIKE TO BOO! NOW IT'S TIME TO CHEW ON YOU! NOW IT'S TIME TO CHEW ON YOU!

But then the spirits of the Loud Brothers appeared and swirled around them and then converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted through the entrance of the

Church and a phoenix cry was heard and then fireballs rained down and hit the Bakemon and burned them all over and then we came in.

Me: YOU ARE NOT CHOWING DOWN ON THESE TWO ON OUR WATCH!

Artie Ziff: Hang on, you two!

Country Boy: We're here to save you both!

Young Sora: You guys arrived just in time!

Nico: We do have that.

Me: Okay you dumb ghosts, chew on this! (Echoing) PHOENIX FIRE!

I fired a blast of fire from my hand with Zhuqiaomon's power and burned a bunch of Bakemon all over the place.

Varie: Take that!

Nico: Qin, Camie get Young Sora and Joe out of there!

They went over and cut them free!

Nico: Try this on! (Echoing) HEAT VIPER!

Nico fired a powerful green inferno fire blast with Kimeramon's power and it hit a bunch of Bakemon and obliterated them!

Laney: YEAH!

Nico: Turbo Man, get us out of here so we can come up with a plan!

Turbo Man: Aye aye!

Nico: Everyone retreat!

Me: SOLAR FLARE!

I released a massive flash of light as bright as 100,000,000 suns and blinded the Bakemon temporarily while we ran.

We went to a treehouse that was built by the Young Versions of the Digidestined.

Nico: That treehouse is new.

Me: I gave them the idea for it after we battled Monzaemon.

Nico: Nice.

Young Tai saw us.

Young Tai: Hey guys!

Me: Good to see you Tai. We better explain what we're here for.

We went around the treehouse.

Me: We'll be safe here for the time being.

2016 Morbucks: And it has enough room for the Poromon clones.

Yost Magneto: I do hope that's the case.

Me: Me too.

Young Tai: So what's going on?

Me: Sora and Joe had a run in with the Bakemon and were close to being eaten by them.

Nico: Yeah.

Young Sora: It was awful.

Hawkmon: But at least they all escaped.

Qin: Yeah.

Nico: Bakemon are nothing but a bunch of troublemaking ghosts. They caused lots of problems in the past to File Island.

Varie: Hard to imagine that you guys had to face them.

Kari Kamiya: Yeah no kidding. I have a feeling they are going to come after us.

Gatomon: But we're going to be ready for them.

Me: We intervened and saved Sora and Joe just in time. But those Bakemon are coming for us and they are going to kill us.

Qin: Yeah.

Nico: But we're ready for them.

Ember McLain: Nico, what backup core members do you have for us this time?

Nico: Sailor Pallas, Sougo, Haruto, the Muses, Manny, Tsukasa, Soji, Batgirl (DC SUPERHERO GIRLS), Sento, and Meridith McHenrickson.

Me: Awesome!

Meridith McHenrickson: (Scottish Accent) Aye. This will be amazing getting an archenemy now.

Qin: It sure will.

Sougo: Yeah it is!

Manny the Mammoth: But it'll be an awesome honor to get an archenemy.

Nico: It sure will be awesome.

Bassoon Burns: You are aware that you have King Koopa as an archenemy, right?

Raven Branwen: Don't forget that.

Me: Actually she has President Koopa as an archenemy. King Koopa is a different matter.

Meridith: Aye. Sorry I got caught up in the excitement there now.

Nico: Oh. No worries.

Me: Yeah.

Nico: Sorry we gave you guys those wet willies when you were under Monzaemon's spell like that.

Young Matt: No worries. But we're okay now.

Young Mimi: But it was great you guys all helped us back then.

Me: It sure was awesome to see what you guys were like back then too.

Camie: Yeah it sure was cool.

Fuzzy Lumpkins: I gots an idea. Let's use a Slingshot to throw these here clones at the Bakemon.

Me: Fuzzy, Bakemon are Champion level Digimon. In Training and Fresh Level Digimon would just be light snacks to them. They would just chomp them.

Fuzzy: Oh yeah.

Nico: We'll do what J.D. did when we saved Joe and Sora. We'll use the powers of the Digimon on them.

May: Yeah. It worked perfectly.

Qin: It sure did.

Nico: And I have an idea. Davis, remember when we attacked Kimeramon and a bunch of Bakemon he had?

Davis: I sure do. We used the Armor Level Digimon to beat the Bakemon.

Me: An all out ambush.

Qin: Yeah.

Queen Jellyfish: Omnimon can help out too.

Eris: Although, some of the clones probably shouldn't be considered In Training Digimon.

Nico: My Poromon is an In Training Digimon with the power of a Super Ultimate Level Digimon.

Qin: Yep.

Poromon: It's true.

Me: But we can't take any chances with the clones. They are Poromon's Brethren and Camie loves Parurumon now.

Camie: It's true.

Starlight Glimmer: The Goths of Darkness like the Bakemon. But these Bakemon we're going to face are not Partner Worthy.

Qin: I agree there Starlight.

Xenia: Yeah these Bakemon are bad Digimon.

Lillymon: But we're ready for them all.

Livewire: We already did the entrance. So, let's get to killing as many as we can before the usual battles.

Nico: That was an emergency situation. But good idea.

Qin: Yeah. Time to unleash the power.

Nico: Lets do it guys. Who you gonna call?

All of us: GHOSTBUSTERS!

We laughed!

Qin: YEAH!

Nico: Lets go!

We went back to the church.

We went back to the church and then energy blasts were fired at the Bakemon and blasted them all over.

Nico: YEAH!

Me: (Echoing) THUNDER BLAST!

I fired a massive blast of blue lightning with Raidramon's powers and it hit the Bakemon all over and destroyed many of them.

Me: (Echoing) EAGLE EYE!

I fired waves of red energy from my eyes with Halsemon's powers and blasted the Bakemon all over.

Kari Kamiya: OH YEAH! (Echoing) QUEEN PAW!

She fired stones from her arms with Nefertimon's powers and blasted the Bakemon all over.

T.K.: (Echoing) STAR SHOWER!

T.K. fired a shower of stars from his wings and blasted the Bakemon into dust!

Qin: OH YEAH!

Comrade Red: (Russian Accent) We're already killing a good amount.

Anti Wanda: Now, to wish up a barrier before the usual battles start.

Nico: Yep. Go for it!

She did so and got the barrier in place.

But then Scorcher, Firepower, Evil Star, Key, Overdrive, El Diablo, Toyman, Villamax, Wolf, Weather Wizard, Axel, Evil Pharaoh Man, Utomodachi, Opposite Senshi, Queen Cannabis, Raizen, Spatula Girl, Man Spider, Yani, and Heart appeared.

Nico: Scorcher, Firepower, Evil Star, Key, Overdrive, El Diablo, Toyman, Villamax, Wolf, Weather Wizard, Axel, Evil Pharaoh Man, Utomodachi, Opposite Senshi, Queen Cannabis, Raizen, Spatula Girl, Man Spider, Yani, and Heart.

Scorcher: So, those are the Poromon clones, huh?

Firepower: I was wondering when we'd find them again.

Evil Star: Although some of them don't seem to be as dumb as Homer's clones.

Nico: Yeah no kidding there.

Key: (to Nico) We heard you arrested a bad chef.

Nico: We sure did.

Overdrive: Was vomit involved?

Nico: Oh yeah there was. Also it was Guy Grazer.

Me: You heard of him haven't you?

Overdrive: Wait a second. That rotten tempered disgrace of a chef!? Yeah I know him. He deserved to be thrown in prison.

Qin: He sure does.

?: But that's for sure.

A figure came out and it was BARA POLICE from episodes 37 and 38 of Ohranger!

---

Bara Police was a Machine Beast who hid and controlled a platoon of police officers in order to turn the Earth officers against the Ohrangers and humanity. When summoned to attack by Bomber the Great, he uses the officers against the heroes until is emerges and is immediately grown by Kocha to fight the team. Initially facing against the Blocker Robo, it ends up becoming ultimately assisted by Gunmazin after Yuji joins the battle and the heroes become OhBlocker due to a boy's wish to him to "ride OhBlocker", which the ancient warrior had to abide by due to the desire to grant any wish to anyone who uses his key.

Police later pulled back after Bomber gets his hands on Gunmazin's key only to be released once again by his leader when Buldont becomes Gunmazin's master, in hopes of denying him of his wish of "riding OhBlocker." After the boy who originally controlled Gunmazin sets him straight, Bomber ordered Bara Police into battle and he was immediately enlarged by Acha and Kocha. However, he is dealt with quickly, with Gunmazin using his Fifth Strike to disable him to take OhBlocker's Twin Blokken Crash, destroying him.

---

Eli: Bara Police! I remember you! You were sent to turn Earth's Police Officers against the OhRangers and al lof humanity.

Bara Police: That's right Eli. Sharp memory.

Eli: Awesome episode though.

Bara Police: You know it's only a matter of time before you guys get to have Cornelia's missions, right?

Me: Yes we are well aware of that.

Cornelia: And I can't wait.

We got the usual battles underway.

---

Rainbow Dash: They sure are and I love that they have each of the seven colors of the Rainbow for their hair colors.

Scootaloo: Their story is just as awesome too. They also did an amazing introduction when they introduced themselves. But their story is cool too.

---

Morgana DeRose: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Adara Dunstan: And he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Morgana DeRose: That's incredible.

Nico: It sure is. So, Morgana, what's the story on why you and your coven hated Lori, Lynn, Lola, Lisa, and Luan with a burning passion?

Morgana DeRose: You're not going to like it one bit, Nico. One day, we were with Lincoln and we were heading to Gus' Games and Grub to have some fun, and we also invited Nicholette and her friends as well. But, then, we'd heard the sound of screeches and roars of fury, and the doors were forced open, and we saw who it was: the five mean sisters of the family, Lori, Lynn, Lola, Lisa, and Luan.

Adara Dunstan: Their eyes were red with hatred and insanity, and they had knives and they were going to kill us, and we found out from the spirits of The Netherworld that Lori, Lynn, Lola, Lisa, and Luan, having given into their dark sides again, stole a bunch of knives from Lynn's Table, and were going to use them to kill us to slake their thirst for blood and get rid of Lincoln.

Veronica Kairon: Dark Lori forced her to betray her friendship with Nicholette to slake her thirst for blood and get rid of Lincoln, and that pissed us all off, and we attacked Lori, Lynn, Lola, Lisa, and Luan, and we fired blasts of darkness and disarmed them of the knives, and Nicholette had them all sealed away in a black box, and Lincoln fired five blasts of darkness from his massive white angel wings and trapped them inside five black orbs of darkness, and yes, we knew that Lincoln had also gotten powers, thanks to his many Guardian Angels offering their blood to save his life. We then went back to The Loud House, and we explained what went down, and after we were done, everyone was horrified at what Lori, Lynn, Lola, Lisa, and Luan did: not only did they try to kill their brother and his Guardian Angels again, but they'd stolen knives from their dad's restaurant to accomplish the bloody deed, and as a result, all five of them got grounded for sixteen weeks and Lincoln put a curse on all of their belongings, and we threw them in steel cages in their rooms again, and put their fingers in Chinese finger traps again.

After Morgana DeRose and her coven were finished, we were horrified.

Nico: Oh, God, I can't believe those five would do something that evil and horrific.

Me: It's bad enough Lori, Lynn, Lola, Lisa, and Luan gave in to their murderous Dark Sides again in order to kill Lincoln, but to steal knives from their dad's restaurant to do the dirty deed, that's crossed a very dark line.

Lincoln: I know, and I wasn't even talking to any of them during their punishments, but I also gave them a test: if they can prove through actions that they're truly remorseful, I'll forgive them.

Nicholette Torrington: They eventually did prove they were truly remorseful, but they've earned the hatred of Morgana and her coven.

FLASHBACK ENDS

Key: Oh my goodness! That is terrible that the mean Loud Girls did that because of their dark sides!

Dan Kuso: I knew there was no mistaking that voice from anywhere. You can come out now, Centorrior.

A figure came out, and it was none other than Centorrior, one of the Doom Beings who served Naga with fierce loyalty.

Dan Kuso: Centorrior.

Drago (Bakugan): You have some nerve coming back from the dead after everything you've done in Naga's name.

Centorrior: We'll see who has the last laugh when I finally destroy you all and avenge Master Naga.

Elizabeth Herodias fired a powerful black and white energy blast with darkness, white fire, and herons at Centorrior, and it burned him badly.

Elizabeth Herodias: That's not going to happen, Centorrior, and now, you will pay for your crimes.

Suddenly, Elizabeth Herodias' green eyes turned neon green and she was surrounded by a black and white energy aura with white fire, herons, and darkness, she unholstered her massive Earthbound Immortal Huacachina Kon-themed sword from her back, and as she approached Centorrior, she left black and white energy, white fire, herons, and darkness with every step.

Elizabeth Herodias: I will never forgive you for the crimes you've committed against the humans of Earth and the Bakugan of Vestroia in the name of that monster, Naga, and now, I will administer unto you your punishment for your crimes.

Suddenly, Elizabeth Herodias was surrounded by a massive vortex of black and white energy with white fire and darkness surrounding it, there's Earthbound Immortal Huacachina Kon flying around the vortex, and in the vortex is a white phoenix. Then, as the vortex faded, Elizabeth Herodias emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Elizabeth Herodias grew from 6'5" to 7'1" in height, she has the body of a goddess, she has white highlights in the bangs of her long flowing midnight black hair, she has neon green eyes and a black and white energy aura with darkness, white fire, and herons surrounding her, she has Earthbound Immortal Huacachina Kon with the Dark Kanji in its talons emblazoned on her forehead, she has on heron earrings with white gems for eyes and holding the Dark and Eternity Kanjis in its talons, she also has Earthbound Immortal Huacachina Kon with white gems for eyes and the Dark and Eternity Kanjis in its talons for the second pendant on the bottom of her white heron-shaped Element of Harmony, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with white crystal links from her merged Crystal Necklace of the Buddha and white gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Elizabeth Herodias felt a sharp pain on her back, and then, her massive black angel wings with white tips grew much bigger for her new body, and the feathers had the same white markings as on Huacachina Kon's wings. Elizabeth Herodias has on a Ring of The Phoenix with white gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger.

Suddenly, Elizabeth Herodias' massive Earthbound Immortal Huacachina Kon-themed large sword and all the other swords she'd got began merging together and they were surrounded by a kaleidoscope of white energy with darkness, white fire, and herons, and when it emerged, it transformed into Earthbound Immortal Huacachina Kon's Dark Heron Greatsword of White Fire and Darkness Justice, it's a brand-new large greatsword with Earthbound Immortal Huacachina Kon and the Heron Nazca Line etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight black heron heads for the crossguard, large white gem embedded in the rainguard, longer midnight black handle, four large midnight black heron heads and a large white gem below the heron heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with white gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Earthbound Immortal Huacachina Kon's head with dark blue gems for eyes and a large white gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Elizabeth Herodias has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY DARKNESS WHITE FIRE EARTHBOUND IMMORTAL HERON ANGEL OF DIVINE EARTHBOUND IMMORTAL DARK JUSTICE AND DIVINE WHITE FIRESTORM LOVE!

We were amazed by Elizabeth Herodias' Super Angel Xelnaga Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Centorrior saw it, he flew into a rage and fired a blast of fire and darkness at her, but Elizabeth Herodias fired a powerful black and white energy blast with darkness, wind, white fire, and herons at him, and it exploded with incredible power as it hit him, but he's not done yet.

Nico: Whoa, now Elizabeth Herodias has transformed, so cool.

Me: Yeah, and take a look at the white patterns on her black angel wings, they're the same as the ones on Huacachina Kon's wings, nice.

Lincoln: Yeah, and now, Centorrior is about to feel the true wrath of The Earthbound Immortals. And Elizabeth, you look beautiful, how do you feel?

Elizabeth Herodias: (Divine Echoing Cosmic Voice of The Dark Heron Earthbound Immortal and Divine White Fire Justice) **I feel incredible, Linky, and now, shall we administer Centorrior's punishment for the crimes he's committed in Naga's name?**

Lincoln: (Smiles) With pleasure, Elizabeth.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Elizabeth Herodias.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Time to pay for everything you've done in Naga's name, Centorrior, and you don't deserve a single ounce of mercy, not that you even deserve any.**

Elizabeth Herodias and Lincoln went after Centorrior, who continued firing blasts of fire and darkness at them, but they absorbed them and it made them stronger than ever, and they fired extremely powerful blasts of rainbow energy, white energy, white fire, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, and Herons at Centorrior and they exploded with incredible power as they hit him. Then, they attacked Centorrior with their massive greatswords and they left some really nasty scars on him, and Lincoln fired a rainbow energy blast which transformed into a massive rainbow energy straitjacket with rainbow energy chains and they wrapped around Centorrior, so he couldn't escape.

Centorrior: Impossible, defeated by a bunch of humans?! I won't let this humiliation stand!

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **That's enough, Centorrior.**

Centorrior was silenced because of the authority that was given out from Lincoln's voice.

Nico: Nice one.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Thank you, Nico. (To Centorrior) Now that you've cooled down, I think it's time to negotiate a deal: how would you like to join The Masters of Evil?

Elizabeth Herodias: (Divine Echoing Cosmic Voice of The Dark Heron Earthbound Immortal and Divine White Fire Justice) **This is a one-time opportunity, besides, do you honestly think Barodius is going to let you live when news of your defeat reaches him? No, as soon as we let you go, he's going to kill you, and your master, Naga, is just like Barodius, he cares about no one**

**except for himself. Do you honestly think you'll be shown any mercy at all?**

This caused Centorrior to think, and he knew Lincoln and Elizabeth Herodias were right: if news of his defeat reaches Barodius, he will kill him and not show him any mercy at all, and he compared him to Naga as well: both of them care about no one except for themselves.

Centorrior: Very well, as it stands, I will join The Masters of Evil.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smiles) **You've made the right choice.**

Lincoln beamed Centorrior to The Masters of Evil's HQ, where Vypra and the others were given the news: Centorrior is now part of The Masters of Evil. We cheered wildly for what Elizabeth Herodias and Lincoln did as they holstered their massive greatswords on their backs and powered down, and Elizabeth Herodias' new body, clothes, weapons, jewelry, and massive black and white angel wings are permanent.

Elizabeth Herodias: That's one villain recruited into The Masters of Evil and eight more to go before we finally kill Dustin Keystone and Barodius, and thanks for helping me take down Centorrior, Linky.

Lincoln: (Smiles Warmly) You're welcome, Elizabeth.

Suddenly, Elizabeth Herodias wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Elizabeth Herodias' face, they kissed passionately as Elizabeth Herodias' left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Earthbound Immortal Huacachina Kon flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and white fire raging behind them and we all cheered wildly. Lincoln and Elizabeth Herodias absorbed the fires, and they came back, and Huacachina Kon vanished.

Nico: Awesome job, Elizabeth and Lincoln, you guys took down and convinced Centorrior to join The Masters of Evil.

Lincoln: And that's one Doom Being down, and three more to go.

Sydney McWilcox: (Australian Accent) Which means tomorrow, you and I are taking down Druman, Linky.

Lincoln: That's right, Sydney. But, we need to watch it with him.

Nico: Yeah, just like Centorrior, he also has Pyrus and Darkus abilities, but so do you guys.

Lincoln: Yeah, we also have powers over darkness and fire.

Eli: That's right. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: That's a good question, Eli, how about Gene-Slammers for the Mekk-Knight archetype?

Nico: Ooh, now that's an awesome one.

Morgana DeRose: And we know who'd fit those twelve Duel Monsters.

Adara Dunstan: Alice Lancaster, The Mekk-Knight Red Moon Gene-Slammer, Sophia Devine, The Mekk-Knight Orange Sunset Gene-Slammer, Harper Everett, The Mekk-Knight Yellow Star Gene-Slammer, Anna Grant, The Mekk-Knight Green Horizon Gene-Slammer, Penelope Johnson, The Mekk-Knight Blue Sky Gene-Slammer, Audrey Knight, The Mekk-Knight Indigo Eclipse Gene-Slammer, Lily Morrison, The Mekk-Knight Purple Nightfall Gene-

Autumn Melaina: These twelve girls are well-known for their bravery, and they've taken on the worst of the worst of Lori's wrath.

Victoria Donovan: And they're Lincoln's Guardian Angels from Michigan and his classmates in Science, but they're also amazing warriors with amazing skills with swords, shields, and even riding on horses. They Gene-Slammed themselves into the Mekk-Knight monsters to help defend and protect Lincoln from the demonic out-of-control wrath of Lori whenever she acts like a control freak.

Raven Duncan: And the other jerks in Royal Woods also backed off whenever they came around, but it left them feeling pissed off and wanting to get rid of them for good.

Veronica Keiron: But, they've always failed in the end, and it got them even more pissed off than before.

Winter Varyona: Plus, they also have powers over light, thanks to Gene-Slamming themselves into the Mekk-Knight monsters and they also reigned in that power because of it.

Mara Ceirin: And we've also assisted them with defending Lincoln from his mean sisters, Lori, Lynn, Lola, Lisa, and Luan, but it's Lori they've hated with a burning passion.

Me: Whoa!

Nico: This is going to be awesome meeting them tomorrow on your rescue, Lincoln.

Lincoln: It sure will be, Nico.

El Diablo: Now these ghosts won't be bothering anyone.

Toyman: No, they won't.

Young Joe: Thanks so much for saving us.

Villamax: Don't sweat it.

Me: It was our pleasure guys.

Wolf: It's all part of the job.

Young Sora: You guys are always awesome.

Me: We get that a lot.

Hailey Helios: Yeah.

Weather Wizard: Now, to say goodbye to the Poromon clones.

Me: But we know that they will be in good hands with you guys.

Nico: Absolutely.

Young T.K.: Yeah they sure will be.

Nico: Yep.

Sora Takenouchi: (To the viewers) Now the Bakemon are defeated and are no longer a threat to us and it was awesome to face them for the Halloween Season.

Qin: It sure was.

Nico: Yep. But great job today everyone.

We went back home and enjoyed the rest of the day and went to sleep.

THE END.

Me: (Echoing) WOW!

Nico: This cave is incredible.

Nicole: Yeah it's amazing that Donkey Kong has these caves on his island.

Qin: Boy it's magnificent.

Jaden Yuki: And it's awesome to find the first Advanced Crystal Beast Gene-Slammer.

Jesse Anderson: It sure is partner.

Jenny Wakeman: I'm looking forward to this.

Camie: Boy me too.

Nico: Thanks for coming with me, Jenny.

Jenny Wakeman: No problem Nico. This will be so awesome and cool.

Me: It sure is awesome having you with us Jenny.

Nico: Remember when we first met you?

Jenny Wakeman: I sure do and you guys stood up to that Robophobic man for me.

Qin: We sure did. J.D. gave that guy a piece of his mind.

Me: Boy I sure did.

Camie: How did that happen?

Me: It was awesome.

I went over the events of chapter 912 and it was awesome.

---

At Hogwarts Castle, I was going after a swarm of Dementors that were trying to kill a bunch of students.

---

A Dementor is a gliding, wraithlike Dark creature, widely considered to be one of the foulest to inhabit the world. Dementors feed on human happiness and thus generate feelings of depression and despair in any person in close proximity to them. They can also consume a person's soul, leaving their victims in a permanent vegetative state, and thus are often referred to as "soul-sucking fiends", rendering a person an 'empty-shell'. Dementors were closely associated with Azkaban, as they were formerly employed by the British Ministry of Magic as the prison guards, and were not known to permanently inhabit any other location.

The Dementors of Azkaban were under the employ of the Ministry until mid-1996, when Lord Voldemort was sighted in the Ministry, and their defection to the Dark Lord's cause became undeniable. The Dementors supposedly led the Death Eaters and Voldemort into the Ministry of Magic. After the end of the Second Wizarding War in 1998, the Ministry was re-formed, and newly-appointed Minister for Magic Kingsley Shacklebolt ensured that they were not used by the government again, presumably due to their changing allegiance and support of Voldemort, and due to ethical reforms in the Ministry and Wizarding society at large.

There are certain defences one can use against Dementors, specifically the Patronus Charm. Dementors hold no true loyalty, except to whoever can provide them with the most people to feed on. They seemingly cannot be destroyed, though their numbers can be limited if the conditions in which they multiply are prevented from forming, implying that they do die off eventually.

---

I walked up to a Dementor as he was sucking a soul out of a Slytherin girl.

Me: Leave her alone you monster from Hell!

I held my hand up to him.

Me: HAKAI!

In an instant, the Dementor was totally obliterated. There was nothing left of him as it was completely erased from existence forever.

Nico and Lincoln were with me.

Lincoln: Whoa!

Nico: Oh wow! That was awesome!

Slytherin Girl: (British Accent) Wow! That was amazing!

Me: Thank you. Are you okay?

Slytherin Girl: Yes. Thanks to you.

Nico: What was that move J.D.?

Me: It was called Hakai. What it does is it completely obliterates the body and the soul and instead of sending them to the afterlife, they are completely erased from existence forever as if they weren't even born at all. Not even ghosts are a match for it. It will kill them on contact.

Nico: Whoa! That's unbelievable! That could be the deadliest of all techniques!

Lincoln: Amazing!

Slytherin Girl: It sure is.

Nico: Think you could teach me how to do that?

Me: Sure. But you have to use it only when necessary.

Nico: Okay.

After we took care of the rogue Dementors, we went back to the estate.

---

In a special airplane mansion that we built in our garage we were heading over to the town of Tremorton. It was the town that was home to the famous XJ-9 A.K.A. Jenny Wakeman.

* * *

Jenny was designed as a teenager of about 16 years of age (in design and mentality), but it was 5 years since she had been created, prior to the events of "I Was a Preschool Dropout". As her number indicates, she had several prototypes, whom she treats as her "sisters". While she was designed as a teenage robot, presumably with the adolescent mind of a 15-year old or so, she did undergo a period of infancy ("Humiliation 101"). As revealed in the same episode, she also spent some of her early years as a crude steam-powered robot before being upgraded to hydronium-electric hybrid-power (as seen in the blueprints of her Master Plan).

For an uncertain amount of time, she was prevented from leaving the house by her mother, except for the purpose of saving the earth, where she would not be viewed by the general populace. Following the events of "It Came from Next Door", she finally managed to interact with the outside world and make human friends, namely Brad Carbunkle and his younger brother Tuck, and later enrolling in Tremorton High School where she soon met and befriended Sheldon Lee.

* * *

Riku: Thanks for being our pilot to Tremorton, Launchpad.

Launchpad: My pleasure, Riku!

Lola: Launchpad, I don't know if Scrooge told you this, but Voldemort's goons are looking for the Horcruxes even as we speak. We need to be focusing our efforts on finding them.

Launchpad: Relax, Lola. Dr. Strange and Dr. Fate are looking for the Horcruxes across the entire Wizarding World. When they locate them, they'll let us know.

Nico: This was my idea, Lola. I suggested this visit to Tremorton to take our minds off of this mess with Voldemort and the Horcruxes.

Me: It was a great idea Nico.

Vince: It sure was. This is gonna be awesome going to the town of Tremorton.

Me: It sure is. Tremorton has an awesome history. But it also has an awesome hero robot. Her name is Jenny Wakeman/XJ-9.

Laney: I've heard a lot about her. She is an awesome robot.

Lisa: She was created by one of my favorite professors of science Professor Nora Wakeman.

Me: It's gonna be so cool meeting her.

Scrooge McDuck: (Scottish Accent) Aye lad. It will be interesting.

We landed in the park and got out.

Me: Tremorton, Pennsylvania.

Nick F.: I've never been here before. This is a brand new town for me.

Me: It sure is.

We went to a local restaurant we saw Jenny and we saw Brad. But then a man yelled at Jenny.

Man: YOU FILTHY MECHANIZED NUISSANCE! GET OUT!

Jenny: Hey! You can't kick me out!

Man: OH YES I CAN! WE RESERVE THE RIGHT TO REFUSE SERVICE [pushes cans away] TO ROBOTS! They're dangerous, they can't be trusted and they stink too. NO ROBOTS ALLOWED!

Me: Hey!

I walked up to the man and grabbed him by his shirt and braced him up against the wall.

Me: Who the hell do you think you are you fuckpot!?

Man: I'm the owner of this restaurant!

Me: You are nothing more than a Robophobic Supremacist that's what!

Man: Who are you!?

Me: Someone you should not fuck around with. I'm J.D. Knudson, leader of Team Loud Phoenix Storm.

Everyone gasped when they heard my name.

Jenny: Wow! It's such an honor to meet you!

Brad: We heard so many awesome things about you guys! You're world famous legends!

Me: Thank you.

Man: So you're the famous J.D. Knudson. I didn't recognize you and that this robot was with you?

Me: Actually we just met. But we came here to help Jenny.

Man: Why!? She's a robot!

Me: For your information you old prune, Jenny Wakeman is more than just a robot. She is just as Human as everyone else in this world like you! Professor Nora Wakeman built her to protect you guys just like we do to protect everyone.

Brad: Wow. You tell him J.D.!

Man: Really?

Me: Really. Now you revoke that rule, (Pulls out a gun and points it at his head) or this will be your last day alive.

Man: Okay! Okay!

He erased that rule.

Me: Good.

I fired the gun and it was a squirt gun.

Me: Gotcha.

Everyone laughed.

Luan: (Laughs) That was a good prank J.D.

Eddy: (Laughs) That was so funny!

Nico: Nice one!

Jenny: Thanks for that guys.

Me: Anytime Jenny. But it's such a pleasure to meet you in person.

Jenny: Same here. I've heard so many things about you.

Me: It's mutual.

Varie: We have done so much as well.

Jenny: Look, I know you guys want to help me with my school life and the Skyway Patrol. But I really don't mind what bullies and the Skyway Patrol think of me. As long as I keep fighting bad guys, that's all that matters. (smiles) That's what a hero does, right?

Me: Well it's more than just that Jenny. A true hero has to fight and risk his neck for those that they care about and they have to do everything they can to protect everyone.

Jenny: Wow. I never thought about that.

Nico Robin: That's right Jenny. Many heroes have had to go through some hard times to get to where they are at.

Lincoln: That's right. It's tough but they have had to endure a lot of hardships as well.

Jenny: Wow.

Later we went to Jenny's school and we saw a lot of people.

Jenny: These are our classmates.

Laney: Some of them look nice.

Lana: Yeah but some of them don't look nice at all Lanes.

Fire: Who exactly are the jerks in yor school anyway?

We saw two bullies picking on a boy named Sheldon.

Me: That makes me mad!

I went over and…

POW!

I punched them in the face and sent them crashing into a classroom door and they groaned stupidly as they had their teeth missing and their faces were swollen.

?: (British Accent) Well if it isn't the loser patrol.

Jenny: Hi Brit. Hi Tiff.

Tiff: You guys are nothing but losers.

Star Butterfly: You remind me of my evil nemesis Brittney Wong.

Me: Just what the universe needs, another couple of snobby brats.

Brit: You are no prize either you loser.

Carol: At least I don't dress up like a popular snobby whore.

Everyone gasped.

Tiff: HEY! You can't talk to us iike that!

Me: Says the two snobby whores that set the whole school on fire.

Everyone gasped again.

Then the principal came.

Principal: So you two set the school on fire back then.

Me: They were.

Brit: You have no proof.

Jenny: Oh really. Need I remind you that you used me and nearly got me in trouble more times than anyone else can count?

Principal: I think I get the point. Tiff and Brit Crust, you two are expelled!

Brit and Tiff were kicked out of school forever.

Me: Good riddance to those two.

Jenny: You said it.

Me: Jenny, how would you like to be a human for real?

Jenny: You can do that?

Me: We sure can and we can give you the ability to transform at will. You can also use your robot abilities even in Human Form.

Jenny: Wait. You're saying that I can have a chance to be human?

Soundwave: That's correct.

Shrapnel: I think you would look beautiful as a human.

Jenny: (hesitantly) I don't know. I've had attempts to be human before. But those didn't end well. How do I know that you guys can really make me human?

Me: You saw us do all kinds of awesome things. We have the power to do anything.

Jenny: Wow! That is so cool!

Me: Lets go talk it over with your mom first.

Jenny: Okay.

We went over to the Wakeman residence. We arrived and we were introduced to professor Nora Wakeman.

Nora Wakeman: It is such an honor to meet the legendary Team Loud Phoenix Storm.

Me: You too Professor Wakeman. We heard so much about you.

Leni: We have?

Lisa: Indeed we have 2nd Eldest Sibling. It's an honor to meet you Professor.

Nora Wakeman: Thank you Lisa.

Me: We would like to ask you if we could make Jenny, human.

Nora Wakeman: Yes I am familiar that you all have that kind of power.

G1 Bumblebee: Jenny, if you need some time to make your decision, we'll let you have some.

Nora Wakeman: XJ-9, I don't care if you're human or a robot. You'll always be my daughter.

Jenny: Thanks mom. I'm ready.

Me: Okay. But Jenny, it's gonna hurt.

Jenny: I'm ready.

Me: Okay.

Lincoln: Do we need to cover our eyes?

Me: Not this time.

I snapped my fingers and Jenny was in a lot of pain!

Jenny: (EXCRUCIATING PAIN) OH GOD IT HURTS!

Her metal body was replaced with skin and she had beautiful blue and white clothes. She had a blue shirt with a blue skirt and blue boots. She had beautiful brown hair in pigtails and beautiful blue eyes. She was now a full fledge human but with awesome robot abilities.

Jenny: What happened!?

Me: You are now an awesome human. Look.

I formed a mirror and she gasped and she saw that she was amazing.

Jenny: Wow! I look incredible!

Laney: Wow! You look awesome Jenny.

Jenny: Thanks Laney.

Brad: Jen, you look awesome!

Nico: I'll say.

Then alarms went off.

Me: Uh oh!

Suddenly a power outage happened and everything went black.

Me: Uh oh. The power's out!

Jenny: I know who's behind this. GIGAWATT!

Me: Who or what is Gigawatt?

Jenny: I'll show you. Follow me!

We were off to the city and we saw GIGAWATT!

---

Gigawatt arrives on Tremorton and starts to drain the electricity of the place. When Jenny battles Gigawatt, she is soon defeated by him after using her plasma ray to attack which Gigawatt absorbed to become stronger. This leads Jenny to use some upgrades that would help her defeat Gigawatt such as covering her entire body with rubber to be invulnerable to Gigawatt's attacks. However, Gigawatt creates electromagnetism in an object to attract Jenny's metal body to it. She later tries different upgrades to take down Gigawatt but fails in all the attempts.

Jenny, her mother, and her friends make a plan together involving teamwork using the previously used upgrades to make a surprise attack on Gigawatt. Gigawatt is defeated afer Jenny splashes water on him which decreased Gigawatt's energy until being reduced to a talking lightbulb. Gigawatt's head is put in a box and imprisoned afterwards, preventing him from draining energy again.

---

Lincoln: WHOA! He's a living Lightning Bolt.

Laney: An anthropomorphic lightning bolt! We've seen anthropomorphic animals but never Anthropomorphic Lightning Bolts.

Lana: That's true.

Shanan: He's an Uxitian Energy Vampire.

Nico: What are Uxitian Energy Vampires?

Shanan: They are very dangerous creatures that come from the planet Uxi VII. It comes from the Cartwheel Galaxy and they steal energy to make themselves more powerful.

Me: Wow! Thats amazing! Lets get him!

Juleka: Swanno! WHITE FEATHERS SPREAD!

Juleka turned into Maestra.

All of us had Gigawatt surrounded.

Gigawatt: (Transylvanian Accent) So the famous Team Loud Phoenix Storm is here.

Alexis: You really picked a bad day to commit crimes, Gigawatt.

Danny Phantom: Face it, dude. There's no way out. Do you really want go to all the trouble of fighting us off when you could just succumb to the inevitable and give up?

Numbuh One: I know you're not looking forward to what happens next. But I give you my word as a KND operative, if you surrender, I'll make sure your death is quick and painless.

Agony: Forget that. We want to hear this one beg for mercy!

Jenny: I agree with Agony. I've been waiting for this moment!

Panda King: (to Gigawatt) Just submit. I can see you're about to pass out. This is only going to end badly for you.

Raven: Panda King's right. Why put yourself through one last struggle.

Gigawatt: (smirks) There's still plenty of fight left in me. (throws lightning at us)

Lincoln fired a powerful blast of lightning and the blasts collided and exploded with incredible power.

KRABBBBOOOOOOOOOOOOOOOOOOOOMMMMM!

Me, Bella and Ben scanned him with our Omnitrixes and we acquired his DNA.

Ben turned into Feedback.

Ben: FEEDBACK!

He sucked out some of his energy.

Feedback: You think you can fight off all of us? We just need to hit you with combos and Final Smashes and it'll all be over!

Override: You're just making things harder for yourself!

Maria fired a powerful blast of water and it shorted him out and weakened him.

Troy Burrows: Time we speed things up!

Megaforce Rangers: Legendary Ranger Mode: Turbo!

The Megaforce Power Rangers turned into the Turbo Power Rangers.

Lily fired a powerful blast of water and it shorted him out.

I punched Gigawatt in the face and Nico fired a powerful blast of water and it hit him in the face and the Megaforce Power Rangers fired energy blasts from their blasters and swords and they hurt him.

Gigawatt: I think it's safe to say that you idiots underestimated me! What makes you think I"ll be easy to kill? I'm an energy being. And we all know that you can't destroy energy! Did you really think you could defeat me?

Juleka: (smirks) Actually, I think it was a pretty safe bet.

Jenny fired a powerful blast of water from a firehose blaster and it hurt Gigawatt all over. We blasted him with water and fire blasts and really hurt him.

Me: Time for some serious combo power!

G1 Bumblebee: Right! CYBER KEY POWER!

The Autobot Cyber Planet Key went into his back and enhanced his laser blasters 100-fold.

Fire: Lets hope he doesn't like spicy food. GIGANTION CYBER KEY POWER!

The Gigantion Cyber Planet Key went into her right arm device and enhanced her fire powerful 100-fold.

G1 Bumblebee and Fire: FIRESTORM LASER DANCE!

Bumblebee fired laser blasts and Fire fired powerful blasts of fire and they hit Gigawatt and exploded.

Shrapnel: Time for some lightning power! CYBER KEY POWER!

The Decepticon Cyber Planet Key went into his back and enhanced his electrical abilities 100-fold.

Riku: Time for some powerful lightning! GIGANTION CYBER KEY POWER!

The Gigantion Cyber Planet Key went into his right arm device and enhanced his keyblade powers 100-fold.

Shrapnel and Riku: SUPERLIGHTNING THUNDERSTRIKE SHOCK!

Shrapnel and Riku fired a massive blast of lightning measuring at 500 pentawatts and it slammed into Gigawatt and overloaded him!

Me: Lets finish this guy! Final Smash time!

Mei Terumi: You got it! Take this big boy! LAVA STYLE: SUPERVOLCANO GEYSER!

Juleka: (To the viewers) Not even an energy vampire is a match for Team Loud Phoenix Storm.

Nico: No it isn't. Gigawatt has failed this world.

Me: Yep. But you all were great.

Jenny: Thanks J.D. But it was so awesome helping you. It's gonna be an honor to help you guys.

Me: Thanks Jenny.

We shook hands. Sheldon, Brad and Tuck joined us too and so did Nora Wakeman.

When I was done everyone was amazed.

Twilight Sparkle: Wow! So that's how you guys met Jenny.

Camie: That is really cool!

Eli: Boy it sure is.

Nico: One day, we'll help you fight Vexus.

Me: Yeah that bug queen is a monster that needs to be destroyed forever.

Camie: Who is Vexus?

Jenny Wakeman: She is the queen of The Cluster.

She went over her history.

---

Vexus (formerly known as Queen Vexus) is the main antagonist of the Nickelodeon animated series My Life as a Teenage Robot, serving as the main antagonist of Season 1 and 2, and a minor antagonist in Season 3. She is the former queen of The Cluster and the archenemy of XJ-9/Jenny Wakeman. She has clashed with Jenny many times before, nearly succeding each time but ultimately fails. Her second-in-command is Smytus. She possesses the ability to transform, but typically for means of disguise, compared to the multitude of battle forms that Jenny typically uses. Her known forms are as the photographer in Hostile Makeover, a robotic nurse in "Tradeshow Showdown", another robot girl named "QT2" in "Designing Women", a girl named "Violet", and as "Vicky" in "Queen Bee".

She was voiced by the late Eartha Kitt, who also played Yzma in The Emperor's New Groove, Agatha K. Plummer in the 1996 film Harriet the Spy, and Catwoman in the 1960s Batman TV series. She is currently voiced by Cree Summer.

Vexus makers her first full appearance in "Hostile Makeover". She leads a group of Cluster Drones to fight Jenny but they are ultimately defeated, and Vexus taunts her that no matter how much she struggles, Jenny will eventually become a member of the

Cluster before she even knows it as she escapes releasing a cloud of green gas to distract Jenny, in the same moment a small finds its way inside of her.

As the episodes proceeds, Jenny suffers from several changes on her appearance that later turns her into a hideous monster. At the school picture day, Jenny goes berserk when she is photographed by Vexus in a human disguise who then reveals her plans to Brad and the rest of the school and orders the monstrous Jenny to destroy the school as her first task and later take over Tremorton and the whole world. Dr. Wakeman and Tucker arrive in time to cure Jenny by short-circuiting her, but they have difficult with the mind-controlled robot. Just when Tucker is about to reach for the power box, Vexus grabs hold of him, causing him to scream. Jenny hears this and remembers the times she's heard Tucker's horrified screams back in the past. This distracts her enough time for for Dr. Wakeman to attach the jumpers onto her. Once the second pair of jumpers were attached to the power box, Jenny then short-circuits, as planned, completely immobilizing her, and releasing the small robot that was taking control of her. Dr. Wakeman recognizes the small robot and what it is capable of doing, just then Jenny reverts back to normal.

A disappointed Vexus expresses how frustrating is to lose a robot like Jenny to human beings, and then says she will have to "play" with Tucker (whom she is still holding hostage) in order to console herself from her failed plan. But then Jenny threatens Vexus that if she dares to touch Tucker, the small robot (who refers Vexus as "mommy") will pay it. Vexus goes sentimental for it and releases Tuck in trade for the small robot and escapes not without taunting Jenny one last time promising that someday she won't have other choice than joining the Cluster.

## Tradeshow Showdown

Jenny and Dr. Wakeman go to a robot convention where Jenny takes the opportunity so she can make robot friends like her who were created by other scientists like Dr. Wakeman. At first she thinks it's going to be a fun time at the convention, but as soon as they get there Jenny's friendship only gets rejected by the other robots, later meets the arrogant Dr. Phineas Mogg who constantly taunts both Jenny and her mother. After accidentally a disorder with dishes, Dr. Wakeman suggests Jenny to bring a teapot robot to the comfort area attended by an innocent nurse robot called "Vee" who presents herself as a caring and noble robot. Vee then asks Jenny if she would like to relax a little just before Dr. Wakeman calls for Jenny, much to Vee's anger who proceeds to implant a small device on the teapot robot that makes it turn berserk. Afterwards, Jenny returns to the comfort area and decides to take a break just before she is called by her mother again but this time Vee forcefully makes Jenny sit on the relaxing seat which traps Jenny and tries to use a gun on her head. Vee reveals that once the proccess is done, Jenny will forget any memory she had with humans and will join the Cluster, and much to Jenny's horror the nurse robot then reveals herself to be Queen Vexus.

The evil queen threatens Jenny to join her or perish to which Jenny mockingly asks if she has even an army to fight, and Vexus replies that she indeed has already one and activates the orb over her head to activate the small devices she put as Vee on the robots she attended on the comfort area, making them all go berserk and orders them all to turn against their creators, the humans. Fortunately, Jenny manages to defeat all the robots after finding out their different weaknesses, much to Vexus' annoyance who claims that she will have Jenny killed for her foiling her plan once more, only to be attacked behind by Dr. Wakeman who says that she will never let Vexus hurt her daughter in response. After defeating all the corrupted robots, Jenny tells Vexus she will be the next, but the evil queen holds a defeated Dr. Wakeman whom refers as "Jenny's weakness" and throws her at distance, giving her the enough time to distract Jenny and escape, but not before taunting Jenny one last time that they will encounter again soon.

## Around the World in Eighty Pieces

Krakus, a scientist robot and one of Vexus' allies comes to earth with a device capable of defeating Jenny, although Jenny does not consider him even a threat because of his incompetence and bad luck at creating things. When Jenny encounters him, Krakus asks if she wants to see his new invention, the disassembler to which Jenny tells him to proceed with it and Krakus activates the device and it does nothing at first though, but then every part of Jenny's body detaches from her and goes flying around the world only leaving her head behind. Krakus then mocks the teenage robot who tries to fight back as a head only for Krakus to throw it as bowling ball towards Sheldon and Brad and proceeds to celebrate his success with telling Vexus that earth is completely defenseless without Jenny around, but the communication device falls apart giving Krakus' luck and takes the rest of the episode trying to repair it.

After gathering enough of Jenny's parts, the last one was inside of an arcade's claw machine game but after winning the game the arcade closed before they could receive it. Just in that moment, Krakus finally makes communication with Vexus to tell her the good news, Jenny's friends start to panic but she has a plan in mind. Vexus tells Krakus that it better not be one of his failed inventions, but Krakus claims that his latest actually worked and disassembled Jenny, but then Jenny (seemingly) full appears with her body much to Krakus' surprise who attempts to use the disassembler again but it falls apart again because of Tuck stealing an important clip that kept it intact. An horrified Krakus realizes that his plan was ultimately foiled, just when a furious Vexus demands to meet him on her office and pulls him to the communication device which teleports to Cluster Prime. It's then revealed that Jenny actually put her head and her body parts on a small tree that made her look that she had her full body.

Designing Women

Vexus returns with a new machine to fight Jenny. However, Jenny soon uses her gadgets to help in battle much to Vexus' annoyance who claims how could she fight Jenny if she has a vast number of gadgets with her. Vexus proceeds to escape and Jenny tells her to fight "mano a mano" (hand to hand) but Vexus refuses and decides to leave not before telling Jenny that her weaponry will not protect her forever. At the same time, Sheldon gets interested on finding a way to Jenny's heart and makes a plan to steal Jenny's schematics from Dr. Wakeman during night in order to achieve it. However, Sheldon wasn't aware that he was secretly being spied on by some Cluster members who inform Vexus about Sheldon's activity on

Jenny's house, but she shows more interest on what he has stolen, Jenny's master plan. After arriving at home, Sheldon takes a look at the schematics and clearly expresses her love towards Jenny. Vexus, now realizing that Sheldon has a thing for girl robots, comes with a plan of taking the schematics from Sheldon, and seductively commenting that soon he will love her too.

The next day, Sheldon is stillt trying to figure out a way to have Jenny love him, but is suddenly disturbed after someone falls down from the rooftop to the bushes of his house. Sheldon pulls them on from the legs and they turn out to be a robot girl who presents herself as "QT-2" to Sheldon, much to his surprise. QT-2 explains she was flying across the town and her rockets suffered a malfunction that made her fall on Sheldon's house, all while acting seductively to the teen. Although Sheldon reveals he already has a thing for Jenny, QT-2 expresses how they could have something deeper. Sheldon then has a complete fantasy of him and QT-2 together in love, later getting married and finally becoming parents with children. QT-2 snaps him out the illusion by faking being gravely injured by the impact, to which Sheldon seeks to find something in another room to help her. In that moment however, QT-2 steals the schematics and leaves just before Sheldon enters again in the room and enters in panic as he finds out both QT-2 and Jenny's schematics have disappeared. Fearing that Jenny may get him for what he's done, Sheldon seeks for QT-2 who is hiding behind a tree, who then laughs maniacally revealing herself as Vexus all along who is glad of finally knowing Jenny's weaknesses and although she generally dislikes playing dirty, this time she will gladly make an exception.

Later, while Jenny was reading and walking down the street, she notices the inhabitants Tremorton hiding on their houses as fast as possible and then finds the reason is Vexus who has been waiting for Jenny to appear. Jenny questions why she hasn't brought any army with her to which Vexus responds that today they will handle it hand to hand alone and Jenny mockingly reminds her to be careful with breaking some nail, but Vexus mentions the only one broken will be her. Jenny then attacks first starting using her weaponry, but Vexus already knows how to dodge and even undo them, at the same time commenting the name of each gadget she uses and their weak points. After realizing about it, Jenny wonders how did Vexus know all her weaponry's functions and weaknesses to which she responds with "insider information" and proceeds to give an explanation of all she knows of her at the same time she beats Jenny and punches her at large distance to a tree. Sheldon finally finds Jenny and explains that he accidentally gave her schematics to Vexus and she has been using them for her own benefit, much to Jenny's anger with Sheldon for stealing such important information of her.

Vexus attacks again and reminds Jenny that she knows all her gadgets but Jenny responds that is not the gadgets that matter but is the girl that wields them and proceeds to use the same pattern attack she used back with Vexus but with changes and using them in a way strategically that Vexus doesn't expect. After shooting her away, Jenny asks Sheldon to give her the new weapon he's been creating for her, much to the delight of the teen. Vexus then returns and claims Jenny has no more surprises for her but Jenny reveals she has one more weapon to show and although Vexus at first doesn't even bother, she immediately panicks after seeing it grow into a weapon of mass destruction and finally decides to escape by a portal. It's then revealed that the mass destruction weapon was just a new pencil sharpener for Jenny who then proceeds to attend pending issues with Sheldon in a painful way.

## Toying with Jenny

After a successfully saving earth from a certain doom as usual, Jenny was put on the cover of the Tremorton Tattler, who is then greeted by a toy maker known as "Mr. G. Petto". The toy maker offers her the opportunity of getting famous and gives her a ride on his car to explain the deal in detail, leaving Jenny's friends behind. Later on, Jenny visits Brad and Tuck with a prototype doll of herself and explains that Mr. G. Petto made a deal with her of creating a toy brand line of dolls based on her resemblance. Afterwards, Jenny's toyline progressively grows in popularity and everyone in Tremorton buys her dolls, excluding Brad. After getting ignored by Jenny because of having a lot of friends to give her autograph, Tuck feels frustrated that his best friend just (unintentionally) ditched him and damages his Jenny doll in frustration. However, the doll somehow activates itself without need of battery and tries to kill both Tuck and Brad, escaping from it in time. In Mr. G. Petto's factory, after finding out one of the toys was activated prematurely, a strange voice inside his head (Vexus) scolds the toy maker for his incompetence and orders him to solve it, who then proceeds to activate all the Jenny dolls in Tremorton at the same time, causing terror and panic among the citizens.

Vexus and Krakus dropping the disguise.

After being informed by Brad and Tuck about the situation, Jenny visits Mr. G. Petto's factory where all the Jenny dolls have gathered. Jenny informs Mr. G. Petto that she has come to rescue him from the dolls that have become evil, only to be responded with an evil laugh from Mr. G. Petto who reveals himself to be Vexus and Krakus disguised into one all along and proceed to trap Jenny, Brad and Tuck in the factory with all the Jenny dolls willing to destroy them. As they approach, Jenny makes a plan of distracting the dolls the enough time for Brad and Tuck to turn off the switch that made the dolls evil, although with some doubts of Brad about identifying the correct lever having Tuck to explain it was made by Krakus and therefore it is pretty predictable. After deactivating the dolls at the right moment, Vexus wonders how it happened and Krakus wonders if it would be because someone shut off the master power switch much to Vexus' annoynace who scolds Krakus once again reminding him of how many times she has told him not to include master power switch on the plans. Jenny then liberates herself from the deactivated dolls and goes after Vexus and Krakus but they escape in time in a giant spaceship of a Jenny doll, but not before threatening Jenny that the next time they encounter it will be the last (foreshadowing the events of *Escape From Cluster Prime* ).

Escape From Cluster Prime

It first starts out when Jenny is fighting Queen Vexus and her army as the people of Tremorton are celebrating the tricenntenial of the city's founding. After having her army destroyed again, Vexus expresses that she has had enough trying to fight Jenny by bringing several variants of the Cluster to deal with her and proclaims that if she can't bring Jenny to the Cluster, she will bring the Cluster to Jenny before escaping once again in a teleporter that she leaves behind. Although succeeding on defeating Vexus as usual, Jenny is blamed by the people of Tremorton for (accidentally) destroying the celebration and almost the town and is scolded by Dr. Wakeman for that, viewing her as a troublemaker for the rest of the people before leaving Jenny alone. Later, while Jenny was upset by her mother and the townspeople's attitude towards her, she wanders the wreck site and stumbles onto the transporter Vexus used to escape and is transported to Cluster Prime. She finds herself in a junk yard chased by robots before she gets taken to Cluster High School and while trying to escape from there, Jenny meets Vega and her friends who bear the looks of Tuck, Sheldon and Brad. Jenny hangs out with them for a while and then sleeps the night on a park bench.

Meanwhile on earth, Tuck, Sheldon and Brad are looking for Jenny with the help of Dr. Wakeman but their search is interrupted by the Cluster and Krakus sets free an army of bug-sized and shaped robots. Back with Jenny, just as she jogs, a giant magnet lifts her off the ground and takes her back to the high school with Vega. In the halls, Vega and her friends tell Jenny about the trimillenial celebration. Then they go to "History 101", where Jenny learns that the Cluster people have been lied to through Vexus' government propaganda; they are being told that Jenny (depicted as an evil metal monster) is responsible for stealing the people's golden chips which grants them powers like fighting or flight. Later on earth, Dr. Wakeman along with Tuck, Sheldon and Brad barricade the house and there make a plan to fight the Cluster as Brad becomes a revolutionary leader, while Dr. Wakeman reveals herself to be a former member of the Skyway Patrol and heads with Sheldon to face Vexus. It's then revealed that not just Dr. Wakeman, Jenny's friends and Tremorton are looking for her, but Vexus herself is also obsessively searching for her without success. At the same time, Krakus' army falls when the Tremorton makes their way to defend themselves from the robots by attacking to their weak points. However, Smytus and Vexus take notice of this when Krackus informs them. Smytus keeps telling Vexus that he should sent out his army, but Vexus insists that they should wait for Jenny.

When Jenny sees that the Cluster citizens need help when there is trouble, she disguises herself with a helmet and Cluster flag so she can perform her heroic deeds without revealing herself to be the hated XJ-9. However, her deeds soon draw attention from Cluster forces loyal to Vexus, who put a bounty out on her head and attempt to lure her into a trap. Jenny is soon exposed on Cluster Prime and is forced to flee from the Cluster authorities, but as she hides she soon discovers she entered Vexus' palace. After passing through the guards, Jenny soon enters in Vexus' office and there discovers that Vexus has stolen and hid the citizens' golden chips while scapegoating Jenny for the theft and while trying to escape she surprisingly encounters Vega. Meanwhile on earth, Vexus is irritated that some kids are foiling her plans, just in the moment Dr. Wakeman and Sheldon get in thanks to the teleportation. Dr. Wakeman and Vexus have short talk about their previous fights and both ask each other the same question, where is Jenny and engage in a fight. Back on Cluster Prime, Jenny asks Vega what she is doing in Vexus' palace and reveals that she is Vexus' daughter, making her Crown Princess of Cluster Prime. However, she leaves soon after being chased again by the guards shouting her name in front of Vega, leaving Vega in shock and confused for what she's seen just then she notices the golden chips that her mother stole.

While fighting Vexus, Dr. Wakeman demands to know where Jenny is but she also thought Dr. Wakeman knew where she is leaving them both without any idea of where she could be until Sheldon mentions Cluster Prime and Vexus remembers she's been notified about recent events on the planet and leaves on a mini spaceship to Cluster Prime being followed behind by Sheldon and Dr. Wakeman on her other spaceship. After learning the truth about her mother, Vega and her friends decide to help Jenny by using their golden chips to fight the Cluster and Vega has a plan to make everyone on Cluster Prime learn the truth. After getting to the antenna, Jenny transmitsa Vega through anywhere on the planet and exposes all Vexus's crimes to everyone just in the right moment Vexus arrives on the planet and tries to destroy Jenny much to Vega's dismay who tells her to stop, but Vexus responds that she is currently "working" and comments is nice to see Jenny where she belongs only for Jenny to reveal the results of having her on Cluster Prime exposed Vexus' crimes to all her people who already realized she had deceived them and call for her removal from the throne, much to the fury of the queen who proceeds to release her rage by brutally beating Jenny to death, only to be saved by Dr. Wakeman who arrives in time to engage Vexus in a final showdown in which she loses. Vexus asks Vega to fight back for her and Cluster Prime and Vega does it precisely by releasing the golden chips to all the citizens of the planet. Realizing that her reign has come to an end, Vexus is forced to flee but not before vowing revenge on Jenny, she is last seen getting hit by a trash truck in space. Later on, Jenny would decide to stay on earth to stop Smytus from blowing up the planet and reuniting with her mother and friends, as well as being recognized as a true heroine by Tremorton.

No Harmony with Melody

Vexus makes a cameo in "No Harmony with Melody" after Jenny told Tuck that the girl dating Brad was the daughter of a villain, Tuck thought of Vexus and the Space Bikers as possible candidates and even a sockpuppet, all the three while laughing evily on the background. In addition, Jenny already knew that Vexus had a daughter.

Trash Talk

Vexus (along with Smytus and Krackus) were revealed to be at the garbage dump asteroid, as Vexus plans on looking to drain Jenny of her energy.

Queen Bee

Vexus makes a return to Tremorton and pretends to be "Violet" at Tremorton High.

Can't you hear, can't you hear the thunder?

You better run, you better take cover

Living in a land down under

Where women glow and men plunder

Can't you hear, can't you hear the thunder?

You better run, you better take cover

'Cause we are living in a land down under

Where women glow and men plunder

Can't you hear, can't you hear the thunder?

You better, better run, you better take cover

He danced and fired waves of coconuts and smashed all the Moles all over with Coconuts!

Patrick: (Offscreen) DAHAHAHAHAHA! THOSE GUYS ALL GOT HIT IN THE HEAD WITH A BUNCH OF COCONUTS!

Me: (LAUGHS) That is funny! But awesome!

Nico: Sorry, D.K. We didn't want to bother you.

Donkey Kong: No worries Nico. But thanks for saving my bananas.

Nico: Anytime.

But then my Geiger Counter was clicking like mad!

Me: Uh oh! I hope we didn't unearth veins of uranium during the battle.

Eli: I don't think so. I sense something.

Then out came a glowing figure and it was a black version of Atomix! It was ANOTHER ATOMIX!

Nico: Whoa Another Atomix!

Qin: This one is intensely radioactive!

Xenia: Geez!

Camie: We got to get out of here.

Me: Camie we're okay. We're immune to Gamma Radiation.

Nico: Yeah.

Me: But who is our Radioactive Friend?

Another Atomix: (In a girls voice) (Ukrainian Accent) You do know me J.D.

Me: (GASP) Anna Novamennikova! I had a feeling this would be you.

Nico: You know her J.D.?

Me: Yep Her name is Anna Novamennikova and she is from Ukraine and she an Espionage Agent. She went all over the world and got secrets from corrupt dictators and nobleman and revealed it all to the world. She works for the CIA to dig up some dirt on them.

Nico: I thought that voice sounded familiar.

Another Atomix: Good to see you too Agent Nico.

Nico: You too Anna.

Another Atomix: Sorry I'm not in your harem.

Nico: No worries. I know you have your sights on J.D.

Kaito: (gets out Wizard gear) Did Swartz promise you anything?

Zocks: (gets out Gaim gear) Because we can grant it instead.

Another Atomix: Just to be a great spy like my idol and hero James Bond.

Qin: You already are a great spy yourself Anna.

Me: Yeah. And James Bond is with the team so he can gladly teach you everything he knows.

Another Atomix: I knew that Swartz was lying to me. Also he was in a hurry to send me out because I'm radioactive.

Me: You're what's called a Uranonian. They are aliens that are intensely radioactive and produce a tremendous amount of Gamma Radiation.

Nico: Yeah.

Another Atomix: That explains it.

Me: Sorry we have to fight like this.

Another Atomix: No worries. Lets dance.

Me: Gladly. (ACTIVATES EVIL LIFE MINIONS RIDEWATCH)

(ON MY WAY BY PHIL COLLINS PLAYS)

Me: (SINGING DIVINELY AS LEAVES, FRUIT AND FLOWERS SWIRL AROUND ME)

Tell everybody, I'm on my way

New friends and new places to see

With blue skies ahead, yes

I'm on my way

And there's nowhere else that I'd rather be

Tell everybody, I'm on my way

And I'm loving every step I take

With the sun beating down, yes

I'm on my way

And I can't keep this smile off my face

'Cause there's nothing like seeing each other again

No matter what the distance between

And the stories that we tell will make you smile

Oh, it really lifts my heart

So tell 'em all I'm on my way

New friends and new places to see

And to sleep under the stars

Who could ask for more

With the moon keeping watch over me

Not the snow, not the rain

Can change my mind

The sun will come out, wait and see

And the feeling of the wind in your face

Can lift your heart

Oh, there's nowhere I would rather be

'Cause I'm on my way now

Well and truly

I'm on my way now

Tell everybody, I'm on my way

And I just can't wait to be there

With blue skies ahead yes

I'm on my way

And nothing but good times to share

So tell everybody, I'm on my way

And I just can't wait to be home

With the sun beating down, yes

I'm on my way

And nothing but good times to show

I'm on my way

Yes, I'm on my way

I danced and fired waves of leaves, flowers, fruit and grass and smashed her down.

Nico: (takes out Melter's Ridewatch) Time to get melted!

Nico activated it.

(EL DORADO BY ELTON JOHN PLAYS)

Nico: (SINGING DIVINELY AS MOLTEN GOLD SWIRLED AROUND HIM)

Our glorious city

Was build by the divinities by Gods

Who saw fit to bestow

The gift of a pardise

Peaceful and harmonious upon

Us mere mortals below

And made El Dorado

The magnificent and golden

One thousand years ago

El Dorado, El Dorado, El Dorado

But all this was granted

For only one millennium

I know my legacy is to fulfill

My promise to all my people

Who have trusted me, the Gods

Will approve of us still

Preserve El Dorado

The magnificent and golden

And I believe they will

El Dorado, El Dorado, El Dorado

El Dorado, El Dorado, El Dorado

The mountains so high and waters deep

Are her disguise

Her secrets are safe from foreign hands

And eyes forever

Preserve El Dorado

The magnificent and goldent

And I believe they will

El Dorado, El Dorado, El Dorado

El Dorado, El Dorado, El Dorado

El Dorado, El Dorado, El Dorado

El Dorado, El Dorado, El Dorado

He danced and fired waves of gold and smashed her down.

Nico: OH YEAH!

Qin: Love that song.

Jenny Wakeman: My turn! (ACTIVATES BLACK SPIDER'S RIDEWATCH)

(THEN YOU LOOK AT ME BY CELINE DION PLAYS)

Jenny Wakeman: (SINGING DIVINELY AS LIGHT SWIRLS AROUND HER)

Laugh and cry
Live and die
Life is a dream we're dreaming
Day by day
I find my way
Look for the soul and the meaning
Then you look at me
And I always see
What I have been searching for
I'm lost as can be
Then you look at me
And I am not lost anymore
People run
Sun to sun
Caught in their lives ever flowing
Once begun
Life goes till it's gone
We have to go where it's going
Then you look at me
And I always see
What I have been searching for
I'm lost as can be

Then you look at me

And I am not lost anymore

And you say you see

When you look at me

The reason you love life so

Though lost I have been

I'll find love again

And life just keeps on running

And life just keeps on running

You look at me and life comes from you

From you

She danced and fired waves of light and smashed her down!

Me: Love that song Jenny!

Maria: Top this one. (Activates New Wave's Ridewatch)

(VIVALDI'S RAIN PLAYS)

Maria: (SINGING IN ITALIAN AS WATER SWIRLS AROUND HER)

Signore guidami

E dimmi cosa fare

Ho vista l'amore della mia vita

E lui ha vista me

Sono confuse, lo confonde

Gli voglio dire che l'amo

E spero dira lo stesso

Sono passate due settimante

La vita scorre veloce

Il mio cuore batte forte

Signore guidami e dammi pace

Ti chiedo cose dire, come dirlo

Nostrami come dire che l'amo

Nostrami come dire che mi ama

Sto pregando che dira di amarmi

Maria danced and fired waves of water and smashed her down.

Sougo: (gets out Grand Zi O Ridewatch) Since this is a powerful form, better bring out the big guns!

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!"

Geiz: (gets out IbukiRidewatch) That's a good idea.

Armor Time! (Orchestral music followed by Onteki whistling) Ibuki! (trumpet riff)

Sougo turned into Grand Zi O while Geiz got IbukiArmor.

Nico: Awesome idea!

Me: Yeah!

Maria: Lets keep it up!

Sougo tapped the statue for Kiva and then the year 2008 appeared and out came Wataru and he smashed down Another Atomix!

Nico: OH YEAH!

Me: Take that!

But then…

CRUNCH!

Me: OUCH!

Something bit me on the foot!

I looked at my foot and saw an Advanced Crystal Beast Ruby Carbuncle by me.

Me: Whoa.

I picked it up.

Me: There's our Advanced Crystal Beast Ruby Carbuncle.

Nico: Cute little one.

A.C.B. Ruby Carbuncle: (In a girls voice) I know I'm cute huh?

Nico: Ruby Valliance! Wow!

Me: Cool! Who would have thought that the next gene-slammer would bite me.

She reverted back and Ruby was a girl with red hair and red clothes, ruby red angel wings and had a red jewel in the middle of her forehead.

Ruby Valliance: Sorry about that J.D. I got this for you.

She fired a blast of red energy and blasted down Another Atomix. Anna was back to normal and I caught her ridewatch and purified it and I went over to her. Anna was a girl with blond hair and blue eyes and she had blue and yellow clothes and the symbol of Ukraine's coat of arms on her skirt.

I picked her up.

Me: Anna are you all right?

Anna Novamennikova: (GROANS) What a headache.

Me: But you're okay.

Nico: And the bananas are okay!

Donkey Kong: All back safe and sound.

Ruby Valliance: Good to know.

Jesse Anderson: Ruby the Advanced Crystal Beasts are the evil versions of the Crystal Beast Monsters.

Ruby Valliance: I know. And it's good I was able to control my Gene-slammer half. But it's cool having all these powers. Also the Ruby is my birthstone and I was born in July. So that is very symbolic to me.

Qin: It sure is Ruby. Awesome to see you again.

Ruby Valliance: Same here Qin.

Jenny Wakeman: What's your favorite memory of Nico?

Ruby Valliance: I have a lot of them but my favorite is when me and Nico were in Music Class and I played the Ocarina to a Celtic song that me and Nico played and everyone loved it. It was so awesome.

Me: Which song did you guys play?

Ruby Valliance: We played Gach Ean by The Barleyshakes.

Qin: Cool!

Me: That's one of my favorites.

Aylene C.: Awesome. I think that's so cool.

Me: It sure is.

Nico and Ruby hugged.

Nico: I've really missed you Ruby.

Ruby Valliance: Me too Nico. Me too.

Me: One down 6 to go. Next up is Amber Mammoth.

Nico: Yep.

Jesse Anderson: But this was a good one.

We went back home.

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, Anatankha, Timmy Turner, Cosmo, Wanda, Poof, Trixie Tang, and War Machine are heading to the world of the 1996 movie, Sometimes They Come Back… Again, and not only is Lincoln going to rescue the seven girls here, but we're also going to kill Tony Reno, who's come back from the dead reborn as a demon, and that thug's also brought his two friends, Vinnie and Sean, back from the dead reborn as demons, thanks to a Satanic ritual, and Morgana DeRose, Adara Dunstan, Autumn Melaina, Victoria Donovan, Raven Duncan, Veronica Keiron, Winter Varyona, and Mara Ceirin have a score to settle with that Satan-worshipping thug and his friends for using black magic and practicing Satanic rituals and killing innocent people to prove their loyalty to Satan.

Lincoln: Whoa, we're here in the world of the 1996 movie, Sometimes They Come Back… Again, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we're also going to kill Tony Reno, who's come back from the dead reborn as a demon, and that thug's also brought his two friends, Vinnie and Sean, back from the dead reborn as demons, thanks to a Satanic ritual.

Morgana DeRose: And we've also got a score to settle with that thug and his friends.

Nico: Whoa, this is really serious.

Adara Dunstan: It sure is. Long ago, we went down to the town of Glenrock, because there's been reports of activity of the Satanic kind, and we met up with psychologist Jon Porter and his daughter, Michelle, who came back to his hometown after the mysterious death of his mother. But, for him, the painful memories returned to him: because thirty years ago, he witnessed the brutal murder of his sister, Lisa Porter, at an abandoned cave mine, and the culprits behind it was local thug, Tony Reno, and his two pals, Vinnie and Sam. But, Jon managed to throw an electrical wire into a puddle of bloody water they were standing in, killing all three of them.

Autumn Melaina: But, it gets worse than that, we found out from Father Archer Roberts, a priest Jon came to when Lisa was murdered, told us and Jon that his mother's death was not an accident.

Nico: So, if it wasn't an accident, it was murder.

Victoria Donovan: That's right, Nico, and we also found out from the spirits of The Netherworld that the boy who looks and has the same name as Tony Reno was indeed the same Tony Reno who killed Lisa and was also killed thirty years ago, and that he's come back from the dead, and he's done a Satanic ritual and brought back Vinnie and Sam, but all three of them have turned into demons.

We gasped in horror.

Lincoln: Whoa, this is some really dark stuff.

Nicole: You said it, Lincoln. So, what did you all do to stop them,

Morgana?

Morgana DeRose: In order to stop them, Jon had to reenact the events of the murder of Lisa, but instead of killing Michelle, he saved her, and we were able to use a ritual given to us by Father Roberts to banish Tony and his friends back to Hell.

Lincoln: But, now they've come back yet again to get revenge. But, as much as I'm tempted to send them to The Black Gates, I think sending them back to Hell is a better idea. Remember yesterday when you and your coven got those spellbooks, Morgana?

Morgana DeRose: That's right, we checked them out and we saw there's a spell that will send Tony Reno, Vinnie, and Sean straight back to Hell for all eternity, and no form of black magic, Dark Orb, Number Card, or Aparoids will ever bring them back from the dead again.

Me: Whoa, now that's awesome!

Lincoln: It's better that they suffer their eternal torment in Hell than in The Black Gates, since they'd tampered with forces beyond their comprehension and they sold their souls to The Devil.

War Machine: You got that right, Lincoln, and thanks for inviting me on this rescue.

Lincoln: You're welcome, War Machine. Now, let's find out where that thug and his friends are at.

Morgana DeRose: If memory serves right, they should be at the abandoned mine cave, their favorite hang-out and where they died thirty years ago.

Nico: And it'll be their eternal resting place.

Suddenly, we saw the Mekk-Knight Duel Monsters, Mekk-Knight Red Moon, Mekk-Knight Orange Sunset, Mekk-Knight Yellow Star, Mekk-Knight Green Horizon, Mekk-Knight Blue Sky, Mekk-Knight Indigo Eclipse, Mekk-Knight Purple Nightfall, Mekk-Knight Spectrum Supreme, Mekk-Knight Avram, Mekk-Knight Crusadia Avramax, Girsu, the Orcust Mekk-Knight, and Mekk-Knight of the Morning

Star, appear before us, and with them were Jon Porter, his daughter, Michelle, and the seven girls.

Nico: Whoa, the Mekk-Knight Duel Monsters, Mekk-Knight Red Moon, Mekk-Knight Orange Sunset, Mekk-Knight Yellow Star, Mekk-Knight Green Horizon, Mekk-Knight Blue Sky, Mekk-Knight Indigo Eclipse, Mekk-Knight Purple Nightfall, Mekk-Knight Spectrum Supreme, Mekk-Knight Avram, Mekk-Knight Crusadia Avramax, Girsu, the Orcust Mekk-Knight, and Mekk-Knight of the Morning Star, so awesome.

Lincoln: And they got Jon Porter, his daughter, Michelle, and the seven girls away from Tony Reno and his pals. But, it's not going to be long before they come after us.

Suddenly, we heard the sound of demonic roars, and we saw three figures heading for us: it was local Satan-worshipping thug, Tony Reno, and his pals, Vinnie, and Sam, and Tony had his switchblade out to stab the seven girls.

Lincoln: Tony Reno, Vinnie, and Sam, just the Satan-worshipping thugs we were looking for.

Lincoln fired powerful rainbow energy balls and elemental forces at Tony Reno, Vinnie, and Sam, and that allowed the seven girls, along with Jon Porter and Michelle, to get to safety inside of a rainbow energy field created by Lincoln to protect them from Tony Reno, Vinnie, and Sam, and that pissed off badly.

Tony Reno: You fools have ruined everything! We could've finally gotten our revenge on Jonny by killing him and his daughter, along with those other bitches!

Lincoln: You don't get to say a single word, Tony Reno. All you and your friends are a bunch of thugs who took Lisa Porter's life thirty years ago, and for what, to sell your souls to Satan for power. You've messed with forces beyond your comprehension. Plus, there's some old friends who want to see you again.

When Tony Reno and his pals saw Morgana DeRose and her coven, it pissed them off even more and it caused them to change into their true demon forms.

Morgana DeRose: I see you still remember us even after we sent your ass back to Hell, Tony, along with your miserable friends.

Tony Reno: Shut up, bitch! You and your coven are going to pay for what you did to us!

Nico: Not this time, Tony. Your days of bloodshed and destruction are over.

Lincoln: Let's get them!

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Xelnaga Eternity Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel Eternity Infinity Celestial Lightstorm Phoenix Angel of Divine Heavenly Light and Divine Angelic Justice, Timmy transformed into

Super Angel Xelnaga Eternity Infinity Celestial Magical Elemental Fairy Wolf Moon Angel of Divine Elemental Magical Fairy Wolf Justice and Celestial Fairy Magic Hope and he had his large Lupus' Fairy Wolf Moon Mage's Staff of Elemental Magic Justice out and Eye of Lupus steel orb ready, War Machine, Timmy's friends, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their weapons, Rayman unholstered his massive Morpheus's Celtic Dream Greatsword of Peaceful Celtic Dream Justice and Celtic Moon Gauntlets of Glade Justice from his wider and muscular back and transformed into Super Angel Xelnaga Eternity Infinity Celtic Dream Glade Fairy Dragon Angel of Divine Moonlight Celtic Dream Justice and Divine Celtic Moon Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered their massive swords and we transformed, and we went after Tony Reno, Vinnie, and Sam, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit them.

The purity of our attacks were hurting them badly, since they were demons, and then, Nico, Lincoln, and I bound them in rainbow energy straitjackets and rainbow energy chains, so they can't escape. Then, Morgana DeRose, Adara Dunstan, Autumn Melaina, Victoria Donovan, Raven Duncan, Veronica Keiron, Winter Varyona, and Mara Ceirin got out their Spellbooks of The Knightmare Realm and turn to the page, and then, a magic circle appeared below their feet with wiccan runes, and we knew they were going to use the spell.

Morgana DeRose, Adara Dunstan, Autumn Melaina, Victoria Donovan, Raven Duncan, Veronica Keiron, Winter Varyona, and Mara Ceirin: Spirits of The Netherworld, hear our call, we offer you the souls of the Satan-worshipping thugs, Tony Reno, Vinnie, and Sam, for they have messed with the powers of darkness for their sick thrills and sold their souls to The Devil thirty years ago when they murdered Lisa Porter, and we ask you to have these three cursed for eternity: stripped of their demonic powers and trapped in Hell for all eternity where no form of black magic, The Dark Orbs of Xehanort, The Number Cards, nor The Aparoids can bring them back.

The Spirits of The Netherworld answered their prayers, and Tony Reno, Vinnie, and Sam were then stripped of their demonic powers and turned back into their human forms, but they weren't safe for long: the portal to Hell opened up underneath the bloody puddle they were standing on, and demonic hands arose from the bloody puddle and Tony Reno, Vinnie, and Sam were sent to Hell for eternity, and as stated, no form of black magic, The Dark Orbs of Xehanort, The Number Cards, nor The Aparoids will ever bring them back. We cheered wildly as we holster our weapons and powered down, and when we sent Tony Reno, Vinnie, and Sam to Hell for all eternity, that allowed the spirits of Lisa Porter, Jon Porter's mother, Steve, Maria, and Jules to rest in peace and cross into the afterlife.

Lincoln: We did it, not only were Tony Reno, Vinnie, and Sam sent to Hell for eternity, stripped of their demonic powers and demonic forms, and no form of black magic, The Dark Orbs of Xehanort, The Number Cards, nor The Aparoids will ever bring them back, but Lisa Porter, Jon Porter's mother, Steve, Maria, and Jules can finally rest in peace.

Nico: You said it, Linc, and that was one awesome spell Morgana and her coven used.

Lincoln: And I'd recognize that spell all too well: that spell was Mammon's Eternal Damnation Curse, it's a spell and curse that forever damns Satanic worshippers like Tony Reno, Vinnie, and Sam, and if they were brought back from the dead as demons thanks to Lisa's murder, the curse will strip them of their demonic powers and demon forms, and the curse will eventually drag them to Hell for eternity, and where no form of black magic, The Dark Orbs of Xehanort, The Number Cards, nor The Aparoids will ever bring them back.

Me: That's something Brittney would say.

Nicole: Same here, Dad.

Just then, Brittney appeared.

Brittney: That's right, Dad, and Lincoln's right about what that spell and curse was, and I'm glad that it worked on those thugs.

Lincoln: Yeah, and now, all those that were killed by Tony Reno and his pals can finally rest in peace. (To Alice Lancaster, Sophia Devine, Harper Everett, Anna Grant, Penelope Johnson, Audrey Knight, Lily Morrison, Claire Pruitt, Hazel Russell, Jade Stoddard, Avery Shaw, and Stella Sharp) And it's so good to see you again, Alice Lancaster, Sophia Devine, Harper Everett, Anna Grant, Penelope Johnson, Audrey Knight, Lily Morrison, Claire Pruitt, Hazel Russell, Jade Stoddard, Avery Shaw, and Stella Sharp.

Alice Lancaster, Sophia Devine, Harper Everett, Anna Grant, Penelope Johnson, Audrey Knight, Lily Morrison, Claire Pruitt, Hazel Russell, Jade Stoddard, Avery Shaw, and Stella Sharp reverted back, and they're beautiful girls with long flowing hair, eyes, sleeveless open blouses, sleeveless midriff tops, skirts with the Mekk-Knight symbol on them, shoes, and the massive beautiful angel wings matching the colors of the Mekk-Knights, and black pants, and holstered on their backs are massive Mekk-Knight-themed greatswords with the Mekk-Knights they were Gene-Slammed into etched on the 7'0" massive, wide, double-edged colored blades, large colored knight helmets for the crossguards, large colored gems embedded in the rainguards, longer midnight black handles, four large colored knight helmets and large colored gems on the bottom of the knight helmets for the pommels.

Alice Lancaster, Sophia Devine, Harper Everett, Anna Grant, Penelope Johnson, Audrey Knight, Lily Morrison, Claire Pruitt, Hazel Russell, Jade Stoddard, Avery Shaw, and Stella Sharp: You too, Lincoln, it's been a long time, and it's also good to see you and your coven again, Morgana.

Morgana DeRose: You too, girls.

Lincoln made eleven clones of himself and they all went up to Alice Lancaster, Sophia Devine, Harper Everett, Anna Grant, Penelope

Johnson, Audrey Knight, Lily Morrison, Claire Pruitt, Hazel Russell, Jade Stoddard, Avery Shaw, and Stella Sharp and they hugged, and Alice Lancaster, Sophia Devine, Harper Everett, Anna Grant, Penelope Johnson, Audrey Knight, Lily Morrison, Claire Pruitt, Hazel Russell, Jade Stoddard, Avery Shaw, and Stella Sharp were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how strong he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces went even deeper when they saw he has vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you twelve since you were sixteen, and as you can see, I really grew a lot since then.

Alice Lancaster: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new.

Nico: Whoa, Lincoln, you know these twelve girls?

Lincoln: Indeed I do, this is Alice Lancaster, The Mekk-Knight Red Moon Gene-Slammer, Sophia Devine, The Mekk-Knight Orange Sunset Gene-Slammer, Harper Everett, The Mekk-Knight Yellow Star Gene-Slammer, Anna Grant, The Mekk-Knight Green Horizon Gene-Slammer, Penelope Johnson, The Mekk-Knight Blue Sky Gene-Slammer, Audrey Knight, The Mekk-Knight Indigo Eclipse Gene-Slammer, Lily Morrison, The Mekk-Knight Purple Nightfall Gene-Slammer, Claire Pruitt, The Mekk-Knight Spectrum Supreme Gene-Slammer, Hazel Russell, The Mekk-Knight Avram Gene-Slammer, Jade Stoddard, The Mekk-Knight Crusadia Avramax Gene-Slammer, Avery Shaw, The Girsu, the Orcust Mekk-Knight Gene-Slammer, and Stella Sharp, The Mekk-Knight of the Morning

Star Gene-Slammer, and whom Adara Dunstan told us about yesterday.

Nico: Oh right.

Lincoln: Anyways, these twelve girls are my Guardian Angels from Michigan and my classmates in Science, and they're also amazing warriors with awesome skills with swords, shields, and riding on horses, and like Victoria said yesterday, Alice and her friends Gene-Slammed themselves into the Mekk-Knight monsters and formed into the Rainbow Dominion of The Mekk-Knights, hence why they have the symbol for The Dominion of Star Trek on their skirts, to help defend and protect me from the demonic out-of-control wrath of Lori whenever she acts like a control freak, and the other jerks in Royal Woods also backed off whenever they came around, but, it left them feeling really pissed off and wanting to get rid of them for good.

Luna: Yeah, but, they've always failed in the end, and it got them even more pissed off than before. They also have powers over light, all thanks to Gene-Slamming themselves into the Mekk-Knight monsters and they also reigned in that power because of it. They're well-known for their bravery, and like Lincoln said, they've taken on the worst of the worst of Lori's wrath, and Morgana DeRose, Adara Dunstan, Autumn Melaina, Victoria Donovan, Raven Duncan, Veronica Keiron, Winter Varyona, and Mara Ceirin also assisted them in defending Lincoln from his mean sisters, Lori, Lynn, Lola, Lisa, and Luan, but it's Lori the Mekk-Knight Gene-Slammers hated with a burning passion.

Me: I wonder what Lori did to earn their wrath.

Lincoln: It's actually a lot worse than all the times Lori's tried to kill me, J.D.

Me: Oh man.

Nico: And she's tried to kill you via starvation, beating you to death, even stabbing you with knives, and blowing you up with explosives, even allying with Chandler, and those were really bad.

Me: Whoa man! Also girls I know that symbol on your skirts. That's the symbol of the Dominion from Star Trek. That's one of my favorites.

Alice Lancaster: Glad you know that symbol.

Sophia Devine: That is a cool one.

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared around the necks of Alice Lancaster, Sophia Devine, Harper Everett, Anna Grant, Penelope Johnson, Audrey Knight, Lily Morrison, Claire Pruitt, Hazel Russell, Jade Stoddard, Avery Shaw, and Stella Sharp and they hugged, and Alice Lancaster, Sophia Devine, Harper Everett, Anna Grant, Penelope Johnson, Audrey Knight, Lily Morrison, Claire Pruitt, Hazel Russell, Jade Stoddard, Avery Shaw, and Stella Sharp with colored gems on the gold thunderbolt links and colored crystal links from their brand-new Crystal Necklaces of the Buddha which merged with their Elemental Thunderbird Necklaces of Eternal Love, and their new Elemental Thunderbird Chokers of Eternal Love appeared on their neck.

Alice Lancaster: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you and your friends are part of harem and my many future wives, Alice.

Alice Lancaster, Sophia Devine, Harper Everett, Anna Grant, Penelope Johnson, Audrey Knight, Lily Morrison, Claire Pruitt, Hazel Russell, Jade Stoddard, Avery Shaw, and Stella Sharp had a smile on their faces and tears in their eyes, as Lincoln and his clones wrapped their abnormally massive and powerful muscular arms around the girls' waists and the girls wrapped their arms around the thick muscular necks of Lincoln and his clones, and they leaned down to their faces and they kissed them passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the seven girls, and when Lincoln saw them, he recognized them immediately. The seven girls are Callie, Marie, Pearl, and Marina from Splatoon and Fal Ys Meigis, Helen Lean, and Ruri from I've Somehow Gotten Stronger When I Improved My Farm-Related

Skills.

Lincoln: Oh wow, it's Callie, Marie, Pearl, and Marina from Splatoon and Fal Ys Meigis, Helen Lean, and Ruri from I've Somehow Gotten Stronger When I Improved My Farm-Related Skills.

Nicole: Whoa, then, that means Agent 3 is in for a big reunion with her friends when we get back.

Lincoln: You said it, Nicole. And are you girls okay?

Callie: Yes, we're okay, thanks to you.

Then, when Callie and the other six girls saw who it was that saved them from Tony Reno, Vinnie, and Sam, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch

Callie: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you both.

Then, Lincoln made six clones of himself, and he and the six clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Callie: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, seven Thunderbird Necklaces of Eternal Love appeared on the necks of Callie, Marie, Pearl, Marina, Fal Ys Meigis, Helen Lean, and Ruri with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned home to the World Tree Estate, and they were shocked when they found out the villains we went after were Tony Reno, Vinnie, and Sam, the local thugs who died thirty years ago after they killed Lisa Porter in a Satanic ritual, and came back from the dead thirty years later as demons.

But, when Lincoln showed what we did in beating them up badly, and then, Morgana DeRose and her coven using the spell from their new spellbooks they got from yesterday which stripped Tony Reno and his friends of their demonic powers and demon forms and sent them back to Hell forever and cursed to never be brought back by any form of black magic, The Dark Orbs, The Number Cards, or Aparoids, everyone went up to us and they hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and the Mekk-Knight Gene-Slammers have a lot of catching up to do, now that they're back in town.

Maria: You guys really did awesome in kicking Tony Reno and his pals straight back to Hell for good.

Lincoln: It's better they suffer in Hell for all eternity for what they did, and the Mammon's Eternal Damnation Curse made sure they'd never be brought back from the dead by any form of black magic, The Dark Orbs, The Number Cards, or Aparoids.

Nico: Yeah, but I'm going to sense that you also put another curse on them, right?

Lincoln: You bet I did, Nico. If those thugs so much as dare plot to try and escape from Hell to try and get revenge on us, they'll automatically be sent to The Black Gates for good.

Suddenly, we sensed that three souls in Hell have been sent to The Black Gates for eternity. We knew it was Tony Reno and his friends, Vinnie and Sam.

Eli: Sheesh, not a second were they sent to Hell and they already tried to escape from Hell.

Lincoln: Yep, but I knew it would happen, and those thugs didn't even know I put that curse on them after Morgana DeRose and her coven sent them to Hell.

Nico: What a bunch of stupid assholes, and that was really sneaky of you to put that curse on Tony and his pals, Lincoln.

Lincoln: Not exactly sneaky, Nico. I knew Tony Reno and his friends would try to escape from Hell as soon as they arrived in Hell, so if they tried to escape from Hell, my curse will activate, and they'll be sent to The Black Gates for good.

Me: Nice one.

* * *

After putting a permanent end to that demonic Satan-worshipping thug, Tony Reno, and his two pals, Vinnie and Sam, we were training intensely in the gym, this time, doing 900,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Alice Lancaster, Sophia Devine, Harper Everett, Anna Grant, Penelope Johnson, Audrey Knight, Lily Morrison, Claire Pruitt, Hazel Russell, Jade Stoddard, Avery Shaw, and Stella Sharp saw Lincoln working out like crazy, even doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Alice Lancaster: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Sophia Devine: And he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Alice Lancaster: That's incredible.

Nico: It sure is. So, Alice, what's the story on why you and the others hated Lori with a burning passion?

Alice Lancaster: Oh, you are so not going to like this one, Nico. One day, we were off on a trip to the grocery store to get some groceries, but then, we heard a scream in the air, and we ran over to the forest, and we saw who it was that made the scream: it was Lincoln, but he was tied to a pole. We ran over to get him out, but then, we got ambushed and knocked out and also tied to poles, and we saw who it was that did it: it was Lori, and she had given into her Dark Side again, and she began throwing knives at us, and she was laughing like the evil bitch that she is, and we got cut on our faces. Angered, I got out a knife I had in my pocket, and I cut myself out of the ropes, and I did the same to the others, and I got Lincoln out, and this pissed Lori off badly. Lincoln was already seeing red and when we saw his nails grow into claws, we knew Lori pissed him off badly, and she ran over to kill us in a fit of rage, but Lincoln slashed Lori on her legs with his claws, and she then fell to the ground, and we pounced on Lori and we all pulverized her and Lincoln tied her up with energy ropes. We then headed home and we told Mr. and Mrs. Loud of what Lori did, and when we showed them the scars on our faces thanks to Lori, they were peeved at Lori's heartlessness again, and the others were extremely pissed at Lori. Needless to say, Lori got herself grounded for seventeen weeks and she was also sent to Aunt Ruth's. But, that wasn't the end: what Lori did really traumatized Lincoln so badly, he ran over to me and hugged me tight and when I felt tears, I knew she crossed the line. But, we had to think of Lincoln's safety, and the rest of us gave him a group hug, while he continued to cry.

We gasped in horror and we had tears running down our faces: Lori crossed a big line that day.

Nico: Unbelievable. Lori Loud, you've done a lot of bad and lethal things to your brother before that almost killed him, but what you did to him and The Rainbow Dominion of The Mekk-Knights long ago is what I call the pits!

Nicholette Torrington: Lori was always demonic and out of control, Nico, but it was thanks to that evil bitch of a Dark Side she had in her, along with eating those Low-Cal Bean Chips that also made her a cranky, gassy bitch. Seriously, Lori, what have I told you about eating those?!

Lori: But, they were literally delicious and high-fiber!

Nicholette Torrington: (Growls) That's still no excuse, and you're so lucky Lincoln imposed a lifetime-ban on those things months ago, otherwise, if I were to catch you eating any of them and still being a cranky, gassy bitch, I would give you the beating of a lifetime, and I would say right into your face: You've had this coming for a very long time, Lori Loud!

Me: Yipe!

I put the barbell up and I jumped onto the ceiling and I had my claws hooked on the ceiling.

Eli: Ooh, Nicholette's really scary when she's mad!

Lincoln: You said it, Eli, and even though they're friends, Nicholette said it still doesn't excuse Lori's evil actions and control-freak behavior and what she tried to do in killing me and the other Guardian Angels numerous times.

Nico: Yeah. And Nicholette, because of your fury, you caused J.D. to latch himself onto the ceiling like a scared cat.

Nicholette Torrington: I did? (Looks up to see my hands latched onto the ceiling) Whoops, sorry, J.D.!

Me: It's okay.

I let go and descend slowly onto the ground.

Lincoln: But, like I said, that lifetime ban is still imposed, and it's not going to be broken.

Nico: Yeah.

We then got a shower, and then, we were off to Hydrocity Zone in Sonic's world for Clyde's rescue, and not only was Clyde going to rescue the ten girls here, but we got word that Mor'du has come back from the dead, and he wants revenge on us.

Clyde: I can't believe Mor'du has come back from the dead.

Lincoln: Same here, buddy.

Nico: I still owe him for those scratch marks he left on my back years ago.

Me: After everything he did to Merida and her family, Mor'du doesn't deserve to live another single second longer.

Frida (Hilda): That's right, and Clyde, thanks for inviting me to go on your rescue.

Clyde: You're welcome, Frida.

Hilda: (British Accent) And it was so amazing to find out that Frida and Clyde got together.

Lincoln: And it was due to him saving her from bullies, and I did the same thing as well.

Jessica Shannon: He's right, and we still remember that day all too well.

?: HELLLLLLP!

Suddenly, we heard the sound of ten girls screaming for help as they were running, and we saw who they were running from: it was our old enemy, Mor'du, the demon bear. Clyde made a silver energy field to protect them from Mor'du's bloody rampage, and he roared in anger when he saw us.

Nico: I can't believe we had to run into your ugly face again, Mor'du, and I still owe you for what you did in scratching my back with those claws of yours!

Clyde: Let me and Lincoln get rid of him, Nico.

Clyde fired a powerful time energy blast at Mor'du and it really aged him up to the point where he'd turned to dust, and when his spirit appeared, Lincoln drew the Judgement Kanji on his forehead and he was erased by The Black Gates forever.

Lincoln and Clyde: Justice Served!

Nico: That was so awesome! No wonder you guys are both an awesome team!

Stella Zhau: They've been friends ever since they were little.

Me: You got that right, and it's a tight bond of brotherhood.

Nico: Way past cool!

We then went up to the ten girls here, and when Clyde saw them, he immediately recognized them, the ten girls are Shiver and Frye from Splatoon 3, Strawberry Shortcake, Orange Blossom, Blueberry Muffin, Lime Chiffon, Lemon Meringue, Raspberry Tart, and Sour Grapes from Berry in the Big City, and Wairu, The Supreme Kai Berserker from Dragon Ball Heroes.

Clyde: Oh wow, it's Shiver and Frye from Splatoon 3, Strawberry Shortcake, Orange Blossom, Blueberry Muffin, Lime Chiffon, Lemon Meringue, Raspberry Tart, and Sour Grapes from Berry in the Big City, and Wairu, The Supreme Kai Berserker from Dragon Ball Heroes.

Strawberry Shortcake: Is that us?

Lincoln: A different incarnation of you and your friends, Strawberry.

Clyde: Yep. Are you girls okay?

Shiver: Yeah, we're okay, thanks to you.

Then, when Shiver and the other nine girls saw who it was that saved them from Mor'du, their faces turned atomic red.

Shiver: Oh wow, Clyde McBride of Team Loud Phoenix Storm.

Clyde: That's right.

Clyde made nine clones of himself and he and his clones went up to the girls and they kissed, and they became new members of his harem, and we returned home.

Nico: Now, that was another awesome rescue for the books.

Lincoln: You said it, Nico, and we also got rid of Mor'du and this time for good.

Duke Lincoln: (Scottish Accent) That monster, what he did centuries ago ultimately sealed his fate, and now, he'll never hurt anyone again, and did Mor'du really scratch you on your back, Nico?

Nico: He sure did, take a look.

Nico took off his sleeveless trenchcoat and he lifted up his shirt, and he showed the scars from what Mor'du did.

Duke Lincoln: (Scottish Accent) My goodness, those are some nasty scars!

Nico: Mor'du was one mean bear, and though my wounds healed, the scars he left on my back were a permanent mark he made on me.

Me: But, he got what he deserved.

Clyde: You said it.

* * *

We were now walking to the shop of the Junkshop Appliances..

Cera: NOW we meet the insane appliances!

Me: You got that right Cera. Those Appliances are getting a nasty taste of a good old TLPS Reprimanding for this.

Xenia: They sure are.

Danica Metrois: This is gonna be really good.

Qin: Yeah it sure will be good.

We arrived at the Junkshop Appliances shop.

Qin: Nice place.

Me: Yeah.

We went in.

Me: Hello?

Mr. Saint Peters came out.

Mr. Saint Peters: Well hello there Team Loud Phoenix Storm. Welcome.

Me: Glad to be here. Sorry to come in like this but we need to see something in your work room. Nothing serious. Just need to see something.

Mr. Saint Peters: Certainly. Go right in.

We went in.

Then we saw the appliances.

Me: Wow look at all this. Okay you guys we know you're alive.

They saw us.

Rose: So, you guys are the Junkshop Appliances, huh?

Hanging Lamp: (Laughing like Peter Lorre) Yes we are the Junkshop Appliances.

Me: Has anyone ever told you that you look so much like the late Peter Lorre?

Hanging Lamp: (LAUGHS) Yes I sure do don't I?

Qin: That's true.

Me: Oh you're missing a bulb. One sec.

I pulled out a lightbulb and screwed one into him.

Me: There we go.

Hanging Lamp: Oh thank you.

Skywarp: We're gonna do Bushroot a favor and snap your fucking necks!

Nico: Skywarp stand down. These are all appliances. They are not a threat. Besides, we can fix them all up.

Me: Yeah. Just let me get some tools and we'll make them good as new.

Lana: I'm way ahead of you J.D.

Lana pulled out her toolbox and so did Izzy Moonbow and they got to work and fixed up the appliances and made them all good as new and better than ever.

Tape Player: Wow! I'm better than ever!

Fan: I'm all fixed!

Microwave: Wow! This is great!

Skydive: Are they still insane?

Krystal: (British Accent) Not anymore. Their thought patterns have all been fixed and repaired thanks to Izzy and Lana.

Ruby Valliance: Boy Lana and Izzy are quite the repair girls.

Me: Lana is an awesome handigirl. She can fix anything. When you have known her for as long as I have over the last 6 and a half years you tend to know how she operates.

Twilight Sparkle: It's true.

Nico: Yeah but good job you two.

Eli: Yeah. That was great.

Skydive: I guess they needed to be fixed and repaired.

Me: Yep.

Nico: That was awesome though.

Lily: It sure was. If I can fix mentally damaged and diseased people with my healing water Lana and Izzy can do the same with damaged and insane appliances.

Nico: Yeah.

Hanging Lamp: Thank you all for helping us with that.

Me: Anytime. If you want you can join the M.O.E. and we can decide on good archenemies for you.

Hanging Lamp: We would like that.

We later were back at the estate.

Trent: So, what's next?

Nico: Well I got a call from McGee and his friends at Camp Lakebottom. They are having a chili party there.

Me: Ooh! Now you're talking!

Natilee: It'll be awesome to see what they are going to make there.

Nico: And J.D. is loving the sound of that already too.

Xenia: He sure is.

Shaggy: Like oh boy! And I can't wait to have him try some of my Five Alarm Hole In The Bowl Chili.

Me: You make awesome chili too Shaggy. I'll have to call in Chief Wiggum too even though it's not his turn.

Nico: Good idea. And you love his chili.

Camie: Boy his chili is awesome.

Zhuqiaomon: It sure is.

Wolf, Scorcher, Firepower, Evil Star, Key, Overdrive, El Diablo, Toyman, Villamax, Weather Wizard, Yani, Axel, Evil Pharaoh Man, Utomodachi, Opposite Senshi, Queen Cannabis, Raizen, Spatula Girl, Man Spider, and Heart then appeared.

Wolf: Can me, Scorcher, Firepower, Evil Star, Key, Overdrive, El Diablo, Toyman, Villamax, and Weather Wizard go with you guys?

Yani: Me, Axel, Evil Pharaoh Man, Utomodachi, Opposite Senshi, Queen Cannabis, Raizen, Spatula Girl, Man Spider, and Heart will go with as well.

Nico: Yes you all can go with us. This is gonna be so awesome too.

Laney: It sure is.

Camie: It'll be awesome to see Camp Lakebottom too.

Qin: Yep. And I can't wait to kick that jerk Buttsquatt to kingdom come.

Camie: Who is Buttsquat?

Me: His name is Jordan Buttsquat. He's McGee's archnemesis and he is a rich kid that HATES McGee and Camp Lakebottom with a merciless vengeance.

I went over his history

Jordan Buttsquat is the main antagonist of the 2013 Disney television series Camp Lakebottom.

He is the king supreme at Camp Sunny Smiles as being the son of the owner (the overarching antagonist) and the arch-nemesis of McGee. It lays right across across the lake from the 'Bottom Dwellers'. He will do anything he wants to do to prove to McGee that he is the best and has the best, though he fails every time at this task. He also has a best friend and Crush named Suzi, appearing to be his crush.

He was voiced by Carter Hayden.

---

When I was done everyone that hadn't heard about it was shocked!

Qin: Yeah. He makes Princess Morbucks look like a joke.

Varie: And I hate him too.

Camie: Now I have a reason to hate his guts more.

Xenia: Me too.

Scorcher: This is gonna be hot!

Sin: Figures you'd say that.

Nico: Yeah it is! Lets get a move out and you guys already know which gene-slammer I'm going to go after next.

Me: Yep. Advanced Crystal Beast Amber Mammoth.

Nico: Yep.

Camie: Boy this will be a tough one to face.

Laney: Yeah.

Eli: I hope we meet the rest of the gene-slammers and Another aliens on other planets this time.

Me: Me too.

Demolishor: Let's get going.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was: the figure was none other than Druman, another of the Doom Beings who served Naga, and he's heading here to get revenge on Dan and his friends for not only destroying him, but also for destroying Naga and ruining his plans to take over Vestroia and Earth. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Druman on the move?

Lincoln: You guessed it, Nico, and he's heading here to get revenge on Dan and his friends for not only destroying him, but also for destroying Naga and ruining his plans to take over Vestroia and Earth.

Me: As expected.

Sydney McWilcox: (Australian Accent) And of course, like with Centorrior yesterday, he's not going down without a fight, so we'll give him one, and then, after you tie him up after we weakened him, we convince him to join The Masters of Evil, and telling him of the fate that'll await him if news of his defeat reaches Barodius.

Lincoln: Exactly, Sydney. If he wants a fight, we'll give him one.

Nico: That's the spirit. Alright, gang, let's go, we got word of an infernal hot Chili Monster causing trouble for McGee, Gretchen, Esmerelda, Squirt, and Suzi.

Lincoln: And if we find that Buttsquat is also here, he's looking at getting sent to reform school for the rest of his life, and once we get done with that Chili Monster and Buttsquat, you're next, Druman.

With that we were off.

---

We were flying over the forests of Oregon to Camp Lakebottom.

Nico: Wow. It's so beautiful.

Camie: It sure is.

Me: Yep.

Natilee: Camp Lakebottom up ahead.

We saw it and we landed.

Me: Hello Camp Lakebottom!

McGee: Hey guys!

Gretchen: Glad you all could make it.

Icepick: We're happy to be here.

Squirt: We're happy too.

Me: Yeah.

McGee: I hope we get to face Buttsplat in this mission.

Me: I have a feeling we will McGee.

Nico: And his punishment is not going to be pretty.

Sakura Valencia: What will it be?

Nico: It's a surprise.

Sakura Valencia: What is it?

Pinkie Pie: He can't tell you that silly. Then it wouldn't be a surprise.

Skullgrin: Are beans involved here?

Squirt: Yep!

Skullgrin: Oh boy.

Chief Wiggum then appeared.

Chief Wiggum: I got your call guys. And I love a good chili cookoff.

Nico: Glad you could make it chief.

Me: Yeah we love a good chili cooking fiesta.

Xenia: Yep.

Fangry: Is it starting now?

McGee: In 5 minutes.

Rosebud, Armond and Sawyer came.

Sawyer: Hey guys!

Me: Awesome to see you again Sawyer.

I shook his hand and then it broke off.

Me: Oops. Sorry.

Sawyer: Ah it's all right.

I gave him his hand.

Rosebud: (German Accent) But we're glad you all are here.

Armand: (British Accent) I am so excited for this too. But if that Buttsquat fellow comes back we'll be ready for him.

Camie: We sure will.

Rosebud: Mein gott you've all grown in numbers.

Me: We grew exponentially over these last couple of years Rosebud.

Hunter: (German Accent) Oh ja we sure have und it's so awesome.

Sawyer: Might I suggest having each of the Core Masters of Evil members be leaders of their own 6 member teams?

Toyman: Like Power Ranger teams? Not a bad idea.

Utomodachi: After all, those Phantoms did do something like that on one of Elyon's missions.

Me: That's interesting there.

Qin: Yeah it sure is.

Nico: I like it.

Xenia: They sure did.

Laney: Yeah.

Bomb Burst: What time is it right now?

Me: It's uhh…. (Looks at watch) 12:30 PM.

Nico: Shouldn't it be time?

Rosebud: Oh ja it's time.

We got the Chili Cookoff underway.

Nico: We're doing good.

We cooked the meat, added the onions, spice and hot sauce and then came my favorite part: THE PEPPERS!

Slog: Do I even want to know what's in that?

Me: These are the hottest peppers ever known to the entire universe. The Blue Tartarus Eternal Flame Bombs!

BLOODCURDLING SCREAM! VOLCANOES ERUPT! SATANIC CHANTING!

Everyone gasped and their hair stood up in fright!

Xenia: GULP!

Nico: Oh man!

Hailey Helios: Oh man! Those are peppers that are said to come from Tartarus itself.

Me: Yep.

Nico: Yeah.

Raizen: Now it's getting spicy!

Villamax: It sure is!

Me: Yep. When I pour these in here, run for cover.

Nico: GULP!.

Me: Here we go.

I opened the jar.

(GIREI PLAYS)

I poured the jar into the pot!

Me: RUN!

We ran for cover! THE POT RUMBLED AND THEN…

EXTREMELY MASSIVE AND POWERFUL BLUE FIERY HOT EXPLOSION OF INCREDIBLE AND UNFATHOMABLE POWER!

The pot released a massive and powerful fiery explosion that was so intense that it was seen over much of the entire planet. When the smoke cleared the pot had an intensely glowing neon blue aura that was so explosively hot that it was unbelievable!

We came out and saw the pot glowing.

Me: It's ready guys.

Nico: Holy fucking shit! This is gonna be intense!

Qin: Yeah! The heat from that is making our geiger counters go haywire!

Me: This is gonna be awesome.

Laney: Wow! That chili is as hot as magma from the core of a quasar!

Xenia: Wow! No kidding!

Camie: This is gonna be brutal!

Venkman: Since this could kill someone, is now a good time to tell you guys about Egon's students?

Ravager: Oh, why not?

Me: Go for it. And Venkman, Peck is still a pencil dickless motherfucker!

We laughed hysterically at that one!

Qin: That always cracks me up!

Danica Metrois: (LAUGHS) Me too.

Venkman: Yeah it does.

He told us about Egon's students.

---

Slimer (voiced by Billy West) - Slimer remains the most unchanged of all the characters in terms of personality. However, he is given a less cartoony look to fit in with the series' overall style. In "Fear Itself", it's revealed that Slimer is afraid of broccoli (which is ironic, as he has been shown to eat anything). Slimer is very well-meaning, but is often pushed around by the Ghostbusters as he gets in their way and eats continually. His actions often affect the story, usually adversely, though he often acts to fix his mistakes and on a number of occasions has been shown to have a heroic nature and that he can wield a proton pack. He's got a strong rivalry with Eduardo, similar to the one he had with Peter Venkman, though several episodes show that Eduardo - and the other Ghostbusters - do care for him as much as he annoys them. He's been living with Egon for over a decade now, and the two are closer than in the original series; when trying to get Egon to discipline the ghost in "Glutton for Punishment", Janine says she knows the two have been through a lot together, and in "Slimer's Sacrifice" Egon immediately suits up to enter the Containment Unit to rescue him, but after he is attacked by the ghost, Eduardo goes in to save Slimer.

Eduardo Rivera (voiced by Rino Romano) - Seemingly a lazy, sarcastic and somewhat clueless character, Eduardo nevertheless makes himself an integral part of the team by being determined and reliable. Eduardo, along with Garrett, resembles original Ghostbuster Peter Venkman in that, like Venkman, Eduardo is sarcastic, has a penchant for pursuing attractive women, and is generally unscientific and constantly spouts pop culture references. He also reads "J.N. Kline" young-adult horror novels. Eduardo has a long-running subplot dealing with a love/hate relationship between him and Kylie, although it is very much revealed "In Your Dreams" that he has intimate feelings and dreams about her. These feelings are further enforced in that he is usually the one to rescue Kylie from dangerous situations, and vice versa, in several episodes. He once said to Kylie herself that nothing was going to happen to her "while [he's] around". In fact, in the episode "Darkness at Noon" he outright admitted to Kylie, who was possessed by a ghost at the time, that he felt an attraction of sorts when he saw her for the first time and even showed the intention of kissing her when Kylie asked him to. In "The Unseen" he takes the rap for Kylie's mistake, not wanting "the worst day of her life to get any worse". In "Rage", Eduardo reveals to have an older brother, Carlos "Carl" Rivera, an NYPD officer who is angry with Eduardo for not being a police officer like the rest of their family, and thinks the Ghostbuster are a scam, which is why Eduardo kept his job a secret. In the same episode it is also implied that his father is dead (or at least retired) as he and Carlos refer to him in the past tense during a heated argument. In "Fear Itself", it's revealed that Eduardo has a fear of death (specifically his own). He has a vicious rivalry with Slimer, but has ended up working with the ghost, and volunteered to save him in "Slimer's Sacrifice". He also has an on the surface rivalry with Garrett with the two often mocking each other and attempting to one up the other. In spite of this as the series goes on the two seem to have the closest thing to a friendship even though Garrett's enthusiastic personality completely contrasts Eduardo's cynical attitude. The official website claimed he slacks off due to fear of failure. Despite all his cynicism and slacking he demonstrates a reasonably high level of intelligence as in the episode "Eyes of a Dragon" he states how the proton aspect of light works to Kylie and later on how to defeat the ghost of that episode. Eduardo was also the one to smash a cursed orb, causing the eye-stealing ghost to disintegrate in the episode "The Unseen" and also continued the incantation that destroyed the demon of an alternate dimension in which he, Roland and Kylie were imprisoned in the episode "Casting the Runes". Eduardo has also exhibited bouts of jealousy whenever Kylie seemingly flirts with other men and in "Till Death Do Us Start" he showed signs of sheepish nervousness when asked if he and Kylie were together. In an interview and the book "Ghostbusters the Ultimate Visual History" Rino Romano commented that "spiritually, and I know this sounds kind of stupid, but I thought I was born to play that role. Eduardo was basically the loveable fuck-up. He's in love with the girl but he's too much of a wuss to admit it. He's both the comic relief and the antihero, and the romantic foil. *Extreme Ghostbusters* was the best-written show, because it wasn't just about the ghostbusting, it was about the characters".

Kylie Griffin (voiced by Tara Strong) - The only member of the new team to have any sort of paranormal knowledge (much like Egon) before signing up as a Ghostbuster, after her friend Jack was a victim of the Grundel. Kylie is in awe of Egon when the series began, but this soon shifts to a more equal footing, and becomes somewhat of the unofficial leader in the field, after Egon. Kylie's calm exterior often sets her as a foil against Eduardo's brashness, as part of the ongoing love/hate dynamic between the two. Although she has never admitted it, she often seemed to appreciate Eduardo's feeling towards her, such as giving a thankful smile on the occasions when he saves her life and vice versa. She is also the one who most commonly wields the Ghost Traps. She is depicted as something of a "Goth" girl, judging by the black hair and lipstick. In the episode "Grease", it is revealed that her parents divorced and she currently lives alone with her cat; she was highly close to her grandmother Rose, who died a year before the show started, and both her interest in the paranormal and Gothic styling are implied to be related to her grandmother's death. In "Fear Itself", it's revealed that Kylie is afraid of maggots as she finds them creepy, and in "Heart of Darkness" it is revealed she used to be "Cheerleader of the Year" when she was in the 8th Grade of her junior high school (something she finds mortifying). There is a running gag where she often replies with the sentence, "I'm not a…", followed by what has happened. It is also hinted throughout the series that she's attracted to older, intelligent men. Kylie Griffin also appears in the *Ghostbusters* comic books published by IDW Publishing. In the comics, she originally only appeared in cameo roles as a worker in Ray Stantz's occult book shop before being made a Ghostbuster in issues starting in 2013.

Roland Jackson (voiced by Alfonso Ribeiro) - The mechanic of the group. Roland is the most level-headed and mechanically gifted of the new Ghostbusters, helping Egon repair and improve the Proton Packs and Ecto-1; his reason for joining Egon's class was seeing the Ecto-1 at an auto show. Roland approaches the paranormal from a practical point-of-view, and in the episode "Fear Itself" reveals that his only fear is the dangerous breakdown of his equipment. In "The Infernal Machine", he became disgruntled that his technological efforts were being taken for granted. Roland's strongest wish is to get into the Ivy League and become a doctor. He's a very staid, square personality, slow to anger, though he came close to striking one of the racists in "The True Face of the Monster"; it's implied he's had to deal with racist attitudes before. Roland has twice come under the mental control of villains, the Siren in "Sonic Youth" and Luko in "The Infernal Machine". "Grease" reveals Roland is the oldest in a lower-middle-class family and volunteers for the Little League and helps the homeless; in "Grundelesque" we meet his very mischievous younger brother whom Roland (at first) refuses to believe is a troublemaker. Like Winston, Roland is the only African American member of the team, yet he has a talent with machines like Ray.

Garrett Miller (voiced by Jason Marsden) - Despite being paraplegic, Garret has a very 'jock'-like attitude and is a huge fan of extreme sports and attempting mad stunts. In the episode "Grease", it's revealed that Garrett was born with the inability to walk, and throughout the series he only refers to his condition to mock it (and in "Be Careful What You Wish For", uses it as an excuse to dump some work on Eduardo). He also once used it to convince two FBI agents to uncuff him, feigning helplessness. He is the most headstrong and enthusiastic of the new Ghostbusters, often claiming that he's in it only for the adrenaline rush; he was left bitterly disappointed in "Ghost Apocalyptic Future" to learn he was the only Ghostbuster *not* remembered in the future dystopia. While he studies to be a physical therapist to help other disabled people, his secret dream is to be an NBA star. In "Fear Itself", it's revealed that Garrett is claustrophobic (though he never admits it to anyone), and has a deep disdain towards people who assume disabled people are helpless. He has a rivalry with Eduardo, the two of them constantly bantering and trying to one-up each other. In "Deadliners", we find out Garrett wrote a (bad) horror story starring himself (the other Ghostbusters died on the first page, to their annoyance). Like Ray, Garrett is the most enthusiastic. Garrett is the only Ghostbuster in the history of the franchise never to be made as a toy (all other Ghostbusters received at least two toys, including Louis and Janine), presumably due to the implausibility of assembling a miniature wheelchair on a production line. Though a prototype figure was made. Bob Higgins has said that during a focus group of young children, the creators found Garrett was the most popular character: "When we asked… which of these characters would you want to be and they all wanted to be Garrett, they all wanted to be the guy that does the crazy things. They all wanted to be the guy that was the leader and they all kind of saw him as the leader of this group [even though he wasn't]".

Egon Spengler (voiced by Maurice LaMarche) - The only original Ghostbuster to become a regular in this spin-off series, Egon takes on the role of mentor for the new team of Ghostbusters. He still lives in the fire house with Slimer, enabling the building to become the Ghostbusters headquarters when paranormal activity starts again. Before the first ghost escaped, Egon was teaching classes on the paranormal at New York City College - four people taking his class was *double* the usual. He usually leaves the field work to the new members, opting to provide audio back-up from the fire house and information on their current adversary, but has joined them in action when he feels the crisis requires his presence. Other than ghosts, he also has an interest in mold and started to grow cultures in Eduardo's bathtub when the two roomed together. He continues to have romantic tension with Janine. The official website listed his age at 41 though in "The Sphinx", while suffering a bit of a mid-life crisis, he said he was 39.

Janine Melnitz (voiced by Pat Musick) - The Ghostbusters' original receptionist returns to the role after she is reunited with Egon by taking his Paranormal 101 class at New York City College. Like Egon, she watches over the new team, and on occasion contributes an active part in ghostbusting. According to Egon, she also functions as the team's accountant and collector. She also shows off obvious signs of attraction to Egon, but he is completely oblivious to this, which only frustrates her. The official website said "she's spent the last decade flitting from job to job… trying not to pine for Prof. Spengler".

When he was done we were amazed.

Nico: WHOA!

Me: Wow! Egon is awesome and amazing.

Venkman: He sure is.

Egon: I still check in with them from time to time when we're not on missions.

Heart: And that's a good thing.

Me: It sure is.

El Diablo: Too bad Garret's stuck in a wheelchair.

Me: But I'm really impressed that your students have come a long way in their adventures in catching ghosts.

Nico: Yeah.

Eli: They have really come so far.

Naruto: They sure have.

Jack Fenton: They are great ghost catchers and they will be good for destroying them.

Me: Well we're either sending them to the Ghost Zone or the Black Gates.

Sheep Man: Alright! Who wants to try our chili?

Me: (Gets an idea) I have just the "Volunteer." (SINISTER CHUCKLING) (Snaps fingers)

I beamed Billy McLean over and he was tied up.

Nico: Ooh! Billy McLean. I like it.

Gwen: I'll DEFINITELY feed him some chili.

Gwen then fed Billy some of our chili.

Maria: He tasted it! He fucking tasted it!

Me: Wait for it.

But then.

It burns, burns, burns

In my mouth and tomorrow in my butt

HE SCREAMED IN EXCRUCIATING PAIN!

Billy McLean: YYYYYYAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

HE SCREAMED IN PAIN AS JETS OF BLUE FIRE EXPLODED OUT OF HIS MOUTH WITH INCREDIBLY EXPLOSIVE FORCE AND WE WERE LAUGHING HYSTERICALLY AS HE WAS SCREAMING IN PAIN!

William: So, judges? Your score for our chili?

Sawyer: You guys gave the best chili ever! 100!

Armand: I agree there! 100!

Rosebud: It was amazing! 100! McGee and Team Loud Phoenix Storm win!

Nico: YEAH!

We cheered wildly!

Moondancer: So who gets to go meet the Ghostbusters that Egon trained?

Me: Believe it or not Moondancer, you do. That is your first mission of the year for 2023.

Moondancer: Oh wow! I'm so excited for this!

Twilight Sparkle: We all are. Way to go Moondancer.

Lincoln: You're going to do great.

Me: Yep. We start your missions right around Christmas.

Nico: We'll see.

Lola: Yeah.

Man Spider: (sees something) Um… guys?

Key: What's that in the distance?

We then saw that it was A TERRIFYING MONSTER MADE ENTIRELY OUT OF CHILI! AND IT WAS BREATHING INTENSELY HOT FIRE!

Nico: WHOA! That's a Chili monster!

Me: At least it's not a Methane Monster!

McGee: Oh man! It's a Chili Con Carnage Monster!

Me: But man he has some really bad breath!

Laney: And he's burning everything at Camp Sunnysmiles?

Nico: Geez! But why?

Me: Hmm. Wait.

I looked and saw JORDAN BUTTSQUAT ON ITS BACK!

Me: Jordan Buttsquat is on its back!

Lady Deathstrike: (Japanese Accent) I think we know what time it is!

Me: That's right Yuriko.

Nico: It's Entrance Time.

We flew over.

The Chili Con Carnage monster was destroying everything with intense fury and Buttsquat was laughing maliciously!

Jordan Buttsquat: Soon I will be back in business and then I'll make McGee and his Lamebottomers pay!

Then the symbols of the first 10 years of the Power Rangers appeared and swirled around him and then converged and then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and fireballs rained down and exploded all over the place and smashed him down too. Engulfing the entire camp in a massive inferno and a Phoenix Cry was heard and we came out.

Nico: Hello Buttfucker!

Me: Jordan Buttsquat. Long time no punch.

Firepower: Your chili monster's going down!

Spatula Girl: And then, I'll remake it into food!

Me: Yep.

Boomerang: (Australian Accent) Look at the chili monster!

Nico: I know and it has bad breath that can burn down a skyscraper!

It roared ferociously and fired a powerful blast of fire at us and we absorbed its fire.

---

Alice Lancaster: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Sophia Devine: And he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Alice Lancaster: That's incredible.

Nico: It sure is. So, Alice, what's the story on why you and the others hated Lori with a burning passion?

Alice Lancaster: Oh, you are so not going to like this one, Nico. One day, we were off on a trip to the grocery store to get some groceries, but then, we heard a scream in the air, and we ran over to the forest, and we saw who it was that made the scream: it was Lincoln, but he was tied to a pole. We ran over to get him out, but then, we got ambushed and knocked out and also tied to poles, and we saw who it was that did it: it was Lori, and she had given into her Dark Side again, and she began throwing knives at us, and she was laughing like the evil bitch that she is, and we got cut on our faces. Angered, I got out a knife I had in my pocket, and I cut myself out of the ropes, and I did the same to the others, and I got Lincoln out, and this pissed Lori off badly. Lincoln was already seeing red and when we saw his nails grow into claws, we knew Lori pissed him off badly, and she ran over to kill us in a fit of rage, but Lincoln slashed Lori on her legs with his claws, and she then fell to the ground, and we pounced on Lori and we all pulverized her and Lincoln tied her up with energy ropes. We then headed home and we told Mr. and Mrs. Loud of what Lori did, and when we showed them the scars on our faces thanks to Lori, they were peeved at Lori's heartlessness again, and the others were extremely pissed at Lori. Needless to say, Lori got herself grounded for seventeen weeks and she was also sent to Aunt Ruth's. But, that wasn't the end: what Lori did really traumatized Lincoln so badly, he ran over to me and hugged me tight and when I felt tears, I knew she crossed the line. But, we had to think of Lincoln's safety, and the rest of us gave him a group hug, while he continued to cry.

We gasped in horror and we had tears running down our faces: Lori crossed a big line that day.

Nico: Unbelievable. Lori Loud, you've done a lot of bad and lethal things to your brother before that almost killed him, but what you did to him and The Rainbow Dominion of The Mekk-Knights long ago is what I call the pits!

Nicholette Torrington: Lori was always demonic and out of control, Nico, but it was thanks to that evil bitch of a Dark Side she had in her, along with eating those Low-Cal Bean Chips that also made her a cranky, gassy bitch. Seriously, Lori, what have I told you about eating those?!

Lori: But, they were literally delicious and high-fiber!

Nicholette Torrington: (Growls) That's still no excuse, and you're so lucky Lincoln imposed a lifetime-ban on those things months ago, otherwise, if I were to catch you eating any of them and still being a cranky, gassy bitch, I would give you the beating of a lifetime, and I would say right into your face: You've had this coming for a very long time, Lori Loud!

Me: Yipe!

I put the barbell up and I jumped onto the ceiling and I had my claws hooked on the ceiling.

Eli: Ooh, Nicholette's really scary when she's mad!

Lincoln: You said it, Eli, and even though they're friends, Nicholette said it still doesn't excuse Lori's evil actions and control-freak behavior and what she tried to do in killing me and the other Guardian Angels numerous times.

Nico: Yeah. And Nicholette, because of your fury, you caused J.D. to latch himself onto the ceiling like a scared cat.

Nicholette Torrington: I did? (Looks up to see my hands latched onto the ceiling) Whoops, sorry, J.D.!

Me: It's okay.

I let go and descend slowly onto the ground.

Lincoln: But, like I said, that lifetime ban is still imposed, and it's not going to be broken.

Nico: Yeah.

FLASHBACK ENDS

They fired a massive pot of chili which has all the ingredients plus 20 dragon's breath peppers which makes it so hot that even the Chili Con Carnage and Buttsquat couldn't handle it! The Chili creature melted and the M.O.E. put him into a pot.

Lincoln: That was one excruciatingly infernal and hot adventure.

Me: My favorite kind, and I hope Buttsquat has a really miserable time in reform school.

Nico: With what we have there, he's going to be crying like a little baby when we get done with him. Awesome job, gang, but we're not done yet, there's still the matter of Druman to deal with, and he should be arriving… right now!

?: I will have my revenge on you for destroying us and ruining Master Naga's plans, Brawlers!

Dan Kuso: I knew there was no mistaking that voice from anywhere. You can come out now, Druman.

A figure came out, and it was none other than Druman, another of the Doom Beings who served Naga with fierce loyalty.

Dan Kuso: Druman.

Drago (Bakugan): You have some nerve coming back from the dead after everything you've done in Naga's name.

Druman: We'll see who has the last laugh when I finally destroy you all and avenge Master Naga.

Sydney McWilcox fired a powerful black and yellow energy blast with darkness, yellow fire, and crocodiles at Druman, and it burned him badly.

Sydney McWilcox: (Australian Accent) That's not going to happen, Centorrior, and now, you will pay for your crimes.

Suddenly, Sydney McWilcox's yellow eyes turned neon yellow and she was surrounded by a black and yellow energy aura with yellow fire, crocodiles, and darkness, she unholstered her massive Earthbound Immortal Ccomnosuma-themed sword from her back, and as she approached Druman, she left black and yellow energy, yellow fire, crocodiles, and darkness with every step.

Sydney McWilcox: (Australian Accent) I will never forgive you for the crimes you've committed against the humans of Earth and the Bakugan of Vestroia in the name of that monster, Naga, Druman, and now, I will administer unto you your punishment for your crimes.

Suddenly, Sydney McWilcox was surrounded by a massive vortex of black and yellow energy with yellow fire and darkness surrounding it, there's Earthbound Immortal Ccomnosuma flying around the vortex, and in the vortex is a yellow phoenix. Then, as the vortex faded, Sydney McWilcox emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Sydney McWilcox grew from 6'5" to 7'1" in height, she has the body of a goddess, she has black highlights in the bangs of her long flowing yellow hair, she has neon yellow eyes and a black and yellow energy aura with darkness, yellow fire, and crocodiles surrounding her, she has Earthbound Immortal Ccomnosuma with the Dark Kanji in its hands emblazoned on her forehead, she has on crocodiles earrings with yellow gems for eyes and holding the Dark and Eternity Kanjis in its hands, she also has Earthbound Immortal Ccomnosuma with yellow gems for eyes and the Dark and Eternity Kanjis in its hands for the second pendant on the bottom of her yellow crocodile-shaped Element of Harmony, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with yellow crystal links from her merged Crystal Necklace of the Buddha and yellow gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Sydney McWilcox has on a yellow short-sleeved blouse, bright yellow sleeveless top, yellow frilly skirt with black frills on the bottom and the Crocodile Nazca Line on it, yellow pants, yellow legwarmers, yellow high-heeled sneakers, and long sleeveless white trenchcoat with darkness, crocodiles, and yellow fire on the coattails, and on the back is Earthbound Immortal Ccomnosuma with darkness surrounding it. Suddenly, Sydney McWilcox felt a sharp pain on her back, and then, her massive black angel wings with yellow tips grew much bigger for her new body, and the feathers had the same yellow markings as on

Ccomnosuma. Sydney McWilcox has on a Ring of The Phoenix with yellow gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger.

Suddenly, Sydney McWilcox's massive Earthbound Immortal Ccomnosuma-themed large sword and all the other swords she'd got began merging together and they were surrounded by a kaleidoscope of yellow energy with darkness, yellow fire, and crocodiles, and when it emerged, it transformed into Earthbound Immortal Ccomnosuma's Dark Crocodile Greatsword of Yellow Fire and Darkness Justice, it's a brand-new large greatsword with Earthbound Immortal Ccomnosuma and the Crocodile Nazca Line etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight black crocodile heads for the crossguard, large yellow gem embedded in the rainguard, longer midnight black handle, four large midnight black crocodile heads and a large yellow gem below the crocodile heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with yellow gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Earthbound Immortal Ccomnosuma's head with yellow gems for eyes and a large yellow gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a yellow kanji below Earthbound Immortal Ccomnosuma that said, "Sydney McWilcox, Gene-Slammer of The Crocodile Earthbound Immortal Ccomnosuma, Powerful Force in The Martial Arts, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser and Smasher of Bullies, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Crocodiles, and Yellow Fire"

Sydney McWilcox has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY DARKNESS YELLOW FIRE EARTHBOUND IMMORTAL CROCODILE ANGEL OF DIVINE EARTHBOUND IMMORTAL DARK JUSTICE AND DIVINE YELLOW FIRESTORM LOVE!

We were amazed by Sydney McWilcox's Super Angel Xelnaga Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Druman saw it, he flew into a rage and fired a blast of fire and darkness at her, but Sydney McWilcox fired a powerful black and yellow energy blast with darkness, yellow fire, and crocodiles at him, and it exploded with incredible power as it hit him, but he's not done yet.

Nico: Whoa, now Sydney McWilcox has transformed, so cool.

Me: Yeah, and take a look at the yellow patterns on her black angel wings, they're the same as the ones on Ccomnosuma, nice.

Lincoln: Yeah, and now, Druman is about to feel the true wrath of The Earthbound Immortals. And Sydney, you look beautiful, how do you feel?

Sydney McWilcox: (Divine Echoing Cosmic Voice of The Dark Crocodile Earthbound Immortal and Divine Yellow Fire Justice) (Australian Accent) I feel incredible, Linky, and now, shall we administer Druman's punishment for the crimes he's committed in Naga's name?

Lincoln: (Smiles) With pleasure, Sydney.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo

Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Sydney McWilcox.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Time to pay for everything you've done in Naga's name, Druman, and you don't deserve a single ounce of mercy, not that you even deserve any.

Sydney McWilcox and Lincoln went after Druman, who continued firing blasts of fire and darkness at them, but they absorbed them and it made them stronger than ever, and they fired extremely powerful blasts of rainbow energy, black and yellow energy, yellow fire, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, and Crocodiles at Druman and they exploded with incredible power as they hit him. Then, they attacked Druman with their massive greatswords and they left some really nasty scars on him, and Lincoln fired a rainbow energy blast which transform into a massive rainbow energy straitjacket with rainbow energy chains and they wrapped around Druman, so he couldn't escape.

Druman: Impossible, defeated by a bunch of humans?! I won't let this humiliation stand!

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) That's enough, Druman.

Druman was silenced because of the authority that was given out from Lincoln's voice.

Nico: Nice one.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Thank you, Nico. (To Druman) Now that you've cooled down, I think it's time to negotiate a deal: how would you like to join The Masters of Evil?

Sydney McWilcox: (Divine Echoing Cosmic Voice of The Dark Crocodile Earthbound Immortal and Divine Yellow Fire Justice) This is a one-time opportunity, besides, do you honestly think Barodius is going to let you live when news of your defeat reaches him? No, as soon as we let you go, he's going to kill you, and your master, Naga, is just like Barodius, he cares about no one except for himself. Do you honestly think you'll be shown any mercy at all?

This caused Druman to think, and he knew Lincoln and Sydney McWilcox were right: if news of his defeat reaches Barodius, he will kill him and not show him any mercy at all, and he compared him to Naga as well: both of them care about no one except for themselves.

Druman: Very well, as it stands, I will join The Masters of Evil.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smiles) You've made the right choice.

Lincoln beamed Druman to The Masters of Evil's HQ, where Vypra and the others were given the news: Druman is now part of The Masters of Evil. We cheered wildly for what Sydney McWilcox and Lincoln did as they holstered their massive greatswords on their backs and powered down, and Sydney McWilcox's new body, clothes, weapons, jewelry, and massive black and yellow angel wings are permanent.

Sydney McWilcox: (Australian Accent) That's one villain recruited into The Masters of Evil and seven more to go before we finally kill Dustin Keystone and Barodius, and thanks for helping me take down Druman, Linky.

Lincoln: (Smiles Warmly) You're welcome, Sydney.

Suddenly, Sydney McWilcox wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Sydney McWilcox's face, they kissed passionately as Sydney McWilcox's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Earthbound Immortal Ccomnosuma flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces and yellow fire raging behind them and we all cheered wildly. Lincoln and Sydney McWilcox absorbed the fires, and they came back, and Ccomnosuma vanished.

Nico: Awesome job, Sydney and Lincoln, you guys took down and convinced Druman to join The Masters of Evil.

Lincoln: And that's one Doom Being down, and two more to go.

Grace Carmine: Which means tomorrow, you and I are taking down Tayghen, Linky.

Lincoln: That's right, Grace. But, we need to watch it with her.

Nico: Yeah, Tayghen has Aquos and Ventus powers and abilities, and so does Hairadee.

Lincoln: Yeah, they gave Marucho and Shun a lot of trouble long ago.

Eli: Yeah, but you guys will be ready for them. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: That's a good question, Eli. Hmm, ooh, here's a good one, how about for Sauron, the Dark Timelord.

Nico: Ooh, now that's a wicked one.

Me: A monster inspired by the evil Sauron? Really wicked.

We then went over to Buttsquat.

Jordan Buttsquat: Go on. Finish me!

Nico raised his fist… and punched the ground next to Buttsquat.

Nico: That would be taking the easy way out, Buttsquat. You don't deserve it.

Multiple Man: Well said, Nico.

Me: But he does deserve this. Watch.

I smashed him with a mallet and turned him into a golf ball and put him on a tee.

I had a driver and golf clothes on.

Me: FORE!

I swung and then…

KRAWHACK!

Buttsquat was sent flying fast!

Buttsquat: I WILL HAVE REVENGE!

He flew high into outer space and flew towards the planet Neptune and he crashed into the prison! He was locked up!

Nico: HOLE IN ONE!

Me: YEAH!

Nico: That was awesome!

Juru: Oh yeah it was!

Silver Samurai: Well done for winning the contest.

Maria: Well, it wasn't easy.

Nico: But we did it.

Blizzard: But it sure was spicy!

Major Disaster: No kidding!

Taskmaster: Let's eat some of the chili to celebrate!

Me: You got it. Hope you guys can handle it.

Gretchen: (To the viewers) This was a really spicy adventure. Hope you all liked this one and can handle the heat.

Nico: I know we can.

Me: Yep.

Nico: But great job today everyone.

We had some of our chili and then went back home and enjoyed the rest of the day and went to sleep. Buttsquat was condemned to the Neptune Prison Reform School till his 25th Birthday and was sentenced to life in prison without parole.

Camie: Boy me too.

Laney: This is gonna be so awesome.

Donkey Kong: I'm really looking forward to this one.

Tsuyu: Me too.

Nico: Thanls for coming with me, DK.

Donkey Kong: Not a problem Nico. It's gonna be so awesome and fun.

Silverbolt (Fuzor): It sure will be so fun for all this.

Nico: DK, you're probably the most popular video game character next to Mario.

Donkey Kong: Been popular since 1981.

Qin: Yeah you sure have.

Me: He is one of the first video game characters.

Nicole: That's right. For 41 years and counting.

Camie: Wow! That is amazing.

Laney: It sure is.

Lincoln: I think it's so awesome that Donkey Kong is that amazing.

Nico: Yeah it sure is.

Nico: You first appeared on that first Mario level.

Me: That was in Mario VS Donkey Kong where Mario had to rescue Princess Pauline.

Qin: Yeah it's awesome.

Donkey Kong: That is so awesome and amazing.

Nico: It sure is.

Camie: And he can fire coconuts and bash the bad guys all over.

Laney: Yep and that is awesome.

Nico: We really won that chili contest.

Applejack: Hoowee! We sure did and we had a lot of fun in that one.

Apple Bloom: Boy we sure did. We really had fun.

Me: Yeah and that was intensely hot chili.

Xenia: Boy you are not kidding there.

Donkey Kong: Boy and Billy had a painful time on that.

Camie: Yep he sure did.

Laney: Yeah and it was funny.

Nico: And we got a big prize.

Me: We sure did. We got trophies and these.

We all showed tattoos like mine for Insane Spice Demons.

Qin: I think it's so awesome that we got these.

Donkey Kong: It sure is. But Nico thanks for saving my bananas yesterday.

Nico: No problem DK.

Qin: It's so awesome that we saved his bananas.

Lola: It sure is.

Nico: Also, Adara Dunstan, Selma Lillyton, Berry Punch, Morgana DeRose, Victoria Donovan, Anatankha, Solange Blanchefleur de Lux, Jenelle Torres, Autumn Melaina, and Mara Ceirin are more backup core members.

Me: Cool!

Qin: They will love that/

Camie: Berry Punch is awesome and will be perfect for it.

Donkey Kong: She is funny and gets Barney Gumble drunk every time.

Laney: She sure does.

Xenia: So funny.

Nico: We're here.

We arrived at the planet and it was a blood red planet and it was amazing.

Nico: Whoa this planet looks scary.

Varie: From up here it does. But looks are always deceiving.

We went down to the planet and then we landed and saw that it was a planet made of massive numbers of piles and piles of tomatoes and the rivers were made of ketchup! It was a planet of tomatoes!

Nico: WHOA!

Eli: A planet of tomatoes! Wow!

Me: Look at all these tomatoes!

Nico: (Eats one) Not bad!

Me: Boy thank goodness Kushina is not with us.

Camie: Why?

Me: She HATES tomatoes.

Camie: How come?

Me: Back when she was a genin in the Academy, everyone called her a tomato because of her round face and fiery red hair. She HATED that name with a vengeance because of it and she would beat the living shit out of the kids. It's how she got the name The Red Hot Habanero.

Qin: Yep.

Camie: Oh man!

Rin Nohara: That's Kushina all right.

Maria: Everyone has their own opinions.

Nico: Yeah. That's true.

Me: But its been widely disputed that tomatoes are fruit. But they are REALLY fruits.

Nico: Are they really?

Me: Yep.

May: And we'll probably need to do the entrance here.

Nico: I agree there.

Me: Yeah. (Sees something) Huh?

I looked and saw some small streams of sand on the tomatoes.

Me: Sand? What's that doing here?

Eli: Hmm. (Senses Something) I sense the next Another Omnitrix Alien here.

Nico: You're right.

Eli: 1 kilometer to the north.

We went to the north and then we got to a hill and went over it and then we saw a black version of Sandbox! It was Another Sandbox!

Me: Another Sandbox!

Xenia: Whoa this will be a sandy one.

Me: Yeah no kidding.

Nico: Lets go.

We went at it.

Another Sandbox was floating around and then the spirits of the Red Rangers from 2003 to 2014 appeared and they swirled around it and then converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above it and then a phoenix cry was heard and then we popped out.

Nico: OH YEAH!

Me: Awesome entrance.

Another Sandbox: (In a girls voice) Awesome to see you again J.D.

Me: (GASP) Jacqueline Hawk!? Oh wow!

Nico: Wait the famous surfer!? Wow!

Me: Yep and no she is not related to the great Tony Hawk.

Nico: Oh.

Another Sandbox: I know. Everyone thinks I'm related to Tony Hawk but no I'm not.

Laney: Oh.

Albedo turned into Negative Sandbox.

Negative Sandbox: Did Swartz promise you anything?

Another Sandbox: Just to be the greatest surfer of all.

Me: You already are the best surfer ever and you are also The Big

Kahuna of Hawaii. You even surfed on the largest wave of all.

Xenia: Did you really?

Another Sandbox: I sure did and it was awesome. Surfed on a wave that was over 143 feet high.

Nico: Wow! We saw Lincoln surfed on the wave Humongadunga and it was epic. That wave was over 300 feet high.

Another Sandbox: Wow! That's amazing! Gnarly job little dude.

Lincoln: Thanks. It was fun and cool.

Another Sandbox: And I can tell Swartz was lying to me.

Me: But he is dead now. He is gone forever.

Nico: Yep.

Kaito: (gets out Zyuranger gear) Time to start things off!

Zocks: (gets out Jetman gear) Right behind you!

Zocks got a Jetman sword and Kaito got a Zyuranger sword!

Qin: Oh yeah!

Me: Now for this one. Sorry we have to fight Jackie. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Nico: This is gonna be awesome!

Me: Yep. Lets do it! (Activates Titanium Titan's Ridewatch)

(BAILAMOS BY ENRIQUE INGLESIAS PLAYS)

Me: (SINGING DIVINELY AS ICE AND ENERGY SWIRLS AROUND ME)

Tonight we dance

Bailamos

I danced and fired waves of energy and ice and smashed her down.

Nico: OH YEAH!

Camie: Love Enrique!

Sirius: So awesome!

Nico: Yeah! Now for this. (ACTIVATES EL OSO'S RIDEWATCH)

(RHYTHM DIVINE BY ENRIQUE INGLESIAS PLAYS)

Nico: (SINGING DIVINELY AS FIRE SWIRLS AROUND HIM)

From the coast of Ipanema

To the Island of Capri

All the way to Guadeloupe

I will follow you wherever you may be

From the moment I first saw you

Knew my heart could not be free

Have to hold you in my arms now

There can never be another for me

All I need is the rhythm divine

Lost in the music, your heart will be mine

All I need is to look in your eyes

Viva la musica, say you'll be mine

Can you feel the heat of passion?

Can you taste our love's sweet wine

Join the dance and let it happen

Put tomorrow's cares right out of your mind

As the music drives you closer

And you fall under my spell

I will catch you in my arms now

Where the night will take us no one can tell

All I need is the rhythm divine

Lost in the music, your heart will be mine

All I need is to look in your eyes

Viva la musica, say you'll be mine

Gotta have this feeling forever

Gotta live this moment together

Nothing else matters just you and the night

Follow on the wings of desire

Now the rhythm's taking you higher

No one can stop us from having it all

You are my heart you are my soul

All I need it the rhythm divine

Lost in the music, your hear will be mine

All I need is to look in your eyes

Viva la musica, say you'll be mine

All I need it the rhythm divine

Lost in the music, your heart will be mine

All I need is to look in your eyes

Viva la musica, say you'll be mine

Can you feel the rhythm

Can you feel the rhythm

Can you feel the rhythm, burning, burning

Can you feel the rhythm

Can you feel the rhythm

Can you feel the rhythm, burning, burning

Can you feel the rhythm

Can you feel the rhythm

Can you feel the rhythm, burning, burning

Can you feel the rhythm

Can you feel the rhythm

Can you feel the rhythm, burning, burning

He danced and fired fireballs and smashed her down.

Me: OH YEAH!

Sunset Shimmer: That was so awesome!

Nico: (gets out Cad Bane's Ridewatch) Time for some blaster action!

He activated it and got Cad Bane's blaster and fired it and blasted Another Sandbox all over the place.

Qin: YEAH!

Nico: Take that!

Camie: This is always fun!

Donkey Kong: HERE COMES DONKEY KONG!

He pulled out his coconut shooter.

Donkey Kong: Yeah!

He fired waves of coconuts and bonked Another Sandbox all over.

BONK BONK BONK BONK BONK BONK BONK BONK BONK!

Camie: OH YEAH!

Sougo: (gets out Grand Zi O Ridewatch) It's not everyday we fight living sand.

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Vulcan Ridewatch) Especially since Sandman's with us.

Sougo became Grand Zi O and Geiz got VulcanArmor.

Me: This is more like an alien version of Mozenrath's Black Sand.

Camie: I agree there.

Nico: Yep.

Donkey Kong: I have more tricks to show!

He pressed a button on his coconut shooter and then out popped numerous other blasters that all of us got. He had tons of fruit and vegetable weapons.

Nico: That is awesome!

He fired and smashed down Another Sandbox with numerous fruits and vegetables and it really mashed her.

Nico: AWESOME!

Me: That was cool DK!

Laney: Boy if King K. Rool saw that you would give him a run for his money.

Donkey Kong: Yep. Now for this. (ACTIVATES SKOWL THE STARTLING'S RIDEWATCH)

He fired eggs and smashed her all over.

Qin: YEAH!

Nico: Awesome!

Donkey Kong used his bongos and fired a shockwave and smashed Another Sandbox all over.

Donkey Kong: And let's not forget my personal Ridewatch! (ACTIVATES GRODD'S RIDEWATCH)

He used psychic powers and smashed down Another Sandbox all over the ground!

Nico: YEAH!

But then we heard an elephant trumpet.

Nico: An elephant trumpet?

Laney: I think it's our next gene-slammer!

Nico: You're in big trouble now!

Thunderous footfalls were heard and then out came an Advanced Crystal Beast Amber Mammoth!

Me: Whoa! Advanced Crystal Beast Amber Mammoth!

Qin: Awesome!

A.C.B. Amber Mammoth: (In a girls voice) This is gonna be one that tramples all!

Nico: Amber Ferringtona!? Wow!

A.C.B. Amber Mammoth: It's good to see you again Nico. I got this.

She reverted back and Amber was a girl with orange hair and orange clothes and she had an Amber Orange jewel in the middle of her forehead.

Amber Ferringtona: Time for this.

She fired amber energy blasts and smashed down Another Sandbox and she reverted back and I caught the ridewatch and purified it. Then I went over to Jacqueline Hawk and she was a girl with blond hair and blue eyes and was in a surfer body suit.

Me: Jackie?

Jacqueline Hawk: (Groans) What a headache.

Me: But you're back to normal.

I picked her up.

Nico: You didn't have regular clothes on?

Jacqueline Hawk: I don't like wearing a bikini when I surf.

Maria: Welcome to the Anti-Pervert Party.

Jesse Anderson: But I'm glad we found the next gene-slammer here.

Nico: We sire did.

Xenia: It's so awesome we did.

Amber Ferringtona: I'm glad I came. Anyone got any peanuts?

I gave her some.

Amber Ferringtona: Thanks J.D. Ever since I become the Advanced Crystal Beast Amber Mammoth gene-slammer I have had a constant craving for peanuts.

Nico: Wow.

Donkey Kong: What's your favorite memory of Nico?

Amber Ferringtona: I have a lot of them. But my favorite is when me and Nico saw this bully and I demonstrated my power by showing that I can encase anything in Amber and petrify them. We put that bully in prison like how Han was locked in Carbonite.

Nico: That was cool.

Me: Wow! That is amazing!

Nico: It sure is.

Nico and Amber hugged.

Nico: I've really missed you Amber.

Amber Ferringtona: Me too Nico.

Lincoln: Whoa, we're here in Mordor in Middle Earth, and I know what we're going to do here, not only am I going to rescue the six girls here, but we're going to destroy the Dark Lord, Sauron, and we're going to banish him to The Black Gates forever.

Nico: Sauron's caused enough trouble to all of Middle Earth for the last time, and once we destroy him, we're also throwing The One Ring into the lava in Mount Doom.

Me: You got that right.

Lincoln: And it's also perfect because this is where the Sauron, the Dark Timelord Gene-Slammer is at, and we're finally going to get rid of Sauron for good, and thanks for joining us, Ben, and I hope you're ready to clobber Sauron's army.

Thing (Fantastic Four): You're welcome, Lincoln, and you bet I am. Plus, I'm so glad that we got that miserable brat sent to The Neptune Prison Reform School for life.

Lincoln: Yeah, what a psychopath, and when he reaches 25, he'll be spending the rest of his life in prison. But, I wonder how the heck did he escape?

Nico: That's a good question, Lincoln.

Me: I asked the officer of how Buttsquat escaped, and it turns out he made that chili monster after he knocked out the guards that were watching him.

Eli: Why, that little… !

Lincoln: So that's how he escaped?! What a monster!

?: HEEEEELLLLLP!

Suddenly, Lincoln heard the sound of six girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the six girls, but they've been cornered by Sauron and his dark army, and they're going to kill them.

Lincoln: Let's get over there at once, guys, I found the six girls, but they've been cornered by Sauron and his dark army, and they're

going to kill them.

?: (Girl's voice) That homicidal tyrannical warlord, let's get him!

Suddenly, we saw the Duel Monster, Sauron, the Dark Timelord, appear before us.

Nico: Whoa, so that's…?

Lincoln: The Duel Monster, Sauron, The Dark Timelord, and I'd recognize that voice from anywhere, I knew it was you, Audrey Sauron, but we'll talk later, time to get rid of Sauron and his dark army for good.

We rushed over, and right before Sauron and his dark armies could claim their next victims, Lincoln fired powerful rainbow energy balls and elemental forces at Sauron and his minions, and that allowed the six girls to get to safety inside of a rainbow energy field created by Lincoln to protect them from Sauron and his infernal armies, and when they saw us, they were pissed off and furious.

Lincoln: Should've known you'd come back yet again for more, Sauron, but this is the last time we'll ever have to deal with you. Let's end him once and for all, team.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors got out their weapons, Lincoln's sisters transformed into their Super Angel Xelnaga Eternity Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel Eternity Infinity Celestial Lightstorm Phoenix Angel of Divine Heavenly Light and Divine Angelic Justice, Timmy transformed into Super Angel Xelnaga Eternity Infinity Celestial Magical Elemental Fairy Wolf Moon Angel of Divine Elemental Magical Fairy Wolf Justice and Celestial Fairy Magic Hope and he had his large Lupus' Fairy Wolf Moon Mage's Staff of Elemental Magic Justice out and Eye of Lupus steel orb ready, Thing (Fantastic Four), Timmy's friends, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, and Ravus Nox Fleuret got out their weapons, Rayman unholstered his massive Morpheus's Celtic Dream Greatsword of Peaceful Celtic Dream Justice and Celtic Moon Gauntlets of Glade Justice from his wider and muscular back and transformed into Super Angel Xelnaga Eternity Infinity Celtic Dream Glade Fairy Dragon Angel of Divine Moonlight Celtic Dream Justice and Divine Celtic Moon Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered their massive swords and we transformed, and we went after Sauron and his army, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit them.

We've been killing Sauron's army one by one, and then, Audrey Sauron sliced off Sauron's hand with The One Ring and she grabbed The One Ring and flung it into the lava in Mount Doom, and The One Ring dissolved into nothing, and Lincoln sliced Sauron's head off and the Dark Lord was then sent to The Black Gates, along with his entire army of evil, and Audrey Sauron had sealed The Witch King of Angmar into a crystal prison and sent him to The Masters of Evil's prison. We cheered wildly as we holstered our weapons and powered down.

Lincoln: We did it, now the Terror of Sauron is finally over. (To Audrey Sauron) And it's so good to see you again, Audrey Sauron.

Audrey Sauron reverted back to normal, and she's a beautiful girl with long flowing midnight black hair, red eyes, fair skin, she's tall at 6'5" in height, she has the body of a goddess, she has The Eye of Sauron on her forehead and she has massive beautiful midnight black angel wings and she reigned in the power of Sauron The Dark Timelord, and she's dressed in a sleeveless midnight black midriff top, midnight black skirt, midnight black pants, midnight black knee-high boots, and long sleeveless white trenchcoat with darkness on the coattails, and Sauron The Dark Timelord and The Eye of Sauron on the back, and holstered on her back is a large Sauron The Dark Timelord-themed greatsword with Sauron The Dark Timelord and The Eye of Sauron etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight black knight helmets for the crossguard, large Eye of Sauron gem embedded in the rainguard, longer midnight black handle, four large midnight black knight helmets and a large orange gem on the bottom of the knight helmets for the pommel.

Audrey Sauron: You too, Lincoln, it's been a long time, and it's also good to see you again, Laney, Lucy, Lana, Leni, Lily, and Luna.

Laney: You too, Audrey.

Lincoln went up to Audrey Sauron and they hugged, and Audrey Sauron is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how strong he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face went even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you since the local comic book convention long ago, and as you can see, I've really grown a lot since then, and Laney, Lucy, Lana, Lily, Leni, and Luna have grown into beautiful women.

Audrey Sauron: Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have your vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new, and Laney, Lucy, Lana, Lily, Leni, and Luna have grown into beautiful women, awesome.

Nico: Whoa, Lincoln, you, Laney, Lucy, Lana, Lily, Leni, and Luna know her?

Lincoln: Indeed I do, Nico, this is Audrey Sauron, she's my Guardian Angel from Michigan whom I met at a local comic book convention long ago and she'd protected me from the evils of Lynn at her worst.

Nico: Yikes, and we know how brutal and evil she can get at her worst, thanks to Dark Lynn.

Luna: You guessed it, dude, and Audrey is known as The Avatar of The Darkness of Middle Earth, and as you can guess, she has all of Sauron's powers and strengths and skills and even has the ability to make rings of power.

Me: That also explains the Eye of Sauron on her forehead.

Lincoln: Yep, and she made rings for me, Laney, Lucy, Lana, Lily, Leni and Luna, and she also made rings for Lori, Luan, Lisa and Lola to help keep their dark sides under control.

Nico: Wait, I remembered seeing those rings, and when the Dark Sides of Lori, Luan, Lisa, and Lola were vanquished, those rings disappeared.

Audrey Sauron: It's also part of the rings' power: if The Dark Sides of someone were destroyed for good, then, the rings will vanish. Plus, I also made magical rings for all of Lincoln's harem and friends and family.

Audrey Sauron took out magical rings for all of us, and they merged with our Rings of The Phoenix, and we gained an astronomical power and energy boost, and they also went to the others waiting for us at home, and they also gained and astronomical power and energy boost.

Nico: Whoa, this is awesome!

Me: You said it, nice! And Linc, you said you, Laney, Lana, Lily, Leni, and Luna also have those rings.

Lincoln: Yep, and they also merged with our Rings of The Phoenix.

Luna: But, you should've seen the quality and craftsmanship of those rings, dude, even local jewelers wanted to know how she made them.

Nico: I don't think they want to know since Audrey did have all of Sauron's powers, strengths, skills, and the ability to make rings of power. But, I'm curious as to why Lynn didn't get a ring to get that animalistic and murderous Dark Side of hers under control.

Lincoln: I was afraid you'd ask that, Nico, Lynn didn't get a ring to keep Dark Lynn under control because she'd done the worst thing ever to happen to me that led Audrey to develop an intense burning hatred toward Lynn.

We gasped in horror.

Nico: Oh God, we better brace ourselves for that later on today.

Suddenly, an Elemental Thunderbird Necklaces of Eternal Love appeared around Audrey Sauron's neck with blood red gems on the gold thunderbolt links and blood red crystal links from her brand-new Crystal Necklace of the Buddha which merged with her Elemental Thunderbird Necklace of Eternal Love, and her new Elemental Thunderbird Chokers of Eternal Love appeared on her neck.

Audrey Sauron: (Surprised) Lincoln, is…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're part of harem and my many future wives, Audrey.

Audrey Sauron had a smile on her face and tears in her eyes, as Lincoln wrapped his abnormally massive and powerful muscular arms around Audrey Sauron's waist and she wrapped her arms around Lincoln's thick muscular neck, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw them, he recognized them immediately. The six girls are Iris Lotze, Kate Starven, Lorea, Sarasa Feed, Maria, and Ophelia Milis from Management of a Novice Alchemist.

Lincoln: Oh wow, it's Iris Lotze, Kate Starven, Lorea, Sarasa Feed, Maria, and Ophelia Milis from Management of a Novice Alchemist.

Nico: Awesome.

Lincoln: Are you girls okay?

Iris Lotze: Yes, we're okay, thanks to you.

Then, when Iris Lotze and the other five girls saw who it was that saved them from Sauron and his dark armies, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and

Iris Lotze: Oh wow, you're Lincoln Loud of Team Loud Phoenix

Storm.

Lincoln: That's right, and it's a pleasure to meet you both.

Then, Lincoln made five clones of himself, and he and the five clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Iris Lotze: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Thunderbird Necklaces of Eternal Love appeared on the necks of Iris Lotze, Kate Starven, Lorea, Sarasa Feed, Maria, and Ophelia Milis with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned home to the World Tree Estate, and they were shocked when they found out the villains we went after were Sauron and his armies.

But, when Lincoln showed what we did in killing Sauron's army and Audrey Sauron throwing The One Ring into the lava in Mount Doom and imprisoning The Witch King of Angmar in a crystal prison and bringing him to The Masters of Evil's HQ, and Lincoln sending Sauron and his dark armies to The Black Gates for good, everyone went up to us and they hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Audrey Sauron have a lot of catching up to do, now that she's back in town.

Maria: I'm finally glad that Sauron and his armies are gone for good.

Lincoln: After all the trouble he'd caused, we're all glad he's gone.

Audrey Sauron: That's right, what Sauron had done in Middle Earth can never be forgiven.

Maria: And it's so awesome that you have all of Sauron's powers, strengths, skills, and even the ability to make rings of power, and you also made rings to help Lori, Luan, Lisa, and Lola to keep their dark sides under control, but whatever Lynn did that was so bad, it caused you to develop an intense burning hatred towards her.

Audrey Sauron: And why I didn't give Lynn a ring to get that animalistic superstitious dark side of hers under control.

Nico: Yeah, and Lincoln said that what Lynn did was absolutely the worst thing ever, and what it is, it's probably infinite-times worse than all the other times she's beaten him up or tried to kill him, and like Lincoln said, we better brace ourselves for this tale later on today.

---

After finally getting rid of Sauron and his dark armies and this time for good, we were training intensely in the gym, this time, doing 900,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Audrey Sauron saw Lincoln doing 900,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and even doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Audrey Sauron: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Lincoln: Yep, and I've also trained a lot under some very powerful

teachers, J.D. and Nico included, Audrey, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Audrey Sauron: That's incredible.

Nico: It sure is. So, Audrey, what's the story on why you developed an intense burning hatred towards Lynn? And why Lincoln said it was the worst thing she'd ever done other than the many times she'd beaten him up, bullied him, and tried to kill him?

Audrey Sauron: You're not going to like this, Nico, and I still have nightmares of that horrible day. One day, I was walking home after making plans to attend a comic book convention that's coming to Michigan, but then, I'd heard the sound of a faint cry for help, and I ran over to find out who it was that called for help. I ran to the location and to my shock and horror: I found who it was that cried out for help: it was Lincoln, but the sight of what happened to him would haunt me forever: he was tied to a post and he was only in his underwear and he was stabbed and slashed in multiple places and so much of his blood was spilled all over the place, and he had so many tears falling from his eyes and he was screaming in so much pain, and when I heard the sound of cruel laughter, I ducked into a nearby bush, and then, I saw who it was that did this to him: it was Lynn, and that bitch had tons of bloodstained knives with her and those knives were literally stained in Lincoln's blood from her stabbing and slashing him all over the place, and her eyes were all red with insanity, hatred, and cruelty, and then, she got out another knife and with it, she slashed Lincoln on the chest, and he let out another horrific scream of pain and agony and I saw more tears coming from his eyes.

We gasped in utter shock and horror at what Lynn did to Lincoln, and many of us turned green in the face and we ran out to nearby garbage cans and we really hurled our guts out before coming back in.

Lync: Now, that was just sick and inhuman!

Lincoln: I did say it was even worse than the times she's beaten me up, bullied me, and tried to kill me.

Audrey Sauron: It did, and that ultimately pissed me off, and in my rage, I flew out of the bush right before she was going to kill him, and I proceeded to beat her senselessly and mercilessly until my hands were really stained with her blood. I didn't kill her, but she was knocked unconscious, then I turned to free Lincoln from his bonds, and then, I got out a bag of blood and he fed on it, and it caused all of the stab and slash marks on his body to heal and he reabsorbed all the spilled blood. Then, he just held onto me tightly and he cried with so much utter horror and despair, and I held onto him and hugged him tight. I then called Mr. and Mrs. Loud who came to pick us up, and when I told them all of what Lynn did to Lincoln, even showing the photos of Lincoln's stab and slash marks on him, including the bloodstained knives, they were extremely horrified and the other sisters were pissed and cheesed off big time. They decided Lynn had to spend time at a psychiatric hospital for what she did to Lincoln, and that's exactly where she was sent.

We were still reeling in horror at what Lynn did, but we were really happy that Lincoln was okay and saved by Audrey Sauron.

Nico: My God, that was so awful. I can't believe Lynn did that to you, Lincoln.

Eli: Same here, that was horrible.

Lincoln: It was, she deliberately knocked me out and had me tied up to a pole while I was still in my underwear, and she began slashing and stabbing me all over the place, and I was crying in so much pain, and this was after Audrey was finished making plans to attend a comic book convention that's coming to Michigan. If she didn't save me, Lynn would've finally killed me. But, even after Lynn was sent to that hospital, I've been having nightmares of what she'd done to me.

Lori: It was literally awful, I spent the night with him and when I saw the tears that were still coming from his eyes, Lynn literally crossed a very big line that day.

Me: I was also there that night as well, and what Lynn did, that was really evil.

Lincoln: And that's also why I'm glad that… that bitch, Dark Lynn, got what she rightfully deserved, it's bad enough she's forced Lynn to bully and beat me up and gave me Dutch Ovens, even tried to kill me on multiple occasions, but what she did that day, and when we faced her in the world where Yost Spiderman came from, I wanted nothing more than to bite her hard on her throat and drain her dry of every last drop of blood in her miserable body and leave her to die!

We saw Lincoln's eyes turn from deep sapphire blue to blood red and his vampire fangs grew a bit longer. But, then, Audrey Sauron and the other girls in his harem went up to Lincoln, and they piled on and hugged him, and he accepted their embrace, as we saw tears coming out of his eyes, and we also joined in on the hug.

Me: Even though his physical wounds Dark Lynn inflicted on him healed, the psychological wounds she inflicted on him will never leave him.

Nico: Just how many psychological wounds did the Dark Louds inflict on him?! It's just disgusting that they could be that cruel and evil to someone like him! Lincoln, how would you and your harem like to have a bonding session with me and my harem later on today? J.D. and his harem are also joining in as well.

Lincoln: You would… Really?!

Nico: (Smiles Warmly) Of course.

This caused Lincoln to smile, and he hugged Nico and he hugged him back, and we also smiled at the scene.

Luna: That's so really sweet of you, dude.

Lily Loud: And we all knew why: Audrey's story really got him big time, and what Lynn did that day couldn't be forgotten, which is why I'm glad Dark Lynn and the other Dark Louds are gone for good, and those monsters aren't coming back.

We got a shower afterwards, and then, Clyde and his harem were heading to Aquarium Park.

Clyde snapped his fingers, and the 17-year-old 7'5" and extremely muscular man was dressed in large dark blue swim shorts with a clock and phoenix on it and silver flames coming off the swim shorts, dark blue sandals, his jewelry, and he had his weapons holstered in case of trouble.

His harem were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble.

Syd Chang: Wow, so this is Aquarium Park, so awesome!

Clyde: Yep, and it's perfect for our date. Plus, Lincoln and his harem have been here before on their date. Shall we?

Clyde and his harem dived right into the waters and they also saw the marine life there. They also had a swimming race, and they also had a lot of fun, and they had a game of volleyball and the girls in Lincoln's harem got a massive and extreme deep atomic red blush when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, they had some lunch, and then, Clyde made clones of himself, and he and the clones went up to the girls in his harem, and he wrapped the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of Clyde and his clones, and they placed their right hands on the massive wide and muscular left pecs of Clyde and his clones, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes.

Nico: Hey, Clyde, how was your date?

Clyde: It was awesome, Nico, we went to Aquarium Park.

Me: Wow, you guys sure had a blast.

Clyde: We sure did.

Lincoln: We've been there before on one of our dates, and was it everything I told you, buddy?

Clyde: You guessed it. And are you and your harem ready for your bonding session with J.D. and his harem and Nico and his harem?

Lincoln: You bet, Clyde.

Nico: Yeah, after what we heard from Audrey about that horrible thing Lynn did to him, I decided that he needed a serious bonding session. Oh, and after you and your harem left for Aquarium Park, the TLPS Bad Guys Gang went ballistic and formed a dummy of Dark Lynn and they viciously attacked it with horrific fury and they even ripped it apart.

We then pointed out the mangled remains of the Dark Lynn dummy.

Me: Yeah, it was ugly.

Lincoln: Big time ugly, but they got it out of their systems.

TLPS Mr. Wolf: But, we're still saving that rage for later on today.

Nico: Yeah, you're going to like it later on, Clyde.

* * *

The mascots then went into Lori's room.

Poromon: Hey Lori.

Lori Loud: Oh hey guys.

Poromon: Lori, can we play on your phone?

Ground Man: At least you asked.

Lori: You sure can. Want to play Angry Birds?

Poromon: You bet we do.

She put it on her phone.

Lori: There you go!

Mascots: YAY!

I was getting on my dress clothes and special occasion clothes.

Rock Lee: Considering how you are with you phone, I'm surprised you let them play on it.

Lori Loud: Only if they ask first.

Ground Man: That's good they asked.

I was putting on very expensive cologne and looking really sharp.

The mascots were really having fun.

Poromon: Lori you excited for Numbuh 1 and 362's wedding?

Lori: Boy I sure am! I literally can't wait.

Rock Lee: Boy I forgot that its been over a year and a half since they got engaged after the war.

Naruto: You're not kidding Lee. After that big war they more than earned it.

I came down.

Me: Hey guys.

Lori: Hey J.D. looking sharp.

Me: Thanks Lori.

Acid Storm: Remember when you 4 made a game based on Angry Birds?

Poliwag: We sure did.. And it was fun.

Me: That was a makeshift set and I brought back Erika for Nico.

Acid Storm: You sure did and the boss was so happy about that.

Me: Yeah but he was upset at first.

We laughed.

Poromon: YEAH! Take that you stupid pigs!

Me: That's showing them guys.

Lori: As long as it's not the real thing.

Me: Yeah.

Slingshot: You guys better not get a virus on Lori's phone.

Me: Don't worry about it Slingshot. She has it on her phone from the App Store.

Lori Loud: It's true.

Poromon: Don't worry. Besides we're done anyway. We got to get ready for the wedding.

Lori: (GASP) I got to get ready too!

We all got ready.

We came out dressed in our Special Occasion clothes and Numbuh 1 and 362 were at Canterlot getting dressed.

Sea Clamp: When did you get the Angry Birds app?

Lori: Oh I've had that for a while. I played it ever since I got Leonard as my archenemy.

Me: Ahh so you can get ready for facing him.

Shanan: Smart thinking there.

Vypra and the Masters of Evil all came and they too were dressed all in fancy clothes.

Vypra: Are you guys all excited for the wedding?

Me: Boy are we ever Vypra. After waiting over almost a year and a half ever since the war with Grandfather ended Nigel and Rachel earned this wedding.

Camie: Yeah you're not kidding there.

Dark Spicer: We're so happy for them.

Varie: We all are.

Blizzard: It's obvious we're all going with you guys.

Evil Xion: There's no need to ask.

Me: I know.

Nico: And yes you are. We're still having usual battles. But that's during the reception.

Qin: Yep.

Vypra: We wouldn't miss this for anything.

Me: Me neither. Also Nico we pretty much know what gene-slammer is next.

Nico: Yep. Advanced Crystal Beast Topaz Tiger.

Laney: Yep.

Xenia: This is gonna be so awesome.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye glowed even more, as he sensed a dark energy signal with his eyes and the Force, and he saw who the figure was: the figure was none other than Tayghen, another of the Doom Beings who served Naga, and she's heading here to get revenge on Dan and his friends for not only destroying her, but also for destroying Naga and ruining his plans to take over Vestroia and Earth. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, is Tayghen on the move?

Lincoln: You guessed it, Nico, and she's heading here to get revenge on Dan and his friends for not only destroying her, but also for destroying Naga and ruining his plans to take over Vestroia and Earth.

Me: As expected.

Dan Kuso: But, you and Grace are ready for her, Lincoln.

Lincoln: Yep, we know she has Aquos and Ventus-attributed abilities, but that's bad news for her.

Grace Carmine: Yeah, and we're going to make her pay for everything she's done in Naga's name.

Nico: Yeah, you got that right. Alright, gang, let's go, we've got an awesome Kids Next Door wedding at Lynn's Table, along with a special humiliation reception, concert, and great party.

Lincoln: It's so awesome that Numbuhs 1 and 362 are finally going to get married, it was only a year ago to the day after we got rid of Grandfather. And after we're done with the wedding, you're next, Tayghen.

Nico: Lets head out to Canterlot.

We were off.

---

In Canterlot in the boys side we were getting Numbuh 1 ready.

Numbuh 274: (to Numbuh One) After all these years of fighting evil adults, teens, and kids, including myself, you've earned the right to get married.

Numbuh 1: Thank you Numbuh 274. It's so awesome to be getting married too.

Me: Yeah you are Rachel are perfect for each other. Thank goodness her evil brother is not in this.

Numbuh 1: That's for sure. He is not invited.

Me: Glad your mom and dad are here too Nigel.

Numbuuh 1: They wouldn't miss this. But you're going to be in for a surprise when you see Rachel's mom.

Me: I have a feeling it's going to be interesting.

In the girls side, Numbuh 362 was getting ready.

Rarity: Oh Rachel you look absolutely divine darling.

Numbuh 362: Me too Rarity. This is such a beautiful dress.

Varie: It sure is Rachel.

Outside, Boomerang and Neopolitan were watching.

Boomerang: (Australian Accent) How's she doing in there, Neo?

Neo gave Boomerang a thumbs up through the door.

Later it was time to get the wedding underway. We saw ALL of the KND from all over the world as well as Numbuh 1's mom and dad and even Rachel's mom. She had a colander helmet on that had the number 361 on it.

Me: Wow Nigel I didn't know Rachel's mother was in the Kids Next Door?

Numbuh 1: That's right. She was the predecessor Supreme Leader and Commander of The Kids Next Door before Rachel was.

Me: Wow. Like mother like daughter as they say.

Nico: Yep.

Toxica: That's honestly a surprise.

Nico: It sure is Toxica.

Then the Wedding March played and then the doors opened and in came Apple Bloom, Sweetie Belle and Scootaloo came in as flower girls and Numbuh 362 came in dressed in a beautiful jeweled wedding dress and it was so awesome.

Me: Wow Rachel looks beautiful in that dress.

Numbuh 1: She sure does

Me: All the Kids Next Door is so proud of you and Rachel.

She came up to the altar.

Princess Celestia: Ladies and Gentlemen, Mares and Gentlecolts and boys and girls and members of the Kids Next Door, we are gathered here today to celebrate the union in holy matrimony of Nigel Uno - Numbuh 1 of Sector V's Kids Next Door and Rachel MacKenzie - Supreme Leader and Commander of the Kids Next Door. On July 20th, 2021 the War with Grandfather brought an end to years of fighting with the Adult Villains. Now the time has come for the Kids Next Door to have one of the most amazing weddings ever. If there is any reason that these two should not be wedded, speak now or forever hold your peace.

No one objected.

Princess Celestia: Nigel Uno do you take Rachel to be your lawfully wedded wife?

Numbuh 1: I do.

Princess Celestia: And do you Rachel MacKenzie, take Nigel to be your lawfully wedded husband?

Numbuh 362: I do.

Princess Celestia: May we have the rings please?

Spike gave them the rings and they put them on.

Princess Celestia: Then it is with great pleasure and power and by the power invested in me through the grace of God, I now pronounce you Husband and Wife! You may kiss the bride.

Nigel did so and we cheered wildly!

Nico: YEAH!

We were so happy for them.

Francisco: Congrats, you two!

Cheshire: You guys earned this!

Me: Yeah!

We were REALLY happy for them.

Camie: This is so awesome!

Numbuh 361: THAT'S MY LITTLE GIRL! (CRYING IN JOY)

Nico: They are now an awesome family.

Me: Monty you must be really proud of your son.

Numbuh 0: I sure am J.D. and I'm happy for Rachel too.

Numbuh 99: We all are happy for them.

---

Later we were having the reception at Lynn's Table.

Me: I propose a toast to the newlyweds!

All of us: HERE HERE! CONGRATULATIONS NIGEL AND RACHEL! (CHEERS!)

Barricade: How do you two feel now?

Numbuh 1: We feel really awesome.

Numbuh 4: We're so proud of you Numbuh 1.

Nico: We all are.

Numbuh 1: Thanks guys.

Nico: You're welcome Nigel. Lets have some fun with the humiliations.

Numbuh 1: You guys are the best.

Me: Anytime guys.

Vypra: We're so happy for you guys.

Numbuh 362: Thanks Vypra.

I pulled out my bazooka.

Me: Care to lead us off you two?

Nico did the same.

Nigel and Rachel pulled out their bazookas too.

Numbuh 1: Lets do it! But first this. KIDS NEXT DOOR! BATTLESTATIONS!

We roared in pride and were ready to smash the jerks.

Nico: YEAH! THIS! IS! SPARTA!

Zara: Let's start with a colorful mishmash!

Silver Samurai: Excellent idea.

Me: You read my mind!

Nico: UNLEASH THE PAINT!

We fired our bazookas and unleashed ginormous paintballs and drenched the jerks in colors of paint!

SPLAT SPLAT SPLAT SPLAT SPLAT SPLAT!

Numbers of sapphire jewels exploded out of them.

Nico: YEAH!

Amy: EW! SICK!

Billy McLean: (Slurred speech) (MUMBLING)

Me: Oh I forgot to mention that the chili we made yesterday burned off Billy's entire tongue.

Nico: Geez!

Skalor: My turn!

Nico: Go for it!

He fired waves of energy and blasted the jerks down and smashed them all over. They had showers of red rubies explode out.

Me: Kushina I'm sorry if we tell you this but we went to a planet made of tomatoes earlier this morning.

Kushina: I heard about that. Thank goodness I wasn't with you guys ya know.

Me: Yeah we know how you get when someone calls you the 6-Letter T Word.

Kushina: Thanks for looking out for me.

Amy: YOU'RE AN UGLY TOMATO HEADED BITCH!

We gasped in shock!

Me: UH OH!

Beetle: Shouldn't have said that!

Yost Rhino: Lemme smash her first!

Kushina: Sure.

He went and rammed and smashed Amy down and a huge explosion of diamonds popped out and then Kushina went over to Amy with thunderous footfalls and her hair was flailing around like 9 tails!

Kushina: YOU ARE IN BIG TROUBLE MISSY! ONE SMASHED TOMATO COMING UP!

She grabbed Amy and then..

She brutally and mercilessly smashed Amy all over into a bloody mess and numerous piles of diamonds and sapphires exploded out of her!

Qin: HOLY CRAP!

Nico: HOLY FUCK!

Kushina stopped and came back.

Me: HOLY SHIT! She really moidelized her!

Gilda: That's why you never call her that!

Me: You got that right Gilda.

Naruto: That's my awesome mom for you guys.

Me: Your mom is awesome. That is the unleashed fury of the Red Hot Habanero.

Minato: You said it J.D.

Amy was brutally broken and battered and a pulverized as hell mess!

Amy: (GROANING AND MOANING IN EXCRUCIATING PAIN)

OUCH!

Me: Hey guys now here is the fun part. Lets do this.

I went over to the jerks.

Me: Time for some Ridewatch power. (ACTIVATES LORD DRAKKON'S RIDEWATCH)

(THE PROMISE BY WHEN IN ROME PLAYS)

Me: (SINGING DIVINELY AS FIRE AND PHOENIXES SWIRLED AROUND ME)

If you need a friend

Don't look to a stranger

You know in the end

I'll always be there

And when you're in doubt

And when you're in danger

Take a look all around

And I'll be there

I'm sorry but I'm just thinking of the right words to say

(I promise you)

I know they don't sound the way I planned them to be

(I promise you)

But if you wait around a while I'll make you fall for me

(I promise you)

I promise, I promise you, I will

When your day is through

And so is your temper

You know what to do

I'm gonna always be there

Sometimes if I shout

It's not what's intended

These words just come out

With no cross to bear

I'm sorry but I'm just thinking of the right words to say

(I promise you)

I know they don't sound the way I planned them to be

(I promise you)

But if you wait around a while I'll make you fall for me

(I promise you)

I promise, I promise you

I'm sorry but I'm just thinking of the right words to say

(I promise you)

I know they don't sound the way I planned them to be

(I promise you)

And if I had to walk the world I'd make you fall for me

I promise you, I promise you I will

Gotta tell you

Need to tell you

Gotta tell you

I've gotta tell you

I'm sorry but I'm just thinking of the right words to say

(I promise you)

I know they don't sound the way I planned them to be

(I promise you)

But if you wait around a while I'll make you fall for me

(I promise you)

I promise, I promise you

I'm sorry but I'm just thinking of the right words to say

(I promise you)

I know they don't sound the way I planned them to be

(I promise you)

And if I had to walk the world I'd make you fall for me

I promise you, I promise you I will

I will, I will

I danced and fired waves of fire and smashed the jerks all over with intense flames.

Everyone cheered wildly for me!

Nico: YEAH!

Me: Nigel, Rachel lets also give you two a chance.

Numbuh 1: Lets have some fun.

They activated The Gentleman's Ridewatch.

(BEAUTY AND THE BEAST BY CELINE DION PLAYS)

The song sang in the background as fire and energy swirled around them both and they danced.

Tale as old as time

True as it can be

Barely even friends

Then somebody bends

Unexpectedly

Just a little change

Small to say the least

Both a little scared

Neither one prepared

Beauty and the beast

Ever just the same

Ever a surprise

Ever as before and ever just as sure as the sun will rise

(Oh, oh, oh, oh)

Ever just the same

Ever a surprise

Ever as before

Ever just as sure

As the sun will rise

(Oh, oh, oh)

Tale as old as time (ooh, ooh, ooh)

Tune as old as song

Bittersweet and strange

Finding you can change

Learning you were wrong

Certain as the sun

Certain as the sun

Rising in the east

Tale as old as time

Song as old as rhyme

Beauty and the beast

Tale as old as time

Song as old as rhyme

Beauty and the beast

(Oh, oh, oh-oh)

(Ooh-ooh-ooh, ooh, ooh)

Beauty and the beast

They danced divinely as fire was fired and they smashed down the jerks!

We cheered wildly and it was awesome!

Major Disaster: That was awesome singing!

Spellbinder: What's next?

Me: I never get tired of both songs. And the Beauty And The Beast song was perfect for Nigel and Rachel. Lets have Twilight Sparkle and each of her friends do some songs and pranks on the jerks.

Qin: Good idea.

Twilight Sparkle: I like it. Lets do it!

Twilight went up.

Twilight Sparkle: Time for the elements to rain down. (ACTIVATES KAOS'S RIDEWATCH)

(THE MUMMERS DANCE BY LORENNA MCKENNITT PLAYS)

Twilight Sparkle: (SINGING DIVINELY AS THE 10 ELEMENTS SWIRLED AROUND HER)

Ooh, ooh, ooh, ooh

Ooh, ooh

Ooh, ooh, ooh, ooh

Ooh, ooh

When in the springtime of the year

When the trees are crowned with leaves

When the ash and oak, and the birch and yew

Are dressed in ribbons fair

When owls call the breathless moon

In the blue veil of the night

The shadows of the trees appear

Amidst the lantern light

We've been rambling all the night

And some time of this day

Now returning back again

We bring a garland gay

Who will go down to the shady groves

And summon the shadows there

And tie a ribbon on those sheltering arms
In the springtime of the year
The songs of birds seem to fill the wood
That when the fiddler plays
All their voices can be heard
Long past their woodland days
We've been rambling all the night
And some time of this day
And now returning back again
We bring a garland gay
And so they linked their hands and danced
'Round in circles and in rows
And so the journey of the night descends
When all the shades are gone
A garland gay we bring you here
And at your door we stand
It is a sprout well budded out
The work of our Lord's hand
We've been rambling all the night
And some time of this day
And now returning back again
We bring a garland gay

We've been rambling all the night

And some time of this day

And now returning back again

We bring a garland gay

She danced and fired waves of each of the 10 elements and they smashed the jerks down and it was awesome as numerous jewels and coins exploded out.

I don't want another heartbreak

I don't need another turn to cry, no

I don't want to learn the hard way

Baby, hello, oh, no, goodbye

But you got me like a rocket

Shooting straight across the sky

It's the way you love me

It's a feeling like this

It's centrifugal motion

It's perpetual bliss

It's that pivotal moment

It's, ah, impossible

This kiss, this kiss (unstoppable)

This kiss, this kiss

Cinderella said to Snow White

How does love get so off course, oh

All I wanted was a white knight

With a good heart, soft touch, fast horse

Ride me off into the sunset

Baby, I'm forever yours

It's the way you love me

It's a feeling like this

It's centrifugal motion

It's perpetual bliss

It's that pivotal moment

It's, ah, unthinkable

This kiss, this kiss (unsinkable)
This kiss, this kiss
You can kiss me in the moonlight
On the rooftop under the sky, or
You can kiss me with the windows open
While the rain comes pouring inside
Kiss me in sweet slow motion
Let's let every thing slide
You got me floating, you got me flying
It's the way you love me
It's a feeling like this
It's centrifugal motion
It's perpetual bliss
It's that pivotal moment
It's, ah, subliminal
This kiss, this kiss (it's criminal)

It's the way you love me baby
It's the way you love me darling, yeah

Sunset Shimmer: (SINGING DIVINELY AS FIRE SWIRLS AROUND HER)

I've never seen you look like this without a reason

Another promise fallen through

Another season passes by you

I never took the smile away from anybody's face

And that's a desperate way to look

For someone who is still a child

In a big country dreams stay with you

Like a lover's voice fires the mountainside

Stay alive, here we go

I thought that pain and truth were things that really mattered

But you can't stay here with every single hope you had shattered

I'm not expecting to grow flowers in a desert

But I can live and breathe

And see the sun in wintertime

In a big country dreams stay with you

Like a lover's voice fires the mountainside

Stay alive

In a big country dreams stay with you

Like a lover's voice fires the mountainside

Stay alive

So take that look out of here it doesn't fit you

Because it's happened doesn't mean you've been discarded

Pull up your head off the floor, come up screaming

Cry out for everything you ever might have wanted

I thought that pain and truth were things that really mattered

But you can't stay here with every single hope you had shattered, see ya

I'm not expecting to grow flowers in a desert

But I can live and breathe

And see the sun in wintertime

In a big country dreams stay with you

Like a lover's voice fires the mountainside

Stay alive

Ha, ha

In a big country dreams stay with you

Like a lover's voice fires the mountainside

Stay alive

In a big country dreams stay with you

Like a lover's voice fires the mountainside

Freaky ghost, baby

You better call

(Ghostbusters)

Ow

Lemme tell ya something

Bustin' makes me feel good

I ain't 'fraid of no ghost

I ain't 'fraid of no ghost

Don't get caught alone, oh no

(Ghostbusters)

When it comes through your door

Unless you just a-want some more

I think you better call

(Ghostbusters)

Ow, who you gonna call?

(Ghostbusters)

Who you gonna call?

(Ghostbusters)

Uh, think you better call

(Ghostbusters)

Ha-ha, who you gonna call?

We cheered wildly for her!

Me: Way to go Moondancer!

Nico: Awesome way to get into the flair of your upcoming mission.

Volcano Man: Those 3 aren't your archenemies though.

Taskmaster: Does it really matter?

Nico: No it doesn't. Besides she just wanted to get into the flair of her upcoming mission in January.

Volcano Man: Oh that makes sense. But that was great!

Fluttershy: Oh it sure was. Now here is me.

She went over.

Me: YEAH!

Fluttershy: But a little dance before the big one.

(ONE WORLD BY CHLOE AGNEW PLAYS)

Fluttershy: (SINGING DIVINELY AS LEAVES, FLOWERS, GRASS AND ENERGY SWIRLS AROUND HER)

I hear a baby crying

A sad sound, a lowly sound

I want to take her in my arms

And then I dry away all her tears

I see a boy, who's frightened

A young boy, with old eyes

I long to say 'You're welcome here,

You can be happy now that you're warm'

We're all a part of one world

We all can share the same dream

And if you just reach out to me

Then you will find deep down inside

I'm just like you

Loud voices raised in anger

Speak harsh words, such cruel words

Why do they speak so selfishly

When we have got so much we can share?

So let your hearts be open

And reach out with all your love

There are no strangers now

They are our brothers now

And we are one

We're all a part of one world

We all can share the same dream

And if you just reach out to me

Then will find deep down inside

I'm just like you

We're all a part of one world

We all can share the same dream

And if you just reach out to me

Then will find deep down inside

I'm just like you

I'm just like you

She danced and fired waves of flowers, grass and energy and leaves and smashed them down.

Starlight Glimmer: Now here is me. (ACTIVATES DR. STARLINE'S RIDEWATCH)

(FORGIVE AND FORGET BY BLONDIE PLAYS)

Starlight Glimmer: (SINGING DIVINELY AS SKULLS AND STARS SWIRLED AROUND HER)

In the beginning, in the days before time,

The light was alive with the essence of power.

And from that power were born beings who lived on the edge of eternity.

And they spread their wings and soared through the ancient air.

And the beating of their wings made the winds.

And from the winds came the seas.

And from the sea came the life of the earth.

Nature's cast upon the sea the winds of past, of promise be.

Waters deep uncover me.

A scheme of sleep as lovers three.

If you'll forgive me my ferocity, I won't forget your sweetness.

Pull down the night, lay it before me.

Gratify my head with curses.

Night recalls tranquility.

A curtain falls and sets it free.

Darkness calls eternity.

Down silent halls the shadows flee.

If you'll forgive me my ferocity, I won't forget your sweetness.

Pull down the night, lay it before me.

Satisfy my head with curses.

Forgive and forget.

Forgive and forget.

Forgive and forget.

Fates are cast upon the sea.

The winds of past of promise be.

Waters deep uncover me.

A scheme of sleep as lovers three.

Forgive and forget.

Forgive and forget.

She danced and fired skulls and smashed the jerks heads in and piles of gold and diamonds popped out.

Qin: YEAH!

(TRUE FAITH BY NEW ORDER PLAYS)

Pinkie Pie: (SINGING DIVINELY AS BALLOONS, PIES, FIREWORKS AND WHOOPEE CUSHIONS SWIRLED AROUND HER)

I feel so extraordinary

Something's got a hold on me

I get this feeling I'm in motion

A sudden sense of liberty

I don't care 'cause I'm not there

And I don't care if I'm here tomorrow

Again and again I've taken too much

Of the things that cost you too much

I used to think that the day would never come

I'd see delight in the shade of the morning sun

My morning sun is the drug that brings me near

To the childhood I lost, replaced by fear

I used to think that the day would never come

That my life would depend on the morning sun

When I was a very small boy

Very small boys talked to me

Now that we've grown up together

They're afraid of what they see

That's the price that we all pay

And the value of destiny comes to nothing

I can't tell you where we're going

I guess there was just no way of knowing

I used to think that the day would never come

I'd see delight in the shade of the morning sun

My morning sun is the drug that brings me near

To the childhood I lost, replaced by fear

I used to think that the day would never come

That my life would depend on the morning sun

I feel so extraordinary

Something's got a hold on me

I get this feeling I'm in motion

A sudden sense of liberty

The chances are we've gone too far

You took my time and you took my money

Now I fear you've left me standing

In a world that's so demanding

I used to think that the day would never come

I'd see delight in the shade of the morning sun

My morning sun is the drug that brings me near

To the childhood I lost, replaced by fear

I used to think that the day would never come

That my life would depend on the morning sun

I used to think that the day would never come

I'd see delight in the shade of the morning sun

My morning sun is the drug that brings me near

To the childhood I lost, replaced by fear

I used to think that the day would never come

That my life would depend on the morning sun

Audrey Sauron: You're not going to like this, Nico, and I still have nightmares of that horrible day. One day, I was walking home after making plans to attend a comic book convention that's coming to Michigan, but then, I'd heard the sound of a faint cry for help, and I ran over to find out who it was that called for help. I ran to the location and to my shock and horror: I found who it was that cried out for help: it was Lincoln, but the sight of what happened to him would haunt me forever: he was tied to a post and he was only in his underwear and he was stabbed and slashed in multiple places and so much of his blood was spilled all over the place, and he had so many tears falling from his eyes and he was screaming in so much pain, and when I heard the sound of cruel laughter, I ducked into a nearby bush, and then, I saw who it was that did this to him: it was Lynn, and that bitch had tons of bloodstained knives with her and those knives were literally stained in Lincoln's blood from her stabbing and slashing him all over the place, and her eyes were all red with insanity, hatred, and cruelty, and then, she got out another knife and with it, she slashed Lincoln on the chest, and he let out another horrific scream of pain and agony and I saw more tears coming from his eyes.

We gasped in utter shock and horror at what Lynn did to Lincoln, and many of us turned green in the face and we ran out to nearby garbage cans and we really hurled our guts out before coming back in.

Lync: Now, that was just sick and inhuman!

Lincoln: I did say it was even worse than the times she's beaten me up, bullied me, and tried to kill me.

Audrey Sauron: It did, and that ultimately pissed me off, and in my rage, I flew out of the bush right before she was going to kill him, and I proceeded to beat her senselessly and mercilessly until my hands were really stained with her blood. I didn't kill her, but she was knocked unconscious, then I turned to free Lincoln from his bonds, and then, I got out a bag of blood and he fed on it, and it caused all of the stab and slash marks on his body to heal and he reabsorbed all the spilled blood. Then, he just held onto me tightly and he cried with so much utter horror and despair, and I held onto him and hugged him tight. I then called Mr. and Mrs. Loud who came to pick us up, and when I told them all of what Lynn did to Lincoln, even showing the photos of Lincoln's stab and slash marks on him, including the bloodstained knives, they were extremely horrified and the other sisters were pissed and cheesed off big time. They decided Lynn had to spend time at a psychiatric hospital for what she did to Lincoln, and that's exactly where she was sent.

We were still reeling in horror at what Lynn did, but we were really happy that Lincoln was okay and saved by Audrey Sauron.

Nico: My God, that was so awful. I can't believe Lynn did that to you, Lincoln.

Eli: Same here, that was horrible.

Lincoln: It was, she deliberately knocked me out and had me tied up to a pole while I was still in my underwear, and she began slashing and stabbing me all over the place, and I was crying in so much pain, and this was after Audrey was finished making plans to attend a comic book convention that's coming to Michigan. If she didn't save me, Lynn would've finally killed me. But, even after Lynn was sent to that hospital, I've been having nightmares of what she'd done to me.

Lori: It was literally awful, I spent the night with him and when I saw the tears that were still coming from his eyes, Lynn literally crossed a very big line that day.

Me: I was also there that night as well, and what Lynn did, that was really evil.

Lincoln: And that's also why I'm glad that… that bitch, Dark Lynn, got what she rightfully deserved, it's bad enough she's forced Lynn to bully and beat me up and gave me Dutch Ovens, even tried to kill me on multiple occasions, but what she did that day, and when we faced her in the world where Yost Spiderman came from, I wanted nothing more than to bite her hard on her throat and drain her dry of every last drop of blood in her miserable body and leave her to die!

We saw Lincoln's eyes turn from deep sapphire blue to blood red and his vampire fangs grew a bit longer. But, then, Audrey Sauron and the other girls in his harem went up to Lincoln, and they piled on and hugged him, and he accepted their embrace, as we saw tears coming out of his eyes, and we also joined in on the hug.

Me: Even though his physical wounds Dark Lynn inflicted on him healed, the psychological wounds she inflicted on him will never leave him.

Nico: Just how many psychological wounds did the Dark Louds inflict on him?! It's just disgusting that they could be that cruel and evil to someone like him! Lincoln, how would you and your harem like to have a bonding session with me and my harem later on today? J.D. and his harem are also joining in as well.

Lincoln: You would… Really?!

Nico: (Smiles Warmly) Of course.

This caused Lincoln to smile, and he hugged Nico and he hugged him back, and we also smiled at the scene.

Luna: That's so really sweet of you, dude.

Lily Loud: And we all knew why: Audrey's story really got him big time, and what Lynn did that day couldn't be forgotten, which is why I'm glad Dark Lynn and the other Dark Louds are gone for good, and those monsters aren't coming back.

(FLASHBACK ENDS)

Turtle: Oh my goodness! That dark side of Lynn is an absolute animal! Now we're glad she is gone for good.

Whirlwind: Yeah no kidding there. She is an absolute monster. Thank goodness she is gone.

?: I will have my revenge on you for destroying us and ruining Master Naga's plans, Brawlers!

Marucho: I knew there was no mistaking that voice from anywhere. You can come out now, Tayghen.

A figure came out, and it was none other than Tayghen, another of the Doom Beings who served Naga with fierce loyalty.

Marucho: Tayghen.

Preyas: You've got some nerve coming back from the dead after everything you've done in Naga's name, you walking fish stick!

Tayghen: We'll see who has the last laugh when I finally destroy you all and avenge Master Naga!

Grace Carmine fired a powerful black and pink energy blast with darkness, pink fire, and trees at Tayghen, and she was burned badly.

Grace Carmine: That's not going to happen, Tayghen, nd now, you will pay for your crimes.

Suddenly, Grace Carmine's pink eyes turned neon pink and she was surrounded by a black and pink energy aura with pink fire, plants, trees, and darkness, she unholstered her massive Earthbound Immortal Ccgojuru-themed sword from her back, and as she approached Tayghen, she left black and pink energy, pink fire, plants, trees, and darkness with every step.

Grace Carmine: I will never forgive you for the crimes you've committed against the humans of Earth and the Bakugan of Vestroia in the name of that monster, Naga, Tayghen, and now, I will administer unto you your punishment for your crimes.

Suddenly, Grace Carmine was surrounded by a massive vortex of black and pink energy with pink fire, plants, and darkness surrounding it, there's Earthbound Immortal Ccgojuru flying around the vortex, and in the vortex is a pink phoenix. Then, as the vortex faded, Grace Carmine emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Grace Carmine grew from 6'5" to 7'1" in height, she has the body of a goddess, she has black highlights in the bangs of her long flowing pink hair, she has neon pink eyes and a black and pink energy aura with darkness, pink fire, plants, and trees surrounding her, she has Earthbound Immortal Ccgojuru with the Dark Kanji in its branches emblazoned on her forehead, she has on tree earrings with pink gems and holding the Dark and Eternity Kanjis in its branches, she also has Earthbound Immortal Ccgojuru with pink gems and the Dark and Eternity Kanjis in its branches for the second pendant on the bottom of her pink tree-shaped Element of Harmony, along with the gold Thunderbird pendant of her Thunderbird Necklace of Eternal Love necklace with pink crystal links from her merged Crystal Necklace of the Buddha and pink gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Grace Carmine has on a pink open blouse, sleeveless pink midriff top, long pink skirt with black designs on the bottom and the Tree Nazca Line on it, black pants, pink sneakers, and long sleeveless white trenchcoat with darkness, trees, plants, and pink fire on the coattails, and on the back is Earthbound Immortal Ccgojuru with darkness surrounding it. Suddenly, Grace Carmine felt a sharp pain on her back, and then, her massive black angel wings with pink tips grew much bigger for her new body, and the feathers had the same pink markings as on Ccgojuru. Grace Carmine has on a Ring of The Phoenix with pink gem and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger.

Suddenly, Grace Carmine's massive Earthbound Immortal Ccgojuru-themed large sword and all the other swords she'd got began merging together and they were surrounded by a kaleidoscope of pink energy with darkness, pink fire, and trees, and when it emerged, it transformed into Earthbound Immortal Ccgojuru's Dark Tree Greatsword of Pink Fire and Darkness Justice, it's a brand-new large greatsword with Earthbound Immortal Ccgojuru and the Tree Nazca Line etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight black see-through circles for the crossguard, large pink gem embedded in the rainguard, longer midnight black handle, four large midnight black see-through circles and a large pink gem below the black see-through circles for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with pink gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Earthbound Immortal Ccgojuru's head with pink gems in its branches for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Grace Carmine has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY DARKNESS PINK FIRE EARTHBOUND IMMORTAL TREE ANGEL OF DIVINE EARTHBOUND IMMORTAL DARK JUSTICE AND DIVINE PINK FIRESTORM LOVE!

We were amazed by Grace Carmine's Super Angel Xelnaga Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Tayghen saw it, she flew into a rage and fired a blast of water and wind at her, but Grace Carmine fired a powerful black and pink energy blast with darkness, pink fire, plants, and trees at her, and it exploded with incredible power as it hit her, but she's not done yet.

Nico: Whoa, now Grace Carmine has transformed, so cool.

Me: Yeah, and take a look at the pink patterns on her black angel wings, they're the same as the ones on Ccgojuru, nice.

Lincoln: Yeah, and now, Tayghen is about to feel the true wrath of The Earthbound Immortals. And Grace, you look beautiful, how do you feel?

Grace Carmine: (Divine Echoing Cosmic Voice of The Dark Tree Earthbound Immortal and Divine Pink Fire Justice) I feel incredible, Linky, and now, shall we administer Tayghen's punishment for the crimes she's committed in Naga's name?

Lincoln: (Smiles) With pleasure, Grace.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Grace Carmine.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Time to pay for everything you've done in Naga's name, Tayghen, and you don't deserve a single ounce of mercy, not that you even deserve any.

Grace Carmine and Lincoln went after Tayghen, who continued firing blasts of water and wind at them, but they absorbed them and it made them stronger than ever, and they fired extremely powerful blasts of rainbow energy, black and pink energy, pink fire, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, and Trees at Tayghen and they exploded with incredible power as they hit her. Then, they attack Tayghen with their massive greatswords and they left some really nasty scars on her, and Lincoln fired a rainbow energy blast which transform into a massive rainbow energy straitjacket with rainbow energy chains and they wrapped around Tayghen, so she couldn't escape.

Tayghen: Impossible, defeated by a bunch of humans?! I won't let this humiliation stand!

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) That's enough, Tayghen.

Tayghen was silenced because of the authority that was given out from Lincoln's voice.

Nico: Nice one.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious

Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Thank you, Nico. (To Tayghen) Now that you've cooled down, I think it's time to negotiate a deal: how would you like to join The Masters of Evil?

Grace Carmine: (Divine Echoing Cosmic Voice of The Dark Tree Earthbound Immortal and Divine Pink Fire Justice) This is a one-time opportunity, besides, do you honestly think Barodius is going to let you live when news of your defeat reaches him? No, as soon as we let you go, he's going to kill you, and your master, Naga, is just like Barodius, he cares about no one except for himself. Do you honestly think you'll be shown any mercy at all?

This caused Tayghen to think, and she knew Lincoln and Grace Carmine were right: if news of her defeat reaches Barodius, he will kill her and not show her any mercy at all, and she compared him to Naga as well: both of them care about no one except for themselves.

Tayghen: Very well, as it stands, I will join The Masters of Evil.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smiles) You've made the right choice.

Lincoln beamed Tayghen to The Masters of Evil's HQ, where Vypra and the others were given the news: Tayghen is now part of The Masters of Evil. We cheered wildly for what Grace Carmine and Lincoln did as they holstered their massive greatswords on their backs and powered down, and Grace Carmine's new body, clothes, weapons, jewelry, and massive black and pink angel wings are permanent.

Grace Carmine: That's one villain recruited into The Masters of Evil and six more to go before we finally kill Dustin Keystone and

Barodius, and thanks for helping me take down Tayghen, Linky.

Lincoln: (Smiles Warmly) You're welcome, Grace.

Suddenly, Grace Carmine wrapped her arms around Lincoln's thick muscular neck, as her chest was pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leans down to Grace Carmine's face, they kissed passionately as Grace Carmine's left arm was still wrapped around Lincoln's thick muscular neck, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Earthbound Immortal Ccgojuru flying in the air, and we saw a herd of Buffalo running across the field, along with elemental forces, plants growing out of nowhere, and pink fire raging behind them and we all cheered wildly. Lincoln and Grace Carmine absorbed the fires, and they came back, and Ccgojuru vanished.

Nico: Awesome job, Grace and Lincoln, you guys took down and convinced Tayghen to join The Masters of Evil.

Lincoln: And now, there's one more Doom Being to go.

Camille Xui: Which means tomorrow, you and I are taking down Hairadee, Linky.

Lincoln: That's right, Camille. But, we need to watch it with him.

Nico: Yeah, like Tayghen, Hairadee has Aquos and Ventus powers and abilities, and he's also ruthless.

Lincoln: Yeah, and he gave Shun and Skyress a lot of trouble long ago.

Eli: Yeah, but you guys will be ready for him. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: That's a good question, Eli. Hmm, ooh, here's a good one, how about Gene-Slammers for Brump, Zynth, Poewk, Thwok, Dwumrohl, Zuuker, Screemu, Tympa, Dermit, and Gheegur from My Singing Monsters?

Me: Ooh, from the Wublin Class, awesome, but there's 20 of them in that class of Supernatural Monsters.

Lincoln: I know, so I divided it: we'll see the first ten for tomorrow and the next ten for the next day.

Nico: Good idea.

Spot: How do you feel being married to Nigel, Rachel?

Numbuh 362: Actually, pretty good.

Me: We're so happy for you guys.

Dr. Polaris: Good to know.

Nico: Yeah.

Mortal Kombat Scorpion: You two haved earned this.

Me: Absolutely.

Goro: And so begins a new chapter in the KND.

Me: Yep.

Ben Ravencroft: Though all your other enemies have been dealt with.

Me: Yeah but maybe there's a strong possibility that we can recruit many of them minus Father, The Delightful Children and Grandfather.

Ben Ravencroft: Good idea!

Qin: Yeah!

Nico: Yeah! But this was so much fun! We're so happy for Numbuhs 1 and 362.

Numbuh 362: We all are. You guys have made this the most awesome wedding we've ever had.

Numbuh 1: It was the best ever!

Me: We're glad you two had so much fun.

Numbuh 1: (To the viewers) THis was a great wedding. We're so happy to be together after a year and a half almost. It was so much fun.

Me: We're glad you had fun.

Nico: We are too. Great job today everyone.

We had the cake and it was delicious. Numbuh 4 caught the bouquet and he already knew that he and Numbuh 3 will one day get hitched. We later went back to the estate and enjoyed the rest of the day and went to sleep. It was a great day.

THE END

Mack Hartford: Anytime Nico. It's going to be so awesome to help you guys.

Girl Jordan: I hope we kick the butt a bad guy that is after the treasure.

Qin: Oh we will.

Nico: Mack, when you were still a robot, were their advantages?

Mack: Well I had superhuman strength and I had the power to become Sentinel Knight as well as analyze my enemies.

Qin: Very scientifical.

Laney: Yeah it sure is.

Me: That was so awesome though.

Pipp Petals: It sure was amazing.

Lisa Loud: Indeed and I should know because my friend Darcy is a cybernetic organism too.

Me: That's true.

Eli: I think it's so awesome too.

Fiona Hernandez: Wow that is cool.

Nico: I'm just glad Sentinel Knight helped you become human.

Mack Hartford: I'm glad he did too.

Me: That is so awesome.

Qin: Wow! That is so awesome.

Xenia: Looking forward to this one.

Nico: I'm glad Nigel and Rachel are married now.

Qin: It sure was.

Eli: That was an awesome and epic war.

Arrietty: Boy it sure was.

Laney: Yeah it sure was.

Camie: I'm just glad that some of the Kids Next Doors major enemies are all destroyed. But the minor ones will make awesome archenemies for us.

Nico: I was just about to say that.

Me: Yep.

Nico: The two of them getting married was long overdue.

Me: It sure was.

Qin: Yep.

Me: But weddings take a lot of planning and all that.

Nico: True.

We arrived in Borneo.

Nicole: The island of Borneo.

Nico: Been here many times and it's awesome.

Qin: It sure is.

We walked through the jungle.

Nico: Now, if only Kuki and Wally would get married.

Me: Nico they haven't gotten that far yet.

Nico: Oh. Right.

Qin: Just give it some time.

Nico: Okay.

We then came to an ancient temple.

Nicole: At last! The Temple of Dewi Ratih.

Nico: Wow!

Laney: So awesome!

Rainbow Dash: This is gonna be so awesome!

Nico; Lets watch for traps guys.

We went into the temple and it was an ancient and awesome place.

Qin: Wow!

Nico: Look at this place!

Qin: Incredible!

Me: It sure is amazing.

I saw a mural.

Me: Wait look at this.

We saw a mural on the wall.

Nicole: Wow this mural is amazing.

Me: And there is an amazing story on it.

Nico: What does it say?

Me: Lets see.

I looked at it and it was an amazing and awesome tale.

Me: Wow! Look at this. It says "Long ago, the evil barbarian conqueror Airlangga Chaniago, came to Borneo and unleashed his evil minions and soldiers upon the land. No one on the island of Java could stop him and his armies as they brought terrible destruction and terror to all. Countless lives were lost and he ruled over the lands of Java with fear and terror. The great warrior Adika Kurniawan then made a pact with the Goddess of The Moon, Dewi Ratih, and she granted him a mighty and enchanted sword imbued with all her powers and armed with the sword he drove the powerful armies of Airlangga away and beheaded him with the mighty sword and banished him to the underworld forever. But news of the mighty conqueror's demise reached his lands and fearing that the swords powers would be used for evil, Adika hid the sword here in this temple and only a brave and selfless soul that is pure of heart can wield it and use its powers for good. That soul must have a heart that is pure."

All of us: Whoa.

Nico: That is amazing.

Eli: Yeah.

Applejack: Amazing.

Nico: Who gets it this time?

Me: I think it should be Apple Bloom.

Apple Bloom: Me?

Me: Yeah Apple Bloom. You are a really amazing girl that did so much good for all of Equestria and all of the team.

Apple Bloom: Well… Okay.

Nico: Lets go find it.

We then went into the temple and it was amazing. Then in a big room on an altar we saw The Sword of Dewi Ratih!

Nico: Wow!

Nicole: At last! The Sword Dewi Ratih.

Daring Do: Wow! This is amazing.

Apple Bloom: Here we go.

Apple Bloom went up to the sword and then she grabbed the handle and then she succeeded in pulling it out! She then glowed and underwent an awesome and powerful transformation!

(ESCAFLOWNE FOX KIDS INTRO EXTENDED PLAYS)

She was enveloped in a powerful light and then her power level was increasing powerfully and she sprouted moonlight star angel wings and got an awesome and amazing moonlight trench coat. When the transformation was done we were amazed!

Nico: WHOA! Apple Bloom how do you feel?

Apple Bloom: (Divine Moonlight voice) I feel amazing Nico!

Qin: Wow!

Eli: And just in time too! I sense something coming.

Nico: The next Another Omnitrix Alien?

Eli: I don't think so.

Nico: Quick hide.

We hid and then a figure came out and it was ERNESTO DE LA CRUZ!

---

Ernesto de la Cruz is the main antagonist of Pixar's 19th full-length animated feature film Coco. He is both the former idol and former childhood best friend now archnemesis of Miguel and Héctor Rivera, respectively.

He was a famous singer, musician, and actor (but fake songwriter) who had dazzled the audience with his good looks and his charm, and was a source of Mexican pride due to his handsome looks, supposedly strong morals, and his standing up for his fellow Mexicans. He died when he was crushed by a giant bell mid-performance and resides as a soul in the Land of the Dead.

However, it was revealed that Hector was the actual writer of the songs, and Ernesto betrayed each other, so Ernesto murdered Héctor and passed his songs off as his own compositions to gain fame and fortune, thus making him responsible for the Rivera family's ban on music and disownment of Héctor in the first place.

He was voiced by Benjamin Bratt, who also played El Macho in Despicable Me 2, Antonio Pope in Ride Along 2, and El Topo in Snitch.

Ernesto de la Cruz was born in 1896. He started out as a childhood friend and business partner of Héctor Rivera, as they both entered the music industry in 1921, wooing the people of Mexico for months. However, they broke into an argument when Héctor decided to return to his wife Imelda and daughter Coco. Though Héctor assured Ernesto that the latter can manage on his own, Ernesto desperately claimed that he can't do so without Héctor's songs and begged Héctor to reconsider. However, Héctor remained firm in his decision to go back to his family as Hector's assurment that it was his dream went into Ernesto's head so he was angered by this refusal which made him become evil.

Pretending to support Héctor's decision of returning to his family by making a toast and saying that he would move "heaven and earth" for him, Ernesto secretly spiked Héctor's drink with poison, which took effect as they walked down the street towards the train station. Watching Héctor succumb to his death by the poison, Ernesto took the opportunity to steal Héctor's guitar and songbook and pass off them as his own, gaining a reputation in the music industry and becoming one of Mexico's most acclaimed musicians, as well as a film star and writer. It's unknown why he did this; however, one could say that like all murderers who desire attention, he did it so he can keep the guitar as a trophy.

Ernesto kept his murder secret by claiming that Héctor died from food poisoning and never informed his family about his death, causing Héctor's wife Imelda, unaware of Héctor's desire to come home, to assume he had abandoned their family and thus instigated a ban on music for the Rivera family while taking a hobby of making shoes as the main family business. Ernesto even went as far as to brag about his death by writing and starring in a film where he's the one getting betrayed.

Eventually, during one of Ernesto's concerts while singing Héctor's famous song "Remember Me" in 1942, he was killed in an unnoticed act of karma when a backstage hand accidentally leaned on a lever that caused a church bell to drop onto him just as he finished the song, horrifying all his fans present in the performance. Despite his own death, Ernesto's legacy lived on, which was honored by a large statue. He also maintained his reputation as he continued to perform to the citizens of the Land of the Dead, supplied with his own mansion and a crew of security guards at his disposal. Said security guards are apparently responsible for protecting him from rapid fans, and (possibly), get rid of anyone that might have found out about his past.

It began with Miguel (Héctor's great-great-grandson) living in the ville "Santa Cecilia" with his family, including a very old Coco who is suffering from Alzheimer's. Unlike the rest of the Riveras, Miguel loves music and, in secret, hopes to one day be as famous as Ernesto, whom he considered to be his hero and idol.

Upon learning about a talent show during the Day of the Dead, Miguel discovers from Imelda's portrait that his great-great-grandfather has a guitar similar to the one that Ernesto is holding in a photo. Believing that Ernesto is his great-great-grandfather, Miguel tries to explain his discovery to his family, but they refuse to believe this, with Miguel's grandmother Elena destroying Miguel's guitar to prevent him from following the path of his ancestor. Fed up with his family's views on music, Miguel angrily runs away, deciding to perform himself.

However, Miguel can't enter without an instrument and decides to take Ernesto's guitar from inside his mausoleum to use it in the concert. In the moment Miguel struck the strings, he becomes a type of ghost, being unable to be seen or heard by the living except for a street dog named Dante, who is actually a disguised spirit animal. In the cemetery, Miguel meets his deceased relatives, who are shocked to discover Miguel has entered into the Land of the Dead.

When Miguel is taken to the Land of the Dead, he meets Imelda, who is unable to cross to the world of the living because Miguel took her portrait from the ofrenda. They discover from an officer what can help Miguel return to the world of the living before he turns into a skeleton at sunrise.

By receiving a relative's "blessing" with a glowing petal of Aztec marigold, Imelda agrees to let Miguel back home, but with the condition that he gives up his musical desires. Outraged with this, Miguel angrily refuses and runs away before allying with Héctor, who is currently a lonely and forgotten trickster trying to visit his family to no avail and being unaware of the true causes of his death. Forming a deal, Héctor offers to take Miguel to Ernesto in exchange of delivering Héctor's picture to his family's ofrenda in order to save him from being forgotten by the living world. During their journey to Ernesto's mansion, Héctor, Miguel and Dante are being tracked down by Imelda's spiritual guide (an alebrije called Pepita).

After participating on a contest to receive an entrance to the mansion, an argument breaks between Miguel and Héctor after the latter discovers that the former could have returned to his home all the time (as Miguel had previously lied to Héctor by claiming that Ernesto was his only family around). In response, an angry Miguel leaves Héctor and dismisses Dante, determined more than ever to get to Ernesto's mansion on his own. He even accuses a pursuing Imelda of making his life unhappy, stating that music makes him happy and that she's trying to take it away from him, an accusation that leaves Imelda guilt-ridden and heartbroken as she realizes how much her ban against music has hurt Miguel.

Miguel manages to enter the mansion with the help of a band (who were the winning participants of the contest) and looks for Ernesto while Héctor followed him disguised as the famed painter Frida Kahlo.

During the party inside the mansion, Miguel gets Ernesto's attention by singing one of his favorite songs that he sung on television, "The World es mi Familia", though he ends up falling into the swimming pool by accident. Ernesto dives in and saves Miguel, who is revealed to be a living boy and explains about his discoveries of his ancestry to Ernesto. Despite being aware that he had no known living relatives, Ernesto exploited the opportunity by taking it as a sign of joy and spending a quality time with Miguel to gain more support from the guests.

After the party is over, Ernesto stated that he had to make a decision in leaving everything behind to pursue his own dreams of becoming a musician and advises Miguel to do the same if he wishes. As Miguel explains his situation to Ernesto, the latter agrees to give him his blessing to send him back.

Just as Ernesto is about to give Miguel a petal of Aztec marigold to send him home, however, they were interrupted by an arriving Héctor, who confronts Miguel for leaving him behind and Ernesto for taking his songs while leaving him to be forgotten by the living world. A nervous Ernesto admits that Héctor did write the songs, but claimed that he only sang them to keep Héctor's memory alive ever since his death, though Héctor is not convinced by this. Nevertheless, Héctor pleads with Ernesto to let Miguel take his photo, reminding him of the time Ernesto said that he would move "heaven and earth" in the name of their friendship.

Upon hearing this, Miguel points out the similarities between Héctor and Ernesto's toast with a scene in one of Ernesto's films where the villain attempts to murder him with a poisoned drink (in which Ernesto, who had written the film script, had used the moment of murdering Héctor as inspiration to make the script). Catching on to the similarities after watching the film, Héctor recollects the events before his death and finally realizes in horror that Ernesto had deliberately poisoned him in order to steal his songs and take the fame for himself.

"I know you'll understand." ~ Ernesto revealing his true nature to Miguel after admitting his murder of Héctor.

Furious at this revelation, Héctor attacks Ernesto in a scuffle as revenge for the way he ruined his attempt to go back home, but the latter fearfully calls in his security guards to detain him. Finally being aware of Héctor's former occupation as Ernesto's partner in the music industry, Miguel wonders if all of it was true or not, though he denies this to Ernesto. However, being unwilling to trust Miguel as he has learned too much, Ernesto reveals his true colors by crumbling the petal and pocketing away Héctor's photo while ordering his guards to imprison Miguel so he can't return to the Land of the Living in time, admitting that he had to murder Héctor to seize his moment in becoming a famous musician. This made a horrified Miguel realize the murderous fraud that Ernesto really is.

In a cenote pit, Héctor begins to fade as his daughter Coco is starting to forget him due to her deteriorating mental state, which makes Miguel realize that Héctor is really his great-great grandfather, not Ernesto. Eventually, they are rescued by Imelda and Pepita, who were guided by Dante to them. Reconciling, Miguel then explains the events to his deceased relatives and that Ernesto was responsible for Héctor not returning home in the first place. With this shocking revelation, Imelda and the others agree to help Héctor and Miguel recover the stolen photo, though Imelda still cannot bring herself to fully forgive Héctor since he still left her before his death.

During Ernesto's sunrise show at a stadium, Miguel and his deceased relatives sneak in (with the help of the real Frida Kahlo) to recover Héctor's photo from Ernesto before Coco forgets him. They run into Ernesto by convenience, where Imelda angrily slaps Ernesto twice for murdering Héctor and attempting to murder Miguel. He is shocked that Miguel and Héctor are related, just as the deceased Rivera relatives chase him down the stadium. Ernesto calls his security staff to detain them, forcing the relatives to fight back while Imelda accidentally ends up on stage after recovering

Héctor's photo from Ernesto. Spotting Imelda on stage, Ernesto angrily orders his guards to stop her and steal back the photo.

At first, Imelda is reluctant to perform, but Miguel encourages her to sing as Héctor plays the guitar. Imelda starts singing *"La Llorona"* while evading the security guards, which surprises her dead relatives and woos the entire audience to Ernesto's anger. Deciding to handle things in person, Ernesto comes in stage singing and tries to take the photo while trying to make everything seem as part of the show, though Imelda frees herself from Ernesto by stepping on his foot and gives Miguel the photo and her blessing.

However, just as Miguel can touch the petal, Ernesto angrily grabs him and shoves an interfering Imelda to the floor, ranting out that he will not allow him go back with the photo because it would ruin his legacy as a great musician. Miguel angrily refutes this by stating that Héctor is the real musician and that Ernesto is just a cowardly fraud who murdered Héctor and stole his songs for the fame and glory, but Ernesto does not care by saying that he will do whatever it takes to seize his moment in achieving more fame and glory for himself. Without hesitation, Ernesto throws Miguel over the edge, to the horror of the Riveras. Ernesto then leaves for the stage while taunting his weakened old friend with a cruel and sarcastic apology, telling him that the show must go on.

Though it would have seemed that Ernesto had won, as he returns to continue his performance for the concert attendees, he is unaware that Miguel's great-aunts, Rosita and Victoria, secretly used a video camera to broadcast his confession and throwing Miguel over the edge to the audience. This makes the outraged audience realize his true colors and eventually turn against him with catcalls and jeers as they condemn him for his vile actions on the Riveras. He tries to get the orchestra to start playing, but they refuse to do anything other than glare at him with contempt, disgusted with him for everything he's done. Even the orchestra's conductor silently splits his baton in two without a second thought.

Just as the confused Ernesto gets pelted with food by the angry audience when he futilely tries to win them over with "Remember Me", he witnesses Pepita saving Miguel on the monitors, making him realize that he just exposed his crimes to the entire Land of the

Dead. Pepita then comes forth on stage to punish Ernesto for all that the Rivera family had endured when he murdered Héctor by lifting him up before throwing him from the stadium. Ernesto then falls onto a bell tower and watches helplessly as the bell falls and crushes him once again after he smashed into it (mimicking his original death). This is all broadcasted by the camera staff to everyone in the arena who rejoice at his defeat, excluding a spectator returning from the concession stand and asking his wife what he missed.

After receiving a family blessing from his great-great-grandparents and returning home, Miguel uses Héctor's guitar to help Coco remember him by singing "Remember Me". Coco also reveals that she kept her father's old letters detailing his song lyrics and the ripped portion of the portrait detailing his face, allowing the Rivera family to finally learn the truth about what happened to him all those years ago. Realizing their wrong opinion of their ancestor, the Rivera family allow music back into their lives and proceed to expose Ernesto as the fraud and murderer he was by using the photo and the letters as evidence of their findings. By the following year, Héctor has replaced Ernesto as the village's new musical figure. Ernesto's shrine is abandoned with the sole addition being a sign that says "FORGET YOU" ("OLVIDADO" in Spanish) that was put on Ernesto's old tomb, as the villagers and possibly the world now consider him a disgrace for his heinous actions on the Rivera family, therefore leaving the tomb to decay in permanent disrepair.

Even though Ernesto still exists in the Land of the Dead, despite being crushed by the giant bell since he was already dead and will still be remembered in the Land of the Living, his crimes will forever leave him rejected by both the living and the dead and he'll be remembered as a murderer, thief and fraud; therefore ensuring his wish of getting fame in the worst imaginable way, now being infamous rather than famous for his actions. It's unknown as well if Ernesto has managed to get out from the bell which crushed him in the Land of the Dead or if he is still trapped there; either way, he is now destined to live in the Land of the Dead in shame and disgrace for his remaining years (if not for all eternity in case people don't forget him) as punishment for his actions.

Nico: Ernesto De La Cruz?

Me: What's he doing here?

Eli: He must be here for the sword.

Ernesto: (Spanish accent) NO! The sword is gone! That was what I needed for revenge!

I had fire burning in my eyes.

I then slashed Ernesto with my scythe then he bursted into flames as he was judged by the spirits of those he hurt and then he was found guilty and he was fading.

Me: Sorry we have to fight like this.

Nico: (gets out Man Ray's Ridewatch) Let's start things off!

Nico activated the ridewatch,

Nico: TIME FOR THE RAGING WHIRLPOOL! DOG PADDLE AWAY!

He swam in a dogpaddle and formed a whirlpool of air and spun Another Squidstrictor around and it made her dizzy!

Lily: SpongeBob and Patrick would love you forever for that Nico!

Nico: (LAUGHS) Yeah they would!

Mack: My turn!

Mack Activated Titanium Man's Ridewatch.

He got an awesome Titanium Armor and fired waves of energy and smashed her down.

Me: OH YEAH!

Qin: YEAH BABY!

Apple Bloom: YEAH! That was great!

Applejack: YEEHAW! That was great!

But then we heard a tiger roar!

Nico: Whoa a Tiger is here!

But then out came Advanced Crystal Beast Topaz Tiger!

Me: Whoa! Advanced Crystal Beast Topaz Tiger! Awesome!

Camie: So awesome!

A.C.B. Topaz Tiger: (In a girls voice) Looks like I got here just in time.

Nico: Whoa! Topaz Ginnova!

She reverted back and Topaz was a girl with blond hair and yellow eyes and yellow clothes and yellow angel wings and she had a yellow jewel in the middle of her forehead.

Topaz Ginnova: This is gonna be awesome. I got this.

She fired a wave of yellow energy and smashed down Another Squidstrictor and she was back to normal and I caught her ridewatch and purified it and Charlotte was a girl with black hair in a ponytail and she had a business woman suit on and I picked her up.

Me: Charlotte are you all right?

Charlotte Camembert: (GROANS) What a headache. But I'm okay.

Me: Good.

Topaz Ginnova: That was so awesome.

Mack: What's your favorite memory of Nico?

Topaz Ginnova: I have a lot of them but my favorite is when me and Nico went to Mount Etna and took some lava samples and they were extremely hot. I then accidentally flung a glob of lava and it went into a bully kid's pants and gave him a really bad hot butt and it really hurt him. It was really funny.

Nico: That was so funny.

Qin: Ouch!

Laney: Yikes!

Nico: Yeah.

Nico and Topaz hugged.

Nico: I've missed you.

Topaz Ginnova: Me too Nico.

Nicole: But this was an awesome treasure hunt.

Daring Do: It sure was.

Nico: Yeah. Lets head home.

Maria: And nice business suit, Charlotte.

Charlotte Camembert: Oh thanks Maria.

Me: At least she's okay.

Nico: Yeah.

We went back home.

After Nico's rescue, Lincoln, Me, Ken Knudson, Nico, Eli, Nicole

Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Lincoln's harem, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Goofy, Baloo, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, The Saber Kamen Riders, Anatankha, Timmy Turner, Cosmo, Wanda, Poof, Trixie Tang, and Carter Grayson are heading to the world of the 1988 horror movie, Pumpkinhead, and not only is Lincoln going to rescue the four girls here, but we're going to destroy the Demon of Revenge, Pumpkinhead, who was summoned by Haggis the Witch, who responded to Ed Harley's desire for revenge on the teens for the tragic death of his son, Billy Harley, and we need to put an end to Pumpkinhead as quickly as possible.

It's a race against time to save Ed Harley from eternal damnation, because any who dare to summon Pumpkinhead to get revenge will be damned for all eternity.

Lincoln: Whoa, we're here in the world of the 1988 horror movie, Pumpkinhead, and I know what we're going to do here, not only am I going to rescue the four girls here, but we're going to destroy the Demon of Revenge, Pumpkinhead, who was summoned by Haggis the Witch, who responded to Ed Harley's desire for revenge on the teens for the tragic death of his son, Billy Harley.

Me: My dad watched that movie long ago, and it really scared him.

Nico: Same here, especially when I saw the demon itself, and it was relentless in killing Tracey's friends.

Lincoln: It was driven by Ed Harley's desire for revenge due to the tragic murder of his son, due to an act of reckless behavior. I can understand Ed Harley's anger, because he was a father to his only son, and when his life was cut short by a reckless action on Joel's part, but it still didn't change the fact he went to Haggis to summon Pumpkinhead to get revenge on them. But, there's time to make sure this doesn't end with Ed Harley's death and eternal damnation: we need to rescue Tracey, Chris, Maggie, Kim, and Steve, and then, we need to sever Ed Harley's link to Pumpkinhead.

Just then, The Goths of Darkness appeared from tornadoes of darkness.

Brittney: And that's where we come in, Lincoln. I've found a spell to sever the psychic link Ed Harley will have to Pumpkinhead once he's dug up the corpse and brought it to Haggis to perform the spell to summon the demon.

Lincoln: Awesome, Brittney, and there's also another thing that'll also beat Pumpkinhead: love. Ed Harley's love he has for his son and the love Billy Harley has for his dad is also another powerful force greater than hatred and revenge.

Carter Grayson: And since Pumpkinhead is a creature with a heart of venom and a soul of hatred, along with having a thirst for revenge, he won't be able to stand it.

Lincoln: Exactly, Carter. Now, let's hurry, we don't have long.

We then hurried to the teens' cabin, and we found Tracey and Steve, who got knocked out by Joel in a panic, and then, we hurried to get Chris, Maggie, Kim, and Joel, who was now having remorse for what happened to Billy Harley. But, then, we saw the sun had set, and The Goths of Darkness sense that Pumpkinhead has been summoned.

Brittney: Pumpkinhead's been summoned.

Tracey: Who or what is Pumpkinhead?

Morgana DeRose: Pumpkinhead is a demon of revenge who can be summoned by someone who was wronged to exact revenge in his name, this monstrous demon embodies the conjurers' hatred, desire for vengeance, and their unforgiving of their wrongdoers. This makes Pumpkinhead an unforgiving monster who brutally kills people.

Adara Dunstan: Yes, and he enjoys the agony he puts his victims through and sometimes it appears to lets its targets escape him deliberately, just to draw out his 'cat and mouse' game even longer, just for his victim's suffering and his amusement.

Autumn Melaina: As a revenge demon, Pumpkinhead's priority is to make its victims have painful deaths, he is very sadistic and he'll go out of its way to make its killings more horrible. Pumpkinhead cannot be distracted from its task, though usually only kills at night. The demon will not kill random people in its way, unless they try to stop it, in which case he has no qualms with murdering them too.

Tracey: Can't anyone call that thing off?

Brittney: Nothing can call it off, not even the conjurer himself.

Lincoln: But, we've dealt with demonic forces before. Now, we should go now!

We ran as fast as we could until we met Bunt Wallace, who took us to the remains of a church, and then, it's where Tracey began to tell that Joel hit a little boy near the fruit stand in town, and Bunt knew that the little boy Tracey talked about was Billy Harley, Ed Harley's son. He then explained he was the one who took Ed Harley to see the witch Haggis, and he explained that since that thing is now chasing after the teens, it meant that Billy Harley's death has caused Ed Harley to seek revenge and he asked Haggis to summon Pumpkinhead through a corpse in the graveyard and using the blood of father and son to do it.

Suddenly, a storm came out of nowhere, and we saw the creature Pumpkinhead at the doorway to the desolate church.

Nico: So, that's…?

Me: Yep.

Lincoln: Go, everyone, let's get out of here!

We ran out of there as fast as we could, and then, we were met by Ed Harley, who now feels remorse for what he's done, and if he didn't stop it, he's facing eternal damnation. We knew right then and there, we had to act fast.

Eli: Ed Harley's realized he's made a fatal mistake.

Lincoln: Now, there's only one last thing to do: stop Pumpkinhead with the ritual that The Goths of Darkness have to sever the psychic link it has with Ed Harley, and this nightmare will finally end.

Lori: But, will it truly end? No matter what, whenever someone has been wronged, they'll come once again to Haggis to summon Pumpkinhead to get revenge in their name.

Me: You're right, Lori.

Nico: Yeah, and they'll do anything to get revenge, and it's that strong, they're willing to risk eternal damnation by going to Haggis to conjure Pumpkinhead.

Lincoln: That's true, but either way, this nightmare ends tonight.

Ed Harley: How are you sure about that?

Lincoln: We've dealt with demonic forces before, Mr. Harley, and we're no strangers to the world of the demonic, and you have my condolences on what happened to your son. But, don't worry, if the witch can't bring your son back, then I will.

Me: Lincoln's right, we'll bring your son back from the dead. But, first things first, we need to deal with Pumpkinhead.

Nico: And save your soul from the threat of eternal damnation.

Ed Harley understood, and he agreed to help us, despite that he himself will be at risk.

?: HEEEEELLLLLP!

Suddenly, Lincoln heard the sound of four girls calling for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the four girls, but they've been cornered by Pumpkinhead, and it's going to kill them.

Lincoln: (Gasps) Let's get over there at once, guys, I found the four girls, but they've been cornered by Pumpkinhead, and it's going to kill them.

We rushed over, and right before Pumpkinhead could claim its next victims for even helping those who were marked, Lincoln fired powerful rainbow energy balls and elemental forces at the demon, and that allowed the four girls to get to safety inside of a rainbow energy field created by Lincoln to protect them from Pumpkinhead, and when it saw us, it was pissed off and furious, especially since we were also helping Tracey and her friends.

But, before it could attack, we saw Brump, Zynth, Poewk, Thwok, Dwumrohl, Zuuker, Screemu, Tympa, Dermit, and Gheegur from the Wublin Class from My Singing Monsters appear from out of nowhere and it attacked Pumpkinhead, and came to us.

?: (Ten girls' voices) (French Accent) That'll teach you, you vile monster from Hell!

Lincoln: Those ten voices and those French accents, I knew it was you, Sophitia Chœurdebeauté, Sonnya Chœurdebeauté, Saria Chœurdebeauté, Stella Chœurdebeauté, Sara Chœurdebeauté, Skye Chœurdebeauté, Sahana Chœurdebeauté, Shannon Chœurdebeauté, Shirley Chœurdebeauté, and Sharon Chœurdebeauté.

Lori: (Gasps) Sophitia and her sisters are here?! This is a surprise, but we'll have to talk later.

Lincoln: Yeah, we've still got Pumpkinhead to deal with. Let's wear him down first, then Brittney and The Goths of Darkness can do their ritual.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, Brittney.

Brittney: Right.

Suddenly, The Goths of Darkness formed a dark magic circle and trapped Pumpkinhead in the center of it, and Brittney chanted an incantation. Suddenly, we saw a thin line of magic form between Ed Harley and Pumpkinhead: it was the psychic link Ed Harley has with Pumpkinhead.

Brittney: Now, Lincoln, sever the psychic link!

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Right!

Lincoln swung his massive greatsword and severed the psychic link, and Ed Harley was freed from Pumpkinhead, but Pumpkinhead wasn't safe for long: we fired powerful energy beams at the demon and it was dead for good. We went to Ed Harley and checked on him, he was okay, and his soul was saved. We cheered as we holstered our weapons and powered down.

Ken Knudson: We did it, Ed Harley has been saved from eternal damnation.

Lincoln: Yeah, but now, there's only one last thing to do before we can close out the rescue.

Lincoln snapped his fingers and a beam of light shined down from Heaven, and a figure descended from Heaven, it was Billy Harley, Ed Harley's son. When Ed Harley saw him again now restored to life, he ran up to him and they hugged: Father and Son were reunited, and this brought tears to our eyes.

Nico: Now, that's truly a scene worthy of any father and son.

Me: Same here. You did an awesome thing bringing Billy Harley back, Lincoln.

Lincoln: The one thing he wanted was his son back, and I gave that back to him.

Nico: And we still remembered when you resurrected Sabrina Lorelai, Connie Jackelstein, and Cienna Kitomaru's parents and you reunited them, Linc.

Lincoln: That's right, but that was because of the evil actions of that insane fanatic, the Total Drama Sore Loser, Scott, and The Church of Necrom. For Ed Harley, what began with harmless fun ended in tragedy and anger.

Lori: But, now, Ed Harley and his son are now reunited, and they'll have a peaceful life. This literally wants any parent to run to their child, hold them close to their heart, and tell them how much you love them.

Me: Yeah.

We then said our goodbyes to Ed and Billy Harley, but not before Billy Harley ran up to Lincoln who kneeled down to the boy's height, and he hugged him, and that was really a sweet sight, and Ed Harley shook Lincoln's hand and thanked him, and then, we said our goodbyes and left.

Tracey: So, this nightmare has finally been stopped. But, now as for you, Joel.

Lincoln: Whoa, easy Tracey. I know what Joel did was bad, but he did feel remorse for what happened, and I think I know how he can pay that off and it won't resort in jail time.

Lincoln assigned Joel community service: Joel had to work in the Gotham Royal York park cleaning up litter and helping others.

Nico: Wow, now that was an awesome plan you had, Linc.

Lincoln: Yep, and it didn't resort in Joel going to jail. Now, we finally ended the demonic revenge of Pumpkinhead for good. (To Sophitia Chœurdebeauté, Sonnya Chœurdebeauté, Saria Chœurdebeauté, Stella Chœurdebeauté, Sara Chœurdebeauté, Skye Chœurdebeauté, Sahana Chœurdebeauté, Shannon Chœurdebeauté, Shirley Chœurdebeauté, and Sharon Chœurdebeauté) And it's so good to see you all again, Sophitia Chœurdebeauté, Sonnya Chœurdebeauté, Saria Chœurdebeauté, Stella Chœurdebeauté, Sara Chœurdebeauté, Skye Chœurdebeauté, Sahana Chœurdebeauté, Shannon Chœurdebeauté, Shirley Chœurdebeauté, and Sharon Chœurdebeauté.

Sophitia Chœurdebeauté: (French Accent) You too, Lincoln, it's been a long time.

Sonnya Chœurdebeauté: (French Accent) And it's also good to see you all again, Lori, Luna, Luan, and Lynn.

Lori: You too, girls.

Lincoln made ten clones of himself and he and the clones went up to Sophitia Chœurdebeauté, Sonnya Chœurdebeauté, Saria Chœurdebeauté, Stella Chœurdebeauté, Sara Chœurdebeauté, Skye Chœurdebeauté, Sahana Chœurdebeauté, Shannon Chœurdebeauté, Shirley Chœurdebeauté, and Sharon Chœurdebeauté and they hugged, and Sophitia Chœurdebeauté, Sonnya Chœurdebeauté, Saria Chœurdebeauté, Stella Chœurdebeauté, Sara Chœurdebeauté, Skye Chœurdebeauté, Sahana Chœurdebeauté, Shannon Chœurdebeauté, Shirley Chœurdebeauté, and Sharon Chœurdebeauté were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how strong he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces went even deeper when they saw he has vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white werewolf tails.

Lincoln: It sure has been a long time, I haven't seen you ten in a long time, and as you can see, I really grew a lot since then, and Lori, Luna, Luan, and Lynn have grown into beautiful young women.

Sophitia Chœurdebeauté: (French Accent) Whoa, you sure have really grown very big and strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new, and Lori, Luna, Luan, and Lynn have indeed grown into beautiful young women.

Nico: Whoa, Lincoln, you, Lori, Luna, Luan, and Lynn know these girls?

Lincoln: Indeed we do, Nico, this is Sophitia Chœurdebeauté, Sonnya Chœurdebeauté, Saria Chœurdebeauté, Stella Chœurdebeauté, Sara Chœurdebeauté, Skye Chœurdebeauté, Sahana Chœurdebeauté, Shannon Chœurdebeauté, Shirley Chœurdebeauté, and Sharon Chœurdebeauté.

Lori: These eleven sisters are Lincoln's Guardian Angels from France, and Sophitia and Sonnya are my classmates in Math, Saria and Stella are Luna's classmates in Music, Sara and Skye are Luan's classmates in Science Sahana, and Shannon are Lynn's classmates in Gym, and Shirley and Sharon are Lincoln's classmates in Home Economics.

Luna: We called them the Chœurdebeauté sisters, and they're the ones that taught each of us every musical instrument, and their last name, Chœurdebeauté, means Beauty Choir in French, and the Chœurdebeauté Sisters all share their love for Lincoln, especially with his singing voice.

Luan: They also taught us how to sing in a choir, and Lincoln also made the Chœurdebeauté sisters beautiful dresses and bikinis of their favorite colors, and to show their thanks, they each kissed him on the lips.

Lynn: We also found out they're the cousins of Chloe Bourgeois, and they also hate NO MA'AM with burning passion.

Nico: Uh oh, I really hate to find out what those sexist pigs did to earn their wrath.

Lincoln: And if we find out Peggy, Bud, Kelly, and Marcy were also in on this as well, they're getting an even more painful humiliation than what we gave them yesterday at the wedding reception.

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared around the necks of Sophitia Chœurdebeauté, Sonnya Chœurdebeauté, Saria Chœurdebeauté, Stella Chœurdebeauté, Sara Chœurdebeauté, Skye Chœurdebeauté, Sahana Chœurdebeauté, Shannon Chœurdebeauté, Shirley Chœurdebeauté, and Sharon Chœurdebeauté with colored gems on the gold thunderbolt links and colored crystal links from their brand-new Crystal Necklaces of the Buddha which merged with their Elemental Thunderbird Necklaces of Eternal Love, and their new Elemental Thunderbird Chokers of Eternal Love appeared on their neck.

Sophitia Chœurdebeauté: (French Accent)(Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you and your sisters are part of harem and my many future wives, Sophitia.

Sophitia Chœurdebeauté, Sonnya Chœurdebeauté, Saria Chœurdebeauté, Stella Chœurdebeauté, Sara Chœurdebeauté, Skye Chœurdebeauté, Sahana Chœurdebeauté, Shannon Chœurdebeauté, Shirley Chœurdebeauté, and Sharon Chœurdebeauté had a smile on their faces and tears in their eyes, as Lincoln and his clones wrapped their abnormally massive and powerful muscular arms around the girls' waists and the girls wrapped their arms around the thick muscular necks of Lincoln and his clones, and they leaned down to their faces and they kissed them passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Cameron MacCloud, Miranda Worth, Yasamin Madrani, and Simone Rasmussen from Gen:Lock.

Lincoln: Oh wow, it's Cameron MacCloud, Miranda Worth, Yasamin Madrani, and Simone Rasmussen from Gen:Lock.

Nico: Awesome.

Lincoln: Are you girls okay?

Cameron MacCloud: Yes, we're okay, thanks to you.

Then, when Cameron MacCloud and the other three girls saw who it was that saved them from the demon Pumpkinhead, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo, and right below the Cutie Mark tattoo is a deep sapphire blue kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird and Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm.

Cameron MacCloud: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you both.

Then, Lincoln made three clones of himself, and he and the three clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the necks of Lincoln and his clones, and we cheered wildly at the scene.

Cameron MacCloud: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Thunderbird Necklaces of Eternal Love appeared on the necks of Cameron MacCloud, Miranda Worth, Yasamin Madrani, and Simone Rasmussen with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and they also have on their new Elemental Thunderbird Chokers of Eternal Love on their necks too. We returned home to the World Tree Estate, and they were shocked when they found out the villain we went after was Pumpkinhead, The Demon of Revenge, who was summoned by Haggis the Witch, who responded to Ed Harley's desire for revenge on the teens for the tragic death of his son, Billy Harley.

But, when Lincoln showed what we all did in saving Tracey, Chris, Maggie, Kim, and Steve, along with severing the psychic link Ed

Harley had with Pumpkinhead and ending it for good, and then, Lincoln bringing Billy Harley back and reuniting him with Ed Harley along with other heartwarming scenes, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln, Sophitia Chœurdebeauté, Sonnya Chœurdebeauté, Saria Chœurdebeauté, Stella Chœurdebeauté, Sara Chœurdebeauté, Skye Chœurdebeauté, Sahana Chœurdebeauté, Shannon Chœurdebeauté, Shirley Chœurdebeauté, and Sharon Chœurdebeauté have a lot of catching up to do, now that they're back in town and reunited with their cousin, Chloe.

Maria: Lincoln, you did a really awesome job in the world of Pumpkinhead, and you not only saved Tracey and her friends, but also, saved Ed Harley from a fate worse than death, and resurrected his son.

Lincoln: He also felt remorse about what he did in summoning Pumpkinhead, but I don't think anyone will give up on trying to summon Pumpkinhead to get revenge.

Me: True, in the deep parts of The Appalachian Mountains, they've said that an act of evil shall never go unpunished.

Nico: And they don't forgive and forget, and when they want to get even, sometimes, they can also call upon the darkest evil for that one, but there's always a powerful price.

Brittney: That's right, for each one of man's evils, a special demon exists, and Pumpkinhead is one special demon: A Demon of Vengeance, born from the blood of the innocent to hunt the guilty, and it has a heart of venom, a soul of hatred, and a thirst for revenge.

Eli: And by summoning the demon, the conjurer is risking eternal damnation.

Lincoln: Never allowed to enter Heaven and banished from Hell, but trapped in Limbo forever, and forever cursed to warn those about the return of Pumpkinhead, that's indeed a dark fate awaiting those who dare to summon Pumpkinhead to get revenge.

Nico: (Gulps) That's really scary.

* * *

After putting a stop to Pumpkinhead and saving Ed Harley from eternal damnation, we were training intensely in the gym, this time, doing 900,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and when Sophitia Chœurdebeauté, Sonnya Chœurdebeauté, Saria Chœurdebeauté, Stella Chœurdebeauté, Sara Chœurdebeauté, Skye Chœurdebeauté, Sahana Chœurdebeauté, Shannon Chœurdebeauté, Shirley Chœurdebeauté, and Sharon Chœurdebeauté saw Lincoln doing 900,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 9,500-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and even doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Sophitia Chœurdebeauté: (French Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white werewolf tails even more stronger than ever.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Sophitia Chœurdebeauté: (French Accent) That's incredible.

Nico: It sure is. So, Sophitia, what's the story on why you and your sisters hate NO MA'AM with a burning passion, other than being a bunch of sexist pigs?

Sophitia Chœurdebeauté: (French Accent) Oh, you're not going to like this, and Lincoln, you're also going to be proven right that Peggy, Bud, Kelly, and Marcy were also part of this as well. One day, we were heading to the church to give another lesson to the Loud Siblings, but then, we got attacked by NO MA'AM, who threw water balloons filled with beer, and Peggy, Bud, Kelly, and Marcy also joined in on the fun by attacking us and tearing our outfits. We let out a loud scream, and when Lincoln saw who it was that attacked us, he flew into a dangerous rage and he flew at those morons, where he'd proceeded to beat and pummel them, he also grabbed Bud and dragged them into the fight cloud.

Sonnya Chœurdebeauté: (French Accent) And Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, and Lily attacked Peggy, Kelly, and Marcy as well, and then, when the Loud Siblings were done, Al and his friends were brutally beaten badly, along with Peggy, Bud, Kelly, and Marcy. We then called the authorities, and when they told us the ones who attacked us were NO MA'AM, along with Peggy Bundy, Bud and Kelly Bundy, and Marcy D'Arcy, we were all pissed. But, they were then dragged off by the Chicago authorities who found out about those morons, but we also found out they were let out of jail not a second into their stay.

We were really pissed at those morons.

Lincoln: (Gasps) Wait, now I remember those morons all too well! That day when they attacked you and your sisters when you were on your way to the church to give us another lesson in singing in a choir, they also had Peggy Bundy, Bud and Kelly Bundy, and that twisted feminist, Marcy D'Arcy with them?! Oh, after hearing it, now those memories have finally come back to us!

Nico: So, this wasn't the first time those morons…?! Why, those stupid… !

Lincoln put up the 9,500-lb barbell and he summoned blasts of rose-scented water and sprayed NO MA'AM, Peggy, Bud, Kelly, and Marcy, until they were clean, and it freaked NO MA'AM out. WHAT

A BUNCH OF PIGS! Lincoln then went back to working out.

Nico: Nice one, Linc. That'll teach them.

Lincoln: Oh, I've got tons more humiliations for them later on today.

Me: Oh, right, the bonding session. Sorry we didn't… !

Lincoln: It's okay, J.D., but I should've scheduled it on a day that wasn't the biggest KND wedding in Gotham Royal York, and it'll be for after Ets' first rescue.

Nico: Wait, what? Ets is now about to get a harem of his own as well.

Lincoln: Yep.

Me: I remember that, you took him to City Hall and got him signed into the same Ordinance as you, me, Nico, Clyde, and Bart.

Ets: That's right. This is going to be really cool.

Katie "Pidge" Holt: And you also deserved it, Ets, besides, you've had experience when you went on Lincoln's rescue.

Ets: Yeah, I did. But, I wonder who the villain is that I'm going to face on my very first rescue.

We got a shower afterwards, and then, we were off to Grand Metropolis for Ets' first rescue, and not only was Ets going to rescue the eight girls here, but we got word that Elijah Rodriguez' friends, Alan Mason and Carter Rodriguez, were there, and they wanted revenge on Ets for throwing Elijah back in prison.

Ets: I can't believe Elijah's two lowlife friends are here and they want revenge on me for throwing him back in prison.

Nico: I didn't know Elijah had two other accomplices with him.

Me: Me neither.

Lincoln: When they found out Elijah was arrested, they wanted revenge, but due to the war we had a month ago, they stayed hidden. But, now that the war's ended, they've come out and now, they want revenge.

Ets: This'll be the last time I ever have to deal with those thugs again.

?: HELLLLLLP!

Suddenly, we heard the sound of eight girls screaming for help as they were running, and we saw who they were running from: it was Elijah Rodriguez' two friends, Alan Mason and Carter Rodriguez, and when they saw Ets here, they were now pissed off big time.

Alan Mason: You!

Ets: Alan Mason and Carter Rodriguez, I never thought I'd have to deal with you two again, even after I threw Elijah back in jail.

Alan Mason: We'll have our revenge on you for what you did, Ets!

Ets: That's not happening, Alan Mason, and now, you and Carter are both looking at getting another Life Sentence added to your original Life Sentence for your crimes.

Suddenly, Ets' hazel brown eyes turned neon hazel brown and he was surrounded by a cyan blue energy aura with lightning bolts and gears, he unholstered his massive Hephaestus' Technology Sword of Angelic Justice from his wider and muscular back, and as he approached Alan Mason and Carter Rodriguez, he left cyan blue energy, lightning bolts, and gears with every step. Suddenly, Ets was surrounded by a massive vortex of cyan blue energy with gears and lightning bolts surrounding it, there's a falcon flying around the vortex, and in the vortex is a silver phoenix. Then, as the vortex faded, Ets emerged, but he was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Ets remained tall at 7'5" in height, he still retained his abnormally massive and powerful upper and lower body muscles and eight pack abs, he has cyan blue highlights in the bangs of his long black hair that reached down to his neck, he has hazel brown eyes and a cyan blue energy aura with, gears, lightning bolts, and technology surrounding him, he has a falcon with the Thunder, Eternity, and Tech Kanjis in its claws emblazoned on his forehead, he has on falcon earrings with cyan blue gems for eyes and holding the Thunder, Tech, and Eternity Kanjis in its claws, he has on his Crystal Necklace of The Buddha with cyan blue gems embedded on the gold lightning bolt links and cyan blue crystal links and a cyan blue falcon-shaped Element of Harmony and below the Element of Harmony is a falcon with cyan blue gems for eyes and holding the Tech, Thunder, and Eternity Kanjis in its claws for the pendant on his bare chest, Ets has on a cyan blue version of He-Man 2002's loincloth, large cyan blue pants with gears and lightning bolts on the legs, black knee-high leather combat boots, the large cyan blue weighted bands with silver phoenixes on his massive biceps and thighs were now covered by large gold metal bands, and orbiting around his legs are eight large metallic silver orbs with the ability to deploy attack drones to attack any enemies fast approaching, and tattooed on Ets' now wider and more muscular back is a falcon surrounded by lightning bolts and gears. Suddenly, Ets felt a sharp pain on his wider and more muscular back, and then, his massive silver angel wings with black tips on the large silver feathers, turned black with silver and cyan blue tips on the black feathers, and Ets' winged jetpack merged with his new angel wings, and they'll give his angel wings the ability to also fire lasers., Ets has on a Ring of the Phoenix with cyan blue gem and heart-shaped gem embedded in it on his right ring finger and Blue Lantern Ring on his left ring finger.

Suddenly, Ets' massive Hephaestus' Technology Sword of Angelic Justice in his large left hand and all of the swords he'd gotten in the treasure battles began merging together, and they were surrounded by a kaleidoscope of cyan blue energy, gears, and lightning bolts, and when it emerged, it was then transformed into Hephaestus' Technology Greatsword of Tech Angelic Imagination Justice, it's a new large greatsword with the Greek God, Hephaestus, surrounded by a ring of bolts of lightning and a ring of gears etched on the 7'0" massive, wide, double-edged metallic silver blade, large metallic silver dog heads with cyan blue gems for eyes for the crossguard, large cyan blue gem embedded in the rainguard, longer midnight black handle, four large metallic silver dog heads with cyan blue gems for eyes and four cyan blue gems in its mouths and a large cyan blue gem on the bottom for the pommel and his hand-crafted custom-made Glitch Tech Gauntlet that is modified to be used in combat against both regular enemies and glitches on his right hand, and he also has his many other weapons holstered, Ets has on his new large gold cuff Bracelets of the Champions of The Universe with cyan blue gems on his wrists, his new large gold Belt of Elemental Bravery with a golden falcon head with cyan blue gems for eyes and a large cyan blue gem in its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on his right hip and Eater of Sins revolver holstered on his left hip. There's a cyan blue kanji below the falcon that said, "Ethan "Ets" Uson, Powerful Technology and Imagination Hero of Hong Kong, Brave Hero and Powerful Member of Team Loud Phoenix Storm, Loving Younger Brother and Son, Loving Boyfriend of Many Future Wives, Archenemy of Lilith of Darkstalkers, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Emissary of Hephaestus, and Master of Technology, Gears, Lightning, and Imagination"

イーサン 「エッツ」ウソン、香港のパワフルなテクノロジーとイマジネーションのヒーロー、勇敢なヒーロー、チーム ラウド フェニックス ストームのパワフルなメンバー、愛情深い弟と息子、多くの将来の妻の愛情深いボーイフレンド、ダークストーカーのリリスの大敵、悪のスレイヤー、錯乱、殺人的で冷酷でサディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な学生、ヘパイストスの使者、テクノロジー、ギア、ライトニング、イマジネーションのマスター

Ets has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY IMAGINATION TECHNOLOGY ELECTRIC GEAR ANGEL OF DIVINE LIGHTNING ELECTRIC JUSTICE AND DIVINE IMAGINATIVE HOPE!

We were amazed by Ets' Super Angel Xelnaga Eternity Infinity transformation, and when Katie "Pidge" Holt saw what happened to Ets, she had an atomic red blush on her face and hearts in her eyes.

But, when Alan Mason and Carter Rodriguez saw it, those two thugs flew into a rage and took out guns to shoot him dead, but Ets' massive black angel wings fired cyan blue lasers and disarmed the thugs, pissing them off even more.

Ets: (Divine Echoing Cosmic Voice of The Imaginative Techno Falcon and Divine Electric Techno Hope) You and Carter Rodriguez shouldn't have broken out of prison, Alan Mason. Now, you're both going to get thrown into a brand-new prison far from Earth, where you will stay there until you die.

Carter Rodriguez: If we're going down, we're taking all of you down with us, and so's your bitch, and the other bitches as well for getting in our way!

Ets: (Divine Echoing Cosmic Voice of The Imaginative Techno Falcon and Divine Electric Techno Hope) Okay, just for that, I'm going to gouge your right eyes out like I did to Elijah for threatening my future wives, you shithead!

Ets went after Alan Mason and Carter Rodriguez, and he fired powerful blasts of cyan blue energy, gears, lightning bolts, and any other gadget that he created with his imagination powers, and they exploded with incredible power as they hit the teenage thugs and criminal. Then, Ets attacked Alan Mason and Carter Rodriguez with his new massive greatsword and he left tears on the prison clothes, and he even slashed out their right eyes as the thugs screamed in pain. Then, Ets lifted up Alan and Carter up with his now infinite and immense brute superhuman strength by their necks, and he then choke-slammed them hard onto the ground and knocked them out, and he tied them up in cyan blue energy chains with sensors, so they can't escape.

Alan Mason: Ugh, my head, where are we?

Ets: (Divine Echoing Cosmic Voice of The Imaginative Techno Falcon and Divine Electric Techno Hope) Guess.

This pissed them off badly, but before they could las out, Ets beamed them to the police station to get booked. We cheered wildly for Ets as he holstered his massive new greatsword on his now wider and more muscular back and powered down, and Ets' brand-new body, clothes, weapons, jewelry, and massive black angel wings are permanent.

Ets: You and Carter are through trying to get revenge on me, Alan.

Nico: Awesome work, Ets.

Ets: Thanks, Nico, and just like Elijah, this is Alan and Carter's 834th offense.

Lincoln: 834 offenses?! Jeez, they never learn, do they?

Me: Same with Elijah Rodriguez, well, now they're getting even more Life Sentences added to their original life sentences.

Suddenly, Katie "Pidge" Holt came up to Ets, and she wrapped her arms around his thick muscular neck and her chest pressed up to Ets' now massive and wide muscular pecs and her stomach was pressed against his eight-pack abs which brought an atomic red blush to his face, and then, he wrapped her waist in his abnormally massive and powerful muscular arms, and then, he leaned down and kissed her on the lips and she returned the kiss with intense passion, as she still had her left arm wrapped around his thick muscular neck, but she brought her right hand down to his massive and wide muscular right pec, and we cheered for them. Then, we went up to the eight girls and when Ets saw them, he immediately recognized them, the eight girls are Amy Gillis from Clarence, Ash Graven from Final Space, Karmi from Big Hero 6: The Series, Wenda from Where's Waldo (2019), Tomboy Sunflower from Plants Vs Zombies Heroes: PearGor Version, Aisha Neumann from Valkyria Chronicles, Suzu Hagimura from Seitokai Yakuindomo, and Hokuto from Fighting EX Layer.

Ets: Oh wow, it's Amy Gillis from Clarence, Ash Graven from Final Space, Karmi from Big Hero 6: The Series, Wenda from Where's Waldo (2019), Tomboy Sunflower from Plants Vs Zombies Heroes: PearGor Version, Aisha Neumann from Valkyria Chronicles, Suzu Hagimura from Seitokai Yakuindomo, and Hokuto from Fighting EX Layer.

Nico: Awesome.

Ets: Are you girls okay?

Amy Gillis: Yeah, we're okay, thanks to you.

Then, when Amy Gillis and the other seven girls saw who it was that saved them from Alan Mason and Carter Rodriguez, their faces turned atomic red.

Amy Gillis: Oh wow, you're Ets from Team Loud Phoenix Storm.

Ets: That's right, and it's a pleasure to meet you all.

Ets made seven clones of himself and he and his clones went up to the girls and they kissed, and they became new members of his newly developing harem, and we returned home.

Nico: Alright, Ets is now starting a harem of his own, awesome!

Katie "Pidge" Holt: This is going to be awesome.

After Ets' successful rescue, we got the news that Alan Mason and Carter Rodriguez have been sent to The Uranus Prison and put in separate cells in Maximum Security Solitary Confinement and chained to the walls of their cells, and they got another Life Sentence added to their original Life Sentences.

Lincoln: That should serve those two thugs right, say, don't Elijah, Alan, and Carter have enemies in prison?

Me: They do, and all the prisoners hate them with so much with a vengeance, those three needed to be put in Maximum Security Solitary Confinement.

Nico: Yeesh, those three are really out of control.

Eli: Big time.

Nico: Oh, Lincoln, it's time for our bonding session.

Lincoln: Alright.

Me: Don't forget me and my harem.

---

We were at the park to enjoy some time outside, and it was also time for Lincoln's special bonding session with Nico and his harem, and me and my harem.

Lincoln: This is going to be one amazing bonding session.

Nico: Yeah, and you really needed one after what Audrey told us yesterday.

Me: You said it.

Varie: And you really needed it, Lincoln.

Lincoln and his harem, along with Nico and his harem and me and my harem were enjoying a great time in the park, but then, there was trouble at the bank as we heard an explosion there, and we all went down there. Then, we saw two figures leave the bank and with bags of money in their hands, and when Nico and Nalania Cherikova saw who the figures were, they were in shock: it was their old enemies, notorious bank robbers, Sticky Fingers Mary and Dastardly Dior.

Sticky Fingers Mary: Hah, thanks for the loot, suckers. (LAUGHING EVILLY)

Nico: That was Sticky Fingers Mary and Dastardly Dior. How the hell did those two bastards escape from federal prison?

Lincoln: I got a call from the warden there before we left for the park saying that Sticky Fingers Mary and Dastardly Dior managed to escape by instigating a prison riot.

Me: So, those two bank robbers are at it again?! Let's get 'em!

Lincoln: Wait, let Nico knock them into the ground first, and when they see him and Nalania here, they're going to be pissed off.

Nico: Ooh, now you're talking, Linc. Nalania, shall we?

Nalania Cherikova: Let's.

Sticky Fingers Mary: Hurry up, Dior, those coppers will be right behind us!

Suddenly, Sticky Fingers Mary and Dastardly Dior were hit by fists coming from out of nowhere and they landed right in front of us.

Dastardly Dior: Team Loud Phoenix Storm, here?!

Sticky Fingers Mary: We can take 'em.

Varie: Don't push your luck, bitch. By the way, some old friends are here to say hello.

Suddenly, Sticky Fingers Mary and Dastardly Dior turned around and when they saw Nico and Nalania here, their faces turned red with rage!

Dastardly Dior: YOU MONKEY-TAILED FREAK!

Nico: (Smirks) Nice to see you and your partner are still the same miserable piles of slimes we sent to jail long ago, Dior.

Sticky Fingers Mary: You ruined everything for us, we could've been rich and continued to steal tons of cash from a bunch of unsuspecting saps! But, you just had to ruin everything! Well, now we will have our revenge!

Nalania Cherikova: Not a chance, Sticky Fingers Mary. You and Dior are looking at getting sent back to prison for your escapes from federal prison.

We piled on and we pummeled Sticky Fingers Mary and Dastardly Dior all over the place. Then, Zhen Ji played a melody on her flute, which hypnotized the crooks and sent them into a pile of manure at Liam's farm and then, into a police cruiser and tied up in straitjackets and chains.

Nico: That was amazing.

Lincoln: Whenever Lady Zhen Ji plays her flute, the criminals wind up getting hypnotized by the song and it always ends badly for them.

Zhen Ji: Hopefully, this'll teach them that crime doesn't pay.

Varie: That's right. Now, let's get the stolen money back to the bank.

We then returned the stolen money, and we returned home to the World Tree Estate, where we were hugged by everyone waiting for us.

Maria: Guys, we caught the footage of what you did to Sticky Fingers Mary and Dastardly Dior, that was so awesome.

Lori: But, the real catch was the humiliation that happened to them when Zhen Ji played her flute and they got hypnotized and ran into a pile of manure at Liam's farm and into a police cruiser.

Nico: That was way too funny. Plus, we got told they're heading for separate federal prison facilities, and that this was their 9,423rd offense.

We were stunned and flabbergasted.

Me: 9,423 offenses?!

Lincoln: You're kidding me?!

Nico: I kid you not, Lincoln, these guys are indeed bad to the bone.

Sticky Fingers Mary and Dastardly Dior were then sent to separate maximum federal prison facilities in the US: Sticky Fingers Mary was sent to the Federal Correctional Women's Facility in California and Dastardly Dior was sent to San Quentin Federal Prison, and they got another Life Sentence added to their 30 Life Sentences Without Parole, now, they're really leaving prison in pine boxes.

---

We were walking down the street of the city. But then we heard the bank alarm going off!

Me: Uh oh!

Tops: Another bank robbery in progress?

Nico: Looks like we got another 2-11 in progress! Lets go pound some robbers!

Me: This is the 18th time this week!

We went into the bank and punched and smashed them all over! Cera's dad Tops was smashing them all over.

Shino used his bugs to weaken the robbers all over!

Shino: Too easy.

We tied the robbers up and they were loaded into the police van.

Me: Remember this you criminal dirtbags, Crime Doesn't Pay.

Nico: Yep. If you do the crime you do the time.

Qin: That's for sure.

Everyone cheered wildly for us.

Blast Off: No thanks are necessary, good people.

Me: Just doing our jobs.

Nico: Yep.

Qin: Boy this is the 18th Bank Robbery at this bank this week.

Nico: No kidding.

Thorax: I need to get a job at the bank to be there for everyone from the shadows.

Starlight Glimmer: That's not a bad idea Thorax.

Me: I agree there. You would make a fantastic security guard Thorax.

Nico: Good idea.

Fireflight: I certainly didn't expect this from you.

Thorax: Got to make money somehow.

Me: It's a good idea.

Thorax turned into an awesome security guard.

Me: Nice!

Nico: Perfect.

Thorax was immediately hired on the spot for it.

Later we went back to the estate.

Flash Man: I hope Thorax knows what he's doing.

Nico: Flash Man he will be fine. Now it's time to get ready for our next mission. You guys are going to love this one. We're going to the world of the awesome movie Nanny McPhee.

We were excited for that one!

Lana: I love Nanny McPhee! She is amazing.

Lola: Boy she sure is! She's a magical nanny.

Laney: She reminds me so much about Mary Poppins.

Nico: Boy she sure does. And one day we need to visit the world of that awesome iconic movie.

Me: Mary Poppins was so popular back in 1964. Julie Andrews and Dick Van Dyke did a great job in that movie 58 years ago.

Nico: They sure did and first we're going to watch the movie and then we're going on the mission.

Me: Awesome!

Then Whiplash, Six Gum Gang, Crimson Dynamo, Skalamander, Turtle, Dr. Polaris, Spot, Goro, Mortal Kombat Scorpion, Ben

Ravencroft, Buff Frog, Constructicon Devestator, Beany the Braindead, Burnertron, Proper Patrol, Heatstroke, Evil Aero Man, Tobias Whale, Peg Leg Pete, and Swamp Witch appeared.

Whiplash: Can we watch it with you?

Nico: You sure can.

Me: Always awesome to have you guys with us.

We got to watching the movie.

In Victorian Britain, widowed undertaker Cedric Brown is the father of seven unruly children-Simon, Tora, Eric, Lily, Sebastian, Chrissie, and baby Aggie. He is clumsy and loves his children, but since the death of his wife, has spent little time with them and cannot handle them. The children have had a series of nannies, whom they have systematically driven out with their bad behaviour and pranks. They also take great pleasure in tormenting their cook, Mrs. Blatherwick, a former military cook who declares that there will be "snow in August" before the family is put to rights. Besides their father, the only one the children will ever listen to is Evangeline, the family's uneducated but sweet-natured scullery maid.

One day, Cedric discovers multiple references for a "Nanny McPhee" throughout the home. That same night during a storm, while the children cause havoc in the kitchen, Cedric opens the door to reveal a hideous woman, who introduces herself as Nanny McPhee. With discipline and a little magic, she transforms the family's lives. The children, led by Simon, try to play their tricks on her, but gradually start to respect her and ask her for advice. Each time the children learn a lesson, one of Nanny McPhee's facial defects magically disappears. Over time, the children become more responsible, helping their clumsy father in solving the family problems, making Nanny McPhee less and less needed.

The family is financially supported by Cedric's domineering and short-sighted aunt-in-law Lady Adelaide Stitch, who demands custody over one of the children. She first wants second-youngest daughter Chrissie, but Evangeline volunteers to go and Adelaide agrees, assuming she is one of the daughters. She also threatens to reduce the family to poverty unless Cedric remarries within the month, meaning the family would lose the house, and be forced to separate.

Desperate, Cedric turns to vile and frequent widow, Mrs. Selma Quickly. The children assume from reading fairy tales that all stepmothers are terrible women who treat their stepchildren like slaves; together, they sabotage Mrs. Quickly's visit, and she leaves, angry at Cedric. After the financial rationale for the marriage is explained to the children, they realize their mistake; the children appease Mrs. Quickly by confessing they were to blame for ruining her visit. Mrs. Quickly, intrigued when she hears about Adelaide's wealth and status, reconciles with Cedric and agrees to marry him.
